SPEAKERS

Lujack Tyler, Tom Richards, Jimmy Carper, Kirk Keevert, [Music], Speaker 5, Scott Lewis, Ray Hill

- R** Ray Hill 00:01
But what do you remember now what you don't realize is that that before Montrose crossed Westheimer now you take that for granted that right where Montrose dead ended into Westheimer was a gay bar by the name of May Brits. Were the flamboyant queers used to hang out and none of them use their real name.
- S** Speaker 5 00:23
And wasn't there an FES pink elephant?
- R** Ray Hill 00:27
Yeah, the big elephant was right down at Evans lasted for years. And we had drank so much that she was dead for three days, and nobody noticed.
- J** Jimmy Carper 00:34
I couldn't believe it.
- S** Speaker 5 00:35
Three involved.
- J** Jimmy Carper 00:37
Yeah, Jay, I love and miss you.

S

Speaker 5 00:40

Well, I feel the same. We we've exchanged notes from time to time. I'm very interested in what you have to say this is something that I've seen coming and didn't know what to do. You know. So I'm glad you're telling us what-.

R

Ray Hill 00:52

Well, I wish I the local number for ALF to leave messages for me to return actually ALF. Although there's a lot of wonderful people that are supporting the effort. It's one of those things that right now I've got the reins of okay. But if anybody out there is interested in that you can leave a message on liberal to middle goods telephone. 9460808 is a local number. There's also an 800 number, but I don't remember it 9460808 In the 713 exchange. Additionally, if you're interested and want to attend meetings, there will be a meeting this coming Tuesday at 2pm. At the Ritz Cabaret, that's not Rick's cabaret but Ritz our ITC cabaret. And Ritz Cabaret is after the off of the edge Brook exit on the Gulf freeway south will the Gulf freeway only goes one way but go on paths Gulf gate and pass the loop and watch for the Edgebrook exit.

J

Jimmy Carper 02:03

What is that again?

R

Ray Hill 02:04

That's Tuesday at 2pm. By the time you get up.

J

Jimmy Carper 02:08

Yep, that's right.

T

Tom Richards 02:10

Is that a breeder bar or what?

R

Ray Hill 02:12

It's absolutely a breeder bar and what we're going to be doing there and-.

T

Tom Richards 02:16

I never been in one of those for a long time.

R

Ray Hill 02:18

They've got woman with as few clothes as possible in there. And after you see a few of them closer you wonder if they got older brothers.

T

Tom Richards 02:36

If I can find a ride, I'd be more than happy to go.

R

Ray Hill 02:37

Well give me a holler and we'll see if we can't worry about because I'm gonna be there. But as a matter of fact, I'm preaching that day. So good to hear that. But let me tell you it is Scott telling us of the ACLU and gay and lesbian Political Caucus has been attending those meetings and it's very interesting. There are a lot of people in the gay and lesbian community that understand the association between the issues and and what I've got to say is it always starts with pictures in 1930s. And if you read my essay in the Montrose voice, you've already run across these lines, so forgive me for forgive me for recycling my line. But in the 1930s in Germany, they used nude pictures and sexually explicit pictures to shock good indecent Lutheran Germans into doing something about the problem. And then the police began to gather up the pictures and burn that shortly thereafter, they took Magnus Hirschfield library, burned it along with pamphlets from Pentecostal and Jehovah's Witnesses church, we were not alone. That's right. And when they started running short of books, and they started burning the people in the ovens, all right. So it always starts with pictures. So if pictures are so offensive in shock, your consciousness, you've got to understand that if you believe in the kinds of freedom that are outlined in the Constitution, especially the First Amendment, it's only 30 words, read it, constitution of the First Amendment of the Constitution, United States, read that and understand that it does not say what kind of press and what kind of speech and what kind of people can associate and interact. It doesn't say what kind of religion or lack thereof is protected. It says all of these things are protected. And if we compromise in the case of one, then we opened the door to compromise in the case of everyone else. I had a lot of heat. Whenever the Klu Klux Klan wanted to march down Westheimer and the ACLU didn't defend them. I took the other side I absolutely defended the Klu Klux Klan right to assemble and demonstrate and redress their grievance even at the heart of my own community. Now we had a nice party farther. Oh, we They got their we played here come the clowns, and they got cheerfully mooned. As matter of fact, I like that part a lot. I wanted to get out in the middle of the street so I can catch the pretty moon in pictures. But nevertheless, if they were pictures, they would now be illegal. But you have to defend the first amendment for everybody or you can defend the first amendment for nobody.

