That's okay, we're here for you too. So sit back, relax, and enjoy this week's edition of after hours. Hello, Houston and and Galveston and the world and welcome to the Saturday May 29 edition of after hours. I'm Jimmy Carper, I will be your what will I be co executive producer for the evening?

C

Chris Harrison 02:22

And I'm Chris Harrison. I'm the other co executive. Yes, he

J

Jimmy Carper 02:25

is. And gosh, I gotta thank you so much. Although the diehard after hours listeners, so we're in last week, when it came time to close at four o'clock, we found out that the Ross dumonde had broken down on the freeway first. And then we found out that his truck had died. And so we had to fill in from four to six and Chris just took over the music. I had to go home it was over for me. And Chris took over of course, the tape was still running at home and I laid in bed and I listened and you did a great job was that there was some really, really great cuts and give

C

Chris Harrison 03:05

me a chance to play the Ethel Merman disco scene. Well, except for that. I warned everyone ahead of time. Yes

J Jimmy Carper 03:11

you did. Yes she did. I liked the way he did that. He said you know we may be taken off the air for this and they don't play that's the murmur merman disco. If

C Chris Harrison 03:21

not was no one was Caitlyn. No one called into pledge during that time. So I figured you know that no one was listening. So I didn't run risk. Nobody called into complain either. Yeah, either. Yeah. But it was yeah, it was also kind of an old school night for that because afterwards getting to hand off the show basically hands the stick off to Big Daddy j and the Red Eye special. Yes. Which is right. That was that was kind of an unusual thing there to Yeah, I haven't seen Big Daddy J in a long time. It's been a while since we've done that. So it's like yeah, that's yeah, that's that's where his show started up was bumping up after us. So

J Jimmy Carper 03:53

Okay, wow. Let's see here. You're you're going to be back later in the show. Tonight is of course the fifth Saturday and that means

C Chris Harrison 04:03

patch will be showing up thinking it's the fourth Yeah.

J Jimmy Carper 04:07

That means predominantly music. I don't want to say all music anymore because I always managed to get some group in. You know that we can't fit in on another night or that it's convenient for tonight. JD Doyle's with us. Thank you for having me. Jimmy YEAH. And you are going to be presenting music from the out Music

J

JD Doyle 05:15

didn't get all the categories. You don't get every category on your judge.

I got two categories. That's all thank you don't even remember. Remember their home in a box? Yes, I just got it last night. Now the first song that we played the opening song that we played was a fantastic remake.

J

JD Doyle 05:36

Oh, I love it a lot. Her name is Kay J den hurt D and H ER T her album is called girl like me and it says underneath it urban folk and jazz artist and that kind of fits. That was a great version of she loves you. She doesn't know that The Beatles The Beatles song in case you didn't catch that and she does another version of the song you might expect. Oh, Susanna, you know Susanna? Yes, but it she does it? Well, it works. All the other songs pretty much our originals. She's very good. Very impressive. I heard her first has as a judge in New when she popped up in a category I had for one of the earlier rounds. I said ooh, this lady is good. And she ended up being nominated for debut or not debut. Regular female recording not debut large but regular female.

J

And yes, it takes place in Texas, which is just facts tragic.

J Jimmy Carper 22:21

Depending on where it is,

J Judy Reeves 22:23

country, near the Guadalupe River, depending on who's in the play, actually know it takes place in a hill country. Memorial Day weekend. This wonderfully dysfunctional family gets together for the first time since Mama died. Yes, it's very sad. Actually. It's daddy and three sisters and a great aunt who get together the other sister hasn't been able to make it. Four Sisters, three of them get to come. Okay. Yeah. One sister sent it the home so she couldn't make it. Anyway, we have some wonderful people here. Actually, the whole cast is here and we don't have anybody in the whole cast and both directors what a deal. Wow. Whatever is directing this Elvin Moriarty actually standing in the doorway, because he never comes in here. Well, that's true. He does and Benny Hartman are directly Where's bunny bunnies over here? And I'm very glad that they're doing it. But and these people have worked very hard. I've been at the rehearsals for the last couple of weeks, and they're really knocking themselves out. If you're well, I don't know about Mike. We won't talk about Mike. But anyway. Why not? You'd have to come to the plane meet Mike to hate him. I'm sorry, Freudian slip there. But we have microphones carry guys. We're gonna start over here with Jean. Introduce what what? You know, just tell us a little time

