K Kirk Keevert 02:55

allegedly, allegedly John venovenous. But

J Jimmy Carper 02:59

allegedly I have talked with everybody and said come by and give your impressions of the 1997 game lesbian pride parade

K Kirk Keevert 03:08

I did see Scott Scott walking in the parade and was this close to going up to him and saying Scott a Saturday night when you're not sick? How fortunate

03:18

but I managed a hateful queen.

K Kirk Keevert 03:22

I managed to contain myself was

J Jimmy Carper 03:26

a wonderful parade.

B Big Roy 03:29

It was was it suppressed everything that I believed that the pride committee or any of us ~~believed was going to happen congratulations~~

believed was going to happen congratulations

J Jimmy Carper 03:35

to pride come to committee for pulling this off. Was it was the I've been in every parade it for the past 11 years. This is the heaviest attended. Crowds were were thickest thieves all the way up and down

B Big Roy 03:52

and enthusiastic. Yes, I was toward the end of the parade with the with the switchboard and the crowd had not lost their enthusiasm at all. If anything, they were ready for it to keep on going. Gosh, I

J Jimmy Carper 04:05

remember. I was right in the beginning. And it was it was unbelievable.

P Peter 04:09

And you were just shining. Ah you are just bask in the glow and people were screaming Can

o 04:17

you save me praise be

J Jimmy Carper 04:22

needs and those light up wrist bracelets? Wouldn't be what I had last

P Peter 04:28

Yeah, I was throwing condoms back at you.

J Jimmy Carper 04:33

And I had two dozen frisbees that were now special people

K Kirk Keevert 04:36

Oh, and I was one of them. Ah, well, I've always been considered special but that's just because

people had to read to me real slow when I was younger that's a completely different matter altogether. Yeah,

∅ 04:51

very different. Very different.

P Peter 04:52

And I'll tell you one what,

J Jimmy Carper 04:54

they were going to do that immediately afterward, but I didn't go out you know have Come here. So I missed out on

K Kirk Keevert 05:01

that Jimmy, of course, one queen of everything.

J Jimmy Carper 05:05

It was fun. It was great. It was the thrill of a lifetime. It was and I made my homage as we went by Mary's. I made the car stop. And I stood up on the back of the car and bowed to Mary's who institution, the National Bar of Texas. There you go.

K Kirk Keevert 05:26

Well, and you know, you were just going off a few weeks ago about the about the mural being gone. I know. I know. And they've they have a new one. Is it all done? I

J Jimmy Carper 05:35

didn't notice if it was all dried. I don't think it's all done yet. There.

K Kirk Keevert 05:38

There's light it's very much pretty much the same as the one before there's no Dorothy and this one. Well, there's no

J Jimmy Carper 05:44

Janice. There's no Janice. That's right. But there is a Fannie, Fannie farmer, the original of Mary's is if you look directly in the middle in the back. There's this kind of ghostly figure. And it's been expanding. Well, how Fanny spirit always permeate Mary.

B Big Roy 06:06

Talking about that. Toward the before the parade began. Yeah, Judy must look down and smiled on us because we had a real rainbow in that suite did

J Jimmy Carper 06:16

a very real live rainbow right before the parade. Yeah. Beautiful. If you were, let's say at the very end of the parade, and you were looking towards se

B Big Roy 06:29

Yeah, yeah. No

P Peter 06:31

can Yes. Oh, miss that. It was beautiful. It was perfect. But there were so many rainbows there. Oh, gosh.

B Big Roy 06:38

Yes. We marched right in front of the other rainbow. Lights. Yeah, so many lights. And it was just like, it was just fabulous. It was

J Jimmy Carper 06:48

and I want to commend Houston Police Department. Constables, right. Wow, what a great job. Those those men and women do patrol. Yes. Oh, gosh, it was great. It was great. And police were there and

P Peter 07:01

they were friendly. And everywhere. Yeah. And

B Big Roy 07:03

they really. And they kept that hateful homophobes from trying to do any more

they really. And they kept their material nonprofites from trying to do any mess.

J Jimmy Carper 07:12

They didn't do anything. For the first time. I just happen to net for the first time we were picketed by some religious fanatics. I'm not even gonna say it wasn't the

P Peter 07:22

first time they were there. There was a group there last year.

