SUMMARY KEYWORDS

french quarter, houston, night, montreux, gay, week, people, avondale, colorado, kathy, lesbian, put, skate, money, patti labelle, blouse, gay men's chorus, roller, plot, call

♂ 00:04

Whoo. That was them then and this is them now it's me, Modine.

♂ 00:20

It certainly is. Your turn turn the. Yeah. There we go. Oh, we can hear each other. Do we have to ditch? Yeah. Yeah.

♂ 00:36

tired old wrinkly old denture wearer to pay. balding. Hateful overhead

♂ 00:50

we're good friends, folks. Really?

♂ 00:53

Only thing I like about her is that monkland Bomber

♂ 00:58

I have every piece of food tasted when I met her present trying to poison me to get my coat.

♂ 01:08

You better leave me then your will? It got better? Because I'll come on to in your death. Dig your app will tonight. Oh, but it's so much fun. No. Well, why are you so excited about the Gay Men's Chorus

01:28

you sitting? It's just I don't know what to say. I'm

01:31

like, I was kidding. I'm sorry. I was I snickering was I giggling?

01:35

It's the thing with me. And it may be because I'm older. You know, I react to this is true. Yes, I react to things differently. Because I remember a time when it was impossible that a group of men, gay man could get together and sing. Because back in the 60s, it was in some places it was against the law for that many gay men to be together at one time. So when I see of Gay Men's choruses that get together, it just, it just fills me. Just it's inspiring, to go to performance and see all these gay men up there singing and sounding really great. And being openly gay about it.

02:23

Sounds like a really bad porno movie. Thank

02:25

you so much. Anyway, the Montreux set former Montreux singers, which are now the Gay Men's Chorus of Houston, are currently seeking new members. So, you know, you don't have to be a great singer. You just have to want to sing. They would, like said, why don't you go? Because I can't sing.

02:50

You just said you don't have to be a good singer. You just have to like to sing now. Do you not like to sing? Or? I don't. I'm not a spotlight person. You know, those teeth are so shiny everywhere you go. It's like a spotlight. Yes, it is. I just see your smile from clear across the room. Did you have to pay extra for that?

03:15

You ain't right. You ain't right. Anyway, gay men. Scores of Houston are looking for new members. Some coral experience preferred but not required. For more information contact David new any you at 6300333.

03:36

That should be a pretty easy phone number to remember.

03:38

Uh huh. I bet he gets lots of tricks.

03:44

We won't get into that. Okay. But what we will get into is a little Patti LaBelle.

03:49

We haven't heard enough of her lately. She hasn't put anything out new in a while except what she did that live CD, which has not been It's been too long since that came out. Well,

04:00

actually, it's only been about six weeks. But you know, when you get older, you kind of forget time and, and and I understand, you know, Saturday nights a walk from the home pitch. Well, then the album will have been out seven weeks. Oh, okay. But we're gonna do something kind of old, which is one of my favorites. It's, you know, they sometimes they say to me, not that old. So, you know, sometimes I talk about how the sequels aren't as good or it's still not as good as the first one or I remember when it was better. And every time and this song kind of makes me think about that. And it's one of my favorite ons.

04:44

too. It's great. It's great. It's great. It's great. Oh

04:47

Patti LaBelle. You are my friend, Paul. And nothing. Yeah, no, I mean nothing.

10

85/83

05.05

8

05:05

Didn't she just Yeah, it's on her live album. And it's great. It's great. But she goes from you are my friend to you have a friend and Jesus and kind of kind of religious for a lot of people. So I understand this just in Yeah, watch yesterday's Chronicle. The gay amendment has been blocked in Colorado, a judge temporarily blocked Colorado's anti gay protection law from taking effect yesterday, while he decides to if he should issue a more permanent order. It was supposed to take effect at 12:01am yesterday. And

05:46

well, I guess I don't understand how that's done. Because I just assume that since everybody voted on it in Colorado, then it's automatically law.

05:56

Well, basically, you can declare some a law unconstitutional as we have with 2106. It's been declared unconstitutional several times. And so and that's the basis with which we're going to get it thrown out. And so that's what they've done here. Suits had been filed declaring it unconstitutional, and they're trying to end successfully at this point, it looks like get it not to take effect on the basis that it's it's unconstitutional. So it's working, something's work in the suits, the boycott, the boycotts working wonderfully. I was reading the advocate this morning. And they are I mean, it's devastating Colorado. It's really hitting them hard.

