points, maggie, gay, question, condom, dolphin, hear, humpty dance, line, justin, gabrielle, hatch, mom, lesbian, tommy, cranberries, book, thinking, candace, phone

---

00:01

So we don't have no doubt about that show me.

00:04

No, but like you are getting you're trying to get her to sing the Humpty dance. Yes. I really liked that song.

00:13

I'm not singing for you if that's what you're trying to get to the next question

00:20

Why are you gonna get someone to try to sing the Humpty dance when you won't even sing it yourself?

00:24

Because that's the power of being behind that window.

00:27

What's the Humpty dance dude?

00:29

Dances? Me

00:35

You know once about the Xena Burger King bathroom, that thing?

00:39

I didn't know that part. I love that part. She knows the whole song. Okay. This is for Steven. Did Freddie leave? Yeah, okay. He's trying kitten.

00:54

Okay. What you're gonna do is you're going to try to name the title of this book that was banned. And it was banned for stupid reasons. So listen to the country, this country does not we're gonna have questions about Europe now. Okay, this Alice Walker's acclaimed novel had a long history, a low a long history of being banned from high school libraries during the Adel 80s. It was labeled as smart

01:32

in Nigeria.

01:35

Originally, I was thinking Moby Dick But I guess

01:39

think about it. Think of all the colors.

01:44

I know. I know. Pick Me.

01:46

Gabrielle. What's the answer? It's the

01:48

color purple. You

01:48

02:10

that's just like fried green tomatoes. I mean, the book is so awesome. And so like less bionic. You see the movie and they just like, you know a couple of friends.

02:17

So Steve gets negative 1000 points. Gabrielle gets one

02:24

kill me claim 5000

02:27

Look, you will not argue with my points. Too much power. Okay, it's all because the window. The window?

02:39

You know there's a door that one does not do much for you, Tommy? Sure. To make him.

02:49

Come over here. What are you gonna do? Oh, she's

02:51

gone to the next guys. Do you know you're both man? You proved it. Okay, good.

02:59

Five points for being the facilitator while we have three year

03:05

high. That's an intense suck.

03:09

Okay, this is for Freddie. I picked this question, especially for Freddie because I figured he would know, especially especially especially. It's kind of like espresso. Yeah, Justin was freaking out about that last night shot. Espresso.

03:26

I know. That's what I was telling.

03:27

Okay, anyway, when ABC first broadcast this play written by Bob Fossey in 1975. All references to homosexuality and bisexuality, including the crucial, crucial plot element of Brian's affair with Maximilian were removed by network censors named that play by Bob Fossey, yes.

03:57

Oh, God.

03:59

Well, it's not Chicago.

04:00

Is that the only one you know? Because I know he's also Pippin. I think you even have this poster up in your room. Do I really? I think I don't know. I know.

04:13

A way to care character names. Yes, Maximilian and and Brian.

04:17

Brian has an affair with

04:20

a butterfly. No. Oh.

04:25

It's Cabernet

04:27

It's not that Okay. Okay. So since it's a hard thing to understand to get, I'm going to ask this for the group. Okay, what is a bung hole?

05:27

Does have anything to do with a ship? No,

05:30

it doesn't have any of the ship does that have something to do with being gay being a gay tribute? Piece of ship?

05:35

05:49

05:52

Does it have something to do with the well?

05:54

No, but it does have to do with Italian stuff. No. Italians do paint No, what do they like to do? They consume a lot of wine food. Yes. Oh, is it the thing that you need? The barrels and it's actually the hole in which the wine bottle is emptied and filled.

06:25

Well, that's good to know. Don't call me I don't drink wine.

06:32

Okay, this next question is actually directed towards Gabrielle and Candice is it a lesbian question it's gonna kind of be but fake okay, what is a Tonga? Spell it to you in G E. R.

07:13

Okay, is actually one who makes for inserts the tongues of shoes

07:27

all right. So you were younger?

07:32

08:51

It has to do a shoes.

08:55

15:36

It's not the cranberries though. It's okay. It's Juliet. It's a she is a black body builder. Wha and she does a yes. And that's that's kind of the gist of the song. It's called rogue Amazon and it's talking about being a strong woman. Back away,

16:02

okay, man, we're getting off right now. So you're gonna hold on to the sun

16:09

Do you know what an Amazon Emma's Amazon is Amazon right? Yeah.

17:29

18:10

What were y'all playing? Really bad song by the cranberries?

18:14

Hey, shut off. Hey, she's family. Oh, my family. You got the whole family. Minus 10,000 points

18:28

18:33

Since you look so hurt plus five. Okay, so let's talk about hatch real quick. Hatch stands for Houston area teen coalition of homosexuals. Yay, hatch. Where's all my information? Okay. To get in touch with us call 713942702 Leave a message. I'll be the one calling you back when he was told me. So. Yeah, I'm very discreet. If you need to know anything.

calls or calls or return confidentially. Yeah.

