I have. I do indeed. Now we're having a good time at the triangle we've been. Let's see, what are we what are we working on next week? Oh, it's the big real estate issue. Do you guys live in a house? No. No. So we've been working on that. We've been talking to people like Keri Russell getting the lowdown. Okay Westbury, square y'all know where Westbury square Oh yeah, it's like the big new gay Mecca yes it huh? Where? Charlie McCarthy

Kirk Keevert 00:42

My hand is nowhere near up his butt.

00:47

Y'all out and radio land you got You don't gotta just visualize this. We've got about three microphones and 10 people see me circle of these microphones sitting on labs. I swear to God, it looks like a ventriloquist act.

00:59

It looks it looks hot. It's what it looks like. That doesn't take much

01:04

notice. lips aren't moving at all. Oh, looks good.

01:08

Anyway, here's the question I have somebody told me that out in Westbury square. There used to be a gay bar in the actual little Mayberry Westbury square thing. Yeah. Anybody ever hear about that? No. Or that?

01:21

Where's where?

01:22

Yeah, it's very square. I mean, it's not there. Now what's very square is out. Off West Belfort if you go down loop 610 Like you're going toward the Astrodome from the Galleria. You go over the Mark and Mark on Overpass there and come around through it's right off West Belfort about a mile from the loop and it's like this gay Mecca anywhere where

01:46

they have the big retirement home Jewish retirement home settlement over there that is what

01:51

I know from that

Kirk Keevert 01:52

the Jewish retirement

01:55

retirement it's not really like a home it's like just in the West Bank or whatever it's been a long time

02:07

though Follow Follow the sound of the

02:16

if there's anybody listening out from from Westbury square call in call and tell us more about Westbury square really are queers.

02:23

And the number is

Kirk Keevert 02:25

713526573.

02:29

Wonderful. You could get paid for that Kurt

02:31

allegedly. Got to the ocean. Oh, that was good.

02:35

Or call one 900 Crazy faggot

02:38

rat that work better.

02:40

Now. That's my that's my furniture salesman. Crazy. designer furniture I can.

02:51

Sorry, y'all are wearing

02:53

trying to sell me for today. And I thought

02:55

you had a great column this month.

02:57

Thank you very much. I appreciate that. We're, we're wacky. Yeah. Yeah, we're wack. There's just so much. I'm hearing the gong.

03:08

Gong. I don't know where that came from. And

03:10

we missed you last month.

03:11

Thank you. Yes, we did. Yes,

03:13

we did. Like skipping a period isn't? Yeah, it was just like, what was Christie last month? I was about it. We were doing a show in Corpus Christi at the harbor Playhouse with Kevin Mae and other gay and lesbian people in Corpus Christi. There was a packed house of gay and lesbian people in Corpus Christi.

03:30

Where are they when I was down there? I couldn't find any

03:34

really good as you were looking in the wrong place. We started at the liquor store and then

K

Kirk Keevert 03:41

I would I would my first my first suggestion would be the men's room at the bus terminal. That's really a public bar. Go from there.

♀

03:47

Hardly any lesbians go there. But that's not lesbian Hangouts. Oh,

♀

03:52

no, actually what we did we turned on the seven o'clock news and watch to see where all the camera crews were hiding out in the bushes to take people to figure it out. We can't be far. Sweeps week. I tell you what if somebody came in was was videotaping me while I was in the women's room of Sears. They would have nothing to put on the news. Do you have any toilet paper over there? Under please give me a hand. A couple of squares. Squares be a neighbor.

♀

04:28

See, that's not fair either. We can't go to public restrooms and really act out lesbians can't man. Why can't we Nancy? That's not fair. I was a public restroom and backed out. I said I want to go to a public restroom. You did what Jimmy? Jimmy thought that you did. Oh no. Are you kidding?

♀

04:45

Well, you know, I'm pretty perverted. So I figure everybody else's restrooms just a

♀

04:49

place to get caught.

♀

04:51

The whole Well, no, no,

♀

04:54

no good question. No, it's

♂

04:56

04:59

not. It's not through the hole in the restroom. You kind of slide your body underneath

05:00

I wish we had visuals have the little hole What the hell do we have? I'll tell you what you're not you have the little hole

05:13

here's a way to pick up a woman in a public restroom bar one of those \$5 tampons in the back from the machine banging on the wall that will impress a lesbian in arrest. \$5 dollars for those damn things. I'm telling you get out of quarters when really?

Kirk Keevert 05:31

It seems to me like quarters might be more convenient. Got it? Maybe not as use it.

