Warning, the following program contains subject matter that portrays gay, lesbian, bisexual and transgendered people as first class citizens deserving of an equal share of the American dream. Topics like this are known to piss off televangelists, backwater preachers, some talk show host blue haired biddies, several members of Congress and other socially unacceptable outcasts like radical right wing nut jobs listener discretion is strongly advised.

 Jimmy Carper 01:34

You have tuned into after hours queer radio with attitude, a continuing tradition here on KPFT 90.1 FM. The crew of after hours is ready to bring you news, interviews, discussions and music fear to the gay lesbian, bisexual, transgender community and our allies. We are a diverse group here, but we all have one thing in common. We are out of the closet and urge everyone to come out of his or her closet as well. That means recognizing who you are standing up for

yourself and your rights. And being proud of who you are. We understand that this might not be possible due to a job or frame of mind. But remember, we are here especially for you. So kick back and relax and get ready for this week's edition. After hours. Oh I love to be queer. Yes.

 Chris Harrison 03:08

Yeah. Somebody had been on repeat.

 Jimmy Carper 03:10

Oh, I hate when they do that. Way. This is after hours

 Chris Harrison 03:15

queer radio with attitude here on KPFT. It is we decided to to for Friday or Saturday.

 03:24

Yeah, Saturday morning. So this

 Chris Harrison 03:26

is I don't know when we were on 23 hours later. We said Saturday,

 03:29

because it was Saturday and midnight. Yeah. Kind of had that curve there. Yeah.

 Chris Harrison 03:34

I still want to say it's Friday the 13th

 Jimmy Carper 03:39

That's right. Well, it's still start Saturday. 1am. So here we are. And who are you? How are you? I'm smiley over here. I

 03:50

was thinking you were asking where to see mommy.

C

Chris Harrison 03:55

Yeah, I'm Tuesday. Oh. Because they could a producer this evening.

J

Jimmy Carper 04:01

And I bet he put them on Tuesday too. And Jimmy Carper I'm the other one.

Ω

04:06

And I'm Smiley, the regular tagalong

J

Jimmy Carper 04:08

Yes, you are. And we've got a roomful of Bevy, a bevy of beauties here and in the room. Number one.

Ω

04:16

Jason sitting next to me, Merlin over there in the corner.

J

Jimmy Carper 04:21

Hey, Jason.

C

Chris Harrison 04:22

Hey, let's try something.

J

Jimmy Carper 04:24

Let's talk about the music we play.

C

Chris Harrison 04:26

Well, we started off with Scott Friedman. Yeah, and I'll be okay.

J

Jimmy Carper 04:31

Our favorite bisexual singer. He also does the circuit doing not only concerts, but discussion groups at colleges. Talking about bisexuality. Papa was our rodeo. Oh, that's a really good one that that is a duet with Mark waggle.

04:48

Okay, that sounds wrong on so many levels. Papa was a rodeo. Yes.

J Jimmy Carper 04:53

That's the name of the song that he bought for a long time. He sees a big old bucker

05:01

Here we go. George Carlin I hear

C Chris Harrison 05:04

another one soldiers of Christ sounds intriguing that.

J Jimmy Carper 05:07

Yeah, that is very good. Actually. That's the duet with Jill. So hey,

C Chris Harrison 05:11

if you're going to vibrate in there, don't keep it in your hand.

05:16

No, he's sticking it in his pocket right now.

C Chris Harrison 05:19

In my pocket, and the second one is her sister's filthy, gorgeous. Yeah, one

J Jimmy Carper 05:25

of our one of after hours favorites. And let's see, we've got a lot of stuff going on in the community. We want to get right to it because this is membership drive. And folks, you know, over the years. I've tried to come on the show at the very beginning. say. Okay. this is

Over the years, we used to come on the show at the very beginning, say, okay, and is membership drive, we need to raise a lot of money. So the number is 7135265738713. Jam. KPFT.

 Chris Harrison 05:55

Do we have anybody out there on the phone? Everyone's in?

 05:58

I think Robert is out Roberts out there. Steve's out there. Yeah, we have some people. Okay.

