Hey, this is Kate Quinton and KPFT and Houston Pacifica radio you gotta listen. Excuse me? Can I ask you a question? Thank you. Pardon. Can I ask you a question? What do you think of the gay liberation movement?

00:22

The gay liberation movement? Well, I see all human beings have the right to do whatever they want to do. Of course, I, I don't understand how they do it. But from all reports it is getting done somehow. So I say as long as it's going to be done, let's go ahead and get on with it. So it doesn't make the law seem foolish. Thank you.

Jimmy Carper 00:41

Lily Tomlin as the tasteful lady doing her version of the gay movement. And I'm Jimmy Carter, you're listening to after hours queer radio with attitude on KPFT Houston and ke O 's College Station and John and Stacey are here we have

Stacey 01:02

we're here to save the night. The day I'm confused. Whatever. Yeah, it's too early or too late. Somebody tell me which. Okay, the hats kind of go. Ooh, folks. I just heard some great gossip. Right for You sci fi fans, Xena Warrior Princess, their producers from Australia and she's gay. And you know, I'm sitting here looking at the pictures in the advocate with the picture of Cheryl on the front with blue eyes shares got blue eyes, contact lenses contacts. Anybody can have blue eyes. Yeah. Anyways, the producer and Xena look an awful lot like huh. dikes God, you gotta love it. Anyways. As you can tell, I'm Stacey and I'm John. And I guess there is no difference in our voice. They're both pretty low.

**J** John Benoveve 01:58  
Thank you, Stacey. Sure,

**S** Stacey 01:59  
sweetie. Anytime, anytime. Share with blue eyes. I don't get it. But anyways, we're here to talk about SM and things around the leather world. One of the things I know of is there was the SM ball tonight SM ball today. Yeah,

**J** Jimmy Carper 02:15  
we talked about that last week. Oh, cool. Well, we just announced it. I didn't know that much about it.

**S** Stacey 02:20  
I don't either. Waiting. Oh, yeah. It was

**J** Jimmy Carper 02:25  
put on by PEP, right?

**S** Stacey 02:26  
Yes, yes. Yes. Sponsored by Pep. I believe windy at Delaware has something to do with it. And that's about all the major sponsors. I know. So I'm gonna report I guess in the future. Yeah, I'm gonna see if I can get a hold of windy and see what's going on. As you can tell we both didn't go right. This is the most most would Roy say this is the most clothes

**J** John Benoveve 02:51  
he's ever seen me.

**J** Jimmy Carper 02:52  
Yeah. You know that's not true. You had long sleeve pajamas on one week.

**S** Stacey 02:58  
Those are close

those are close

**J** John Benoveve 03:03

letter to Stacy found something in outsmart her to read that.

**S** Stacey 03:08

Okay. Um, for those of you who don't keep up with politics, the right wing conservatives are out there saying that homosexuals. What's the word recruit? recruit kids.

**J** Jimmy Carper 03:25

Okay, that oh, crap again,

**S** Stacey 03:27

right. It's here. So, one day, I'm just I'm reading through outsmarted as I usually do, and I stop in at Nancy Ford. And she's got this article. It says according to a recent report in Houston Chronicle in 1992 and 93, the cornerstone Baptist Church picked up children in the neighborhoods throughout Colorado Springs, Colorado, to attend carnivals at the church. So far, so good, right. The children were solicited directly through flyers and were promised food drinks, phone candy, balloon prizes, carnival games, and a water fight and squirt guns. Once at the church, a lawsuit filed on behalf of some of the children attending the carnival. They were saying they were led into a room where they were directed to remove their clothes, leaving them naked in that room in front of a host of strangers. After being given robes to change into the children were taken to another room. The lawsuit says where they were submerged in a dunk tank under the guise of baptism. In the alternative, they were in fact baptized. And they say we recruit. Right? Yeah. So hey, everybody, I guess now is out recruiting kids. I just want to say leave the kids alone. They've got to be eight. They've got to be young, let them have their fun. And then leave us big eight year olds. I mean we want to have our fun too. Um there is some music on that tape I gave you Okay, um, what I brought is a best of best of tape I put together. Okay, this is called My BJ E. It's my before John air. Oh, because I started the show. Yeah, I think. Yeah, the first tape I started was March of 95. John came in I think June or July of 95. So I had three or four months without him without the coffee

**J** John Benoveve 05:34

the whole year with John yes,

**S** Stacey 05:36

we've been Yeah, that's right. This is a huge John. Yeah, John one year it's been real. It's been real fun. It's been a lot of fun. Yeah, it has been a lot of fun yeah, he's not leaving folks in case you're wondering what's going

 John Benoveve 05:52  
on anywhere.

