## SPEAKERS

Connie, Peter, Jimmy Carper

---

J

Jimmy Carper 00:12

The following program contains language or images of a frank or sensitive nature, which may be considered objectionable by some listener discretion is advised. Oh yes, you've tuned into after hours of continuing tradition on KPFT Houston 90.1 FM. The crew of after hours is ready to bring you news, interviews and music geared for gay, lesbian, bisexual and transgendered people. Here at after hours, we may be diverse, but we have one thing in common. We are all out of the closet and urge everyone to come out of their closets. That means standing up for yourself, taking responsibility for your own life, and being proud of who you are. Realistically, we know not everyone can do that because of a wage job or frame of mind. That's okay. We're here for you too. So sit back, relax, and enjoy this week's edition of after hour.

O

02:13

Hello, Houston and welcome to after hours queer radio with attitude heard every Saturday night at midnight on KPFT Houston and KEOS College Station and you shouldn't whisper into

J

Jimmy Carper 02:33

in tonight, is it I mean, you missed it last week because they had to. I mean, they weren't here last week who but they're here this week. It's the Peter and Connie Lingus show.

P

Peter 02:44

We weren't supposed to be your last week.

J

Jimmy Carper 02:47

But we expect you on the fourth Saturday.

P

Peter 02:50

Do they? Well, if they'd write in and tell us then we might know we wonder if we're? Oh, yes, yeah. Oh, yes. Well, you actually

J

Jimmy Carper 03:00

kinda you know they can do with that feeder.

P

Peter 03:04

You can never do without a Peter. Well, some of us can do without a beat or Peter can't do without a Peter. Oh, no. And Jimmy can't do without a Peter. You got it. You know what we need to talk about? Absolutely. first. Okay. What we need to talk about the fact that you me, Jimmy Carper have been elected to be the grand marshal of the gay pride parade. Yeah.

J

Jimmy Carper 03:31

It is such a thrill. I cannot tell you what this. I mean, I joined the ranks of like Brian Bradley, Bruce cook. I mean, Jack Jackson, all these wonderful people, these wonderful community leaders. And

P

Peter 03:47

I feel like a wonderful community leader. I

J

Jimmy Carper 03:49

feel like just some ordinary guy that gets to come in here every Saturday night.

P

Peter 03:53

Ah, no, no, think of yes or no. No, honey, this is like I heard that and I just about went off. Actually,

J

Jimmy Carper 04:02

I was there. I was there because the crock committee had been on the show. And I was taking the the tapes to them. Yeah, for that meeting. And my friend Bruce Reeves. From the crew of Olympus. Yeah. Oh, we love Bruce re Oh, yeah. And so I mean, I had supported the crew and

they're, they're fascists, but I mean, there were other wonderful people nominated.

 Connie 04:25

So do you have to like brush up on your twirling and

 Peter 04:29

stuff are there? No, he's gotta brush it. Gotta brush up on his weight. Do you know how to do the wave honey? No, I know how to crown touch your pearls and way to contact your pearls and way.

 Jimmy Carper 04:43

I'm sharing this honor with the female Grand Marshal Deborah bail. Oh, Deborah was was asking about throw down trs. They were provided Peter has when he

 Peter 04:58

can live in it. All right. I have a joke about a tiara tonight. Oh, hang in there children will tell this tiara joke later.

 Jimmy Carper 05:06

But this this is great because I have been in the pride parade since oh gosh. 1988. And oh yeah, it's the thrill every year and now to be riding, you know, like in a car and all of this. And if the first nighttime Perrey

 05:20

Yeah, really? What are you going to wear?

 Jimmy Carper 05:24

Something glittery? Absolutely.

