Peter, Jimmy Carper

J Jimmy Carper 00:01

In a related article in a related article something I missed this last weekend but the Houston wrestling club which is gay men who wrestle, well, that

P Peter 00:13

can be interesting put on

J Jimmy Carper 00:14

an X exhibition at the venture in

00:18

with or without clothes. Oh,

P Peter 00:20

I was in LA I

J Jimmy Carper 00:22

you know, I didn't know it was going to happen. I had been talking to some people who were talking with this group, and they were supposed to do kind of tear the clothes off my mind. And I missed it. I totally missed it. Plus, oh,

P

Peter 00:40

comics.

J

Jimmy Carper 00:41

They also had dramaqueen they also had drag queen. Oh, now

∅

00:45

that I'd like to say

P

Peter 00:48

find you something you'd

J

Jimmy Carper 00:49

like I hear it was numbered nightly and over you. Wrestling? Yes. Oh,

P

Peter 00:55

no. Yes. Parent each other's daddies often. Wait.

∅

01:00

Oh, hold on. Do you mean to tell me I spend hours a day scanning daytime television hoping to see somebody get their which wig snatched off their head. And here it was happening at the Venturi or you go.

J

Jimmy Carper 01:11

Oh, we missed that. You know, if that was a fundraiser I bet they could have brought in 1000.

∅

01:18

I paid a cent.

P

Peter 01:19

Speaking of fundraisers? Yes. Did you know that and have you seen the crew of Olympus people out at all the bars in the city here? They were selling chances on Oh, tickets for two? Yes. Two anywhere in the continental United States on Oh, wow. For their big party coming up in October faded out, which is going to benefit like the Q patrol and the pet patrol and Steven Stevens house and the lady less than five at once. Anyway, yeah, they're out just suddenly, it'll take us like mad and if you need them, please just drop me a line here at the station. And I will arrange to make sure you get them. Good. Good. Yeah. Throw and everything that made six for five. You bet. And if you hurry, I think it's like September the I could be wrong about this. Like the fourth of the 14 There's a four in there somewhere that that will go 24

J Jimmy Carper 02:20
to 3434.

P Peter 02:23

Anyway, the Montrose softball league is doing their fall. You know, they do a fall season and uh, yeah, definitely spring season. And that is a fun, fun thing. Oh, you know, people keep telling me, you know, where do I go to meet somebody you know, I'm so tired of going to the bar seeing the same old drunk today do to meet people there are and that's one of them. I mean, those people had so much fun. And there's no you don't have to be good. I mean, because I can't hit the broadside of a barn with the door closed. I never played baseball as a child. Wow. happened. I was. I think that's why I was there with my horse, my brother. Anyway, but I didn't even did that we, you know, and, but you don't have to be really, really good to play. You can be really, really good. And they have to go to the they have real call that real fun. And have really fun with you and gals, Mel's Town and Country sponsored a team. And they were they were I mean everybody who just has so much fun. And it's a great place to meet people not in the bar scene and not if you don't want to do that, you know? And it's just

J Jimmy Carper 03:28
or if you're doing some sort of 12 STEP program, that's a good way to meet people and stay away from temptation.

P Peter 03:33

And I mean, and have fun. Yeah. And yeah, it was really so they're getting ready to start their their fall leagues. So anybody that needs information, I'm sure that if you looked in your local twit or wherever, whatever voice and this and that you could find that number or to call the Montrose softball league people and figure out where to go and where to meet and what to do and whatever. So we're just kind of exciting, I think.

J Jimmy Carper 04:00

I think so too. Yeah. Laurie stopped by a little while ago. Lori Clark, she is heading up the Houston aware group, which is the the gay and lesbian group of Southwestern Bell employees.

Houston aware group, which is the the gay and lesbian group of Southwestern Bell employees and their spouses. And their next meeting Saturday, the fourth of October at two peas at 7pm. to B to B's doobies our favorite coffee shop and the meeting after that will be the 28th of September. That's a Sunday at the hobbit hole at 6pm.

♂

04:40

That's only a few you're with Southwestern Bell is that

J

Jimmy Carper 04:44

Wow. Yeah. Okay, the Southwestern Bell gay and lesbian group.