J

Jimmy Carper 05:23

That's exactly right. That's right. And we've got to do it. This is time for coalition's.

R Ray Hill 05:28

Actually, it's time for us to take a break. And I really appreciate your attention to your audience. I enjoy the company of these fine people. Jay and Tom, you've both got my home telephone number. I'll talk to you later. All right.

J Jimmy Carper 05:40

You're listening to After Hours queer radio with attitude on KPFT Houston, and KEOS College Station. We're going to go to a piece of music from that wonderful movie. Beautiful things. It's by the Mamas and the Papas. Okay, we'll talk okay, we'll talk I was gonna go to another dish. Because that that is really the strangest soundtrack I've ever seen. Because everything on it is by the Mamas and the Papas.

S Scott Lewis 06:13

Well, if you haven't seen them, maybe have no one of the little. It's again, and I know people have heard me talk about this movie before because I had a listener come up to work. Did we get passes to that in the back? No. That's because she brought him to me at work. And I left him at home. But I have movie passes when you're kidding me? You have passed? Yeah, she brought him to me. I don't know how many I have. But we could give a couple of way and watch it. Oh, wait, I'll just mail him. Tell tell folks about this movie. It's the thing that frustrates me about this movie is that it's nothing in the movie because the movie is wonderful, but that it's a BBC television movie. It played on TV in Britain. And yet here it's a rated R film.

J Jimmy Carper 06:53

Well, Scott, you know, some TV movies here are playing in theaters in Europe.

S Scott Lewis 07:00

Is that Jack Wolinsky? Right, teasing, but anyway, right. But no, my point is being that it's ready to heart. Isn't that cute? It's about these two little boys. He's like 15, 16 years old in high school. They fall in love, and it's coming of age and learning that you're, you're gay and or that they're gay, and that they're in love and stuff and shows one of their butts, which is, you know, maybe that's worth the seven bucks right there? Well, no, it's quite a lot of use of the F word. And you wanted to-.

J Jimmy Carper 07:29

Fit right there in like a working class neighborhood.

S Scott Lewis 07:32

Right? Very, that's a polite way of saying it. And right at the beginning, one of the funny things

right at the beginning, they're in there showing how he doesn't want to be in gym class. And so he's like, taken off read it. And the teacher is brand new, it's the coach's first day. And he looks at one of the other students and says, what's that kid's name? And they said, Hugh, and they said he what and they said Hugh Janus. And so the guy is the kids running across the field and the coach the whole time is going Hugh Janus, get back here right now. Hugh Janus. Hugh Janus has come back here right now.

J Jimmy Carper 08:07
Name Hugh Janus.

S Scott Lewis 08:09
Hugh Janus. So that's a hate. But it's a fabulous, really neat, neat movie. But the reason why the music is from the Mamas and the Papas is is that the little girl that lives next door. One of these got one of these kids is like a drug dealer, like a social drug dealer, and ecstasy in there. They'll go to these parties and you know, give me an e and this little black girl that lives next door who is just wild, and she'll get whacked out on drugs and turned the Mamas and the Papas all the way up and think she's Mama Cass and just start screaming and saying it and put on all her mom's big gowns. And Mama Cass I didn't you know, of course we all know she choked to death on a sandwich and I think she like she fell down and was she was so awake. She couldn't get up or something. But anyway, so she choked to death on a sandwich. But one of the interesting things I didn't know about her is that she was hit in the head with a pipe and they said that Intel she was never a singer she couldn't sing and she got hit in the head knocked out with a pipe and after that she had the most beautiful voice your kids which is true I thought it was just something for the No it's true. Well this little black girl is screwed up on dope it's party hit me in the head with this pipe as hard as you can I want to be able to say mama Gus. So the other thing is it not only is it's a coming of age but it has a happy ending. It has a really neat ending very almost. This is the way you would want it to be if you're coming out because everybody the family everybody is supportive, accepting it's really neat, wonderful film. Highly recommend it. And the music's great. I didn't realize that the Mamas and the Papas did and Mama Cass Monday Monday, California dream and Dream a Little Dream of me. They were all there.

