04:54

Call for the straight folks who don't mind gays. But wish they weren't so blatant

05:07

you know, some people got a lot of nerve. Sometimes I don't believe that things I see in here. Have you met the woman who shocked by two women kissing and in the same breath tells you that she's pregnant. But gays shouldn't be blatant. Or the straight couple sits next to you in a

movie, and he can't hear the dialogue because of the sound effects. But gays shouldn't be blatant. And the woman in your office, spend your whole lunch hour talking about her new bikini drawers and how much her husband likes them. But gays shouldn't be blatant. Or the hip check in your class. rattling a mile a minute while you're trying to get stoned in the John about the camping trip she took with her musician boyfriend. But gays shouldn't be blatant. You go in a public bathroom and all over the walls. There's John loves Mary Janice digs Richard Pepe loves Dolores, etc. But gays shouldn't be blatant. Or you go to an amusement park, and there's a tunnel of love and pictures. The streets painted on the front and grinning couples coming in and out. But gays shouldn't be blatant. Fact is blatant Heterosexuals are all over the place. Supermarkets, movies, at work, in church, in books on television every day and night. Every place even in gay bars. And they want gay men and women to go hide in the closets. So do you straight folks? I say Sure. I'll go if you go to, but I'm polite. So after you

06:49

that's bad. Pat Parker. You bet. The late grade pet Parker who recently died of breast cancer and born and grew up right here in Houston.

06:56

Not only that, there's a new book out of all of her poetry, poetry movement in Black Hills, Lobo and Inkling

07:05

and we might tell you about that on our Christmas Extravaganza. We're gonna go shopping. Did you see the Montrose voice? Yes, I did. Rodeo audience smaller than hoped. Royalty raised \$108,000 We went there

07:20

we sure did. And it was fine ambulance absolutely great.

07:24

But unless you picked up the voice or the twit or read it or heard about it on KPFT you didn't go no because you didn't know about it. I didn't see any television or radio media down there except for us

Houston. walkathon welke raise 990 1000 are waiting to see oh, wait a minute. That's right. Aids Foundation walk 90. Yeah, raise 60,000. But this can't be right. Last year, they raised 80,000. Are we losing ground?

08:06

Not only that, this year, Austin, AIDS Walk raised 120,000, twice as much as Houston. The AIDS Walk in Seattle, raised over \$900,000. Do you know who was behind the AIDS Walk in Seattle? No, their phone company was behind it backed it. They had TV media on it.

08:34

You know, I got into a fight one day with a kid at Lobo because I was in there talking about the Seattle. Really? Seattle, Washington. What is it? Seattle, Washington. Parks and Recreation Department was holding a prom for young gay and lesbian people. It was sponsored by state. Yes. And he said the state has no business knowing that. Well, who's going to do it? They have to do it because nobody else is going to do it.

09:01

Yes, they This was the second year they held it for gay lesbian and bisexual youth

09:07

anyway, T gra please learn from this experience and advertise because there is a audience there is a community out there. They're just waiting to run down and see that rodeo filled up that whole damn place with screaming faggots that would have been fabulous

15:08

Voters began with a routine police raid on a homosexual bar the Stonewall on Christopher Street in the heart of the West Village

15:32

it going want you to savor this next moment Tascam deci official count of the lsb and gay rights this show is all from

this show is all from

16:00

we must destroy the myth swans and shatter them we must continue to speak out and most importantly most importantly every gay person must come out