♀

24:09

J

Jimmy Carper 24:33

J

Judy Reeves 24:59

I don't think too many people refuse you right? Well, once in a while. Theater if you don't get rejected, are you in the play? I knew that would get her an aunt,

♂ 27:04

I've done it suburbia. I've had an English accent. Just last year on this one or the first time

J Judy Reeves 27:09

J

yeah, Elvin. Elvin snort here. No, that's Elvis

Ω

30:11

Oh buddy and I've co directed the show. And I think we're pretty lucky to get the cast that we got. And I hope they're having as much fun with it as we are. And

J Judy Reeves 30:22

on that note, they have a little baby they'd like to love to hear sure where they're starting, so I can't really give you much background. Where are we starting? To lighten the blow, okay, um, somehow, I'm not sure where you are. So I don't know how to set it up.

♀ 30:42

For sister has just arrived.

J Judy Reeves 30:47

Bryce is the father and Amy and three sisters had arrived in pitch couldn't because she was in the home. Yes. So we're going to start with pitches arrival. Okay. Go whenever you're ready. Before we started,

♀ 31:01

how did you get to Cheskin Max house pitch.

♀ 31:04

I took the bus. I'm capable of doing a few things on my own. Might be insane. But I'm not stupid.

♀ 31:09

Nobody's saying you're insane. Honey.

♀ 31:11

I live in a house with freaking crazy people. If P and Q like I say I'm not stupid. Tiffany Junior Mints. I love Junior Mints. It's like eating chocolate and brushing your teeth the same time. Hello.

♀ 31:23

Hello. Is pitch Jesus.

31:28

It's Aunt Tammy.

31:29

I thought it was mom. I thought Mama was talking us through the walls.

31:33

Where she Mama's dead pitch.

31:36

I know that I'm getting it. Tammy,

31:38

you're great and is unfortunately locked in the bathroom. As you're making the statement.

31:42

How are you dear? Are you well, as well as can be expected considering my life is a pile of shit at the moment. How are you doing? Tammy? I haven't seen you since mom's funeral.

31:53

I'm doing just fine. I have another screw loose. That

31:58

does seem to run in families, doesn't it? So when do we have to hit the road for

32:03

dark? Now that you're here? Why don't I called Dr. Moseley and see if she'll let you stay the night. Well,

^ ^ ^

32:09

we could do that trouble if she might say no, when I'm not ready to go back to the group home. I mean, not right away is something I have to do first.

32:16

What is it? You have to do? I mean, with my husband's car?

32:20

That's a secret chassis. I wish I could tell you, but I can't. You know, you were looking so lovely these days.

32:27

Thank you.

32:28

I wish you give me some beauty tips. Nobody gives a flying frequent they look like foreign language. By the way. I picked a few nasty habits from this new crop and metal detectors I've been hanging with lately. Anyway, I shouldn't have said that about beauty tips. I mean, Denise is quite into her appearance. She's a walk in Barbie doll with all the personality to go along with it. I have such wonderful friends and my new little home sweet home. I treasure every moment I spend there. So who's not? Is it to cut the beast Georgene care.

33:00

We hadn't discussed it. We usually

33:02

get barbecue the first night.

33:04

Yes, it's all coming back to me. Barbecue the first night mama big happy family. getting goose bumps.

33:12

I'm aoina to call Mike. I don't know how she did this. But somethina tells me he doesn't know

she's got his car.

33:18

But he had no gave me the keys. Mike would

33:21

never just hand over his keys to you page. You don't even have a driver's license.