J Jimmy Carper 10:00
Do I have all the originals?

S Scott Lewis 10:02
On 78?

J Jimmy Carper 10:03
Hey hey hey.

 Scott Lewis 10:04
On eight track. Jimmy has eight track in his car.

 Jimmy Carper 10:08
Bad No, but I love the music of Mamas and Papas. It was a wonderful kids have a great voice too. And then there was spank better than that.

 Scott Lewis 10:17
Yeah, that's making arguing. Yeah. Well, yeah, like 20s or 30s.

 Jimmy Carper 10:25
No, no, no, that was another group that was Mamas and Papas like.

 Kirk Keevert 10:28
Yeah and there for a while after after Cass Elliot died. Spanky McFarland of Spanky and our gang. toured with the Mamas and the Papas. Oh, in her place.

 Jimmy Carper 10:41
Oh, I remember that.

 Kirk Keevert 10:43
A plethora of information or no?

 Jimmy Carper 10:45
Trivia.

 Kirk Keevert 10:46
Yeah.

S Scott Lewis 10:47
Thank you like The Little Rascals.

K Kirk Keevert 10:51
Spiky. MacFarlane in drag saying-.

S Scott Lewis 10:56
You fully lost me.

J Jimmy Carper 10:57
Spanky and our gang was another group exactly like the mom was in the pop right and that was her was a large woman named Spanky McFarlane. Yeah, I got Spanky McFarland.

K Kirk Keevert 11:08
Same, same same name.

S Scott Lewis 11:11
Same name. He lives he was I grew up in this little town right outside of Dallas Fort Worth and like two little towns over is where the Spanky McFarland was from.

K Kirk Keevert 11:19
Garland? Was he from garland?

J Jimmy Carper 11:21
I don't know.

K Kirk Keevert 11:24
Spanky.

J Jimmy Carper 11:24
I have no idea. I have no idea.

- S** Scott Lewis 11:28
What are y'all talking? Where's my headphones? I can't hear the damn thing she's saying she's probably read me and I don't even know to come back.
- J** Jimmy Carper 11:35
There's so much great music on this though.
- K** Kirk Keevert 11:37
Like that would be hard.
- J** Jimmy Carper 11:39
Gosh, gosh, gosh.
- S** Scott Lewis 11:41
You pray to be hard. You see United cab driving by they're like waiting to see you need a ride. I heard you it's a slow night.
- J** Jimmy Carper 11:52
They hear you on the on the radio and hear me on the radio. around the block.
- S** Scott Lewis 11:58
It's after one What the hell she's still doing in there. She's given me the cab in a minute. You know what, speaking of what were you talking about? I can't remember. Oh, pop. You know, I read that article. I read this article in what's it the guide magazine about this thing called the Accu Jack? Oh yeah. Have you heard of this? It's like \$750 And it's like this little vacuum cleaner kind of thing and you slide it on your whatever member and it like does it all for you? And it's supposed to be like the closest thing to reality. Well so I read this article from this reporter who said that the company if you will actually really do a review of the machine the company will send you a machine to try out for like a week. Hey, I did it. Yeah, so in fact Jack's list in my address is teasing but KPFT he said you could never you would have to like live alone.
- J** Jimmy Carper 12:54
If you said that here he would be worn out.

K Kirk Keevert 12:56
Oh yeah, who knows who didn't.

J Jimmy Carper 12:58
I know but you.

S Scott Lewis 13:01
Didn't Jew Don Boney stole the show here but anyway. They you could never use it you couldn't if you'd like had a roommate or something you wouldn't use it when they were there because when you turn it on this it sounds like a vacuum cleaner running that's not the most private thing. Damn it was that Miss Lewis is added again vacuuming.

J Jimmy Carper 13:23
Vacuum carpet.

S Scott Lewis 13:24
She vaccums three times a day. What's that all about? You know, things have gotten so hectic. We've gotten so popular Kurt that they've got a Houston police officers outside now. Just guarding the cars he listening is to actually have actual Houston police officers outside guarding the building. Are you Officer Friendly? Are they may be waiting for us to come out? We don't know. Right. Jimmy was a branch committee in a former life. Do you want to do you want to do that? Yeah. Is it ready? Oh, it's ready. Already is it'll ever be filmed a film or in Europe now? Because their career just really went down the toilet here in America can't do anything. Nobody care. That second album was like the first album reworked. But Michael, they went to Europe and they went to London and the Westminster Council, I guess you have to go before this council call the Westminster Council and do your show before you can do it there. Well, like for, you know, inappropriate or whatever. Well, the West out that Bill knows. Exactly. And the Westminster Council banned them and said you cannot do your show here. Well, so they okay, they-.

