out there, supposedly straight man, Steve Brooks, from the high tower radio CD.

00:09

Well, that couldn't have came at a better moment after Landover back to the crowd who needed needed more than whatever? They certainly did. But let me give you just we'll we'll see every now and then sprinkle a few of these to the evening. Oh, okay. It's our Darwin Award nominee. Yes, we told you about those earlier. This is the Darwin Award for those who aren't familiar with those who may have just tuned in and it's that time of the year again, where there are individuals who contribute to the survival of the fittest by eliminating themselves from the gene pool before they have a chance to breed. Any of these people ever made babies God knows we would be up the creek a young Canadian man searching for a cheap way to get drunk. Since he had no money to buy alcohol. This is true stuff. Oh, this is all absolutely fabulously true documented off of police reports and wow, in newspaper article things and yeah, I mean, no, this is not fictitious. Like real for real. Yeah. A Canadian man searching for cheap way to get drunk since he had no money to buy alcohol mix gasoline and milk. Oh god. Well, hey, not surprising this concoction made him ill and he vomited into the fireplace in his house resulting in an explosion that burned down the house killing both him and his sister. Thank God because that's probably who either made babies anyway vomited into the fire Yeah, yeah. Oh, my sweet mother. I don't know this next one. I can't even begin to figure this out. So I'm not even going to do it but the other one would be three Brazilian men were flying in light aircraft at a low altitude okay. And when another plane approached, it appeared that they decided to move the occupants in the other plane Ah, okay, but lost control of their own plane and crash and all were found dead in the wreckage with their pants around their ankles. Thank you three more that will not be having male children. Oh, god

02:24

oh Lord Jesus. Yep. A police officer in Ohio was he's a real responded to a 911 call. Okay. She didn't have any details before arriving except that someone was reported that that his father was not breathing. And upon arrival on the scene, the officer found the man facedown on the couch but naked. Oh my and and when she rolled him over for a pulse, and to start CPR, she noticed burn marks around his genitalia. Oh

02:53

my. Well, the

02:54

ambulance arrived took the man to the hospital where he's pronounced dead on arrival. In the meantime, the police made a closer inspection of the couch upon which the man was found with and was found and noticed that he'd made a hole between the cushions yes, they flipped over the couch and discovered that what had caused his death what apparently the man had a habit of putting his organ. It's been a it's a between the cushions down into a hole between two electric Sanders with sandpaper removed for obvious reasons. According to the story after the orgasm, the discharge shorted out one of the Sanders resulting in the man's electric keychain.

03:40

There's just no Darwyn numbers. We'll do a few more of

03:43

those later. One of my brain the real thing don't worry about it. Oh, and make your own up.

03:51

I'll tell you what. You need this one.

03:56

We're trading pieces here.

03:58

Oh my and I need this one. We're trading little pieces of three mil.

04:04

Well, okay, excited. Viagra joke. Oh, Viagra. Let's do it. Okay. A woman complained to her doctor that her husband never wanted sex anymore. So he gave her a bottle of Viagra pills, telling her to put them in her husband's drink and her husband would be recharged. The woman was filled with doubt, but she put one pill in his coffee that evening. That night they made love. The next night she put to Viagra is in his coffee and that night the sex was a static.

Well the next night she said what the hell and dumped the whole bottle in his coffee. Well, sometime later, the doctor called to check on his patients progress. The woman's son answered the phone. When the doctor asked how everything everyone was doing. The boy replied well My mom's dead. Sis left Home the maids pregnant My ass hurts and dad's butt naked in the yard yelling Here kitty kitty

05:14

so be careful with that Viagra, folks.

05:16

I saw this fabulous birthday card. There's two couples this couple are laying in bed. Yes. And there's a whole lot of cats in the bedroom maybe six or eight cats on the floor and on the bed and here there and whatever. And all their tails are just pointing

05:31

05:48

Oh my Oh my Oh, no. It

05:49

was a wonderful little. Okay.