33:26

Do so it just happens to be you know, suspended at the moment. Anyway, Mike most definitely gave me the keys to his car. Not only that, he loved me \$20 for gas. Your husband is a prince. He may beat you like the living room rug but still prints in my book.

33:41

She knows about the problems you and Mike have been having. Patient I talk

33:46

of course we talk if Jessica didn't call me up once a week and give me all the family poop. I'd be totally in the dark.

33:52

That's not true. Honey, we all feel yen Yeah, with

33:55

the surface stuff with the same boring kind of news that can pretty much apply in any family. I want the good shit. I want to know that I'm not the only person that's family whose life isn't going quite the way she planned.

34:06

Like what else does she tell you?

34:08

It doesn't matter. Let's just drop it okay

34:09

things like all this trouble you've been having with your diet. Things like your periods becoming a little regular lately. Oh, and your legs I understand are becoming prematurely veiny I cannot

34:19

believe you talk about me like that. Does this make you feel better about yourself? Cheska pointing up what's wrong with other people? That's not what I did she happen to mention I haven't had a date in over two months. I mean, why not? Tell her everything.

34:32

I'll just stop it Georgene I could tell page whatever I damn well want to girls, that's enough.

J Judy Reeves 34:40

Okay, so gives you an idea of how friendly the girls are. Yeah.

J Jimmy Carper 34:45

I like that. It does whet my appetite. Yeah, well

J Judy Reeves 34:47

and if you don't come see it, we'll have to beat you like the living room. That isn't good. So I think we've been doing that so we can get Mike in here because my couldn't say the word yet. Because notice we all know that he's not with us he loaned the car to pitch candy. He doesn't speak. Well, Mom, I'm not going there. What are we where are we on this one? What are we doing? Oh, you? This is Oh, this is to me. talking to Mike. Still in the bathroom. She's in a water classes anymore. We're doing that one on stage. 3930 men. Oh yeah,

35:24

I got Can you believe it? I fell asleep there. I fell asleep and dream. There were hunters out there. During that men with guns were blasting away right out there in the great room. Ah, Honey,

35:42

are you still silly orienting me?

♂

35:44

Somebody tell me what's going on here. For Christ's sake. Somebody say something.

♂

35:49

Are you all right?

♂

35:51

What do you mean in my All right,

♂

35:52

she means how was the trunk? Was it cozy

♂

35:55

pitch kidnapped you she was? I don't know any other way to say it. kidnap me? Yes, she and her friend put you in the trunk. Then she drove you out here why?

♂

36:05

I was going to kill you. At first I thought I'd simply sticks yet you while you took your little nap on that worn out old living room couch, which Jessica says you won't let her get rid of despite of all the embarrassment, it causes her. But then I got to thinking, hey, I'm an imaginative person. I can do better than that. So I came up with this really neat idea having to do with your car speed and right off the cliff bursting into flames on impact with the dry rock yo riverbed, I thought it would be a much more fitting in compared to simple as fixation since you do so love to live life on the edge. But unfortunately, cooler heads, namely the cool heads daddy here who has this antiquated idea that life is kind of sacred. And your devoted wife have prevailed. You are spared Glory be to God. Amen. Amen. And as soon as aunt Tammy emerges triumphant from her porcelain prison, I'm going in there and vomit my guts out.

♂

36:57

Why are you just standing there after what she did to me? I wouldn't know what you're going to do about this. But what she did,

37:04

what do you want me to do? Mike? You want me to call us sheriff?

37:06

That would be a good place to start.

37:08

Yes. That's an excellent idea. And right after you tell him all about that nasty, stinky old trunk. I get my turn. I get to list all the bad things you did that forced me to put you in there. What do you say? What things

37:21

what things is she talking about? You're gonna call them are not dead. He has the gun now. Mike, you're safe. You're acting awfully casual about this. I was at a trunk for three hours for Christ's sakes.

