P Peter 00:01

It's been so long I'm not sure I remember what you're talking about. Alright, so

♀ 00:06

anyway, you definitely don't want to hear and things. Really you don't want to say because

P Peter 00:11

it's gotta say it here.

♀ 00:13

It's a mood killer.

P Peter 00:14

It's mood killer. So the top 10 things that nobody wants to hear. We're in the middle of doing it. Number 10

♀ 00:22

But everybody looks funny naked

P Peter 00:25

number nine. Thank you Peter. You woke me up for that.

00:32

Morning I have two more hours number eight. Do you smell something burning?

00:41

Not Jack Kratz.

P Peter 00:45

Try breathing through your mouth. Dry whatever oily not dry, breezy.

00:57

I think he had some problems there. Maybe that's something you've heard.

P Peter 01:02

You're the one I was worried about your nose.

01:04

I have been breathing through my mouth. Which is kind of hard when you're doing well.

P Peter 01:09

Number Number seven things you don't want to hear when you're having sex is dry breathing through your nose.

01:16

Thank you for that. Repeat. Number six. A little rug burn never heard anyone.

P Peter 01:23

Number five. Could you please pass me the remote control?

01:27

serious mood killer number four. Hope you're as good looking when I'm sober. At the beer goggles

Peter 01:38

number three. I think you have it on backwards.

01:43

No matter what it is. That's number two. You look younger than you feel

Peter 01:52

great. And you're playing and the number one thing you do not want to hear in the passion of the moment is taking theater. Keep it down my mother's a light sleeper nothing you want well, just right this minute

02:12

and obviously Charles and his friend didn't didn't use any of those use any of those because they got it on. Like

Peter 02:21

be be a little more graphic.

02:22

Well, we could but we wouldn't stay on the radio.

Peter 02:25

Oh, we do. Why don't we do? Oh my god.

02:29

Should we do something newsworthy after that?

P Peter 02:32

Let's yeah, let's get back to something that you really wanted to talk about earlier. Would you want to like sit

♀ 02:38

still? Well, let's get our business taken care of Hold on.

P Peter 02:41

Oh, yeah, baby. Let's take care of business. Yeah, baby. Take care of my business.

♀ 02:46

That kind of business. Peter, settle down. All right. Don't make me get the whip up. Anyways.

P Peter 02:53

With anything but the whip and your line. Anything, though? We're

♀ 03:00

not as good but I don't know my mind. It's about it's good. All right. Okay. Originally tonight, we'll just all of our guests at a set tonight. I guess they had better things going on. But splash day. Thank you. Some people are getting their princess died dresses appraised after the news, they can make it

P Peter 03:16

so people are just getting it on.

♀ 03:19

Charles. But anyways, some women from the Women's HIV coalition we're gonna come but I'm gonna go ahead and plug their, their thing for them since they couldn't be here. Alright, so there's a, a deal going on a conference presented by the women's HIV Coalition, a special project of body positive Houston. It's happening on Friday, September 19, from 830 to 430. And they're gonna have lots of great stuff, national and local speakers. I don't know if anybody's familiar with Don Averitt. She's a HIV positive woman. She goes around doing a lot of speaking she has a set of twins. She's going to be there. She's very national. She's very well known on the national speaking circuit. What kind of issues? Are they going to be talking about research and info? HIV positive women's issues stuff like self esteem negotiations, sexuality and HIV.

They're going to have a panel of infected women. What else is going on there? They're having CDU hours for LPNs, RNs, LMS, W's, and tidak. Folks, what does this thing cost? If you purchase your ticket before the date, it's 25 bucks, the day of 35. And it's free for those people infected with HIV who'd like to attend? Lunch will be provided. If you have any questions you can call 713-935-8530. Again, that's the women's HIV coalition conference. It's going to be Friday, September 19. Where oh gosh, they didn't tell me where I call that number.

P Peter 04:47

What is that number again?

04:49

713-935-8530.

P Peter 04:54

Okay, and if you need that number again, just call here to KPFT which is like five to six KPFT or?

