Ooh, yes, the new music by Jamie Anderson just played a plethora of I sure did. This was feel good music. Jamie Anderson on her new album. Never assume people who have been listening to after hours will remember the menstrual tango. I'm sorry. Why? Yes. Oh, it's a funny funny funny song. But that this is kind of a protest song when they know who we are. And before that we had Tom Robinson off of his latest having it both ways doing disrespect de regime did a very big favorite after hours, things can only get better and we started out with the infamous pussy Tourette with if I can't sell it. Yeah, let a lie everyone hated that.

00:54

Everybody that you

00:55

hated that. I know. I know. I know. Well, too bad. You know, I'm the producer. So Oh, so that's it.

01:03

Too after hours. Everywhere radio with attitude right here I am KPFT Houston and ke o as College Station wherever

01:13

she can do whatever she wants. Because she's grand Pooh bah today.

01:15

There you go. I'm no, but as of next week, I'm nobody again. So

01:19

Oh, no, always be everything to all of us. Yeah. All right, you and Don Gill, Mr.

01:26

Mr. Don Gill is Mr. Everything. I mean, he is

01:30

on stage one time, and they were trying to fish for something to say. And they finally just said, Mr. Everything. Well,

01:39

I mean, he's he's been out there for many, many years putting on organizing shows. Yes, God, God. Yes. Yes. And all kinds of different venues, all kinds of different days. He's, he's tireless,

01:53

but you're out there to honey, and we just love you for it. Well, you

01:57

know, I was talking to Crystal Rayleigh love of the Royal Sovereign and Imperial Court of crystal Rayleigh love crystal Ray, the

02:07

employer or the royal stop a nice out,

02:11

I can do it, I can do it. Anyway, now there is a person who can put on a show. And I learned very well that I may be good on the microphone in the radio studio. But I am no good on stage in front of people. And people like crystal and Dawn Gill are really good at what they do. Really good. I

02:35

..... if I do this you can see one of my best bits since you wouldn't

mean, if I drove you up on stage, one of my next big things, you wouldn't

02:38

I am terrible in front of people.

02:41

It's different when you can see the crowd listening to you. And

02:44

you know what the sacred when you're on the radio, and you're looking, you're talking into that microphone, you're talking to one person and that's you out there, I'm talking to you. And that's what you focus on. You're not You're it's not a big crowd. You're talking to one person, the person who's on the other end of this microphone.

03:07

But there's gobs of people's on the other end, I

03:09

understand. Don't let them think about that. How can

03:11

I understand? I understand that, but it's just, it's just the way the way you think and radio. It's just that well,

03:21

you're just too good. I'm gonna drag you with me. Make you introduce the new.

03:32

Anyway, this is after hours where we're dishing. We're chatting. We're talking about the fabulous, fabulous, fabulous, fabulous.

03:41

And I think if we got to go through the pride guide in the coming times word, fabulous.

03:47

Fabulous, fabulous, fabulous.

03:49

But it was lit. It was there. Everybody was just into fun, like crazy. Stacked very deeply on all curbs all the way down. Everybody having a good time.

04:01

Everybody having a good time. I saw no problems. No people

04:06

just once again, we need to compliment the HPD that

04:10

and

04:12

great job. Yeah, smooth, easy, no hassle on the bus. There. They were everywhere.

04:18

Well, we even everywhere. We even had the dissenters sort of organized into one little section too. And they stay for about 10 minutes and left. Soon as I realized they were being ineffectual Yes.

04:30

Really? I mean your whole big signs it's how are

04:33

you going to argue against homosexuality with a bunch of queers? I mean, no more.

04:36

No more magazine. Things like that. You want oh god yeah, the wrong street.

04:43

I was a it was a bad taste.

04:45

The one sign I found a lot of humor and was Yes, God really does hate homosexuals. And I thought and I here's people like where who liked it? Who liked to profess that they believe in a wonderful, forgiving, loving God and I'm like, okay, he loves everybody. except these little queers over here, because they just don't follow the rules.

