Warning the following program contains subject matter that portrays gay, lesbian, bisexual and transgendered people as first class citizens deserving of an equal share of the American dream. Topics like this are known to piss off televangelists backwater preachers. Some talk show host blue haired biddies, several members of Congress and other socially unacceptable outcasts like radical right wing nut jobs listener discretion is strongly advised

But remember, we are here especially for you. So kick back and relax and get ready for this week's edition of after hours.

 06:31

Way

 C Chris 06:38

hola Houston, Galveston and the world. This is after hours. Queer radio with attitude for Saturday, January

06:48

14 14th 2006.

Chris 06:51

I should remember it was Friday the 13th You being here is throwing me off. Oh. My name is Chris Harrison. I'll be your co executive producer for this evening.

06:59

And I'm Jimmy Carper. I'm the other one and I also am very proud to be queer. Ah, and I love being queer to

Chris 07:12

homosexuals. we've perfected it. We certainly have we started off the show with

07:18

music.

Chris 07:19

We did an easy double shot who go down easy by Jeff crasner and take it easy by Eriko

07:28

Rueckert look at

Chris 07:32

luck with an e t t

07:33

is out there what is luck it luck it

Chris 07:37

— you know we had a place with the glitter group there will really get in trouble for the

07:40

name. Yes, we will look at liquor liquor as well. We may play the glitter group later shining glitter shining glitter.

c Chris 07:52

If you don't like the Irish or anything besides the Patrick's Day, it's the fact that we can say shite.

07:57

Anyway, that was Jeff crasner. And he has a wonderful body of work out. I never get tired of listening to that man's music. Never.

c Chris 08:07

I hate the fact where you put that sticker.

08:09

Sorry. It's covered anyway. Well, something's going on. I did not pick up the reading materials tonight. Oh, there's

c Chris 08:20

voices out there. Okay. That's guys voices and gems. And oh, okay.

08:25

Yeah, cuz that's all we have. Here's an early announcement for a performance by our friend Marcy Ray. Or better known as sweet mama cotton. She's going to be performing Saturday, January the 21st. She's going to be doing a house concert at the flashback coffee house located at 1012 Heights Boulevard. The coffee houses open from about 7pm and after my performance, there will be an informal jam for any musicians in the audience. Oh, cool. So oh, that sounds like a whole lot of fun.

c Chris 09:04

And they've let Marcy off the island. Healing from sounding calves

09:11

But for reservations and information, call Betty at 713-861-1064. That's for the flashback Coffee House 1012 Eitz Boulevard to see Marcy Ray Saturday, next Saturday night, January 21. Now something else going on in our community that you need to be aware of is from the Erie seats. Reese's Reese's. I've been corrected on my pronunciation for a couple of years. I know. And I still have trouble getting it right anyway, that is the Empire of the Royal Sovereign and imperial court of the single star and I wasn't reading anything. Houston, Texas. come anyway, voting for Empress is happening Saturday, January the 14th. Later on today at Legacy clinic located at 215. West timer, that's the old Montrose clinic for those of you who haven't realized that they have a new name, it's called legacy. And that's going on until 6pm. And maybe a little bit earlier. So, you know, don't wait till the last minute, because there's also going to be some voting going on in Galveston because the Royal Court does a lot of fundraisers down in Galveston, and somebody was mentioning that, like every weekend, they have a shift down there. So, in fact, that must have been

c Chris 10:51

you now, no, no, I just I've noticed that they do a lot down.

10:55

Yeah. So the voting there is going to be at undercurrent that's located at the 2900 block of Market Street from six to 8pm. Saturday night, this later on today, in Galveston, stop by and vote and go to legacy clinic and stop by and vote. This is a voting a much like we've talked about IC o h voting. These are co presidents, the Emperor and bris who are elected by the community to be co presidents of a worthwhile fundraising organization. I don't know how many hundreds of 1000s of dollars that the Empire of the Royal Sovereign imperial court has has managed over the years it's I don't know that anybody knows it's just incredible. They could go on and on and on and on. This will be their 22nd year I believe. And like I said voting there till six and they are to emphasize running that not an emperor this year. The Emperor says the candidates for Empress are Didi DeMarco, and your friend. Oh,

c Chris 12:16

I don't do anything with the courts. Yes. Yes. I I helped close a bar with her one night Listen,

