Peter 01:56

Right. Yes. ABC, ABC. Teen,

J Jimmy Carper 02:00

02:03

I think nationally because luckily, I don't think they've got a lot. They've gotten a lot of support with.

Peter 02:09

Scott was talking earlier tonight about all these stations that turned down this big advertisement thing. Yeah, Houston was one of them one horse. So Chicago in New York. Hello. Where's the largest gay population?

J Jimmy Carper 02:20

Figure? I don't get it.

Peter 02:22

I don't get it. Dallas picked it up.

02:25

I really don't get

J Jimmy Carper 02:26

that at all. You know, a third.

P Peter 02:31

One would think there's a lot of things to be able to be the other way around.

J Jimmy Carper 02:34

And they said what we don't do causes. Yeah, yeah, excuse me. Drugs, child safety,

02:41

all this stuff to stay in school stuff.

J Jimmy Carper 02:44

These are not causes,

P Peter 02:46

their causes their causes. They are causes. Child they just don't know what to

02:52

do. Alright, let's move on. Let's have some more.

J Jimmy Carper 02:55

What else can we pitch? Oh, let's

P Peter 02:56

see. Sure. Really well. Let's see. I can tell you a couple of anyway. No. We have our top 10 List tonight. The top 10 List tonight is 10 reasons why gay lesbians, bisexual transgendered people love Easter. Oh, so that'll be our top 10 list.

03:18

And because there's so many, there's only a

P Peter 03:21

zillion reasons why we all love Easter. But we have 10 of them.

J Jimmy Carper 03:26

And let me tell you how I'm going to celebrate being the not so religious person that I am. I'm having dinner tomorrow whether Jewish delicatessen Well

P Peter 03:39

hello, fake your item with friends. Is this a plan thing? Yes. Cool. You're not coming to my Egghead worried if you're in your data, you're accepted

J Jimmy Carper 03:52

and hunted

P Peter 03:55

up I wish he could eggs the golden egg you got it. Big ones that sit on the bar the ones they serve at that midnight buffet yo been second down for months while we've been here sweating our butt off. Oh, nevermind. Connie. You're back.

04:23

The idea of Peters but sweat. I don't know.

P Peter 04:27

Where did this come from? Where did that come from?

04:30

You'd been sweating your butt off. Oh. And I got a really vivid patient and wasn't

J Jimmy Carper 04:38

She's waking up.

P Peter 04:39

She's ready. She's ready. Anyway the other thing this is a really cute thing. I'm going to show you this too bad this is radio it too bad it's radio because I have a great joke that you can't do on radio but you got to see it but if we were live action TV this is it.

J Jimmy Carper 04:55

Oh god. That's what's yours is gonna be up here again. Who bathroom It's your a bit well,

P Peter 05:00

I wish Beth Richards would come up here again.

J Jimmy Carper 05:05

I don't know what they're doing here.

P Peter 05:07

She doesn't know. Anyway, in our research department yeah has found that I'm just not sure how this goes it's once a lesbian and the other is a guy in drag. dresser craw. Well in I don't know. Yes, but that's the title guy and drag. Then the title of the big article is cross dress wedding has two brides. Okay. Okay, now

♀ 05:36

why knows how that works? Well, our research department

P Peter 05:38

has found this little thingy. And the pictures are God. I wish we were on TV. Well, you know, maybe I don't. Now I pronounced you wife and wife.

♀ 05:51

There wasn't strange to me.

P

Peter 05:54

There wasn't a dry eye when? Well then sounds strange to you. But there wasn't a dry eye in the house when Robert Brent Hawkins joined 41 year old lesbian, Patty Aldridge and 50 year old transvestite Tom slow. Okay, so, holy matrimony,

Ω

06:11

he's a lesbian Toms

P

Peter 06:13

transvestite. I guess the gay community is lost to queers, right. Is that what I'm hearing?

J

Jimmy Carper 06:18

No. transvestites are not necessarily queers. Most transvestites are straight men who cross dress.

P

Peter 06:25

Thank you for that interesting insight. Then we've loaded the last one because lesbian Miss Patti is now married to Tom the transvestite. It was the happiest day of my life. Gosh, is Tom a truck driver who prefers to be called Roxy. When he's dressed as a woman. The bizarre wedding ceremony in Toronto, Canada where else began with an outrageous drag queen show. Then the Blushing Bride marched down the aisle. The blushing brides plural excuse me marched down the aisle in matching gowns, along with wedding party dressed men and women dressed as French maids. Now, this is a charming picture here. Let me tell you, some of them don't deserve to be in these outfits. But no matter how net either nuptials The couple says their marriage is the real thing. Well, I

J

Jimmy Carper 07:13

bet he is in transition that

P

Peter 07:15

well when Patti if she's a real when I met Patti, it was love at first sight, said Tom and I was so happy when she assured me that she was a real woman. Leave her not. I'm a pretty traditional guy. I don't know a traditional guy in my life that would walk down the aisle in a wedding dress, marrying the woman wedding dress and losing. This is just amazing. And the photos are just to die for.