05:03

Those are people who give Christians who made the rules, you know, and that's exactly what it is. Oh, and

05:11

you know, after all our dishing last week, yeah, of the of the Southern Baptist Convention, oh, boy tower we ratified in the local paper. I think it was even today about how the majority of the pastors are not going to get up in the pulpit and reinforce this at all. Oh, definitely. There's, in fact, Second Baptist Church used to put together huge, literally huge bus tours to Disney thing. Yeah. He said he won't do it this year. But that's not to say he won't do it next year. Yeah, oh, no. This went on and on and on. Well,

05:45

if we get lucky he'll do it on Gay Day, too.

05:48

Well, we won't get that lucky, but I don't think I'd want it. Oh, no, dear. But just you know, to fun?

05:58

Well, it was, as provided a lot of humor. There were a whole bunch of us with hat who were, ~~you know, standing around going~~ You've just gone through the gay pride parade. What are you

you know, starting around going. You've just gone through the gay pride parade. What are you going to do? I'm going to Disney World.

06:10

Well, and see there's so many other things that the Baptists are boycotting as well. I mean, they're boycotting Federal Express because they use the word package. And they're advertising. Oh, dear. Oh, you know, they're boycotting Christmas because it encourages gay apparel.

06:27

Talking about the right wing, there were two articles that I give, gave Jimmy this evening. And Sunday used to chronicle. One was in the Outlook. And it was a straight man from Pasadena with two kids. And the heading was like Why pick on Disney and he was going on about? They're singling out Disney is one of these and he said, why don't you start looking at other companies like IBM Chevron, there are several other companies that offer same six benefits. Right? Leave I said I'd like to see you all do without their services. Exactly. There's also there was also another article in the newspaper around Dallas, there's a high school that was going in April of next year to Disney World to perform the high school choir group. And they've now canceled the trip because of all of the publicity and everything that's been operated God, so it's going to the high school just

07:23

well, who are they really taking that out on? The kids who would get to go and sang and do something

07:30

and really enjoy their beliefs on them? Right? Well, my high school orchestra and over to play for Disney World during their magic music days. My junior year. Of course, you know, I was at HSP gay so it's not like we could find it's not like we could find a lot of people dissenting to go to a gay friendly place. But it's it's really there's Disney is too big of an animal. There's just too many things. There are too many things that you enjoy that Disney produces, because their thumb is in just about every pie as far as movies, toys, food, recording food, anything.

08:09

Yeah, that's all it's like it was brought up to this evening when we were talking to a friend Jeff and I. Not only Disney, not only IBM, not only Chevron, who would be writing the plays, who would be getting your hair cut, no one would be around to cut your hair. And if you want to go against people, well, yeah.

08:28

Now we'll be able to pick all the bats out that have long. Oh, wow.

08:33

The big point I think is you have this convention, you get people from all over the United States. And with all the problems in the world starvation, disease, couldn't

08:45

you think of something more important

08:49

than one company having one Gay Day? A year? Give me a break?

08:54

How do you solve that problem? Don't go take another one of the 364 days to go

09:02

but the morning paper you're going to be impressed. I mean, all the passages are not really bad. It's down. I mean, it's going well, you know, I wasn't real impressed. I didn't think we maybe should have been I mean, they were all just saying that I talked about something else. Saya real. Yes. Well, there was there was a talk about their people. A little back to parade story. The thing that was just down 90 point. The radio station 90

09:27

We are 90 point we are 90.1 But

09:29

this is another night this is another 90 Or maybe

09:32

96

09:34

The 96.5 MCs 96 Yeah, we're just

09:38

down from in one area.

09:40

Yeah, yeah. Well, it's we're walking by I could hear them going and the hatch group is now passing by and they were announcing

09:47

Yeah, the closure, parade and all that kind of stuff. And this gal that was doing that thing, somebody from behind us in big pink, peach colored hair. err, I mean just to die for. I think it was a blackout but just decked out to the nines, just Oh, God come running up during when, hey, whoever this was. She turned around, stepped down took two steps away from the platform and over the entire pas he goes, Oh my hairdresser just

10:28

got big pink. Speeding red everywhere. It was so funny. Everybody's grave in our

10:37

house speaking of parade and Disney, I don't know if anybody saw what coffee was wearing. No, but missed it. Oh, it was this big, huge rainbow thing and it looked like she used the same pattern that Disney used for the queen of hearts and their Alice in Wonderland. I mean it was it was huge. It was beautiful. It was Hank, she was the 800 Pacific street group. Yeah, they did. It was his mining company heaven and Jr's all got together and did a float together. You know? And of course a PDS had to do their own thing so they could advertise their website. So

11:11

you were talking about 96.5 was there earlier? What happened to one Oh, 4.1

11:15

they were there. They had a van. They were there. They were driving around Maria Todd all perched up on there.