 Jimmy Carper 06:01

And David's out there. Okay, David's out there. And so, you know, I usually just do that. And there have been times when people caught up and we could just do a regular show. And didn't have to pester folks. Hey,

 Chris Harrison 06:15

I wish we could do a regular show. But

 Jimmy Carper 06:19

yes, well, you see, this is normally transgender night. And we failed. No, no, no, no, it's not that you fish, although it's that we didn't have a scheduled guest for tonight. Sara DePalma has left the show because of our later schedule. I can't blame her. Her lover. Laurie didn't want her being out on the highways at

 Chris Harrison 06:43

2am.

 06:45

Yeah, that's respectful.

 Jimmy Carper 06:47

So I can understand that. Now that we're very sorry, because Sarah was the trailblazer who started the transgender segment here. Something like 11 or 12 years ago,

06:58

I learned so much from her.

Jimmy Carper 07:02

To this day, straight people come up to me when they find out that you're involved with the show and tell me how much they learned about transgenders that that was their favorite segment. But we are going to have Kristen Williams as the permanent host. And she will be here every month on the second Saturday for a segment. And we also had a late late minute cancellation.

Chris Harrison 07:29

Yeah, of course. second segment. Yeah. Second, second time of our new Hispanic segment here with April with Globo unfortunately isn't able to join us this week. So we'll have you on next week for Friday. We've got a couple events on his their event so I'll I'll butcher my the Spanish as well as I can.

Jimmy Carper 07:49

Okay, before we go any further, I want to mention that good old big Roy McCarthy will be getting out of the hospital tomorrow. And for some of the folks around here. They didn't know he was even in he went in the beginning of the week, because he had complained that he he could only walk short distances without tiring. Yeah. Oh, I

08:13

heard it was chest pains. Well, yeah, he was

Chris Harrison 08:15

he was. Yeah, so I dropped him off last week. And he was he was saying, you know, I'm going down to I have a day off. I'm going down to bend high to spend the day well,

Jimmy Carper 08:23

he's been there all week. And I went to see him yesterday. I've talked to him a couple of times. Hey, Roy, I know I know I know you're about to go have the wrath of God on top of me you wish the Randy way where if

Chris Harrison 08:42

CHRIS HARRISON 08:42

you're gonna get the wrath of God on top of you does that mean Stan was back in town you're getting some space as old as God

08:50

way way way while we have to bring Stanley in

Jimmy Carper 08:53

20 years, okay. It just doesn't happen anyway.

Chris Harrison 08:57

Well, then the wrath of God. It is a it is a miracle.

Jimmy Carper 09:03

With big ROI anyway, big ROI it has for him to be a miracle problem. And it's a little bit on the serious side. I've got to say folks, so he's got to be on a special diet and blood thinners and

09:15

really know that you got our love out there. He's got to take care of himself

Bobby 09:18

because he finally not through the restraints.

Jimmy Carper 09:21

Well, I'll tell you let me put it to you this way. And you're going to be very unhappy. I went up to see him and as I was more than he did for me, folks, by the way, oh, go I was going into the hospitals. Roy was coming out a cigarette I have a cigarette break. Oh, that

Bobby 09:48

doesn't kill you. I'm going

Jimmy Carper 09:50

to but the good news is David is back. Welcome back, David people with

 **Bobby** 09:56

various conditions.

 **Chris Harrison** 09:59

And he's about eight ounces. lighter he

 **Jimmy Carper** 10:00

had his gallbladder out last week and they did it by that laparoscopic laparoscopy.

 10:05

He's so there's no scar. Well,

 **Jimmy Carper** 10:08

I don't think he cares about that. It was just the you know the getting back on his feet down and it still took him probably half a week. And here comes coffee. Thank you, Robert. I am so happy to see you. I thought we had last Hi. It was

 10:25

surprising to see him. It was surprising to see him earlier than I

 10:28

am just to get this one. She's now

 **Jimmy Carper** 10:31

join. Get that man a ribbon. The biggest the biggest blow to us is losing Robert because from Saturday to Friday now. The works. Yeah. I mean, he does have to earn a living.

 **Chris Harrison** 10:44

We need to talk about this. Even over here and his constant use of rim shots, the rim shots. I ~~keep hitting a rim shot behind me and I'm disappointed rim shots. Do is not a~~

KEEP HITTING A TIN SNARE BEHIND ME AND I'M DISAPPOINTED TIN SNARES. DO IS NOT A

 36:55

Chris in a good mood?