 Jimmy Carper 05:53  
I've learned a lot and so I can imagine that the audience has learned incredible I've learned

 John Benoveve 05:58  
a lot

 Stacey 06:02  
Yep, wow. So on the on the front of this tape is a piece of music that we used to do at the beginning of all the shows and I want to run that because I miss it. It's a perfect beginning to this SM segment of the queer radio.

 06:16  
Okay, here we go. The following program contains language or images of a frank or sensitive nature which may be considered objectionable by some listener discretion is advised.

 Stacey 06:38  
You may be leather SM potential if it's kind of take off on the Jeff Foxworthy. You may be redneck Oh, yeah. Yeah. That's cool. I like that. And this was given to me by Carolyn, one of my fist sisters. And also the writer for the voice. Oh, quer. Vocal. Oh, yes. I

 Jimmy Carper 06:58  
know her.

 Stacey 06:59  
Oh, everybody knows her. Well. You Baby leather is in potential. If you still want to play doctor and you're over 20.

 Jimmy Carper 07:12

 Jimmy Carper 07:14  
Okay, what's on there?

 Stacey 07:15  
I don't know. Hello.

 Jimmy Carper 07:17  
I thought there was a piece of music there.

 Stacey 07:19  
Yeah, there was that little piece of music. Remember, we used to do that in the beginning of the show? Yes, we still do actually do wait. Yes, I guess I'm just not here late enough or early enough to catch it. So anyways, I missed it. The first thing you're gonna hear is a little joke type thing I did or found actually. And I still have it.

 John Benoveve 07:39  
I'm sorry. I heard that. Who was who was in that bed?

 Stacey 07:44  
I don't know. But they were having fun, aren't they?

 Jimmy Carper 07:46  
Actually it sound effects that we put together. It's it's squeaking springs. And you have

 John Benoveve 07:54  
oh, oh, oh, see, I know that. And then that's

 Jimmy Carper 07:57  
my voice. And except for that part where? Where I say Frank and sensitive material. And then the person that says, Oh, Frank. That's Jim Vaughn. Oh, okay. It was just something that they came up with at the spur of the moment while we were making the tape and we put it in. And it's been like the highlight of the whole that whole piece

**J** John Benoveve 08:19

is when I heard it, I immediately thought of Jeff and Carolyn and their their bras. Not two seconds later I hear their name. So that's what I assumed. Well, thank

**S** Stacey 08:31

Carolyn. Okay. You are living in your own world there. That's okay, though. Anyway, so the first part of the tape is called you may be leather SM potential Live, which is a kind of spoof type thing I've done a couple of times. And let's see. I think that lasts for a few minutes. And then after that, I think Jim and I do on a discussion on what sem means and things like that. Okay, so I think we'll let that go for a bit. ready? I'm ready. With him potential. If you still want to play doctor and you're over 20 You refuse to wear hankies, but you memorized all the colors by heart. Okay, Nuff said good eye. You think that you think that thing about wearing your keys on one side or the other is pretty bogus. But you know what side you're gonna wear your keys on? Yes. Oh, that's fun. You're hunting tails you adamantly know about anything in it gives you a chart or a rush. Oh, yeah. Gives you a little rush. You can think of 101 things to do with leather shoe strings and Nothing involves shoo. I see. You and your friend are out for dinner and you're discussing the latest in suspension system. And neither one of you shopping for a car

**J** Jimmy Carper 10:14

I got that one. Yeah, yeah.

**S** Stacey 10:16

Here's one of my favorites. You order roses but then you have to take them back because some idiot removed all I liked that one's fun. You've run in nine and a half weeks so many times the woman at the rental store is giving you that weird low. Let's see you have an electric clothes dryer. But you still need those old fashioned springy type.

**J** Jimmy Carper 10:41

clothes pins. Yep, I

**S** Stacey 10:45

got that one too. And you know which store in town has the best eyebolts? And what to do with them? Oh,

**J** Jimmy Carper 10:53

I think I'm Yeah, I know what that's about.

