His name is Russ McCoy. And he has a new CD out called the gravity Bell. It's a beautiful cover. He's dressed as an angel. Oh, yeah, he's pretty isn't that pretty? He's got some very, very good original music. And we were talking about to Wong foo. A little earlier. And Danny had called saying that. It's a must see, it's a great movie. And this song by Russ McCoy, R U. S. MC cry Russ McCoy. You know, listening to the whole CD. This one really jumped out at me as the number one pick. So it's called God's ear.
