We started out with a piece of music and we might be doing that just about every week now. Just kind of the blend in from the acid jazz jazz show that comes before us. That was the bishop Carl bein with the Unity fellowship. And that was called you passed me by and it's one of the many many songs that that are up for a glamour award. That particular song is in the out category, our recording category, Bishop Carl Beane and the unity Fellowship Church. About 1520 years ago, Carl been had one of the first disco openly gay disco songs out and now he's doing gospel and good stuff, too. Yeah, we had half the cast from the last show in here. Just I mean, singing along tonight. Well, you know, I keep saying, I keep telling you used to be the Peter and Connie Lingus show and I think you know, she's been gone long ago. 10:03

I did bring my purse with me tonight.

10:06

Let that be the last week here.

10:08

Oh, wow. Wait now hang on. Not only do we have in case people are on the fence, and not really sure about whether it is or isn't in firewall isn't the whole nine yards. We decided to court. All you have to get you gotta be correct.

10:39

Well, we do. And then honoring Jerry Falwell. We do have you know, he thinks all of your favorite TV characters are gay. So we ran down and checked out a few of the TV shows and did some reasons why Jerry Falwell thinks your favorite TV characters may be gay. And we ran through a number of shows and had our research department up to their nipples and goodness and light on that one.

11:05

I mean, they're very, and then I have

11:06

It's like the biggest thing in the country. Yeah. One of the biggest country was one of the biggest floats was of the Capitol. Washington DC. Oh, with an entourage of Monica Lewinsky's Wayne's yes and blue dresses with stains.

12:13

No,

12:14

entourage up and following the White House. Here with

12:20

me Did you hear what happened? What was the big thing just went on New Orleans the yell.

-- --

12:30

Mardi Gras there was a whole bunch of Teletubby little whatever those people right yeah, all they had they had tons of people all dressed up these little things these little triangles whatever. And they would call themselves the crew of Falwell

12:45

and they won the Bourbon Street award for that

12:47

was fabulous

12:48

for had just hit the

12:52

rock about quick are these people felt clever? They really and then we have things not to say to a man with a small penis. Does that include you know doesn't I'm sorry. Okay. Does include you

13:04

know not? Oh, okay. Okay. I

13:07

never knew that. I never knew

13:10

Roy in the in the room

13:18

I love it. And oh, and we have some just clever little sayings. And we have some things for dog lovers. We have thing about dog lovers. What else? Oh, just clever little one liners we found and if you're if we have time, we may do some things on color and sex. Oh, which was an

interesting thing that a psychic. Okay, told me. Oh, and we just got we just have a great star, a monumental amount of things. And so whatever music that we want to play we can and all this is just wonderful and clever. And it's going to last forever. So you know. Okay, well,

14:02

let's go to song.

14:04

Let's do what do we have?

14:04

Well come back and do all this fabulous stuff. And then of course I did about 121 25 There were in somewhere in there will be news and views with big Ryan Michelle and the second half. We've got leather and I believe I have been told that we have a guest tonight. Mr. Everything. Mr. Don? Oh,

14:30

14:46

nebulous coming up. Fifth and sixth of March. To be there be there be swag and it's gonna be so fab. I mean, the fit is gonna be wonderful.

14:57

Okay, we're just right now. Time another entry into the out recording category of the Glama awards which are will be coming up. I believe they announced them in April. I'm a judge. So the what the gay and lesbian American Music Association, it's the third year they've had awards for gay, lesbian, bisexual, transgendered music.

15:22

No. where's this going to happen? New York. You're going to New York.

15:27

Now I'm not going to, like send you No, no, no, no, no, I've already I've done some judging. Oh, okay. I see. eliminatory judging, and because, you know, you end up like 40 things in each category. And they have to narrow it down and then do another judging. You know, the top five and I'll be in that too.

15:46

So you do it from here. Yeah. So you don't have to go to New York.

15:50

Actually, a friend of mine. JD is also a judge and he is going well.

15:57

Where are you going? Miss darling? Well,

15:59

16:01

Do they offer?

16:03

Do they bring me no, no, no, no, no. I mean, you go at your own expense.

