05:06

with someone? Yeah. Well, I've never had a Sunday. No,

05:09

no, my.

05:10

I see. Yes, you're right. It isn't. Well, it is never the next day until you do this thing.

05:15

Yeah, that's true. So to me, this is still Saturday night, no matter what they say. It's true. In Sunday. It is and we're in good old Houston. It's July getting ready for August. Yeah. It's hot. It's hot. It's hot. It's hot. Yes, it is. But we don't get snow. Weather we don't know. But I mean, in winter, you know, when everybody else is, you know, freezing their gonads off. Yeah,

05:41

we did that a long time. Yeah. It wasn't pretty. No. Yeah. Well, it's

05:44

really difficult cruising. You know? When people got 10 layers of clothing on it, you don't know what you're getting. Yeah, that's right. And it's and you go to these bars that have the amateur strip and it's all you do. You get these prompts. Oh, oh, thank you, Ron. Make

06:04

them the same. I mean, do you like this one like this with this license? Suite? Are you like you're as black? Yeah. Oh, like I like my Oh, I see.

06:16

Like a nasty like your white underwear.

06:20

Oh, just take this. Nevermind, Jimmy will take it off. Black. A little cream it we have some interesting little thing that we do, you know, and I need to if if the guy out there that called me last month is listening. I promised to fax him something and I lost his his fax number. And I'm not sure exactly what he wanted anymore.

06:46

either. I lost the number and I can't remember what he wanted.

06:50

Something I read at the very last minute because I talked to him when the show's over. And then I forgot my last piece of paper and I had every little piece

06:57

there. I know what that's like, you know?

07:01

Oh, God love you again. God love you pumpkin. So we have well, if we're lucky, we'll let you tell your joke, but maybe we won't. Anyway, we have a couple of clever little blonde. Some we have some. I think what he might have won it was I don't remember if I did this. I do the the Hillary Clinton campaign slogans. Yes, I did. What he wants Ah, so I don't know. I have that just in case. Then I've got a little stuff here from you know, they they've had the Darwin Awards recently. No, yeah, it's, you know, Tony's in this whatever the Darwin Awards, and it's that time of year it's USA of everything this year. Yeah. And the Darwin Award is for those that aren't familiar with this are for individuals who contribute to the survival of the fittest by eliminating themselves from the gene pool before they have a chance to breed the Darwin Awards

07:59

so we have some interesting now a lot of some going to Arkansas

08:03

Well there's a few from there's most there's America. This would be people who have  
eliminated themselves and killed themselves. I don't think this is the case.

eliminated themselves and killed themselves. I say doing stupid ass shit. And, big word again. I'm sorry. I didn't mean to say before one anyway, and we'd they've done these things and thank God they have eliminated themselves Yeah, no, no, leave me we don't need no we have our research department has gone out and searched out these things in various parts of the country and found a few of those so we have a few of those awards that we can fill you in with okay, we've got a another cute little a couple little jokes here that I thought were kind of cute. And then Peter had a birthday this week Daddy You will he did? I didn't even know that I know because I didn't get a card from you so I figured he didn't know

08:48

that's right it's not on my collar Yeah,

08:49

really? You know we're of course that's okay. I didn't get it. I didn't get that from a lot of other people. What was in the voice? What did to look real careful

08:57

No, I didn't even read the voice why No Look at me I didn't even read the news department you know I don't have to do that

09:07

you don't know your you don't know your TR is about a program yeah no you need to read that voice to figure out who what what's what AHA so

09:14

it's it has the day and everything and everything you

09:17

have to be very scrutinized reader ah to catch this. Oh, the normal populace just may not it just probably what you would I would Yeah, because it gives us the real info and

09:32

we have some great truths. This careful in no your age and everything. Oh, I

09:37

10:37  
doubt that.

10:39  
If she did she

10:40  
would not believe I have a story. I'm with square blood. Yes. Since she has stories on all of us. Everywhere. A week or so ago. I happened to find myself at a at the cocktail hour at E Jays having a little fancy that fancy early in the evening, what was I doing there early when I should have been there late on Monday was right. Anyway, no the there we were at the at the normal early hours, just having a little after dinner thing.