♂

04:52

Yellow Pages and weaseling your way into the meaning. Any We've never seen you at the office.

P

Peter 05:00

Field male employees in the field a

J

Jimmy Carper 05:02

lot also require employees. Yes.

P

Peter 05:08

I'll hook your wires up I'll make your phone ring baby. Oh,

J

Jimmy Carper 05:17

if you need more information, here's the phone number 713-235-7929

P

Peter 05:26

that Mr. Bell had the phone to talk about gaping. So that's the

J

Jimmy Carper 05:29

voicemail for he's aware. Oh, cool, cool.

05:32

Well, we're really everywhere.

Peter 05:34

We are everywhere. We're everywhere. Like, Peter, you really are. I'm obviously not with that ad that we heard from earlier. I wouldn't be doing this show. That's what I think. When you got over there, you know, like I told you this morning as I dashed to the airport at quarter to some ungodly hour before the sun was up. I could not believe. I mean, we complain and moan and groan and bitch and carry on about the Houston traffic. But never in my life have I ever seen the ugly of traffic. It's at that hour on a Saturday morning. freeways were jammed air pours impossible to get into. I was disgusting.

J Jimmy Carper 06:19

It was just people getting out of LA for the weekend. No,

Peter 06:23

because then we were heading toward the down. I mean, we were out. Coming into the city. It was always damp. I go God disgusting. Go home. Why are you out this early? It's Saturday. It really was amazing. I was like, oh, please go and I remember Johnny Carson used to do all that stuff about you know, down the Ventura freeway and take the slosh casket and I went oh, you get to double fork in the road the slot ski exit or wherever they are. You found it. Yeah, I found it. There it was crowded this morning at quarters six or something. But in that time that we did manage to drive over to Santa Monica and Venice Beach and all those wonderful people. Wow, we were in loads of traffic numerous times in that little thing. I was doing an in depth study on bumper stickers. Where are you now and believe me out there. They do love their bumper stickers. Yeah,

07:18

your dedication just amazes me you're eating while I'm

P Peter 07:21

away and you're backing into trash in my ass on the show.

J Jimmy Carper 07:24

Well you know what they say California at the end of fruit nuts.

P

Peter 07:29

All it takes is a quick drive down Santa Monica Boulevard and you can buy it by the town. We didn't do that. But anyway, it's there. But they have bumper stickers. Love the Ramada on Santa even on Mercer Monica Boulevard things even on the big expensive You're kidding. No, it's really amazing. Everybody on the phone going 80 miles an hour five lanes deep and everybody's on the phone. Scariest thing you could ever imagine. Anyway one I found sir calling each other gotta be you and that guy my whole yellow Mercedes get that so anyway, it was really this one I saw it cracked me up. It said Change is inevitable except from a vending machine.

o

08:15

Now that I thought that

P

Peter 08:17

was kind of cute, you know? Um, let's see. Oh, I thought I saw another one. That was really cool. You know, you always see these ones about schools. You know, my kid is a graduate of the feet the camper but well, they had two or three of those different ones one it says as long as there are tests that will be prayer in public schools

J

Jimmy Carper 08:45

like that.

P

Peter 08:47

I saw that I went well you know. And then the one that reminded me about my kids and undergraduate from the blue whatever, which is good. I'm glad your kids anyway. Get off your damn phone and drive. Dead. Anyway, it's this one big huge bumper sticker on the back of this card says your kid may be an honor student but you're still an idiot

J

Jimmy Carper 09:17

Oh, that's great.

P

Peter 09:19

Oh me in California. Friends don't let friends drive naked.

09:26

None of your friends with Peter. I'm gonna have to take those keys away from you. And not trying to hide them in there.

Peter 09:37

Don't even go there for him. You can drop them down your bras the year and I may never find them. But Abby keys they'd be the keys they be. Let's see. Oh, another one I saw was a bartender is just a pharmacist with a limited inventory. I almost wrecked the guy reading it. Small brand. I was like, Oh God

J Jimmy Carper 10:06

that's true.