37:31

Why not being casual Mike.

37:33

They're in shock. It's been an afternoon of surprises. Where is it?

37:36

Where's the goddamn phone?

37:37

We don't have a phone for hillbillies.

37:40

Wait Mike, please. Let's talk she ought to be put away. And what do you mean you don't have a phone? There used to be a pawn

37:47

shop put you away did now you to bid redneck thug so do ya like discarded piece of Samsonite hostage?

37:54

Just go over there and sit down and be quiet. She

37:57

isn't well, why? No, she

37:58

isn't. Well, I've been in his family long enough to know the girls crackers. I just never drink to try to frickin kill me.

38:04

She wasn't going to kill you, Mike.

38:07

Yes, I was. I might still do it.

38:09

Let's just go come on. Mike. Let's go home.

38:11

You better sleep lightning.

38:12

You mean we pretend like nothing happened. Daddy,

38:15

you'll take her back to that group. Damn. You can't drive in your condition.

38:19

Oh is carried are Georgie and you go on now when

38:22

you least expect it.

38:25

Peers just shut up. You aren't doing

38:28

any good. That's him. Go pitch. Let them go on.

38:31

Come on. Mike, please.

38:33

Do you hear what she's saying? What about the next time she decides to come after me quit

38:36

pummeling my sister now keep my distance fair.

38:40

Is that what you told her? That I beat you? Is that what you said? I did. Oh,

38:44

it was said that is that we had a fight. And you hurt me. But you didn't know what you were doing? And that you weren't going to do it again. That you're gonna get help. That's true. Isn't it Mike? Say it's true. This is between me and you. Say it's true, Mike. Say it?

39:02

Yes, it's true. But your family's got no right to but into our private lives. You want to be in a frickin straitjacket?

Jimmy Carper 39:13

Was the tragedy part of Yeah, he is a badass and he's

Judy Reeves 39:23

And it's a like I said, it's just a really good show. It's a great funny cast. And I have to brag a little bit. These wonderful people sitting in here, and standing in here are doing a benefit performance on Sunday, the 13th of June for J camp, really, which is totally unheard of.

Jimmy Carper 40:23

So I knew that you knew that you bought it for weeks now. That's right, I

J

Judy Reeves 40:27

talked about can I say, I got to gkm talk about theater, I got to talk about G cam. I can't remember

J

Jimmy Carper 40:32

once a while I have to be the straight man so to speak.

J

Judy Reeves 40:37

You even got the cast attention. Anyway, For ticket information or for reservations, you can call 713-682-3525 and write them again. 71368235 to five, and then follow the wonderful directions that you will hear Miss Martin giving you on the machine for reservations, etc. And I think there's even some misses and we'll call you back or something like Oh, or more. J

Jimmy Carper 41:41

What happened? Thursday

J

Judy Reeves 41:42

J

Jimmy Carper 42:55

J

Judy Reeves 43:06

is a 501 C three. That's right. So yes, we can give anything we want for them. That's right. And believe me, they give a lot to arguments. They certainly it's a wonderful bunch of folks up there. All the actors, and I want you to know these people have spent not only five nights a week rehearsing for this play for the last month or so. They spent their weekends up there with hammers and saws, etc. Building the set, which is phenomenal looking

J

Jimmy Carper 43:30

for new or newer, accurate theater, suburbia. You better have some carpentry skills.

J

Judy Reeves 43:35

40 You don't have to

o

43:38

finish your carpentry challenge. Yes, and

J

Judy Reeves 43:42

there are those trust me. But you know what if you come up Alvin can put you to work doing something for the set. It never fails or Norris she can too. So it's just you know, there's there's something for everybody to do. And if you don't really want to work on sets, because you're not real good at that kind of stuff. Work the coffee bar on show Nice. Hey, we can find some for anybody to do. Like we don't leave anybody out. So I think that's about it. Anybody have anything they want to say? Come see the show.

