SPEAKERS

Roy, Kirk Keevert, Jimmy Carper

Kirk Keevert 00:01

Certainly people do. Well, certainly on the on the inbound side,

00:04

probably not on a Saturday night. They're either in the bar or they're listening.

Kirk Keevert 00:07

Oh, well, on the outbound side, you know, there's, there's there's homos that come into town from out there in the, you know, Netherlands

00:16

nearby Now, forget it.

Kirk Keevert 00:20

Parties in another hour, they're going to be hidden. Okay, maybe two hours because they have to go home with their trek who actually does live inside the loop, and then they have to go home to the sticks. But another couple of hours are going to be heading out there. And these things may still be happening, you know, or

Jimmy Carper 00:35

we should take calls tonight. But we since we're doing Summerfest we can't we can't take calls because they're all going out

~~because they're all going out.~~

00:44

Yeah, that's true.

Kirk Keevert 00:45

Yeah. And it's we were speaking of calling we would like

00:48

to hear from you.

Kirk Keevert 00:50

What county would we Yeah, we

00:51

sure would at 52657385 to six KPFT KPFT is a bargain at any price. And let me tell you we are basement babies. No.

Kirk Keevert 01:06

Say something like that. We are anyone anyone listening to this show tonight? Is is laughing is jovial. Yes is happy. Yes, they are. They are enjoying because we're having a radio experience we are having we are putting out to them.

01:23

Well, that we certainly know about putting out don't wait. Well. Talk about your

Kirk Keevert 01:27

own damn self. Don't drag me into your hellish nightmare. Miss. Pay?

01:36

What nightmare?

01:37

Seven seconds?

Kirk Keevert 01:39

Oh, yeah. Really? If you can't even last seven seconds. I can't be bothered. You know?

01:46

Why? Well, you can go through a lot of seven seconds. Yeah, no,

01:49

no. Well, not me.

Kirk Keevert 01:52

I was thinking I was I

01:54

let's move on to the next. Yes, please.

Kirk Keevert 01:58

Give me this. Give me this next thing that you're gonna you're gonna read about? Well,

02:01

this is. This is serious stuff.

Kirk Keevert 02:03

Well, I'll segue.

02:05

Okay,

K

Kirk Keevert 02:06

he is Mr. Segway. Don't tell anything about it. Just know anything about it. I'm looking shut out about it. But I do want to say I do want to say yes. Here's a little bit though. It was you know, every once in a while, I just think of something funny. And I think okay, I'll work on this. And you know, maybe you

∅

02:24

have you might be a redneck if

K

Kirk Keevert 02:27

I left at home. Anyway,

∅

02:29

I know. That was funny stuff.

K

Kirk Keevert 02:31

God. Jeff Foxworthy is funny to you.

∅

02:35

Or whatever. I don't think I've ever listened to any of his stuff. Oh, my maybe that maybe that's why that was funny.

K

Kirk Keevert 02:41

Might be a redneck if your dinner is still alive at three in the afternoon. Well, that wasn't the

∅

02:50

richest relative bought a new home. You have to go take the wheels off. Yeah, right. Okay.

K

Kirk Keevert 02:55

And what I was thinking was that that since since they're making such a big deal about letting gays in the military? I think they should, but I think they should also put Marines into gay jobs.

03:08

Marines are into gays. No, no, no. I

Kirk Keevert 03:10

mean, like, like Marine Staff Sergeant. Like those types, like put them in, in like, it was like hairdressers. You call that a haircut?

03:24

That girl, what are you thinking? Oh, that would

Kirk Keevert 03:26

work. Because you know, it's very funny.

03:28

We've had panel serious panel discussions. We've had serious panel discussions with military folks, and everyone agrees who have who's been in the military, that the Marines are gay or than any other branch of the surface?

Kirk Keevert 03:47

I don't know. But I've been told you should go with go.

03:53

And I think they should do manicure. Sorry. Anything else with gold? Okay.

03:57

I think they should do manicure except silver.

03:59

Anyway, silver threads and gold.

04:05

No, God, please don't say. We could talk about click magazine.

Kirk Keevert 04:13

We could but we but we should have done that back earlier when solar groups had just left. No, this is a gay magazine. Yes. I know.