P Peter 10:08

And the greatest one ever. And I thought just as we were pulling in this morning to leave and I giggled like most of the way here, it says in big signs, you know, and the guy had four or five you know, Jesus went on with this and said, Forget about forget about world peace. Visualize using your turn signal

J Jimmy Carper 10:35

curry. Oh, I would like that one. Yeah. Isn't

P Peter 10:38

that wonderful? God, and the other one I you know, I think this is too good for words, too. It's, it says lottery attacks on people who are bad at math. If anybody you know, anyone's ever one

10:58

of those damn, I recently, actually, as a matter of fact, one I got four numbers.

11:04

I got five ones. What's that? Hey, girl, four numbers gives you 100 bucks. Five. Are you taking me

P

Peter 11:11

out for 1000? Actually, it was one of the World Wrestling organization. Yeah. Oh,

o

11:17

hold on. If anybody has tonight's winning lotto numbers I don't even know what they are all in please. I'm holding my ticket when my little white trash dreams. He started going on to the double wide don't even go about Double Wide Shut up. Shut up. Speaking to traffic with those bumper stickers. I just have to tell you I watched this movie last night rented it from it was a blockbuster night.

P

Peter 11:47

Hey, you know this is gonna be a blockbuster weekend. Ladies. Gentlemen, I advise you out there early. Yeah, you're gonna have the Jerry Lewis marathon. Boom ruins a whole lot. Then you're gonna have anything that die ever thought about? Anybody that ever knew die. Anybody that ever wanted to know die, and it's gonna be speaking 24/7 For now,

J

Jimmy Carper 12:08

I just had a note from a caller. The newest conspiracy theory.

o

12:15

Let's hear it. Does it involve Pavarotti? The Evil Queen

J

Jimmy Carper 12:19

of England ordered a hit on Diana and her boyfriend?

o

12:23

Oh no.

P

Peter 12:24

You knew somebody was gonna have to think that Yep. Cheese. I mean, just too much press. There were Yeah, but I even think the queen

J

Jimmy Carper 12:32

with you heard it here first. Let's see how big it grows

WITH YOU HEARD IT HERE FIRST. LET'S SEE HOW BIG IT GROWS.

P Peter 12:35

But I even think the queen with the ugly hat. Isn't that nasty? To take those poor little children's mother away? I mean, she wears ugly hats. And you know, bad dresses.

∅ 12:48

But hold on. Let me warn you about this movie. I'm not he

J Jimmy Carper 12:50

has arrived folks. a week late but he's here. What's right.

P Peter 12:55

What's right a week late. Hi me. Don't you dare

J Jimmy Carper 13:02

Oh, thanks for announcing it on the air.

P Peter 13:05

That your legs have been together you ran out the door. Is that smoke trailing? I'll be okay. Okay.

J Jimmy Carper 13:14

Is here for right talk about in person and? And with his usual lack of clothing. Thank

∅ 13:21

J Jimmy Carper 13:27

Which movie Crash?

13:29

I didn't know it. I don't know that it was ever at a major.

13:32

Yes, it was later. Yes, it was. What a strange movie. Have you seen it? No. But Jim saw it and he told me all about it. He really bizarre airy comes to tell. We're going to talk about crash.

13:45

Talking about crash. Yeah, I saw it.

Peter 13:48

And it's out there. It's

Jimmy Carper 13:51

it's a lot out. It's

13:52

bizarre. It's just very weird. And you leave the theater feeling kind of numb. It's kind of sick. And yes, this is a very dirty I just want to take a shower.

Jimmy Carper 14:03

It's a movie about people who get what he's over car crashes.

14:06

And then some I mean, he Yeah.

Jimmy Carper 14:11

And like to be in them. Thank you.

14:13

I like to crash and you know, like, like, rub one another's big ugly scars and stuff and like, get

I like to crash and you know, like, like, I'm one another's big ugly scars and stuff and like, you like erections and stuff and they sit around watching home movies or crashes and feeling one another's crashes and stuff and it's very odd.

14:28

And you know who's in this movie? Who's really let me know

P Peter 14:32

who let you down. Connie. Hi, me. Hi.

14:34

I love her. Hi, I'm Holly Hunter, and she's in this freak Zoid movie

14:39

freak aside, but the movie works for what it's set out to do. It does. It does very well. And it

J Jimmy Carper 14:46

seems that most people's sexuality in this movie is very fluid. Oh, yes.