J Jimmy Carper 07:38

Well, no, it sounds like he's going into transition. Okay, so then he will become a woman.

♀ 07:47

And they'll have a lesbian really, and they'll

P Peter 07:49

have a well, but it doesn't sound like there. It doesn't sound like that. He's just so glad that she's a real woman because he wants to be a real man or something. And I don't. I just thought we just lost to a community member. Could be that Congratulations. Congratulations. But these pictures I've never seen to your brides in the Sunday paper in my life through

J Jimmy Carper 08:08

every relationship is different. Although, you know, every Sunday I look through the Chronicle where they have the wedding and the anniversaries ugly and I'm hoping to see two women or two men someday celebrating an anniversary or so they get married and you can there why God they have men met you know, in the classified chronicle having you know, men seeking men, women seeking women. So why not? This Friday, I will have been with my lover for 19 years. Now he's in the closet. So you know, it's we're not gonna be you know, we're not riding

P Peter 08:45

the car together. Right? You and your tiara and him and his whatever.

J Jimmy Carper 08:52

But yeah, there's a lot of us that have been together a long time. Oh, yeah.

P Peter 08:54

Yeah. But I just thought that was just incredible. And our little staff they brought it up because they thought we were losing members or something. Or what the deal was, but they're too ugly to bride you've ever seen you're like, Oh, we're looking at this again. Is this Yes, word wasn't enough. Just just but ugly. Not putting?

♀ 09:18

Well I remember a few Halloweens ago when Peter with as a mother of no

P Peter 09:29

AMI did my main the only time that Peter ever went anywhere with pumps on and decided that this was never the way I'd rather

J Jimmy Carper 09:38

moustache.

P Peter 09:40

As a matter of fact, are you ready for this? I was held down by large males and clipped on to where I had to save it. No, I was not going to do it. No, they said, Oh, yes, you're gonna and it was a done deal.

J Jimmy Carper 09:56

Wow. I bet you were pissed. Wow. Beautiful when you saw the end result I think it was really thank God I was like Sophie Tucker.

P Peter 10:07

No we look like a black mother the bride we did because I thought when they first put this when Connie first put makeup on being she was our makeup artists for the few of us that were there that day.

⌚ 10:20

First thing is when you make that first

P Peter 10:23

mistake, I think I could have done better anyway. I said why look, you know that white darker look was like oh god, you know, sick or something? Make it a little darker. Well they made it darker look like

⌚ 10:38

the Carmel number four

P Peter 10:40

wasn't ready. We looked like a black mother Brian, it was just it was just much and that's when I decided that I would rather walk the way of the Cross than the where poem for over an hour Yes, yeah, but I want to tell you NO NO NO after winning contests about town here and there. Yeah. And we started out early on leading at a benefit we had to be at all of us had to be there because of the organization we were involved in at that time. Did all that did all the P street thing did all the whatever ended up with the BRB. Where there were this is where I began a long, loving relationship with lesbians. There were two of them there of course dressed as hobos. Anyone else would they dress as? No. And they sat me down on a big stack of beer kegs get cases and massaged my feet, honey. Ah, it was were they wearing gloves and sex. It was fab and I owe those two women my life from that night. And then we went on to win the dance contest the VRB Oh kid. Yeah, well, what is else some other bride do anyway and it was a long battle for the morning we were thrown out of probably thrown out at Charlie's or something I don't know but it was like the one time in my life. I vowed to myself we would run out a Charlie thrown out but we certainly overstayed our welcome I mean, how long

∅ 12:03

it's gonna be brother

P Peter 12:05

had been thrown out there mourn with anyway. The Yes, it was a long night when we decided we would never ever do this again. As long as we live.

J Jimmy Carper 12:14

You're listening to all of this. mayhem on after hours career radio with attitude, our KPFT Houston and ke O 's College Station. I'm Jimmy Carper. And it's the Peter and Connie Lingus show.

∅ 12:28

Hey buddy called in with the Janis Joplin. Oh, yes.

J Jimmy Carper 12:31

Oh, heavy you want to play?