04:21

Why should we talk about it when solar solar groups left big

Kirk Keevert 04:24

when they had just left because there's a segue. Oh, because it's it's it's it's it's it's it's it's

04:32

we do not understand this. It's a black twit it

04:35

well. Yeah. Yeah.

Kirk Keevert 04:37

It's it's an African American. Gay thing. It's very good is this is this specifically Houston stuff.

04:45

It's, it says has all these different cities on it, but this one is specific to Houston. Wow. And it's pretty glossy, too. I'm really impressed because I subscribe to the one from Washington, DC Click from Washington. No, it's not a click. It's it's a different name.

Kirk Keevert 05:04

Oh, it's a different name certainly clears it up

05:08

the mail some but mailbox Dallas has

J Jimmy Carper 05:10

has their own and now it seems that Houston has their own and I think it's fabulous. Fabulous and it's very good. Great articles excellent photography I

♀ 05:22

just to quote Bob Vila

♀ 05:25

scrabulous it is it really is good to

K Kirk Keevert 05:28

quote Bob Vila.

♀ 05:30

Bob Vila says that all the time all the time. Fabulous.

K Kirk Keevert 05:33

Oh my God, have you seen this? I just had a little Nelly fit there. I'm sorry.

♀ 05:39

And I'll try

K Kirk Keevert 05:41

not to. Oh, climb down. Paco. Okay. Have you seen this guy? I think he's on the Learning Channel. The carrier deck. Oh, yes. He's so funny. Oh my god. I just will laugh whatever. I happen to catch him. Yeah,

♀ 05:59

he loves blue guns. Does he really? Oh, yes, Martha. Oh, just get a glue gun anywhere near

him. And he just goes makes me mad.

 Kirk Keevert 06:08

I don't know his name, but, and I have nothing else to say about him. Except what uh,

 06:14

anyway, we're still we're still doing music and stuff. And I'd like I

 06:19

don't have a segue for that.

 06:20

I'm sorry to call it.

 06:22

However, we're not going to start another song because it's too close to the top of the hour. We have to get an ID Well, of course. But

 06:29

Isn't he so

 Kirk Keevert 06:30

we can play a short song we can play the theme to Gilligan's Island.

 06:34

Boy. Yeah, it started on this job. Not ringing. And I think I know why.

 06:45

Well, that stairway to go.

K

Kirk Keevert 06:46

I am livid.

o

06:50

What and Why already?

K

Kirk Keevert 06:54

We've gotten it. Okay. Why you were here. You were here three hours last week and got one pledge? Yes, true. I've been here. Less than an hour and you've already gotten as many pledges as you got the entire show last week. I know. I'm down. We need more. We do need more.

o

07:09

Yes. Last week, we had a very serious show and we thought that would bring in money. But people were listening to the show and not calling in this week. We want to kind of have fun and games. And

o

07:21

but it was Pat Calafia man. Yeah, she was great. Good. Got a

J

Jimmy Carper 07:25

whole hour. Yeah, an hour interview with PAC Lithia. If you missed it, you missed it. And I won't. I won't give you a tape. Unless you pledge. Yeah, that we could do that. Hey, there's a thought there. Yeah, I could get it. Yeah, I could put together a tape with the pack Olivia thing if you want to pledge 60 bucks. How's that? I have 265738 You know, five to six. Kpf

K

Kirk Keevert 07:53

you know, I think we might want to check with Petco. Lithia before we start selling her voice. I'm just guessing here. It

o

07:58

belongs to us.

K

Kirk Keevert 07:59

KIRK KEEVERT 07.09

Okay, all right. I'm just I'm not I'm just trying to cover my bases. So sorry. I brought it up. We can look I know a lawyer. Yeah. Did he tell? Did you tell him about that? I am just livid. I shared something with you in confidence. And you told me never to tell another soul and I didn't and yet you had been spreading it around as if it were fertilizer. No. Mo and it stuck with him. Yeah. Oh, yeah. Oh,

08:33

yeah. Honest to God. Oh, yeah. Honest to God doesn't tell anybody anything. I tell it all.