K Kirk Keevert 07:25

Oh, really? I didn't see them. But like that would be hard to guess who it was. SB could that be the initials

J Jimmy Carper 07:33

but the thing of it was, I mean, there were there at the beginning. And they didn't even stay for 10 The first 10 minutes and they left. They were paying attention. They were there real early. I got it. I gotta tell you, we were showing our pride and we didn't care.

B Big Roy 07:47

And there were so many mouse ears around. We're

P Peter 07:49

just big enough to encompass them. It's just too bad. They're big enough.

K Kirk Keevert 07:52

I gotta tell you the one time that I was really proud of us was at the Pride Parade in Denver one year. Yeah, that some guy right in front of the Capitol building, some redneck Christian boy just starts going off. I mean, just getting up in people's faces. And the whole crowd just encircled him shaking their finger him going Shame, shame, shame, shame. Nobody touched him. And he finally just weighed y'all and what you know

J Jimmy Carper 08:22

what I noticed is that when our Christian groups MCC our dignity community Gospel Church which had a fabulous yes they did yeah, that's a small group and they're beautiful float and a

tellowship Yes. All these when all these groups went by I heard people shouting here the real Christian

B Big Roy 08:44

and that was really heartening that really that really was there.

J Jimmy Carper 08:47

So you know, when PFLAG went by when patch went by, did you see how huge the hatch continued? Yeah, and

K Kirk Keevert 08:55

you know what I was saying? I was saying outside I was looking I didn't see any I didn't recognize any of the kids that had been here know a few weeks ago. You're right. I was looking at I didn't see any of us all new thing which I thought was oh, cool

J Jimmy Carper 09:07

there and they were all locked in they had a low and walking contingent and it's amazing,

K Kirk Keevert 09:14

man. Yeah, big float with one boy on there who who was dancing and couldn't dance but you know, hey, it was trying you know,

J Jimmy Carper 09:20

I kept saying again when I was as the Grand Marshal going down and I was throwing dates and I kept shouting at people show me your pride and nobody did but

K Kirk Keevert 09:37

a big sign that said show us your your let me see with my shorts leg up.

P Peter 09:44

Did you at the end as the did you like stop and watch other

.. - -- --

J Jimmy Carper 09:48

group? Oh, yes, absolutely. The only I missed that the very the three or four contingents that immediately were behind me, so I missed the crew of June.

P Peter 10:00

See the end willingness to prove

B Big Roy 10:01

Oh, they had a fabulous Yeah, it was cool. It was great. I liked the

P Peter 10:09

out smart crowd yeah see

∅ 10:12

the query? Where are you happy

K Kirk Keevert 10:18

What the hell were those bunny people buying

J Jimmy Carper 10:21

bunnies on the Bayou which is why the Easter group they have Are you sure that's who that was? Well yeah bunnies on the boat. Yeah

B Big Roy 10:28

but bunnies on the boat. I

P Peter 10:29

was looking for this sign on the side of their thing and they have a big fabulous what they have already every Easter most fabulous things in town really

B Big Roy 10:36

big fundraiser

K Kirk Keevert 10:38

There were some stunning men on there. Yes.

P Peter 10:41

You want to see the party downtown at the word fountains area really? Whatever. It's wonderful. I will make an

J Jimmy Carper 10:46

effort to do so what was that? No be Miss that had all the men on it and leotards and they weren't like human scale. Riches. Oh, yeah. Yeah. God, it just took my breath away. Well made me fall to my knees and Oh, good.

K Kirk Keevert 11:04

Oh, like, well, hearing the word the makes you want to fall to your knees and lick something. It takes nothing for you to say rude.

P Peter 11:17

negativity.

J Jimmy Carper 11:20

I'm not saying that's a bad thing. No, no, no, no, no, that was it was it? It was great. Yeah. You know, it's when you come down the street and you make that turn. Right by Charlie's in that group at Mary's Oh 10s of 1000s of people. They're really everywhere.

P Peter 11:41

It was the crowd up beyond the crowd. We

J Jimmy Carper 11:43

started crying three times.

B

Big Roy 11:40

Oh, you're just some bush art. Was the crowds above the curve.

J

Jimmy Carper 11:52

Oh, yeah. Fantastic. Yeah, it did not drop off until after cuties. Really? That was the end. The official end was writing right there. Yeah. And there were still people really until the other end of Qt they

P

Peter 12:05

were much deeper in my watching this year than they were in previous years.

B

Big Roy 12:10

Yeah. Oh, there was there were 1000s in the crowd. There was no not no thin crowd anywhere. I wasn't

P

Peter 12:17

sure if that was because it was a little shorter route. Or if there were just gobs more people.