 Peter 05:26

Absolutely. Long, gorgeous, gold amazing. stiletto pumps, I can tell ya right. In my correct in this, that there is not some kind of like after thing. Like there has been in the years past

J Jimmy Carper 05:47

or actually there is kind of a thing before and after. What's that sponsored by the pride committee. It's outrage is putting on a private party. And it's going to start at six in the evening, run till eight. And then they're going to bus everyone to the vets attending this party to the parade route. And then after it's over bussed them back to continue the party until whenever

P Peter 06:16

where's this party going to be? It's like an invitation thing? Or is this like the there's not going to end up where everybody got

J Jimmy Carper 06:23

here? Because they're just putting it together. And it's at a location in the heights. Oh, so it's not far

P Peter 06:29

away. So there's not going to be like where you get them in the brain, then you walk into the

J Jimmy Carper 06:34

there's not going to go. And they're doing this? Well. They were quite honest about it and forthright and they said, Well, you know, we just didn't have anybody who volunteered to co chair that the the after parade party. Yeah. And so we just felt like, we were shitty. Yeah, yeah. So you know, they're just not going to do it this year. And they're doing it on Saturday night, so that people coming in from out of town can have enough time to recover the next day and get back home. And while I do yeah,

C Connie 07:09

people who live in town, I think

P Peter 07:12

yeah, really. The in town folks would appreciate that. Do

C Connie 07:17

the nighttime thing. I mean, that's so cool, isn't it, isn't it? Oh, yeah, it's gonna be out there and like sweating and trying to like get hot people

like sweating and crying to like get hot people.

P

Peter 07:27

Oh, but when Connie sweat. I glisten. I know. You don't sweat. She glistens, but how did she glistens buckets. Oh, and then both big huge bodacious, tall well run like the river Jordan and you get this one on the breast. Oh, sweat on the I would never know that about sweat on breaths.

J

Jimmy Carper 07:47

Listen, I have this little Italian guy one time and oh,

P

Peter 07:51

oh, here we go. Talk about the glistening and sweating on the brown.

J

Jimmy Carper 07:57

Being with him it was like sweat is my second favorite liquid.

P

Peter 08:01

Oh, good gracious. I don't even want to go there. Been there and done it. It's only 10 After Jesus

o

08:11

started and we're already there. Here we are.

P

Peter 08:13

Oh, well, Connie. Yes. Peter. Honey, do tell us where in the hell have you been? Jimmy and I have sat here and done these shows and Dunham and I came in at the doubles and February at Verizon raised some money which everybody ran out. That was wonderful. We really are we ducks in the water as we did and Miss Connie, where have you been?

c

Connie 08:39

Well, on the fundraiser I was on a Mardi Gras cruise you know carnival always has me when they start a new cruise they want to send me out there for the first the virginal cruise and have my

P Peter 08:50

original view. I was gonna say Good God if they only knew you're gonna send a virgin you might as well as in Jimmy

C Connie 09:00

YEAH. So they'd like me to go on the first cruise and kind of

P Peter 09:06

frost the hams do the midnight buffet, get things started? get things started the exercise in the morning is what you do best. They sent

C Connie 09:15

their regards to you Peter and you know they've missed you since you've been banned from the cruises

P Peter 09:20

but well, you know, it was about throwing that bitch overboard that what can I say? She just got in my face. It was over.

∅ 09:29

Did you turn you away from the buffet line?

P Peter 09:31

Well, I something happened. I'm not sure what happened. But do it was over. And then I saw that weird guy that does the weather. I think I threw him over to Willard Scott. Was that was that what did it I know she were awful chummy with Willard YOLO.

∅ 09:48

Well, you know, well, he's a great guy. Is

P Peter 09:52

he? He really he is a great guy on the cruise ship must love him. He keeps them in business. Is Desi. I've actually kept them busy. Well, you know me too. So where were you for the other performances like the end of January the end of February?

 Connie 10:10

Well, I was just going a little too cold and they set up a little Caribbean cruise so low Caribbean

 Peter 10:14

cruise you and a grass skirt. Be more than anyway. Can I don't owe child? How many yards do they do to the grass girl? I guess I deserve that one. Oh, here I am slaving away. Talk about sweat girl. And you're out. Caribbean in

 10:38

thinking about you and Jimmy the whole time.

 Peter 10:40

Where are you? I was when Jimmy she's thinking about us. Doesn't that make you feel wonderful? Yeah,

 Jimmy Carper 10:44

I just get this warm feeling right. Well, I don't want to.

 Peter 10:49

I got a warm feeling there once. I think I was about for a very long time. The last time my pager went off on that it stuck in my pants. The last warm feeling we've we you know they moved they've moved my, my the love of my life who was writing me and carrying on?