Kirk Keevert 08:40

Well, I can see that. Okay, you know, wondering what the hell we're talking about five to six months away from five millimeters away from telling me brothers. Almighty, there are anyway. I would say about nine and a half. This is

09:06

KPFT Houston and ke O 's College Station Lee someone says

Kirk Keevert 09:09

the sound of Texas when you

09:11

are calling in with your pledge of support for Kpf after hours and KPFT listen to this the

09:19

sound of Texas KPFT Houston of Pacifica radio network station 90.1 FM 89.1k e os College Station.

09:31

If you've been listening to KPFT for a long time, now's a great time for you to take that step forward and retire as a member. We know you've been meaning to call so do it. Now. The number is 713-526-5738 that 71352 6k P FT

09:59

well That was a lot shorter than I expected.

Kirk Keevert 10:01

Yeah, that's the first time you said that

10:09

Bruce voice I expected. Okay, what? And Bruce? The voice of

10:14

Bruce the voice sound of Texas. That's us. I mean, we're queer folks. And we we are part of the sound of Texas to

Kirk Keevert 10:21

Bruce the voice What the hell does

10:23

that mean? I just gave him a name Bruce. Yeah. I don't know what his name is. But I just call him burr formal IDs. Yeah, there we have the voice, you know.

Kirk Keevert 10:32

So that's, that's not somebody here. We went outside to get that done.

10:38

Think so. Yes. I don't know. I'm not sure

Kirk Keevert 10:40

I won't even go there. Please. Speaking of TV Montrose, which we were Oh, yes. I would just point out that you, sir. You sir. Jimmy Carper? Yeah. are one of the few the proud. The people who have been on TV Montrose two weeks in a row?

11:00

Mm hmm. As a matter of fact, yes. Yes. It was another surprise. Yes. You

... AS A MATTER OF FACT, YES. YES. IT WAS ANOTHER SURPRISE. YES. YOU

K

Kirk Keevert 11:05

were on this week? Because? No, it wasn't. Last week. Well, yeah. Well, I mean, it wasn't this past Monday, Tuesday, Wednesday. It was the Monday, Tuesday Wednesday before that, but there was the interview with no, hon. The parade footage was that was this week was it? And it was it was the Pride march from last year.

o

11:26

Yeah. Yeah. They were showing parts of the Pride March and they started with Deborah Bell and I, yeah, because we were grand marshals,

K

Kirk Keevert 11:35

right. And they had a date. Also on this week was was a rather attractive young gentleman, who is is in charge of the marketing and all that that sort of Oh, Fred. Yeah, yeah. Oh, he's so cool. Oh, and who was that? Dominic? Was that his name that interviewed him? That was a slicer. Good looking. Oh, wow. Yes. briefs, boxers and skivvies. No clothes. No cover doors open at seven.

o

12:00

Excuse me?

o

12:01

I don't know what's going on here. Oh, my goodness. They grow. I just came in with a special report.

K

Kirk Keevert 12:09

I've got something to do next Sunday. Okay, anyway.

o

12:14

What is this? X Files? May

K

Kirk Keevert 12:16

we'll have to wait, no. Is this at at Pacific Street?

12:21

You're gonna take your clothes off and go there. briefs, boxers

Kirk Keevert 12:23

and skip. Well, apparently you have to wear underwear. Oh, oh.

12:27

How limiting?

Kirk Keevert 12:31

Well, depending on who you're talking, I guess.

12:34

Yes. We're,

Kirk Keevert 12:37

we're talking about we're talking about pride. And we're talking about the you know, they're going to do lots of spots with pride. And they had one of the things that they showed on there was this year's pride Guide, which of course is not for sale. It's something you just pick up. Yeah. But that's already out. That's already made. That's already done. Yeah. And unfortunately, there have been several things that that have cropped up since then, that didn't get into the product. Yes, there's

13:01

been this incredible lecture sec. Wasn't that good? Oh, she was good. Yes, it was good, fabulous. God, you got to get paid for stuff like that. I'll talk to the boss. Okay. Now

13:18

that aren't in the pride guide, that is going on

13:21

the unified and diversified professionals at 1712. Fairview present our pride month lecture series, is the stuff that was supposed to be in the product guy that didn't get in. Now this is this is serious stuff, folks. Alan Davidson is doing a lecture with

K

Kirk Keevert 13:37

an admonition to me is so I wouldn't say anything, and creating

♂

13:40

intimacy with touch because he's a massage therapist. And that's on June 1, from seven to 9pm.