19:13

Age Group is 13 to 20 years old. So no old people in this year facilitator like Phil All right. So we've been told to talk about the thing we went through today. Justin, you want to more elaborate more on that? See why you're gonna do it to me because you're special. I'll give you 500 points if you talk. What did y'all come away from it from? I mean, like, what was the overall things that were discussed? Okay, well, I ended up always getting the group that was hard to deal with but I wanted that. So I guess that's why I had I felt it was a negative experience.

19:58

What did you consider the Negative group or difficult group? Why

20:04

was it difficult or negative to you? Because he's gay. Yeah, basically, that was it. And they couldn't keep their minds away from the fact that I feel that I was born gay. They didn't feel that that was right. And so they just harped on that.

20:24

It was just hard for them to understand.

20:27

But Justin, he had a really good experience with it.

20:30

I now have Justin fanclub. I know that I bribed them it was all about that. No. I don't know. It's just really I don't know. It was just it was really cool.

20:43

But it wasn't just me and Justin who went it was me just in April and Donna to other people that could have hatch April's on steering committee also.

20:51

What's the what was the point of it? Like, what were you guys trying to achieve by going there?

20:57

Diversity shown diversity.

20:59

We want to show we I was there at least to show them that that homosexuality isn't about sex. Yeah, it's not it's not just about sex. I mean, anybody can have sex, you can go out and do whatever however, it doesn't make you gay doesn't make you straight it. Homosexuality is is connecting emotionally to the same sex. I mean, I mean, we've all got the parts we can do whatever we want with it, but it doesn't make us that doesn't make us gay doesn't make us straight. It's It's who we identify with on an emotional level. And that's how I identify myself as gay. It's not it's not that I have because I'm because I'm not I'm I'm a virgin and i is. I find myself connecting emotionally with with guys and maybe maybe one day I'll meet a girl that I can that I can understand on an emotional level, but not yet.

21:50

Maggie, what makes you feel that you're straight? Straight? I don't think I can tell you. I like guys. Don't worry. We have another straight person in here. We like straight people. We're not straight a phobic or phobic. Y'all are so mean to me.

22:18

I don't even know the word.

22:22

It's hard not to be as gay as your mom is. Gay Activist mom. Oh, God. My mom. Maggie loves the fact that my mom's gay activist mom, huh? Oh, yeah.

22:35

She sounds very enthusiastic.

22:36

Yeah. She loves mom. But aren't you helping mom with international festival tomorrow? I'm going to the International Festival. All right. That's great. Stuff for school. Well, that's cool. All right. gonna beat the outsmart booth.

22:50

Probably not.

22:52

Mom's gonna make you stay there for a while. She doesn't want to sit there. I gotta go. Like don't eat the seafood.

23:03

Yes, no. Okay.

23:07

That was really gross. It was used in this time of year. Okay, so. Okay, so back with questions. We love questions. Questions are great. Where was I? Oh, yeah, you're more than welcome to play. You want a shot here? Okay, so we're over here. Okay. We, this is the segment called. Where is that city? Oh, you're gonna give us an inside joke. Okay, and actually, this does have outside countries. So, Steven, you can specialize in this one. No, no, I can't. I barely know us. I mean, awesome.

23:57

Okay, well, the first city gay head. Blank. What? What is the city name? Gay head. Where's it at?

24:10

24:45

24:47

Okay, I'll give you a hint with this one. It's not in the US. Europe? I don't think so. You don't have the answer. No, I have the answer. I don't know what can you

24:59

do? Kenya. Yeah, it's an Africa Yeah.

25:03

800 points for you 1000 points for Canada's for looking there so

25:21

who said that? Rock on? Oh, yeah. Okay. That was you. That'd be me. All right. My point. Yes. But it was only point by point so many more hands down just can't really close to actually trying to avoid that ever my airspace. Question. All right. We never got the answer. In Kenya. Yeah. Oh, Africa. Okay. What? The name of the city is dildo. The island of Lesbos? No, Maggie, do you know this one?

25:58

Somewhere in Europe? Is it in Italy?

26:02

It's new. blank. Blank. Hmm. Yes. Steve gets points. Yeah. Let's discuss this among us. How many points should he have? 15.

26:17

Negative 10. I know. I know. I was thinking I can give him

26:21

50 You're up to 40 points. Now. Stephen. What do I get the end of the day? Well, Candace is ahead of you right now. Yeah. Okay. Next city. Big Hole. No. Yes. No way. Wow. Hey,

26:50

there's a gay. What's the state right above Texas? Oklahoma. for providing that information, I think I should get some points. It's right by Paris. No, it's not.

