SUMMARY KEYWORDS

clint, call, hear, eric, bottom bunk, talk, phone calls, put, twisted, good, jimmy, lesbian, song, scott lewis, people, houston, brandy, big, 6k, tonight

00:03

Hey, would you like to know something interesting? I know what a lesbian is? Yes, I do. There's these two pretty ladies that lived down the block that green house with three dogs in the yard. And I asked them why there's no daddy at their house. So they said it's because they must be Ed's. They told me it. Yes. And I've seen them kiss each other goodbye on their porch yesterday. I wouldn't ask mama if she knew what a lesbian was. She said she didn't know. So I told her. She knows now. I think I will change by April II that they had to lesbian or fake. It sounds cute. That's the truth.

00:50

Oh, honey, the phones are ringing off the wall. And you know what? No, no, no, no, it was just a couple of weeks ago. You know what? I've got the topper right here. Oh, the one phone call of the evening. And folks, if you could top this one, please call 526-573-8526 KPFT brandy West called us and she directly she she was and may may still be at this point. I don't know what access she may have to make it to two gowns, sequins and cosmetics, and wigs in prison. Brandy. Did she call Colette? She has a cell phone. Her joke not mine. Cell phone. Very funny. She's getting she's getting out on parole very soon. She says she I'm using her words here. Had a setback a few years ago and put a friend in the bottom of Lake Livingston. Oh, and so so that can that can be rough on you. You know, I would call that a setback. It could be rough being in the bottom of Lake Livingston. And I think it

02:03

might have been a little harder on your friend Brandon.

02:05

But Brandi wanted to wanted to let all of us know that she will be back in Houston very soon.

02:16

Don't take any shoes from Brandy, especially if they're made from cement.

02:21

Don't let her drive and

02:23

the clinic

02:25

and that she plans on on taking back her reins. She says she hears that that a lot of her friends are no longer around, mentioning specifically Naomi Sims. But she's she's looking forward to be in back in Houston and, and entertaining the masses as it were brandy thrown in jail. That's what she said. I'm only passing along information here and brandy. We're so looking forward to to having you back in town. But you know what? Let me drive. Also got a call from Eric, who is on the south side. wanted to hear wanting to hear Scott Lewis sing twisted Nike swag.

03:13

That is such a good song. I don't even know if I could remember the where it was. It's a really great song because it's all about he's he's talking about this girl that he's going out with and says I'm what I'm well for you. I want to go out with you then. No, I don't. Yes, I do. Now I doubt your twisted. What do you want? Tell me Yes. Tell me No, whatever. So it's great. You've got me twisted over you. So that's how you're gonna get the only reason that this Porky swag guy. He cannot sing. I mean, I could have an album. If this guy can have an album. I could have an album The only thing that makes this song is there's a bunch of little kids like from a church choir sitting behind him drowning them out. It was ever heard Keith Sweat saying

03:50

No, but I've heard I've heard case where I have a phone conversation when I was living in Atlanta.

03:57

Oh my God, when I was

03:58

living in Atlanta, the the station that I listened to there was alternative station kind of like the guys here who is supportive of the gay community apparently they were they were the last

pride parade I was in town for which was a couple of years ago. They were set up over here across the across the street the parking lot was very nice home anyway. They used to call the the the chicks at the end they loved being called chicks at the at the toll plaza on the toll road right near Atlanta. And they would always and it was always the same girl that that would answer the phone. And apparently they they knew what she told me she was in and I will say anybody famous come through today. Yeah, key sweat came through again. Pizza came through again today. Well, they timed it perfect one morning when key sweat was coming through. And he was like, Yeah, I learned a 99x and there was like no way at all he listens he listens to any station that plays you know Nirvana and, and Soundgarden. But um, At any rate, well babbling there for you so, so anyway, Eric, as I said, called wanted to hear Keith Sweat me twisted over you singing, singing twisted. So you have to do with the Scott Lewis version. And that Scott Lewis version is going out to Eric, to Eric, and Brian, Eric and Brian. Oh, so

05:24

there's little, little back and forth going,

05:26

I think, I think I think, a teenager or a teenage teenage threeway going on there somehow, anyway. Well, because Keith sweats involved. Well, no, Eric, Eric, and Brian. Oh, Eric, Eric, and Ryan. Eric is sending it out to Eric and Brian. And and Eric. Eric, the first wanted me to mention Eric, and Brian's last names. And I said, Well, I really probably shouldn't do that. Since they haven't given me their permission to do that. How about I just give your last name Eric? Oh, no, no, no, no, no, no, no. So you can see why I wouldn't want to use theirs. Well, they would think it's okay. Yeah, I'm sure they would I so there's that What else we got going on it?