05:52

No, get more professional here. Oh, do we? Because we had to call. Oh, okay. Marcus is listening to us. disgusted by our first round. No, but he says the volume keeps shifting from soft to low. loud to soft. And it's because we keep turning our heads away from the microphone. Is that why that's why okay. So don't look at me anymore. Just just

06:14

want to look at you. I'd love to look at you. Yeah, that's what Ron show. Oh, this is pillowtop. Yeah.

06:28

Well, you better change your pillowcase than he wearing.

06:32

06:34

Smile. Just a smile. That's it. We have a little music your boy tonight? We do. We hoped we do have lighter.

06:44

Make you grab your thighs. Anyway, back at it. Was that enough? soft and loud for them? If you're not wet yet. Oh, tattoos, tattoos tattoo that to your tattoos? Because I got one follow up because

06:59

my friend got a tattoo of \$100 bill on his dick. Mike. Yes. And he did it for three reasons. First, he likes to play with money. Second, he likes to see money grow.

07:15

God and knew you were coming over. Yes.

07:19

And And the third reason is he knows no one but give up the chance to blow \$100 There you go.

07:29

No, that was good. That was good. I like that. Dwayne smiles at the young girl. Oh, I strikes up a conversation with him. And as they talk, her rope slips open to who? Who's quite obvious that she has nothing in her robe where Dwayne breaks out into a sweat. I'll bet he does trying to

maintain eye contact. And other thing well after a few minutes, she places her hand on his arm and said let's go in my apartment. I hear someone coming home the person was there into the apartment. And after she closes the door, she leans against allowing her robe to fall completely being completely nude she put hers at him

08:08

What would you say is my best feature? Oh my

08:12

wow he flustered and embarrassed away and stammers and clears his throat several times and finally squeaks out. Well, it's got to be your ears. She's astounded. Bet my ears look at these breasts. They're full they don't sag they're 100% natural my burns they're firm they don't sag no cellulite. Look at the skin no blemish no scar. Why in heaven's name but you say that my ears are the best part of my body. clearing his throat once again Dwayne stammers outside when you said you heard someone coming? It was me you gave them

08:54

away and I didn't even know it. I know you kept rags. not know it

08:59

was a team you just think way too far ahead because you're sick sick sick. Oh man.

09:02

I guess I am.

09:05

So you have something fun to play.

09:08

I got some Charlie Pacheco What's that? The Castro cowboy Oh, I remember him

09:13

I do I ever we did him among Yes, I heard something. I was listening to the show. I don't know when it was a few weeks back that I heard some really neat neat stuff and it was it was fun. A

big game music kind of fun. Maybe it was cowboy maybe it was somebody else. Maybe it was something old. I don't know what it was.

⌚ 09:29

Oh, wow. I don't know. Well, anyway, I want to play him and I've got some other fun stuff too. His new album is out here come to blues

⌚ 09:38

come to blue here come to blues come to next time he's

⌚ 09:41

in town. He's coming on this show and we're gonna ride with him because

⌚ 09:47

there's a picture of him. Oh, baby baby and his CD is available at Lobo. So yes, yes, yes.

⌚ 09:55

Do I get to companies here. You may attend one day Shouldn't I don't need them to come in here release watching but I mean, maybe. And afterwards we may talk a little bit about. Yes parade and all the things that are coming up.

⌚ 10:11

Sure, sure. Lots of things. Yeah, I have a couple of things.

⌚ 10:16

Free and listener sponsored Houston's 90.1 KPFT the sound of Texas of Pacifica network station KPFT Houston. KOLs College Station.

⌚ 10:25

And now something a little on the country western lines, but entirely different. This is by a local man named Jean Kelton, I know you'll enjoy it.

10:38

She's got tattoos on her titties

10:54

Oh, yeah. Oh, yeah. Oh, yeah. Oh, yeah.