P Peter 12:33

Well, I'll tell you what, let me give him my joke. For the week, then we'll do Jana. Okay, then

we'll come back and do some other nutty silly things that we found in the paper. And then we'll talk about some stuff going on in town. And we'll do our top 10 And we'll do some other dribble. Did you hear? What about Queen Elizabeth? Queen mum? And Diana, you did?

J

Jimmy Carper 13:00

Actually I have? Well, I

P

Peter 13:01

think I told you one second. I started telling this joke a while back and I was should have saved for the radio. It never would have spread like wildfire in the city. But for those of you out there and right here on land, who haven't been out and heard anything. Here's the joke. Queen mum, Queen Elizabeth and die. Were out for a Sunday ride in the Bentley. Bentley, and they were attacked by marauders. They were they were jumping out of the roadways and attacked him and shoved a gun and Queen mums head and said turn over the royal jewels. And she said ooh, I never wear the royal jewels in the Bentley especially for a Sunday drive. And so they shoved the gun in Queen Elizabeth's face and said hand over the tiara. And she said oh I'd never wear the tiara in the Bentley. And so they said they're gonna die and they said pass over the diamonds die. And she said oh, I never wear my diamonds for a Sunday ride, especially in the Bentley. So they threw all three of the Old Broads out in the side of the road Oh dread and jumped in the Bentley and drove off the bench. So as if that wasn't bad enough, Queen Elizabeth says ma'am mounds. What in God's earth did you do with the royal jewels? And she said well, she said I put them in the royal snatch mums. And she said you Liz the tiara. Where's the tiara? She said well I to put it in the royal Smith. She said Oh, my goodness. And they looked at dye and dye went yeah, me to the diamonds to the SNATCH and Queen mums. The old one started just laughing uncontrollably and littler one she says mumsy What's so funny. And she said at third you've been here we could have saved the Bentley see what Jim is by being on the crew so now let's do something really rare. Didn't Janis Joplin live with biome England or something? I mean Could we tie this together in any way? She

J

Jimmy Carper 15:02

did a couple she did a tour over there. Oh, that's the closest week.

P

Peter 15:07

And off we go to Janice.

J

Jimmy Carper 15:08

Anyway, Gary up in the 1960 area. Hey, Gary. wanted to hear get it while you can. Cool, which is my favorite, Gary honey. And I played it last week. So maybe I'll play it a little bit later. Because Scott had called in a little bit a little bit earlier before you Gary from Southwest

Houston and requested a really old Janice number called summertime summer tongue. So that one let's go to that right. Let's do it Oh, yeah, Pat and roses night sounds heard every Sunday night in the same time slot. And they feature really wonderful local artists. Great show.

P Peter 15:56

I've heard that before. I think that's our burning question to anybody. I love Oh, there's

J Jimmy Carper 16:03

lots of folks out there

P Peter 16:05

is there really well, big Roy is sitting in manning the phones just waiting for your calls to tell us anything you'd like to hear gossip about this or that to talk about Connie's trips to talk

J Jimmy Carper 16:24

about whatever Joe in the Greenspoint area just called and wanted to hear ball and chain by by Joplin. We just have an Joplin Night. Night we use this weapon through the stations on the radio and and

P Peter 16:37

heard us being goofy. What? Wait, what was his name? Joe? Joe? Hey, Joe. What's happening big boy. You know, did I tell you earlier on the show when I couldn't quite get it. Get it out of my mouth? was when a lesbian becomes a dyke? Yes. When she leaves the room. I got it out there. Good gracious. Speaking of things getting out of my mouth. Get that thing, that thing. There were three engineers. Oh, my Lord, I got this other thing I've just got to do. There was three engineers, speaking and engineers, three, electrical engineer, mechanical engineer, and a civil engineer. And they were all talking about the nature of God. Since this is Easter Week, we thought we'd do a god job. Okay, anyway. And one of them was going on that God had to be a mechanical engineer. Why? Well, because if you ever look at the human body, you just, I mean, it's just a mechanical wizard. I mean, like the hand, for example. I mean, you know, it's dexterity can pick up little dimes off counter. I mean, it's this wonderful thing with ligaments and joint and how it all just works so fabulous. And of course that, you know, he gave his whole thing. And then God just had to be this mechanical engineer. Well, of course, he was followed hot on the trail by the electrical engineer who said, Oh, no, no, no, no. God was indeed an electrical engineer. And that's because of the brain with all of its nerve endings, and synapses and signals and, like, electrodes, and this isn't that's just like this gigantic big computer. And of course, he went off and gave his whole side of the argument and said, No, God had to be, you know, this electrical engineer. Well, finally, the civil engineer came along, said, Oh, no, no, no. God's a civil engineer. And he said, what, what makes you say that and he said, Well, who else would run a disposal system through a recreational area?