12:23

I've been trying I was trying to get Lilian on the air. We talked about it and she didn't make a one night and I tried to get a hold of her and because I wanted to get her on to to talk because I know Lillian has done a lot in the community. She's been very instrumental in the Tuesday night bingo. That's held over at Meteor every Tuesday night drag queen bingo, Didi and Marco has also you heard her last week on the air here. She's been involved in Houston fundraising for

the last five years before that she was a resident of Baton Rouge. So two very worthwhile candidates who deserve your vote. So head over to legacy or if you're in Galveston head over to undercurrent, place your vote and now as things go other things going on with IC o h because later on this evening at January the 14th. Tonight Jimena and bris Chanel, cardi a and Duchess saris show lander are going to put their very best face forward. When they host the show. Can you feel the heat? It's an evening of salsa, carnival and all the beauty of Rio at the Copa cabanne. Yeah. And that's later on this evening. A dish over at Mary's and Mary seems to be the place to there's a lot of shows going on over there. lately. I hosted one myself this evening. In conjunction with and in association with vie Countess Kelly cashmere cardi A. We we put on the show called I'd rather be in Hawaii, because that's where I usually am at this time of year. It was a birthday show because Kelly's birthday was yesterday Thursday, and mine was Friday.

 Chris 14:30

So instead of getting laid in Hawaii,

 14:33

we made some money in Houston. About 245 bucks

 Chris 14:40

a night out in Hawaii for you.

 14:44

I go with Stanley there are no nights out.

 Chris 14:48

No Yeah, no. I mean the geriatric Ward does have close visiting hours at 8pm here for

 14:53

careful care. Anyway, you missed the opportunity to see me dressed as I normally The M dressed in Hawaii be afraid? Yes. Yes it was. Yeah. Yeah. I was wearing the the Aqua shoes and the skimpy bathing suit and the Hawaiian shirt. Yes. And that was it.

 Chris 15:20

So the \$240 actually people were rolling around on the floor blinded from the white white lie. No. Then you rolled them.

15:30

That's that's the other thing. Normally this time of year there were a lot darker.

Chris 15:34

Yeah, so it goes.

15:38

Can I come back several shades darker? Yes.

Chris 15:42

But it was a strange at last there for a while so he must get the good spray. Hey. Take out an event coming up here. Conversations with the CFA. Women health and HIV. Presented by Deb Pearson NP whatever the roll N P stands for. It's on Tuesday January 31. From six to 8pm at 1407 Hawthorne, a light dinner and beverages will be provided those who RSVP and you contact Bernie Vazquez at 713-527-8219 or shoot him an email at Bernie at Center for AIDS dot o RG conversation is a CFA but during 2006 was partially sponsored by Broadway Cares equity Fights AIDS.

16:30

Something else that I see your HDS And that's every Wednesday night is the jukebox show at Mary's naturally 30 ish nine. Yes, yes, every Wednesday night and it's every show is different. So it's always fun to hang out there and see what kind of incredible madness is going on. And Sunday Sunday, Sunday, Sunday at 4pm their coat 40 fives are bartending at E Jays. So, if you like to have a little drinky poo in the afternoon, stop by E Jays. Give a tip to your bartender out on the patio and all those proceeds go to the Colt 40 fives. That's just a little something to colts due to. There's another money raiser ah, our intrepid photographer is here with me MLK weekend. Which starts like today Saturday January the 14th the black and blue Levi leather holiday weekend party with DJ Roland Belmar s. I hope that's right. And DJ Jimmy Skinner at South Beach 810 Pacific Avenue Wow. That is yeah, that's gonna be hot. The black and blue ball or boar black people with blue balls. I don't know, get know whatever is going on here. So that's an 18 plus two party 21 plus two drink and we need to shut the door. Because big ROI is here.

Chris 18:21

We need to shout our ROI out there. Yes, yes,

18:23

yes, yes. So that's later on this evening over at South Beach and be advised that the red party is coming to South Beach on February the 11th. guest DJ Chris Cox of thunder pus and I'll say no more by how quiet we can get Yeah.

c Chris 18:49

Well, we're just you know, just trying to figure out how however old he got into that gig. Yeah, Chris Cox get into thunder bus.

18:58

Don't go there.

c Chris 18:59

I went there.