10:57

That's a local guy named Jean Kelton. G. Kelton. And of course, the name of it is Texas City, Dyk  
No surprise there.

11:08

No surprise.

11:09

No surprise there. It's it's kind of an EP thing. Yeah, he only has four songs. Oh, and.

11:21

And you've just got all

11:22

four. There it is. Yes. Jean Kelton? In the diehards he's featured lots of times on Joe's Roadhouse  
here Sunday afternoon where I heard it haha yes, yes. That's because he had Jean on live one  
time and then place it also this and the the favorite one of Joe's Roadhouse is my baby. Don't  
wear no panties. I've heard that. Yes. Yes. And to the blue. Yes, yes. And I love Joe's  
Roadhouse. Really good stuff, kind of rockin blues stuff.

11:56

And he plays a lot of Stevie Ray Vaughan and Jimmy Irama. Yeah, God knows I love

12:02

so this is another strike scrape person

12:04

saw them live in concert numerous times who? Stevie and Jimmy rave on No kidding. Yes. And arbor. Wow. Early days. Wow. A boo, boo. Anyway,

12:18

where we are well,

12:19

I was getting ready to tell you a blonde joke. Oh, boy. And this blonde she's trying to decide what to do for the night. And she you know, she go out my friends. I go to a movie. She like calls on what she decided to do some little different. And she said she'd go to get a flick. Oh, okay. Flick. Oh, so she goes down star and she buys this dirty movie. She goes back home puts on a little teddy lights, all the candles, cheese and crackers and shoves movie in his back and the whole screen is snow. So she picks up the phone and calls this movie store and says, Hey, you know what's going on here? I spend a lot of good money on this movie. And my screen is just all snow. And the clerk says oh, gee, we have had a couple of shipments some bad movies lately. And you know, do you know the name of your movie? And she says yes, it's called a head cleaner

13:20

for four gay blobs of a pickup, yes. And they're they stopped by the lumberyard. And one guy gets out and runs. And he says, he said, I need some two bytes. And the guide lumber said, You mean two by fours, right? And he said, Well, wait a minute, it goes back to the truck with the other three cars. They say you're right. He said, it's two by fours. And he says, Well, how long do you want him? Well, wait a minute, goes back to the truck and comes back. He said, Well, I'd like him for a long time. We're building the house.

13:58

Man When? Oh, yeah. Oh,

14:01

that's bad. That's bad. That's bad. Bad. Well, now? Yes.

14:06

Sure. Let me give you another Darwin Award. Oh, yes, we're featuring the Darwin Award. And these, for those of you who don't have a clue about individuals who win this award who contribute to the survival of the fittest, by eliminating themselves from the gene pool pool

before they have a chance to breathe? Thank God they do. Yes. And this

14:29

is real stuff. This is real. This is not made up, folks.

14:33

No, this is real. We, we we we have all this down. Okay. And I'm trying to figure out if this is the one I really want to tell you or not. Oh, because I've checked a few of these that are just too good. And the rest of them are like we're trying to figure out Yeah, that's not the one I'm okay.

14:52

That's not the one

14:53

I Oh wow. 27 Your Old French woman lost control of her car on the highway near Marcel de Marsay and crashed into a tree seriously injuring the passenger and killing herself. A commonplace road accident this qualify would not have qualified for the Darwin nomination however, it appeared that the drivers attention and been distracted by her. Pema Gucci key ring.