16:06

Oh, no. I

16:08

mean, just to be there. I mean,

16:10

yeah, yeah, I mean, this this is an exciting thing. They're going to be honoring Ani DiFranco and all that kind of good stuff. Yeah, it's a good thing so

16:18

I can find you a place to stay when you want to go. I'll bet you

16:22

we're not talking about house No, girl. No, no

16:25

our game to stay where I want to do anyway,

16:29

the last time I was here, I said that the west side? Why? All right.

16:35

John,

16:36

yeah, not that I'm bad at them.

16:40

This is from Kim char Meredith. It's part of the outro recording from her album is slender line of

lavender. It's called Java Java cafe. You're hearing it on after hours career radio with attitude on KPFT Houston, and ke O 's College Station. We'll be right back

17:07

Yeah, Kim char Meredith, from her album, The slender line of lavender and that was the Java Java cafe. And like I said, Let's see This is a song for you.

17:21

I really liked that. And it's been really really nice. Because you do kind of

17:25

jazzy kind of different stuff. I really did and with your own hair, too. I got

17:36

a vibe from you. But

17:40

that's why to stay on this weekend. She was borrowing the tear.

17:45

Out lactating enough, but anyway, how was it that Danny? Did you know? Oh, please, yes, get

17:55

this out of this.

17:57

What did you know that several years ago, the United States funded this gigantic study to determine why the head of the man's penis is larger than the shaft. Well, now where we have had our research staff looking this up, do you know

18:11

how many I have seen in my life? Well, it could cover a small town anyway. Not Not everyone

HOW MANY I HAVE SEEN IN MY LIFE. WELL, IT COULD COVER A SMALL COWH ANYWAY. NOT NOT EVERYONE has a mushroom head.

18:20

Now this is no smaller,

18:23

smaller than the shaft? Yes. Them the shaft and the shaft. Yeah. Well, it seems to me that normally speaking that's not necessarily true. Not okay. So the study took two years and cost \$180,000 Oh, you're kidding now. And the results of the study concluded that the reason that that the head of a man's penis is larger than the shaft was to provide the man with more pleasure during sex. Okay. Wow. \$30,000 108. And after the results were published, Germany decided to conduct their own study in the same subject. Okay. Well, and they were convinced that the results of the US study were incorrect, obviously. So after three years of research and the cost of an excess of \$250,000, they concluded that the head of a man's penis is larger than shaft to provide women with more pleasure during so when the results of the German study were released, Poland decided to conduct their study. Yes, and the polls really didn't trust the US or the German I can understand. Well, naturally, and so nearly after nearly three weeks of intensive research, a cost of right around \$75 The Polish study reached their conclusion. Yes, yes. And the Polish study came to the final conclusion that the reason that a man's that the head of the man's penis is larger than the shaft is to prevent your hand from flying off and hitting you in the pouring a bad picture. Just had to throw that in. Let's face

19:58

the facts, no matter Have any boyfriends you have more sex with your hand then you do anything else. Oh my gosh. Hey, yes,

20:11

I'm gonna go in there

20:14

Okay, I admit it. Hey,

20:16

I was gonna say my honest one here tonight.

20:18

I'm just not going there

20:20

more than I think anybody

20:22

oh my god, I don't want to go there either. Listen quick let me inform you fast before we go into all these people are sitting home playing a bully study ever everybody in the world now we're all just over Vowell in the teletype. But we have got to prove to you that we have a little something for everybody. Okay, you know, okay, so now, we have seven reasons why Tinky Winky cannot be gay. Okay, and here's the reasons why. Okay. Number one, the purse doesn't match the shoes, red and purple. I mean, rally clash or ramaa besides the magic bag, it's a coach clutch. magic bag. Number two.

21:18

Let's see. Number two, the Teletubbies are well known they are Tubby. Everyone knows that masticate public figures tried to stay in shape while some of us do. Okay like except for Don to Louise

21:39

and Lexi. And number three, the headpiece. I mean kudos for its fabulous height, but it really doesn't have much of a way in frills. I mean, just to triangle, a true gay person would have accessorize with beads and something a little more fro at least glitter. Yeah, at least glitter. And another reason why it tells him he isn't

22:04

really a bad dancer. knifes. Oh,

22:09

the name Tinky Winky. I mean, I don't know a gay man on the planet who would go with a name like that? Hello? I mean, no, no, we would not go with that. I mean, it screams I'm a small down there and I don't care who knows. Never know. And another reason

22:30

as recalled, thanks to the Nazis pink is to gay color. Not purple. Barney is purple.