S

Stacey 10:58

Suspension. And you're considering redoing them garage and early American dungeon. But you haven't found the right explanation for the stocks yet. Brothers that I got from some friends when I was getting ready for this show. And one of my favorites is since most of us are quote unquote, in the over 30s crowd. Oh, yeah. Yeah. Most of us remember shows like happy day, and things like that. Yeah. And so we were sitting around doing this and somebody goes, Oh, my favorite character was always Fonzie. Oh, yeah, mine was all in. So I'm sitting there thinking about the shownotes going you know who I really liked? Was leather. Tuscadero Oh, yeah. In the light blue leather. Oh, you like bamboo? I like that one. So we came up with you may be leather s in potential. If your favorite characters on Happy Days were either Fonzie or leather. Tuscadero rattle do right. Yeah. Yeah. And then we had done this was just something that spontaneous and you know, truth is better than fiction. Absolutely. Anytime. Yes. One of the girls were sitting around the house and called her dog to me. Her dog to her. And her lover responded as well.

J

Jimmy Carper 12:21

Just without thinking, yeah.

S

Stacey 12:23

Yep. All gender lines. It's just general safety tips. A little explanation.

J

Jimmy Carper 12:30

Yeah, let's start with the whole nation because I hear you say SM and I know a lot of people say s n m, is there a difference here?

S

Stacey 12:39

Not that I know of they mean, basically the same except the word is sadomasochism. Okay, okay. Let me just get into the definition. Okay. The author here to find SM is knowing the use of psychological dominance and submission and or physical bondage or pain or related practices in a safe, legal consensual manner, in order for the participants to experience erotic arousal.

J

Jimmy Carper 13:07

Okay, let's let's go through that again, a little bit slower. Because the there's some key words in here like psychological? Yes.

S

Stacey 13:17

.....

Yeah. It's not always about the feedings, yeah. Okay. There's different parts of SEM. Now, when I say yes, am I mean, the sadomasochism part

**J** Jimmy Carper 13:34  
to reduce pain for endorphin release? Right, right.

**S** Stacey 13:37  
But I also include in that, and this is my personal definition, bondage and dominance, which would be B and D. Yeah. And then there's some people that use SDS, which is sexual domination and submission. Okay. Okay. And I kind of keep that out. Because it's so closely related to STDs. Oh, yes. Yes. So I kind of dropped that when I say I say my include everybody, okay. And SM can include anything from just physically holding your lover down to psychologically holding them down, which means you don't restrain them in any way. Except mentally, and everybody knows where your biggest sex organ is.

**J** Jimmy Carper 14:23  
Because you're we're talking about psychological game, right? Right. Yeah.

**S** Stacey 14:30  
Okay, um, that was just what my first night and as you can tell, things have changed. And I mean, if we could hurt we could hear Jimmy laughing in here and some of that old stuff, you know.

**J** Jimmy Carper 14:45  
That was my first night to with you is Yeah. Oh, yeah. We had fun. It was. It was starting to open my eyes to a lot of things. Yeah, realities.

**S** Stacey 14:54  
Yes. Yeah, we had fun. I've even got part of that negotiation discussion we did on that tape. Okay. All right, so we got a ways to go. Um, John picked up something I just happened to bring my SM Bible sm 101

**J** John Benoveve 15:08  
She carries this everywhere. Yeah, written by John

**S** Stacey 15:12  
J. Wiseman. Because you asked me that night who wrote it? And I was like, I have no clue

**J** John Benoveve 15:19  
why I heard a little bit about you know the questions about what SM is. There's a brief statement in here I want to read to you it says because as Sam varies widely and manner and intensity, people use several terms to describe it. Bondage and discipline B and D. Have rationally refers to the dominant restraining the submissive in some fashion than training them to behave in certain ways. However, it is more commonly refers to the lighter as Sam and not the more extreme Seto Mack. Help them with the word. masochism. Unfortunately, no uniform opinion. Opinion exists regarding where the lines lie between the two.

**S** Stacey 16:03  
That's why right now, John and I are at a point where we say SM fetish kink style. Exactly, yeah. Yeah. covers it off.

