06:54

Jackie O in the pink pink Chanel suit in the no box hat ranging from 98 pounds to 350 at

Peter 07:01

original dresses the bitches anyway. I couldn't get into my I had to and gotten knows she's trying, man otherwise she wouldn't look like her mother. If she could get into fun things are happening, honey. Well, let's

Peter 08:20

my lord. And we've got some interesting little pieces of music tonight. I hear. Oh, yes.

08:26

I certainly leverage Yes yes Brand new a brand new when you know someone has redone the

recently leveraged. Yes, yes. Brand new, a brand new which you know someone has recorded the classic Elton John song. Don't let the sun go down on me. And that's all I'm gonna tell you until we play it. Oh, and it sounds too good. Oh, it's just gonna be

P

Ω

09:03

P

Peter 09:11

have it well, we have and there's just a million a month and they get funnier every minute. And I've got giveaways

Ω

09:15

tonight. Oh my I do. I've got cassettes of a family of friends women's music sampler. I gave some away last week women's musics. Oh, it's great. It really is great. Half of the songs I played on the air before. This has been out a couple of years and the record company has given us a bunch to give away.

She's great. And the landmark Greenway and landmark River Oaks are both great theaters. Yes. I love those. Yeah, yeah, good stuff.

P

Peter 10:36

And I see this gorgeous hunk of burnin Esposito. squizzy Honey, I could strum that guitar, especially where he has it. There's a great old thing we're gonna play

♂

10:47

clothing in that picture

P

Peter 10:51

where I see a guitar

♂

10:52

Well I said almost.

P

Peter 10:54

And honey I can live with

10:59

Peter 11:31

Oh, somebody really kinky. What fun? You're getting some music together. Well, I'm looking for

11:40

you looking for trying let me tell you I missed

Peter 11:43

him. He's a little discombobulated. Instead, I went to get him out of the wind of the studio. Hi,

11:50

just I'm just too nervous now.

Peter 11:53

Are you is that the what made you nervous? I mean, given away Becker. How do you do that?

12:01

I know and I'm not getting any

Peter 12:08

I can't believe they're giving it away and went oh, well, honey, if we had if we had some little what you call it in here? Yeah, give him some way to do you know why God created blondes. Here we go.

12:24

13 minutes into the show?

Peter 12:27

Because she can't bring beer from the fridge. That tacky? Can't you imagine 30,000 blondes calling me up and tell me what a slob?

12:38

Oh, they will and the number is 557385 6k P F. G anyway.

Peter 12:47

Did we tell you I think we may. I don't know. I got some other little things about excuses for calling into work and the Darwin Award. Oh, yeah. Oh, yeah. They've they finally it's been realized. For those not familiar with the Darwin Awards. It's an annual honor given to the persons who did the universal human gene pool a big service by getting killed in a most extraordinary and stupid way.

13:13

Oh, yes, I've heard about this always. This is real. A real thing

Peter 13:18

as always competition this year has been keen and some candidates appear to have been trained their whole lives for just this little event. I saw the dark candidate award in September in Detroit. Yes, a 41 year old man got stuck and drowned in two feet of water right after squeezing headfirst through an 18 inch wide sewer grate to retrieve is Garki. No, yeah, yeah, you know, and in October, a 49 year old San Francisco stockbroker who totally zoned when he ran. I mean, they say he get into this RMO and he totally zoned according to his wife. He jogged off a 200 foot cliff was on something else outside of track shoes. And in Buxton, North Carolina. A man died on the beach with an eight foot hole that he dug in the sand caved in as he sat inside of it way he did this big thing evidently you get away from the wind or something and he's that this chair on this bottom this thing and it barely even five. And as hard as everybody tried, they couldn't they just couldn't get him out. And in February Yeah, Santiago Alvarado. 24 was killed in Lombard California as he felt face first through the ceiling of a bicycle shop that he

was burglarizing. Want to know how definitely it came to this port? Unfortunate. So yes, that was caused when a footlong flashlight that he placed in his mouth and keep his hands pre ran through his brain. Oh my smart boys. Oh my god named Tony. Oh, and let's see. What was the other fun games? Oh in September? No in February according to the police in Windsor, Ontario Daniel COTA 27 And Randy Taylor 33 died in Hamilton collision that's earning a tie in the game of chicken they were playing with their snowmobiles. Why do people do that they have runner ups and some of the runner ups are even as funny as the people who went out of their way to help the gene pool. In Guthrie, Oklahoma in October, Jason had tried to kill a millipede with a shotgun from his 22 caliber rifle but the bullet ricocheted off a rock near hole and hit his pal Antonia martinis they had fractured his skull and in Ohio and

15:47

in the millipede got

Peter 15:50

Martine escutcheons attempting to clean out cobwebs in his basement declined to use a broom in favor of a propane gas torch and burn two floors of his house down. These are some people we could do with

16:03

and they don't need to reproduce. They are no no no, no, no, no.

