a lot in there that I personally can identify with.

00:05

I think there's a lot that most people can identify with.

00:08

I think that's why I think that's why this movie is so popular. Then the funny thing is that the night that that we went were when we gave away the tickets for that, and that of course, I was there for that. So then TV Montrose and landmark theory was powerless. It was incredible. I mean, there wasn't a seat to be had. Now,

00:31

in fact, Rainbow came in late and had to sit on the very front row in the and there's just a couple of seats left and the very front row.

00:38

Oh, that's, that's probably one of the worst seats. Well, I was. That was about a third row and it was much better. Yeah. Well,

00:48

so. So the movie is that the Greenway? Plaza Greenway? Landmark, landmark theatres,

00:56

and parking is free. Yeah, it is f r e.

It certainly is from September to April, and they meet at 7pm at the palace lanes on biller Boulevard inside the loop. If you'd like more information call 71352296120. Jimmy don't you do some bowling with him?

01:36

Well, I didn't get on. I didn't. My team didn't materialize this this season. But I've been on the bowling team. Gosh, I don't know six, seven years. I'm not a very good bowler but I go there for the fun. And it is a lot of fun. Oh, yeah. And if you are, if you'd have an average or if you're any kind of bowler at all, or non bowler, just kind of hang out there just show up and say Hey, can I sub for somebody? And

02:15

you'll chances are your chances are Yeah, you'll you'll get an opportunity. That's

02:19

a great way to meet people.

02:21

And if you're if you're like me, and you just can't get out of the gutter, you just kind of want my balls just keep going into the gutter. He doesn't round on that side.

02:30

Okay, I'm not touching.

02:32

I'm getting away from it by the way. Okay, like to maintain that average has free HIV testing and English and Spanish. Every Monday and Wednesday usually from 10am to 5pm. And you can

I want to talk a little bit about a new group on the Internet called the Houston activist network. Han ha en. And this is this group is you can like, subscribe to the digest and get information about what's going on in the queer community on a daily basis. It's great. And I guess let's see. Here it is. The proximity of Houston along with the Houston activist network would like to help you get the word out about your event, as long as the event is for the general community and it's sponsored by community nonprofit, not for profit or commercial group if it has a broad benefit for the community. Now the information will be compiled, edited and uploaded to H A N stash ca I made available to lesbian and gay voices heard every Friday at 8pm right here on KPFT. And after hours, which you are listening to right now and the gay and lesbian switchboard they have some some paper form to fill out and I believe if you will get this web address, Brandon Wolf, b r a n d o n and then there's that little underline between Brandon and well. Yes, okay. Yeah, that'd be oh, well at email dot m s n.com. That should do it.

04:48

Okay, that's our community center in cyberspace.

04:51

This will be bringing you more information about hand in the weeks to come.

04:58

And I would like to wrap up the new Who's with? If you haven't gotten to see it yet, please get out to see shopping and everything. It's the third production of this controversial play. In a world where sex trust and relationships have been reduced to transactions. a lost generation searches for answers. And it varies and it runs until February 14 At the theater lab at 1706. 05:49

And now I've got a little piece of music coming your way before Jason takes over the airwaves with his special brand of music and humor. This is from the stage three album there's been the

With the special brand of music and humor. This is from the Stage three album, there's been the stage one and stage two. Stage one I kinda like stage two, I thought suck the big one. But stage three is really pretty good. It's music that you've heard of. That is sung by queers to queers. And so this is a version of the boy slash Girl from Ipanema. And you're hearing it on after hours. Queer radio with attitude on KPFT Houston and ke O 's College Station

06:48

Hello, hello. You're listening to Jason

06:53

and Chris.

06:54

And I'm not quite sure if this is still the hatch music segment or not? Because you're assuming that you hadn't the only hatchling here and well,

07:02

I'm on my second hatch would we'll call that?

07:06

Yeah, I don't have much time left in this hood. Yeah.

07:08

Well, we're trying to figure out a name for this show, because we're getting rid of Scott Lewis. And if you can hear us over dance music, wherever you're going and tucking a buck somewhere there, Scott. We're taking over from you. are kicking out Miss Lewis, we we sent Jimmy out to the lobby. It's punishment. He's leaving us for two weeks. So he's gotta go sit next to Roy now.