**J** Jimmy Carper 16:13  
Yeah, that's that's probably a better idea to do.

**S** Stacey 16:17  
Yep. Yeah, can you? You laughed at the, what was it? SD s? Yeah. Well, I think the correlation, there was the terms for sexually transmitted diseases,

**J** Jimmy Carper 16:32  
STDs, and that's what came to mind just

**S** Stacey 16:35  
started being popular. And so instead of trying to say SDS, and STDs, I just went, look, I'm leaving that out.

**J** John Benoveve 16:45  
We're just out here,

**S** Stacey 16:46  
Yeah, that's what I was thinking.

Stacey 16:47

right? We're gonna do SM and BD and that should cover everybody. Yes.

Jimmy Carper 16:52

Yeah. So good idea. Why don't we take a little break first, before we go to another piece of tape, I wanted to do a couple of a PSA here and a promo and let everybody know that they're listening to after hours. Core radio with that it's

Stacey 17:05

added to KPFT Houston 90.1k e os College Station, Brian 89.1.

Jimmy Carper 17:15

Okay, we'll be right back. Thanks.

S

Stacey 19:26

Okay, we're back. We're live and we're causing trouble. One thing I want to say while you're listening to this tape, if you hear clicks Do not be alone. Do not try to adjust your stereo. It's in the tape. I don't have the fancy fader light John. I'm like they have here at the radio. So I use the pause button. Hey, it works kid. Yes, it does. John wanted me to talk about the gay moments or did you want to know you probably said two words tomorrow. No,

J

John Benoveve 19:59

I mean Can you believe it? Can you really really believe in the fact that I've only said two words or that there are gay Mormons? Well? I mean, let me read this. This is your gay Mormons. Affirming nation gay and lesbian Mormons chapter at large has lost his sight on the world web, World Wide Web, to communicate and interact with gay and lesbians, letter to Latter Day Saints all around the world. The chapter at large has a mission of reaching out to a affirming nation, internet international members who are not affiliated with the various chapters, affirmation affirmation Sorry, my mistake in the United States affirmation International is a fellowship of gay lesbians, bisexuals and their families and friends who share the common bond of the Mormon experience.

J

Jimmy Carper 20:56

Actually, there used to be an affirmation group here in Houston. I don't know if they still exist. Hmm. It's an unbelievable, unbelievable.

J

John Benoveve 21:04

Well, yeah, I don't I don't mean to be. Well, it's like horrible.

J

Jimmy Carper 21:08

Well, you know, I don't understand dignity either. And I grew up Catholic. And maybe that's why I don't understand why you want to be long to a group that doesn't want you. But then again, I mean, if we if we went that way, there would be no, no gay Republicans. And we know there are,

S

Stacey 21:26

there would be no, there would be nobody trying to break glass. Right.

J

Jimmy Carper 21:30

And you know, and we've we've talked several times about how how brave I think they are

carpenter is for doing what he's been doing the past several months.

S

Stacey 21:37

Yep. Yeah. It's, it's hard.

J

Jimmy Carper 21:41

So you got to get in there to make change. Yeah. So yeah, pretty much. Yes. Yeah. And sometimes, sometimes we overlook the fact that gay and lesbian people do need spirituality in their lives. And many times, it's the spirituality in which they were brought up that's most comfortable to.

S

Stacey 21:59

Yep. Unfortunately, for a lot of people, especially a lot of people raised in the Christian faith, you do not have the opportunity to explore, you have the opportunity, you're not given the foresight to go out and explore the religion, right? In Judaism, which is the religion I was raised under, we were given that opportunity from my parents and my local rabbi, go, Look, you're not happy, you got questions, go find answers. Where do you find them here? You find them there, find your answers and be happy. So I had the opportunity to explore different religions. And I came back to Judaism because for me, it was most comfortable. It didn't put all the pressures of the 300 sins and all of this, but yet I still had I could still believe in a higher power.

J

Jimmy Carper 22:47

There you go. And that's, I think that's all of it. Right? Yeah, right there.

S

Stacey 22:50

So anyways, that's it for the religious part of our program.

J

Jimmy Carper 22:55

Okay,

S

Stacey 22:56

we're now moving on. Do you want to do some more tape? Or do you have some more fun stuff? Let's go to another table.