Peter 16:10

Oh, that's and a couple of people driving down the street and Paul Stiller's 47 and his wife he Barney. And when New Jersey Andover township New Jersey thought that it'd be cute while driving around they found this ticket dynamite and they thought they liked it and throw it out the window only to throw out only to throw it out of a rolled up window and that thing blew up in the garden No, and Lagrange Georgia go south again for brilliance. And Tony. Attorney and attorney Antonio Mendoza Okay. was released from the trauma center after having a cell phone removed from his woohoo my dog drags the thing all over the house meaning the cell phone I presume. And he must have dragged it into the shower I slipped on the tile tripped against the dog and sat down on the damn thing. Quote unquote no extraction took more than three hours due to the fact that the covered in Mr. Mendoza's phone opened during the insertion. A real trooper during the entire episode it goes on to say that this doctor of Krabi he said Tony just cracked jokes and seem to really be enjoying himself during this three hour extraction of his phone from his but it rang three times and each time he made jokes about it. And he was just rolling on the floor and he said by the time they got finished they really expected to find an answering machine oh there's one about funny that we got to read this on the Late Show in the leather boys come in. Yeah, yeah, I guess the in they need some in what is W A? What state is in

18:01

Washington?

Peter 18:03

Yeah. I'm gonna be next. And Remington Washington. Yes.

18:08

That's that's very near Seattle.

Peter 18:10

Well, Christopher what kotli or whatever it is wife Emily, we're engaging in a bondage game. And Christopher suggested spreading a little peanut butter on his genitalia. Okay, and letting Rudy there I reset her Likud clean No. Well, I mean, I've heard of some sick Queens putting chicken fat on there who sadly really lost control because evidently he loves peanut butter and began tearing at Christopher's No, yes, his penis denticles and Rudy refused obey commands and Emily course panicked and threw a half gallon perfume on the dog. where that came from in the middle of his beat session. But anyway, the bottle broke covering the dog and Christopher was previewed startled, Rudy leaped back tearing away the penis. While trying to get her unconscious husband in the car and take him to the hospital. Emily fell twice injuring your wrist and ankles. Christopher's beans was in a styrofoam cooler. Chris was just playing lucky The surgeon said who spent eight hours reattaching his who believe it or not the perfume turned out to be the Savior. Why? Because of the high alcohol content. No saved. Yeah, of course. He thought the pain might be excruciating when that happened was probably sent back into a coma but help sterilize the wound. Hmm. Yeah. So aside from being you know, all put back together, the doctor seems to feel like you probably have to sit down for doing the rest of things. So I mean, these are called the Darwin Awards and they come out every year from people that ought to be dead because they are and help the gene pool from being just a piece sort of stupid. So we're ready for musica. Okay,

19:54

we do and we've got new music. Actually, I played it last week, but hey, I haven't played this election that played this artists barns. I heard Oh, he's he is good. He's good. He's good. He plays muscle music. I'm gonna play Esposito after honey. I

Peter 20:09

am dying to hear this so Oh yeah, that is a venture

20:13

barn that's myself out

P Peter 20:21

or touch you appropriately or whatever. Somebody's looking at. Play that boy's guitar nekkid with his guitar right

♂ 20:30

down the crotchal area. Yes. And you damn he can't see.

P Peter 20:33

But anyway to hunt for words, but I could plug that guitar.

♂ 20:37

Yeah, no. Well, before I start that play the music Yeah, I want to say I was a couple of serious things here. Oh, semi serious. Well, just you know, I want to say hello to Terry Roger and the team man. These are folks who are behind bars right now. Oh, okay. Only the team man is probably counting the days and as a matter of fact,

P Peter 21:01

as a matter of fact, yeah, we get ladder we get ladder Yeah.

♂ 21:08

We get a picture.

♂ 21:09

Picture. The

♂ 21:12

the one on the right. That's the General Mattis was that is the tea man. How cold it up to the microphone. So yes, yeah.

P Peter 21:26

PETER 21.20

When is he coming home to see me it soon. And Mary Madson?

21:31

Well, I don't know. Well, he's not that strong. Well, you are a big girl. Anyway. Bad.