14:50

Oh, well, yeah.

14:51

Yeah. Cars people doesn't man women,

J Jimmy Carper 14:55

whatever.

P Peter 14:57

kind of you know that that one Um, personal that you read this earlier? Yeah, yes. No, no no one African to read that one again that secret that is the STD one sexually transmitted disease which I would thought no one would ever I in looking through all these greeting cards that I

picked up earlier. Yeah, price sale Don't tell me. There's one especially for that person that wrote that article.

∅ 15:21

Oh geez,

P Peter 15:22

I heard you had herpes and I feel terrible. I'd say Get well soon but I know it's incurable you could send it to that guy. I mean, he's asking for somebody that

J Jimmy Carper 15:35

that's perfect. Yes, perfect. Say there's a card for Arizona guard

P Peter 15:39

for all occasions rarely the one thing if there isn't, we'll make one

∅ 15:43

the last line of the crash movie. As this beautiful woman's laying out here in the grass. She's just flipped over her little Mazda Miata, you know, whatever. She's laying there and here comes James Spader. You know, he says, are you okay? And she goes, Yeah, I'm okay. It's like no, you're not you're not okay. You're a long way from okay.

∅ 16:08

That's the lines

∅ 16:12

and then he says, Oh, well, maybe next time it's like next time why you'll be dead. I mean

∅ 16:19

a whole new perspective on the traffic situation. Wow, yeah.

∅ 16:26

Oh, yeah, it has fetish.

P Peter 16:28

I don't want to rub anybody scarring good. That sounds disgusting. lived through

∅ 16:34

that experience with the potential

P Peter 16:38

potential for this show in LA can

J Jimmy Carper 16:40

23:25

Yes, I'm here. Yes.

J Jimmy Carper 23:27

What's up, John?

23:28

Oh, not a whole lot. Just got back from Omaha, Nebraska. We went up there for a fantasy weekend. Oh, how

23:34

was it?

23:35

It was fun. We had a great time. Yeah. It was one big party. We amazed some people from what I hear. What did you do? Nothing. I don't do here. They were I think they're actually they were amazed by the alcohol intake and I don't understand it. They obviously well, they don't live here. So they don't know.

J Jimmy Carper 24:01

They don't see you in action. We know. They did.

24:03

Yeah. It was it was but it was a great time. I wish I knew what the guy's name that one. He was from Minnesota, or was it Michigan? It was one of the n states. You could tell. I was really interested in

J Jimmy Carper 24:19

our crack reporter John Bennett. reporting on.

24:25

It was a great week and they always throw a great weekend. They had a contestants. The guy Steve Waldron competed. He's from Dallas, Texas. He represented Texas fantasy. And he came in second. Second runner up. Which you know as well, I helped him with his fantasy. I know. That's why he came in second. I'm sure.

J Jimmy Carper 24:54

You are never at a loss for fantasy.

24:56

Oh, no. No, I'm sure I didn't help him. That's what I was trying to say, oh, oh yeah, it happens. It happens. My mind was completely there. Yeah, I was interested in, you know the bar upstairs. But I'll tell you this much. Omaha surprised me number one. I invited a friend to go with me last year when I went to the one last year. And his reaction immediately after so do you want to go to Omaha was with me was Omaha? Yeah, really? Omaha? Why do I want to go to Omaha? Well, they had the year that we went, they had about 250 people from all over the country and outside the country. Their most and most of them are men. And they had a great show. Last year. It was the first year. It was the second year that they had a contest with it. It's like the I think next year will be the 10th fantasy that they put on. And took Tony he had a great time. Both of us had a great time. Sorry, Tony. Had Ryu we had a blast. So when I asked him if he was gonna go this year, he was like, you know, when you when I told people I was going to Omaha? I never thought I'd be saying I was going to Omaha and well really? And then he never thought he'd be saying he was going back. Oh, it was that much fun. And I think he'll go back again. Take Shan car is going to emcee it next year. You won't miss it. Oh, no, I'll be there. Are you kidding? She's my buddy. Yeah. But other than that, it's been it's been pretty time. I heard earlier this evening that Diana died.