11:21

drove down. Hey, Maria.

11:23

We love you, girl. Oh. You know, I missed the front loader that the mining company used to

11:35

guide you out I was gonna run really appeals here. front end loader.

11:47

You know what I mean? It's

11:49

the leather. It's that

11:51

big. Rubber Aran sweater. Yeah.

11:58

And they would have half naked guys hanging out of it. And I expected to see that going down the street with lights on.

12:07

There wasn't much destruction at night. There wasn't much leather but riches. Did you see their float with the guy that was painting? Yeah.

12:17

Yes. With the leotard thing with it. It's like, Oh, yeah. Man thing or he in law.

12:27

I fell to my knees. Right.

12:28

That made me nervous. That did that was great.

12:32

And they stopped right in front of potpie they stopped

12:36

everywhere. They didn't. I guess they could see that.

12:39

You were ahead of him.

12:40

Thank you. Keep driving. He's looking at us.

12:44

Everyone on the patio was hollering for dessert

12:51

just one little fun thing after another.

12:52

Oh, there was there was a piece in the Houston press recently. It was just remembering this going over the discussion about Disney where they they had a little guide to Disney films. Oh, in the in the Houston press and it was all you know, done up to spoof the Baptist Convention decision and they had all sorts of things. You know, like Peter Pan boy of questionable sexuality steals into people's homes, you know, and takes children off to some faraway land or what was it they had? Beauty and the Beast was interracial relationship with animation encouraging beast reality. Yeah, I think it was it Bambi was gun control. Epic blah, blah, blah, blah. It was really great.

13:42

buting the beast? I mean, I'm glad they I'm sure they probably waited until he turned back into the prints guy because you know, I'm sure he had one you know is the beast. He probably had one. It was like pocket monkey things like

13:55

that. Where are we going? I don't know. I am.

14:06

Oh, no. We must leave Glenn Close alone.

14:11

It's not like the radio station. That

14:13

is it. Time for music already.

14:17

What was that like the 193 Q before it was 93 Q country you entered in a lime green leaves lime green. He always talked about his pocket Wang. Yeah. Okay. They had songs like Peter the Meter Reader.

14:36

Oh, yeah. Yeah. Got it. Oh, good.

14:42

I'm on page 11 of the pride guide. And I've only found the word fabulous once No, not even.

14:48

Oh, no.

14:50

They didn't use anything to say fabulous about No, no, I'm talking about real law. Hey,

15:00

You took up a whole page on page eight but you didn't say anything about Fabulous. Fabulous was only on page one.

15:07

Where was your mind?

15:08

I don't know. Well, you know,

15:11

it was the pumped up on

15:13

Oh, I guess yeah it was the interviewer just didn't quote me correctly

15:22

we knew he didn't he always says fabulous ever you Wow

15:30

well while we're let's say we were talking about all of the wonderful Gay Christian groups

15:37

we were yes yes there were many there were fellowship and yeah they are dignity integrity or northa Maranatha

15:49

gospel community awesome Fabrice little float. Oh they didn't they though that's kind of a

gospel community awesome I have little float. Oh they didn't they through that kind of a small church and I was impressed with that float. Anyway I have a wonderful song are all of those folks that were lower out there with those tacky signs? Give me that. Wow. Jeff Crasner Oh, one the gay me are gay Grammy this year. He's hunky Yes, but he does a cover version song that we have always loved in the gay community guide by Dusty Springfield because we all like dusty Of course. Yes. And you know it just has a whole different meaning when a man sings son of a preacher man

16:43

Oh,

16:45

I'm not even going there.

16:48

I already have prior

16:59

this is State Representative Glenn Maxie and you're listening to after hours on KPFT Houston 90.1 FM.