K

Kirk Keevert 12:22

I don't think it was that much shorter. I really

B

Big Roy 12:24

wasn't that much shorter. It really wasn't

J

Jimmy Carper 12:28

just a few blocks actually. It actually did start at Mandel rather than than rich Richwood. Yeah. Ridgeway. Yeah. Yeah. And then it went beyond and it was beyond where it was supposed. So I went to Taft, let's face it. It really did. And you know, it got sent down there because it wasn't advertised but I mean, there were people all

B

Big Roy 12:48

the way down to a block before the station here is incredible. We are definitely glowing with pride tonight. I am telling you I cannot think of a better way to describe it other than glowing with pride and not just the participants but you listeners out there who may have been out

there in the crowd. You're just as much a part of this you

P Peter 13:09

know, buddy that's in that crowd that's out there listening as they're drowning because I mean to tell you you cannot move in the bar.

K Kirk Keevert 13:16

Oh, I'm sure there's

P Peter 13:19

like an early at Sunday night.

K Kirk Keevert 13:21

Anybody anybody who don't get laid tonight is not trying. Either, either. They're not trying or they're stuck in a radio station.

B Big Roy 13:31

What are the two?

J Jimmy Carper 13:33

I saw so many people that I haven't seen and a very long time and I know I missed even more than that. You know my I saw our our leadership circle member Chris.

B Big Roy 13:44

Yeah, I saw him there. Yeah. And I saw

J Jimmy Carper 13:48

I saw Gary are gay Christian.

B Big Roy 13:51

I saw him. Oh,

K

Kirk Keevert 13:53

yeah, I remember seeing him. Yes, yes.

B

Big Roy 13:55

And I saw my lesbian boss. Ah ha she was there. Good. We did a lot of conniving to make sure I had tonight Let me tell you

K

Kirk Keevert 14:04

I saw a friend of mine who used to be Comedy Sports in his in Comedy Sports anymore. She's not a lesbian. She's stunning. She was with the the decibel the mean decibel. And she's she's she was the one in the in the with a gorgeous body and the big Yeah, she's in that she's in a place very good friend of mine. And it was it was lovely to see Miss Miss Hope she's, I wonder saw

J

Jimmy Carper 14:28

a person I had no idea was gay, who came right up and started and gave me a big ol kiss on the mouth.

♂

14:35

Oh, wow. All right.

J

Jimmy Carper 14:40

He's a programmer here so I'm not going to mention name

♂

14:44

when can get the boy pants.

J

Jimmy Carper 14:46

I've known this guy for you know, eight or nine years. I had no idea. He was gay. No idea.

P

Peter 14:53

Maybe it's not. Maybe it's just caught up in the fever of at all He slipped at the time that kind of gave it.

J Jimmy Carper 15:02

It's amazing. You know what happens on Pride Day? Yes, it is. But getting back to Mary's I think I was talking to Brian Kiefer last night. And he gave me the idea for for doing the salute to Mary's because he says, you know, it's kind of hard to drill tradition because Mary's is a tradition. It has been through hell and high water here. It has always taken the unpopular route, even with the gay community. And it survives.

B Big Roy 15:38

Yes, it is somehow or another managed as

P Peter 15:41

well. And the and the Nelly ribbon staff was at Mary's is she Yeah, she is different than you know. Yes. There were loads of people

J Jimmy Carper 15:51

back in the late 80s. Late 80s, let's say Ada 8990. There is a local singer named Teresa Monet, who sang at Mary's did some entertainment. And she did this she wrote a song about Mary's this wasn't one fan. He was still alive. I've got a copy of it. We haven't if we haven't played this song since buddy Johnston was on the show. And you know, I got to thinking about Mary's and I dug it out because this is a piece of history as Mary's is and I want to do a little mini salute to Mary's let's do it. This is Mary's naturally Teresa Monet. You're listening to it. On after hours. KPFT Houston and KEOS College Station Risa Monet, Marian, naturally,

B Big Roy 16:53

I never heard that before. A little piece of history. I love it. That is

K Kirk Keevert 16:57

God. There's bars in there that are that are. Oh yeah, there's so many bars in there that aren't around anymore.

J Jimmy Carper 17:03

We see Fannie farmer who originated Mary's love Janis Joplin. That's why, you know, the old mural with Fanny and Janice on the side. And Teresa could imitate Janice perfectly. Oh, wow.