J Jimmy Carper 26:42

Yes, yes. That was on the news. I caught that about an hour before the show.

26:48

That's a bit much but you know, her life was so tragic, though I

J Jimmy Carper 26:53

don't know. You know, it was so wonderful in so many ways. And she became known all over the world. Well, yeah, immediately. And started out kind of with a fairytale romance. And the wedding of all wedding of the century. Yes.

27:13

Who do you think's gonna player in the movie?

Jimmy Carper 27:18

You know, that never occurred to me. But of course, there'll be a movie of the week, you know, coming out at the end, and it'll

27:25

be here next year. I think it'd be fairly long. But it could be Goldie Hawn. You never know. You know, I make

Jimmy Carper 27:36

a little long in the tooth.

27:39

I didn't say oh, did I like that?

Jimmy Carper 27:44

36.

27:45

Who is that girl? Nicollette Sheridan, who was on Knott's landing? Maybe her? I don't know. I don't know. Yeah, make light of it. But I really don't mean to I feel sorry for children. Yes. Especially the children. And I actually if she was going to pass away and feel bad that she had to live past it at all, because it had had to be painful. Yeah. Yeah, painkillers. Probably were pretty good, too. Sorry. He looked at me in amazement as my mouth opens.

Jimmy Carper 28:17

I'm trying to keep on your wavelength. I really. I'm sorry, I keep wanting to go in one direction. And John should dragging me off. And

28:28

I do that all the time. You should be used to that now.

J

Jimmy Carper 28:31

Ah, yeah. I don't know what that you ever get used to it? No, actually. Yeah, because the last few years of her marriage must have been really awful. And of course, lots of people have gone through divorces, but they didn't have worldwide coverage of their divorce.

Ω

28:49

Yes. And well, actually her entire her entire life for the time she married or started seeing a Prince Charles. Her life was upside down from that point on and stuff about her father came out. Yes. And you're all of her

J

Jimmy Carper 29:05

anything anybody's personal problems. And it it appears that the reason for the accident? Was paparazzi following them. Yes. And so maybe this will say something to the world about public. People do need to have some sort of private privacy. Yes. And they everyone deserves a little privacy. I don't care how open you are or what you are in the world. You know, some things should be left alone and maybe something will happen now.

Ω

29:44

I hope so. I hope so. Hope

J

Jimmy Carper 29:45

some good will come to this. No, I

Ω

29:47

haven't heard about the bodyguard that was with him. The last

J

Jimmy Carper 29:52

I heard he was still in critical critical condition. Yeah. But it's the irony Have the body guard is the only one that the three still a lot or four still alive are there were four people in the car the driver, Dottie and,

Ω

30:14

and die.

J

Jimmy Carper 30:15

Yeah

o

30:18

it's sad. It's very, very sad.

J

Jimmy Carper 30:22

So what else? This is maybe kind of a slow weekend in Houston because there's so much stuff going on outs we've got

o

30:30

you've got southern decadence.

J

Jimmy Carper 30:34

I would try Omar was talking about Southern decadence on politically incorrect.

o

30:41

Oh, you're kidding. Yes. Who were his guests?

J

Jimmy Carper 30:45

He was it was in his monologue. Oh, okay. That he was talking about it. Because he, the joke was, he was talking about this, this, this thing for? He said, There's this thing in New Orleans going on this weekend called Southern decadence. And he said, well, before you get excited, it's for gay men. And he said, You know, it's just terrible, you know, all of these guys running around in costumes, you know, running into each other and rubbing up against each other and all that and by the way, football season starts

o

31:23

well, yeah, it is kind of being a it's kind of a context for it, sir.

J

Jimmy Carper 31:29

Yeah. After? Yes.

31:34

And then, you know, in Texas, if you didn't feel like leaving the state and still wanted to travel a few hours away. You had last splash and Austin Austin.

J Jimmy Carper 31:43

You know, it's kind of funny, because many, many years ago. first blush and last splash was a big deal in Galveston. Not in Austin, and now it's just reversed itself.

31:59

I wonder what it is? Well.