06:41

A friend of mine and I don't know how he's doing this because I mean, he's not real rich or anything, but he was gonna go skiing in Colorado. Well, honey, he canceled and guess where he's going skiing where? Austria? girl tell me single? He is now. Oh, yeah.

07:00

Oh, can we get him on the phone right

07:03

now? I think he's on his way. Oh, God.

07:06

They have phones on those planes. If he's that rich, he can put a card put on

07:11

his MasterCard. That's the thing. He isn't rich. He isn't rich. I don't understand you know what

sometimes he did cancel become times principles are more successfully, right?

07:21

So if it cost an extra few 100 bucks and might have a better vacation.

07:26

That's what I was thinking of Brian. Last week or so was talking about, you know, seeing this, this queen on the news or something you know, with her \$500 glasses saying while she's going to vacation or party wherever, wherever

07:43

she wants to?

07:43

Well, Ronnie, why don't you go to Austria rich mind playing games better?

07:50

Well. I want to I want to play this one. This is just

07:56

Oh, it is gone. Can we talk about these people real quick? Because God I love when you talk about people tell me some dirt? No, it's not there. It's this group called Houston North professionals. And it's it's a group of folks gay and lesbian people in North Houston, who get together for socials and little fundraising things and stuff like that. It's dead sound like a whole lot of dirt there. Well, you know, it's a lot of fun. They I know a couple of the members and they asked me to talk about gay and lesbian radio. At their meeting, yeah, I got up in front of people and talked. Well, I mean, I can do it on a microphone. But we know with live people. You know, that's scary.

08:37

You're not used to hanging around life people. The parties are usually pretty dead. Ready, where people in your age bracket are usually dead too.

08:46

Yes, thank you. We have a lot of people who listen, not in the Montrose. In fact, most of the people who listen to us are not in the Montreux since

08:54

everybody in the Montrose is at the bars bars, right?

08:57

So if you happen to be in North Houston, and you want a nice social group, give them a call at 8217126 Not right now. Maybe you want to wait until morning.

09:11

I don't know why don't we call them right now? No, I don't think so. Well, come on. It'd be fun. I just love calling people in the

09:18

middle of the night. You just want to do these.

09:22

Jim would let me call the French Quarter and ask them the plot of the movie earlier. I think that would be fun. I think it'd be fun. I think you should call and convince if you're listening right now and you think it would be fun to call the French Quarter and ask them the plot of what's it called Love muscle? Let's call and ask them what love muscle is about if you think we should call us at five to six KPFT and if enough of you call in and demand then on the air between now and three o'clock we're gonna call the French Quarter and ask him what his love muscle about because I want to know because I want to know if I'm gonna shell out. What's it six bucks Is that yeah I want to know well you know when you go four times a week and have a frequent flyer card and you know the bid by name I don't guess they charge you to come in anymore. Well, it's cheaper probably pay you It's cheaper on those \$4 on Thursday I've never been on Thursday so but yeah talk about if you call in right now and demand we could call the French Quarter and ask them what's love muscle about if I'm if I'm putting \$6 on the table

10:26

I think we need to go to another song before I get more embarrassed.

10:30

Well, I want to do this I love this. Oh, I do this Garth Brooks. You

10:34

know, we were talking about not only Garth But Kathy Mateja we were talking about both of them. Yeah. I love the Garth Brooks song and Kathy Metalia has been like she was interviewed in the advocate last issue or issue before last because she is like the the one woman instrumental in Nashville of putting together aids fundraisers right and getting stuff going and

11:00

while she was on that show, what was the name of that show? into the light? Yeah, and she they did a big deal with her about an interview and why are you doing this and everything because it's you know in country music you don't even talk about a exactly and she said she said I she said in my position. I feel like I have to step out and say let's do something and I'll be the leader

11:24

who's just as many gay man and country music.

