 S Scott Lewis 00:01

Is that what you called about Chuck was to talk about Michael Jackson or No,

 00:04

actually, I called about the parade. Oh, okay. Tell what. Last Sunday was my first grade I ever went.

 S Scott Lewis 00:10

Oh, really? How old are you? I'm 2323. And, and how have you just come out? Are you even out yet? Or

 00:17

when? I when I was 18

 S Scott Lewis 00:20

but this is your first parade? Yeah.

 00:22

So I mean, I would just I had always been busy or whatever. But I just thought was really, really nice. Except they forgot one award.

s

Scott Lewis 00:29

I think they should have done. Was it an award for me? That was

o

00:32

the most Chase float. And it had to have gone to CBC. Handing out those little coupons. Every queen was safe in that flood. So that's my award, just the most tasteful and Maria Todd was very good. Oh, good. I loved her. She was funny. And pink was pretty good. new artists. And you were very good.

s

Scott Lewis 00:57

Thank you.

o

00:58

That's what he wanted to hear.

o

01:00

That was all you had Howard out there. I didn't just say hi though coast to pass out because it was so hot.

s

Scott Lewis 01:07

Well, I know it was hot, but it was great. And we had a lot of fun. And I'm glad and I'm glad you had a good time and it's gonna be even bigger and better next year. That's right. All right. Thanks, Chuck. Let's take another one. Hello, caller Are you there? Oops. Let's try another one. Caller Are you there? Hello. Well, we're just hanging up on all again let's try another 1/3 Time's charm get a Delta Okay, let's try another one now. Hello, are you there? Is somebody there? Oh, hello. Who's this? What happened? He was there and he left me typical man. Typical man. He's there for me. Right we get it gets me all excited. Gets me all worked up. I think things are going good. I think it's gonna happen. I think it's gonna work. And then he's gone. colori there. Yeah. Because this Hello. Hi.

o

02:23

Hi. I just want to make a comment on Michael,

s

Scott Lewis 02:26

What's your name? Sandra Sandra comment on Michael Jackson

02:31

Well, I think that you know, the word obviously is anti segment. So that right in context, I don't believe the message is anti semitic, right, kind of like redoing songs like rewriting Huck Finn without the word nigger in it, it kind of right, because you really can't go back and change someone you can't

s Scott Lewis 02:53

go back and change history and to take that word out of out of Huck Finn in the period it was in and you would be missing an incredible part of history,

03:01

right? changes the whole meaning.

03:04

That was, you know, a very important part of Huck Finn, you know, that was part of the message that was, you know, being put forth in it. You know, what's what's really remarkable, though, about this, I think, is that it was originally written and you would, you would expect that, you know, minority communities would be able to recognize this and see it for what it is and nips the process before it got to the stage. You know, I mean, bite me could have been in there just as easily as take me that's my point.

03:34

Right? It needs to be taken in context and in you know, in within context of don't think it's anti semitic take it out of context. It certainly is, and, and almost anything can be is can be offensive. Anything you say, out of context can be seen as offensive.

s Scott Lewis 03:53

I know people who've seen me naked and found it offensive,

03:56

but wasn't in context.

s Scott Lewis 03:58

SCOTT LEWIS 00:00

But was it in context? No, they were sober enough. That was the problem. Their ecstasy was wearing off.

04:08

So Sandra, were you out at the parade?

04:11

No, I wasn't friend of mine nearby. on a bike.

Scott Lewis 04:15

rode by the parade on a bike rode through.

04:19

Pretty much so where do you live in?

Scott Lewis 04:23

Shorts town? Okay, I know where that down by that mall. Y'all have a mall down there?

04:27

Yeah, one of your favorite clubs too.

Scott Lewis 04:31

Yeah, yes. My favorite nightclub. Let's

04:33

see No clubs, club energy.

