J

Jimmy Carper 10:22

B

Buddy Johnston 10:25

10:36

Camp events that are just fun. Like what one call stir decorating was to man team one. One person has a tie ribbon on the steers tail. The other one has the rope around his horns nastic rope off the horns and the other one that has the at the top ribbon on his tail then they go run to the shoots a timed event. Then there's a goat dressing with put jockey shorts on a goat. This and while drag race while record three men team Yeah, it's usually two men and a woman. One person's in drag that two people have to carry the steer to the a chalk line out in the middle of the arena. I mean, drag it some way to this chocolate. When do you see it that way? They get down here and grab by the tail just anything. And the one and drag has to get on the steer and right across the chocolate. Drag Race that's regular rodeo

Buddy Johnston 11:32

and you're talking regularly have they ever had a rodeo in Sam Houston Coliseum?

11:36

Well, not since you know the Houston Livestock Show and Rodeo days. Yeah, was there. I think it's been a while.

Buddy Johnston 11:44

So we're getting all excited. People from Texas are talking it up. I see that the Hyatt Regency downtown is the host hotel. And Airlines is giving discounts for folks to come

11:57

get tickets through ticket Tron.

Buddy Johnston 11:59

This is a little brochure about the rodeo How can you get a copy of this brochure or get more information Vicki on what what to find out when you get there?

12:08

Well, the brochures themselves we have just all over the city with our commercial members. You know, we have stack semanas sitting out there. Okay, but then we have our state prisoners located in Dallas. We have a hotline that they can call and get any kind of information they want. Just

 Buddy Johnston 12:22

If you need the address or the phone number and you didn't hear us you can always get it I'm sure from the switchboard and you betcha or you can call us here at after hours and we'll provide you with that. Ken, who's coming with you do you know in October two, because we want you to bring I mean, it's nice to see you. Glad to have you here. Well, girl bring some of those

 12:57

 Jimmy Carper 13:29

we're wanting to talk about this. Houston. hoedown. Yeah.

 Buddy Johnston 13:32

We'll keep pushing that and keep playing your card. It does sound good. I have any of your folks heard it is anybody so they've heard it?

 13:39

They would admit it and they did. Was that your voice on there?

 Buddy Johnston 13:44

Tell him to tune out and good. Tell him to tune in and listen, we got a lot of fun doing that.

 13:50

I'm sure they appreciate listening to it if they ever hear it.

 Buddy Johnston 13:52

So the hoedown is on. We've been playing the hell out of it. hoedown is Attard and Astrodome Grand Ballroom? And that Saturday, September the 29th. At HB Murray, is this, is there a charge? It doesn't say here.

 14:10

\$10 per person.

 Buddy Johnston 14:11

That's not bad.

 Jimmy Carper 14:14

That's why banned and all that that's,

 Buddy Johnston 14:17

that's really good. It sounds great.

 14:19

We thought we'd tried to make it and we're looking forward to come to have a good time. It sounds like a lot

 Buddy Johnston 14:23

of fun. We'll be there. And I know we'll be here. And we'll be taking our tapes down there and doing all kinds of stuff. The Rodeo runs Saturday from eight in the morning until 1pm. Is that right? Or the rodeo starts at 1pm. So what time would it be

 14:39

usually over about seven on Saturday and usually over between four and six or Sunday?

 Buddy Johnston 14:44

Buddy Johnston 14:44

So that means we'll be busy girl on the tent. I know getting some time. We haven't recorded some stuff to bring back. Yeah, that'll be fun.

14:52

And the awards are Sunday night at eight o'clock.

Buddy Johnston 14:57

Well, thank you, dear.

14:59

You're more welcome. Thanks. he'd

Buddy Johnston 15:00

And of course, we're all looking forward to that. And we're going to be equally excited about the Houston hoedown at the Sheraton Astrodome Grand Ballroom. On Saturday, September 29 1990. Yeah. And you'll keep us posted right? You bet. Please do my pleasure because I'm really looking forward to I haven't been to a good rodeo since I was a kid and Van Buren, Arkansas. I went up the

Jimmy Carper 15:32

Van Buren, Arkansas 300 people in that I went we had rodeos

Buddy Johnston 15:37

marry, I went out to the Astrodome and saw that little rodeo it was no big thing. Girl

15:45

time yourself some jockey shorts on a goat

Buddy Johnston 15:47

that is the Texas gay rodeo coming to the Sam Houston Coliseum in November so stay with us and you'll hear all about it right right right

16:05

here it is become butcher Nelly in less than a day simply by taking the little pink pill. There's no need to recruit, seduce or rely on environmental conditions anymore. The little pink pill does it all. Just one tap up before breakfast breaks the cycle of heterosexuality for a full 24 hours. For years. heteros have been asking gays if they would take a pill that would make them straight. Well, last quieres Bell Labs have responded to this dilemma by giving heteros a taste of their own medicine. Yes, the little pink pill does it all. The boring cliched life of a heterosexual can vanish in one gulp. Mrs. Betty Morgan of Gresham, Oregon talks about the little pink pill.