My ruffian wants to bite me. I gave him one call gaze. And as I really met with her, I said to him, I said, you're arrested. You're arrested, not covered once with me. Walking down the street one day with my girlfriend by my side. She said look at that horrible fistfight. I think I'll run and hide. But instead of fainting. Suppose my smelling salts I drew and dashing mascara on my eyes and to the fray. I flew. So I said to him, You booger. You're arrested. Now cabbage wants with me. We're going to the station and the Saudi shields are key. Now stuff that snickering I insist you horrid hard man. Because I'm a real policeman. Honest to God, I am. Cruising in my squad car last night. I came upon two lovely boys parked in a car. Lobby. Damn, there they are. So I shine my flashlight in the car and I says Okay, fellas, what's going on in there? One of the boys said, well, nothing officer what is sitting here talking, just chewing the fat, you know? So I said, Well, how long have you been parked here? He said about an hour, sir. I said, You mean you've been parked for an hour and nothing has happened? He said No, sir. I said, well, here you get out and hold the place light. Let me in there. Well, I'll never forget my toughest arrest was a bartender big and rough. He says I wasn't a policeman. I didn't look too happy now. But did I bought him out something terrible, right? Then I called his bluff and soldering my kerchief in his face. I said, I've had enough. I'm so mad I could bid. So I says to him with authority of my voice, your arrest your rent and that kind of was with me, but going to the station and authority shall serve hold everything or whatever matter with you said three times the sergeant shield certainty. Certainly I said it three times. Now you mean the sergeant He'll serve to you don't know your English. Well, you don't know my sergeant. I stopped that stickering guy and said You hired hard man. Because I'm a real policeman now honest to god I.

23:02

Okay, I'm riding around in this car. This woman that I'm close to a couple of times a week. I'm noticing she's looking out of the window and noticing other women. How this one looks. isn't their hair. Lovely? What a nice outfit.

23:19

I said bad. What is the deal? You're noticing all these other checks. Maybe you're a lesbian. She looks at me and she says I wish I was a lesbian. Now at that point.

23:37

I wanted to say You mean you wish you were a lesbian because grammatically. But I let it slide. I didn't want to ruffle any feathers. But you know, that sentence that retort I wish I was a lesbian. But kindness stuck in the old models mind. Kind of just stayed there for seven, eight minutes. And this tune popped out I was it was a lesbian and not a hetero, I wouldn't have to mess with men and all their come and go and all that awful facial hair and yucky Mark has molded me in and out ahead I wish there was a lesbian and that I wasn't straight. I would sleep with women only man. It would be great. I could throw away my diaphragm I wouldn't wanna make

24:54

I wish I was a lesbian. I'd like to be a diet guy with Amer Katie Lange Mel Gibson take a hike. I think it would be nice to love something on it wasn't like it was a lesbian wish there was a lesbian that's why this song is sung it shouldn't have to matter how someone is hung other things are more important like man and by the song

Actually a little bit more than this time slot midnight to five. That was Loudon Wainwright, the third on his album grown man that sigh wish I wasn't lesbian. That's I liked that. I liked that. I liked that a lot. Before that we had the queer policeman. We certainly did and started that off with the good homosexual. Hmm,

26:48

I think I know her.

26:52

I'm Jimmy Carper. You're listening to after hours on KPFT Houston ke O 's College Station, and in the studio right now is the one the only John Bennett VDS.

27:04

Ah, how are you?

27:05

I'm great.

27:06

How was it work experience?

27:09

Li lievable unbelievable. I mean, I've walked in parades for 11 years now. And

27:15

it well, it's a little different when they say you're the grandma.

27:19

I know. I know. People are screaming your name. And gosh, I

27:23

think I heard that I was on the patio PS and I heard. Yes.

27:28

It was it was it was fantastic. I wish

27:31

I had to work. Yes. Ah. He was just telling me. I'm so sorry. You missed the party. I said I didn't
they came to pee. Oh,

27:38

.....

that they did that. And we're talking Pacific street.

27:41

Oh, yeah. It was unbelievable. We had a line out the front door. I knew it that way. Wall to wall people from the front door to the fence of the patio. Wow. And I believe they're going to be staying open till either three or four.