16:39

now you're

17:08

now

17:24

you may come out clean boots are being polished, trumpeters clean their horns, chains and locks forged the crusade has begun. Once again flags of Christ are unfurled in the dawn and cries of soul saviors sing apocalyptic on airwaves. Citizens good citizens all parade into voting booths and in self righteous saying to be x away our right to life. I do not believe at some that the vote is an end. I fear even more. It is just a beginning. So I must make assessment look to you and ask Where will you be when they come? They will not come a mob rolling through the streets but quickly and quietly move into our homes to remove the evil the queerness the faggotry from their midst, they will not come clothed and brown and swastikas are bearing chest heavy with gleaming crosses the time and need for such Rousses are over. They will come in business suits to buy your homes and bring bodies to fill your jobs. They will come in robes to rehabilitate and white coats to subjugate. And where will you be when they come? Where will we all be when they come and they will come? They will come because we are defined as opposite perverse, and we are perverse. Every time we watched a queer hassled in the streets and said nothing. It was an act of perversion. Every time we lied about the boyfriend or girlfriend at Coffee Break. It was an act of perversion. Every time we heard I don't mind gays. But why must they be blatant and said nothing. It was an act of perversion. Every time we let a lesbian mother lose her child and did not fill the courtrooms. It was an act of perversion. Every time we let stripes make our bars by we couldn't touch because of the laws. It was an act of perversion. Every time we put on the proper clothes to go to the family weddings and left our lovers at home. It was an act of perversion. Every time we heard who I go to bed with it's my personal choice. It's personal, not political and said no thing, it was an act of perversion. Every time we let straight relatives bury our dead and push our lovers away, it was an act of perversion, and they will come for the pervert. And it won't matter if you're a homosexual, not a faggot, lesbian, not a dime, gay, not queer. It won't matter if you own your own business have a good job or an SSI. It won't matter if you're a black Chicano, Native American, Asian or white. It won't matter if you're from New York or Los Angeles, Galveston or Sioux Falls. It won't matter if you're a bunch of them not into roles monogamous, non monogamous. It won't matter if you're a Catholic, Baptist atheists Jewish or MCC, they will come they will come to the cities and to the land to your front rooms and in your closets. They will come for the perverts and where will you be when they come?

22:20

As President

22:25

President of the Board of Supervisors it's my duty to make this announcement. Both Mayor Moscone and supervisor Harvey Milk have been shot and tweeting we're not in Kansas anymore.

23:12

Right

23:34

we must destroy the myth Swinson for our shattered, we must continue to speak out. And most importantly, most importantly, every day person must come out the other KPFA come on out.

24:13

You must tell your immediate family, you must tell your relatives, you must tell your friends if indeed they are your friends, you must tell your neighbors you must tell the people you're working with. You must tell the people in the stores you shopping

24:40

once they realize that we are indeed their children and we are indeed everywhere. Every myth, every lie, every innuendo will be destroyed once and for all. And I asked I asked people to do one thing

25:10

Somebody is in Des Moines or San Antonio, with a young gay person, all of a sudden realizes that he or he is gay knows that if the parents find out to be tossed out of the house, the classmates would taunt the child. And the need of Ryan's and John brigands are doing their bit on TV and that child had several options. Staying in a closet, suicide linguistic data child might open up paper and says homosexual elected in San Francisco and your two options. Option is to go to California

25:53

25:55

stay in San Antonio fight. Two days after I was elected, I got a phone call. The voice was quite young was from Altoona, Pennsylvania. And the person said, thanks. And you've got to let gay people so that young child and the 1000s upon 1000s Like that child know that there's hope for a better world, his hope for a better tomorrow without hope, only gays, but those blocks the Asians, the disabled seniors, the essence, the essence without hope. The essence give up. I know that you cannot live on hope alone. Without it, life is not worth living. And you and you. You gotta get home

26:56

you know, Tuesday, I didn't want to go to work, ya know, partly because the sky I've been seeing for about six or seven months that all kind of fell apart. Because for whatever reason, but anyway. And then my dad died in April. So we're between Thanksgiving and Christmas of having to spend a holiday with a father who physically died. Yet the relationship died 15 years ago, we haven't been father and son for 15 years. So it's really not like I lost anything. Yeah, but it was kind of permanent. And I still have a mother that's not dealing with me. So that's really, you know, in the crapper. But then a combination of the show going on for three years and no, you know, volunteering in the police department. And then I got these cards from the union because they had these cards made for us for Christmas, Houston police support personnel union, it gives her address, and it says buddy Johnston president. And it just kills me because I come out of the closet. And they asked me to be president and their union, openly gay. Not afraid of me not asking anything of me other than to be myself. And it's kind of crazy, Jimmy, but I know how proud my daddy would have been if he could have seen this silly little card. And then Tuesday, I'm getting dressed and I started crying. And I call Roger come home. I said I don't want to go to work, because 12 years ago today, Harvey Milk was murdered along with George Moscone in San Francisco. And everybody's going to work today and nobody remembers. And are we the only ones that really care? And he said no. So what did

28:39

you do? We

28:40

went down to the international flag company. And I bought a rainbow flag and I put on my Harvey Milk button. It's got a picture of Harvey and it said REITs are not one on paper. They are one by those who make their voices heard. And I wear the button to work. And I carried the rainbow flag which is the international symbol for gay and lesbian rights to work with me and stood there with my little flag. Just Darren somebody Goddamnit I'm in a bad mood today. But they say something to me. But nobody did. I should have went down to like Jr to the mining company or Yeah, to the CBC or to the French Quarter or someplace where I really got a good feel a good homosexual. You know what I mean?

