JD Doyle

00:01

and JD is the one who is providing the music tonight.

JD Doyle 00:05

My pleasure. Next up Yeah, we have a I guess you might call it a spiritual set oh good to a gay artist. They're both from happen to be from the same website to selling their CDs. Joyful pride which is a like a blanket cited it covers Oh, eight to 10 Different gay spiritual artists I hesitate to use the word religious I think the spiritual Yeah, the first up is Joe Warner singing the song agenda from his CD worthy it's going to be followed by Tom Carlyle singing where there's

00:46

Yeah, that was nice

JD Doyle 00:48

Carlyle very good CD Sure is. But that particular song was called where there's god

00:53

okay, I've not seen I've not played that when I've played I've got joy and and the title cut follow your star. I really liked that follow your star because it's sort of like it leaves it open. It's follow your dreams, all of that kind of stuff. What do we got coming up next?

JD Doyle 01:09

Next is an artist. New to me. Dorothy. It's spelled d-a-r-t-h-e I'm guessing it's pres Dorothy Jennings. And it's a very nice song very good lyrics called wedding pictures. So it was

01:31

okay, okay. Okay, another segment now who did we what are we here first we

J JD Doyle 01:37

heard first. Darth a Jenny. Okay. wedding picture. And after that was Jessica Xavier seeing this girl probably Houston premiere for the song from the CD. Yes,

01:50

I think so. Now, Jessica Xavier has been on the show. She was here a couple of years ago for oh, no, no, no, it was the law conference that that was here a couple of years ago. Jessica Xavier is a transgendered activist.

J JD Doyle 02:06

Quite, quite much. So yes, very active. And she has her own CD out. Yes. I like the CD called Changeling changeling. Yeah, he doesn't have the strongest voice. But lyrically, I think this is a very interesting CD. It's you know, I have a large collection of GLBT music and this is the only one now in my collection, that lyrically is speaking from the point of view of a transgender. Hmm. So know that I have lots of songs, singing about but not by. So this is from a personal standpoint, and also from a political standpoint, and

02:46

I have a feeling that listeners to your show next month, we'll be hearing more of Jessica savior. Yes,

J JD Doyle 02:54

I'm gonna definitely play one of hers. What Jimmy is alluding to is on my next queer music heritage on the fourth Monday of August, August 28. My whole show is going to be devoted to transgender music, special feature music by transsexuals and about from a historical perspective, I got some old stuff that's very interesting. And some current stuff and kind of a history with some novelty songs thrown in. I've got more than enough material for an hour.

03:27

Whoa good. And with some Jessica Xavier Yen. From this CD there's 10 CDs on how can I get a

Whoa, good. And with some Jessica Xavier rep from this CD, there's 10 CDs on how can I get a hold of one well, how did you Oh, that's a www dot gala records. Yes, but

J JD Doyle 03:44

that website isn't working. Oh,

03:47

okay. So how did you get it? Well,

J JD Doyle 03:48

you'll have to do a search on her name. Jessica Xavier and then A x v i e are yes and then you can email her that's what I did. Okay, and then I send the money and then she says interested in

04:03

the CD and there you go. Great. Okay, what's up next?

J JD Doyle 04:07

Next up we were talking about the Boy Scouts were whether we were but the news guys were scouts. Here. Here's a song about gay scouting. Kind of talking about the Boy Scout policy the song is by Peto called scouts honor

04:32

Ah, now what was that

J JD Doyle 04:34

was new new to new to Houston I believe I don't think you've played it. This is Garin Benfield what you're hiding?

04:42

No, no, I've never heard of

J JD Doyle 04:43

JD Doyle 04:45

him in that before. That was Peto Sagan scouts honor. Yeah, the only song I know about singing about the gay boy scouts, that's for sure.

04:52

That's right. That's

04:53

right in the news lately.

04:58

Where did you hear?

J JD Doyle 04:59

I heard Good on ABC. Ah, okay on the tracks program and so I wrote in, Charlie, where can I get this? Who is that? He's very accommodating when you want information about the artists, which is the way it should be sure. You bet.

05:14

What are we got coming up,

J JD Doyle 05:15

we got a song. This is one of the oldest songs we're going to play tonight. It's about five years old is from the soundtrack to fairy tale. The reason we're playing is because there's a local production in town. Joe

05:27

Watts has a production that's going on right now at the Sonoma restaurant theater. I don't know if you've ever been there. That's the first time I've been there. Okay, so you know where it is. 1415. California, writer, it's a round the corner from the old Charlie's. And it's a wonderful venue. Yes,

J JD Doyle 05:44

it is for the especially that type of theater in the round use sort of thing. And I thought the cast

was excellent. Really. KEITH CAMPBELL. I was already familiar with him from his catalogue will call Well, yes. From his cabaret muse. Yes, I

05:57

have a tape of his friends.

JD Doyle 05:59

I have that too. And in fact, I took it he had an autograph. Oh, nice. But all all five members of the cast do an excellent job. It was hard to pick up a song. This is not them singing on the CD. No, no, no, no, this is a selection to showcase. The music is very good.

06:19

Yes, it is. I heard a couple of tunes. At the last chamber of commerce meeting. The cast did two songs from it. So which one are we going to be doing tonight?

JD Doyle 06:30

Probably one of the more humorous ones is called Illinois Fred.

06:35

And you're listening to all of this on after hours queer radio with attitude on KPFT Houston ke o s calm?

06:53

Nah, yes. Now that was

06:57

from fairy tales.

06:58

Yes. Illinois, Fred. And you're listening to it on after hours on KPFT Houston and ke O 's College Station coming up very shortly. We hope will be the early morning grooves with Rob love and DJ Good grief, but we're just gonna keep playing queer music until they get here. Oh, I don't mind.

Okay. And so what's up next tie a song from naked voice singing that's the other big play that's here in Houston right now that

J JD Doyle 07:25

♂ 07:27

♂ 07:28

fun show.

♂ 07:29

Yes, it is.

♂ 07:30

It's great and very visual and

♂ 07:31

no sadly is. Yes. Yeah. So and clever and funny and thoughtful and all of that kind of stuff.

♂ 07:38

Geography The whole span you bet.

♂ 07:39

So what are we going to hear?

J JD Doyle 07:40

We're going to hear Robert Mitchum. This is from a course the new the Los Angeles cast album have it?

07:47

JD Doyle 07:51

Don't hear a lot of out. Jazz you don't? You don't? Yeah, Sandra cartulary. The name of the CD is called to lips. The song is called Juju spelled Ju Ju Well, she's Italian. She's from Italy. She Yes. How are you? Yeah. I met her in New York at the glamour celebration. Very nice lady. Very talented.