15:22

Do you know what those aren't? You know,

15:23

what's this little thing she have to feed? Oh, yes, yes, yes, yes, yes, yes. Which had started urgently beeping for food as she drove along in an attempt to press the correct buttons to save a little things like the woman lost control of her car and killed herself. I mean, thank God for an electron making babies. Okay, Lord, and oh, a man in Alabama. Yes, died from rattlesnake bites. Oh, yeah. Big deal. You may say, Well, lots of people but there's a twist that makes him a candidate for the Darwin Award. It seems that he and a friend were playing catch with a rattlesnake. Yes. Neat. Catch with the rattlesnake waiting for that thing can you can guess what happened from here. The friend of Darwin Award candidate was hospitalized and the other one's dead. And several years ago in a West Texas town employees in a medium sized warehouse notice the smell of gas okay. Management evacuate the building extinguish all potential ignition sources, lights power, everything. And the building had been evacuated two technicians from the gas company arrived. Okay. This was scary thought just yet because it is next. To them when they enter the building they found was difficult to navigate in the dark. Since the lights weren't working, don't tell me Thank you. Witnesses later claimed to have seen

one technician reach into his pocket and retrieve an object that looks very much like a LIDAR. And when he flipped on the light of the gas in the warehouse exploded sending pieces of debris, two and three miles away. Oh, nothing was found and the technician now bet not. But the LIDAR was found virtually and touched. Up technician was suspected of course of causing the explosion and never been thought of as bright. Oh, yes, that is and that just so that's our little Darwin. Listen, speaking of Darwin Awards, and whatever about some awards and things. I saw the play party. Oh,

17:29

did you read a couple of reviews on it though? A couple. And then another review. That was pretty good. Actually.

17:38

I thought it was kind of good. In fact,

17:40

the route that was good was by a guy who's going to be on the show next week. Well, he got something else.

17:46

Why? How about that? Yes. I thought it was kind of good. And the people that were there certainly had a good time. Yeah, it's a very small intimate theater, obviously. And if everybody's gonna get naked, might as well be Yeah. And

17:57

how small is it? It's a small theater.

18:01

Okay, you've been to the little room down though theater downstairs. Yes. room downstairs bigger than that. Okay. Cuz that's got like 3040 seats. Yeah,

18:10

this is probably more more than that. But still not not gobs. Your hands don't like

18:16

right close to those folks there. With all that didn't going on?

18:20

And you know, but the thing is, I didn't find the nudity to be like, the I mean, that wasn't like the big highlight of the show, if you might, ya know what I'm saying? Yeah, you know, I mean, it wasn't, it wasn't like the like, oh, well, here. We're all going here. Just you know, like, when, when what was that thing that first came up, Tim Miller hair came out. When naked person right down now and made the whole you know, it didn't seem to be like, you know, I mean, yes, they all got naked. And yes. You know, they're attractive, and that's fine. But the show was funny. And it was sort of like, I mean, I think it kind of gave gays a better look than the boys in the band. Well, yes. Where we have a bunch

19:02

of, you know, bitchy hateful queens.

19:05

Yeah. And these people were bitchy. And, I mean, they had great lines. And they they would do each other quickly with a line. I mean, sarcastic and very sarcastic and real fans and whatever. And but they didn't seem to get in the way of the relationship with one another. And

19:22

so why are they naked? Well, it's

19:26

without giving away too much of it. The lines are flawed. I mean, some of the lines are just flawless. I mean, they're really flawless. There's Funny Funny, funny lines. And the deal is it's it's a bunch of Queens get together once a month for a little party like new dinner party. You know how that goes. Together? Do dinner do whatever Yeah, well, evidently, I mean, I can't imagine Queens getting getting naked especially if these were the baby got together but once every month, nobody way. But it did and it was funny the way it came out and the guy that has the apartment and he has remade and then there's other guests and a young new I hatchling if you will kind of young, he should have been blonde because he was really kind of dinky and funny. And then there was some of the other casts. But the one guy that really kind of stole the show was this guy who was kind of there. And from the very beginning, he was a priest, person. And they would have great lines. Like, they accused him of having a wet, wet, older boy contest. They were great. Oh, yeah. And they were. And he was really they were, he was, he was the diva. The mom, queen, you know, of everything, was teaching this little young thing about Liza and, you know, all that, you know, just worked. It was just really, really cute the way it was done. And they had some interesting lines back and forth with one another. And it was

kind of fun. But this guy really kind of sold the show, because I mean, he was, he was a portly gentleman. And I got naked, and I got it. You just have to mean he was the least obvious of all but you gotta give him credit. I mean, to run across the stage naked. If that size was. That's daring, but it was generously proportioned. But it was a fun channel the show and it was well received. Yes, by the audience. And I know, I knew a bunch of people that were there the other night. Well, yeah, they wouldn't have seen the house. Wow. And I knew a bunch of people there. Nobody seemed to really have a good time. kind of enjoyed it. It was kind of fun show.

