Yeah, she is part of gay history. Yeah, I have all of her albums and someday I'll forgive her.

L LuJack Tyler 00:26

Tell me a little bit about that.

J Jimmy Carper 00:28

She just went Christian and and not that being Christian is bad but but she just kind of disallowed her gay fans.

L LuJack Tyler 00:38

That sucks.

L LuJack Tyler 01:02

Yeah, on her album. It sucks. She also she also does a duet with Liza Minnelli. What is it? Oh my God. It is. It is a country song. I can-.

S Scott Lewis 01:14

I heard Donna Summer was doing a country song didn't know she was doing Liza Minnelli though.

L LuJack Tyler 01:18

Yeah on Liza Minnelli's latest bomb album. I know- Judy with love I just-.

J Jimmy Carper 01:27

I could never get into Liza..

S Scott Lewis 01:30

I don't want to talk about mama.

L LuJack Tyler 01:32

Well, I'd rather talk about her mother than you know, you know who has so much history and glitz and glamour. That her daughter that that's just like one eff up after another way. Whoa, hey, okay. produce a good record out of Carnegie Hall if they were to sell it to me.

K Kirk Keevert 01:49

I will. I will say this though. And this does sound rather interesting. I don't know if you guys saw this or not. But yes. While while law Julie Andrews goes on vacation from Victor Victoria on Broadway. Which which I hear sucks.

J Jimmy Carper 02:06

She's a bit long in the tooth. Don't you know what she doing playing that part?

K Kirk Keevert 02:13

Who's that? Calling them on the phone? Oh, that must be the pot hurling her you call them black. Anyway. I'm Liza. Liza is is taken over Julie.

L LuJack Tyler 02:26

She'll take over any role while she Do you remember back when the Rat Pack? It was Sammy. It was Sammy Davis Jr. Frank Sinatra and Dean Martin. D. Martin had to leave because his son committed suicide because he was gay or what? I don't know what happened. Who did they call Liza Minnelli? Exactly? Exactly. I mean, I mean-.

J Jimmy Carper 02:45

was she the substitute teacher?

L LuJack Tyler 02:50

I bet she's rode more decks than than me. Yeah.

S

Scott Lewis 02:56

Okay, now wait.

J

Jimmy Carper 02:58

Then-. Let's not go overboard here. Yeah.

L

LuJack Tyler 03:01

Then Shirley MacLaine has had lives. I mean, give me a break.

J

Jimmy Carper 03:05

There was an interview with her and surely Eliza Liza in one has he advocates or something new the money it was. It was incredible, though. I mean, she's talking about how she married two gay men and swear she didn't know they were gay.

S

Scott Lewis 03:20

Oh, Jesus, who could have a three minute conversation with Peter Allen and not know that his throat had been cleaned out more than once.

L

LuJack Tyler 03:30

She also doesn't know today. She also doesn't know that Rachel's is blind that the President proposed Barbra Streisand over her-.

K

Kirk Keevert 03:42

Or that Rosie could stand to lose a couple of pounds. I got us I was at the opening ceremony for the ceremonies for the Paralympics in Atlanta and at performing at the opening ceremony. It was it was it was a has been Festival Hall notes. By now I know is that scary or what? Carly Simon who was fabulous. She looked fabulous. She sounded fabulous. Oh was Aretha big. Reagan house. Nell Carter sighs and I'm not kidding you.

L

LuJack Tyler 04:15

Speaking out with the President. I mean, what? What are Hillary and Bill doing for this woman? They're pretty good. Hold McDonald's franchises and give it a facelift.

K

Kirk Keevert 04:27

it just because they call that whole chicken a fryer don't mean you got to deep fry the whole damn thang right down your throat all at once. And Liza with Izzy Minnelli and the finale while this while this really impressive Paralympic Paralympian, I guess is is climbing up to light the torch. Liza and Aretha are onstage doing this battle of the Divas version of this little light. Oh mine. I'm gonna let it shine. No people were running scared from the stadium.

L

LuJack Tyler 05:03

Up there with the hair ladders with the boys. And do with all the stolen AIDS funding.

K

Kirk Keevert 05:09

Oh man, it was yikes I thought about all that tonight. I was at it. I was out of the state but I heard about all that one.

L

LuJack Tyler 05:19

Well, well what did you think about the closing ceremonies? What sister Al Green and sister and sister and sister little, little Little Richard. Little Miss Richard Little Miss Richard.

K

Kirk Keevert 05:33

have you? Oh, have you? Have you heard the tribute album? West Side Story? Yes, we're Loomis Richard do and I feel pretty. It's the head of the for days. It really does. I love it. I love it. Oh, I love that.