19:00

Yeah. Okay. Theater, suburbia presents Ms. Llinas back yard, written by Jen Villa Rubia. Directed by Alvin Moriarity and assistant director this Suzanne King. Last week, you heard the interview that we did with the theater, suburbia, and a few little excerpts from the play. And that is playing now through February the fourth every Friday and Saturday night at 830 and Sundays to Sunday matinees, January, January, the 22nd and the 29th and that is at 3pm. And let's see here for more information and tickets and all that kind of good stuff. The theater suburbia number is 713-682-3525 Theater. suburbia is conveniently located at 1410 West 43rd at Oak Forest, yes. A little something about mysoline his backyard nobody is a stranger in Mrs. Ms. Llinas backyard. Always out with fresh lemonade. She has a new shade tree and an empty chair just waiting for you. Come join us as we laugh, learn and cry with Ms. Lena. There is no one like her. And I talked with the woman who was playing Miss Lina and she is excellent. This is going to be a very very good play. And of course remember there's the after our special you call in for tickets at that number I gave you 713-682-3525 And mentioned after hours and you buy one ticket and you will get one free. So that is pretty cool there and since theater suburbia is a 501 C three organization we can say that the ticket prices are \$10 \$10 for live theater. And if you're an after hours listener, you can get two tickets for the price of one what a wonderfully cheap date. And you can you can

c Chris 21:22

and well how about winter fast?

21:22

1 21.20

Yes let's talk about winter fest since I lost my train of thought.

c

Chris 21:32

22:04

 22:51

Yes. With Miss Elizabeth, who was a guest on GG segment. Yes, indeed. They've been friends for years. Normally, this is the transgender segment. But we're gonna change things up. We're changing things up. Starting next month, this will be the lesbian segment,

 Chris 23:14

once we tell our

 23:18

Yes, actually, we need to get in contact with her because she doesn't really realize it yet. She thinks it's

 Chris 23:25

May I should say she was on sabbatical, and we just haven't contacted her. So if you're listening, Diane, consider this notice.

 23:32

That's right. It's not next week. It was this week, but we're starting out in February.

 Chris 23:38

Unfortunately, you know, our

 23:40

we just didn't get it together to iron out that schedule.

 Chris 23:44

Yeah. Between that and you know, we've lost now our transgender segment. So attacking say cut and run. No, no. Okay. And Hispanic segment. I definitely can't go anywhere on that one.

23:59

You don't like to cut there anyway.

c Chris 24:02

So we're kind of moving stuff around. We are even things out and

24:07

trying to give you better, better quality shows. And we've we've picked our four best segments for the 130 time slot.

c Chris 24:20

Sorry, you're talking about better and quality and then look at the wall exam,

24:23

who is afraid to turn around once you turn around and find out No, I don't know because it's too scary.

c Chris 24:31

Yes, it is. Yeah, the sandwich boys back. Sandwich sandwich sandwich. Please start queuing up music guess

24:44

that would be a real good idea.

c Chris 24:49

Maybe Maybe we'll leave on the continuous that will have happy little accidents. Just play the whole damn CD.

24:58

Anyone have Dudley's. I didn't mark any of them. Saunders because each one is good. Each one is good. I think you'd

Chris 25:06

prefer his videos.

25:08

Well who wouldn't? Let me see let me see.

Chris 25:12

Yes, that's right up your alley you wish quit licking the CD cover. We're going to put it back.
Doug

25:20

Lee has been in Houston twice now and

Chris 25:25

haven't been able to drag him in yet. I know. Which one which one?

25:31

Just anyone. Like I said,

Chris 25:33

oh, let's go with the one with a really cutesy happy little song title. That we're gonna play now

25:40

what this is from the CD called

Chris 25:43

the Billy white acre sessions plus. And so I picked the cheerier song title I could find dead bird
dead bird fly. This is after hours queer radio with attitude Oh, is that as long as the end 35
seconds of static,

26:05

believable. It's very strange.

Chris 26:08

That was our triple shot tribute to be sociality. Fast. That's right. I said it. Lovely. Lovely. Look. You know, I just I decided now if they're gonna bitch and moan about us, I'll give them they will that I picked the wrong time to turn on his mic boy. No

26:28

kidding.

Chris 26:31

That we started off with Dudley Saunders. Myself funnier than usual. Dudley Saunders with dead bird fly. Follow that up with Sean Ryan.