 Jimmy Carper 11:07

Yes. As a matter of fact, I've been have received some letters from some some other inmates. And one suggests that it would be a very good idea if we did not use anyone's name over the air.

 Peter 11:21

Oh, is that a fact? That's a fact. Well, that wasn't the issue that got him moved. Yeah, no one

was making a gift in art class. And evidently, the art teacher didn't appreciate the particular style of this little

J Jimmy Carper 11:38

thing. And that's really a shame because you know, the big

P Peter 11:40

thing he really but yeah. And really, we've seen some other things that have came but anyway, they didn't like that. And so he never finished the project. And I guess they set him somewhere where they don't have art school. I don't know. They also I got a letter and it said that they ban they somehow screw up the signals from this station in that particular highly illegal, highly illegal but highly done, they can figure out so yes, we were supposed to refer some of this to the water. No, probably Ray Hill and 1000 other people but

J Jimmy Carper 12:13

he's had that problem before with other airlines any

P Peter 12:17

got it straightened out? Yeah, not Yeah. That's very well. Anyway, so we just and the other thing I was gonna tell you was not only were you named the Grand Marshal of the whole thing, and all that. But the crew of Olympus.

J Jimmy Carper 12:36

Yes. was named the official organization. Isn't that

P Peter 12:41

fab? Yes. Now there is a yes is a bunch of Did you see the letter in the twit this week? That was written by the director Stephens house. Yes. Wasn't that just too cool? Yeah, guys, that was great. I mean, they can bail children throw a party or what? Absolutely. Oh, that if you were that trivalent Well, you were the guy was well, and I was as well yes, i and i Oh, and guess what? I just came from another function this evening. Yes, the Montrose softball league oh no kidding what they're having a tournament in town. I heard if you're not if you're listening to the show when you're not out you're probably crazy because there's 10,000 10,000 gorgeous honking softball players in this town five teams from Dallas Atlanta all over the bars for men play softball too and there are women out there okay

J Jimmy Carper 13:42

I was surprised this you

P Peter 13:45

honey I don't even want to go oh, well we have this joke later about we'll do it later. Anyway, they'd have this big thing that riches night and I mean to tell you it was a catered dinner no oh honey and you know Oh, but we didn't eat because we had to eat earlier or with friends and anyway but oh, it was fam just fan and they had this big awards thing for all the participating teams that are in for this big tourney and all this and that and then they named Stephens house. One of our local yeah intermediate care facilities in the city as their sole beneficiary this year. Wow.

J Jimmy Carper 14:27

Wow, that is wonderful and Steven has certainly deserves if they do well they could work over there God

P Peter 14:33

knows they try hard. Yeah. And then the crew course if you read that letter, you know Yeah, like

J Jimmy Carper 14:40

what 7200 bucks

P Peter 14:42

Yes. Yeah,

J Jimmy Carper 14:44

that's really nice.

P Peter 14:45

Yes to fix windows and things from what I hear

J Jimmy Carper 14:47

Yeah. cuz there's been a lot of building and Oh. maintenance going on. remodeling.

P

Peter 14:54

But that crew child they can throw apart. They are great. They deserve to be there. group they have done a wonderful thing

J

Jimmy Carper 15:02

and because of the crew yeah because of yeah they they investigated city ordinances and all that you know because it's always been a rule with the parade that you couldn't throw anything from a float trip we always thought that was kind of weird you know you do it everywhere else and so they they researched it and found out there really isn't any such ordinance. So this year can we expect some throwing yes there will be throwing beads from the float

C

Connie 15:30

but will there be showing of tit is what I know probably.

P

Peter 15:35

You are gonna go there. If she just dies the show those bunnies just hosta doesn't she? Well, maybe

J

Jimmy Carper 15:40

if you glitter them they'll share Well, she could get

P

Peter 15:43

a necklace that would stretch from here to Memphis she showed those tops down in your bag once God look at here. Here comes the neck will be there everywhere. will be having street cleaners out there for a month girl for you show them boost.

J

Jimmy Carper 15:58

Now that that's New Orleans. They don't do that here.