22:37

Barns purple.

22:38

I know several people like that. But

22:41

I mean, like, no genitals. Hello, no genital Teletubbies have no genital Teletubby bumped their TV screens to get together and that's it. And we all know how awful it is the government banned pet seats all night know that? But now for the other side who are standing out there screaming No, I'm sorry, Miss Teletubby Ms. Tinky Winky is gay. We have 10 reasons why we really think that he is gay. Okay, and that would be 10 reasons why number one,

23:20

the pages of all his warning books are sticky.

23:24

Oh, no. And he keeps redecorating Barbie's Dreamhouse

23:30

the Jamie's great in his stomach are only plays figure skating and men's gymnastics.

23:39

Is started waxing the purple fuzz on his back

23:49

Harry baby

23:49

okay, is this one of the classified recently by curious purple now Summersville into hiking skiing into magical travel sixth name or for friends first, now fats are filled

24:07

that with little mag and magazine. Mr. Rogers started a position to get his kind out of the neighborhood. First of all, that's that's definitely there.

24:19

But most of all, that triangle antenna on his head only only picks up all the music. And I do mean

24:32

you been sleeping on Matt Damon's couch. Oh.

24:41

He carries a GQ and Abercrombie and Fitch catalog. Yeah, little red.

24:47

And the number one reason why the Teletubbies gay. Yes, he plans on marrying Nicole Kidman. Oh slap my hands. Oh Whoa, whoa. She really went down. That

25:10

is not true. Don't let Rosie now. Don't tell her. Don't tell. She'll be heartbroken.

25:18

What's your joke? Oh, you

25:21

want me to do my first? Oh, okay.

25:24

I'm dying to hear what you got to do. You know,

25:27

what John Cleese is? He is a member of Monty Python. Remember that group, Monty Python while he was in America recently and appeared as a guest on a TV show. And he was asked to describe the real difference between Americans and the English. So he replied, okay, there are three fundamental differences. First, we speak English and you don't. Okay, secondly, when we hold a World Series sporting event, we invite teams from other countries. Okay, makes sense. And thirdly, when you meet the head of state of England, you only have to go down on one knee.

26:15

Oh, tacky. Okay, here is here is and it's early, gotten early to start this. But I have heard this absolutely fabulous job this week. And I, I mean, it is, if I can get this out, straight out in a little bit there. These two bubbles? Yeah. You know, I mean, after all the stuff with Jasper were these two bubbles decided their life wasn't going anywhere. So they decided they were going back to college. So they went up to register for college. Okay, probably going to a&m I don't know. Anyway, they go up register for college.

27:00

anywhere, anywhere near

27:02

anything. Anyway. So they go, they go in and this one, this one big barber goes to the guidance counselor. And he says, okay, you know, and you know, so, you know, what am I going to take in the guidance counselor says, Well, I'm here to help you figure out your classes. He said, I'm from you know, you're coming back. And he said, I think you should take English and history and logic. And it's been a lot logic with logic. He goes, Well, let me see if I can help you understand this. He said, You own a weed eater? And he says, Well, yeah, audio. And he said, well, then now logic would presume to say that you have a yard. We said, well, I do. And he said, and then I could say I could use logic to presume that you have a house. He said, Well, that's right. I do I have a house. And he said, well, then logic and the premises that go with that would help me to say that you probably have a wife. Well, that's amazing. Betsy, may that be it. I have a wife. And he said, well, that's just amazing. And he said, Now logic would tell me that you are a heterosexual man. He said, Well, you're right. I am. He's, this is the most amazing things that I'm just dying to take this class. So he heads out the cord that he runs into his Baba friend. His boyfriend says what do you take it in school? He's well, I'm taking the history and English and logic. Evenings as well. What's logic? He says, Well, let me see if I can explain. Yona weed eater Nico no faggot

28:55

got it now where did you pick that one up?

28:59

Out of the blue I think that's a funny yes to like, isn't that it's fabulous. On a weed eater by logic tells me your I enrolled I think that's so cool. Now if y'all like that joke we want you to call in and pay

29:23

7135 to 65738 Yeah,

29:27

we'd like to hear

29:31

all right here on KP.