J Jimmy Carper 05:03

Yes, five to 65738. There

P Peter 05:05

you go. If you need that number for the HIV Women's Conference,

05:08

we'll be glad to give you any of that info. It should be pretty good. Pretty good.

P Peter 05:11

Yeah. Yeah, those are good. They're very good.

05:14

Excuse me.

P Peter 05:15

Oh, I see our angel of mercy.

05:20

Is someone's coffee mug dry.

P Peter 05:23

And angel of mercy.

05:25

You've been in LA much too long. You've been in LA much too long.

J Jimmy Carper 05:30

What? While you're talking about things like this, I interject here. Sure. Q patrol. Yes. Well, they're always looking for folks, you know, to patrol the bar area on Friday and Saturday nights. And if you'd like to do that, give them a call at 528 safe 5287233. And also there as part of their fundraising schemes. They've got they've got little cards for the Kroger thing. They swiped the card and everybody's got this and you know, you get 1% of that. And then the Kroger the Randalls thing,

P Peter 06:09

every church and every girl's got that but

J Jimmy Carper 06:13

I finally got the number. Oh, cool. Yes, for my friend Scott Campbell out here out there who's listening right now and then that asking me about it Scott. Here's the number it's 4892 4892

P Peter 06:29

We're gonna have to give every number for every Randles remarkable card and every organization in the city tonight, tonight it's cute patrol.

06:39

So if you don't have a card you can just use that number or what's

J

Jimmy Carper 06:42

what do you say? I don't know how their system works exactly the system

P

Peter 06:46

if you can get your little card Randles remarkable card that allows you to savings in whatever indicates checks and do whatever and then you get that number and you tell the person this is the number I want to use Yeah. For Life Yeah, the only good thing about the Kroger thing is should you be involved with and or interested in various organizations that are doing charitable work in our town they most everybody's got these now and or your church of choice or whatever you can like divide up one week you can go and you can use this card this week and then you can use that card the next week and the other now Randles you're locked in that's it

J

Jimmy Carper 07:22

but I think you can use more than one so that they split it

P

Peter 07:25

more than one number is No I was told you declare a number it's it.

o

07:33

Angel of

o

07:36

weight or supreme later supreme but

o

07:38

what kind of that thing does that render? I don't

P

Peter 07:41

know what's gonna cost me tweak his teddy bear.

J

Jimmy Carper 07:48

That's a lot of tweaking.

P Peter 07:50

Taking notes. I took I kept picking. Did you hear about the guy that?

J Jimmy Carper 07:56

Is this a joke. We drive to write this down so I can remember to tell garland.

P Peter 08:02

The guy that goes up to the big counter, he's standing by this counter and he reaches around for his wallet and bashes this woman in the in the chest. She She has thought that like God. bodacious stopped as an elbow Cerner. And he turns around, he says, Oh, he said, Ma'am, he says I am so so sorry. But if your heart is as big as your breasts, I know you can find it in there to forgive me. And she says sir, if you're

∅ 08:39

don't screw it up now.

P Peter 08:42

If your Peter is as sharp as your elbow, oh, my room was 203

∅ 08:51

I'm not sure it's sharp Peters.

P Peter 08:55

I think is the word I'm looking

∅ 09:01

for. Oh, geez. Rock and roll.

P Peter 09:03

We're on a roll this. You gotta be in a special place in your head to get this. But it's funny.

09:10

And you have so many special. We're all there. Yeah.

09:17

Who am I today?

09:19

That's a way around that Randles card thing. You could have a randos card for each of your personalities.

Peter 09:24

Oh, Sybil. I see it coming.

09:26

Today. we'll donate to

Peter 09:28

drop my voodoo. I

09:29

feel like all right, I'm sorry. Go ahead.

Peter 09:31

Anyway. Have you ever been in a position where you thought something in your head and then said something else?

J Jimmy Carper 09:41

Recently?

Peter 09:42

Peter 09:45

As a matter of fact, moments ago? Anyway, we know there's a guy who was at the ticket counter at the airlines. Come back to me guy back. Hey, baby. Come on, man. Shake him.