J Jimmy Carper 32:04

You know, it's hot in Texas. Yes, it is. And that water when you give ice cold and when you get on the Galveston beach, there is no shame now there's not. So it was not fun. Sometimes, for people who didn't do beach things all the time. You know,

32:23

also in Austin, at Lake Travis, I've got a beer barge away free beer. I know because I've had my inner tube to

J Jimmy Carper 32:34

a straw. Please.

32:37

Forget the straw in the glass. Pot. But what is that thing called a keg? Yes. Just pumped that keg and just spray it in my mouth. I'm fine. I don't even drink beer. But it was free. Yeah, exactly. I've always had fun in Austin.

J Jimmy Carper 32:54

Yeah, it's the more it just seems a more congenial group.

32:58

And it's you know, even though New Orleans is New Orleans, and you know, they're having this big party and you I used to have it here. It wasn't it wasn't you know, clothing optional.

J Jimmy Carper 33:07

Right here.

33:10

It was not clothing option. Absolutely

J Jimmy Carper 33:11

not.

33:12

So that in itself is kind of a draw. For me it is. But all you people who are thinking about going now get clothing optional was fine. But that doesn't mean sex optional. That just means you have the you know, you have

J Jimmy Carper 33:23

clothing optional is very different. Very different. And

33:27

even now, it's gotten so much worse. You know, the police have really gotten on on top of it. Because I use that word lightly. When I went, not this first splash this year, but the year before I went for an event called TLP. Texas leather cry. Yeah. And the end of their event has a boat that goes out. No, nice.

J Jimmy Carper 33:56

That's the way to do it. Well, I'd

33:57

never made it. Tried. When I was a tenant is a building built on a tennis court held up by

Styrofoam. Oh, and they had like they had to onboard MERS yes, that were made for a boat much much smaller or whatever this thing. Anyway, it was a lot of fun. But we didn't make it the first year. We didn't make it. Second year we decided not to do the boat. Because my other half hates the water. Of course, not thinking he he puts a lifejacket on and then ties themselves to the boat I had tell him, Don about it's about saying you don't want to be tied to it.

J Jimmy Carper 34:38

I'm not much of a person either. But I think it's much more it's much easier way to get to get the hell out of them than tramping through. Oh,

♂ 34:48

yes. That was a getting back to the story. Yeah, after you know I went through it a couple of times we decided to go to happy hollow and be on the go to go to TLP but after everything was over, go to the rocks, rocks and get sun. And we did had a great time. Don't try to take alcohol out there because our don't try to have sex in the bushes now because the police officers were running in packs of like 15 Why it was like a small army and there were like, you would not believe the amount of little packs of state police officers that were I there couldn't have been any police officers in Travis County at that point because they were all well, you know, they did that thing where a bunch of people were arrested. They did the same thing in Waco.

J Jimmy Carper 35:42

They've been doing it in Memorial Park again. So watch out boys. Yeah, that's it. I don't go there. And don't even think of the Jewish cemetery on Allen Parkway. No, no, no. No,

♂ 35:54

if you're into any kind of warrior stakes, bookstore, the battles

J Jimmy Carper 35:57

go to the baths. Gosh, I mean, you know, I was there last Wednesday night. They got Bush's trip show going on. Boy, was that fun? This weekend? There's barbecue. Yeah, they do. Going? It's either on Sunday or Saturday. Well, they do especially for Labor Day.

♂ 36:16

They do. They do food. Yeah.

J Jimmy Carper 36:20

I'm sorry. No, that's okay.

36:24

That you food and they have entertained? Yes. And you don't have to worry about going to jail.
No

J Jimmy Carper 36:31

condoms are providing. And even somewhere in the voice. I noticed that there's a schedule of when the the Montrose clinic is going to be around. They're going to be in several of the bars. I was coming.

36:48

Actually, I think next that next weekend, we've got the AIDS Foundation. Oh, doing their outreach at Pacific trade. I don't know if it's on their advertised not yet. But they've that we've been doing that like once a month now. Works after grow. After glow. It's after Mardi Gras. It's like a Monday night. Oh, I do if you get a pass low pass. Yeah, you get a pass. You get it and free on. I believe it's Mondays. And they give those out Friday and Saturday night. Cool, I believe. Let me read this out. couldn't work. They're really Labor Day. Yeah, that would be Monday. Yes, it was it. I think it's gonna be kind of a slow, slow weekend.