L

LuJack Tyler 05:51

Well, let's depress ourselves and talk about the presidential debates. Okay. Now the first one. I wanted to walk up to both of them and just slap them they were so nice to each other. Oh, wasn't it sickening. The vice presidential debate. I wanted to just take one of those still no parking zones, signs outside and showed up my butt for excitement. It was so boring. But the thought was I really enjoyed-.

K

Kirk Keevert 06:14

You always want to do that.

L

Lulack Tyler 06:17

The third one. I really enjoyed the part though, when when Senator Dole said You know, you know the president you know, I'm against same sex marriages and you know, the President signed that bill at midnight the DACA dollar.

K Kirk Keevert 06:30

Yeah, I thought that was I thought oops lets get catty. You go bitch.

L LuJack Tyler 06:38

That's supposed to mean that the President was having our-.

K Kirk Keevert 06:43

Prince Albert that was I was under the desk giving Bill a hummer.

L LuJack Tyler 06:53

Hilary work well together, you know, you know, lady was smiling with the microphone amount, and, you know, doing her lip service. But speaking of lip service, have you seen Bob Dole when he talks how he moves his lips like a lizard? I bet he really does do lip service to the committee.

K Kirk Keevert 07:10

Oh, man middle pictures. You got to stop that ouch.

L LuJack Tyler 07:14

Why do you think he lost his right arm? It certainly wasn't wasn't-.

K Kirk Keevert 07:21

That Snapdragon just snapped it off.

L LuJack Tyler 07:25

Snap it like a Slim Jim. And what is this about this Indonesian duck? It's a fact. That is a Sikh family of Indonesian people who every election year donate money to candidates to create controversy. Did you know that they gave Bob Dole the same family that that recently gave Bill Clinton a sizable donation they gave Bob Dole in 1988 a donation for his campaign. And so like the hypocrite he is, he is now attacking Bill Clinton because he he now received a donation

from the same Indonesian family. Can we can we get real or what? That's scary. Yeah. And I read in the paper today that a Nixon aide says that dole is too loyal to leave the Republicans and in the paper instead of having a picture of the Crip they had a picture of the crook. Richard Nixon.

K Kirk Keevert 08:20

In today's paper? Yes, that's timely.

L LuJack Tyler 08:22

See. there Richard Nixon tricky dig. I wonder if you really did have a tricky dig.

K Kirk Keevert 08:30

You know, there's just some things I don't want to know. Republican penises are one thing I don't want to know about. Thank you all right. It's something I don't need in my life. Or in my anything quite frankly.

L LuJack Tyler 08:46

Well, I thought well, well let's ask Jimmy about that. You know his husband as a Republican talk a talk to us about it-.

K Kirk Keevert 08:54

Shut up Stanley's a Republican.

J Jimmy Carper 08:56

Yes. It's huge.

L LuJack Tyler 09:01

Why-.

K Kirk Keevert 09:02

Would you would would you settle for anything other?

J Jimmy Carper 09:05

Actually yes.

L LuJack Tyler 09:06

Boot camp.

J Jimmy Carper 09:12

Where are we going with this?

L LuJack Tyler 09:16

Right to the Jimmy Jones. Let's shoot. Let's shoot my secret lover trial man. Exactly where we're going with this. Yeah.

K Kirk Keevert 09:23

I finally got to see finally got to see that on the news this week.

L LuJack Tyler 09:26

Yeah, really? On the Geraldo show.

K Kirk Keevert 09:29

I had it on the Geraldo show. Yeah, not on the news.

L LuJack Tyler 09:31

Well, now that that Geraldo has finally masturbated, the last drop have come over and over the coals body. He's now obsessed with this Ginny Jones murder my secret lover trial.

K Kirk Keevert 09:46

So what did Geraldo have to say about I'm guessing that Geraldo was is displeased with Kenny?

L LuJack Tyler 09:55

No, actually, he's not displeased with Jimmy he's actually psychoanalyzing motives of the

defendant, the guy who did the killing. And so he spent 20 minutes. The first maybe five minutes of his show, he showed the clip, where, you know, Ginny says, you know, this guy has a secret crush on and he talks about the champagne and the strawberries and the and the garage. And the other guy is sitting there laughing, you know, playing it off, and then he rewinds it. And then he stuck. He pauses it and certain spots and starts talking about does this look like the face of a man who has been humiliated in front of the whole United States?

K Kirk Keevert 10:39

Well, at least he's not trying to back the guy up.