10:13  
A little refreshing beverage because ugly day at the

10:16  
office I need to tell you is oh, I'll tell you this later say this on here. Anyway, so we were in there and Miss Claire Bloom was and she was on a on one of her factfinding quests or whatever she had been about. And she had been to obviously numerous places prior to arriving there.

10:35  
Oh, so she was she had had many refreshing beverage and many,

10:39  
many refreshing beverage has. Emma Ms. Clary

10:43  
was totally refreshed,

10:45  
very refreshed and very, very tired and very stressed out. And we all know that. There is no one in this town that can give them massage like ma Oh, that's right. And what's equivalent knows this. Ah, so if you can imagine the clientele at the early, early hour early cocktail hour than

normal? Yeah, whatever. That crowd of EJ Yes, it all the time isn't pretty well, yeah, it's unique crowd. Okay, so everybody's in there's just very good neighborhood bar having a very good time. But when Miss Clara Evelyn pulled off her shirt so that I can give her a massage. Needless to say most of the patrons ordered another refreshing beverage very quickly and made it a double. Well, I spent the next five minutes running up and down the bar and filling everybody's glad they were all just about ready to

11:37

miss square. Evelyn is a generously proportioned woman.

11:42

Both day she talked about her body.

11:49

Yes. And there was

11:50

a lovely weekend, I found myself on the patio at the VN, which is the old furniture and whatever was out there with numerous people doing lots of things. She had had it with her bindings and decided that it was time to remove the binding. Oh my well on that small patio out there, there was a little group,

12:11

there's not enough room for her to take off those bindings on that small Well, that was the

12:15

amount of people that were out there. It was a lovely weekend. And over in this corner was a few people checking out two proportions of each other's genitalia. I see. And that happens a lot. A couple of other people were amusing themselves with various herbs and spices. There were a few other people just generally fiddling. And then there was just on Earth, these gapping booth it was a theme to behold only in, in in the venture in bed. It was just too much well the other night when she

12:57

would just treat us just to assembler.

13:01

Save. I mean when in any JS when that there were numerous of the brethren had to take another quick dip in their cocktail bait that they could have gotten. It was too fun. We have been holding on to a very frustrating dance.

13:26

I want to say that she's the Maxine messenger of gay Houston. Oh, she

13:30

is. But she's much more fun than that. Oh, God. Yes. Yeah. And she doesn't need a wheelchair or whatever. She's somehow anyway, it was so fun. I love that woman. She is so fun. But anyway, so I have a few little true in fact, it may have been my birth I don't remember I have a few little truths about growing old. Some things that I've learned getting through the the thing. I also have Oh my, we have a girl scout in here doing Zachary thick mints. Oh, thank you pressure. I have a line in here about that to the chocolate. They'll come later anyway. And then I have a guy in here about who was studying to be a proctologist something on that I can imagine. And then we have just done some crazy things about a guy that got arrested in Wilmington, North Carolina. Oh, yeah, our research departments been very busy. We have a great defense for you legal beagles out there. And did I read you the historical origins and the middle finger?

14:40

I don't think so. Well, I

14:43

have now got the bird. The insight on the bird spake. Absolutely. And a few little fun other things. So we've got some interesting little things to share with y'all. Sounds like it. Uh huh. And oh, I'd love to start off with this one. Yes is as I'm sucking on this myth. Oh, aren't you feeling good? You know what I could do with you guys? You can always tell I know how to segment. Once it's chocolatey though. Anyway, this guy sits in the middle. They came from the do we have to edit that out? I hope not. The guy the reason I think about men is because you they serve you these little things on the plane now and then oh, this to mine. This guy sits down in Atlanta on a seat on an airplane. And he notices maybe I shouldn't be telling airplane jokes after being Delia Kennedy all week. Did you hear Kennedy's favorite drink?

15:42

Don't please don't do this. We got calls last week. Already nice. We weren't even telling jokes. We're just being nice. And we calls. Oh, my goodness,

15:51

as a friend of mine wrote Carolyn. We were the solicitor. Yeah. Yeah. The the country has just been, I know, beside themselves. And I really thought it was like horribly tragic too. But what I really hate is when the news media has nothing to say, and they keep on talking.