16:40

My life was a mess, bridge clubs, gross husband, alcoholism,

16:44

you name it. Then one morning I got my act together and took the little pink pill. In an instant my sexual orientation changed, as did my desire to be married. Well, within a week I ditched my old man met a terrific woman and got joint custody of my children. All this without why retention headaches or loss of appetite. Thanks little pink pill. You made a new woman out of me.

17:10

Results may vary but don't consult a physician. The little pink pill it does it all. And it's available soon. Oh, yes. Is it available?

Jimmy Carper 17:23

I've been taking it for years.

Buddy Johnston 17:24

I'm sure you have a Shawn. What's happening out

17:30

B

Buddy Johnston 18:38

to six KPFT. We're having a great deal of fun this morning. But remember, there is a reason that we're here. Right?

J

Jimmy Carper 18:48

It's very underneath all the fun. It's very serious kid.

Ω

18:52

It was a wonderful moment. When they started to unveil that quote, there was absolute total silence. And the names were read one at a time. Hundreds of names and people began to cry and total strangers were hugging each other.

Ω

19:21

Boots are being polished to operators clean their horns, chains and locks towards the crusade has begun. Once again flags of Christ are unfurled and the dawn and cries of soul saviors sing apocalyptic on airwaves. Citizens good citizens all parade into voting booths and in self righteous saying to the ex away our right to life. I do not believe that some that the vote is an end. I fear even more. It is just a beginning. So I must make assessment look to you and ask, Where will you be? When they come? They will not come a mob rolling through the streets, but quickly and quietly move into our homes to remove the evil, the queerness the faggotry from their midst, they will not come clothed and brown and swastikas are bearing chest heavy with gleaming crosses, the time and need for such uses are over. They will come in business suits to buy your homes and bring bodies to fill your jobs. They will come in droves to rehabilitate, and white coats to subjugate. And where will you be when they come? Where will we all be when they come? And they will come? They will come because we are defined as opposite perverse, and we are perverse. Every time we watched a queer hassled in the streets and said nothing. It was an act of perversion. Every time we lied about the boyfriend or girlfriend at Coffee Break. It was an act of perversion. Every time we had I don't mind gay, but why must they be blatant? And said nothing. It was an act of perversion. Every time we let a lesbian mother lose her child and did not fill the courtrooms. It was an act of perversion. Every time we let strikes make out in our bars by we couldn't touch because of the laws. It was an act of perversion. Every time we put on the proper clothes to go to a family wedding and left our lovers at home. It was an act of perversion. Every time we hurt who I go to bed with is my personal choice. It's personal, not political and said nothing. It was an act of perversion. Every time we let straight relatives bury our dead and push our lovers away. It was an act of perversion, and they will come for the pervert. And it won't matter if you're a homosexual, not a faggot, lesbian, not a dice, game, not queer. It won't matter if you own your own business have a good job or SSI. It won't matter if

you're black to kind of Native American, Asian or white. It won't matter if you're from New York or Los Angeles, Galveston or Sioux Falls. It won't matter if you're rich off them not into rows, monogamous, non monogamous. It won't matter if you're Catholic, Baptist atheists Jewish or MCC, they will come they will come to the cities and to the land to your front rooms and in your closets. They will come for the perverts and where will you be when they come?

24:13

President of the Board as President of the Board of Supervisors, it's my duty to make this announcement. Both Mayor Moscone and supervisor Harvey Milk have been shot.

24:36

Shooting we're not in Kansas.

25:29

We must destroy the myth Swanson's law is shattered. We must continue to speak out. And most importantly, most importantly, every gay person must come out for KPFA to run out

26:07

You must tell your immediate family you must tell your relatives you must tell your friends if indeed they are your friends. You must tell your neighbors you must tell the people you work with you must tell the people the stories in shopping

26:34

once they realize that we are indeed their children then we are indeed everywhere. Every lie every innuendo will be destroyed once and for all I asked people to do one thing for America

27:09

guns auto last Marjorie's plan got me you wealthy man wouldn't have

27:26

to work at all. I'd fool around and

27:35