 Jimmy Carper 36:56

It was your memory that was in question

 Bobby 37:01

wasn't chronology.

 Chris Harrison 37:03

Okay, that's fine. Jimmy. Let me see if I if I accidentally say the correct name of the show the gender FCC show. Actually, the way it's on here, gender. Let's see they spelled the two different ways. One time is the gender F dollar sign a exclamation point K and the other time it's the F exclamation point dollar sign k.

 37:29

Basically saying the same thing just can't stay ahead and take a test like that. They're just kids.

 Chris Harrison 37:33

Now that explained that it was boy Robert, that explained a lot. May 28 It's a Saturday, a pm at EJ just not a typical show. It ain't gonna be pretty the gender FCC show. Male performers. You can get toxic in a kilt in combat boots, do the cowboy Vogue, female and drag performers do your favorite male singer? Show everyone that you're gonna be a bush Miss thang?

 38:02

Does it say actually

 38:07

50.07  
says fine.

J Jimmy Carper 38:10

I think we'd all like to do our favorite meal singers is

C Chris Harrison 38:14

hey, I'll play that one singer. I've shown you there a moment ago. Oh, cute boy.

no, actually, I CRH hazard

39:15

a rock out of his his head one of

J Jimmy Carper 39:19

39:27

about after hours? What should we try to adopt the block? On stage if

J Jimmy Carper 39:31

you want to get your ass out there on a Saturday morning? I mean, it's

C Chris Harrison 39:36

I can see it's all getting together to do for that like that Disney thing there where the bears are going through cleaning of the park. Did it did it did it just all dressed up as cabbage. Somewhere else in here? Because we've talked about this before we were talking about over keys west the fundraiser they're having on Sunday,

J Jimmy Carper 39:53

Sunday Sunday over at

C Chris Harrison 39:55

the ripcord the first and third Sundays of the month. As the fire dancers are rubbed back their steak night \$10 gets your steak Tater and a salad benefiting Colt 45 AIDS trouble fund if I remember correctly, and there'll be other events other groups possibly taking over the second

and fourth. Sundays have that as well. I was hoping was gonna sell on here what

♂

40:25

they're looking at up I'm curious, do they still do the demonstrations on the s&m where they do that? I haven't heard anything to bet on after hours. Well, yeah, I'm talking about what they used to do it like at 611. They'd set up a stage in the back patio, and they'd actually have live s&m.

J

Jimmy Carper 40:39

Well, they do h pet meetings or at

♂

40:43

the ripcord at 611 as

J

Jimmy Carper 40:45

well I don't know that any of the groups meet there while I was talking to

♂

40:49

someone that's a regular record so I was

C

Chris Harrison 40:51

I just got home as far as not officially yet. We haven't hungry.

J

Jimmy Carper 40:55

I know one of the groups meets it records like noon on Saturday or something.

C

Chris Harrison 41:01

I'd love to go to some music

J

Jimmy Carper 41:04

so why don't we do that? Because you don't have anything you got

41:07

pledges? In a way I do.

J Jimmy Carper 41:14

Let's not go there yet? Because we haven't heard it. I've heard it

41:18

you have heard well,

C Chris Harrison 41:20

this isn't cuboid. This is a different one. What is it? Do it lesbian Jewish folk music.

J Jimmy Carper 41:25

No.

41:30

Folk music is that Frank?

J Jimmy Carper 41:33

Is that Frank?

C Chris Harrison 41:34

No.

41:34

I think it said something. You do not want them to play the song you sing disease. Garmi

J Jimmy Carper 41:41

Oh, yeah, boy, that was bad.

41:49

To hell.