♂

13:49

The top 10 Things that should have been in the product guide or we aren't

♂

13:53

and Patrick vest shawl, um, who is a psychotherapist will be doing a lecture on June 3, the power of attraction, the conscious and unconscious agenda in the partner selection process. That's a pretty neat deal. Like what what goes through your head? And why is it something just go to Yes, it's free. And why? Why you

K

Kirk Keevert 14:21

join Elaine?

♂

14:25

And why you keep making the same choices over and over and over again, you know, maybe

K

Kirk Keevert 14:29

I don't see any reason to get personal,

♂

14:31

okay. And Hampton and tip to pick in lawyers who are in this. This is a kind of a small, it's a house that has different people in it. There's a lawyer group and you know, all that kind of stuff. And these are lawyers who were going to on June 10 be presenting protecting your partnership,

wills, estate planning and domestic partnership agreements, and that's really important for gay couples, as we have found out during the AIDS epidemic, if you do not have a will, you are asking for big, big, big trouble for your survivors. I mean to tell you, there's too many stories out there about the survivors getting kicked out of the house and, and getting, you know,

15:21

nodding, not even not even being able to see them in the hospital. No. Right. Because they're not quote a family member. Exactly.

15:28

So that's going to be very important on June the 10th. Patrick has shown again on 15th. I am never upset for the reason I think understanding why my buttons get pushed and why I react the way I do, because for the most part, when you start screaming at somebody, it's not for that reason, it's for something else. And he's going to talk about that. How interesting Norris je Lang PhD, is going to do tapping your inner resources, the use of tap class use of hypnosis and visualization.

Kirk Keevert 16:02

Oh, you tap when you're under hit.

16:06

That's on the 70. And there are other things here. Well, keep on now you can pick up, we'll be talking about it and future. Don't tell me you can pick up a product that is not in the product. No, but you can go to 1712 Fairview and pick up a copy of this.

Kirk Keevert 16:22

Why about what I had? There's one right here. Well,

16:25

you can't have it because it's mine.

16:29

And what times are all these things occurring?

16:31

But if you call us with a pledge of \$60, I will be very happy to run you off a copy send you my own personal copy and

16:40

that and a pack. Olivia? Yes. That

16:43

5265526 KPFT. Me.

16:49

Yes Terkel.

16:50

We'd like to show this nation that we are part of the family that we have people that are helping to support.

17:00

Helping to support as everyone stopped. Yeah, like everybody brings in another message like

17:05

everybody else does, you know, during the day and all of that I need some of the daytime shows bring in big money. And we'd like to show that show the day time management people that we exist. Yeah, that overnighters can bring in some money, too. Yeah. And plus, we have this fabulous thing with Michelle. Yeah, that for every pledge over \$35 She is going to match it with a \$25 plan. And her company is going to match it by the same amount

Kirk Keevert 17:32

why that would? That would be almost \$50

17:37

Wow. And so any pledge over \$35 will be increased by almost \$50.

K

Kirk Keevert 17:44

Yeah. And and even more than that, even better than that. Yeah, it's probably one of them their new fangled \$50 bills with the have you seen them new fan? Oh, yeah. Where he's kind of offset 30 He's kind of offset and everything. The new 20s are coming out next year, they're gonna be good looking to

O

18:00

where the changes.

O

18:01

I've only seen the hundreds

O

18:08

is willing to give up her personal pride guide for a \$60

K

Kirk Keevert 18:11

Wow, you can get the nussey you can get it here before you can get it. In Dallas,

O

18:19

there you go.

K

Kirk Keevert 18:22

I've, I've got an answer for everything. All

O

18:23

you have to do is give us a call at 713-526-5738 We've got folks sitting by that, you know, you just wonder is sitting by yes they are. And if you just want to chat that we'll be more than willing to just chat

K

Kirk Keevert 18:36

with you for a pledge to try.