Peter 21:42

That's got to be some gorgeous Hispanic

21:45

woman. He's nice. He's nice. And some good news right now. Some really good news. We've been talking about the Bubba's for the last three or four weeks above us. That bothers Doug and Tom. They, they were on last Veterans Day. Because they were both in the service. That's how they met. One was in the Marines. The other was in the Navy and Tom being in the Navy, and they were trying to drum him out. I see. So they had a kind of tough go of it. So they, they did the veterans show and they did a show before that, too. Oh, so they're, you know, the familiar to the after hours. Audience. Well, Tom, Tom has last year he talked about being HIV positive, and he's been in the hospital for the past three weeks. It looked really really serious when he first went in and fact so serious that you know, they're one of their best friends. Is Brian Keever. Oh, Brian canceled southern decadence. Oh my That's how serious it was. However, they've been doing tests and doing whatever and he's getting better and better and better. Brian goes there every day brings him lunch. He's over at the old 12 oaks, which is now Bayou City Med Center yesterday.

Peter 23:09

Indeed. Yes.

23:10

So good old Tom Zito, we want to say hi to him. He's in room in case you want to send him a card. Which would be nice. Tom Zito z i to his he's in room 782 of the Bayou City Med Center. That's it. 4200 Portsmouth. Portsmouth? Park Smith? Yeah. Pop your piece on that Myrna Smith 77027. And, yeah, we're really happy about that. And along those lines. Have you heard about the breast cancer stamps? I did them the other day.

Peter 23:51

I saw him in the post office the other day when I was in there. I

23:54

had no idea. Yeah, because I went in there to get some stamps. And they said, Oh, we got this. We got that and had, you know and told me that, okay, it's a 32 cent stamp, but you pay 40 cents for it. It's one of the self adhesive stamps. And that eight cents goes to cancer research. If they sell all of the stamps, they have printed cancer research will get \$16 million.

P Peter 24:21

Now there is a wonder

24:24

there's there's a moneymaker and you know, hey, I'll do that. So yeah. Easy way to do that. Yeah. And when you see somebody when you get mail from somebody with that breast special breast cancer stamp, you know that they're putting out they're just not wearing that. You know, that little ribbon pin, you know, think pan they're doing something about it. It may be small, but if everybody does it, hey, we're gonna get somewhere.

P Peter 24:49

Well, Pete said, flags stamp and the rest of that junk himself. Circle. There

24:52

you are. There you are. So now it's time. Okay, now it's time for

P Peter 24:57

Barney. Yes, he's

24:59

got leatherback. Hands over here. He's he does what I call muscle music. It's somewhere between rock and metal, you know, and he's from Austria. And he's, the manager is Paul V. Who was the manager for extra fancy. If you remember that group, Monaco, they've broken up. And so now he's doing barns and boy, this guy is hot. And he's doing this. I've got two songs I did boy with a secret last weekend doing inside out this week, both openly gay songs. So we've got muscle music, from openly gay man and I think it's about time. You're hearing it on after hours. Queer radio with attitude on KPFT Houston, and ke O 's College Station. You can call us at 526-573-8526 Ken that's at 713 thing Yeah, yeah, cuz we're gonna have to do the 10 numbers pretty soon that sucks, doesn't it? God All right. All right to do that not do them. ♂

29:32

So that's why I got I got well, there's no place to go because we're closed. I know. I know. And that drives me crazy. And we we have this, this thought that gay bars are only in Montrose. And it's not true.

P

Peter 29:49

In the true, it's not true. It's just Ivan Energem. did go on there because I know what you mean. Yes, yes, yes, yes, yes. And so that was really kind of nice. So there's all those place but this is going to be kind of a cool place because it's our little friend DJs and comes in and he's crazy was Scott and Matt Scotland and in some discs and carrying on there the other night some fears. Nice little barn friendly people and you're gonna recognize some of the folks from Jen trees and some. Yeah and a couple of key dancers. Oh, yeah, Waggers are bartending Nyan. Yes. Nice and crowded. There. Nice. Nice. And, honey. Can we play this gorgeous looking at?

31:40

Oh, do you wanna play him now? Before we get into all the Clinton Joe Well, we could do those. Well, I want to start off with with one thing one thing it's almost serious if it's not historical. And

you know if you've been on the internet, you have seen this because everybody has been passing it around. It is a quote from Kenneth Starr around quote. What do you mean it's a wrong quote?

32:04

60 minutes and can start. Vote denied. On the internet.