Scott Lewis 04:34

Have you ever been out there? It's fabulous. But let me tell you I reached the other now Senator, you may or may not know this. I kind of have a little fixation. It's been called an oral fixation but we won't go there and tonight. fixation with Hispanic men. And I have for so long

wanted to go to one of these clubs, these Hispanic clubs where? Oh Sandra One of these Hispanic clubs where you have to go I've heard about and where you have to go through the metal detector and then get forest. womb Pedro took me to one on Thursday. It was fabulous. It was fabulous. There were four white people there and about 1200 Hispanics. She was in heaven. I kept going in and now they're like, why you keep going in and out? I was like, I keep getting Frist. All right, Senator, we thank you for calling. Okay. All right.

05:29

Hello, caller. Are you there?

05:30

I am. Who's this? My name is Seth. Seth. Yeah, my talk.

Scott Lewis 05:34

This is Miss Scott Lewis and Dr. Rob the love doctor.

05:37

How y'all doing? Hey,

Scott Lewis 05:38

we're just ready. Good to be alive. How are you?

05:41

I'm hanging in there. I wanted to say my given my two cents worth about Michael Jackson do. Okay. Well, I just want to look at it from an artist point of view. I think that it really was he kind of worked out by changing the words if he wrote them in the first place. I think he should have stuck by him. As opposed to you know, going back on what he did.

Scott Lewis 06:03

Right. You know, that's something I've got an interview later in the show and a play with Michael M who androgyny who has a couple of dance hit records out and that's something that he said that that was selling out he said it's like when when he did the black or white video, and he smashed in a car he said first of all, how could Michael not see that smashing up a car with a sledgehammer is not a vile is a violent act? How can you not see that that's a violent act number one. Number two, how as an artist, can you take back one of your expressions?

06:33

Exactly, it means that that expression, in my opinion was never true in the first place.

06:38

Which raises a very good point, you know, what exactly was his point for, you know, putting out this new album and doing his work with the sister, you know, most likely trying to win back some public support from that whole controversy. And, you know, geez, just kind of backfiring on this one particular track.

06:56

I think so. I like I like your station now. By the way. I'm a new fan.

Scott Lewis 07:04

A new fit. How old are you said 2424. And West Park town. Do you live in southwest? The Galleria area in the Galleria area? Do you come out much? Yeah. I'm just a big old party animal.

07:17

Actually, I'm a musician. Can I plug the name of my band? Absolutely. Great. Clockwork 13. We're going to be playing soon in Fitzgerald on the 12 Oh, really? We hope you all come out and check us out. We will do it. It's gonna be really cool. It's more of a

Scott Lewis 07:31

show. You should send us some of your music here at the station. We could

07:34

play it. You know, I would love to and I will take you up on that. Hey, I'll

Scott Lewis 07:38

take you up on anything you offer. All right. Thanks for calling.

07:41

Thank you very much. All right. Bye. Bye.

THANK YOU VERY MUCH. ALL RIGHT. BYE. BYE.

s

Scott Lewis 07:43

Call. Are you there? Hello. Hi. Who's this? Thomas? Thomas. How are you? Fine. What are you up to tonight? Oh, not much. You called about Michael Jackson. Yeah. What do you think of the whole anti semitic scandal? They

o

07:57

shouldn't knock him like that. Because I mean, he's the king of PA

o

08:02

is leave him alone.

s

Scott Lewis 08:03

King or Queen, one?

o

08:05

Queen. They shouldn't put gays in their own race because we're still people to

s

Scott Lewis 08:11

write. But so you don't find do you find the song anti semitic at all? Not really. How old? Are you? 1818 Have you graduated high school yet? No. No. Okay. You go into public schools, aren't you? Yes. Okay. Just a hunch. So what are you doing tonight? Just hanging out on a Saturday night listening to us? Yeah. And which area of town are you calling from? Friendswood. Right now, where's that? Is that south on? 45?

08:44

Clear Lake. there abouts. Right.