**J** John Benoveve 23:04

Well, actually, I wanted to say so the real quick the reason I had brought up about well, not only the Mormons, she showed me the little article was the only memory I have of Mormons were two guys on bicycles came to our front door. And one of the guys ate an entire apple seeds. And I thought that they were just really hungry people that that bothered you. And that's all I have to say. John

**S** Stacey 23:31

D Enlightener.

**J** Jimmy Carper 23:33

The other thing is, way back in the 70s On my first trip to Hawaii, I decided that I had an afternoon free and I was going to take advantage of of this is back in the seven days. What what the baths in Honolulu were like, so I went in there and the first person I saw was a Hari Krishna getting undressed, and they're everywhere. I ended up spending some time with him there.

**S** Stacey 23:59

So they're not only in hotels, right? You

**J** Jimmy Carper 24:01

go. Okay. Okay, this next piece of tape.

**S** Stacey 24:05

I think it still deals with psychological SCM. And it may even go into a sm versus abuse. Okay, here we go. Yep, that's what it is. And it's an emotional and sexual it's an emotional release for some people, with or without the sexual overtures, which are there. It does not change your erotic play, or your sexual life. It adds to it. It's an enhancement of your sexual life. If you've ever just held your partner down, or you've just tie the wrist together, tie them together to the bed, you know, or just flatly thrown them down on the bed. Okay. If that is SM, that's a form of and it's a light form of it. Some of the things I'm involved in are a little heavier.

**J** Jimmy Carper 25:08

onto something. Okay? From an outsider asking the question, Does this mean all all presets you ever have in your life is like, kind of like,

**S** - - - - -

**S** Stacey 25:16  
no, no, there is still

**J** Jimmy Carper 25:20  
never do what regularly like vanilla sex? Yeah, that's it. That's the word and LSA. And that was sex. Yes.

**S** Stacey 25:27  
We're still making love involved in that.

**J** Jimmy Carper 25:30  
So there's, well, you know, I wouldn't preclude making love from any of it. Any of it? Yeah.

**S** Stacey 25:40  
The biggest thing of SEM is you have to have a partner you trust. In either case, no matter what you have to have a partner you trust when you make love. So it's just natural, that you really have to have one unit that you trust when you are engaged in our sample. But that doesn't like I said, it doesn't change your sex life. It enhances it. It's kind of a variant on the plain old vanilla 69 You do me I do you like a cigarette and go to bed to see him as knowing the use of psychological dominance and submission and or physical bondage and or pain and or related practices in a safe, legal, consensual manner. In order for the participants to experience erotic arousal. There we go see, an automatic upper limit to SM is that the dominant literally agrees not to do anything to the submissive that would need a physician, psychotherapist or resource to heal.

**J** Jimmy Carper 26:46  
Okay, that's where to start. What you're saying there is talk it over first, right?

**S** Stacey 26:51  
Right. Don't do anything like slash the person dress. Yes, don't do anything that would cause them major harm. bodily harm to where you're going to need a doctor or a physician or a psychotherapist or a hospital or anything like that. Involved in abuse. There is a definite difference between SM and MB use a mugging or a fight is not SM. Right. Okay. SM plays always conceptual abuses not as simply as never done with the intention of really harming the person. Abuse is done with the intention of causing harm either psychological or physical. as simply as negotiated and agreed upon ahead of time, abuse is not SM enhances the relationship between the players abuse damages their relationship. SM play can be done in the presence or supportive of others, even at parties given for this person. abuse needs isolation

and secrecy. Ah. Yeah, good point. Yes. You like I was talking about earlier pet throws play parties. My lover and I participate in private play parties. These are parties thrown specifically for and Sam. So that's it's all done out in the open. Yeah. As I said, yeah, yeah. SM play has responsible and agreed upon rule, abuse lacks rules. SM play may be requested or even eagerly desired by all parties. Nobody else. Nobody ever asked for abuse. That's true. That's true. SM plays erotic abuse is not erotic. SM play can be stopped in an instant at any time for any reason by anybody in this scene. The victim cannot stop their abuser in any way.

**J** Jimmy Carper 28:55

That's right. That's right. That's a real important difference there. Yeah.

