I mean, Mike is just turn around and look and tell me who Oh, doesn't that make your tongue hard? Just not right tonight. Baby, baby, baby. Well, we can get kind of loose after midnight, and we certainly take advantage of that.

00:39

Set the fu or in about two minutes ago. Whoa, whoa, he's known to be little. Oh, that's what I heard. I heard you know, when are we going to play? Let's play

00:51

Esposito right now. Yes. Because really ever this guy? He looked at this picture list he crosses a lot you know he's openly gay, but he plays music that crosses a lot of boundaries here. He could cross my we played we played this on esoteric adventures. Did we? Yes, we have. I could Oh, but you're right now you're listening to it on after hours career radio with attitude on KPFT Houston and ke O 's colored station. We are the queers South Texas.

01:29

Oh squizzy tow car call and that that tune was called Higher Ground off of his CD called the veil. Now this leads me see that this CD isn't on there. Well,

01:42

damn. Oh my Lord.

01:46

Now that CD is available at Lobo because I saw out there today. Hon knee. You can get it at Lobo hits there. Get it? This is beautiful music.

01:57

Yeah, that is kind of interesting stuff. And I've just found this flyer that's about jazz blues solo Avivo Yeah, cuz he zillion swing, right. Monday night. September 14 2017. I know you're busy. Chelsea.

02:11

It's Chelsea in New York. All right, definitely. So

02:15

I'm gonna be there the end of the month. Maybe he'll still be there. Oh, I'm sure he will. But hey, huh. Well, I just listened to that looked at these beautiful little things and touch myself inappropriately why you?

02:27

Good? Let's do that's why I played it. I know. Do we Do we have more pecker tickets to give away do

02:34

have pecker tickets? Oh, but I'd like to know we gave it Oh, you want to give them? Yeah, because we gave it back or tickets away. Now it's time to give away this the tape the day. A family of friends. Women's music sampler. The record company sent me 100 of them to give away you girls so you know, catch kids have been getting them and let's be alert and you know gamer has been switchboard. And you know, all the groups I've involved with. We're spreading them around. The whole idea was to get them into the community. Get your nimble handle planes quickly, half of these tunes on the air that good. I like Oh. So we'll take the next. How many callers you know, call in and ask for? Just Hey, Steve, and I'll send you one. Don't worry. And just call in. For whoever

03:32

walks in the room and davened five

03:34

to 657385 to six KPFT and Merlin Merlin Yeah, says Hi. Did you mean the crew? Oh, he's been here the last couple of weeks. And I guess he is not right now. I guess not. If he's gone he is in pasa get down. Deena Oh, God, well. They're not gonna know what not when he's there. Okay. 526-573-8526 KPFT. Tell Roy, you want that tape.

04:10

Did you? Did I tell you that Jesus was wondering, did we do the one about Jesus wandering

04:14

around to Jerusalem? I don't believe so. I would have remembered that and he decides he needs a new robe. Well, I can understand that well, so he's looking

Peter 04:23

around and he sees this Finkelstein, the tailor. And so it goes in and Finkelstein prepares a new robe, which is just perfect, absolutely perfect for him. And when he asked how much he owes, and people Stein sort of brushes them off and says now there's no no charge. But I'll tell you what, do me a favor when you're out giving your sermons and whatever just mentioned a little something about how nice your robe is and it was prepared by Finkelstein the tailor. Oh, okay. That's fine. That's a great bite. I'll try that out. So

04:49

we don't do that on the air. No, we didn't ever do that on the app. No, no, no. What? trade off? No, no, no.

Peter 04:55

I trade. Anyway, so Jesus is really great. And he promises to unplug Finkelstein's robes so every time he preaches so some months later, he's wandering through Jerusalem and happens by Finkelstein shop. Yeah, he is amazed there is this huge line of people waiting for Finkelstein robes. So it pushes his way through the crowd to speak to Finkelstein himself. And he has Jesus liquid you've done for my business. Finkelstein tells me he says, Would you consider being a partner? Well, sure, Jesus is Lord, why not? Hey, so Jesus and Finkelstein it is oh, no, says Finkelstein. No, no, no, Finkelstein and Jesus. Well, they began to argue for quite some time about how it ever goes. And finally they come to a compromise. Yeah, and they named it Lord and Taylor

05:48

that just came out of left field.

05:50

I love your left field.

And he said he'd like to buy a bra for his wife. No, I don't remember that one. Well, and so obviously the clerk says what type of bra and he says type, you know? Yeah. And she says look around, you know, she sews in the sea of bras and every size and color material you can imagine. Yeah, actually, even with all this variety, there really are only three types of bras. The sales lady says what? Yeah, only three types of bras works. Well, there's the Catholic type, the Salvation Army type, and the Baptist type. Oh boy. Here we go. A little confused. The man says Yeah, different. Well, it's quite simple. The Catholic type supports the masses. The Salvation Army lifts up the fallen. The Baptist makes mountains out of molehills.