21:19

Where's the play? A little bit? Beyond Vinu? Yes. Is that the name of it?

21:25

Yeah. Something like that. Over on Washington just Oh, okay. A little okay. Yeah, yeah. Fun kind of show. Ran. I thought it was kind of it was kind of fun. Kind of good. So I would recommend that, you know, among other things, it was it was interesting. Like I said, if you're going just to look at, you know, naked Boys, take your 20 bucks and go to eat Jays on Friday, and you can feel it and drop your 20 Easy. But I mean, other thing it was it was a I mean, it certainly isn't Broadway. Okay, but it was kind of humorous and fun. And just the, some of the lines are great. And if you're, you know, an old queen, you'll appreciate.

22:10

There's, you know, there's theater for for queers. lately. You know, weirdly a lot of theater. I recently saw the play the last session that was done by the Little Theater wasn't that good? Yes, it was excellent. It really was good.

22:28

I went the day that Stephens house had a boat that day, and it was there were a lot of their their board members were there and different people that have been involved with the organization for a long while. And it really caught some of them really

22:43

caught me to it. They caught me hit him real hard. Yeah, I'm HIV positive slash person with AIDS, whatever you want to call it, and it really hit them. It does. It does. Because that's that's kind of what it was about. But, but the music was

22:57

good. Excellent. Yeah. And that the big blackout was flawless. loved her.

23:03

Yeah, like a voice. Voice. And I was I was surprised that Richard loud the star, I had no idea number one that he could sing or that he could play the piano. I mean, I had no idea. He was really good. Yeah, I

23:23

want some other things coming. Not to give away the new things. But are you going to dinner party tomorrow, honey? No,

23:29

I'm not. Why? Well, it's a friend's birthday and I'm taking him out for his birthday.

23:35

Okay. And that's gonna take all night. Yep. All night. Pretty much. Good Lord Jesus. You can do more in his birthday that aren't gonna blow his candle. Wow. Oh. Well, I'd be happy to share with you a way to get in there if you'd like to come and show your face. Well, really, I can make sure you get there. I have a bend any for you if you want.

23:57

I would love a bandana. I I used to be a host when a friend of mine was a renegade. And I was the host every year. And so you know, I got the bandanas. And he had been getting the bananas bandanas for years and years and years. And then he died. And you know, I'm not a bar person. And so I stopped being hosted now. You know, I don't get them. And you know, well, I'm gonna

24:19

host the post and I give you one. I would love to have you at least go to dinner. Stop in and say hi to your friends and then go and blow his candle out after that.

24:27

And next week, go back to the same place. Yes. For the

24:31

garden party. Now if you don't come to that. This may be your chance to see Wha

24:38

Oh, dress doing the Hayseed number.

24:41

Well, I don't know about doing the Hayseed number, but dref. Ah, okay.