K Kirk Keevert 14:42
Allowed Frankie Goes to Hollywood to do whatever the hell they did in bars all over England.

S Scott Lewis 14:48
So they moved just outside the Westminster district and because it had been banned, it was ...

like a huge sellout like five days in this big theater. Well, Michael White who did old Calcutta old. Who, I'm looking at you. So I settled. Oh, Calcutta came and saw the show and turned it into a musical and so yeah, so now there's this whole musical called Voyerz with a Z. Based around their album. It's about this woman called Jane who comes out as a lesbian and goes to New York and goes to the sex clubs in the hole, whatever, whatever. So anyway, this thing is fascinating is huge in Europe. They sent me the original cast recording album, no kidding. I mean, it's huge. Five months sold out there. They're back here now they just called me a friend one of the girls called me and women excuse me, called me and they are back here until January taking a break they go back and do Voyerz for another six months sold out run then they're doing a year long tour of Europe, which is already sold out. Can you imagine but they're gonna have a new single in America. It's called stepback-.

J Jimmy Carper 15:58

I'm really glad for them.

S Scott Lewis 16:00

I'm glad they're in Europe. It's it's not going to be released here until December but they sent me a copy of it it's called step back at first baby here it is-. Are you on AV? Did you put in the wrong side to do that not rewind? The hell? It's not rewind. Oh, damn. Yeah, rounded at home. But Jimmy was pushing all the wrong buttons. Which is ironic because your husband says that about you? That you push all I know-.

J Jimmy Carper 16:35

I know what happened. It's the font. No, I'm telling you. I put this in at the beginning of the show. And this this this thing is, hey, the board is wired up funny so that if you put if you put somebody on the phone-.

S Scott Lewis 16:49

Yeah, I'm kind of wired funny too.

J Jimmy Carper 16:51

It turns the cassette player on. No, no, no, it's true. It's true. And so that's that's why it was yeah, whatever.

K Kirk Keevert 17:02

You said I'm making this up as you go.

J Jimmy Carper 17:05
After hours, KPFT Houston and KEOS College Station

S Scott Lewis 17:18
Need a step back across the ocean? Stay there? Yes. And stay there. What do I get tired? It's very European. In Europe. They're very 140 beats a minute. Like they're all on ecstasy.

K Kirk Keevert 17:36
There's a there's a guy in my office from Russia. He's like 23 and and I was just interested in what kind of music he liked to listen to. I love to go down to like Shepherd, US Shepherd leopard like ship with like, a like share like ship and like Aida and all that straight crap. I like to go to the bars, to the to the consorts there and I like dance music a lot. Which is just so bizzare for me.

S Scott Lewis 18:06
For Russians to get a record rack or what I Yeah, yeah, anything that's different. I have a lovely racist story about the owner of record ra chio Lovely Jack. Friend of mine. He's a Hispanic DJ goes in there to buy music and Bruce Godwin's behind the counter and he allegedly this is all hearsay allegedly he allegedly This is not confirmed or fact but only alleged you know I haven't been in trouble any libelous I haven't I haven't heard that whatsoever for he allegedly started making comments about a referendum in California to about the was the illegal immigrants and and making English the only language and so on and so forth. And so if you shop at Record Rack and have a problem with someone who may or may not have allegedly made some racist comments, you might want to shop it somewhere else. And I would also inform you that doesn't Bruce Godwin on numbers.

K Kirk Keevert 19:12
Yes he does.

S Scott Lewis 19:14
Well, but what what is what is what mic Are you on there? Lee?

K Kirk Keevert 19:18
Jack seven, seven.

S Scott Lewis 19:21

 Scott Lewis 19:21
He's on 777 We're taking me with the mics on me. Okay. Okay, there we go back to seven. Sorry.

 LuJack Tyler 19:31
Well, at least you know, he spoke to him. I spoke to him one day I just walked in and said hi I didn't speak to me. I guess he thought I was speaking Spanish.