Jimmy Carper 26:47

dead bird flies that about the bird flu

Chris 26:52

she didn't turn his mic back on. Follow that up with beat my dog by Sean Ryan. Oh my I'm waiting for his video to come out.

Jimmy Carper 27:02

I'd like to beat his dog.

Chris 27:06

He's paired and wiener

27:07

dog. Gotcha.

Chris 27:14

Chris 27:17

Oh, sweet. And then finishing up with Veronica Klaus. And bye bye. Blackbird

27:22

says latest issue of the gym is out. Yeah, I saw that next week. They will be a year old. Can you believe it? That this publication has been around for a year?

Chris 27:35

Can I just when I say this? Turn the page.

27:39

And I see in the Mary's that exactly do they call that the gym that we're talking about? I'll put on some headphones.

Jimmy Carper 27:47

I can hear you.

Chris 27:51

Apparently you couldn't hear him trying to talk

27:54

gay entertainment in the Montrose magazine. Yes, Mary said advertise the jukebox show that we that we the jukebox show and the show that Kelly and I did earlier this evening. And also mentioned the sister bar of Mary's which is Michael's outpost, which is now a piano bar. So if you'd like singing along at the piano that is the place to hang out. Nice. Nice crew over there. Nice Nice nice. We're able to

Chris 28:24

handle four roses on the piano better than tulips on the Oregon. That's their slogan. Michaels outposts four roses on the piano, Mary's tulip on the Oregon

28:38

have an article about that anti gay minister that we talked about last week. Yeah, you also know once you turn that thing down, I don't want to hear people eating on the air. He wasn't

eating he was drinking. I don't want to hear that either.

 Chris 28:54

You need to look over on page six and see if a little phrase they're using it sounds familiar to you

 28:59

six. Yeah. Let's see here. I love the Jim. Were calling something

 Chris 29:04

in the quickies.

 29:07

Oh, yes. Well, we don't have a copyright on it to print. We do the after hours quickies several times a month, which is interviewing and an organization a quick and quick interview for about 10 minutes right in the beginning of the show.

 Chris 29:30

Drinking at 7am to 611 Go breakfast

 Jimmy Carper 29:37

Yeah, tomato breakfast of champions. Ooh, that's scary.

 29:43

Gin and Tonic. That is scary.

 Chris 29:46

At least get again as you know it's strong enough to be a meal in itself who Papa Dale was their little Mike

 Jimmy Carper 29:54

with the right added ingredients deserve me? For some people

29:59

go i I see where are the nuts? That Hey,

c Chris 30:06

he's just reading headlines.

30:10

What can I say? Where are the nuts?

J Jimmy Carper 30:13

If you haven't figured that out at your age Happy Birthday, by the way. Oh, thank you. Let me say that on the air since it is your birthday,

30:24

January the 13th. I'm 58 years old.

J Jimmy Carper 30:28

And it's Friday the 13th. Nonetheless, I

30:31

turned 13 On Friday the 13th. So it's a lucky day for me. Has Has anybody here seen Brokeback Mountain?

J Jimmy Carper 30:39

No, not if I can have Oh my

30:43

god. It's the most beautiful movie I have seen in a very, very long time. Let me put it to you this way. You have heard me talk about Stan locks on the show. Right?

Chris 30:58

Oh, Stanley Stanley. I'm sorry. Usually the shortened version. Through him. Yes,

31:02

we've been together. 27 years. He's a Jewish Republican, gay, Jewish Republican. And you know, I

Chris 31:09

talk about really hating yourself.

31:13

We saw it together. We were both crying. Both of us

Jimmy Carper 31:20

what? Whoa, wait a minute. He showed emotion.

31:22

Yes. Yeah, I'm impressed. Is that good? He fled your turns in an academy award performance in this thing. He was incredible. It's a very subtle film. It doesn't move very fast. But you've got this gorgeous Wyoming. backdrop that that's in almost every frame. Just really, it's a wonderful film. We couldn't believe

Jimmy Carper 31:55

I am so sick of hearing about Brokeback Mountain. It sounds funny.

31:59

I cannot sing its praises enough

Chris 32:02

noise and Roy

32:05

cannot sing its praises enough. It is a beautiful beautiful film.

c Chris 32:11

I was just looking here where the where it's playing here in Houston.