18:38

No, no, no. No, we don't want to I don't want that. Yeah, cuz there. There's some you know, there are folks that are questioning their sexuality, their sex, their gender, and they may need to talk to somebody. And that's what that's also what we're here for every week.

Kirk Keevert 18:54

Do they need to have sex with me? Know what it helps them to have sex with me? Maybe could be

19:01

no problem screwing them up for life? Oh, geez. Anyway, you have no way of knowing that that's true. Unless you talk to an attorney and how many boyfriends

Kirk Keevert 19:16

Yeah, I gotta say something. Speaking of attorneys, so like, and I won't bring up any specific attorneys. Oh. At any rate you know, I've been going to the gym for the last couple of months. Oh, really have Oh, okay. Yes, I have and I didn't know that. I've been going to the downtown YMCA all bad. No, no, don't even get that look on your face. I've

19:45

been to the why of course that was back in anyway,

Kirk Keevert 19:49

you eat it the why. Anyway.

19:53

The problem with this is

Kirk Keevert 19:56

I go in the mornings before work. Yeah. So so especially frankly because it's not it's not Cruzi in the mornings and I can go and I can get get my stuff done go do what I go there to do. Right and I don't have distractions Believe me I don't have distractions because most of the people

there in the mornings are I mean there's judges and and lawyers and all in all these downtown type people because they go in the morning before work like I do. Lord, I never ever want to be a judge. Why because you end up big and huge and fat and with a little tiny penises

20:39

that's why they want to be judges I guess.

Kirk Keevert 20:41

Yeah. Good. God. hold something big and hard in your hand for want my Lord it's just sad there are I'm so sick that the women I do not go into the women's. Okay. There is nothing in there I want to see. And quite frankly, some mornings in the shower. There's nothing in there. I want to see the Lord it's carry

21:09

5g Six by seven three.

21:11

That's right five to 6k P. You are listening to after hours queer radio with attitude. I'm Jimmy Carper. Kirk Ebert is here with Jimmy bond and we're just kind of having fun and laughing I had a thought.

Kirk Keevert 21:26

You know, I'm sorry. Harappa Chino had a frappuccino.

21:29

What the hell is that?

Kirk Keevert 21:31

Yeah, it's it's where's the bottle?

21:34

I don't know. It's that place. It's

 Kirk Keevert 21:36

from its folks. It's from that that coffee X coffee conglomerate.

 21:42

I bought four of them before I even realized I got three of them.

 Kirk Keevert 21:46

That was from the coffee conglomerate. Yes. No. Now why is that a bad thing?

 21:52

They Oh, I don't know.

 Kirk Keevert 21:53

Is it a bad thing that they're from the coffee?

 21:56

There are so I don't know what the rest of the world is like but in Montrose there are a lot a lot of coffee bars a lot a lot a lot a lot. Yes. And just like there are all across the country okay, but I just you know, being queer in the Montrose I feel that I need to give my business to the gay ones. The queer well,

 Kirk Keevert 22:19

they don't bother them

 22:20

like you know like these crossroads Lobo

 Kirk Keevert 22:26

Lobo now has has coffee and

 22:28

11.20

oh Lobos the one to go on Friday. That's fun. It's a lot it's a lot more comfortable it's all inside and sofas and chairs and stuff like that and and how do you mean fun? Well it's like you walk in and everybody's talking to everybody else

K

Kirk Keevert 22:45

see that's what joined Jr. is used to be I used to love Jr's because you could go cuz you could go to that Jr's now click click click.

o

22:54

It's yeah, it's young people old people talking together just you know just chatting having a Lobo. Lobo parts Great.

K

Kirk Keevert 23:02

I'm gonna have to try that when I'm not free when I'm not busy on a Friday night when I'm not doing a Comedy Sports Show.

o

23:09

In the afternoon, I go well, you can go after work.

K

Kirk Keevert 23:12

Well see the thing. The thing is what with our show starting at nine o'clock now which just

o

23:16

hawks so yeah. Yeah, you do the Comedy Sports thing?