27:58

Oh, good. A lot of the clubs are staying open later. It was all

28:01

time we had after hours again. Oh, yeah.

28:05

Back to the days at numbers. Who Yeah, I was there till seven. You mean numbers one was numbers two then but yeah, yeah. It was numbers too early 80s. Numbers one isn't?

28:19

That was earlier that's in California. Now there was a numbers while they're out there on numbers and then

28:25

inside burned out? Yeah.

28:27

Didn't it become Babylon?

28:31

Something like that. And they became a

28:33

breeding. I saw you concentrating in there. What was

28:35

just got a note passed to me for another request for a piece of music. I don't think we have actually we do. It's in the in the CD library if I can get Jim to get it.

28:50

Well, what have you been up to? Other than the parade and

28:55

voting. I've been trying to attend every function that I can. For Pride Week, I managed to get about a dozen of them in that and some of them were two in one day. And you know who like last night was the rain rainbow wranglers at the barn. And after that was the the party at venture in for the leather party that was thrown there. Boy. Was there a crowd there? It's incredible this entire weekend. Oh, no. And it's not over? No, no, no, no, no. Tomorrow we talked about this earlier tomorrow. We have the thing that marries that festival with food, barbecue and games and foods and all kinds of good stuff.

29:45

Have you signed that petition yet for? Oops. There's a petition that we're hadn't heard putting together? Yeah. I'm not sure which organization is doing it, but it's to ensure that we're able to hold the gay pride parade, the art festival and so I want to in the area. Because why shouldn't we? Well, there are several of the, of the new residents out here who don't want it.

30:08

What? Yeah, excuse me.

30:12

They want it to be their nice little neighborhood that they want to raise their children in. Which I don't understand why they can't, you know, raise their children with a little bit of gay pride.

30:23

Well, of course,

30:24

it's about time somebody did.

30:26

But there

30:28

I know, they were against the the West fest. I hadn't heard anything about anybody being against the Pride Parade. That's a new one on

30:37

me. The if I'm not mistaken, the organization they may have been out at. If they weren't out at PS tonight, it will be tomorrow. Yeah, they're having petition signed for it. Wow, I'll be over there. Please do? If not, I can bring the form here. And we can take it back. I can get you to sign it. No problem.

31:02

Yeah, give me a break here. That's, that's an institution? Uh, huh. would

31:08

be one of those groups, too, that people can respond to via internet?

31:13

Yes.

31:14

I'm sorry, say that? I didn't hear that. Would

31:17

that also maybe be one of those groups that you can respond to via internet stating that you do want to keep it there? If you're not able to get it down into theory? Or not out whenever they're doing it? Maybe it's something that could be done over the internet?

31:32

Maybe it's something that could be done over the internet?

31:34

Oh, I can hear you, but not him. Now, I can hear I can hear you now.

31:43

I said maybe it can be done via internet. If someone's not able to make it into the Montrose area. Set up a website real

31:49

quick. That'll be a great actually. That's a good idea. I may bring that up to Jay since he has a website. Sure. You bet. What do you think about this thing up in Dallas, they had this big Baptist Convention? We've been talking about it on banning Disney. Yes,

32:04

I will. We have been raking them over the coals for for that.

32:10

Mickey Mouse. Can you believe they said they said they are that Disney does not promote family value? Oh,

32:17

come on. They have one gay day a year? Give me a break?

32:22

Well, you know, they have to offer that that same sex insurance thing? Because how many gay people work at Disney? Or how many? I mean, how many people you know, that little goofy or Mickey Mouse out? For sure.

32:36

And it's it's not that we've always been there, John. That's the point is we've always been there. But here now in the 90s were standing up and saying this is what we are. We are Americans.

And there's no reason that we don't have the same benefits as everyone else. But we're starting to notice and say, Well, yeah, you're right. And it's these fringe groups, these these extremists that are against it. And they keep talking about family values when family values is what we're extolling Well, you know, the ones who were on the fringes. And they not only that they give Christians a bad name.

33:21

Yes, I do. And yeah.

33:24

I mean, I've talked about this a lot, because Christianity and spirituality is very important for the gay community. And we take it very seriously. And it makes us angry. When when fringe groups like that start giving us a bad name.