18:44

Who would have thought that would get so religious?

P Peter 18:53

Or so technical? Listen, now we have got speaking now that we got down to religious and things and there's a bug in here. And the flying around my room. Anyway, I'm seeing little black things from my face. Anyway, there again, in the same wonderful thing that our our hard working, hard working research department has found being at Easter weekend, we could not resist this. This guy, do you want to give the lead on this?

19:29

The title of the little snippet is nude man crucifies himself. What?

P Peter 19:34

Thank you. We thought this would be good. A nude man crucifies themselves.

19:40

Okay, I didn't time with Eastern Massachusetts man tried to crucify himself in the church basement. What the problem I have with this Don't

P Peter 19:48

wait. Read the little thing. Okay, this Massachusetts man tried to crucify himself in a church basement, a 34 year old man who attempted to Nail his naked body to a wooden cross was charged with get this I think this is lovely for me was charged with breaking and entering Hello, and malicious damage to what I mean his body the cross the wood the basement? Well,

J Jimmy Carper 20:17

I mean, he could nail one hand. Right? How do you get the other way? Thank you. Thank you.

20:23

I mean, we see like half on the cross was he floundering around?

P

Peter 20:27

Can you imagine? How does anybody crucify themselves? I mean, give me a break, you get one hand done, and oh, you got a problem. Now, what do I do at the thing? How do you get those other nails and gifts? I mean, this is really a problem. Now I had this weird wonder of universe ever thought how in the hell was this gonna happen?

o

20:46

Maybe they'll grow?

P

Peter 20:48

Maybe something I need you to see on the news course over in the Philippines. Of course, every year somebody really live males in Celtic cross, which I think is just phenomenal. But the judge released him on the condition that he undergoes psychiatric evaluation. Oh, good morning. GLaDOS

o

21:06

that judges on the ball.

P

Peter 21:08

That judge is on the ball child? He

o

21:12

what I want to know, did they take him off the cross to do this?

P

Peter 21:16

When I want to know did he ever get on? I mean, how do you?

o

21:19

Did they wait three days and then

P

Peter 21:23

probably did if it was anywhere near as gotten? He'd be in jail for three or four days of work?
Which

J

Jimmy Carper 21:28

oh, we're gonna get calls.

P

Peter 21:30

But can you believe this? naked man laying in a church basement nailing itself to a crucifix. There's just a way where that's why he needs evaluation. No, not that he's trying to do nail himself negative church basement. That's all fine. But thinking that you could pull this off with one hand. Yeah. Now there's where the buck needs to stop. And you can imagine that there'd be some PhD, you know, dealing with this gentleman for the next 68 years about how can this happen? He obviously

♂

22:05

didn't wear as electronic electronic panties.

P

Peter 22:08

No, he did not wear electronic panties his child had he wore his electronic panties. As a child, he would never be thinking of anything like that.

J

Jimmy Carper 22:15

Or he would have figured out how to do it.

♂

22:19

That it couldn't be done without some assistance

P

Peter 22:22

and arrested for breaking and entering. Are we scraping for our cars here? Save us a lot. That's our little religious joke for the week. That's right up there with the panties

♂

22:37

along with the cars thing. You know if anybody out there is is available during the day and watch is Rosie O'Donnell who I just love. Rosie, she's a kid. He never wants to know and

P

Peter 22:53

it's really fast, really good. And of course every queen in the universe watches it. Once again,

J

Jimmy Carper 22:58

obviously not everyone.

P

Peter 23:00

Once again if you don't watch the Academy's I guess we're gonna have to start questioning your queen chip.

o

23:08

Well, for those of you who haven't watched she,

P

Peter 23:10

of course Rosie's lesbian, right?

o

23:11

Well, not in my dreams. She

P

Peter 23:14

is Oh my Jesus. Reminds me of another job. Did you

J

Jimmy Carper 23:20

Lily Tomlin are in the same club.

P

Peter 23:24

I think Rosie O'Donnell is a far more up County's ally than No, I

J

Jimmy Carper 23:28

believe. Not quite out of the closet.

P

Peter 23:31

Oh, I thought you're talking about what? Chunky chickens. And it was about the gay guy. Okay, who went who said You know, they was questioned about could he go to bed with with a woman with a woman? Yeah. And he said yes that he could go to bed with a woman. He could go to bed with Nicole. Nicole Kidman.

J

Jimmy Carper 23:54

What would you do with her? You could either snatch

P

Peter 23:58

the closing never get to Tom Cruise go Connie go

J

Jimmy Carper 24:08

to chase Tom.