32:16

We saw that the River Oaks yeah

c Chris 32:17

Wow. The Critics Choice Awards already have given it the nod for best film Best Director and Best Supporting Actress.

c Chris 32:54

The best lot of Best Picture ones there and the Golden Globes next week, as was Wednesday. And on Monday. I think,

33:01

you know, this is an independent film. This is not this is not big budgets. It's

J Jimmy Carper 33:08

not big Hollywood.

33:10

No but they've got you know two big Hollywood stars in it.

c

Chris 33:15

Well now focus is

o

33:19

on focus focus pictures,

c

Chris 33:21

focus features is the the compound here a because there's all that controversy of Jean shallot. And he didn't like the film.

o

33:34

You're kidding What's wrong with him?

c

Chris 33:37

There was a big there's a big stink about it because it's a personal

j

Jimmy Carper 33:39

claim. Just

c

Chris 33:40

and yeah, there was a lot of talk about that and they were making a comment of the fact that it was a he's because he's worked for NBC and an NBC owns part of focus. Oh, I think if I'm remembering correctly as I typed in

o

34:05

I'm just reading here there's a movie review view in this week's gym by Keith Vivio. who is a member of ICAO he was last year's Emperor no year before Emperor Paulo Ember two Wow.

c

c

Chris 35:02

As part of the NBC Universal family so it's it's one of those love how they have like, you know, a touchstone film you know? Yeah. Originally Touchstone used to be the the small independent thing. It's actually Disney it's that sort of thing Oh

J

Jimmy Carper 35:19

be the the they're so nice and calling them families net Oh, we used to call them conglomerates

c

Chris 35:28

it is kind of that but it's you know it's with media consolidation the way it is.

J

Jimmy Carper 35:37

It's getting more and more your information from less and less sources. Yeah.

c

Chris 35:44

I've always, here we go. Yeah, focus. fetchers is part of NBC Universal. So yeah. It's Vivendi, universal entertainment. So I

J

Jimmy Carper 35:56

c

Chris 36:00

I'm waiting for his picture to scroll back because all I saw was about a hand on a crotch.

①

36:05

You didn't even see that in the film?

c

Chris 36:07

J

Jimmy Carper 36:11

A different film entirely.

o

36:17

o

36:25

Is there is a brief, very brief scene. Oh, alluding to sexual behavior. Oh, well. That's what it is.

J

Jimmy Carper 36:37

But at least they could have done is had some tongue.

o

36:40

It's not. It's not about the sex. It's about having Romae. Right. And there was some time but I'm

J

Jimmy Carper 36:48

sorry. This this this. People have sex. Gay people have sex straight people have sex by people have sex. It is a natural part of the human process. Dagnabbit the least they could do is go more than a second and a half on a screen.

37:10

Well done, which takes place in the 50s For one thing, people

J Jimmy Carper 37:14

were having sex in the fifth day and Wyoming. People were still having sex in

37:19

Montana. I don't know Wyoming, Wyoming but gay sex in Wyoming in the 1950s. So that kind of let you know something there.

C Chris 37:36

Well, you know, sometimes the the cows kicked back or ran away so they had to do what they had to do.

J Jimmy Carper 37:42

Yes, back then when when they beat you half to death and tied you to a fence. It didn't make all the local news because Exactly. It didn't matter.

J

Jimmy Carper 39:12

Because you know the rest of the world could give a hoot about South Beach until there was an Andrew Cunanan running around killing gay people and becoming the gay serial killer. And all of a sudden now we have a bar named South Beach which is nowhere near South Beach.

c

Chris 51:38

You know how scary it is when he says it's time to go to music and I'm the one picking the music I know

51:46

I made some suggestions but as usual, he's ignoring them.

51:50

No, I'm not. Oh,

Jimmy Carper 51:52

I have is taking them all into deep consideration before he takes them off. Yes.

Chris 51:58

Only CD that I have played that you did not put on your list that you put in your little pile? Yes.
Was Veronica cloud.

52:05

Oh, well, that's fine. You can play anything by Veronica class.

Chris 52:08

But you know in that weird you know there's a kind of thing I used to do when that when I filled in a couple times on esoteric adventures I like to go with those themes

52:18

so I know which one is this I know I'm gonna be sorry I asked but

Chris 52:26

when I contribute to this fine I keep saying about you know, \$3 pansies three baggy pants and I keep wanting to stop in and national was \$5 pans ago. So I'll go with the Triple Shot a pansy division.