16:09

And then they're in for our neighbors and the milkman. And but why do you I mean,

16:15

if it was about, John, why do we need to go back and redo Ted's life and review Jack's life and redo the dad, no great grandfather and everybody and anybody in that whole family has done anything right or wrong. In the last 20 years. I mean, I did not hit need to hear about Chappaquiddick one more time. No, I didn't need to hear a lot of things.

16:34

Oh, and I didn't want to hear about Joe Sr, when Gloria Swanson and all of that. I

16:38

don't need any of that. Yeah, yeah. And I just thought, you know, if you don't have anything to say, once you make this announcement and say we'll be back to you when we have some words reporting,

16:47

I wish they would. We are so afraid that some other channels gonna have something goo Yeah.

16:54

Well, hey, it was disgusting. I found it disgusting.

16:59

I did it and read a book. It was too bad.

17:02

But anyway, so this guy sits down on the seat in an airplane. And he notices that maybe the guy sitting next to him has a black eye. Oh. And so he says when he says, Hey, this coincidence? We both have black eyes. What do you mind if I ask you how you got yours? Well, the other guy says, Well, it happened. What's gonna happen? He said, It's a it was a tongue twister accident, tongue twister extracts and he didn't see I was at this ticket counter and this gorgeous blonde with the biggest set of bodacious titles in the world, sort of like Portland. And instead of saying that I'd like a ticket to Pittsburgh. I said, I'd like a ticket to Tetsuro my and she punched me in the face. The first guy says mine was a tongue twister to know that I was a breakfast table. And I wanted to say to my wife, please pour me a bowl of Wheaties. But instead I accidentally said You've ruined my life you friggin bitch.

18:06

I hate when, when it comes out that way you

18:10

love that? I may tell. people tuned in like, oh, but the most classy thing in the entire world. Yes. Did I tell you about this last time? I remember when I got this. There's a website. God forbid we should all go there and see if we could destroy it. But anyway, it's called Landover Baptist. No, I haven't heard of that. Oh, sweet God. i This is the most disgusting thing in the world.

18:41

Is it anything like Fred Phelps and God Hates Fags and all of that. Got him. It

18:47

has got my tone. Oh my. It's like we're sticking peanut butter on the roof of a dog's mouth. Baby.

18:56

Well, I'm certainly glad I didn't run it on my butt.

18:58

Honey. I'll be licking it off. This Landover Baptist this friend of mine up north turned me on this thing he said you have got to check this website out. You are going to absolutely drop it. Well, I flipped into it. And honest to god, this was what I pulled off of it. I see it. Yeah. The life sized satanic doll serves as a masturbation toy for America youth what? Yes, above the hideous demon creature Jar Jar Binks. Oh my god Star Wars fame? Stairs. lustfully with its sinister smile. Lucas latest creature is a favorite toy among today's youth for more than one reason what Yes.

When Mrs. Tony Huston opened her son's Timmies bedroom door. She was shocked to see his innocent white hiney nestled into this seven foot Jar Jar Binks doll but she had bought him for his birthday. Oops. Lately many Americans have suffered similar incidents so says the land over about As people, young children are being seduced by the character George Lucas, his latest Star Wars movie Jar Jar, soothing voice, and a timid childlike manner seemed to lure young teens for all you hatchlings out their breath into a world of lustful abandoned much more. They will not be one of these on a market shelf anywhere. unsuspecting parents purchase this popular lifestyle only to find out later that it's being used by children as a masturbation toy. How? Oh, well, I guess under the guise of family entertainment Lucas Star Wars prequel has contaminated Americans youth with subliminal sexual innuendo, please. Yes, Pastor Ebenezer Smith of the Landover Baptist Church commented, The demonic character of Jar Jar Binks creature became obvious when one pays close attention, his forked tongue his lapping his malignant features are all too noticeable to the Christ centered. Experts who have examined Oh get this expert to have examined this life side style that has become a favorite toy of 12 to 14 year old children woohoo hatchlings. Be careful. Say that the evidence is overwhelming. The Dow was created for the sole purpose of masturbation has four openings and three extrusions making it compatible for both male and female pleasures. Members of the land are outraged that the satanic subtlety and marketing geniuses have moved his horrific abomination into the home the American youth. One mother was concerned that her young daughter was not interested in boys. A pastor noted she asked her little girl Why don't you talk about cute boys at school? And our daughter replied, Oh, mommy, nobody's cutie thing Jar Jar Binks. The mother was horrified. Landover Baptist finds that the only way to resolve this problem is to ban not only the life size Jar Jar Binks dolls from the American homes, but demand any life size doll so much for you blow up toys kids. Okay, any child that has seen this movie is finding that their natural attraction to members of the opposite sex is being replaced with an attraction to a seven foot devil with elephant feed a 25 inch tongue, polka dot skin, a fish snout and two phallic eyes that jut out ochres for the love of God, you've got this devil in your house remove it as soon as possible of this and you believe this? That is an absolute quote from these dorks.