 Kirk Keevert 19:39
And I lost my mind am I hearing Boy George in the background?

 Scott Lewis 19:41
Yeah, you know I always like Jimmy doesn't do this innovative stuff. I like music in the background just a little low. So fashion forward. Just a little something just you know, so it's not so dead in the background. LuJack he didn't speak to you but LuJack. Okay, and I'll only tell you this because you're sitting down you're black.

 LuJack Tyler 20:01
Oh, who knew.

 Scott Lewis 20:05
If he? If he is, as he has been alleged, then that could be why he didn't speak to you.

 LuJack Tyler 20:13
Maybe I should have told him I was from Russell, Kansas, then maybe he would have spoke.

 Scott Lewis 20:16
You'd have gotten his vote anyway. You know, I'm never going to work for him as a promotions director, am I? So it's exciting going on in the gay world. Have y'all heard about this Halloween house? This Halloween house in California with a reenactment of the OJ Simpson like the Nicole's condo and no. Expect to draw-.

 Kirk Keevert 20:42
Kajillion people-.

S Scott Lewis 20:44
What I think they said like, it was obscene is like 60,000 people this weekend at \$15. I was gonna say probably charging him

L LuJack Tyler 20:52
Are they also gonna gun a gun to have like a scene where like, OJ is found not guilty. And he Hugs em.

S Scott Lewis 21:00
Hugs white men all over?

L LuJack Tyler 21:02
You know, hug. F lee Bailey and Robert Shapiro and the Klan. And did you know, what's your rich white man? Come here? Let me hug.

S Scott Lewis 21:11
Was it who's the one that was just on 2020? And he's like, he Jim Becker Kardashian.

K Kirk Keevert 21:17
Yes. Robert Kardashian.

S Scott Lewis 21:18
Jim Baker was Robert Kardashian. Jim Baker. Because you know, Tammy, they both written books. Yeah. We'll talk about that in a minute. Robert Kardashian is on there. And he says, When I took the case, I did. I believed that he was innocent. And he said, nobody. He said, nobody knows this. But OJ took a lie detector test that we put him through there yet his own attorneys put him through right at the very beginning. Can you not hear him?

L LuJack Tyler 21:45
What what I want to know is why didn't they take a poll of the black community? That's what I want. Because we all think he did. We all know he did it.

S

Scott Lewis 21:51

For the black media that was very on his side, because I only listen to black radio stations. But anyway, so he says to him, he says to this reporter on 2020, whoever, whoever Oscars or whatever, that when he took the case, he believed he was innocent. He said he first started to have doubts when they put him through a polygraph test internally, and he failed it. And of course, obviously, they never released it. And so that's when he first started having doubts. And my question is, if you thought he was innocent, then you know, why did you take all that bag of clothes and that bloody knife and hide it for him? You know, why would you do-.

L

LuJack Tyler 22:28

The money? I mean, it's all about money and power, you know? And that's why, you know, he's now going to black churches across the United States and asking them to raise money for him. I mean, because his book was a bomb. He's broke. He wants to-.

S

Scott Lewis 22:41

His video was a bomb tape. You knew it. They I totally lost that thought, oh, it's gone.

L

LuJack Tyler 22:50

Who wants to support a wife beater? Number one who wants to support a man who would massacre two people for his own egotistical reasons, and then have the audacity to smile when they when the jury found him not guilty? I hope that whatever he has left, if it's 50 cents, they find him liable. And he has to give it to the family of Ron Simpson and Nicole Brown Simpson.

K

Kirk Keevert 23:15

Did you have any any chance of going to jail and.

S

Scott Lewis 23:18

No, no. Just finding stuff. I love Did you see this guy that got dismissed the alcoholic this way? Guy. They dismissed the first the jury isn't it the case hadn't even started. They've only set the initial jury and they're working on the alternates now. And the guy comes back from lunch last night so they dismiss him. And he goes outside and has an immediate press conference. Sloshed. He's telling him yes or leave. I'm just I'm just glad to be off of it. I told the judge I had a gin and tonic in a beer. And I was gonna have another one on the afternoon break. If you didn't see this. Oh, this is all it was.

K

Kirk Keevert 24:06

It wasn't on Dr. Quinn, Medicine Woman.

