Yeah, this is week's duck headquarters. Oh, hi, Mr. Morris. Yes, I'm calling I organize an event called wigs doc. It's an outdoor festival that we hold every year and I'd left you a message because well we might be having an in Battery Park this year and I really wanted to know if you thought it might be possible to. To put a wig on the Statue of Liberty, it would only be for just like eight hours during the day do you think that would? Hello that is not a necessarily a drag thing or a gay thing or straight thing. It's proof that we can all get together in the park and have a great time. It's the 90/21 of all if you're if you're here and you're straight, you got some against gay people or drag queens. You're on our turf tonight Honey Don't try it there's also the gay people that want to wear this I don't associate with breeders t shirt hunting with a couple of straight people How the hell you think your gaff got here? We got all get it together. And if you want to get quick back and excuse for that five we are going to move right along to the next celebrity guest who I'm sure is going to turn this part on its ear. Are you ready to session sashay Shante

So if you and your sweetie are together, just kind of lower the lights. Hold hands and listen to this huh? Yes, Jimmy Somerville knew by your side. And that was for lovers everywhere and for lovers, specifically by James to Dennis. I have this Elton John song can candle in the where personals by the great Lynn Laughner, and you'll be able to see Lynn lavender later on this year because she does a yearly concert at MCC yar. And now, request from Rainbow. We do have a request from Rainbow who doesn't know exactly what it's called. But thanks doing it in a country or something like that, you know doing it in the country. I know what he wants, I know what he wants and I'm gonna give it to him and I'm also going to give him something new and Country and Western music. Something I played last week couple of weeks ago. I'm going to do a couple of country western, but first verse. Yes, I am going to do one for Kelsey because she likes four sheets sure, like CWA, you know, only straight World girls work dresses. And this one is from Kelsey to my best friend Adria I'm sorry for being a total bitch earlier and I love you That's nice. Oh sweet Yeah, it's not sweet. And so Adria from Kelsey, this is for you Oh, well I messed that up hold on Thank you lot of things that we write with Yeah. I have to do this because I don't have anything else queued up was just about a prostitute. Well, okay, now I can really screw up but dedication. Can I okay Kelsey. To Adria my best friend. I'm sorry for being a total bitch earlier and I love you. And this is C W A. Okay, the weekly dose of CWA only straight girls wear dresses. And something else coming your way. Actually, it's going on every Saturday night at 1030. At the Houston house, where play called after ever after a comedy and one act is going on by Fat Man production. It's directed and has starring in it our own bill O'Rourke. And it's the story of 15 years after Cinderella and the Prince were married. And what's happened is that the ugly stepsisters have been imprisoned in the castle. And Cinderella has turned out to be a big bitch. And this it's really funny that two stepsisters are played by men. So you know it's hard camp after Ever After comedy and one act, and it's going on at what does it say? Doesn't say doesn't say? Yes. Houston Skyline theater 1617 fan and it's on the ninth floor of the

Houston house apartment building. Go see it. It's fun. And now let's see we had that request from Rainbow for doing it in the country. I don't think so. But I know what it is he wants but first, he's got to have to listen to something else. It's new by Sid Spencer, openly gay cowboy. And he has a new CD out called out and about again. And I'm gonna do one of his called All I can handle. And what do you think it is? All that he can handle? Well, they'll say oh, yeah, that was of course. Doug Stephens in the out band without in the country. And before that, new gay cowboys Sid Spencer, with his new CD called out and about again, and that cut was all I can handle. Just one man. Oh, well. Gay cowboys are here. Now we had a request for some Romanovsky and Philips. And you're hearing all of this on after hours. Queer radio with attitude on KPFT Houston and KEOS College Station, Bryan. And I think Roy wanted to send this one out to Kelly. His friend Kelly and it's Romanovsky and Phillips, latest one if there's a God, she's a queen.

09:56

We've been traveling around a bit and we get to have quite a person active on things because we get to go to so many places. And while I generally feel like gay 90s are here and things are starting to change, the anti homosexual movement is sure going full force too. And the propaganda that these groups put out is like so out of my reality. I mean, like, they're always talking about the homosexual agenda,

10:16

as if gay people could agree on anything for one minute, right.

10:23

I love that when I hear that I always picture millions of little memo boards on the refrigerators of homosexuals throughout America, Mark queer things to do today. And another thing they're always talking about special rights. I mean, okay, there is a little bit of truth to it. I think we deserve some special rights, you know, like, parking. Just some little pink triangles next to the handicap spaces. It's all I'm asking for. My life's been a little difficult. And I would help

11:00

you know, I'll tell you the thing that really pisses me off about these people is that they always talk as if they own God. So we'd like to add our two cents to this discussion about that.

Jimmy Carper 11:18

Yes, classic Romanovsky and Phillips and actually, it's, it was born a classic. If there's a God, he's a queen. You're listening to after hours queer radio with attitude right here on KPFT Houston, and KEOS College Station and Bryan. And it seems as though we're going to run over a bit. Billy Gilbert is not going to be here tonight. His he's, he's got an illness in the family. So I think we're gonna play some more queer music for a half hour, maybe an hour or so. And we'll

still take your requests at 5265738 As long as you request queer music, we'll play it. We might even do Romanovsky and Phil upset later on. And after that. Jim Vaughn from esoteric Adventures is going to be your way doing some esoteric type of music. But until then, when we're getting things together, listen to these words of wisdom.