32:10

Really? Yes. I'm

Peter 32:11

sorry. Cares, because this probably sounds good.

32:14

I did it for politically incorrect. Someone would say something bad about Coinstar. So I put that quote in Yeah. And girl, I get a fake jump your ass. They said it was on the news that Ken Starr denied it and 60 minutes denied it. So it's not really

32:30

true. Well, I guess he wasn't sure as a nice quote. I really do like it. Oh, well read anyway. Well, when it says was I got it from two different sources on the Internet that supposedly, Ken starr said this in a 1987 interview with Diane Sawyer. Okay, now they're denying? Well, well, the quote is, public media should not contain explicit or implied descriptions of sex acts. Well, we do that all the time. Of course, our society should be purged of the perverts who provide the media with pornographic material while pretending it has some redeeming social value under the public's right to know.

33:13

Yeah, if anybody knows the exact date and everything about that, and we can prove it, I will go back. Say I want to get on the politically incorrect discussion line on the internet ever give me a lashing? Because they said it was not true. But I would love to I would love to prove it if it's provable, but

Peter 33:30

I know it seems like go to the source. That'd be w dot.com. Diane Sawyer ever. Who won that? Anybody win?

33:38

Oh, yes, yes. Yes. Let's talk about the mark and Steven are going to the movies. Mark and Steven are getting smarter. They're getting some pecker. Oh, I know. Stephens getting some pecker because I have met his boyfriend. Oh, when is he hot? Is

Peter 33:54

Yes. Well, that leaves Yes, Mark. Yes,

33:56

he is. Your major huncle

Peter 33:59

34:01

you have a short one for you?

Peter 34:04

Excuse me short pecker. Yeah, we know God's got the shortest Becker in town. My A is wisely. Flamingos feet with beggars. What?

34:18

You know there is a sequel out for Monica right? What Monica goes Angel was on the internet. That was

34:29

well you know that Jennifer flowers was asked if her relationship with Bill Clinton was anything like the Monica Lewinsky affair and supposedly she said close but no cigar

Peter 34:50

joke laughs rainbow girl. Do you have any more comments and stuff? Well Indeed we have a

little something to play to so we could do the Clinton thing. He's played the thingy, and then we could Yeah, okay, because I saw this, isn't it? This is a takeoff on and since we're gonna be doing a takeoff on don't go down on me or whatever Yes, we can do this little take off. He's good

35:20

what we really mean

Peter 35:21

Twas the Night Before crisis and behind White House doors not a creature was during especially Al Gore. The interns were nestled dressed in their breaths and hopes that Saint Baba would come out to play when the East law went on the east lawn there rose such a clatter even Sam Donaldson lost control of his bladder away to our TVs we flew like a flash there's a special report. My God is pre emptying match. And what do I wondering I should appear but a homely little troll with tapes for us to hear with Kmart bought blazer and bad frizzy do and a tale to be told to mean to you on the chair on the carpet on the oval office desk with a chubby young intern who was all eyes and chest. The press had been careless indeed Dumb and Dumber. Now the whole world knew Bubba had gotten a Hummer. Oh, that's good. And Monica Lewinsky emerged from the rubble and if she kept her mouth shut, we would not have all this trouble rarely. And thus we set in motion a whole web of spiders with pundits galore and White House insider. You ask who would care about Bill and his penis? Republican Ken Starr he's armed with subpoenas more rapidly than eagles processors servers they flew here's one for you and you and you two. Now Jordan now cockle. Is there anyone else? Let's subpoena the lawyers and Bubba himself. We want to tell you, we want you to tell us about Bill's private life, and anyone who sleeps with separate courses wide. And many months later, all after long. We've all suffered. Let us examine more closely just what star uncovered. We've learned a little bill has a mind of his own and horrors of horrors. He likes to get blown. Up funny facts surface after 40 million bucks. seems most people don't care just to Clinton. economy's great and shows no signs of slowing. Hell we hope Lewinsky never stops blowing. Now the public's grown weary well this sleeves never end. We just want to get back to ER and to friend. Now, Monica, Linda and Ken Starr you bleep Get the hell off my TV. Your 15 minutes are up. So what holds the future for Linda the tape lady? Well, Paula got a nose job in a brand new Mercedes that's my

38:10

Wonder.

Peter 38:12

hours writing that. Yes. No.

38:15

Well, do you know that White House is now accepting interns remotely for colleges? They've had to restrict it. Yeah. Oral Roberts. Ball State Moorhead and bring them Yeah. I had to write that down. So I can remember