24:45

Screaming and this is yeah, this is the first time that the garden party has been at the BRB right. Yeah. Because normally it's the same day as the denim party. Yeah, yeah. It was Richard this last year. It's been at Richard Furman. Many years so this would be

25:01

kind of fun. Yes. And then that's gonna benefit Stephens house too I think yeah, that's very nice guy knows they needed gosh I'm anywhere my knees because they paid off their debt that doesn't have anything to do with for it day in and day out they spell low

25:14

yes for people. I mean, I got I'm the treasurer of switchboard yeah and you know, we have a monthly budget of like 500 bucks to run the whole place from but yes still, you know we still got to go out and beat the bushes to get the money. You know doing well do we're we're doing pretty well though. Yeah. For right now,

25:37

I have this great little joke here for you about this guy that wanted to be a proctologist since it's after when we can tell this. And so he really wants to get good at being a proctologist so he decided to go down to the morgue after class and practice. And well he uncovers this first guy and there's a cork in his butt. Oh man, he thinks it's a little strange. So he pulls a cork out and music starts playing on the road again just can't wait to get on the road again. Wow. Oh my god, the guy freaks out runs down and gets the Master Ma and drags the poor guy back back down to the table and he says look, he says the guy pulls his cork out and sure enough on the road again. He was totally unimpressed. He said so what was the most amazing thing you've ever seen the guy as he says, Are you kidding? Sydney so can sing country music? Oh the NE Wow. When you say VRV that's not true because God knows I love country music I love

26:38

Do you know that the Duke University Medical Center is reporting an unusual occurrence in the obstetrics department. It seems as though a child was born with both male and female organs. Oh yes a penis and an end a brain Oh, when you know when you're in a bar and you're anywhere and you know somebody is like kind of pestering you and you know and you are not interested at all and they don't take the hint. Yes, here are a few things you might you might throw out to kind of dampen their spirits okay. Okay, first one is and your cry baby whiny ask the opinion would be

27:29

well that's but says it right off now Dad.

27:33

And sarcasm is just one more service we provide.

27:39

That would be the response that last line. If I throw a stick will you

27:42

leave? Oh, tacky. If I want to hear the pitter patter of little feet. I'll put shoes on my cat.

27:54

Oh, yes. Well, I wouldn't

27:55

have again maybe

27:59

did the aliens forget to remove your anal probe?

28:04

Oh, tacky.

28:07

Whatever kind of look you were going for you missed.

28:12

Oh, that's a pity queen.

28:15

I'm not your type. I'm not inflatable.

28:18

Oh, that sort of says it all not done.

28:22

And did I mention the kick in the groin? You'll be receiving if you touch me. That's pretty. That's pretty direct. Yes. Yeah. Nice cologne. Must you marinate in it? Oh, can't you can't you use that line? A

28:38

lot. Yes, on a plane last time I flew.

28:43

And then the last one I've got here and which door for you?

28:52

Oops. Well, I had I had this interesting humorous little thing. Okay. Well, you know, we did our Darwin. We get our Darwin's we we heard a few of those and, and I probably ought to redo this thing about the Landover Baptist because I know now that rainbow to clown is here that he would probably appreciate them but my mind mind if you promised to go in the other room and have a piece my birthday cake and read this. I'll give that your birthday

29:23

girl. Yes.

29:24

What do you live? Nevermind.

29:29

You don't want to wake up with a hunger

29:33

for for you. And you know that 10,000 Screaming Pink Flamingos comes with a kick of the tombstones in my bed tonight. Oh, I know where you're going. I'm not that old. You might put these on my Do you have time to monograph some of the monograph Oh, that's a monogram. Yes. Thank you. Oh, Okay, booty Booty. I am getting older and is getting tough monitor so you could put a few these. These are great truths about growing old. Oh, okay, I know we have a lot of hatchlings out there listening but someday, you're gonna grow up and you'll learn that this is true now

30:17

since I am old, I'll just I'll just reiterate. Yeah, I'll let you know if it is true or not.

30:23

Okay. And and so we also probably have a bunch of older people out there that would be knowing that this is true. Okay. Growing old is mandatory. Growing up as optional. Yep, that's

30:33

certainly

30:34

sanity is my only means of relaxation. Forget the health food I need all the preservatives I can get how may you're getting old when you get the same sensation from a rocking chair that you once got from roller coaster? They would little remember that little feeling

30:54

not that Oh, yeah. They will feel Yeah. No, mine was lower.