P

Peter 16:03

They don't well shouldn't be all taped. Oh, no. But I thought that was just too fabulous. And we just you just need to know how excited everybody in this town is. That you are

16:18

it? Why is the theme

Jimmy Carper 16:20

glowing with pride? And what's it who? Bigger flaming faggot than me?

16:27

Well, here here

Peter 16:30

here is right. I can't I don't have an answer. I'm not even go there. And guess what? What? Tomorrow? This is a weekend to be isn't I mean, here it is the High Holy holidays for Christian universe. And tomorrow is the bunnies on the Bayou? Yeah, better known as the bunny. Yes, yes. Which we don't say

Jimmy Carper 16:56

anymore not to wear them. No, no.

Peter 17:00

But the old days it was the money boots, man. It was just too fun for words. And now it's bunnies on the Bayou. And the world shot I go to that. Everybody Yeah, can you imagine? 4000 unbelievable steaming men and women in shorts. Tank tops and less and less. Jumping around in waterfalls half naked.

C Connie 17:25

Oh, Tom was worth skipping Easter dinner.

P Peter 17:29

And God knows gonna you could do that and get by. Oh, she deserves it because she was on a cruise. Do you just the boat list as you go from side to side. Is beat up on Connie week. Well, you weren't here for so long. You got to hear what we said about you. And you can imagine. Oh, Jimmy and I raked you through the we were nasty that one we were we were but we're not going to do you know I had this fabulous.

J Jimmy Carper 18:01

We were talking about how you could eat us under the table but it's like we want you to

P Peter 18:08

I don't know if she'd want to go there. Every

18:13

meal I'd have to pass.

P Peter 18:16

But tomorrow you can pass obesogenic go to bunnies on the Bayou. Yeah, I did. I forgot the invitation. But there's wonderful charities yeah coalition called 45 steel mills house

J Jimmy Carper 18:29

that are going to benefit

P Peter 18:31

right and I thought now did you look at real closely I thought they said this year they weren't doing food.

J Jimmy Carper 18:39

I don't know. I

P Peter 18:40

I'm almost positive. In fact, with all that. Well, I mean, no not food that way. But in

J Jimmy Carper 18:46

order to get in you use your brain for stone,

P

Peter 18:49

canned goods or whatever. And I'm almost positive on in fact, maybe when we do music or whatever, I'll dash out and get an invitation and look it up for sure. But I thought this year they said not canned goods but just get donations to the charities. Which would be really cool, you know? Yeah. So do you know Oh, I know what they were gonna I was gonna tell you what do you know what? What a lesbian becomes when women screw it up. First chunk of the 19th would be in when she leaves the room or when here we go, James. Okay. This is especially for Connie. When does a lesbian become a dyke? Something about leaving the room when she leaves the room. There we go. We got it off after but that's kind of how I get in stages. No late On the third try something like that. Who knows it's so good to be back see what you missed while you were away? I couldn't get anything all that midnight buffet girl

C

Connie 20:17

I couldn't get this kind of abuse on the cruise. No, I tried I tried to bait people they wouldn't do it

P

Peter 20:27

see and be in a way this long now you have lost your, your comeback city where you could just you know,

C

Connie 20:34

am I well, maybe take me a couple minutes to get

P

Peter 20:38

get gear and gear. But you know, this is this is we decided that when we did the Peter and Connie Lingus show, it was sort of a take off on the Regis and Kathie Lee show

C

Connie 20:48

just immediately compared us. I mean, we're so similar in style.

J

Jimmy Carper 20:52

I know I probably tell you apart right now.

o

20:55

Well, the comparisons

P

Peter 20:56

just started very early. I haven't had my heart attack yet. Although it's probably in fact, we have some talk about Regis and Kathie later on in the show where they are rage or rage is having some trouble with Gaffey and we found it in one of the tablet thought we just needed to show what a surprise so we had that and we wanted to really encourage everybody to get to bed early tonight thing get up and do bunnies in the bayou. Well wait, right after church of course. And then after bunnies in the bite is if you haven't had enough Gala, and fun. And men and women and booze and God knows what all the Renegades are putting on a thing at the venture end. Oh really? Late at night and benefiting Stephens house at my dad. And they're doing a show at at 10am Isn't that just to that is

1

Jimmy Carper 21:55

great. Well, they're a great group. Oh, yeah. What a bunch of fun boys. Yeah. Oh, yes.