22:46

Well, you know they can when I do this and so they let up on us for a week you know?

22:54

That is that is something that rageous isn't that just the funniest thing you have ever heard if there's one thing in the world that I would love to find God and I'm yeah, the past 4 trillion grow would be something that was would replace was dry. It was seven foot Oh, but the 25 inch done by God. I would kill for something like I don't care if it does that bucket skin and a fish snout. Oh, do I mean good things got four openings and two whatever is mine. Yeah, no.

23:27

I mean, let's face it.

23:30

I haven't I feel like if I would if I were to run by one of these damn things I left all over town.

23:35

Right? Well, these folks see American Pie. In the new movie out. Oh God, where the sun decides that a nice place for an extension of his body would be this freshly baked apple pie.

23:55

Seven foot Jar Jar Binks eval dad

23:57

and then his father walks in

24:03

we ever caught in an uncompromising

24:06

Oh, let's see. I'm trying to think caught. By whom?

24:11

by somebody that might matter. Only once.

24:14

Oh, only once and it scared the piano because it was a public place.

24:22

Do you be arrested for that? You got it. Me when you were little did mommy ever catch you?

24:28

Oh yeah. When I was five years old five. Oh my love actually probably between four and five. Four. I was dabei Yeah, I was

24:37

still Barbies or something I was

24:39

down the street and and what's the with the other four five year old we were the same age kid down the street and and I was playing with him, huh? Oh my God and his mother walked in at five. You'd be amazed the things I knew to do at five

25:01

This is a gene pool thing

25:06

five Yes, Skye was

25:08

my the biggest thing in my life and five was Hostess Twinkies.

25:12

Oh, no. No and you know, and then then and every Greyston every great after that I was in love with some boy in my class.

25:22

Holding here Yeah, well, thank god Jar Jar Binks didn't have this doll out when you were a kid or mommy to walk down and I saw your little white hiney nestled in those seven foot thing with two big eyes and a lot of fur. I didn't see the movie.

25:40

I don't believe it had fur. It's it's it's not it's a animation character.

25:47

What would the doll have for this animation person be furry but

25:51

I don't think so. Because originally Xiaoxiao RK comes from under the water IQ.

26:01

I'm not going to nestle and anything on my little white I mean

26:07

it's a terrific character. It's just it's

26:09

well, it obviously is a terrific character. Those two things that girls obviously it's

26:13

the three CPO of this particular movie. You know it's the not comic character.

26:21

Not being a star war, Buffy. Oh, as it were. After seeing this on my internet can't cry. I am gonna have to see this movie now. To find out.

26:32

It is really fun. And he he is a little on the Nelly side at times.

26:36

Well, I heard it was the Nelly character. I mean that yeah, some friends of mine who are definitely when I saw this I immediately someone has pointed this out to everybody you can imagine if you've ever seen anything more stupid this your entire life. You know, but you can respond back to this site. Or you can Oh, needless to say, I'll bet Peter whipped off a dashing comment that it would be great for ebony Aster Ebony's or whatever his damn name was? Maybe I'd be getting a little or

27:05

no it's why I guess this brings money into these these people. But why can't they just

THIS IS WHY I GUESS THIS BRINGS MONEY INTO THESE THESE PEOPLE. BUT WHY CAN'T THEY JUST espouse the good parts of their view if they needing an enemy now if I

27:21

was if I was a pastor of a rather large I presume this large everything they don't damn website? i The less said the better. Now that you say this 10,000 Kids are gonna run out looking seven foot, you know, blow up toys

27:37

and 20 million parents. Yeah, really? Are you kidding?