23:49

We've done it again. We'll be getting calls on that ladies and chirps five to 65738 all those calls may be directed to Peter. I had nothing to do with that. Nothing. See nothing. Oh

Peter 25:42

I want to be a fair rainbow the clown is exposed here in the studio exposing his navel area. I mean, listen, and there's so much don't have this division. Not only those three hairs will not a bear.

26:03

26:18

To my dreams and dreams. And we have started have

26:22

had so much fun. We started off with just

26:24

26:37

27:03

he never can't maybe okay. We could blurt obscenities back and forth. We short kid. I mean, this could be cool. See how fast is quickest on the pickup. And I haven't had near enough cocktails. See? We're pretty quick tonight.

27:19

Okay, it's time for after hours news with big Roy and Michelle.

27:23

And we do mean big show. Hi, Roy.

R

Roy 27:27

How's everything tonight? Oh, pretty good. Well, let's see what we got going on here. Tonight and KPFT after hours news. And I want to thank all your listeners for tuning in. And I want to talk about this past Saturday evening, while I was attending the the caucuses annual gala. Al Gore was addressing the Human Rights Campaign in Washington. And he was mentioning how that all of us that if we could get just one more senator, US Senator elected. He would be the one who would cast the deciding votes for ENDA and other non discriminatory legislation. And he spoke at the annual Human Rights Campaign. Gala. They're in Washington, DC. And so there's a lot that we can do. And all he needs is just one more US senator, another words. We can if we replace Phil Gramm or Kay Bailey, with a Democrat, get Lloyd Benson seat back to a Democrat. You know, we can we can do it. And there's things that you can do.

28:54

Oh, yeah, I wanted to mention that it's coming up on November 3, November 3 is election day this year, as always, is the first Tuesday after the first Monday in November. For those of you who are not registered, remember, you have to register a minimum of 30 days before the election. That puts it around the third or fourth. This is the last week you have to go out and register. And now if anyone wants to register, and they don't know where to go or where to pick up the cards, there should be lots of people around registering you you could always stop by the lesbian and gay community center and on one of their tables are simple registration forms you can fill out and we'll get sent in there just self-addressed already got a stamp for him and everything.

R

Roy 29:54

Or you can stop by a KPFT studios we have stacks.

29:58

Yes. So There's no excuse at all for not registering. And it's your privilege, responsibility and duty to vote. Remember, election day is November the third?

R

Roy 30:16

And, you know, there's a lot of people who bellyache all the time after election, and they themselves have never taken the time to vote in an election or are in a primary. And like I always say, if you don't vote, don't bet.

30:37

Well, anyway, let's pick up another item. That's somewhat political in nature. I just wanted to mention that there's a workshop coming up on the eighth of October. That's sponsored jointly by the lesbian and gay rights lobby of Texas, and the caucus, it's a workshop that we're

shutting, that it's going to talk about the efforts to combat the anti abortion efforts that are expected during the 1999 legislative session here in Texas. So that's going to be October 7, the meeting is going to start at seven. It's in conjunction with the normal caucus meeting. It will be at the Metropolitan Community Church of the resurrection. And it's that is located just south of Washington at White at 1919. Decatur. So a nice workshop on the gay community's efforts to combat anti abortion efforts that are expected in the 99 legislative session.

R

Roy 31:48

Okay. Coming up for Mondays and Wednesdays, I was sponsoring free HIV testing in English and Spanish, and it's going to be from 10am to 5pm and 4125. Southwest Freeway, sweet 1717. That's at the 12 Tower. And if you haven't been tested yet, we'd like for you to go and get tested for free. Also, talking about free testing the Montrose clinic, which is located here on Laurel Westheimer. The exact address escapes me right now.

U

32:27

I believe it's 215. Yeah, something like that 15 minute timer.

R

Roy 32:32

Anyways, they have a free H of an ominous HIV testing. And you can come to the Montrose clinic any day during the day, Monday through Friday, nine to five business hours,

U

32:48

okay. Okay, I wanted to make them for the transgender community. The next meeting of the Texas Association of transsexual support will be on October 10 At three o'clock, and that will be at Michelle's house. Anyway, for more information you can call her Area code 713-524-6349. That's 524634. And on the Gulf Coast, transgendered communities next meeting will also be on October 10 At seven o'clock. And if you want to know the location and details about how to go to that one, you call area code 713-780-4282. That 780 G C. T C, and helping crossdressers anonymous meets this Tuesday and every Tuesday at Susan Anderson properties between seven and 9pm. And Susan Anderson properties are located at 239 Westheimer.

R

Roy 33:49

Okay, no, Project Caesar, the witches the Gay Men's Health Initiative. They have employment for people. Oh, cool. So if you are somebody that you know is looking for a job or maybe you're under employed and you need more work hours in Project Caesar is looking for people, they're looking for a part time outreach educator. And this person will help educate Houston's gay and bisexual community through street outreach, workshop facilitation and recruitment. And being bilingual is a plus and minorities are encouraged to apply.