P

Peter 22:01

Oh, and then Montrose. They start their games to about 7am Oh, yeah. That first one since I just couldn't get my cheerleading up. That early in the morning I did on

1

Jimmy Carper 22:18

for game seven in the morning. I'm sorry. Oh, I can think of a game No, no, not at seven now.

22:25

No, not on Sunday. No, come on.

P

Peter 22:27

Wait, wait wait, wait wait. I'll lay you Oh, well just know you you're married. Anyway we that's anyway. Clever. Decided seven in the morning. They want to play games. I'll lay you money he would play games

1

Jimmy Carter 22:47

I don't know about that. That Italian? Well, maybe

P

Peter 22:50

Yeah, I know I know Lord Jesus I see there how easy you are Yes, That's why you're great

Yeah, I knew I knew like Jesus I see there now easy you are yes. That's why you're great Catholic she deserves it she's just the queen for a day right in that flow where that Tara bite heals well we do what do we got tonight? Anything fun exciting.

J Jimmy Carper 23:15

Well let's see. I don't know what's going over on with cuties I saw there's a shot. Well, there's a sign over there with a different name or something. I don't know what the deal is. That's been

P Peter 23:27

really he's ever since well, I know a little child you have never been a little as well you may have been a lesbian draining wa never been a little it.

J Jimmy Carper 23:41

Thieves because I have the song that I used to dedicate all the boys and girls over it at cutie. Oh really? Yeah,

P Peter 23:49

mine's dancing over there now. No kidding. Hello. CJ who used to He's over there here.

J Jimmy Carper 23:58

Well, I've got this song by Mark almond. I always you know dedicate to those boys and girls over there because it's called money for love. Ah, so without further ado oh man, and that's to all of those boys and girls over at cuties are a

P Peter 24:23

cute kitty our

J Jimmy Carper 24:27

boys and girls that can't get into cuties wish they weren't hanging around on the streets. I

P Peter 24:33

wish they were coming down here to me. Not that I can afford a lot but listen, yeah, God who does? Other weeks. First and Third Person third. Yes. Would I say hi to Frederick can too. Oh, it was in Huntsville, and wrote to tell him that my letter and whatever and he said he's going to

write very shortly. Good. and also Frederick would like some pen pals. So if anybody's Are you leaving you all think anybody's interested in writing. Frederick Joseph can too. I will give you the address and we'll repeat it again later. It's Frederick Joseph Cantu ca n t u number 733790. Wayne unit B dash two dash four dash seven Huntsville 77349 Dash 0001 and we will repeat that again later for anybody that would like to write a little pen pal that's in in

 Connie 25:39

it's a good time to say hi to all our friends in Huntsville,

 Peter 25:43

our friends in Huntsville and all those other places God only knows where they

 Jimmy Carper 25:46

tell you these guys who write to us are really nice. Yeah, wonderful.

 Connie 25:49

Nice to get stuff and it just brightens my day. I know. Yes.

 Peter 25:55

And Brighton spine to until they got too much wasn't cute. We our research department Oh, that's been busy. Oh my God, have they been busy? And of course they've had an extra week to be busy we just made them more than happy now ever they ever wanted to do we did you know that they found this fabulous article about electric and these can make you smarter. What yes Tao published right here before my face as I read your kids will get a real charge a real charge out of the newest addition to their wardrobe electronic underwear. Studies at the press d G find real I know that the press DGS matches is if the Massachusetts Massachusetts Institute of Technology shows the Space Age skivvies actually boosts classroom performance and memory by keeping the people in their most comfortable temper tour. As somebody on the news says here's how they work the panties are lined with sensors that detect changes in the student's body temperature. And then they relay this information to this radio device to a computer the control the heating system in their panties. And the wear is too warm. It boils down to how to chill up the little bottoms. Now isn't that cute? Hi, now I can see where electronic Andy's would keep you more but make you smarter is like I'm not sure

 Connie 27:26

and what's the risk? Like if your kid is not potty trained? Yeah.