27:43

I mean, I thought that was the old lady out now. Let me get to the entire hatch. Kids are coming in here with their own seven. Oh, my

27:51

God.

27:53

Next year's prom. Well,

27:54

sure. Well, sure. Well, not.

27:57

So I thought that was just too cute. Had to share those two little fun things early on. We may come back to that because that you know, if we do late, late on for some of the people are leaving the bars and aren't listening to us right at this moment. We may come back and show a little piece of my okay, because it is just too strange. That is very, very metastore Ebenezer and I are now in the first thing that you are. Yes. And

28:19

what is that first name? Well, a gearhead.

28:23

It's something we really wouldn't say left. Why? But no, I really meant you'd be so proud of me. I really didn't use any I tried to kill him with with what something intellectual hoping I would appeal to

28:39

is I don't I don't think he'd understand. Well, you know, but yeah, I told

28:43

him that you know a few things about all kinds. There

28:47

are idiots who really, really, you know, the wonderful thing about the internet is that you can find out so many things. And the horrible thing about the internet is that idiots like this can get on it. Yeah, really?

28:59

Well, they have numerous other little sightings on their page that I didn't even want to go into. Yeah, see any good music for this week? I want to hear something really humorous, funny, campy, crazy and strange.

29:13

I got it. And we're gonna hear it right now.

29:16

Oh, God, I can click on another one of those to pitch you on. Oh, baby.

29:23

Steve Steve Brooks is a I guess a straight guy because this is kind of political humor. seedy political humor city we call it sex lies and videotape. Well, that's a movie songs for high tower radio. But isn't sex lies and videotape. Oh, yeah. Yeah. But songs for high tower radio Jim Hightower, who does little radio spots every week. And Steve Brooks does this wonderful little song that we're gonna play for you right now. It's called Jesus Loves You How appropriate

29:53

after our Landover Baptist number.

29:57

Well, I wasn't finished with the title Oh, Jesus loves you even if you're gay. And you're hearing it on after hours, it'll

30:05

still go for our Landover Baptist crowd. I dedicate this and Landover Baptist community or whatever his name is out there.

30:11

Queer radio with attitude on KPFT Houston and ke o s

30:25

they have to grow and then hit yes. Oh yeah. Back on that was

30:32

Lizzie the supermarket drag queen Lizzie the supermarket drink well, that was name of the song Oh, by a group called the Johnny pop star love explosion.

30:43

All right. I've seen Lizzy the supermarket drag queen at Walmart when they outbid that you can run into all kinds of drag queens, they're looking for the wonderful things.

30:53

Somebody stopped me on the street and said that this was for you. Ah, shame on it. But

31:01

where did this come from?

31:05

Somebody who said usually it's \$100 but for you it's your birthday. It's only 50

31:10

and I just happen to have 50 Baby Leto happy 100 And fifth birthday or something 150th birthday. I don't know. He Oh, and you know what? What? This is the only birthday cake.

31:28

Oh, red white and pink.

31:31

I love the pink one. I didn't even get one on my birthday. No kidding didn't but that's how I wanted to stop counting don't you? Yes indeed. You have. What do you say? We all do get a pace I didn't know I had a choice

31:49

piece or have some cake Hey that was that's something that the music director here threw my way be can't be on the show. The group is probably looking at glorious and mundo no. Mary Ramirez Oh is the music director. Oh the music Yeah. And Mundo is the program director.

32:12

Yes yes. We love him and we you certainly

32:15

would gosh yes. And looking at the pictures without you know I'm not gonna look at the picture this group are just real cute I'm not going to venture to give try to guess their sexual orientations

32:31

God only no yes one here that's got some kind of weird mask on that's trying to be a kiss look alike thing with a red and black striped Cape some other guy that looks like a Elton John look alike or try to be somebody that I'm not sure what this one is with that early Art Deco 6070 thing? Yeah, the retro Yeah, with a wig and then this other thing and they're out in the middle of the woods. Yes. Well,

32:55

isn't that special? Blair Witch I don't know. That's all

33:00

it's a fun to loud fun. That we may have more music tonight

33:04

Johnny pop star love explosion with Lizzy the supermarket drag queen and we of course, the one before that was Jesus loves you even if you're gay. Oh, not they're supposedly straight man, Steve Brooks, from the high tower radio CD. Well, that

33:21