K

Kirk Keevert 23:23

Of course. Yeah. Anyway. I have to, since it's downtown at tree beards, which is just the whole area down there has just gotten huge, especially since Cabo has opened downtown. And they have taken over all of the parking lots around there. Oh, brother. I get there at six o'clock. Because the rental market square on my lawn and Travis that parking that's on street parking opens up at six o'clock. Right and park they're not going to take it. I'm there at six o'clock. I parked my car. I go hang somewhere until until time, because if you know you can, and I refuse I refuse to pay to park just just on GP just just I I refuse to pay \$5 rent for three hours. In a in a six foot by eight foot space. It makes no sense.

♂

24:17

You're right. And we've got that problem here. And the Montrose Yeah, you know in the bar area, there's \$5 lats all over the place.

K

Kirk Keevert 24:25

That's ridiculous. Yeah, absolutely ridiculous. And if it was if it were gay people making that money I wouldn't have such a problem with

♂

24:32

the Montrose there are a lot of gay people are their money. I know. Two of them. As a matter of fact, I personally know to him neither one and I says you know there's another

K

Kirk Keevert 24:44

show I never get laid for the show were talking about last night

♂

24:52

we had a we had a I've been here 10 years. I've never Well, yeah, look

K

Kirk Keevert 24:57

across the window there Paco I don't know why I'm calling you Paco tonight,

♂

25:02

but I don't know what he's talking about. Well, what

K

Kirk Keevert 25:06

is what he's talking about that Well, anyway, we're talking about that coming

♂

25:11

out that BRB

K

Kirk Keevert 25:15

some lead in time on the oh, okay, um, tell me tell me what information you're going for next. I will provide the segue. Oh, okay,

∅

25:22

I'm doing this next. Okay,

K

Kirk Keevert 25:24

I'll get you there. Okay, so anyway, company sports party last night we were talking about the same thing. We had a party for one of the comedy sports people who's leaving town. Oh, and we were talking about how nobody gets laid from Comedy Sports. Say it just the same thing. But But I keep doing that because well, I enjoy it and they pay me. Oh, well, that's that's so you're only halfway there. But

∅

25:49

that's right. And speaking of cowboys, yeah. What about

K

Kirk Keevert 25:54

I'll get you there. Oh, okay. He's

∅

25:56

good at this. He's really good at this.

K

Kirk Keevert 26:00

And, and, oddly enough, one of my very favorite people. Yeah. Was at was at the Comedy Sports party last No, no kidding. Who? Virginia Mahoney? Burj ViRGE, verges and ComedySportz. 28:58

Kirk Keevert 29:15

Kirk Keevert 30:14

get get your get your pens and pencils and paper ready back cause Michelle and Roy, you're going to have what what the what the Hispanic community would like to call numerose? Or Oh, yeah. Los numerose to tell the telephone No. Which for the any of them? Yeah. For the English speaking public. Telephone numbers, see? And, and when you call those telephone numbers, they will say Gus, yes. Port Jamar, if it's if it's a Spanish speaking company. Well, if it's not, then they would say thank you for calling at any rate. Well,

30:52

I, I'm I'm happy that you were here tonight. and I are you're going to be here like the fifth Saturday.

Kirk Keevert 31:03

I won't be here next week. Fifth Saturday. I believe I if you if you would like me to be here, I can certainly be here. We can have

31:09

fun. Yeah, um, I've already asked Clarence Bagby to be on as in Bagby, the street as in the president of the Houston gay and lesbian Political Caucus.

Kirk Keevert 31:21

Oh, there's a street named after a gay man. See,

31:25

can you believe it? I am shocked and he is. He's really a lot of fun. Yeah, I was at the Unity bank was single and I don't think No, he isn't. Sorry. Oh, wow. So we may see you in two weeks. You may. Okay. Okay. In the meantime,

Kirk Keevert 31:44

are you going to are you going to chase? Let me hang with the hatch kids. Oh, if you'd like Well, that's entirely up to them to see if there's any cute ones here tonight.

∅

31:52

Do something serious though.