J Jimmy Carper 41:50

He's going to put on a real live CD. While

C Chris Harrison 41:56

people are distracting me. That's fine. Here's the song that Jamie wants to dedicate to some of the members of the entourage was smiling and Jason wasn't I don't know. I didn't have a \$20 bill to take people in the other room last week. That was brought to you by truth. The different kinds of truth the truth that believes in cigarettes. I love you are listening to after hours clear radio with attitude if you like what you're listening to. And they let you out of the straitjacket long enough give us a call at 713-526-5738 and call in your pledge of support. We'll try and regroup

42:44

this is KPFT

C Chris Harrison 42:46

Pacifica radio for the Gulf Coast 90.1 A Sam Houston is 9.5 Gallatin and always on the worldwide web at KPFT dot O R G. We just put some music there for you. Started off with Da Vinci's notebook enormous penis and try and give you that similar theme there. The Kinsey six Bugle Boy on Avenue B. And of course since Jimmy left the room it was a good enough reason to play Jeff Stryker Poppy when the pooper

43:12

I told him what you played I'm not on I went back and told him that you we had he missed his song.

C Chris Harrison 43:18

It hits that point you know if I would have been thinking they're the perfect company in it to pop you in the pooper is Ring of Fire. Johnny? No, no. A ring of joy. It's ring. Ring of joy by pansy division. This is after hours is his pledge drive. We have no hosts. We have no guests we have

no I don't we're winging it. We had one phone ring. Yes, we've got one phone call and you we need we will call your budget support 7135 to 65738 You know we're having a lot of fun here tonight because our normal guests weren't able to show

44:00

let's do a little guilt trip. Oh, you want to do the guilt trip?

c Chris Harrison 44:03

Guilt Trip because you know we haven't had we've had one phone call in an hour and

44:07

it was shocking. I didn't know that was told to go ahead and put it in the box. But I thought I'd just leave it in there and let you deal with it because it's it's it's impressive.

c Chris Harrison 44:14

This is from one of our MBBS

44:19

I took no leave it alone.

c Chris Harrison 44:23

Here's a con just gonna read it. Hey, all happy Friday the 13th I'm sure that you're all I'll be listening. I moved to a different dorm on the second man a much better rack now. And one of the best things about the new location is radio reception. I could pick up KPFT now not only at night, and Phil was static but I can get it almost completely clean signal. Even during the day you so thrilled I'm gonna listen to the station a lot. And it's let me get on here to the since I've been listening to the station a lot I know that my the time is lit reaches the station, it'll be pledged time again. Someone told me that stamped can be traded in for their dollar value. I don't know if it's true or not. But I thought I'd give this a shot. If the trading story is bogus, and perhaps someone in the office can use these for station correspondence, or maybe someone will give the station the money for the stamps. So I'm sending a book.

45:23

There it is. I've got a

c

Chris Harrison 45:25

book of stamps, the package of 37 cent stamps, a \$7.40 cent pack from an MBB

o

45:34

which stamps in prison are the most important thing. This is a deep sacrifice that this person's actually made to give up stamps is their we'll figure this out give this give stamps is their only outlet to the free world. It's that part of freedom that they are still allowed to hold on to so much actually giving the stamps to the station which we will use them they will be using course actually, you

c

Chris Harrison 45:59

know, Jason, what are you getting changed back for that? Okay, we're taking your your stamped in and that \$7 worth of stamps straight into a \$20 donation to the station.

o

46:09

There you go. Congratulations. That's how easy it is people all you do is is call 7135 to 65738

c

Chris Harrison 46:16

Hell at the station can't use it at all. And you guys can use them and consider it a big thank you from from all of you who give to me every week. But if this will work as a donation, please accept this book as the first part of my pledge. I tried last time to get friends to donate for me as part of my graduation present. And that didn't work too well. So please let me do it by myself. If I can pay in stamps, I pledge \$133.20 Over the following year, by way of 30 stamps per month for 12 months and all by everyone. That means another alternative mic on for that comment.

o

46:53

Every stamp is Gazans if you sent them all by him. I don't

c

Chris Harrison 46:56

care if this is mentioned or not except the facade acceptable please, please say not to send the stamps. I need I need them at the station can't use them. Or get cash for it. It's okay. I want to be a member if that's allowed. I think you've already you've pledged earlier, right? Yeah. Yes, you mind if we put his name on this thing?

47:17

No, I don't. He's a member. Congratulations. So if you're listening out there tonight, you're a member today.