S Scott Lewis 24:09
Barbara Mandra will play his role in the movie. Barbara Mandrill as the drunken dismissed gitl. And she's gonna sang about it too. Good Lord. I can tell him about it now because it's over. But when I left the house today was on speaking of singers. Oh, but singers are like versus I was on what Dr. Quinn was on Dr. Quinn singer.

K Kirk Keevert 24:43
She was playing she was taking over Chad Alan's role.

S Scott Lewis 24:48
Who tell hell is this Chad Allen.

K Kirk Keevert 24:49
Oh God you missed last week he-.

S Scott Lewis 24:53
I saw the Barbara Mandrell episode sort of. I kind of slept-.

L LuJack Tyler 24:56
Barabara Madrell really was on Dr. Medicine?

K Kirk Keevert 24:58
Yeah. And she played of all things a signer.

S Scott Lewis 25:01
It's like doctor and I've never watched that show in my life. This shows you how sucky television is on Saturday the force, like held hostage.

K Kirk Keevert 25:09
So So So Dr. Quinn has this son who's is Chad Allen right?

 Scott Lewis 25:15
So I hit that see?

 LuJack Tyler 25:17
Older blonde woman.

 Kirk Keevert 25:18
Exactly, exactly. It's cute.

 Scott Lewis 25:20
No I had no. Okay wait, well I have a grandma you watch this show.

 LuJack Tyler 25:24
I have a grandmother-.

 Scott Lewis 25:25
Who handcuffed you to the chair in front of the Shiva satellite dish to like Kirk's mother. No, and I like touch by-.

 LuJack Tyler 25:36
Touch my name. I don't visit on Sunday nights. I like I'm usually and one of Scott's bars. slushed- so I don't watch a lot sloshed. Like the juror.

 Scott Lewis 25:49
Every Sunday night you'll think LuJack is the energy dismissed alcoholic is being paid by LuJack Tyler. Are you dismissed alcoholic juror? Call us right now. We'll talk to you 526-573-8526 KPFT you know, somebody did call earlier and said it says Scott Sharpstown you guys are really great. And I don't know if that was Scott like me or if his name is Scott from Sharpstown Sharpstown. Somebody from Sharpstown. And this was directed.

 LuJack Tyler 26:18

I met him a few months ago. Really? It looks a cute tease. I swear to god this this drunk guy named Scott is walking up to me.

S

Scott Lewis 26:26

A potential juror for the OJ Simpson civil trial.

L

LuJack Tyler 26:30

And so he was big. For I think he weighed like 300 pounds or 6'6 foot four, I think we're like 300 pounds. And so of course, you know, I'm you know, I'm friendly. I'm from the country. So I said hi, you know, what's your name? My name is Scott. What do you work Cuties? You know? And he lives in Charleston, and he's visiting his trans girlfriend right now.

K

Kirk Keevert 26:50

He knows our show!

S

Scott Lewis 26:51

Okay, if you're in Sharpstown, and that's not you, you would want to call and clear that. You would. You would not want that running around about you, Lord? What, you know, I have several questions here Lou Jack, and we stray-. I'm still stuck on the transit girlfriend. Which she would probably do for \$20 If I had, what would you do it is Cuties. Is that where you let go? Is that you're using?

L

LuJack Tyler 27:24

Oh, hang on. I was walking home because I just bought 100 years 100 stores by George Barnes. I love crossroads and I was walking home. And I see this big huge guy stumbling, you know, off the street. So I figured you know-.

S

Scott Lewis 27:34

Get out of his way. I don't want him to fall on me.

L

LuJack Tyler 27:36

Well, not no, actually. I sat down so I can get a good clear picture of him. Maybe he was cute and drunk, you know, and I miss him on the show tonight. And um, you know, he spoke and I saw well he really wasn't so I figured-.

S Scott Lewis 27:46
Big stumbling and 300 pounds and I'm gonna sit down and take a look at him and see if he's cute. who's drunk here Lou Jack You know you're not allowed to come to the station altered.

K Kirk Keevert 27:57
Yeah, that would happen so-.

L LuJack Tyler 27:58
I had a gin and tonic. I thought it could be dismissed-.

K Kirk Keevert 28:05
You can you can have a gin and tonic you just can't decide the outcome of tonight's proceedings.