05:39

I guess you never heard of copper poisoning.

05:42

Yeah, I can see I can see some lesbian half under, you know, a stall, you know not to have anonymous sex at all and to be half under a stall in like a daisy chain or something. Exactly. That's

05:54

a cramp or something.

05:55

It's not something you know, lesbians are not known for like, how did we get here? I've always hated that. That lesbians are not we don't have sex standing up men can and it's just irritating because I would love to be able to stand up and have an orgasm. Oh my god.

06:12

Well, I may start out standing up but I seldom finish standing.

06:18

My mind would never hold me up. Are you kidding? But yeah, my.

06:24

We have to hang on to the top who stole that hook.

06:32

Oh my god. We're getting pointers, real pointers. Oh, Jimmy. That was precious. And you thought that

06:37

was for code?

06:40

I want to back up a little bit. I want to back up. Jewel. Did you were you saying that lesbians can't have orgasm standing? No,

06:45

I said that we don't have sex standing up because it's it's rather difficult. It's not like we have an opinion appendage that juts out and we can do things with it. It's like, this is very, very close to home. This is what we have sex with. And it doesn't leave our body and so somebody has to be in intimate contact with this. Whereas with men it's it's a little bit. You don't have to have your chest pressed up against somebody's chest. Okay, easy. I have Nancy Tell me honestly Swear to me, girl. Yes, girl. Have you had sex standing up? Yes. When? When you were 19

Kirk Keevert 07:19

What time is it?

07:22

Actually, I have I have had like had six. Thought I was done. got up, got dressed and started walking across the room and then bam, and it's a little delayed. It's like creeper six. Thank you. Thank you very much. Those of you in Pasadena that laughed at that one. I have I have had six standing so

07:46

that was me. Oh, the pool kind of standing up are really more like floating and I almost drowned there.

07:53

But it's amazing. It's amazing how dry sex in the pool is. It's just amazing. I suppose to be wetter. You think because you're in water but it's just not as slick.

08:03

I don't recommend it. I don't recommend that a slick one of my near death experiences never was near 620 by

08:11

the way. This is KPFT Houston and ke O 's College Station. And I

08:15

have to tell you that. Most people know that there usually are two shows going on here. One in the control room. One in the lobby. Oh yeah. I was just in the lobby. Chris said was the first time in history. It was silent. Everyone listening? No.

08:35

It's always noisy and nobody

Kirk Keevert 08:38

when I sit in Europe I'm always ended the illusion that they're sitting in rapt attention at the at the bits of bottle Oh, pouring forth from the control room. Foolish little me.

08:53

So who do we like for the

08:54

RECORDED BY: [REDACTED]

hang on to that? Well, on, man. Let's

08:56

pick the let's get it over with the Capri I don't. I don't

08:59

see that

Kirk Keevert 09:01

yet. Thanks, Michelle. Thanks for stopping by. 20 minutes you can come in here. Thanks. Okay.

09:07

What lately is gonna be the right in?

09:10

Yeah, he's not even showing

09:11

Leonardo DiCaprio Titanic is gonna run away with I think he's

09:17

being a whiny little bitch.

09:18

Oh, tell him what happened? Why he's

09:23

whatever everybody's and eat a meal.

09:25

I somehow missed this whole thing.

09:27

Oh, yeah. He's impressed.

09:28

Leonardo DiCaprio. He's

Kirk Keevert 09:30

not going to the Oscars because because he was the only person in the entire cast.

09:37

He has not turned in a good performance since whatever.

09:42

Yeah, give him a break was his Well,

Kirk Keevert 09:45

that's true, but he was really good in the young in the hung but Oh, that wasn't him.

09:49

No, no. Please. melodious beat in the background? Oh, no, no, something

10:00

I'm sure they're gonna make a porno now out of Titanic. Oh, well they call it Titanic Titanic.

10:04

Yes.

10:06

10:00

Oh my runway What do you think's going down on the Titanic?

10:10

People go down in it that's right it's

10:12

oh no

10:15

you heard me you heard

10:18

Oh That hurt. You can

10:19

hold on that one out you can hold that when the conversation

Kirk Keevert 10:24

is this your pick? For for what's best supporting actress

10:28

Best Supporting Actress. Okay, we've got Julie Julianne Moore in Boogie Nights didn't see it. She was really good. She was really good. GLORIA Stewart and Titanic loved it.

