SCOTT LEWIS: Oh, the horror. All right. A little old Patti LaBelle for you there. Steve Underwood is in the house, DJ VJ from Club Heavens as some people down in the southwest side of town like to call it, Heaven, the nightclub at 810 Pacific at Grant.

STEVE Now, now, they know where it's at.

UNDERWOOD:

SCOTT LEWIS: I know they know where it's at. Steve is in the house. Steve has-- I told him-- I said, these guys that listen 16, 17, 13, however old they are, can't go down to Heaven yet. They're stuck out in Alief and all those crazy-- stuck out there in all those--

STEVE H-E-B Pantry Food Stores.

UNDERWOOD:

SCOTT LEWIS: They go to H-E-B-- we just talked to this one kid. They have two H-E-B Pantry Foods. So he thinks he's got it all going on in his town. So Steve is in the house. And we're-- I said come play a little music for him. Do a little dance music, a little disco stuff for him so they can kind of see what it's all about. So what are we going to start with, Steven?

STEVE Miss Juliet Roberts.

UNDERWOOD:

SCOTT LEWIS: Oh, yay.

STEVE One of the number-one songs in Heaven. I hope they [INAUDIBLE]

UNDERWOOD:

[MUSIC PLAYING]

SCOTT LEWIS: You know, Steve, President Clinton is over there in Europe right now.

STEVE Yes, girl. He had dinner with the queen last night, Queen Elizabeth.

UNDERWOOD:

SCOTT LEWIS: The queen of England?

STEVE Queen of-- yes. Queen of England. But you know there's another queen that like to talk to Chelsea.

UNDERWOOD:

SCOTT LEWIS: Who's that?

STEVE RuPaul.

UNDERWOOD:

SCOTT LEWIS: Oh, what else do you have to say?

STEVE I would love to have a slumber party with Chelsea. Give her a home weave, you know, put some weave in her

UNDERWOOD: hair or a home perm. And we rent the movie *Grease* or we rent *Gremlins 2*, which I hear is a hoot. I've never seen it before.

And we watch that. And then I would give her a makeover. I would give Chelsea a beauty makeover with makeup and turn her into a drag queen and show her how to work the runway. That would be cute.

Well, Prince changed his name. It's now symbol. And I have an announcement to make. I'm changing my name. Now my name is Prince-- Princess.

[LAUGHS]

[MUSIC PLAYING]

Dun, dun, dun, dun, dun. I just love that new Crystal Waters single, don't you, Dr. Rob?

DR. ROB: Oh, it is definitely hot.

STEVE It's Dr. Rob, the love doctor in the house with Scott Lewis and Steve Underwood. Howard "Big Daddy" McHale had
UNDERWOOD: to leave. That's just what happens when you get up to be in your late 30s or early 40s.

SCOTT LEWIS: Oh, is that what he told you?

STEVE He told me he had an appointment to keep at the Ripcord.

UNDERWOOD:

SCOTT LEWIS: You've been listening to music from Steve Underwood DJ VJ from Heaven, the club we all know. I made that connection because, as you know, I do promotions for Charles Armstrong Investments. The club's over there on Pacific Street, so I made that connection with Steve. Got him over here to spin a little records, give you a feeling of what it would be like if you could actually be there in the club disco dancing.

Do you have a little bad music for us Steve? That's on CD player one. Just lightly in the background. Well, Dr. Rob, we thank you for coming out tonight.

DR. ROB: Well, thanks for having me, Scott.

SCOTT LEWIS: Well, now, don't get-- you'll get talk started. Watch how you word things.

STEVE Always twisting.

UNDERWOOD:

SCOTT LEWIS: I tell you. You have given some incredible advice tonight on relationships, how to get into them and how to keep them, advice that we can all use.

DR. ROB: Well, I felt like Shirley MacLaine a little bit there, like someone else was inside me.

STEVE Oh, there goes that wording again.

UNDERWOOD:

SCOTT LEWIS: Well, it wouldn't be the first time that had happened, now, would it? Steve Underwood--

STEVE Yes.

UNDERWOOD:

SCOTT LEWIS: Steve Underwood, come over here to the microphone. Get up there. I never understand gay men, afraid to get a big old microphone right in their face. You put it in their face, and they don't know what to do. And they get anything else shaped like this, and they swallow it up.

STEVE Well, geez, it's about 12 inches. What do you expect?

UNDERWOOD:

SCOTT LEWIS: Well, Rob, I guess you'd know about 12 inches.

STEVE And she ain't talking about records either.

UNDERWOOD:

[LAUGHTER]

SCOTT LEWIS: What a show. My lord. It has just gone-- it's gone by. You've been listening to After Hours, of continuing tradition on KPFT Houston. Your host tonight, Scott Lewis, Howard "Big Daddy" McHale, special guest Dr. Rob, the love doctor, and DJ VJ Steve Underwood from Heaven.