P

Peter 27:30

I mean, you could have a nasty show of a sparky wiring could just go on then that wants to drag this this grocery cart of computers and relay stations and heaters up and down the hall with you all day. Well, I'm

J

Jimmy Carper 27:46

trying to you know, since it's electrified, I'm trying to use a buck plug with what's in the

P

Peter 27:59

bin log gone too long. This show has taken a definite dive without you precious anyway. Now the other thing wouldn't it just be simpler, since everybody's carrying pagers anyway? Just to put the pager in your panties and call yourself a lot of tire? Yeah, I mean to wake yourself up in class, just have your mom call you about every you know 20 minutes and put it on vibrate and let it go. I mean, save yourself a fortune.

J

Jimmy Carper 28:23

I think those teenage boys have enough problems with waking up in class. They don't need something vibrating in their pants.

P

Peter 28:29

Well, but I mean electronic undies certainly isn't the answer either. Yeah,

C

Connie 28:34

get rid of shock treatment like yours.

P

Peter 28:40

But there it is. In our paper make you get smarter. Were electric Andy's say child I'm ready for it.

J

Jimmy Carper 28:48

And if you didn't have a wedding problem you probably would if you weren't

C

Connie 28:54

one of the like malfunction then it was too high by the chair

P Peter 29:00

and get out of cloud Thank

o 29:02

you for learning. And if kids didn't get teased enough, I mean, Chinese electric Fannie's Yeah, tell me what are those wires coming to your bed?

P Peter 29:17

Why are you carrying that big electronic computer around with you to warm your booty? Hey man. panties. Don't mess with me. Smart I think only the nerds would wear

J Jimmy Carper 29:31

funny clothes but I'm smart okay

P Peter 29:35

my buddy of mine scores and look at your elected Katie server generates its chi Can you believe can you believe what do you got? Good. What did the research department drag out for you is that you're gonna do that. Oh, yeah, this

C Connie 29:51

just a little bit. It's not as funny as the panty story. But hey, that'll be hard to tap tonight.

P Peter 29:59

Later big babies. My

C Connie 30:00

God. They're making a movie of Janis Joplin's life. I don't know if she ever wore like your panties, but I doubt

P Peter 30:07

it. She was she was on fire without him. We need to do a Janis Joplin song tonight in honor. Oh, don't worry. Oh,

C Connie 30:15

um, but there's kind of a debate Melissa Etheridge is going to be portraying her in one version. Yeah. And then some Lilly Taylor, some people might be familiar with her. She was in Who is she coming? She? She was an I shot Andy Warhol. She's

J Jimmy Carper 30:29

played Valerie Solanas, and I shot Andy Warhol. She's

P Peter 30:32

another piece of trivia for you all out there in radio land. Thank you. We should have made that a trivia question we should have. We could have called him could have gave away me. Nobody would. Nobody would have called but that's

J Jimmy Carper 30:43

but you know what they can do? They can call him with their favorite Janis Joplin number. That'll work. Okay. 65738

P Peter 30:50

KPFT. After arms. Oh, so there's these movies? Yeah,

C Connie 30:54

there's just a little bit of, I don't know, arguing over who has the rights to what songs and Melissa Etheridge. I mean, she Have you ever heard her sing any Janis Joplin songs? She

P Peter 31:06

say she's to die for the rocks.

C Connie 31:08

I mean, and I don't know about this Lily Taylor. She may she may be a great actress, but

P

Peter 31:13

can you sing, and I hear

J

Jimmy Carper 31:16

then we have the rose? Right? That's true. The rose. I don't care what they say the rose is the story of Janis Joplin. They just couldn't use any of her music. And and you know, get this misery got screwed by not getting an Academy Award for that.

P

Peter 31:33

Oh, and but get this. They're bringing Brad Pitt on as who? As the the song writer of that song that made her me and Bobby McGee,

J

Jimmy Carper 31:44

me and Bobby McGee. Kristofferson? Yeah,

P

Peter 31:46

he's gonna portray Kris Kristofferson as a draw to you know, everybody, I mean, everybody Yes. To me.

o

31:57

In any movie, and I'm a lesbian.