**S** Stacey 29:00

So in SM play, the dominant always keeps their emotions under control. And abusers emotions are always out of control. After SM play the submissive often feels grateful towards the dominant. A victim never feels grateful towards their user. And those are some of the difference. And those are very blinded me have a little snippet I put together based on the caller. Oh into the same go yes. Okay. Yes,

**J** Jimmy Carper 29:33

yes. In fact that yeah, I wanted to ask you about that collar. I see people wearing collars, and I think it's a big deal. Okay. I mean, there must have a lot of symptoms. And I think not just leather folks, too, because I've seen a lot a lot in the in the punk community.

**S** Stacey 29:51

It's a phenomenon. It's a fad in the punk community. And that's one of the things I was gonna mention was where you can go by different types of callers. Oh, And a lot of them, one of the places one of the ideas is the popular clothing stores. You know that also sell some accessories because it's a popular fad right now.

**J** Jimmy Carper 30:12

And a lot of people are dream merchant or

**S** Stacey 30:16

Yeah, I was thinking more of the mainstream in the mall.

**J** Jimmy Carper 30:18

Oh, okay. Yeah, okay.

S

Stacey 30:21

I've even seen some people were just like chokers, as a symbolism. Yeah. Let's get back to the original definition, the collar, according to SM 101, which is. That was some of our tape moves into SM versus abuse, which we're gonna talk a little bit about. And the collar, which we'll talk a little bit about. Go ahead. You want to say something about SM versus abuse? Well,

J

John Benoveve 30:47

the first thing is, is that we've always talked about talking a little bit about and the importance of people knowing the difference not only to save their own lives, but to save quite possibly someone they know. Because anytime someone's in an abusive relationship, you need to know what those signs are, you need to look for those Yep, most people who are in a very abusive relationship are going to be withdrawn, they're not going to have a very good self esteem. True. And of course, the more physical, the things that are going to show,

S

Stacey 31:16

right, the bruises and things like that. Personality wise, like you said, there'll be very timid, very quiet, very withdrawn, they will be even if they were quiet before they'll be even quieter. You'll see changes in their personalities. drastic changes, yeah,

J

John Benoveve 31:36

things in their behavior. Now, the I guess the going back to the difference between SM versus abuse, SM is normally something that is worked out. Right. I've seen a various sale. And you know what's going to happen before it actually happens? It's not to prevent people from getting hurt. It's done in a situation where that can't happen. Right. Right.

J

Jimmy Carper 32:13

Now what you mean is s&m scenes are never spontaneous?

J

John Benoveve 32:18

No, sometimes they are. But if they are spontaneous, it's usually with somebody that you have played with.

S

Stacey 32:24

Okay. Okay. Yeah, it's in the trust. Is

J Jimmy Carper 32:27  
there have been a negotiation in class. Yes, right.

S Stacey 32:31  
Okay. Yep. I guess the opposite of that is abuse is always spontaneous, you never know what's going to happen. But that's not true. You get in an abusive relationship. And, you know, when that person's upset, and you know, when that person's gonna hit you, it'll catch you off guard, but you still know what's going to cause that person to react that way. Whether that person is on drugs, or it's just their personality, it's, you know, it's come and you can feel it. So, and I guess the, the most talked

J Jimmy Carper 33:10  
about how you know, this, both of

S Stacey 33:14  
you, oh, well, I've been in an abusive

J John Benoveve 33:16  
relationship. I had an abusive parent. Yeah. And it is very different. Yeah. I get some kind of fulfillment I get from fulfillment from playing with s&m. And it's not degrading.

J Jimmy Carper 33:35  
That's a very key point. If there's weren't even in the humiliations, humiliation is very different from degra. Dasia.

J John Benoveve 33:44  
Yes, yes, it is. And when you're in an abusive relationship, you feel like you can't change that. Whether it be with a family member, or a husband, wife, whatever it is. And our biggest problem in with a man's with men side of abusive relationships is most people don't think that a man can be abused in a relationship when you come to to man. And there's, you know, and we do have a problem. I've

J Jimmy Carper 34:17

seen many, many abusive relationships that had nothing to do with SNM. Oh, yes. Oh, yes, I

S

Stacey 34:23

will. It's the same for the women, people. Women don't have abusive relationships because they're physically equal. No, no, that's not true. That is definitely not true. Usually, the abuser will be physically. I guess it's a person psychologically,

J

Jimmy Carper 34:41

it's psychological and the perception of strength or brutality or you know, yeah, it's like a 90 pound person can brutalize a 200 pound person, right?