07:28

Sorry about this. He's leaving for two weeks. Where's he going? His

07:31

birthday is coming up next week. Oh, it's got to take the annual trip by Yes. He has to get away ~~somewhere. And he needs to travel to get out the flowers~~

somehow. And he goes to Hawaii to get get the flowers.

07:40

So how's your 99 shaping up?

07:43

Miserable so far. I'm planning a birthday party that I don't know. I'm either going to be in the hospital in the morgue or jail. If everything goes the way I'm planning and

07:54

jail, jail would be the fun or party.

07:57

Well, part of involves a hotel. So I don't know how the jail is going to come in there. But handcuffs would be a lovely birthday present.

08:04

Oh, Lord, I'm not even going to ask.

08:07

Oh, actually isn't it wasn't how your last birthday party ended up? Let's not go there. There was a strip search involved, but I'm not sure if there was a badge with that.

08:18

Well, actually, at my last birthday party, everybody got kind of ticked off at me because I disappeared into the bedroom. But you know, half the people had already left. I hadn't gotten laid in three months. Can you blame me? This

08:31

you know, this is one of the bad things about the show. I'm going to be so bitter at you and jealous Don't be better be better. I don't know the visions of Scott now are coming

08:41

08:41

out Don't make me turn into Miss Lewis on you

08:43

know I'm not talking about Scott the other Scott. Is Cooper. Yes, you can't swing. You can't swing a what's a beaded purse around here without hitting a Scott or a Jim?

08:52

Well, no, Louis or miss Cooper shouldn't be listening tonight.

08:58

Listen, we sent you seem to forgot us. You said you were gonna come back and visit and you don't.

09:03

But there's no bitterness there. None at all.

09:06

We're not bitter. We're better. Oh, I know. I am so close enough.

09:10

New Year getting down. We'll we'll give you some time you'll you'll get there. If you'd like to call us, give us a call at 713526 KPFT

09:51

are not right. You are not right girl. Well, that's just you every time you got a new boyfriend. Anyway,

09:59

I don't get to pick If those things want to go to the bookstore what I'll do you get him out? I mean, I asked you already you won't. You won't share what information what aisles you pick him up at? Well, does he accept credit cards?

10:13

Not mine. I'm out of luck.

10:16

If you do accept credit cards everyone takes KPFT

10:20

Oh, you are not right for that comment. not right at all.

10:23

When you first hit scholarships,

10:26

scholarships never heard it referred to as that.

10:30

Desperation, desperation. I believe we have. We have still have time or do we have to do the little station identification?

10:37

Oh, we've still got time. Okay, we'll play. We've got RuPaul.

10:51

Commercial Free and listener sponsored Easterns 90.1 KPFT. The sound of Texas A Pacifica network station. KPFT Houston que yo s College Station.

11:02

I swear I never know which card is going to be played for that station identification anymore. Oh, don't worry. It changes every week. I swear.

11:09

But we have to try and keep people interested. I mean, two o'clock in the morning. Are you out there?

11:15

Oh, well, we know they're out there because I'm on the air. Oh, police. You gotta love me. I'm waiting for some snide remark to that.

11:25

Oh, I don't know if he stumped me on that one. Well, you got the guys with bars are just now starting to empty. So I think you're your biggest audience. Give them 10 minutes to stagger to the car. 20 To find it

11:39

to be on about half an hour. Yeah, give me about a half

11:41

hour or two. They're totally sauce. Now. How am I supposed to be a secretary on this too? It was rude Paul? Snapshot. Yeah. Hey, I was paying attention for a change. Listen to the show. And who was the first one we played?

11:56

JMS? Discuss that off the air? Well, yeah, we're keeping

11:59

track of them. So if you want to know what we're playing, come and ask Jimmy. So you can try and read my handwriting.

12:06

We have my my actual audience isn't going to be getting out until about 330 or four probably.

12:12

Oh, that's right. You know where all those little hidden places are that?

12:15

Well, no. I mean, Rich's doesn't usually close until about three. No, they don't stop music until about three o'clock in the morning.

12:22

I was under the silly impression they sell alcohol. They gotta close their doors at two. That's where they know you

12:27

don't actually have to close your doors at two. You just have to stop serving it to a Yeah,

12:31

I've heard about that. That little that little black velvet sometimes

12:36

doesn't work. Oh, let's be nice.

12:40

I'll be honest, I have. My problem is I only go to riches during straight night. Which I have to really change that. I gotta quit going with my brother on straight night.