J Jimmy Carper 37:36

I think so. A lot of people and Corpus Christi has been advertising to I saw them all over the twit. So maybe they're splat for some kind of splashy advertising just places that don't normally advertise. So I'm thinking maybe they're trying to institute

37:54

it. And they've got they've got a fairly nice beaches out there. I mean, I haven't been there in years. Well, somebody told me that the water in Galveston got clear and I went down there and was so disappointed what ya know,

J Jimmy Carper 38:07

what are Galveston is never clearing got and never gonna get clear.

38:10

You know, this. This right here can testify that I you know, I was

J

Jimmy Carper 38:15

someone else in the studio folks.

♂

38:17

corpus. I've never been to the corpus reaches. I hear they're nice, nicer than Galveston beach. As far as the beach and the water itself. I don't think it's that much nicer. It's still a Texas beach.

J

Jimmy Carper 38:30

It was very pretty when I was there years ago, however, it was very, very windy. And the sand was taking the paint off of my car. Oh, that's not no it was not No. We didn't stay very long. Because it didn't feel good on you. No, no, not No. Something like that. So well, I it's just it's just the fact that it's the Gulf and debris aside. It's just going to be muddy water.

♂

38:59

I have to say I have to see what is swimming in the water near me. I don't know why.

J

Jimmy Carper 39:07

So you prefer I'd go in or Hawaii.

♂

39:09

I prefer water I prefer to go swimming pool or my bass. I see I see. So I want to say I want to see what you know. Okay, so

J

Jimmy Carper 39:17

if you go to the Caribbean and you're standing neck deep in water and you can see your feet and you see fish floating or swimming around you

♂

39:25

it won't be it would probably would that I would not probably get in the water this one right here was I was watching the fish jump out of the water and every time one jumped within two feet of me I had fit and if one touched rate if one touched me that was even worse.

J Jimmy Carper 39:42

John you're invading a fish's home you know they live now.

♂ 39:46

I know you know maybe we should use the same kind of what you're using with me was straight people you come into gay character territory you have to deal with homosexual Yes,

J Jimmy Carper 39:56

that's it or do you want to just put this huge condom mouth. Keep all

♂ 40:04

good promo for body calm. No no, no, no, no, no. Let's go. I was looking Yeah, man.

J Jimmy Carper 40:17

Oh, yes. There's lots of stuff. There's there's. The court is very busy this weekend they're putting on two shows.

♂ 40:26

Oh, yeah. It's been. I mean, they've been busy doing several things.

J Jimmy Carper 40:33

Tomorrow, Lexi Bowen is hosting the female line, a coronation for current coronation. 14th at chances that'll be going on, you know, nine ish, 10 ish. That's always a good show over there are girls. And they were doing some something else.

♂ 40:59

Is it listed in there?

J Jimmy Carper 41:03

No, the I'm not seeing it. But I read it somewhere else.

41:09

There's a well thinking of this September 5, my either myself or Donwood will be bartending at the Venturi. Oh, and the court is doing a show. When is that? It is on September 5. Okay. And those of you who know who can Claudia's I can't imagine anybody who doesn't need to show up at Mary's Yes. This is for his travel farm. Right. Which, you know, I've done that week or we've talked about this, it can be a lot of money. It's a lot of money. There's a lot of money. Yeah, it is a whole lot of money. You know, another speaking of the I'm gonna go back to bartending at the venture in the not only does the money from the show that is done is donated to the LBL holiday fun, right? It has all the tips that the bartender's are donated to Oh, anyway you do it there the only thing that you know, is not being done as Jim has been nice enough to allow us to bartend and allow Don Gill to do a show there. You don't get a discount on the drinks. Well, but leave a big tip. Order Yeah, hey order, well beer and give it to someone else. I mean, draught beer and give it to someone else.

Jimmy Carper 42:31

There you go. It's, it's supporting the community and getting money within the community. Also, a lot of bars are having food this weekend. I know the BRB is doing a barbecue and chances is going to have red beans and rice and

42:50

cool for the venture. I don't have food on Sunday probably probably might be doing something on Monday too. I didn't see anything in there and let's see who else is having for you