I've heard her do I don't have any of that on tape. Dammit. But I've heard her do Janis Joplin numbers that just made you cry? It was so good. So good. To know what Theresa is doing these days? I haven't seen her in several years. Oh, wow. Who knows? I didn't even know she's still in Houston. Love. I would love to know. I would like to get more material.

P Peter 17:49

Really? Really? Did you see the host of political figures? Were also riding up and down the prey? Oh,

J Jimmy Carper 17:56

yeah. She other words.

K Kirk Keevert 17:57

Oh, oh, honey, honey, honey, honey, honey, honey, honey, she looked awful. She

Ω 18:05

She looked like she was she looked huge.

J Jimmy Carper 18:09

She had this kind of flowing pink thing. Oh, this pink.

K Kirk Keevert 18:15

Sort of translucent kind of taffeta ish. Yeah. Oh, it was vile Honey, if your listing was there, but she was there. Thank you very much, Sheila for being there. We appreciate that. Very, very important.

J Jimmy Carper 18:28

And not only was she there, but she, you know, the pride committee. Just Well, let me put it this way. They had a cut off date to get into the parade. And they have to do that because they have to. I mean, you gotta land you got to plan for things. And, and many times in the past political figures and bars and, and other people think, well, you know, it's just the pride parade. And, you know, I can just come in at the last minute and they can accommodate me. It didn't happen this year. And at least really, one political person was turned away.

19:07

Really? Who? Oh,

Jimmy Carper 19:09

no, no, no, no, no,

Peter 19:10

we're not going there. We're not going there

Kirk Keevert 19:12

at all. Until the microphones are off. At

Jimmy Carper 19:15

least one was turned away. But Sheila Jackson Lee, evidently, got her application in on time,

Peter 19:22

as well as Janet Parker's and

Jimmy Carper 19:25

these Parker and George granny s.

Peter 19:28

Yeah, were there. Our next mayor is right. And he was there in the flesh riding down the street when he got I where I was standing. They were MO Yes. Vocal at that point.

Kirk Keevert 19:43

Oh, everybody. I think everybody was the entire time. George has

Jimmy Carper 19:47

always been good to the gay community. Always, always, always. Always.

P

Peter 19:51

I was at a function last night, kind of a pre parade party issue thing, and it was in a private home and there's Probably 100 And some people there. And he was asked to come in and did and was just incredibly, I mean, just put on. I mean, he was just wonderful everybody, you know, well, you know, sometimes political figures can be, you know, he was really cool. And Marian Coburn was also there in attendance. And I was chatting with her and she said, had wonderful, wonderful things to say, though, and I don't have the history in the community that she does. I mean, she knows what's going on Roger for a long time. And she said, he has really been our big supporter since 1979. There's

J

Jimmy Carper 20:35

absolutely, absolutely. It's an interesting thought people were talking and he's not a gay man.

P

Peter 20:41

No, no, no, he's not right. But after he left the party, somebody was saying, you know, it's kind of interesting, when you look at the candidates, and then he's, you know, who would if you were just a really good businessman, who would you put into the position? You certainly wouldn't put Rob moss back or whatever, it may be able to run a business, but he's got no political experience. This guy's been on the council's controller. Yeah, everything else, you know, maybe something. He knows.

J

Jimmy Carper 21:06

He knows how to work your way up.

P

Peter 21:08

He shouldn't just jump in as mayor just with no. And this guy's got a good experience.

♂

21:12

Yes, he does. Really neat guys. Very impressed.

J

Jimmy Carper 21:14

Joining us is Michelle Meyers. Hi. You were marching with the transgender group?

♂

21:22

Yes. This is my first parade in

res. this is my first parade is

 Big Roy 21:27

Well, congratulations.

 21:31

Man. Last year, I couldn't go to the brain. I was like, doing the hospital thing with depression and all that. Yes. Oh, so

 Jimmy Carper 21:39

only a year ago? Oh, yeah. Michelle, you have come a long way.

 21:44

Yeah, things have changed in a year. Certainly has. So this was my first prayed. It was fantastic. I just loved it. Was it it

 Big Roy 21:55

was just the first print you attended. Or the first one you marched him?

 21:58

This is the first one I attended, or marched. There were quite

 Jimmy Carper 22:02

Oh, you transgendered pizzas in that parade? Oh, yeah, more than more than ever before? Much more than ever before?