Do there's an organization called hatch. It's the Houston area teenage coalition of homosexuals that meets on Fridays and Sundays down here in Montrose. And it's like a big social group and I haven't been in a long time.

09:33

They kicked you out.

S Scott Lewis 09:35

I said, I said your two elements Louis, get out. But God last time I went was probably a year ago and they said that I mean, there were like 100 people there. This is what I have to remind you that you're listening to Scott Lewis and Dr. Rob the love doctor on 90.1 FM KPFT Houston and 89.1 fm KEOS College Station and Bryan Yeah, you got it. Do we have a phone number? Where's a twit?

10:02

S Scott Lewis 10:06

10:12

10:16

S

Scott Lewis 10:17

He's trying to find the number it's teasing. I can't find the damn number. Houston area teenage coalition 94242700270 That's right now called give them a call because they made on Fridays and Sundays I think on Sundays like their movie day and they'll watch like a gay movie or something. Scott Lewis 14:14

You wanted to? Not wrong choice of words, Carlos. Anyway. Hello. Oh, I cut them off. I don't know. I don't want him saying that. No, this is my show. Now when he gets his own show, then he can use derogatory terms. You know, it's just like Michael he has that album and he can say cake if he wants to. But you know, he could take it off if he wants to. I want to tell everybody I'm a faggot. I don't. I don't like that. What is the Southern liner? Is it colori there? Hello. Hi. Who's this? Johnny Johnny. ar e parade. That means in reference to

14:52

Yeah, I wanted to say I just love that parade.

Scott Lewis 14:55

Oh, did it was it Yeah. How old are you Johnny?

14:57

2323. And

Scott Lewis 14:58

was this like was Have you been to the gay parade before?

15:01

Now? This my first year? What did you like best? I like probably the float. Like all the floats.

Scott Lewis 15:08

Did you go to the concert afterwards? No. How come?

15:12

Kind of down? You were down? Yeah. How come because my boyfriend

15:17

just broke up with me. I was just trying to cheer myself up. Right.

s Scott Lewis 15:21

So what happened? Tell us a story. Dr. Rob, the love doctor is in the house. We can counsel lay it on us. We can make it all right.

15:29

I think he might have broke up with me for another woman.

15:33

Oh, lordy. It happens.

s Scott Lewis 15:37

It happens to some of the best of us.

15:39

What was he? Was he bisexual?

15:41

No, or? He must have been.

15:45

How long? Have you known this guy? for about one year? See, I've been dating for a

15:49

year. Yeah. And just up and he's gone one day and all the stuff out and everything he just left me with basically nothing.

15:59

So was he living with you or Yeah. What area are you from? Where are you in? He's from Friendswood Friendswood.

s Scott Lewis 16:08

Yeah. Oh, well, maybe we can hook him up with that other guy from Friendswood how old? Are you Johnny? I'm 2323.

16:16

So So is it difficult living out there in Friendswood? I mean, I wouldn't imagine they got tons of gay bars.

16:21

No, there's nothing at all.

s Scott Lewis 16:23

Where do you go for fun?

16:25

Basically, I'm go to hang out on Montrose on Montrose. Were over there buy tattoo bars and just

s Scott Lewis 16:35

don't go to the gay bars.

16:36

I've been to a couple I mean, they don't really throw me there's really no cute guys there. I've never seen

s Scott Lewis 16:41

Oh, you've been going to the wrong ones.

16:46

Oh, can you tell me some good ones to go to?

16:50

We could we could run through a list of what's out there. I mean, yeah. For different. Exactly.

s Scott Lewis 16:55

Depends on what you're looking for.

16:57

I'm really looking for a guy just right out here close to me somewhere. And he took the bed and everything. Um, I've been sleeping on the floor.

s Scott Lewis 17:11

He checked out. Did you just like come home and it was all gone. I came

17:14

home and the entire

17:16

apartment was just how old was this guy?