Chris Harrison 47:24

I know the station. It's it's people who give money to be members, but may not count for people locked up. I know it's not as sure as a credit card, but I will send the stamps, I will not let any further harm come to my program, because I wanted the commerce. Because I want one of the connoisseur. I talked to my last letter about people giving up a drink a drink it hit home that I should be willing to do the same. I realized that I could cut out a pint of ice cream. And he's one spread for store. He's

47:59

talking about commissary. The way the commissary we're spending what he's talking about is every every week they go to store and a pint of ice cream is \$1.50. And sometimes you buy two or three pints ice cream. So instead of buying to take that dollar 50 and send it to the station, and a spread is like about six or seven bucks. What it is is soups, meats, veggies, but yeah. And what he's saying is cut back on a spread you know you do a spread every other day now mix him budgeting.

Chris Harrison 48:24

So that's what he wants to do.

48:26

It's called Making an F AG. Some of those people out there that are listening are not doing because Robert standing right here who's supposed to be on the phone.

Chris Harrison 48:33

I hope. I hope we're getting on the phone. Okay. I hope whoever can approve such things Well, enough about that. And I thought the interview we played at the end of the last show was fascinating. And that was the

48:47

oh, I can't remember I know.

Chris Harrison 48:49

We played the Harry. Hey, I played Harry hey you heard something yesterday about a transsexual being involved in a run out for the City Council of Dallas. Yeah, I have to pull up the paper I did read that in the TX T in Dallas, that's gonna be interesting. That's outsmart syntax to the fact that first election wasn't a landslide defeat is a victory. Really looking forward to this weekend show and we hope the fundraiser goes well I love you guys the show and the station. So for you people out there who listen to the show. You know, we always talked about the fact that you know the official line who was here at the station is for every one person who pledges they're carrying 717 16 people on their back to 16 I'll say deadbeats, who listen to the station for free because you have that ability. Here we have a person who was locked up in prison stripped of their rights for the most part. Whose only outlet is this radio show. And he sending in, you know if they still alive Smoking cigarettes is where the the most one of the precious commodities stance is probably is now probably the best as it is.

50:07

And it's a sacrifice. Like I said, it's their only that's their only touch to free world is, is mail and stamps is what the mail is

c Chris Harrison 50:18

for shows a lot and that shows a dramatic look, I

50:21

wanted to ask you, Chris, do you want to handle putting him on the as a pledge driver to the member and follow me out? Oh, you want to take care of that? Or I can? Whatever will make him a member one way or the other? Yeah. His information? Well, we're going to need some more.

c Chris Harrison 50:39

We just write his I'm assuming we can just write the information on there is

50:45

Yeah, exactly the his MBB address. Yeah, and NDC number and

c Chris Harrison 50:50

we know who you are. I don't want to say the name. We say his name a lot on here is a person who's really interested in constantly. But I don't want to say your name because I don't know. If what you did is exactly kosher in there.

51:06

It is okay. Actually, yeah, there's probably people clapping right now and saying, you know, darn, I wish I could have done that. Who knows what we might get next week. Okay, so

c Chris Harrison 51:15

here's the information on him. Monica green, a transgender restaurant owner seeking the district to seat one 40% of the vote and faces a run off with top finisher, Pauline madrina, who captured 45%. And that is up in Dallas. And you know, that comes up to her with the run out with the runoffs there, you have to get 50 50.1% of the vote. So you know, there's one pass on to you. So if we've got an MB be giving up the most valuable commodity that they have, because they feel this show this station, is that important to to Him, and to his fellow inmates who were listening. If someone is going to send in that through the prison system to us, what in the hell are you waiting for at home? It's that simple. This person is gone for I think he I think he seven years. I don't remember how long as the other letter that he says How long is it I forget how long he is he's going to until he returns to the free world. This person is willing to put up making a pledge of \$133 a year to this station to this show. What in the hell are you waiting for.