10:00

Did they just fumigate the city? Or something in the air tonight? I don't know what's going on. I

Peter 10:07

thought anyway, so this guy standing at the ticket counter and there's the gal there so I tickets has again again with the big breasts again with the big breasts.

10:17

I'm loving these job loving it. Well

Peter 10:19

honey, you got a seat anyway and so there he is. And he looks up at her and wanting to go to Pittsburgh. He asked for a ticket to Pittsburgh. Have you ever been one of those guys? Oh, yeah. And they're at the table talking to his buddy and he's telling this story so you're not gonna believe what I did. Have you ever wanted his head? say one thing and said something completely aroused? He told him there I am picking Pittsburgh? The guy says yeah, he's I was sitting with the wife having coffee the other morning. And I wanted her to passing me the sugar. I just said qubits You ruined my life I hate it when that happens.

J Jimmy Carper 11:10

I have to remind you that you're listening to after hours we're radio with a hell of a lot of attitude.

P Peter 11:16

- - - - -

P Peter 11:35

Okay. It's time or would you like to tell everybody about what you want to do the witch? Well, honey, I don't care. Just pick it up. And this

∅ 11:45

I've been working on this for a while.

P Peter 11:48

I was able to read it. She's been looking at it. Read it. That way. Whatever. Wasn't a door.

J Jimmy Carper 12:01

If you've been listening to Katie records lately.

P Peter 12:05

She's coming October 1.

J Jimmy Carper 12:08

It already happened. Right there on the paper.

∅ 12:14

That was handed that line going right as Peter said. You gotta be quick.

P Peter 12:20

You gotta come on guy. Drag that all right. Smells like roses. Smells like garlic.

∅ 12:28

Just do it. Alright, this is straight out of the weekly world news. So you know it's knows Nope. Noteworthy you know, it's newsworthy?

P Peter 12:36

It is. It is out of them. It is out of somebody who's I can tell that but where?

12:39

Here we go weekly.

Peter 12:40

We're on a weekly there it is your right.

12:42

And it's really this is really serious. It's a kind of a medical thing. It's these poor Siamese twins in Australia. Siamese twins. They're 82 years old. One Taurus, the others guests.

Peter 12:56

Horace and Gus and they're 8282 year old Siamese

12:59

twins still joined mind you. Now what's unique about where? Yeah, um, we're not sure. What's unique about their situation is after 82 years. Ones gay ones not

J Jimmy Carper 13:13

wait a minute. Wait a minute. Hold on. Are you trying to tell me that one of them just came out of the closet? Yes.

13:20

And add to whatever it seems after.

J Jimmy Carper 13:23

How do you keep that a secret for Siamese twins.

P Peter 13:26

We're gonna get to that

13:28

wasn't that you know wasn't a secret just happened one day Gus was kind of hanging out in the apartment building in found his I kinda wandering to a well a good looking man and some tight jeans and well

Peter 13:40

falling in love it says here with an older gentleman. Older than eight months ago, in their apartment building Gus found that his wandering I had wandered over two men in tight jeans. It says

J Jimmy Carper 13:55

makin can happen. Oh my

Peter 13:56

Lord, in the supreme stroke of homophobia and fraternal rejection. Heterosexual brother Horace wants to undergo separation surgery regardless of the consequences. They don't want to be anywhere near that aside, do

14:14

somebody called PFLAG.

J Jimmy Carper 14:19

80 something years old family

14:21

in crisis. I mean, you know, he kind of has a point if that's not your thing, and you're attached to somebody. And that isn't their thing. I mean, they both kind of have to feel some type of angst being a text to the other one and so seriously, and don't listen and don't smell and don't touch

P Peter 14:42

your night for the blindfolds. Earplugs and then it was black.

14:46

Friday of the week. Oh my days, hetero days.

P Peter 14:52

Where are you looked at? That's what I want to know. Yeah,

J Jimmy Carper 14:55

I'd like to know.