...can't change that. I gotta quit going with my brother on straight nights...

12:50

I don't do strict night. Sorry. can't handle it. Too much eye candy and not enough available.

12:58

Well, that's right. Because whenever you go out you go out on troll.

13:03

I do not go out on troll. I do not. I don't go home with boys. Actually. I don't. I don't we've

13:10

just heard of your escapades up in the the hockey arena and the on the patio. There were tonsil
hockey is going rampid

13:20

the bitterness. I've noticed that there's a lot of bitterness towards me. I don't know why. Maybe
because I'm half your age. Anyway.

13:30

Half your well, pure but he's hitting you nicely. Very quickly. They're almost add that if you're
half my age,

13:37

oh, not quite after age. Just much younger. You're

13:43

not even six years younger than me. No, what do you think I am?

13:49

2627

13:51

All right. What is this ground to a dead halt?

13:54

Yes, it has. That's fine.

13:57

We have not perfected our bitchiness yet. And once we get that down pack,

14:01

because you know it really is a two way street. And you're just not holding up your end of the bargain. I got a lot of oh, I'm not I'm gonna leave that one alone. We'll go on to the next song. I

14:16

think this one's for Walt, wherever you are.

14:19

And I think I know as a junior Vasquez CD and I think about a cued up properly. Oh, beautiful.

14:23

The next one is the one after that. Oh, you're talking about that one? Oh, yes. Well, I

14:28

think this is beautiful day but I'm not positive.

14:31

Whatever it is, you'll listen to it is Jr.

14:33

Vasquez. that's for sure. And it's on the volume. volume two CD. A and B. This is on site B

14:48

Oh, no, that's see. I just thought that was kind of an interesting cute little selection.

14:53

And that was for Walt whatever glass refrigerator you're in right now. That's the one I tried. dedicate earlier and forgot we were doing something earlier we didn't write down our list ahead of time that Jimmy wants we do it while we go along he seems to think this is his other show

15:10

and Jimmy's just sitting here holding his head in his hands and saying what have I done and got

15:16

one button on the center button going yeah well they'll go to the

15:20

tight you know dead air you know it doesn't do any good for him to have his finger on the sensor button because you lose your reflexes as you get older. And so

15:34

I'm getting this look that we are not immune the Queen has spoken

15:42

anyway we just we could be doing this we could we could try and take over the show well no next week is Sarah there's no way in the world we're gonna take over hers definitely could not even we'll plan the coup for two weeks later there when you're still on Hawaii sunning yourself

15:57

two weeks later is the next hatch segment. We'll take their

16:01

past their beatime

16:03

I'm still in hatch. I still have to promote hatch. I can't just totally give them up. But they do have the talk show segment on the third weekend. Third, if you want to call it Saturday if you want to call it Sunday, whatever.

16:17

Remember this is the media world so we're always a day behind. Surprising they allowed us to do new year so when they did what is it past his bedtime and he's going to bed now?

16:28

It very well. Could be okay. We've well. I think it's past Jimmy's because he's getting cranky.

16:36

I didn't have my nap. Oh, I'm

16:39

sorry. I'm just

16:41

having a power nap.

16:44

I can't help it. You need appliances to take a nap in the afternoon. I don't care if it's power nap or not.

16:51

Once again, she does not look.

16:55

Well, folks. Chris here is trying to get the Scott Lewis tasteless award. And he's doing he's doing

quite a good job of it. Hey, I've

17:09

at least watched my language. So you do

17:11

you do have to give me credit. I get I'm catty. But I'm at least classy with my CAD.

17:17

Well see my problem is is I've always been told I should be more tactful, but I never got past tack in the dictionary.

17:25

That does not surprise me one bit or a good pair.

17:30

Okay, we were going to make a dedication now. Yes, we actually have people calling in the lights were glowing poor ROI. What happened

17:37

to y'all y'all stop calling and why you give me a hard time giving out the number. The number is 713526 KPFT.

17:47

Yes, please give Roy a hard time. It's been so long since we've had one. Okay for Jay, Jude and southwest Houston. You asked for something hardcore but permissible on the radio.

17:59

So we took that to mean hardcore sexual but within bounds and

18:02

going with the theme of the name of Jay Judge, we thought we'd just reach out and do a little

young with the theme of the name of Jay dude, we thought we'd just reach out and do a little
Jack you off by pansy division. And that's it for you Jay dude.