J

Jimmy Carper 44:12

Okay, thank you very much. And we'll see you next month.

J

Judy Reeves 44:17

And that he'll yell at me. But

J

Jimmy Carper 44:19

he's going to tell us the first piece of music that we're going to hear

J

JD Doyle 44:22

each by normally Brennan. I'll tell you more about this artist afterwards. The song is called we belong. Okay,

J

Jimmy Carper 44:28

and you're listening to it on after hours queer radio with attitude on KPFT Houston, 90.1 FM, and 89.5 in Galveston we are a Pacifica station

J

JD Doyle 44:51

I love that song. Two good wins there. And those are both double nominees. Ah, that was the last very last one we heard with Stephen Fry.

o

44:59

Oh yes,

J

JD Doyle 45:00

the song was called Double. Double my word. No,

J

Jimmy Carper 45:04

I have to wait that one. Yes, that's

J

JD Doyle 45:05

a very good song. And the song is up for out Song of the Year. The album is up for a debut male recording the album called The one you choose and you choose. I love that album A lot of our material on Yes, there were very nice stuff. One of my favorite of the new artists this year

before that was normally Brennan I'll spell that n a m o Li, breaded br e n na t. And this is a transgender. It's a transgendered artist. And by the way he took his name normally is not his given name he made he adopted that from the word anomaly.

J Jimmy Carper 45:42

Oh, okay. So is this a male to female? Female to Male to Female. Okay, so she

J JD Doyle 45:49

so she Yeah, I don't know if if the operation has been done. I don't know if that's if that matters. But he or she has made it to the female recording category. In this sense. This is his second or her second release. Yeah, it's a female category with the album called called. Welcome to the afterglow, the

J Jimmy Carper 46:10

afterglow.

J JD Doyle 46:11

It's an excellent album, I just love it. And it produced a wonderful job.

J Jimmy Carper 46:16

So and the title of that cup was called we belong.

J JD Doyle 46:20

It's very nice to kind of sort of anthemic in a way.

J Jimmy Carper 46:25

Yeah, bro. I'm always looking for stuff like that.

J JD Doyle 46:28

instance that covers the transgender world. There you go. Yeah, that's

J Jimmy Carper 46:32

right. That's right. Speaking of transgender Oh, just outside of the world. Hello. Hello. Have you ever heard of this artist? Natalie? Emily Brent Brent it? Actually

∅

46:44

no, but I'm like the most out of touch person around. Okay.

J

Jimmy Carper 46:47

Okay. Okay. And who are you? Now? That's good enough. Okay, Mel came by now used to hang out with the with the after hours crab a lot. And I don't know if she went to the suburbia and we lost touch anyway for the man. Okay, so those those songs are not something we have coming up. Another

J

JD Doyle 47:12

artist who's nominated for our song. Okay. Ari Gold.

J

Jimmy Carper 47:16

Yeah, he's one of your favorites. Oh, yes, indeed.

J

JD Doyle 47:18

Sexy man. In this song. You love this is he's so I've seen him do this. I saw him do it before a year before it was recorded. I saw him do it live in New York. Oh, and he does it with a female artist. And they are bitching back and forth. It was out there at this club, debating whether this guy in the crowd is on which side of the fence? Enjoy

J

Jimmy Carper 47:52

Oh, welcome to Hollywood.

J

JD Doyle 47:55

I thought they would fit well together with Ari Gold. Yes, yes. Yes. Yeah. His name is Jim ver iros. And he went American Idol started, what three years ago. Now. He was one of the finalists. He he came in ninth. He was the guy who signed his songs to his parents. And very talented guy. This is his first CD. Yeah, yeah. And it's kind of of this same. There's some variety on it. But mostly it's this kind of feel to it. And so he's just getting started. He's young. He's about 22.

Yeah, cute. Yeah, he's very cute. He's up for a debut male. And I'm very pleased because I was the one that convinced him to submit the CD are good for you. So free trying to round up singing, you know, get these people involved. Right? That's

J Jimmy Carper 48:39

right. Make it as big as it should be. So where do we go next?