L LuJack Tyler 28:11
Ok I give up.

S Scott Lewis 28:13
Oh my Lord. Do you wanna do you have some music in there?

K Kirk Keevert 28:17
Yeah, I do. And it's a complete it's a complete change of pace. Little little singer in in Atlanta used to front a band called The God grind. And they were really cool and to their to their members died and so they just didn't perform for a long time. So she got her own band again. And they're they're really Kelly Hogan is her name and Kelly Hogan band. And this is a cut from her CD called soft Picasso kind of a bisexual kind of cool kind of groovy kind of thing like that. Like I said, kind of change of pace, but I like it a lot wanted to share it with each and every one of you.

S Scott Lewis 28:59
Yeah, we know what you want to share with each and every one to share this. Here it is-.

[[Music] 29:03

it was a

S

Scott Lewis 29:16

And then they all think What kind of drugs? Is he really on?

K

Kirk Keevert 29:20

I think we should. I think because I because I can't tell you that while I was coming in tonight. I will actually I can tell you that while I was coming in tonight from OTL. Outside the loop.

S

Scott Lewis 29:33

Oh, you know, I don't go there. So I didn't know what it was.

L

LuJack Tyler 29:36

Do you know I'm black.

S

Scott Lewis 29:41

Blacks outside the loop. There are three of them. There was a commercial the other day. And have you heard about this whole thing? Kingwood Yeah, I love it. Man. Did you read the thing? Did you think about that read the thing in Houston press. City is promoting itself as racist? Yeah, so it will not be annexed by Houston. Yep.

L

LuJack Tyler 30:00

But the city of Houston and we're gonna talk about this little lead up to Tom gift give gives his piece the city of Houston is proving to me that they are willing to bug out any and everybody including the people who live here in Montrose. And so it's not surprising that they want to bug out their way into Kingwood? I hope that the people of Kingwood throwing some sheets, burn some crosses around their own community, not anybody's front front lawn, but just to send a signal to to Houston that we will do anything to make sure that you're on BullGuard your way into our community.

S

Scott Lewis 30:31

And for those of you coming in from Kingwood i 45 North freeway in bound at Quitman. There is an injury accident.

Kirk Keevert 30:38

Fatality. Yeah, I know. I sat in that crap coming in tonight. So there's a girl there was rainbows all over them cars.

Scott Lewis 30:48

Because the Queen's are coming to get sloshed. Well, they're starting early because the great party tomorrow. Are you going to great party?

Tom Richards 30:54

Where's the parking available? Do we have to ride a bikes?

Scott Lewis 31:00

ride is that before we get to the great party, the there is a fatality at this accident. And there's a preacher listening he could say a prayer right, Tom?

Tom Richards 31:09

Oh, yeah, we have this.

Scott Lewis 31:11

We have that a segue or what.

Tom Richards 31:13

Yeah. I mean, Louis, we want to welcome you to the program we really do. Now, let me tell you that Montrose seems to bring these this crap into it. But let me tell you about Lewis's church where it is now. Now Lewis comes about somewhere between 10 to 15 miles from Antoine, you understand 6700 block of Antoine is where Lewis is church is. Now Lewis comes all the way from Antoine, which has prostitutes running up and down the street all night long. It has it has its share of gang activity over there. And Louis seems like he can't clean up his own neighborhood. So he feels like he has to come over to the queers. And tell us how sinful we are. Hey, Louis, you need to wipe your own butt first baby before you take care of mine. But anyway, we want to welcome-.

32:16

He's cleaning butts. Yeah, I know. It's like a dump right now. Yeah.

- T** Tom Richards 32:20
But anyway, Louis, we want to welcome you to the program. And I will put out the challenge again, if you've got the guts, you're more than welcome to meet me at anytime, anywhere. And I will be more than happy to discuss with you homosexuality in the Bible.
- L** LuJack Tyler 32:37
Lesson kicks your butt
- T** Tom Richards 32:38
But sweetheart. But sweetheart, Louis, let me tell you, darling, you're going to have a difficult time because when I talked to you last night, it seemed as though you knew little to nothing about what the hell you were talking about. I mean, when I quoted the Bible to you, and I am not even a Christian and proud of that. And you and you didn't even know what-.
- S** Scott Lewis 32:59
Did you meet him at Cuties. Were you with Lou Jack at Cuties..
- T** Tom Richards 33:04
No, I was-
- S** Scott Lewis 33:06
Having a gin and tonic I believe.
- T** Tom Richards 33:08
That would be a great place to go.
- S** Scott Lewis 33:15
Take an extra 20 Louis. Yeah.
- T** Tom Richards 33:18
Oh, they come for-.