17:19

He was 2222.

s Scott Lewis 17:25

And what do you do for a living?

17:28

 I'm not working right now.

 S Scott Lewis 17:30

Oh, so that's why you won't be buying a new bed anytime soon. Yeah.

 17:34

I'm still trying to find a job. Just people always. They just look at you. And they look at me until I'm that way and just they turn their noses right away.

 S Scott Lewis 17:46

Well, sure. I must be difficult living out there and friends with Yeah. Goodness. Well, I'll tell you there's Riches on Thursday nights or Saturday night. Heaven Wednesday, Friday. Saturday and Sunday. It that's if you like hooked me. Sure. Look is on the phone. There's somebody from Friendswood on the other line. Can we can't put them on together? Yes. Put them all together. Chuck, are you there? Hello, Chuck. Are you there? Yeah. And, and Johnny, you're there? Yeah. I'll see now. Y'all are both living in Friendswood. Texas, you know, where's that?

 18:28

That's close, isn't it?

 18:30

Yeah, it's right out here. Kind of close to Santa Fe.

 S Scott Lewis 18:34

So you're looking to meet somebody? Well, now we're going to introduce you, Johnny by bisexual to So Johnny chuck chuck Johnny. The bisexual jilted club right here formed on after hours. Got your support group here. There's a bisexual person right here in the neck. Yeah,

 J Jimmy Carper 18:52

we've got bisexuals on the show. Ladies.

 18:55

I'm bisexual buy me something. I'll be sexual. Now, Chuck, how old were you again? 2323. This

could be a good match.

 Scott Lewis 19:04

And how old is Johnny 2323? Oh, see? Now what are you? What are you check? What are you looking for? Are you looking for a boyfriend or just a trick?

 19:14

A friend's boyfriend?

 19:17

Well, that's a that's very healthy. And my guess is that, you know, that's that's what you're looking for to someone, someone that you know, you're going to be able to trust. I mean, Jesus, you know, out of the blue, and he's gone one day. I mean,

 19:31

that's fine. I'll kind of try to stay away from bias because just after this, but I can always try it again. See, I

 19:37

don't think the problem was with his bisexuality. I think the problem was with the way that he the way that he approached your relationship. I mean, someone who cares about you a lot isn't just going to up and leave without discussing, you know, the relationship and trying to work things out. When when you're in a relationship. You have a commitment to making that relationship work, and that means talking and obviously this guy didn't have Have things together in order to, you know, maintain that. So

 20:03

the only thing was though, making love and everything, it was great, and then just all of a sudden, I'm pleased.

 Scott Lewis 20:11

I don't think it has anything to do whether or not they were sexually pleased when they left. I mean,

 20:10

20:19

right? I mean, seriously, I mean, sex is one part of a relationship. And, you know, you've been lucky to have a good sexual relationship. But obviously, you know, from what I hear, you seem to be wanting an emotional, you know, someone that you can share your feelings with

20:36

really just looking for a friend or something just to start out with just to get to know somebody.

Scott Lewis 20:40

Don't have any gay friends at all.

20:42

No, not really. I mean, I know a couple but they're live on way the other side of Houston.

Scott Lewis 20:50

Do you know drive? You know, drive?

20:52

I don't really have any kind of transportation. I have a bike and that's it. Because he has, he has a car.

20:59

Right. Well, this sounds like a plea for help. Check. Still there? Yeah. Listening. What is it that you do check?

21:12

Working in retail?

Scott Lewis 21:14

Department store queen. Do you know Chuck, do you have a job? Do you have a car? Yeah. Oh, see, you're just the answer. Johnny's prayers.

J Jimmy Carper 21:31

It sounds like the beginnings of a pretty good friendship.

S Scott Lewis 21:36

Yeah, well, yeah, I tell you what we're gonna have to do. We can't put them back on hold. Can we?