P Peter 14:57

What did Gus ever like sneeze He got out at night or something. Me and my king can gustily come out of course keeps pulling him back in getting him I want I know. I know what a mess. It's problems. Thank God they live in Australia. Yeah. I mean what kangaroo pouches are some really? I mean, how could you march in the gay pride parade?

15:33

Well, somebody's

J Jimmy Carper 15:35

going which Oh, no, the other one has to wear a bag over.

P Peter 15:42

That may have to happen anyway.

15:43

I see. I see a whole new T shirt happening. I'm not gay, but my Siamese brother.

P Peter 15:51

But he's not with a year.

15:55

Oh, this. Oh, brother.

Un, jeez. Un, nottie.

P Peter 15:57

I mean, I wonder if the other brother could think Horace soft. How connected is that mind? You know? What? Is there one or two of those things? Depends on with. I don't know. I mean, now there could be some really interesting questions. Yeah, like if I was sitting there, I wouldn't do yours. I wouldn't do him with you.

♀ 16:21

What about if horas bring some woman home from the night? Suddenly she's got three men to deal with the Siamese brother. A partner of that guy and the guy she met at the bar

P Peter 16:36

against the whole new dimension DeMonte tois

♀ 16:39

ever freaking legs on all new look. Can you believe so? What you know if we had to pull a lesson out of this? This heartfelt story

P Peter 16:51

get unjoined earlier than 82 I don't know what's the lesson?

♀ 16:55

I'm probably be one. But if any, you know if this guy. God bless him. Chorus force of Australia 82 siamese twin can come out to his brother. Well then Well, anybody anybody can come out come on. You can't give me a harder coming out story than that. You'd be hard pressed.

P Peter 17:15

You'd be hard pressed I'm coming out Oh no. I'm Dylan mom. Well go right ahead. That was your beater I used does that mean Siamese twins once gave once God does that just not kid could you not just let your mind go wild? We have Yes, we I would you know and we're just two little tiny mice. Well, one tiny mind in my mind. Then we could

♀ 17:53

talk about Jimmy like

P Peter 17:57

speaking of time,

♂ 17:58

nobody's gonna be beautiful in that group. So I'll do it all

P Peter 18:01

right. You can be beautiful meaning brains always brains up. I guess I'm the one with the money oh my god we could all be joined

♂ 18:12

now be interesting.

P Peter 18:16

I don't think there's a pair of fiber ones a listen with Can you I mean, just stop for two seconds and in your mind get that picture.

♂ 18:27

I'd rather not

P Peter 18:31

say they were 30 years old. Yeah, but he's 21 Well, but that's not the picture I'm getting I'm getting one gay one not joined I mean, hey, hottie

♂ 18:43

J Jimmy Carper 19:28
We'd love to get 419 Lovett Boulevard

P Peter 19:30

∅ 19:36
And we might even talk about you on the radio. We would talk about

P Peter 19:39

o

19:47

P Peter 22:38

And close to the anniversary sort of section. I just wasn't going anywhere either. Evidently it said so your daughter's a hooker and spoiled your day. Look at the bright side she's really a good way

Peter 34:48

We grew up close where you can get the spit as it came out of the ring quite close

34:51

to close for my comfort. You know what's even What's even more appalling and scary than the people in the ring. are the 1000s of people in the Senate just going wild for this stuff? Um, yeah,

Peter 35:06

that's one of the things in a lifetime and that was

35:10

quite scary. And you know, the funniest part was they kind of like they had different matches and things. Well, halfway through, they kind of did an intermission and the announcement comes out and says, you know that they are going to be planning a pay per view special to be filmed at the summit in February. And hold on to your seats, everybody. The tickets are going on sale now at the summit box office for everybody who was there that night to have first dibs. I tell you what, the summit cleared out in like 30 seconds. People were running, scampering, knocking over old women and children to get to those

Peter 35:43

tickets. No, yes. Did you run in scamper with the big crowds?

35:48

Wow. Hell no, I

35:49

don't really scamper for too much and especially not WWF

P Peter 35:55