K

Kirk Keevert 31:56

And you're implying that I am. I am incapable. Pretty seriousness. Bite me. Before we before we travel on to the news, I want to give you a couple of email addresses. There is after hours KPFT at hotmail ma i l.com. And there's after hours at web tv.net. Two email addresses for you if you're looking to contact us. Those are the ways to do it. Have we been getting anything on the web TV? I haven't gotten anything. I've gotten two emails all time because we

∅

32:30

talk about it every week web TV after hours at web tv.net. Yep.

K

Kirk Keevert 32:34

And after hours. kpft@hotmail.com Okay,

∅

32:39

if you didn't have your pens and paper. I know Michelle and Roy will be giving you that information. But right now

R

Roy 33:06

Oh, I gotta take news with Michelle. This was news with Michelle and Roy P. 90.5. And Kate. Lake Station. Now, here's Raul. And here is Michelle. Well, good evening, everyone. Thank you, Kurt for this serenade. Thank you. Anyways, he was talking about all them Spanish people. And that's very interesting, because I'm going to lead off the story tonight with Mr. Francisco Sanchez, Jr, who has been the first openly elected gay secretary, and he or the Harris County Democratic Party. And that makes him the second Hank, the second highest ranking official in the Democratic Party here in Harris County. Oh, that's great. And Mr. Sanchez is a longtime Democratic Party operative. And his responsibilities will be for coordinating communication among the parties leadership, and he organizes and dealing with other candidates. And he said that he's grateful for the overwhelming support from members of the local executive committee. And in the end, he says that we all share the same goals for the Democratic Party here in Harris County. And we've got general elections coming up in a few more months. Oh, yeah. Which means our television is gonna be bombarded with all kinds of fibs. I mean, democratic I mean, political campaign I think

K

Kirk Keevert 35:00

I actually met that Francisco. Oh, you did? Yeah. About 10 days ago. Great, really nice guy. Single. I didn't check that one out.

35:13

And what do you got for us? Ah,

Kirk Keevert 35:15

well, tomorrow is the age walk. Because of all this haze and smoke and particulate matter in the air, the AIDS Walk has been moved from outside to inside. Now, where can you find a place that's big enough to handle this? Well, we're gonna have it at the Georgia brown convention center. So it's gonna start tomorrow morning, and just a few hours at 8pm. And it will be at the George R brown Convention Center. It's important that all those who would attend who had intended to come out and walk do come out to the Georgia brown convention center and support the raising of money for the 18 local age groups that serve more than 100,000 See residents each year. So again, the age walk tomorrow, May 17, at 8pm at George R brown Convention Center. Okay, what do you got their ROI?

Roy 36:18

Okay. I got some pretty big news for people in at 18. T here in Houston. Because employees at at&t throughout the entire state, which includes here in Houston, have a bargaining agreement with the company with the Communication Workers of America and the International Brotherhood of Electrical Workers, where they now have extended domestic partner benefits. And this is really important. And this is really good, because for the first time health care, dental vision and group legal benefits have been extended to designated same sex partners. And this is definitely an historic occasion. Yes. And we really congratulate at&t and the different unions for bringing this thing to pass. And this is a very important benefits package.

Kirk Keevert 37:17

Well, and what's probably the most important part of it is that we hear all this politics talked about, and all these people trying to pass this and trying to pass that and yet there's a lot of these large companies who understand what kind of benefit the gay and lesbian community is to them as their employees, and they're extending it and who what runs politics but money and won't who's the big money. People are the big corporations, and they're extending it to the gay and lesbian community. And the more of that that happens, the sooner it will be across the board for all domestic partner.

37:58

Hey, what I like is the fact that Robert holds he cannot challenge this in any kind of record.

K

Kirk Keevert 38:04

Right? This is because it's good business. And it makes money for AT and T they're not out there being philanthropist. They're being smart business people. That's right. I'd like to mention the news for the transgender community. The next meeting of the Texas Association for transsexual support will be Saturday, May 23. At 8pm at Vanessa's For more information, call me code 713-827-5913. That's 8275913 the next Gulf Coast transgender community screening and discussion meeting will be held this Thursday between seven and 8:30pm. That's May 21. At chances located at Westheimer at Wildlife For more information, call area code 71378042827804282. And helping cross dressers anonymous meets this Tuesday and every Tuesday from seven to nine at Suzanne Anderson's which is located at 239 Westheimer.

o

39:09

And I understand y'all are trying to get into the gay and lesbian community center.