52:39

Ah, you can't go wrong there of course that's only gonna take about five minutes

 Chris 52:46

actually, you know that we could go wrong with panzer division because I didn't see what number I just spun the dial.

 52:51

Oh my god. No, don't do that. We'll make

 Jimmy Carper 52:57

one funny you don't look like anti entity. Look like Tina Turner

 Chris 53:04

says I just spun the dial and I remember you're listening to dead air

 53:11

newest CD really?

 53:14

CD release. They're putting

 53:16

in a a retrospective disk of their work.

 53:20

Oh, where are they now? Since I own everything they ever recorded? No and that includes

 Jimmy Carper 53:31

really need that

 53:33

tape which is the very first thing they ever recorded.

 Chris 53:37

No, they probably recorded something in a bathroom stall they used as a demo

 Jimmy Carper 53:43

sappy on a 45

 53:46

I didn't read it. Final I know. Anyway

 Chris 53:58

was a Groovy is a groovy?

 54:00

They seem to think so. Sutton was groovy. Something was groovy. That was five shots of pansy division. Now

 Chris 54:09

we didn't go for the six pack. Well, besides a song I'd cued up. We played to death.

 Jimmy Carper 54:13

Okay. Been a six pack in here. That didn't involve like, plastic holders. No,

 54:21

no, no, I've done a romanovski and Phillips concert before.

 Chris 54:27

Yeah, that was back before I became a part of the show. Yeah, well, when I was the listener sponsor, which you'll have the opportunity to do in a couple of weeks.

54:34

Yes, as a matter of fact, beginning of February I won't be here the winter membership drive you won't be here for the first week but you know you're gonna get it the second week bitch.

c Chris 54:46

I'm hoping to get the first week

54:53

well, so what all did we here for benzene division

c Chris 54:57

who treats you right? Receiver Kate Joma smells like queer spirits certainly does. No protection. And groovy underwear.

55:07

Yes, I caught that one.

c Chris 55:08

And though a sixth one of that was, well, if you've listened to us long enough, and you know, well, the time that we're talking about Brokeback Mountain I usually play

55:17

Oh, cowboys are secretly fond of each other. Yes. Actually, it's, it's, it's not an original song by them. Can I just say it's an old cowboy song?

c Chris 55:31

No. off your mic.

J Jimmy Carper 55:34

Can I just say that? There's, it's amazing how many queer songs we can relate to that movie. It just seems like we can manage to pull out of somewhere a song that can that can take that can be that can relate to relate to Brokeback Mountain,

C

Chris 55:56

or you can pick any movie. Yeah, I was gonna play. You can find some way to segue in anything here. Everyone talks about the movie is target was touched by Joe Campbell. ABC alley section. See,

J

Jimmy Carper 56:11

the Ishtar could actually see that movie. No. I've never seen it. And when somebody tells you it's the worst one of the worst movies ever made. You just don't want to see the movie.

Ω

56:22

No plan Nine from Outer Space. It is so bad. It's wonderful. Yeah, but Ishtar is just bad so that it's just bad. Yeah.

C

Chris 56:34

I've got to find the next part here for the three

J

Jimmy Carper 56:39

and you know, I love sci fi fantasy movies. So yeah, things like plan Nine from Outer Space and just they're they're so horrible. They're classic.

Ω

56:51

Yeah, what are we talking about? Brokeback? Yes. Okay. In the in an article for in Houston voice front page by Ryan Lee. He starts out despite Keith Ledger's critically acclaimed acting in Brokeback Mountain. It's not interior entirely convincing when his character Ennis Del Mar defiantly insists, you know, a queer. What makes the statement difficult for some audiences to accept at face value is that Ennis says it right after he inject, twist, engage in decidedly queer sex. Now I have to take I have to take exception to that. This movie. Starts out this this love affair starts out in the 50s in Wyoming. And people's sexuality was defined a whole lot differently than it is today.

J

Jimmy Carper 57:58

I don't know I do I get

58:01

to work. Yeah, men were expected to get married and raise a family no matter what. And they did gay or not. Yeah.

J Jimmy Carper 58:09

That that? Yes. But that didn't mean they were any less queer. They just had to, they were just more expected to follow a certain

58:22

code of code of conduct. Well, you know, this, this question makes any less code this question comes up in the gay community a lot. Well, it's the first time they have sex there's, there's not you know, they're their romance grows over the years, is how it works out. And the sex is a kind of spur of the moment type thing after a drinking bout where we had where we heard this before?