♂ 21:42

What is there to do out there in Friendswood? I mean, yeah, we

J Jimmy Carper 21:45

can. We could. I don't, I don't know what that's gonna do. But we'll let

S Scott Lewis 21:50

him exchange, you know, we're gonna do is we're going to try and put y'all on hold. And so we can get y'all to exchange telephone numbers. If that's all right. And if you get disconnected, y'all just call back in because we don't know what the hell we're doing this phone system up here. But we're going to try. All right, hold on. Thanks, guys. Yeah. And if if somebody will tell Roy, and we'll like get, you know, jot their phone numbers down and trade them over the phone and stuff. And I just didn't want to do that on the air. Can you?

♂ 22:18

That's, I mean, that's got to be really difficult for, you know, Johnny to be out there. And, yeah, suddenly, one day, yeah, you've got some of the next day and then boom,

J Jimmy Carper 22:29

and I want to stress that it's not endemic to a bisexual lifestyle, because I have had a relationship with a bisexual for quite a while now. And he's a real special guy.

♂ 22:42

Who I think one of the problems though, is that, you know, I mean, if you don't, if you're not in touch with the gay community, which it seems like Johnny, I mean, anybody living in Friendswood is probably got that challenge facing them, you got to get in touch with other people that, you know, would be good friends, that other people that would be able to support you know, I mean, we're there for

J

Jimmy Carper 23:02

you. That kind of thing can happen right here on the Montrose if you if you just find one person and and run off to, to your apartment, and we can you don't have friends. You know, you don't have a circle of friends. If you just rely on each other, then you are alone if something happens to the relationship,

♂

23:25

and that's all we have resources in the community. Sure. You know, I mean, sure, we're here in Montrose and we send out the signal and if you ever get in a situation, you know, pick up the phone call somebody, there's the gay and lesbian switchboard. There's tons of numbers out there for people to get in touch with other gays. Because we're all over the place

J

Jimmy Carper 23:45

and the number for the gay and lesbian switchboard. 5293211

S

Scott Lewis 23:52

Can we take 10 line 10 Yeah, hit that one. Are you there? Hey, Big Daddy. Hey, we're just sitting here taking phone calls Gottesman.

♂

24:05

I just got home tonight. How come

♂

24:10

Oh, I had listened coming home. I did listen. And yes, I've seen you naked scattered it is offensive.

S

Scott Lewis 24:19

Now you listen here Big Daddy. I know where you live.

♂

24:24

Oh, listen. I can't remember I just got behind so you guys are all doing wonderful. I'm pretty good about melody just say our choir she's off. Air but the Michael Jackson asked. Sticks and stones will break my bones but words never hurt me.

S

Scott Lewis 24:43

Exactly.

♂

24:44

We've got enough problems all this age sickness gave us to be worried about that. I think we should just move ahead and forget all Michael Jackson.

♂

24:52

He's got himself in a pickle for sure.

♂

24:54

That's right. Picking

S

Scott Lewis 24:58

up pickles hours on his way that kid interest for a late night SEC snack Look, I

♂

25:03

just remind everyone, now remind everyone that if you didn't enjoy the parade, or you did enjoy Friday, the next meeting is at the Alberni center and come down and your voice counts and help us make next year even better. That's right, you got to get out, go to Big Daddy.

J

Jimmy Carper 25:22

Okay, I also want to say that we still have Chuck and who's the other guy, Johnny, Johnny on hold and what they need to do, because we can't get them back. So they need to hang up and call back in and talk with Roy and he'll he'll do the thing with exchanging numbers so they can talk to each other.

♂

25:43

Roy is our special in house Chuck Woolery.

S

Scott Lewis 25:45

Hey, and have Roy get their number for me and we'll touch base in about a month and see what their see what they're up to and how things are going. And if they ain't together hell, I'll go out and date and what the hell. Okay.

♂ 25:57

Well, that was nice of Howard to call hit a

s Scott Lewis 25:59