27:03

Paris is in the middle of Texas. But if it's an Oklahoma

27:11

it's right at the border of Texas and Oklahoma. It's gay Oklahoma.

27:15

Okay. Oh, we have another caller on line three. Hey, Maggie, do you mind if we let you go? Oh, come on. Is it I'm sorry. I'll talk to you later. Thanks for calling. Okay.

27:28

Bye bye.

27:30

Okay, line three. Fine. 444. Nope.

27:38

That's because you let them ring too long.

27:41

Hello. Okay. So what's up with the two and three being all kinds of lit up? It's line four. I don't see anything on line four.

27:51

That's not working. I think they're like gone.

27:54

Okay. This one next city. It's kind of my favorite. San Francisco. Blue ball.

28:10

It's actually sad upset guys.

28:12

Where it sounds like an Arkansas.

28:15

Alaska. No

28:18

doubt in the world.

28:19

It's in the USA. Arkansas. Washington. No, Mississippi. No, no, Atlanta,

28:25

Alabama. No, Alaska. Well,

28:27

we already said it Alaska like California. It's not in a state of Tennessee. No blue ball, Tennessee. Okay. Now it would be Pennsylvania.

28:41

Yeah, it's really cold up there.

28:47

That was really bad. Candace

28:49

was really

28:50

point deduction. No, no.

28:55

Don't the duck points. You get five minus five points for that. 35 I need to give him some points.

29:05

Yeah, just for be really really supportive with my girlfriend.

29:09

Yes. Um, do you have caribou? Caribou is on your shirt. Sir turtles? Yeah. Okay, well,

29:19

29:43

For caller Are you there?

29:47

What's up with this?

29:48

Don't answer the phones for me.

29:49

Okay, okay. That's why all right.

29:55

Okay, hi, line three.

29:59

Okay, Okay, now this is another European things What do Denmark, Norway and Sweden all have in common? Blondes? unshaven armpits Denmark, Sweden and Norway. Yeah this is actually an uplifting question oh no

30:31

sweet they all speak right that's what I was

30:37

David and not this David though not not me but the other day but that's the other David just got it right. Today stay all allow same sex marriage. It's legal. Switzerland, Sweden. Whatever. Yeah, whatever. Oh, look at David he's all trying to catch David up. Yeah, okay. Well, there's two David's down. Nevermind.

31:09

Next question five

31:10

points for being so like. Oh, no, next.

31:16

Okay, Tommy. Tommy. I haven't city for you. All right. Anyone know where the city named condom is?

31:24

I can look it up.

31:27

Nevada. No.

31:30

Oh, Coco chick, Chicago. Washington. Outside the United States. Chile, England. Nope.

31:40

Condom England. I like the sound of

31:44

how far I've had to get America.

31:47

Is it across an ocean?

31:49

Yes, it is across the ocean. It is in the European area. Ireland. Nope, France, Russia, France. Good. I've actually been there to conduct in France. I've been to kind of free

32:03

to intercourse Kenya.

32:06

No, no. The first time I went to France, I stayed with a little host family and we were going to a castle and we pass through condom

32:14

Chateau de condom.

32:16

There is one other story jumping up and down going. I thought it was going to die. Just have to explain you know, that that was a prophylactic in in the US. Okay,

32:36

we have 10 minutes. I'm gonna ask the last question. I'm going to explain the book real quick before you go on a bit of information.

32:45

Break it breaking news, maybe. I just was told that the person who invented the condom is French.

32:56

But you know, they don't call it a condom. They call it crazy about CIF, which literally translates to preservatives. So you need to make sure that you don't ask them if there are preservatives in your food because there's evidence or something different there.

33:12

Okay, what do Tom Cruise Pope Paul the sixth Magic Johnson. Jana Reeves, baby. Michael Jackson. Troy Donahue. Boy, George, Christian, Slater. Rock, Hudson, and Burton Ernie all have in common. They're gay.

33:34

We've all been accused of being gay. Yeah.

33:38

They are. 14 Hold on. No. Okay. They have publicly denied being gay

33:47

Burton or any publicly deny being Yeah, you

33:48

want to hear about it? I do. I didn't know they talked about.

33:54

Talked about killing off Ernie. They talked about it.

34:00

David. David knew the answer to that. He deserves points. 50 That's 50 sound good.

34:07

Sounds good.

34:11

Okay, Burton, Ernie. Why they denied being gay. In 1993, a traveling live show of Sesame Street characters was making a tour of southern United States after rumors began circulating in Mississippi that the puppets Bert and Ernie were not only homosexual, but also actually married. Ticket sales plummeted and panic parents in daunted the offices of Jim Hanson productions with phone calls about the alleged alleged just say that word. Yeah, whatever.

34:50

That's really strange. How can puppets began especially when they have different pets? actually see your brothers right? No,