J Jimmy Carper 58:52

But as the opening I don't think

58:55

having sex with the man, one time makes you gay. Any more than I think that a gay man having sex with a woman one time that makes him straight? It's not where you put it, it's how you relate to either the same sex or the opposite sex. It's, it's the emotion that you want to be with. Are you more comfortable with? What turns you on?

J Jimmy Carper 59:30

The under that kind of a definition? A large percentage of the world would be considered pansexual.

59:41

Yes, or bisexual which is is actually the definition that I put for both of these two men, since they both had families and children. Oh no. I

J Jimmy Carper 59:58

have a Of course, some of us didn't have. Some of us didn't live through the 50. So I

1:00:06

will I did. Yeah, well was very, very, very, very little of the very Yeah. What you were there. Yeah, I

J Jimmy Carper 1:00:13

mean, it's and even in the time I was a kid you know, being queer was still not

1:00:25

the early 60s were the same as the 50.

C Chris 1:00:27

Yeah, potty always gave Ralph mouth that kind of an eye so I think there was queer right. Joke. The hat for a minute, I will set his real name of Anson Williams

J Jimmy Carper 1:00:43

here right? Hello. What's really disturbing is that they recently had late last year they or something like that they had the happy days. 30th anniversary

1:00:56

C Chris 1:01:00

Okay, we're gonna talk about queer television. Yeah, is the new show called crumbs? Crumbs crumbs. Fred Savage. Oh, yeah. plays a gay claw. A closeted gay writer. I heard that I read about that. My dreams of the 90s have finally come come. Yeah, I watched the first episode is hilarious. Was

J Jimmy Carper 1:01:24

it good to him in the New York minute,

1:01:25

what was it on and what station? Oh, it's

J Jimmy Carper 1:01:33

was one of those

C Chris 1:01:34

certain Wednesday night. posts that I was last night was Thursday night. And it's NBC I believe.

1:01:43

No. Okay. See, so seldom watch curtain play 13 anymore. You know, it's

C Chris 1:01:50

it's one of those that if you like older television, you know, it's this weird mix, you've got William devayne. So you got Knott's landing from the ad. Wow. Jane Curtin. Yeah. Saturday Night Live, Kate now. Fred Savage from The Wonder Years and the other guy.

1:02:07

Like a guy.

B Bobby 1:02:08

Recycling or recycling the ad is this old sitcoms,

1:02:12

but it says

C Chris 1:02:13

it's this weird thing of William devayne. Is the father who cheats with a restaurant reviewer knocks her up. And the mother goes a little crazy. tries to run him over. Okay, so sound familiar. I really put it like

1:02:29

that happened in Houston.

c

Chris 1:02:31

Clara Harris meet six feet under. Because Fred's house comes back from Los Angeles to help in the family restaurant. After mother gets released from a psychiatric ward, where she met her she met a boy. Her boy was this large black man. Oh. And so and Fred's not out to his family and it's just this weird thing. But you know, he's, he's, he's got a fag hag even. Oh, is she herself as his beard from from high school? Prom. Gotcha. So it's, it's a different. It's a different kind of show. And you know, it'll probably be canceled in three weeks. But it's, like I say, I saw I heard the thing saying that you crumbs was gonna have a gay character. And I'm watching it. And it starts off with Fred Savage. In bed, and he's talking to his mother who's getting about to get released from the nut farm. And she's asking him about his girlfriend. and out pops this guy from the from the bathroom. Hello, running his hair. And actually, I think we got to saw Don jumping into the romanovski and Phil's gonna be a perfect song for that. Because it's also his his lover is also his therapist.

o

1:03:54

c

Chris 1:03:56

THAT'S BECAUSE WE HAVE IT IN THE HISTORY, WE GOT IT DOWN. DOWN IN THE GAY SECTION...

c

Chris 1:04:17

Wow. All those and we've got what? So I've done anything with John yet. What are the things that where music is?

o

1:04:25

I put the gay section together. Thank you very little. Several years ago, no one's added to it. I might. I might add, so to speak. Well, if you would add

c

Chris 1:04:37

then you would be adding to it.

J

Jimmy Carper 1:04:38