♀

24:11

So Rosie gets \$1,000 per kiss like when a guest comes on and she kisses him. Listerine gives \$1,000 Because scope does stir

P

Peter 24:22

I don't know Yeah, she does this. Nope. Does scope

♀

24:25

right. Scope said something nasty about our listing I called her up and said we love you will support you they give I think like \$1,000 to charity or something.

P

Peter 24:33

Could somebody give me \$1,000 To kiss I mean Jesus that wouldn't have been just about anything. I thank you and Neiman Marcus at high noon what the drapes open

♀

24:45

wearing a tutu whatever, whatever the words that kumbaya

P Peter 24:53

while we did it, and Dillards window showroom window and I knew I could do well. Without at the same time Oh for \$1,000 Honey I'd get well baby.

♀ 25:04

Well anyways, not only did she doesn't dollars Ah, but she had Greg Louganis on the show. I see he kissed her four times. \$4,000 Ching Ching. Ching Ching. Nobody ever had to pay me to kiss Greg again. It's really, but it's

P Peter 25:21

a lesbian. Well, he's

J Jimmy Carper 25:22

just a cutie. Did you see that movie?

♀ 25:26

The great gayness Yeah, I missed it was oh, we

P Peter 25:29

tape it and watch 2000

J Jimmy Carper 25:30

No, no, no, quite honestly. Is this a soap opera or what?

♀ 25:36

I mean, it's like,

J Jimmy Carper 25:37

I mean, you start crying from the first five minutes and you don't stop until the very end.

P Peter 25:42

Oh, my. I don't remember crying but yeah, I did watch it. I thought it was horrible. This

J Jimmy Carper 25:47

this man ever have anything good happened to him?

∅ 25:50

Just a couple of gold medals. And now we're really live for you

P Peter 25:55

know, you see him around Houston every now and then he was in for a book signing. When he was a Jr. And he was the most friendly, wonderful guy. I chatted with him. I mean, he you know, everybody sent her drink time. It's just like, some regular guy. You know, I mean, everybody a great time. We were just sitting there having a wonderful time with him. He's just sweet as pie.

∅ 26:13

All right, so it was on the Rosie show. Yeah. And he was delighted by Rosie support. It says the athlete confessed he was terrified two years ago when he revealed who he was HIV positive. He worried that a sponsor Speedo would drop him. But he told Rosie quote they said we're behind you more than ever. And I just thought, you know, there's a lot of other people I know who'd love to be behind. But I'm close. But I thought that was pretty neat that and it shows pictures here of her kissing him smack on the lips.

P Peter 26:43

Ooh, what about the Watson? You missed it? I did.

∅ 26:50

I did my punch line. You missed it.

P Peter 26:53

I was handed I was handed a note by big Ray. Roy, right.

26:59

Where am I? Where's the electron Fanny?

Peter 27:02

Where are them panties? I need somebody call my pager to vibrate my. I got it. Yes. Is there any friends of mine listening in his own world? Anyway? Oh, and I missed the punchline. But we got it out.

27:15

There. We got it. I got a little jokey joke here. Oh, good.

Peter 27:18

Let's go for it. I have a little jokey joke here too. That was just called in. We We were wondering, does anybody listening out there who? Yes, there is people out there and they're calling in with jokes now. Can you believe how can you not love it?

27:33

I love now is that in support? Or are they saying that our jokes are so bad that they have

Peter 27:38

I think oh, don't even go there kind of you. Alright, here's

27:41

my Okay. A snowstorm and this by the way, sent from a friend in Huntsville. Okay. Thanks for sending this joke in.

Peter 27:49

He's the one that sent the one page and a half. I read that night that you weren't here.

27:53

Well, at least my fans are helping me with them. Yeah, really?

P

Peter 27:55

Thank you. Thank God for your band's job. All right, this snow

♂

27:59

so a snowstorm kept two lesbians cooped up in their winter vacation cut cottage in the mountains of Colorado. Oh, so they were bored and to combat the boredom. One of them suggested a game of hide and seek. Sounds like fun. She said, I'll go hide. And if you find me within five minutes, I'll give you the best looking you've ever had in your life.

♂

28:19

So well.

♂

28:22

The other one says awesome. But what if I don't find you? In the first lesbian just rolled her eyes and said, Oh, honey, I'll be behind the couch

P

Peter 28:37

like an Easter egg for lesbians. Thank you. Hey, Kami. Yeah. How can you tell when you're in the presence of a bulldog? Well, give me a lot of ways to tell but Well, the one that our listeners says Is she rolls her own damn bonds and Kickstarter Viber. This has taken off to a degrading state of affairs tonight.

J

Jimmy Carper 29:10

I'm so proud. You're so proud.

P
