praising the Lord may be good for the spirit. But what is to keep these poor people from corrupt praying at cross purposes? Well, our Lord Jesus gave us very specific instructions almost 2000 years ago. He gave us a way to live each day in prayer. Unfortunately, most people don't see it that way. And they get down on their knees and they say Our Father which art in heaven. I don't know what they're really saying and they don't live that life. But let's go back through what we discuss let's go back through it. We've son, let's go back through what we've experienced through these thoughts and these songs. Would you please start out with the Lord's prayer that our Lord Jesus gave us, our Father in heaven. Dedicate each day to your beloved parent in heaven, hallowed be thy name. Praise God's name each day. By Kingdom Come. Be prepared for Christ's return to Earth, or to us at the time of our death. Thy will be done on this earth as it doesn't happen. Recognize each joy and sorrow, each victory and defeat each loving heart as exercise for your soul, or for the soul of another. Give us this day our daily bread and recognize that it is God's will to provide for us each according to our needs, as he has done since the creation and forgive us our trespasses. Be sorry for those sins you commit, not just sorry for being caught. as we forgive those who trespass against us, don't forget that you've been a jerk at least once in your life and help that someone who puts it to you

11:23

and lead us not into temptation.

11:26

Learn to recognize your own sinful nature as you walk with God, but deliver us from evil. Beware of a Satan who is both very real and very tricky. For thine is the kingdom and the power and the glory forever. Come to know your siblings in Christ revel in God's power and be as living lantern amen, amen. This part of the service will be for the Lord's Supper we will now have a prayer for forgiveness