52:35

And you have to understand people, they do not have access to cash like you do. It's easy, you don't have to do the full pledge, you can do payments half now half later, every three months. It's what the basic pledge, the basic pledge is what 25 or

c Chris Harrison 52:50

3525, if you're a senior or a student, and 35 gets you the members 25 Get your voting membership. That means you know, you have a you get you get to you get to have a voice in the people who make the station run in a business sense. Not the people that you hear on air that are sitting here talking the people who make the make the station run and make it show so that when we come in the next day, the lights are on. There's not a big padlock on the door. You know, the board who says here's what goes through, that is who you vote for. And that's what you get with 35 If you can't afford 35 Because, you know, the economy screwed up, you know, I just got through celebrating my 11th 11 month anniversary of unemployment without the unemployment benefits. So, you know, I'm strapped for cash. And I understand a lot of people are out there. And finally, you know, gas prices are going down a little bit. So, if you can afford a little bit, show the station show the management that this show counts to you. It is important to you as our MB B's. We've got another tremendous pledge that came in. This is one that we heard Ross heard a phone ringing in the background. From Robert buddy, looking for Jim squared. Ah,

54:13

for those of you. Oh, Terry, you know,

C

Chris Harrison 54:16

you're two weeks late and several dollars short.

J

Jimmy Carper 54:18

Yes. Esoteric adventures has retired. No, they were not canceled. Jim Vaughn has decided after 14 years. He's done what he wanted to do. In playing all the music that he thinks is important. And he voluntarily decided to retire. He'd been thinking about it for about a year now.

C

Chris Harrison 54:41

So but yeah, and it was

♂

54:43

great. It was

J

Jimmy Carper 54:44

I loved what he he was not the producer of that show. I was just the smart ass co host

♂

54:52

the music. The music y'all played was awesome. There. You can hear it on gray other normal radio station at all. Anyway, hard to find too. Yeah. So it's kind of Nice.

C

Chris Harrison 55:00

So once again out there and whatever it is, I'm going to wherever able to get music here and break out here. But the fact is this, you know, we got an MDB out there, we've got a tremendous amount of listener base out there, the MBB we do who just sent in their most precious commodity, because he thinks this show is worth it. And what the hell are you waiting for?

♂

55:27

There are people out there that enjoy the show there that I've talked to you, I've heard you, you're out there, just a little bit. Doesn't have to it can be \$10.10 to attend dollar pledge, you don't have to become a full member \$25 Or do the \$80.05 3535 for

Chris Harrison 55:43

the basic, you know, whatever you can if you can help, you know, if you've got a little bit extra and you know, someone who listens to the station listens to the show. And they and they're not able to make a pledge make it in their name. Think of

Jimmy Carper 55:54

all the teenagers who listened to the show I have been able to hear Yeah, connect with hatch and and all of that has probably saved a lot of lives just from them listening to us knowing that there are other careers out here

56:15

ng on it and they can't this I

Chris Harrison 56:17

mean this this show this much for that right now we've got a trend is normally or transgendered segment we've been wrapping up, you know, they've got the greatest story of the success of their specific show. Yes, is the fact that Sarah was told I received a call from a transgendered person who said they were in the garage, the gun was in their mouth. Until somehow they were listening to after hours, they heard the transgendered segment. And they realize they weren't a freak, they weren't born an outcast. There was people out there that knew where they were coming from. And that person stopped, didn't go through with it. and is able to be a part of the community. A light of

57:05

hope. That's what you're helping here. A light of hope. So

Bobby 57:10

this show has had that effect on a lot of us this show you know, I want to have one of my papa Merlin emotional moment okay to show kept me alive, you know, in a time after a hard time in my life, I met these folks and I became a part of this show in a time when I didn't know which end was up in my life. And these guys are my family. And I want this show to be around for a long time. And we do too. So bring those phones

57:48

713-565-7388

c

Chris Harrison 57:56

I forgot I've turned on my microphone because i

J

Jimmy Carper 58:00

Yes, when was there one thing

c

Chris Harrison 58:02

you know we bring you the stories bringing the topics or things you don't normally hear we also bring you some of the music where you're gonna hear a song Yeah. Pop you in the poop or we get to see with that enormous penis. But you know, some of the artists that you hear those

J

Jimmy Carper 58:19

are shows where and

c

Chris Harrison 58:19

even gay artists were gay for pay on one Yeah. But you know, we're talking about certain performance. You don't get to hear and it's not the normal programming that everyone music you hear on this show that you're gonna anywhere else. So I'm gonna give you a little taste of that. Courtesy of the people@gmail.com Who put this cute little hunk on their music list of people to keep an ear out for

o

58:50

someone said my picture was on gay k.com

J