P

Peter 32:00

Good. God, I never thought. And we have also found that you know, with all the things going on these days, and didn't we? Who did the Academy Awards Did y'all watch? Oh, no, no, no, you're kidding. You're probably one of them.

C

Connie 32:19

Didn't don't say it too loud. They might yank your grandma.

P

Peter 32:24

There. Look, minus one and queenship he didn't watch the Oscars. I don't think we should have

him right. Maybe we'll put him in a wagon. What kind of a queen easy anyway. Not watching the Oscars with a Dr. Ron. There's something wrong. Everybody I know had a party. braided hair did nails pop popcorn left Oscars. Anyway. So with all this and have been to all

J Jimmy Carper 32:55

my stripe friends watch the Oscars and I didn't Well,

C Connie 32:59

mine will let it slip this year. Jimmy but in the future. Yeah. We want you home on Oscar night. Okay. Or at a big party? Yeah. Okay. All right. I can do it. Okay. Um, let's just talk a little bit about the fashion.

P Peter 33:14

The fashion. Now, Jimmy, we were hoping you could add to

J Jimmy Carper 33:17

the actually I did see some of that before before the Oscars.

C Connie 33:21

Yeah. Was there like a memo sent out to actresses 14 overnight to wear bras? What was going on? Do they have not heard of gravity? They

J Jimmy Carper 33:32

were so I'm a gay man. But I don't know this women's breasts, you know, I'm looking at the fabric.

P Peter 33:42

And she called me immediately and

C Connie 33:44

I don't know about the fabric. I don't know about the color but the titties were sagging.

P Peter 33:50

She called him said Peter. Are you watching the Oscars? I said, Are you off the ship? Yes. And I'm watching these things. And it's not pretty. I went what isn't pretty. I hadn't noticed either being gay. Yeah. Not illegal. You know? Not a button, right? Oh, man. She said they're just hanging everywhere all over the floor dragon knock on it. And I said, Well, honey, I told the joke if you'd been here two weeks ago about the lady that thought she was having trouble with with lumps on her breast. The doctor reassured it was only your shoes. Yeah. And and then we saw the fashions now weren't those precious?

J Jimmy Carper 34:28

Actually, some of them. I thought they were more conservative.

C Connie 34:33

Did y'all see Helen Hunt? Yes, she's a hottie and she just looked beautiful.

Jimmy Carter 34:38

Now there was some really bad hair, bad hair, but really bad hair.

P Peter 34:42

Who was the gal with that wore that ungodly red dress with the ugly collar that would have poked people in the eyes stuck all over everywhere. She

C Connie 34:51

what was going on there was she in *The English Patient*.

P Peter 34:55

She was in something Fargo inspection something and she had this ugly ugly ugly dress on this big ugly color, or

1 Jimmy Carter 35:00

she was trying for a new space movie or something. Oh, it

C Connie 35:04

Downloaded from https://academic.oup.com/imrn/article/2020/11/3673/5362633 by guest on 11 August 2021

was horrible. That's kind of like cut down your peripheral vision. Yeah, it's gotta

P Peter 35:09

gotta cut down on

J Jimmy Carper 35:12

the night you want to see stuff, right? So

P Peter 35:15

and then now last year at Tom Cruise's wife looked like she had been drugged behind the limo most of the way there at the ugliest damn dress I'd ever seen in my life and just move this roll this thing on.

J Jimmy Carper 35:29

Surely surprised, because that really looked good on her. And it's an ugly color Chartreuse is not

C Connie 35:35

many people can wear the chartreuse but let me tell you about the applique what was going on? Well,

P Peter 35:41

I don't know. It's Chinese. It's a Chinese

J Jimmy Carper 35:43

thing. But not only that, but she pulled it off well, right. I mean, she she just yeah, she acted the part of the dress. You know? She's just really go. That was really brutal. She was very, very regal Eagle.

P Peter 35:59

Yeah, no, that was an interesting

36:01

thought. I knew she was going home with Tom Cruise. I'd be regal to

P Peter 36:06

that. She knew she was going to Chinese restaurant after the show.

36:08

Me with either one of them.

P Peter 36:12

was either one of my days is here we come again to Connie, he's back. She's obviously didn't get enough on the cruise. Listen to her.