Kirk Keevert 10:38

She was really old. She was really old. And you know what if she wins I'm just gonna be pissed because she's she'll she'll if she wins it's because she's all right. You know what I always do

10:46

not sentimental is this she is still alive. Yeah, so you know what would be a real killer if she got got the award and they announced her name. The winner is glorious to

11:00

bling crystal will be known in your ward. They say Billy Crystal's thing is gonna be really cool. When they do the Academy Awards

11:09

really crystals thing?

Kirk Keevert 11:10

Yeah. GLORIA Stuart's gonna go down on that ever. His

11:12

opening intro thing is gonna be but

11:15

the iceberg. I see. Oh,

Kirk Keevert 11:18

there's also now that's my pick Kim Baysinger I thought she did a stunning job. It was the first movie I saw her in that she wasn't white trash.

11:27

Oh, which one was at LA Confidential. Oh, yeah, man. Yeah, is

Kirk Keevert 11:30

that a really good it's still showing it at Angelica

11:33

wasn't the one of the fellas that was in Priscilla Queen of the Desert. And that is you know, I was looking because he caught my interest. I liked him in the movie because I liked the way he acted and I wanted to see LA Confidential he was in it.

K

Kirk Keevert 11:46

He's really good in it. I really enjoyed the movie I personally hope it wins best picture because it's cuz I liked it a whole lot but

♀

11:55

there really is almost no chance at the time to annex not gonna run away with it.

♀

11:58

I don't know. But I just gotta say Winona Ryder was in Alien number whatever it was that only you know, that was the only reason it was any good. She was in it.

♀

12:09

It was a good thing. It was a good crowd Come on. But she was in it. Compared to what else we got. There's also a war

K

Kirk Keevert 12:21

many driver and John Kuzak who I wished you unchoose equity when

♀

12:25

she paid

♀

12:28

for an Addams Family. She

K

Kirk Keevert 12:29

said that that bit about lying in the street with in that in that dress. And that bridal isn't that bride's dress.

♀

12:36

She was fabulous. She's great actress.

K Kirk Keevert 12:38

I wish she'd win but I think my personal pick is Kim Basinger. Now

∅ 12:42

see, I haven't seen her in a good movie since my stepmother was an alien mean either. That was her forte.

K Kirk Keevert 12:49

Again, white trash. Alien white trash but

J Jewel Gray 12:53

well, she wasn't she in a movie with Richard Gere where he was a detective and they went down to New Orleans is something and handcuffed together. Wouldn't that

K Kirk Keevert 13:04

be she was in a movie with with Richard Gere, but I don't didn't see it. Wasn't that Sidney Poitier?

∅ 13:13

No, I don't think so. No, I saw that.

K Kirk Keevert 13:16

One of those Baldwin boys and Laurence Fishburne in the one of the ballroom boys. Eric Baldwin, Sammy Baldwin, whoever, I don't know. They're multiplying like rabbits.

∅ 13:29

Multiplying like both the Baldwin,

K Kirk Keevert 13:31

the Baldwin's and the Wayans I think they're all related.

13:34

Jimmy you're such an Ed McMahon. Love you. Everything's funny. I love it. I'm on tour with me the next summer I'd love to take him home. Okay, here's here's here's the mystery of tomorrow evening. What do you think's going to get? Best Song? No.

13:53

big mystery and just the distance

13:55

never heard it how do I live heard it once? In the past, huh? Or Miss misery what? Or maybe My Heart Will Go On Yeah, that's what I'm thinking

14:08

I'm telling you, Titanic is gonna run away with it [singing My Heart Will Go On]

14:17

wish I left her with the way she always like like does that heart recharging Celine Dion whenever she seems it's like clear.

Kirk Keevert 14:29

She's goosing it. Who's singing the singing the Conair song tomorrow night. Anybody know?

14:35

On Air. How do I live?

Kirk Keevert 14:37

Yeah, I mean, you're gonna be Trish. Are you gonna be a chameleon?

14:42

It's gonna be the Battle of the Con Air bitches.

K

Kirk Keevert 14:44

Oh, maybe they'll both sign it. That'd be there'll be a duet. It'd be party.

o

14:49

Does voice is really well.

K

Kirk Keevert 14:51

I'm playing the kind of white Tracy right now.

o

14:56

And what else is there? Art Direction all those things Titanic Like,

K

Kirk Keevert 15:00

oh our direction, Titanic, cinematography, Titanic screenplay, Titanic.

o

15:04

Past computer stuff actually.