- S** Scott Lewis 33:22
God's name more than 15 minutes.
- T** Tom Richards 33:24
But Antoine is is has has over I mean, I know Lucis church is near West little York off of Antoine. There is gang activity over there. Go lore, and the prostitute-.
- K** Kirk Keevert 33:39
Prostitution there Antoine and little York.
- T** Tom Richards 33:42
Yes. Which which I have no problem with. They can go out there and make all the money they want. I have no problem with that. I'm sorry.
- L** LuJack Tyler 33:49
20 more than 20 down there.
- T** Tom Richards 33:51
But I'm sorry. I know. I don't think so.
- S** Scott Lewis 33:54
Depends on what you get. Probably not what you're looking like Dillards Are you going into the Ralph Lauren section? Are you gonna get a Tommy Hilfiger you want the gas? The gas? You don't want to guess.
- T** Tom Richards 34:07
But please, you're welcome to listen in at any time. And if you want to call, please, please feel free to do so. Matter of fact, if we can bring you out of the closet, that'll be all right to I'd love that-.
- S** Scott Lewis 34:21
Thev have finally finally we've said it for years. And we've all known it but now there's a studv

to back it up and prove it. It was in the Chronicle about three or four weeks ago, that men who publicly and openly can come out against homosexuality and say how bad and evil it is. 80 some odd 87% that they are homosexual.

K Kirk Keevert 34:43

Well, they were aroused by aroused by homosexual pornography. Yeah.

T Tom Richards 34:47

Well, have you seen this?

S Scott Lewis 34:48

What else do you need to do?

T Tom Richards 34:51

That 98% of child molestation is done by heterosexual and the largest percentage of that group are ministers and priests.

S Scott Lewis 35:02

I wonder why were they when I was going to church? That's what I want to know. Have you seen Reverend Lovejoy, his wife on The Simpsons? I mean, if they all look like that it's been so long since I stepped foot in a church. The walls would come crumbling down.

K Kirk Keevert 35:14

But I walk in and ask how much admission was right.

T Tom Richards 35:19

But I want to welcome. I mean, 20 years ago, Ray Hill, and what you heard here a little while ago, brought me out of the closet. We celebrated that anniversary this week with a great party, and a great fundraiser. But anyway, uh, he brought me out 20 years ago. And Louis, I would love to have the privilege to bring you out the closet. So please feel free to call me and I'll be more than happy to put out over the air. Okay.

S Scott Lewis 35:42

Did he get your number off a bathroom on the Record? Or something? How did he-

Did he get your number on a bathroom on the Ripcord? Or something? How did he-

T

Tom Richards 35:47

They were up on the corner again, near Pacific street up there. Last night. I already drove one group. Thank you a couple years ago, but this is a new one that just showed up there. And, and I by chance was with Q patrol last night.

L

Lujack Tyler 36:08

And I really love the leaflets. And they're great to take them from them and look at them and say, I really don't agree with you and then shred them dead in their faces.

T

Tom Richards 36:17

Well, I say these now. Now. It's true that these these two pamphlets I got from Louis last night. I promised you Louis, I would read them and I sure did. I showed it sweetheart. But anyway, and they don't say anything about homosexuality in it.

S

Scott Lewis 36:35

But neither did Jesus some of the things you will do.

T

Tom Richards 36:38

But did you know that that even if let let us assume that the Bible does talk about homosexuality in what six places Did you know there's over 350 were heterosexuality is condemned. Let me let it know that did you lose?

S

Scott Lewis 36:58

One time is ticking. MTCR has some fabulous pamphlets homosexuality in the Bible. It's a series of like six or eight pamphlets. What it says what it doesn't say they are wonderful, nice glossy color. And I went down there and I got a bunch of those and took them down to those church people and said, do me a favor. I've taken your pamphlets take mine and read them.

T

Tom Richards 37:19

Let me tell you about the conversation between Louis and I one thing had happened to him and and you'll get a kick out of this. Well, first of all,