30:57

Oh, well, a lower Yeah. Okay. Oh, this 101 of life's mysteries is how a two pound box of candy can make a person gain five pounds. I know it and every time I think about exercise, I lay down until the thought goes away. Go Good. Good. It's frustrating when you know all the answers, but nobody bothers to ask you the questions. Yes, I finally got my head together, my body fell apart. It can't be a crisis this week. My schedule is already full. The older you get the tougher it is to lose weight because by then your body and your fat are really good friends. Age doesn't always bring wisdom. Sometimes age comes alone. Oh boy that can just when I was getting used yesterday along came today. And sometimes I think I understand everything and then I regained my consciousness. Amazing. You have to hang something in your closet for a while and it shrinks to size. I don't know how that happened. I don't know. It's bad to suppress laughter It goes down. It goes down your back and spreads into your hips. And inside some of us is a thin person struggling to get out. But they can usually be sedated with a few pieces of chocolate cake. Yeah. seen it? I've done it all and can't remember most of it that somebody sent me for my birthday. I thought that was cute. I have

Yeah, cats, two cats. Two, I newly discovered chapter. A newly discovered chapter in the book of Genesis has provided the answer to God. Yes. Adam said, Lord, when I was in the garden, you walked with me every day. Now I do not see you anymore. I am lonesome here. And it is difficult for me to remember how much he loved me. And God said, no problem. I will create a companion for you that will be with you forever. And who will be a reflection of my love for you so that you will love me even when you cannot see me. Regardless of how selfish and childish and unlovable you may be, this new companion will accept you as you are and will love you as I do in spite of yourself. And God created a new animal to be a companion for Adam, and it was a good animal, and God was pleased. And the new animal was pleased to be with Adam. And he wagged his tail. And Adam said Thank God it was Lord, I have already named all of the animals in the kingdom and I cannot think of a name for this new animal. Then God said no problem. Because I have created this new animal to be a reflection of my love for you. His name will be a reflection of my own name, and you will call him dog. Ah me and dog lift with Adam and was a companion to him and loved him. And Adam was comforted and God was pleased and dog was content and wagged his tail. After a while it came to pass that Adam's guardian angel came to the Lord and said, Lord, Adam has become filled with pride. He struts and preens like a peacock, and he believes he is worthy of adoration. Dog has indeed taught him that he is loved, but perhaps too well. And the Lord said, no problem. I will create for him a companion, who will be with Him forever and who will see Him as He is. The companion will remind him have his limitations. So he will know that he is not always worthy of adoration. And God created cat to be a companion to Adam. I knew he was coming here, and cat would not obey Adam. And when Adam gazed into cat's eyes, he was reminded that he was not the Supreme Being. And Adam learned humility, and God was pleased. And Adam was greatly improved, and dog was happy. And the cat didn't give a shit one way or the other.

Okay, like to welcome everyone to this edition. This week's edition of after hours news and

views. And I want to start off this this week's edition with saying hello to Tony way up there and Midway Randy down there and Beaumont and Mike and everyone else that's way out there in the far flung corners of the great state of Texas listening to us. Also want to mention that police chief Bradford, speaking about the raids in the gay bars this past week, mentioned that this was done in conjunction with the Texas Alcohol Beverage commission. And TIBC said that gay pride is exactly the time that gay bars should be inspected. Now they're calling this an inspection not a raid. But according to eyewitnesses. And other news reports, the inspection took place with full fledged riot gear now I do not know of any inspection that gets taken that takes place with riot gear, flak jackets and hard hats and shields and whatnot.

39:19

I had asked a friend of mine I have in the strait, the women's topless club industry. And when they have raids what they call a raid they don't wear anything like what has been described as the uniform of choice that was used at Jr's in the 611 and cousins. They they're a lot more subdued than coming in with the full riot gear and such. So it seems a little strange to be considered that that would be considered typical for them when they raid the place.