K

Kirk Keevert 15:06

Actually, I think LA Confidential minus Ff shot it. Screenplay. No. Screenplay Yes, but also our direction. It was very I really enjoyed that movie. And Boogie Nights I like Boogie Nights a lot. In fact, Burt Reynolds I think will win Best Supporting Actor I do to

o

15:26

LA Confidential. You have to see that one a few times to really get all the people like how they're all involved with one another. And so yeah,

K

Kirk Keevert 15:31

go to the bathroom during the movie. You can't miss a second of it, though. You can go get to Jujubee now, yeah, you got to pay

15:38

attention. Yeah, I hate when you invite a friend over watch a movie and tell him you got to pay attention this movie. And then they want to talk to you through the whole movie. You got to pay attention.

Kirk Keevert 15:47

You know, you know what's out on video now what? Valley of the Dolls

15:53

several of them take the red pills. One of them take the whatever. Yeah,

Kirk Keevert 15:58

okay. And you know, Sharon Tate. This is probably possibly the most hateful thing I've ever said. But Charlie Manson could have worked a little bit quicker. She's just mad. She's just bad. Bad, bad, bad.

16:11

I wish I could have seen it with Judy Garland. Whoa, that was unfortunate how to stop doing that what?

Kirk Keevert 16:17

You just did. Okay.

16:18

I didn't do that. Benoit balls. Oh, it's off. Now. That electrical magnetic pattern.

Kirk Keevert 16:26

Oh, well. It was Jimi Hendrix. we revert Yes. I would like to have seen I would like to have seen Judy Garland in that role. Talking about the pot calling the kettle black. I saw worldway doesn't go pills. Boo. So that's why I spent my life in Hollywood.

16:42

Nancy Have you ever seen one night is falling? I love when night is falling out my lord. I've not seen it until the other night. It was wonderful

SEEN IT UNTIL THE OTHER NIGHT. IT WAS WONDERFUL.

16:50

I got to to interview the director. I Richard rosamma. What's when?

16:55

Blockbuster I was surprised out and Rosenberg I was surprised.

16:59

It's it's about a lesbian circus performer. Yeah. And the biblical professor that she loves

17:09

working at a biblical college is about ready to step into the clergy ship of that college. Something be the be the counselor no be the official. What was it something

Kirk Keevert 17:24

official spokes candy of the millennial minute

Jewel Gray 17:26

to minute. I can't remember what it was but it was great. It was like Cirque du Soleil. Circus Circus circus So lay that was like that is wrap your tongue right around that. And very dark and very sensual. very erotic. You need to see it doesn't have as much flesh as desert hearts had in it. But what they did do was very hot. Desert

17:53

when night is a

17:56

very good one. And I don't know this either one of those women like do anything else. Like can I rent one of them?

18:06

Not for three days plus a late charge baby

18:09

maybe? Together?

18:11

I don't know I don't I never seen either of them in anything else. Subsequently,

18:16

it was a good movie.

18:18

Maybe they ran away enjoying the circus. I

Jewel Gray 18:20

was looking in the funny when you're at the movie. And one of the media things outside one of the magazines or something. There's a couple of good movies here in town. Game was me movies that I thought jeez, I'd like to see those. The one with John Hurt,

18:37

Love and Death on long. Excellent, excellent film lots of fun. It could have been really like more rows. And because it's about this older guy who develops a crush on Jason Priestley,

Kirk Keevert 18:48

who is how, by the way. How is he I mean to say, Oh, I just sort of rearranged the sentence to fit my purposes.

18:57

How was he doing? This? was how he was good. He

19:01

was good. It was good. He was sweet. It was sweet. It was a good movie. I

19:05
made a little goofy in this and he not quite really kind of where what's happening? Yeah, kind

19:09
of a Porky's kind of guy but then he gets it at the end. So cool.

19:15
Oh, no. No, that wasn't even intentional pass

19:19
the sperm bank thing.

19:22
She said Get it started on the sperm bank. \$200 I mean, somebody Oh man. \$200 for sperm.

19:34
I can't believe it.

19:37
My ex husband couldn't even give it away.

J Jewel Gray 19:40
Well, you know, it was like three years ago we were sitting at this table talking about found it. Three years ago we were sitting and talking about this group of scientists were able to fertilize a female egg with the nucleus of another female egg which meant sperm was obsolete now. I hear I find they're spinning. They're paying \$200 for it.

20:02
Well, while we're here we may as well get what it's worth. Before the before the planet is filled with a bunch of female sheep.

20:11

Nancy, are you married yet? Officially? Yes. Oh, you know what I found somebody else I found some but no no

20:19

someone to marry us. Yeah.