L LuJack Tyler 10:42

Well, yeah, well, you know, you know, Geraldo is the same man that says he has a secret crush on Mick Jagger. So yeah.

K Kirk Keevert 10:51

Another mental picture I could have gone without.

L LuJack Tyler 10:55

I've always had my well, you know, I mean, I've had crushes on Mick Jagger.

K Kirk Keevert 11:00

At times, times. He's got great lips. Mick Jagger's got great lips and slug a main one. He could he could suck the rest off a trailer hitch, but I couldn't suck a golf ball through 20 foot garden hose but um, and could probably suck God knows what out of David Bowie.

J Jimmy Carper 11:22

I did it.

K Kirk Keevert 11:25

But, but you know, what is he like? 73 now? Mick Jagger.

J Jimmy Carper 11:33

He's in his 50s?

K

Kirk Keevert 11:35

Yeah, no, he's in his 50s and still popping out kids with that lanky blonde thing? No. Right around here.

L

LuJack Tyler 11:44

They're separating?

K

Kirk Keevert 11:46

Are they? Mick and Jerry are separating.

L

LuJack Tyler 11:48

You don't have E?

K

Kirk Keevert 11:50

Well, I got E apparently I was watching Talk soup.

L

LuJack Tyler 11:52

Okay. I thought that the cable company might have done a random search for the neighborhood. A couple of other cable gave you a pizza party? I guess not. Speaking of trials, this is scandal. Houston T. Sylvester Turner as everyone else. 5.5 million held against Dr. Fino dodge if you look at it as kicked last slide. pistol whipped him his girlfriend got pistol whipped right in front of his right in front of his Montrose home last night. Three African American burglars who walked up to him and I quote the news. Give me your fucking money. No, I don't have any. Yes, you do. Then they persist it to pistol with him and his girlfriend. They're now in the hospital being treated No. Fatal has burned a lot of bridges. Yikes I guess you know.

K

Kirk Keevert 12:49

And you shouldn't know that ain't got no he ain't got no money. After after \$55 million dollars. I wouldn't have no money either.

L

LuJack Tyler 13:01

We're still living in Montrose. Yeah.

K Kirk Keevert 13:05

Living outside the loop. Pretty cool.

J Jimmy Carper 13:10

Okay, so what else? What else is going on?

L LuJack Tyler 13:13

Well, Louis Farrakhan recently had his day of atonement. And what she invited Lee Isla Coco satellite who came in Winnie Mandela was here. Fidel Castro was brought in via satellite, and so was Saddam Hussein via satellite. Wow, calling for a Day of Atonement.

J Jimmy Carper 13:31

What does that mean?

L LuJack Tyler 13:32

A day of world peace.

J Jimmy Carper 13:34

Ah.

K Kirk Keevert 13:35

Although everybody gets a piece.

L LuJack Tyler 13:39

Although the Vice President was on television yesterday morning, and he said that that he's calling for an investigation of Louis Farrakhan, for visiting Libya, Iran and Cuba, among other countries that the United States citizens are not allowed to go. Last week, I saw Louis Farrakhan on television. And Louis said, and I quote him, I will go anywhere that I want to go, the United States Government made the mistake of freeing me and my people in 1863, thus giving me the right to go anywhere that I want to go into the United States. And that if the United States does not want me to be a community leader, and dialogue, to try to bring some peace, some peace about in the world, then they're stupider than I give them credit for being so I'll keep you updated on Mr. Louis Farrakhan, please do. He's such an interesting character. We always talk about him.

J

Jimmy Carper 14:30

He is interesting. I mean, you know, some days I'm looking up to him and other days, I'm really pissed off.

L

LuJack Tyler 14:37

Yeah. Yeah, man. Well, I don't know. I mean, he has a point but I mean, he's also talking to people, likely, Al and Fidel Castro, who worked with the CIA and Oliver North, to bring crack into many indigenous neighborhoods in the United States. That's why we have a crack epidemic. I don't necessarily believe Jimmy and maybe you can help me with this. That drugs that rot your brain like crack and ice were here before Reagan. I think stuff like heroin and marijuana and drugs LSD was-.

J

Jimmy Carper 15:14

I never heard of any of those prior to Reagan. Yeah, never never marijuana. Marijuana. Yeah. Not crack. Okay.

L

LuJack Tyler 15:24

Just say no, you know, Bob Dole is now saying you know just say no, don't do it just don't young people just don't do it. And if you really want to help Dole [www.dole.com](http://www.dole.com) Where am I at now? Let me help me. I've lost my right arm. I dropped it. Where's my pin? Where's my pin?

