And for the people that did hear it at midnight. They forgot they probably forgot it by now the bubble bath is overcame and they're done touching themselves and they may get well if you were staying home alone and Saturday then what would you be doing?

And he says to me says hey, this is a coincidence. We both have black eyes. Mind if I ask you how you got yours. Well, the other guy says Well, it happened he said it was kind of a tongue twister accident. Oh, yeah. Tongue twister, tongue twister accent he said See I was at the ticket counter and this gorgeous blonde with this big said a bodacious Tatas was there and so instead of saying I'd like a ticket to Pittsburgh, I said I'd like a ticket to Pittsburgh, and she punched me in the face. your day job girl. Yeah, I

Peter 03:40

can't read that for my new set of glasses. Oh always well anyway we have found when you get home and you've got nothing better to do and the guy that you're with that you're taking home things can be so fabulous you know falls asleep in the car on the way home on you know you're not gonna get any now. You're both too drunk to get it up. Listen, you'll run into your computer. When you run into your computer and get home and there's nothing better to do or you're going home alone because you get to go home with a beautiful and you wanted to go home and click on and get on to a website. That's called Landover Baptist land over bad land over Baptist. You are not going to believe this one a friend of mine turned this little me under the sole duty. Evidently, it seems that this Baptist crowd they have other things that they talk about on this but but this one is really too much. There is evidently from the movie. Star Wars Star Wars yeah, there's the I know I can never know the stars this. I'm not a Trekkie person and and there's too many of My Kingdom have been with this last one had this big demon hideous demon looking character named Jar Jar Binks. And anyway, the deal is that this pastor seems to think that this life size doll is Satanic and is being used as masturbation toy by most of American youth. That is Isn't yeah on this website you're not gonna believe this they evidently selling a life size doll that looks like this and somebody's having a cellular pride I don't know what that and certainly wasn't my thing going on from time to time to change it depends there's somebody's little have a bell that goes off on their penis so you can turn them over that reminds me no way anyway this big hideous demon doll Georgia being see doll demon doll that's what it's that's what this pastor Ebenezer somebody calls it he said that one of his his parishioners That's Miss Tawny Hoxton opened her simony huckster. Well, this has got to be in North Carolina or somewhere over there. They throw rattlesnakes you just table dancing one. Well, I doubt it. Tommy Hexen sounds like a drag queen I met anyway. She opens her son Timmies bedroom door. Little Timmy not so little anymore. I was shocked to see this innocent white Jaime. I love that in there. That little white girl that she was innocent. Hi. Well, she evidently thought it wasn't enough. nestled into this seven foot Jar Jar Binks doll that she bought him for his birthday. Well, lately many Americans have suffered from similar incidents.

It says Yes, young children are being seduced by the character George Lucas's latest Star Wars movie Jar Jar, soothing voice timid childlike manners, and they say it was kind of a game show anyway. See absolutely young teens oh hello hatchlings into the world of lustful abandon unsuspecting parents. purchase this popular lifestyle only to find out later it's being used as a masturbation toy. Oh, police blow up

J

Jimmy Carper 06:52

dolls all these chain you'll stick it in any

P

Peter 06:54

tiny apple pie. Yeah, there's a lot about this, and Ebenezer here is worried about this. Under the guise of family entertainment, Luke is Star Wars prequel has contaminated Americans youth with subliminal sexual innuendo, whatever that means. Pastor Ebenezer Smith of the Landover Baptist churches really is a place to enjoy my kitchen, commented, quote, The demonic character of Jar Jar Binks creature became obvious when one pays close attention. He's a forked tongue and his forked tongue his laughing oh my god, this man needs more. His malignant features are all too noticeable to the Christ centered person, Christ centered, I guess. So experts who have examined this life size doll has become a favorite toy of 12 to 14 year old children. And they say that the evidence is just overwhelming. The doll was created for the sole purpose of masturbation has four openings, three extrusions making it compatible for both male and female? And the members of the Landover Baptist Church are outraged, outraged at the satanic subtlety

J

Jimmy Carper 08:05

in which my other they don't have one of the day

P

Peter 08:09

I know and they are outraged at marketing geniuses who have moved this horrific abomination into the homes of America use. Oh my mother hallelujah. One mother was concerned that her young daughter was not interested in bullies. Oh yes. It says right here that's a quote the pastor note and she asked her little girl Pat and she liked cute little bow was at Ski view. And the daughter replied Oh mama nobodies is cuter than George are being and the mother was horrified. Horrified. Landover Baptist Church finds that not only that the only way to resolve this problem is to ban not only the last size jaw dropping style which will obviously be off every shelf and down you got the Galleria, we'll be right. I want to buy this on the tax free day from American homes but to ban any lifesized out there it goes blow up good night so any child that has seen this movie is finding their natural attraction to members of the opposite sex is being replaced? Haha. Replaced Can you believe it? Oh my god. With an attraction to a seven foot devil with elephant feet a 25 inch tongue polka dot skin a fish snout and two phallic eyes that jet out like hard erotic ochres Lord I could get hard just listen to the description of that thing. I wouldn't be attracted to anybody else either. I was just gonna say my god no, it has nothing to do with with anything, whatever But Walmart to get the Obviously sex there isn't an opposite

sex made with a 25 as tempted as getting a fish that phallic symbols and erotic pokers for God's sake you can find all that one person needs the opposite facts oh my god for the love of God you've got this devil in your house remove it you have got to get on now used of go to the OH MY GOD honey who loves love webby and you get in there and you can respond back to that website for Katrina.
