Allegra, tell me a little bit about yourself. How old are you?

01:17

I'm also 17 But I'm a senior at apparel and high school.

01:21

You didn't fail a grade.

01:23

I'm on the softball team. And I belong to FFA.

01:27

01:27

What's the FFA future?

♀

01:30

It will This is Kirk talking about Allegra FFA. And she can correct me if I'm wrong. FFA used to officially stand for Future Farmers of America but it doesn't anymore now it's just FFA it's officially just FFA says Linda

♀

01:45

the one where you like Ray that that's what it stands for an animal and stuff and then take it to the rodeo animals in agriculture. And how do you raise agriculture teasing Allegra nevermind moving along. So you're seeing so you 17 and a senior so you didn't fail a grade like Clint.

♀

02:04

No, I did not fail great. I didn't fail no grades. I just turned 17 in August. I didn't fail once you birthday Allegra oh nine to 13. But hers is the 14th. Hers is the 14th in case anybody's doing charts out there.

♀

02:20

The thing she's a Leo alright. Interesting. So what was it? She said she kind of nervous train of thought here.

♀

02:35

Great. So obviously she goes to public schools and issues in Ebonics. We're back on that again. So what do you do on an FFA? Are you raising an animal or agriculture?

♀

02:46

She's I'm raising a pig. I raise a pig last year and I'm trying it again.

♀

02:50

How'd you do last year? Do you like take it to the rodeo? And last year?

♀

02:54

I took it to Missouri County Fair last year. And did you sell it? Do you make money and I didn't

place last year? That was my first year.

03:02

And what's the goal in it to like get them really fat or?

03:06

Well, it's not just get them really fat. You do have to get them to the right weight. But y'all have to have muscle tone. You have to have them groomed properly. And they actually have to also be well disciplined.

03:20

Do you take this pig home with you?

03:24

The pigs out in the back we have a fenced off area. And yeah, it's at my home.

03:31

You live in Poland.

03:33

I live in parallel still with your parents? Yes.

03:36

What's your ideal first date?

03:39

I'm looking for someone who's a little bit older than me actually.

03:43

What's the little bit?

03:44

It's a little bit? Well, anywhere. I'm about 17 and a half and I'm looking for anywhere up to like 23 I've only I've only dated one other time. And she was 19. And it worked real well.

03:59

What how come you broke up?

04:02

She moved to North Carolina. Oh. So we still call every now and then. But you know you can't keep it up?

04:10

I can on the weekends anyway. So are you looking? What are you looking for?

04:20

Well, I'm kind of, I look a lot like Kathy Bates. And I'm looking sort of for someone who looks like Alicia Silverstone. And I want someone who's smart enough to you know, carry on a good conversation, like Clint said. And I want somebody who likes country western music dancing. Now I've never been to any of the big clubs in town yet because I'm not allowed to get in. But I'd be the kind who want to go one to one of these country western type places.

04:55

line dances and stuff like that

04:57

line dancing and to stepping and And then I kinda like, you know, I watch the Nashville network a lot. I like to play cards. Someone who play cards just have a good time, but kind of laid back.

05:14

What do you do for a good time?

05:17

Well, I spend right now I'm real busy with school, you know, fixing to go back on Monday and raising the pig and that kind of stuff. But in my spare time, I really did country western dancing. Do you drive you have a car and playing cards? kind of laid back kind of things.

05:42

Do you have a car do you drive?

05:44

And once somebody kind of laid back kind of more feminine try again, Scott. Sorry.

05:51

Where somebody more fit, are you you're not feminine?

05:55

I can't do a point.

05:57

Kathy Bates isn't I guess really?

05:59

Were a whole lot of makeup. I just look funny trying to wear a dress. So do I have that so I'm not real masculine, but I'm not real feminine, but I like feminine women.

06:12

So it's a good time for the car question. I'm over the car. Question.

06:17

Try the car question again. Do

06:18

you have do you work? Do you have a job? Or are you just school full time?

06:21

No, I spent too much time with the FFA.

06:25

Do you is what's your pigs name?

06:28

Horace.

06:30

Horace. What? Where'd that come from? What's the significance?

06:33

Well, a friend of mine came up with it. And he named my last two pick my last pick to Homer.

06:41

Horace and Homer he just

06:42

kind of looks at him when I get them when they're little and named them.

06:46

Is your is your friend gay?

06:49

do you have his number four Kirk? Would you introduce Kurt to you now? No, no, no, no, no, no, no, no.

07:32

She could give it to me but that gotta be cool. And what would be obvious now that she's saying Don't tell him you got it from me?

07:45

This looks a little pissy now. You've got a love connection here occur? We've done something for you.

07:50

No, no, no, it's okay. 485 He lives in parallel to nevermind