11:27

Yeah, but they're just not so open about it. Yeah,

11:31

so I think in the future we'll probably play a few Kathy Matteo songs but for right now sir Get with a daddy Garth

11:40

yeah that's right and if you call in we'll get with daddy loved muscle

11:45

of you saying coming from New Rafi just know me when I close my eyes I see the way this world shall be when we go okay King knee

12:22

when the last chop cry for a crushed stone Bri manda for tears the words that he's saying when they're sheltered over the forest Hey. We share the last thing we notice is the color a scam.

And the first thing we look for is the beauty with me. When the skies and the oceans are clean. We share Shall we shall we shall we we received any one way to win this world's begging for all it from Ghana. We worship from our own gun view.

13:40

We shall we shall we shall have a little bit there last time. And by the way Oh Hong says scam me hi and then we shall we shall we shall stand stray Send stray brown we shall we shall we shall

15:27

boy, I just love that song. Why

15:28

do two I really liked that?

15:31

It's country but it's kind of gospel in the background and kind of just kind of I've just kind of like it. I think that's what and I just kind of like the way he looks on the front of this big O CD. Good to do

15:43

that black and white checkered. Big checked. Like four checks, shirt. Yeah. That's cool. So,

15:55

well, I'm disappointed only one person called in and wanted us to call the French Quarter and find out the plot to love ISIL so

16:02

really?

16:04

That's because you were just in the bathroom girl.

16:06

Hey, hey. Not that. Not that. Not that. Oh, well. Nobody, nobody cares. By clearly

16:17

balls. They're all well, maybe somebody could call in and tell us the plot. There's no lesbians out there. I don't know. Maybe it was a lesbian that called in. Maybe one of you that seen it? Why don't you call and tell us what the plot is.

16:33

That could be scary.

16:35

Or you could come over to my place after the show and we could live out the plot

16:38

is this kind of like an alternative to the husband hunt?

16:48

This alternative? Okay, because I've given I got so I feel like I got Why don't want to get into what happened over the husband. Okay, but

16:56

it didn't work. It did not work. Okay. See, now that is a lesson to be learned.

17:01

Not necessarily that it shouldn't come back sometime in the future, but I'm just not ready for it to be back. Okay. But we could have kind of an alternative called, I don't know. Big Daddy hunt or something. But nightstand one night stand hunt. That's what it is. One Night Stand hunt. Okay. So if you're interested in I think

17:24

there's probably some FCC rulings on that. You know, that sounds like solicitation over the

airwaves.

17:30

Soliciting, soliciting. Yeah. There's no sign on my apartment building that says no soliciting. And there wouldn't be money involved.

17:42

I don't think money has anything to do with it.

17:45

Well, I'm soliciting on them for Yeah. Okay, so it'd be soliciting. Okay. So we won't do it five to six KPFT if you're interested in one night stand, so

17:56

yeah, so next on the agenda real quick. Like,

18:00

what is what's going on on Skate Night? Because now you've got hippie over here saying it's their Skate Night. Yeah. And you've got somebody else over here speaking in tongues saying it's their Skate

18:13

Night speaking in tongues. It's Misbah Hawk al Azim who say this? No, I'm not pronouncing that correctly. It's, it's a gay and lesbian Jewish group. And they have services and and they also have a lot of kind of social activities. And they put out this little thing, this little flyer, Skate or Die, that they're presenting roller skating at gay night, Monday, January 18. The trade winds roller rink 730 to 1030 for you know, like minimum amount of money. Bring a friend. Easy to get to all of that kind of stuff.

18:53

There's so am I but that doesn't mean everybody comes. It was

18:56

34th and Highway to 90 next to the Kmart. Well, I don't know that I advertised for that. Who

wants to be next to a Kmart?

19:04

Well, looking at that blouse. Do looks like you like Kmart lately with that blouse on international

19:10

mail. Have you know?

19:13

Well and I'm sure you got it while you were doing one of those international men down at the French Quarter. picked up the wrong blouse. Baby Stanley may hear this. Stanley is on his way to Seattle. true actually.

19:27

Okay, so we've gotten misbehaved. That was him who saying that they're doing this roller skating

19:33

night and we've got hippie over here saying they're doing the roller skating night. So just go skating and it benefits somebody

19:38

maybe it's Jewish hippies

19:40

all that's that could be say every you know train when does all these benefits. I really do think that we need to do a Monday night Skate Night to benefit my sex life. And then I'll go I'll go use the money on Avondale. Do you think I've got to take her home and put her to bed please with someone else right give her you haven't had sex in 12 years you get a little cranky?