K

Kirk Keevert 39:16

Well, the next meeting and tats in July, which which I can't remember what day it's going to be on. But it's the second Saturday of July. Most likely that's going to be at the at the community center. Great. That's something that I've been very interested in doing so that it provides a way for touch to be have a meeting open in the community so that anyone who wants to stop by Can you hear about it here or any other place rather than buying

o

39:51

rather than meeting in someone's home? That's fine. I think that's a fantastic idea.

K

Kirk Keevert 39:56

Well, we want to be open for anyone who feels that they need My Services.

R

Roy 40:01

And I do want to say that for all you are transgendered and transsexual people that are out there, if you have not attended one of these meetings, please, please feel free to do so because there are people like, like you out there, and you are not alone. Please do. And I know so often, so many of you do feel like you are alone, but you're not. And there's a tremendous support group out there. And then tats and Gulf Coast,

o

40:31

transgender community, and helping cross dressers anonymous,

R

Roy 40:35

all of them have been doing a fantastic job, have been doing a fantastic job. And the numbers just keep growing. And I've told Michelle and Sarah and others this before that, regardless of the size of people that show up at the Unity banquets, or what y'all haven't even scratched the surface as far as houston and harris county, transgendered and transsexual people.

K

Kirk Keevert 41:01

Yes, I'm particularly interested in, in tax providing support and services, to those people who really don't have any other resources, who don't have any money, they can come our membership is free. And I will for those people who can't afford it, we will give them our newsletter. And we can help them do some of their own decor and things like that. So, you know, it's a supportive group. It's an educational group. And it's a social group. So anybody out there who doesn't have money, feel they can't join, you can join us. Because we we work on an extremely low budget, we don't spend much money, we don't need much money, we just need each other's help.

R

Roy 41:47

I do want to say this. So to that. There's many people in the gay and lesbian community and in the transgender and transsexual community, who feel that the trans sexual and the transgenders are not a part of the gay and lesbian community. And I want to educate some of y'all out there tonight, and tell you that as a veteran of the Stonewall riots, I know for a fact, a hardcore fact that if it wasn't for the transgender to the transsexual people, we would not be celebrating gay pride, we would not have had the Stonewall in riots, it would not have happened. The Hairpin drop that was heard around the world was a transgender, transsexual, hairpin. And they are very much a part y'all are very much a part of our community. And you're very important to us. Very important to me. There's a there's always been a very special, warm and sacred place in my heart for the transsexual and transgender community. And for transsexual and transgender people that are out there who feel that you are not a part of us. We would not be us. If it wasn't for you. You are us, you are a part of us. And for the for gay men and lesbian women who feel that well, there really ain't us. Believe me. They are, believe me they are. They were the ones who were getting hit in the head by the police who are getting thrown pushed into the paddy wagons out there on Christopher Street. It was them. It wasn't the Jr's crowd or the chances type crowd. It wasn't those. There was a transgender and transsexual because they were so easy. They were the easy mark and that's where who the cops went after.

o

43:48

Thank you for those very kind words. Right.

R

Roy 43:51

Okay, moving right along here. I want to mention that the pride committee of the Asian and

friends of Houston is holding a fundraising party on May 16 at 7:30pm. And the proceeds will be going toward the group's first entry in the Pride Parade. For more information call at 713-626-6300 that six to 660 300.

K

Kirk Keevert 44:17

Yes, I will have to talk to the treasurer of the switchboard and see if he can do something about this hook.

R

Roy 46:06

Okay, moving right along now, you've heard a lot in the news lately about this new wonder drug called Viagra for guys who are having a little bit of performance problems. And that's been selling like hotcakes. I do want to issue a little bit of a warning here from the makers of Viagra which is a physic Corporation. If you use Viagra do not use poppers because a combination of Viagra and poppers it couldn't be illegal combination. According to Maryanne capric kept prion. She said that if poppers and Viagra are taken together, a precipitous drop in blood pressure could occur. And poppers which is Mao nitrate, or butyl nitrite are inhaled by some people during sex and enhance the experience. Now using poppers for for