K

Kirk Keevert 15:45

Oh, drug news, drug news drug news we're talking about drugs I just thought I'd bring this up this this killed me-.

J

Jimmy Carper 15:53

K

Kirk Keevert 15:55

No no it was watch it was watching the news this week and I forget what channel it was I think it was I think it was dos or something like that but anyway had this had this story about the the new drug epidemic sweeping Houston the drug called ketamine or Special K as it's called on the street-. I feel about that I was like- this is news?

J Jimmy Carper 16:26

I've heard of it for years.

K Kirk Keevert 16:28

Now granted and and not not not condoning the use of any illegal substances whatsoever. I tried special Special K once I swear to God, I thought my brain was going to turn into fluid and just pour right out of my nose right there. That good. Jesus God I was like, and you people do so much of this. You get into K holes. People think think about what you're doing. It's ket tranquilizer.

J Jimmy Carper 17:01

Oh lord.

K Kirk Keevert 17:03

You give it you give this to your dog. He's comatose for three days. Think about what you're putting in your body.

L LuJack Tyler 17:12

I need a drink I can handle this I can help Kirk. I cannot I mean-.

J Jimmy Carper 17:17

He's hard he's hard to keep up with.

L LuJack Tyler 17:19

He's a psychotic as I am. Yeah, I think he's slightly more psychotic than I am.

J Jimmy Carper 17:22

Oh, I don't know it's a toss up.

L LuJack Tyler 17:26

Can we talk about Pat Schroeder now so just talking about times-

K Kirk Keevert 17:28

I know Pat. I lived in I lived in Denver for two and a half years and lived right down the street from Pat.

L LuJack Tyler 17:36

Now you know she's leaving the house because she's tired of Newt's SHIT. But recently, I guess she's gonna run against KKK Hutchinson because she's been in Houston the last three days raising money for Sheila Jackson Lee. raising money for Emily's list, you know, which is the group that gets women elected and the house and then the Senate. And then she's going to Dallas next weekend for the HRC black tie dinner. Wow. I mean, she obviously is trying to get some votes to run against KKKK. By the way.

J Jimmy Carper 18:14

That's fine with me.

L LuJack Tyler 18:15

Folks. Be sure to vote. I won't talk to you before the fifth go out. Vote

J Jimmy Carper 18:20

Absolutely. The most important thing you do.

L LuJack Tyler 18:22

Yeah, absolutely. Absolutely. Absolutely. Freaking literally. Bait so coming from Atlanta. A little jock? A little jock news. Do you think that the that the Yankees are gonna whip the Braves into a coma you know.

K Kirk Keevert 18:39

He is a cutie and he just seems like a genuinely nice guy too.

 19:45

John Smoltz, John Smoltz and other braids. That's that's that's up on the cute level.

 LuJack Tyler 19:49

Whatever you say.

 Kirk Keevert 19:50

He's not stunning. He's cute. David Justice is stunning.

L LuJack Tyler 19:54

Well, speaking of David justice, do you watch a E? Have you seen In the awful divorce that's happening between David Justice and who did he marry Halle Berry Halle Berry and, and how he kicked down her door, walk into her house, walk into their house. Yeah, took out all of his clothes, pack them get ready to walk out, she calls the police. They questioned him. He points to if you think about her all this drama, he takes off his shirt and I think he's gonna walk with her and punch her. She starts crying.

K Kirk Keevert 20:27

I left Atlanta too quick.

L LuJack Tyler 20:30

And then I guess somewhere in this it becomes resolved, but then they're on e and they're talking about it. And she's saying, you know how scared she was? And he's saying how all he did was go to her house and knock on the door. She won't let him and so I said he forgets Does he still own half of the house? He had the right to kick his own door down go in and get his clothes.

K Kirk Keevert 20:49

I would agree with him on that one.

J Jimmy Carper 20:51

Trash Trash Trash.

L LuJack Tyler 20:53

J

Jimmy Carper 21:32

It's the city of Southern belle.

K

Kirk Keevert 21:33

L

LuJack Tyler 21:35

K

Kirk Keevert 21:36

They're there yeah, there's there's some real cute man. Atlanta is a city of quite frankly stunning man. But, but boy, how do you better have something to shove up there or they're not happy?

J

Then honey go to Atlanta. There's something.

J

And folks, whatever you do, if you go if you have to shoot yourself up with vodka martinis when you wake up on November the fifth, just to get the heart pumping, go out and vote. This is the most important election of this entire century. Yeah, it is either you can vote to return to the glory days of Eisenhower, Nixon and Reagan.