20:07

I guess so.

20:08

I know you would No,

20:10

of course not. Oh, if I were only so lucky. What a fun night.

20:14

This has been. This has been a lot of fun. I have really enjoyed it.

20:17

Have you now? Well, mostly Hey, you know, it could be worse. What's the deal here? We have been talking about Kathy Mattia, and yeah, that's her. We're gonna use her as our bed music. Not that I have any use for it, but it needs music is you know, when the stuff that's playing underneath when you're you're talking to us, that means that oh, you know, the show's almost over. And, you know, we don't have that much time. So, which one of us actually hosted the show tonight?

20:53

We both did.

20:55

No, there has to be a host and a co host. There has to be a master and a servant. Oh.

21:03

Well, we'll determine that later.

21:04

I see. Okay,

21:06

we'll just call ourselves co hosts. Okay. It's been fun. It has been a lot of fun. This is this is uh, I'm excited that I got to do this with you. For the first time in a year and a half.

21:17

Yes. I just haven't. I've been doing other things with the show, you know, keeping other parts of it together and you know, doing a lot on the music and and behind the scenes. Yeah. Yeah, there's a lot of that that has to go on.

21:35

I say my sex life has to go on but it hasn't. Oh, well.

21:41

Now coming up next week will be Diane William. Oh, yeah. Where she been hiding out? Well, you know, she moved and she's, you know, she's seeing Karen and I think that relationships going pretty well. So that's been taking up a lot of her time. So you know, she's had a change in lifestyle so to speak. Shana wanted woman no more.

22:04

Maybe that'll happen to me soon. Yes. We can only pray

22:08

can only hope. God. Oh, God. Oh, God, please. So coming up, let's say we've got the BBC coming up at three ish. And then the

22:24

carbon dating game with Harris. Eric. I saw Eric out there a little raspy voice tonight.

22:30

Yeah, you know, it's like he's trying to catch a cold or something.

22:37

Kind of like me. I'm trying to catch anything. He was right. Yes.

22:39

Shall I just drop you off on Avondale? As you

22:45

know, somebody will try to pick me up. Yeah. Maybe you should.

22:51

If you were extra bucks.

22:54

This is great. I could rejuvenate my sex life and make 20 This is

22:59

Oh, they're paying that much.

23:01

Well, these are the 90s Jim, it's not like when you used to. Well, you can't buy a loaf of bread with a nickel anymore.

23:08

You didn't see the cyanide? I carry? Huh? Since since 1955. Still only \$3

23:19

will work for \$3. Okay. Wow. That was you at the corner of San Felipe in 610.

23:28

See, see? That's right. That's right.

23:34

This is this is kind of like a I don't know, a bad relationship. It just kind of keeps going.

23:42

You're waiting for that 5930

23:47

When we left and it's not coming very fast right now. I know. But neither am I.

23:55

Kathy Matej in the background and let's say coming up week after next will be jewel Gray.

24:04

I miss Jo Yeah, I

24:06

miss women. You know, we haven't had any women. Not real wins this month yet, you know, it's been since Christmas time or something

24:17

we're getting ready to have I'm gonna

24:19

have to bring that up at the next meeting. We're gonna have to mix them up boys and girls.

24:26

Boy, girl boy girl, boy girl. Yeah, in between.

24:29

Got lots. That's the problem. We have so many in between see our folks it's, you know, and coming up January 21 through January 29 will be our January membership drive. Now we're not going to push too hard on the nighttime shows. But we do want you all to know that. That after hours, comes to you through the benefit of the station and it takes \$50 an hour to run On this radio station, I mean, very few people and that's really really cheap. But the money has to

come from somewhere and we will appreciate your membership donations Yeah, there you go. And if you want to answer phones or take pleasures and stuff you can call me at 526 4000 during business hours.

25:25

You have been listening to after hours a continuing tradition on World Radio 90.1 FM KPFT, Houston. And now we're gonna go to the BBC News. We'll see y'all next week. Take care