29:32

Let us know

29:34

if there's yes SC man is looking for Yeah.

29:37

If there's anybody out there listening at all if I just wasted that and peed into the wind. That's right.

29:43

If you don't have a shot, we need your best teammates brothers looking.

29:49

Or Lex Alexia, Li G Oh no. Wait. You got more pins on you girl. The Miami ease brooches? Look at that. Okay running up and down your time. Right you knew by being loud you spend more time on your knees and you did at the trough from living week that's what I say you spend

more time to speak speaking of Aggie Oh Lord, I go in there Lord Jesus, I'd missed that one.

30:30

I can say that she's

30:33

gonna get back and get back it's like a bad dream. It'll come back. Speaking of Bibles going to college Yeah. Did you hear about the two Longhorns aborted the shuttle flight out of Dallas or Houston when I'm sitting next to one seat and the other one sat in the middle seat and just for takeoff this he gets on me sits in the aisle next to the you know in the aisle seat and so he's sitting next to his Longhorns and he kicks off his shoes and wiggles his toes and settling in for the you know, flight and when Longhorn next to the window decides he's gonna like I'm gonna get a coke. So he's haggis is all Hey, no problem. I'll get it for you. So he gets up and goes up front gets this coconut brings it back while he's gotten the Longhorn picks up his shoe and spits in it. And the Aggie returns with the coke and the other Longhorns said, wow, it looks really good. I think I'll have one of them to nag. He says, Oh, hey, hey, no problem. Let me get it for you. He goes and fetches it and brings it back and while he's gone, of course, the Longhorn spits in his other shoe. Well, the Aggie returned and they sat back and enjoyed the little short flight to Houston. And as the plane was landing, the Aggies slipped his feet into his shoes and immediately what had happened. How long must this go on the I guessed this emnity between our peoples this hatred this animosity, this spinning in shoes, this Pisidian coat

32:00

we are on a brand new high. None of this trashy trash of these good you can take to the office job. No, I've got the Monday morning you can take that with you. And if you want to hear again, just please call me and if you're spending please call twice. That's right. That's the joke and

32:20

265738526 number

32:27

baby I'm squeezing Lexi's kitty

32:29

Do you know the difference between Courtney Love and Wayne Gretzky?

...

32:33

Courtney V Courtney Love Yes. Not our drag queen. Oh scare me girl.

32:40

Group whole Yeah. The Courtney Love and Wayne Gretzky. What's the difference? Huh? Wayne takes a shower after three periods. Oh, no more. Oh, she's

32:54

been flying around in the dirty chat rooms.

32:59

Somewhat branded, often found in children's underpants. Jimmy Michael Jackson's hand oh

33:10

my god. We've got taken this to an all new level remember, we trashed Michael Jackson at one show we just worked

33:27

his errands or burn it as?

33:30

Oh, that is just too bad

33:41

terrible, terrible. You are well,

33:44

thank you. You're nuts. Howard tornadoes and marriage alike. And you know this can be marriage between straight people or gay people. Well, they both begin with a lot of sucking and blowing and in the end, you lose your house.

34:04

Or your trailer.

34:08

You doublewide down she's gone.

34:17

You are just to say those were awful. Mess with Jerry Falwell.

34:25

But yeah, Jerry was in town last weekend. So he

34:28

was and we had a contingent go out and say hi to you, too.

34:33

And you know why? He told him in his lecture that he gave at the Sterling chapel in town or wherever that was live or whatever it was. Over that guy's dead. I shouldn't talk. Yeah, anyway. Do you know? Like that kind of stuff? Stop. You know why? Jerry Falwell thinks that all of your favorite TV characters are gay. Why? Well, think about it. Find the has an office in the men's room where and always tells you to sit on it. Know that another reason right I didn't think of that.

35:11

Let's see which one isn't. Okay. Is he drinking now? Homer Simpson sounds kinda like homosexual

35:21

I mean, let's face it Popeye. A vegetarian. A bodybuilder. dresses like one of the Village People. girlfriend with no visible breath. You connect the dots.

35:37

Alex toback? Yeah Alex lives with his mom and knows way too much about Broadway musical. And Bubba Ray peppery from 500

35:53