J Jimmy Carper 36:24

I don't know. I can't tell if there's a filthy joke that I heard.

P Peter 36:28

Oh, go ahead. If you can stop, please. You know, I always have.

J Jimmy Carper 36:33

Well, I don't tell jokes very well.

P Peter 36:35

But you want to wait a little thing and then tell me and then I'll tell it.

36:39

I'm on ring.

J Jimmy Carper 36:40

Maybe we better do it that way. Well, it'll work. Okay. Okay. Oh,

P

Peter 36:45

and also we found here.

C

Connie 36:46

Speaking of fashion, I just thought being a fashion. This was hilarious. This great picture of Dolly Parton in the first line in the article. Dolly Parton is on the cutting edge of beauty. And I'm just thinking, cutting edge of what year

J

Jimmy Carper 37:00

you're brewing. It's been a while since you could call it beautiful. Let's face it.

P

Peter 37:05

She has commies bodacious data. He does

C

Connie 37:09

have the great breastes but I mean, she's just big hair.

J

Jimmy Carper 37:13

Yeah. Big Breasts. Lots of glitter. Right. And what

P

Peter 37:17

did they say? I love

C

Connie 37:19

She's so honest. And she's just as white trash as she can be. And I love that. Oh,

J

Jimmy Carper 37:23

I love that in her purse. double wide trailer lover.

C

Connie 37:26

Here's a quote. I like as good as I can for as long as I can with plastic surgery and makeup.  
Dolly says

P Peter 37:34

she don't you have to love

J Jimmy Carper 37:36

to love that level of honesty. Oh, yeah. And she does. You

P Peter 37:39

know, she's looking pretty good there.

C Connie 37:41

And one thing about dolly I can say I've seen her in interviews and she she's really cool because she says you know she's a star and people want to see her all dolled up and that's your thing, and she won't ever be seen in public like looking raggedy. She's gonna always be

J Jimmy Carper 37:55

dolly because I think when she's when she's just her, you would never recognize

C Connie 38:01

her. Probably not. Although I don't know how you couldn't not recognize those breasts.

P Peter 38:05

That's true. Well, kinda you could throw on a big ol big hair thing and

38:12

see what that tiny waist though. How did she keep from?

P Peter 38:16

See them right like you do? Oh.

o

38:20

It all goes to her breasts.

P

Peter 38:23

And you're excused well, did you hear that Jerry Falwell is if we can't find a man that SOB about it simply can't find one more damn thing they hate him for he has now found the 1001 thing we can hate him for speaking to 1100 delegates in New York for the constitutional freedom recently urged members to employ advertisers immediately to halt their average advertising on the Walt Disney owned ABC series. Ellen. Absolutely. I

J

Jimmy Carper 38:59

heard that and I thought only him. You know,

P

Peter 39:03

schmuck, and I think it's just absolutely amazing because it's somewhere in today's paper there was a thing about Chrysler and somebody else and somebody else and they're not gonna advertise and whatever. That little Episode Well, I heard that April 3, yes. And

J

Jimmy Carper 39:17

are not pulling out. They're pulling their advertising but they want everyone to know that they're just roommates

P

Peter 39:28

Johnson Johnson and Johnson.

J

Jimmy Carper 39:32

I stole that from Bill Maher on politically correct.

P

Peter 39:36

Johnson Johnson can make eight I mean they could be oh lord but what they couldn't advertise of their products come out. You know,

C

Connie 39:44

What surprises me is that they're making such a big deal about this coming out episode. I mean, who didn't already think she was a lesbian? I think I'm one of you watch the show

J

Jimmy Carper 39:53

the character and

P

Peter 39:54

the actress. You coming from a lesbian? I guess this?

J

Jimmy Carper 39:58

Did you see the picture? Have heard planting that kiss on K D line hello? Oh, that's a way to come out isn't it?

♂

40:07

Okay I'd like to be a little saliva

P

Peter 40:12

Oh, but anyway so Falwell is now just given us one more damn good reason to think that he's the biggest thing on the road and we already knew it but hot on that news item yes backing it up running it up but or whatever back on its backside, the Human Rights Campaign which I think it's just too fun