06:09

I don't know. I haven't taken all these phone calls. 52657385 to six KPFT. I wish we could take them on the air. But the system seems to be acting up just a little bit. But we'll talk to you. Over to the side, take music requests. Somebody called in and said I'm tired of doing other people's work. So keep on going. And I think he was trying to get in touch with that guy earlier that asked What kind of drugs we were on? Because he made them no sense at all. Yeah, obviously has them and could probably work something out for you. Thanks for calling. Thanks for calling. You know what? Somebody called in earlier. I think he said it was a woman. I think it was a woman talking about she just came through her first breakup. And how do you get through it? That's a toughy.

06:54

Because girlfriend look at that watch ain't nothing but time.

06:57

Yeah. And this this hand. That's a hand thing to come. Yeah, it is. And sometimes you just feel like

yea. And it's it's hard. That's a hard thing to come. Yea, it is. And sometimes you just feel like you just want to leave town go anywhere. Just point me in a direction and I'll go just anywhere but here because everything just reminds me. So for this person who I don't have a name for I'm going to play a song about just that. From the soundtrack of beautiful thing, which was a fabulous British movie, right? It's supposed to be the Mamas and the Papas, the Mamas and the Papas. And

07:23

because that's all there was in that movie.

07:26

And it's, it's called one way ticket and she talks about I want to be anywhere but here right now. And that's what I felt like.

07:40

Don't you hate when that happens? I hate when that happens. I hate when it happens when you put something in and it's not queued up properly. So we'll have to sit here and chat for a minute while I queue it up.

07:51

Just got a phone call from from Greg Brady.

07:55

Greg Brady. And his mom is Jan was this Sister Carol? Okay.

08:03

Greg, Greg wanted to wanted to make a request for for Marsha. wanted to hear David Cassidy is I think I love you. Unfortunately. Not not in

08:17

the not in the library playlist. But that haircut you're wearing Greg looks a lot like David Cassidy. He's in his heyday.

08:27

You wanted to hear that for Marsha. Apparently they're sleeping in the same room now. And, and so we'll have that look forward to in. In of righty

08:41

and people are calling us What kind of drugs we're on. There's what do y'all know? We're gonna start calling. We're gonna start calling y'all what a crazy crazy night 657385 to 6k P F T lad to the lunacy

08:56

call in a blanket stare I've ever seen in my life.

09:04

Hell was that five to 657385 to 6k P F T. And again we will try it's a remake of the Barbra Streisand Donna Summer disco smash from the late 70s. This time done by a couple of queers. Andy Bell and Katie Lange. Enough is enough. Craziness continuing outside.

09:29

Yes. In fact, Neil was was paying attention to our earlier comments and wants to hear twist it. We don't have it.

09:39

Twisted. Or you know what, we're Neil or Eric. You know what, if you've got it, run it down here and we'll play it.

09:45

Yeah, there you go. We're

09:46

right here in the middle of Montrose. And if you just run it down to full hookups, it's a great song. I love it. Well, for those kids who wouldn't have had a hit, but that's a totally different story. Five to 657385 to 6k P F T

10:00

You got something you want to hear you got some you want to talk about you got well, you got

11:02

11:05

He said that yes. Oh, he has a sense of humor then good for him.

21:04

If I could pick one celebrity that I would like to have a relationship with. I like the Alfonso Ribeiro type who plays Carlton on Fresh Prince of Bel Air but I also like Hispanic guys like that guy from I like it like that Tino? Tino, Chino, chill girl.

21:32

He's open to all types of people. Physically,

22:21
and he's pretty open. He's pretty burned out. What do you say about being burned out?

22:26
Well, like physically, it's hard to find exactly what I'm looking for physically. So I'm trying to play the

And so what we'll do is we will take some other phone calls, see if there's anybody that kind of feels like they fit into what you're looking for and are interested in what you have to do.

23:04

Did we did we get his? His his vitals? His stats?

23:10

Oh, you know, I don't like that.

23:50

wait Clint said again. I'm sorry. It would be really nice if I had a full set of teeth because the last person I talked to they had two teeth. He looked like someone had been bowling in their mouth and had hit they could not catch the seven tenths left

24:08

you know Jimmy's at home sick to talk about him this way on the air is just reprehensible. You know, if you would ask him I'm sure he would put his dentures in. So what we're going to do, Clint is where the phones are, lighten up, you'll keep listening and we'll we'll just ask you to call back in if somebody calls and is interested in we'll give you each other's phone numbers or however you want to work that off the air. We don't want to do that on the air. Right and right now, we're going to put you on hold and Tom will come on in a minute give you my phone number.