29:22

I think more people at the police department would have known what the rainbow flag was

I think more people at the police department would have known what the rainbow flag was.

29:27

But last week, Jimmy said you didn't say a lot about Harvey Milk. Because Tuesday was the anniversary of his death. And we're going to focus on his life in may not his death. But this is what happened in 1988 on the steps of City Hall in downtown Houston. It's a little bits and pieces of the Harvey Milk rally. Like this piece. Just come out and join us baby we're waiting on Yeah, we're right here and work where it's so easy. And it's so very, very easy. Yeah, Oh

30:14

I'm here partly tonight to say some good things about Texas. I'm proud to be a Texan. I know that I could not have heard Harvey Mills challenge to me, had not something in my life and this state prepared me to hear the word of freedom that Harvey spoke to us. I am here tonight, because it is time that all of us who love this state that gave us life and has nurtured us and taught us our values, to stand up and claim the history of the state for freedom and justice and human respect, away from the forces of narrow mindedness and bigotry that too often dominates the politics of the state of Texas. We must not and cannot fall into the trap of blaming ourselves even though others are pointing a finger and saying we are at fault. Look at the gentle loving people around you look at them. Do you believe that these people are responsible for the carnage we have seen and the even greater carnage we are about to see. Listen to their voices are those voices filled with the bitterness and hate we hear from others?

31:37

Every time we let straight relatives bury our dead and push our lovers away. It was an act of perversion.

31:46

With courage and guts. He fought for our lives and lost his own into giving me the light of love be here with you every day.

32:01

When Harvey Milk was assassinated, I was nine years old, just beginning to deal with my own emerging sexuality, unaware of what had happened in California, unaware of the terrible loss the gay community had suffered. But while I may have been ignorant of Harvey Milk at the time, still, his life and death have affected me a great deal for my entire generation has been the recipient of the work that Harvey Milk and so many others have carried on since Stonewall. So today, I am here to say thank you. Thank you to Harvey Milk

32:39

tears after I was elected. I got a phone call from it was it was quite young. It was an Altoona, Pennsylvania. And the voice said, thanks. And you've got to let gay people so that child and 1000s upon 1000s Like that child know that there's hope. I know you can't live on that hook around. But without it, life wouldn't be worth living in jail in June, you got to give him hope.

33:19

There's got to be a lot more Harvey Milk's This has got to be too many young kids in hotels in Minnesota.

33:25

Nine eyes have seen the glory coming out of queers homophobes have trampled on our rights they've done so. Show up

33:50

Stand up

34:03

you ever played this in a while?

34:05

I feel like well, we should give away something. Okay, why the hell not it's almost Christmas and we're in the giving mood we sure are so bent over girl will get 516 4005 to six KPFT if you're calling number 10 You could win and win and we'll let you decide right when you call us.

34:39

Your party tonight say some good things. I'm proud to be here. I know that I could not have heard Harvey Milk challenge to me and not something in my life. This state prepared me to hear the word of freedom that harvest oh two is here tonight. Because it is time that all of us will love this state that gave us like an honest standoff and clanging the history of the state for freedom, justice and human risk back away from that too often dominated politics in the state of Texas.

35:31

What Frank did he leave? Now? He's

35:33

hanging around.

35:34

Tell him to come here a minute. We got a winner. Yeah, we

35:36

35:42

35:53

36:50

Are you going to go to Austin and march like with the governor at the

37:08

And I'm gonna go there Tuesday, January 15. And March or the inaugural

37:13

37:28

He wouldn't miss it. That's all he's been talking about. Well, not exactly. He's has been talking about a few other things.

37:34

That's true. I'd like to record some stuff on there if I can get a record.

37:39

What will Santa better bring one

37:42

37:43

Recorder she's from the

37:46

The next man I find I'm gonna lie to him and I'm just gonna do like everybody else now not gonna lie. I'm not gonna you know, I'm not gonna do anything. I'm gonna be selfish

38:14

now. Now now now now. Who wants a Prince Charming anyway, the armor gets in the way if you got

38:21

a lie and all that crap I'm not even interested. I mean forget it. I'm not going to do that. I put all this energy because I thought this was going to be something where you could be honest and real and not have to lie

38:32

in baby gotta kiss a lot of frogs before you find that Prince girl

38:36

frogs. I can tell you about the princess. I can tell you about the police department. The police department let me tell you all these boys these boys in these tight blue suits. Tell me more.