J JD Doyle 48:44

I thought well, we'll continue on this mode of out Song of the Year. Okay, candidates. And this next one is by John Gilbert livet, who you all know probably for the song prior from about four years ago. I

J Jimmy Carper 48:57

know but it's still every June you just play wonderful songs. It's a wonderful song and he's

J JD Doyle 49:02

come up with another pride song is called proud and free. And he's not singing at this time because he never really considered himself a singer. So to sing it, he's got D and McBride who can sing so here's proud and free her okay

J Jimmy Carper 49:41

hello, are we back? Are we back on? We've had a little minor Well, nature,

J JD Doyle 49:47

glitch, glitch, glitch and technical term. Yes, it

J Jimmy Carper 49:50

certainly is. Okay. We had a CD player E to C D which is not too cool. And I'm gonna see if Chris can get it out in three minutes and 30 seconds, which is

J JD Doyle 50:07

how long the song by the bootlickers takes? Yes, they are also up for their up for band. It's a new category this year outstanding new recording by a band. Oh, and I love this song. The song. I just did your boyfriend from automatic ball washer. Yeah, there

J Jimmy Carper 50:22

we go oh, okay. We have recovered somewhat from our minor difficulty. But we what did we hear there? That was

J JD Doyle 50:46

Johnny dangerous? Yes. And actually, I don't know what track that was. Oh, but he's up for two awards. Somehow he got nominated for Best. There's only one. Yeah, but I don't remember the title. Oh, okay. He was nominated for the Best Debut male and also the best male recording. So that's that's pretty good feat.

J Jimmy Carper 51:07

That's pretty cool. Your

J JD Doyle 51:08

first album out out of the out of the bin? Yeah. Yeah. Before that was the bootlickers. I just did Jewboy for ha ha

J Jimmy Carper 51:16

now that we've played that before. Okay, that was not your average. Johnny dangerous, right? No, I

J JD Doyle 51:24

think he's out of Chicago that salary.

J Jimmy Carper 51:28

Yes, it does. Recall those emails about all those wonderful queer shows. They have all the time up there in Chicago and why don't we go ahead. And bootlickers with I just did your boyfriend that is such a fun song. Yes. I love that group. Yes. Well, now we're going to take a little break, because we've got Dean Becker on the line and Chris is going to talk to him right here in this chair.

C Chris Harrison 52:02

First of all the green button All right okay Yea Dean Are you there?

52:07

I hope so. Hello. Hello, Dean. Good evening. Good evening. Hi. Is this Chris? Oh, yes, Chris. Hey, I don't know. I want to talk about a couple of stories that have hit the Houston Chronicle this week. Okay, just touch on him a bit. And once again, Texas leads the US and prisoners incarcerated. And there's a story out of Austin says a federal study released Thursday shows that Texas led the nation in the number of inmates incarcerated in state prisons and county jails in June of 2003. Texas had 164,222 inmates and the last day of that month, about 800 More than California so we lead the world in incarceration. And what leads the incarceration rate for Texas it is Houston. It is our policy right here in the heart of Mordor. We're the ones throwing all the most people in jail in the whole world. When it's probably time to stop and wonder why.

Chris Harrison 53:00

Now that's all incarceration. That's not just drug related. Well,

53:04

drugs are the major factor involved in arrest,

Chris Harrison 53:07

if not the primary, it's a good secondary for right

53:10

you know, to the to supply habits or the inability to get a job, etc, etc. That comes from being a even a former drug user. Here, here's another one. This is again from the Chronicle anti drug ads can boomerang. The government plans to spend \$145 million this year to produce ads to dissuade young people from taking drugs. Now, they also are forced to get an ad rate that is basically at a 50% rate. You know, from the stations because they buy in such bulk. So they're getting roughly three \$290 million worth of ads every year. You've seen him there are they're a on your