20:21

I know I'm still hunting I should have asked. I should have asked Ray was here I always forget I'm so enamored. I'm just like Gaga Llanddwyn right when rays ran I forget to ask him isn't he looking good? He was looking good god dapper surgery. I love that shirt. I love the way he was asked. Not that you're old rag God don't take it that way. Not the

20:44

girls. You're still like he's the grandfather of Montrose.

Jewel Gray 20:47

Yes. And I was telling somebody earlier this evening that very thing I said you know when it started that was it was Ray when it started it was right. And then there was then there were two is what is it?

20:59

The first parade right down the street.

21:02

Right and rainbow watching him thinking

Kirk Keevert 21:09

but I'm not walking somebody put me in a shopping cart.

21:13

It was in a wheelbarrow one year

21:17

I forgot last year. No no, no. That was

21:19

many years ago. Rainbow went down there in a wheel barrel

21:22

rainbow on the half shell. Yeah, that was one of my favorites. We're talking about your rainbow.

21:30

Oh my goodness. I've been up all night. My levers in the lobby and I've been up all night. I'm gonna be up all night again. What do I do Nancy give me some advice. There's too much for me it just enjoy enjoying nuts. i What do I do? I'm raw

21:49

tea Am I can't

21:50

even take a nap. I laid the information. I lay down today to take a nap. So I can take just get a few weeks between between the Olympics and what I know. When I go home. She was all over me as well. I mean, I'm sleeping.

22:08

You need to get some zinc ointment or so I've been taking this.

22:11

What's this? St. John's Wort or something? It says it helps so no, no,

22:17

that's a brain thing

that's a brain emoji.

22:19

It's an emotional thing.

22:20

You need some deserting girl. That's what I need some. What is it?

22:24

Yeah. So how is that? The wart thing?

22:29

Taking it for about three weeks.

Kirk Keevert 22:30

Oh, wart thing, St. John's? Oh, okay. Okay, thank you. I got lost there from

22:41

the you've been taking it in? What happened?

Jewel Gray 22:43

Well, I did. We talked about this before. Yeah, I finally went out and bought some and I thought, well, I'll just take it and give it a shot. See what it's like in a month and see if I notice a difference. And you know, the truth is, I do think I feel a little bit more spirited. Not Not that I need much more spirited, spiritual spirits. No more. I'm thinking more about things. And you know, I find bird singing the sweeter, a little more creative. I've been drawing things. And it's like, it's almost without thought I just reach over and pick a pad while I'm watching TV. And I realize I'm drawing things. And it's

23:16

a lot like marijuana. And it's

23:10

45.10

probably that too. No, no, no, no, no, no, no,

♀

23:22

I could be wrong.

J

Jewel Gray 23:23

But yeah, I think I've noticed some, some little bit of change, but not something that's real drastic. So if you're gonna take it to look for something like that, oh, no, but it's I've only been taking about three weeks, and I've been taking, they recommend two pills a day, I've only been taking one I wanted to ease into it. So I wanted to make sure I wouldn't get to die for

♀

23:40

suddenly you get this sudden influx of information. It's

♀

23:43

a black jet black pill. And I thought, well, you know, I don't want to like get spots or anything.

♀

23:49

So if you're drawing on one, take two and you'll move into oil.

♀

23:54

Finish this, this bunch out to get another and do two a day and see how that goes. But I have I really have noticed that I've been more creatively linked, so maybe it'd be worth a shot. herbalism Nancy, I want to talk to you about this thing. Relationship thing. You're living together with Jim with Jessica. Jim. Just so it didn't for

♀

24:17

some reason. No. Jessica and I have been together. I have two members.

♀

24:20

Jessica Hahn. Yes. Two years. Yes. Two years. I remember when you first mentioned her. I know actually, I don't because you didn't mention her to you showed up with her. Well, there

24:29

you go. I didn't have any reason to come out of the house for about six months at

24:32

the honeymoon. Notorious Oh, I've been having mine for about a year now.

24:37

Well, it's interesting after you pass about that year and a half mark, people start looking up to you as role models relationship role models.

Kirk Keevert 24:45

Is that what takes a year and a half year and a half? Wow.

24:48

Well, you know, a lot of our friends are under a chief

24:52

picker people figure you've forgotten what was hers and what was yours and you're gonna be together for a while.

24:57

Really we we mingle our CDs and everything. Yeah, yeah, we're so in love or,

25:02

you know, it's why lesbian stay together because they can't separate. They're, they're

25:10

the only reason

Kirk Keevert 25:11

that's the only reason can't figure out who's Oh, how funny.

25:15

We've all been abused as children. That's why Oh, yeah. Oh, yeah, yeah, yeah, yeah, that's the only reason.

25:22