33:40

Well, you know, we also, when that first started to happen, we read it. And it was not just geared towards homosexual people, you know, orlagh has been, you know, lesbians, right? It was anyone who was in a relationship that they were not married they could offer. That's right. They may insurance or their benefits. So I don't you know, I don't understand how this went from that to a gay issue.

34:08

Well, these are the people who do not recognize any kind of relationship unless it's in matrimony, you say they want it both ways. They want to deny us the right to have matrimony. And then tell us there's something wrong with us because we don't we don't have a solid relationship.

34:29

Well, I'm sorry, you can't have Wait a minute. Wait a minute. Wait a minute. Let

34:32

us get married anyway. So

34:34

wait a minute, Jim. How long have you been with your other

34:37

19 years? That's not solid

34:38

at all. Very solid at all.

34:44

And and you know, there's a lot of people like me,

34:47

I know. I know. And I know many of them. Yes. I know many of

34:51

you know I've long said that. Here we here we have a marriage rate divorce rate in marriage. are nearly 50% allowing gay and lesbian marriages can only help that percentage. Oh yeah,

35:06

definitely.

35:09

But they can't get divorced they have too much shit that they acquire in their lifetime.

35:14

And besides,

35:15

can you imagine having to split all that?

35:17

I mentioned all the cat fights about who gets what I know it. I know

35:21

it talk because all of them are saying I'm sorry, but we brought we bought that crystal set together. It's mine.

35:27

That's right. I'm not giving it

35:30

just imagine all those original Diana Ross pressings would just oh,

35:34

I would never give those never.

35:39

And not to mention all the leather stuff. I wouldn't give up my slang. How would you do that? No, really? No, it's just as and I'm not cutting it in half. It's just not the side looks like he

35:51

might do. I think you did that with their shorts on

35:55

it cut those in half.

35:56

I love my shores. Whoa. So

35:58

does everyone.

36:01

It made it so easy. The little panel comes off in the front. It's just six using the bathroom. It's all very, very easy.

36:10

We'd be glad to talk about that. If you're going to demonstrate.

36:15

Oh, we're gonna go there, right. Let's see what else you know, Jim Cheek is in the hospital. No, yes. He went into the hospital. He was supposed to build a whipping cage and couldn't because he went in the hospital. You see? I have no idea what I just heard that he went into the hospital and what it is. Hopefully he's fine. Yes. Yeah, I'm sure he will be he's a tough whole thing. Aren't we all? John, you were just told him that.

36:48

You were talking about the Christian group up in Dallas. I found out earlier I was talking about one of the schools up there which is actually in the Carrollton School District. The one who can't go are battling out yeah, they the choir group was going to compete at Disney World April and they've pulled out because of all of that right

37:07

you know it's not the students the students were sad because they couldn't go to school board that decided to pull them out

37:13

right and they even put in there to that it's not always the students choice it's

37:18

yes

37:18

yeah, like a parental authority types you can't

37:20 you see all those boys in the flute section just going I will not put up with this

37:25 really really? Yes. As a matter of fact probably all the boys in general

37:34 you joined band a socialized with all the band fags so

37:37 John looks like he needs more coffee. Yes,

37:39 I do. I don't know who to ask. Would you give me some more coffee? You are You're wonderful. Love your pearls.

37:47 So many colors.

37:48 Do you know what I'm doing? I've long known that John cannot do this show without constant coffee it's

37:53 all well you know you have to have something to counteract all that how damn I drank earlier. Oh, it's hot. It's always hot down and I I'm working I drink hot dies see?

38:04 What is it that you do over there?

38:06

I bought back at PS Oh yes. And I was walking around. I had a headset on so I could talk to the other employees. I was walking around with a little wire sticking straight out because I wanted to poke everyone in the high well you know if you have to carry like ice and beer and stuff through there you know they don't move for you. They don't you know and I really what you're wearing does. Actually if you're wearing something that they really really like they don't move they just

38:36

so that's what happens when your hands are

38:37

full. Stick the antenna out boom Happy Pride Day.

41:16

Leather Queens take just as much time to get ready. They don't have the makeup but when you're putting all that and that I can't hide stuff. You have to butter your legs.

41:27

What's more amazing is all those