 22:10

Wow, we got to get out and support the community. The transgender people have to get out and support the community. And it's important for them to be there and marching. Yes, everyone else

 Jimmy Carper 22:23

it is it's important for everyone in our community out there. This this, this is a show of pride. This is a celebration, people, lots of people will say, Oh, why do you spend the money for the parade? You know, you've got breast cancer, you've got AIDS, you've got this. But you know, you have to budget money for celebrations. And what our celebration is pride day. That's it? It is absolutely. And it's the it's like Christmas. Everybody has that feeling of Christmas morning during Pride Day. And damn, I wish it could last all year long.

 B Big Roy 22:57

Really? What was kind of, in a way very disappointing to me as I was reading how that like province town does not

 J Jimmy Carper 23:06

does not have of all places, but it but Provincetown really is a small, small community that that only has a lot of people in it during the summer, and these are transient people.

 K Kirk Keevert 23:19

Yeah. And they're much too busy vacationing. Right.

 B Big Roy 23:24

Right. That's the whole idea. That's, that's, that's it. They don't well, it's a large gay resort. It's

 J Jimmy Carper 23:30

a large gay resort. That's right. And all the population, the big population is people just going into

 B Big Roy 23:39

you know, the, okay, the Pride Parade, doesn't just celebrate our pride it up, but it also celebrates the anniversary of the riots of Stonewall. You

 J Jimmy Carper 23:50

betcha. And that's what a lot of people forget

 23:53

about. And that's why a town in June when it's hot. That's right.

B

Big Roy 23:58

And you wouldn't have you wouldn't cancel the Fourth of July parade. Because it was hot, and you wouldn't cancel the Fourth of July parade. Because our town is just a vacation town and we have transients, I am sorry, as a veteran of Stonewall your point. As a veteran of Stonewall. I myself, I was very offended. And I'm going to write a very nasty letter to the people to that business group in Stonewall. They don't get it what the Pride Parade is about. It's not just your writing Stonewall Provincetown, Provincetown. There you go Got it. You know, it's not just about pride. Yeah, that's right. It does commemorate, which is why it is on this night. I was there and and what can I say other than, you know, yes, hold it in June on June 28.

J

Jimmy Carper 24:54

That's when it happened. Right. And I think we have found the perfect answer in Houston. People complain about the heat during the day. We Hold it at night. And that's when that's when the and it can be a lot more spectacular with all the lights.

B

Big Roy 25:07

And not only that, but it's also closer to the time when we when we did our thing,

J

Jimmy Carper 25:11

because it happened right at midnight. It sure did. Yes. And argue whether it was June 27 or June 28. And because it you know, it happened right around midnight.

K

Kirk Keevert 25:22

Yeah. Well, and you know, we were talking about Judy earlier. Yes. And, and I mean, I've written in more than one place where, you know, a lot of people attribute the fact that Judy Garland had just died. Just recently, her funeral had been that morning, right morning. And a lot of people attributed that to I mean, it was it was gay men sort of bonded together anyway. And, and then these evil cops come picking on us. We're like, I don't think so. Judy was buried today. That's

J

Jimmy Carper 25:58

right. That's right. I have a piece of music to commemorate. We're talking about the seriousness of Pride Day and tune that I used to play on the air and I haven't played in a long time. But I'll tell you what happened. I went to a fundraiser for the that was put on by the Royal soccer and imperial court of the single star who's had a

B Big Roy 26:22

large that's such a mouthful, a

K Kirk Keevert 26:25

large contingent this

J Jimmy Carper 26:26

evening. And Jackie Thorne, who was a member of the court did this song and said this is that you know, when we're doing the celebration, we need to think about the seriousness of it. And I happen to agree and and maybe, you know, made me feel bad that it's been so long since I played this It's by a woman by the name of Leah is Akari Zi CRI. And it's a gay version of glory glory. So, let's do it right now. I give you Leah's Akari on after hours KPFT Houston and KEOS College Station.

put microphones on. Yeah. Okay.

J Jimmy Carper 30:07

♂ 30:14

um Scott I snuck in a friend of Jimmy's.

J Jimmy Carper 30:18

And in the background as Jeff, he's hiding back there. I see what were your impressions of the parade. Now I know you've been to it before but but you were kind of at the beginning of the parade and you were doing video

♂ 30:29

we were over by Popeye and I was doing video I got the whole thing. Everyone kept going beyond the rope barricade, but I still got I was I was really wondering if there was going to be some problems with lighting.