J

John Benoveve 34:54

Right easily, you know, and the other big difference here is that an s&m scene is not going to last asked for 10 years. No. You know, even though you may play that role of submissive or dominant for a good length of time, that person has to have some sense of themselves, or they're not even going to be a really good bottom. That's right are top or top.

S

Stacey 35:22

Okay, just while we're on the while we're on the subject, let me give some phone numbers. The Montrose Counseling Center has just opened up some. I believe it's group discussions for abused men in gay relationships. And the phone number I have here is 5290037. That's right, that'll at least get you started. If it's not the quote, unquote, hotline for the lesbians and women, the Houston area, women's shelter has opened a group discussion group for lesbians and possibly gay men. Possibly, I'm not sure yet. That's the jest I got from the article. And their phone number is 5282121. The best thing to do is get out and tell somebody. And if you need to those two resources are available to you. For people that have friends in abusive relationships, you got to help them in some way you got to help them get out. What I'm referring to by an article is an article on just this past May. In outsmart magazine, May 15 is a four page article on abuse. Now, we haven't gone through it to cut it down or anything talked about here, but it's a good article. It tells you what the Houston area women's shelter is doing with the Montrose counseling clinic is doing what the DEA is doing some signs to look for things like that. And as you can tell, I just gave you phone numbers.

J

John Benoveve 37:00

Good, good. I think that's probably one of the main problems that we don't have. Or we didn't have places to go. Exactly. Yeah. Especially when you're when you're dealing with a society that doesn't really acknowledge your existence.

J

Jimmy Carper 37:16

**J** Jimmy Carper 37:16  
Yeah, yeah, that can be tough.

**S** Stacey 37:18  
Whether you're gay or so. Okay, so, okay, um, oh, the next thing I talked about on the tape was the collar, the collar it is a fun little toy. If you want to just go ahead and start it from there. I like your ending comment, where it talks about the wedding ring, and then we'll talk from there. Okay. So we'll go back to the tape from it, and then we'll talk about a very important book. Once you get into the scene or getting into it, it has a lot of information that you need is the ultimate. How did he put this, the ultimate? Showing of submissiveness display. Thank you. The ultimate display of submissiveness is a collar to go get them. Pet stores. Oh, yeah. Yeah.

**J** Jimmy Carper 38:14  
But I guess so. Yeah. Yeah. Because a dog like a Dalmatian. Or even bigger. I mean, these dogs, Dalmatians can run up to 100 pounds. I mean, you know, well, they've got a pretty stout neck.

**S** Stacey 38:29  
Yeah, well, Dalmatians have skinny necks, but like the chow. Oh, yeah, the German Shepherds with lots of hair. You have to get a little bigger collar for that. And then my little baby who's only about 2530 pounds, who needs an even smaller collar? You know, so they come in various sizes, various colors, various textures. Most are made of leather, some are made of metal, some are rope. Some are chain? Yeah, I've seen a hardware store and getting the chain. One of the things you've probably seen is a lock.

**J** Jimmy Carper 39:05  
No, yes. I've seen that a lot. As a matter of fact, a small chain with like a padlock. Yes. Is that the same type of thing?

**S** Stacey 39:16  
It's more symbolism than it is anything else. But imagine putting something around your neck that you cannot take off? Ah, because usually the submissive does not have the key. Oh, I see. The top or the person's partner has the key. So

**J** Jimmy Carper 39:31  
that's even more a more of an amount of trust, right? Because if you can't take it off and you display this wherever you go right

- S** Stacey 39:40  
to mine for Christmas, said she can't be open about her lifestyle. Got a beautiful silver necklace that she wears all the time as her quote unquote Daily Caller Okay, so it's just symbolism they've been made of gold of silver. Just and it's the car collar the traditional leather collars always there, but then again, there's the symbol ballistic piece that's formed between the couple.
- J** Jimmy Carper 40:09  
And for those of you who think this might be kind of a weird thing I want you to look down at your hands at your wedding ring.
- S** Stacey 40:18  
Yes. Okay, that was a little bit on the color, which we'll get into but in the meantime, we've got some tickets to give away.
- J** Jimmy Carper 40:28  
Yes, oh, I just found that out. So why don't we play a well wait a minute here.
- S** Stacey 40:39  
Because we're not gonna give away the tickets right now we're gonna play music.
- J** Jimmy Carper 40:42
