00:02

Well, thanks. Why don't one of us Yeah, I'm cute. You're fired. Both

00:15

Thanks. Aren't you supposed to say hello to someone Philip?

00:19

Oh, I'm supposed to say hello to Frank. Hi Frank. Hi Frank. Frank probably won't he's probably on the floor at Rich's right now but we'll say hi anyway,

00:27

throne or what?

00:32

Well, we won't go into that.

00:37

Oh, huh. Is it time for a musical break?

00:40

I think it is. Okay.

00:42

Since we are talking about all kinds of sexual things, David Sarita has a new album out called the Blue guide and a peppy little tune on here that I've played a couple of times and I think it fits right now. It's called do me Deluxe.

01:04

Oh, yeah, David Sarita do meet did lox and you're listening to it right here on KPFT Houston, and ke O 's College Station. This is after hours queer radio with attitude that was swinging. That was David Sarita. He does another one on here that I really liked too. It's called powerful love. And it's almost gospel like good album.

01:27

Good. I'll listen to that later. Yes.

01:29

And while you're listening, you can give us a call at 5265738 and talk to cute guys or give us money or

01:38

like a phone sex

01:40

or give us money to talk to

01:43

Oh, I didn't think of that. That way.

01:45

Angle on fundraising.

01:48

For that new tower baby.

01:50

One 983. Speaking of cute guys, we our research departments been working really hard and they came up with some one ad some personal ads.

02:05

Personal so yeah, so my real wins on

02:08

these are honest to god straight out of the well, not straight, but right out of the voice. And they've been highlighted for us. So I thought I'd get everybody's attention to them.

02:18

No, don't read mine. Okay, get me in trouble.

02:22

The one about the 20 Something bear looking for.

02:30

Let's compare body hair less.

02:36

So we have one cute guy and nobody Randles Dan Phillips are right, and the women seeking women department. Here's what I thought was kind of interesting. Seeking a white female between 35 to 45 to have a relationship with. I'd like to have an involvement with someone right away. I don't have a car

03:02

I need a girlfriend right now. I don't ever ride to work. Bring your u haul. We'll drive it around. That was kind of a desperate one. All right, here's another one. Single black female five, seven 162 pounds. Big breast. Just one thing color. Now Jimmy wasn't sure earlier if it was like one big breast and one small one. Just like a mono

03:27

mono. Or maybe she just put them both together and made one.

03:33

The residents is looking for a female with similar qualities for a night of fun. So she's

03:37

looking for other one breath. One she's looking for a pair she can press them together

03:45

together there'll be a pair of big breasts. Very strange with the one all right, here's something for the guys. Single white male 46 tall slim blond hair blue eyes. I'm a closet panty boy sissy interested in seeing men with their hair and rollers. Perm sets are all stages of getting their hair done. I would really like to have a feminine male dresser as a very close friend

04:11

I told you not to remind

04:16

the boy the boy we're not sure what's happening there but having your hair done has to be pretty safe sex. It is one of the safest activities we recommend. I don't know maybe depends on what kinds of instruments you're

04:31

using to the hot curlers

04:34

sent me the hot curling iron

04:36

bar I don't know that's wrong this like really pinch the short hairs which

04:41

short and here's a little something I pulled out for Peter to bat he's not here but

04:52

Philip might have to send this to him in Detroit something he can look over single Hispanic male, very sexy Latin 20s 150 pounds, looking for a top man who is mature. That's Peter. And a little on the chunky side now that's really Peter. Looking for a serious relationship, let's go out some time. So we know how much Peter loves young Latin guy.

05:18

Does he have a car? deal about hot rollers? Big Breasts and big breasts.

05:28

So thank you research department for pulling. That's

05:30

incredible. They

05:31

are effective.

05:32

They're interesting. Listen,

05:34

we have our first pleasure. I want to thank Mr. Anonymous for an incredibly generous pledge. Wow. Yes, we are well, on our way to our goal. Thank you. If he were in the studio right now, I would perform all kinds of things for him. Yeah, my goodness.

05:53

Yeah, we don't want him to take his money back.

05:58

I never thought of it that. We also got a call from Gigi. By net, the the bisexual segment on the show, and we hope Gigi will be back but Gigi is in LA right now attending the national bisexual conference going on there. Be a lot of fun. Oh, it is when JJ is there the club to go to tonight. It's incredible. called to say that the LA regional buying that conference has just been super. So he will be coming back with all kinds of wild stories.

06:31

Why bet that sounds like a lot of fun. Here's another little something we pulled out. I know everybody's been beating this Canadian thing to death. And this is the only thing I'm gonna say about it. And this just falls under the heading of denial. The title is Canadians father says son is a night guilty. Hello. Filipino father of Andrew Canadian and the prime suspect in the fatal shooting of Versace believes his son is innocent and insists he's not gay.

07:04

How long has he been out of this country?

07:07

You know, maybe the headlines just don't get to the Philippines exactly that

07:11

finance either since he had to flee to the Philippines right to get out of the car. Right. That's

07:16

what it says in the article. Okay. So what else is saying about newspaper reports that reporters were lying. My son is not like that. He's not a high class male prostitute. He had a Catholic upbringing. He's an altar boy. Cuz you know.

07:32

Those altar

07:36

not just candles. They're lightning. Maybe he was an altar boy in Dallas. Oh. Seems to be a strange thing. I see. So I don't know this guy's just really not getting it No. Any kill himself because

08:00

he had a really hard day, I guess. Yeah. You know how it can be must be because people thought he was gay. And it was ruining his relationship with his girlfriend I'm sure sounds self esteem. Yeah. Self esteem themes. That's somebody with some internalized homophobia.

08:14

Oh, plenty of

08:17

definitely. So as big we're going to be talking a little bit about that line

08:21

later on with John because there was some other somebody was hitting the some other angle that he was doing these perverted s&m things. And so we want to say, you know, what about s&m is perverted, right? safe, sane and consensual is what I've always heard. So we'll be talking about that later on. Well,

08:48

that'll be interesting. Yes, it will.

08:51

In the meantime, give us a call at 526538 that segway sucked. Well, I have to say that you're listening to after hours right here on KPFT Houston, and ke o s College Station. And actually we welcome K EOS they they switch over to after hours like right now. Oh, well

09:15

welcome College Station. Yeah. Hello, can they? They can call us and give us money to her. They sure can at 5265738 We'd like to lag you boy. Oh, do is that a personal? Yee ha.

09:34

Well, I don't know that plug is the right word.

09:37

In this case.

09:40

What else is going on the news here? IRL Z 34 of Johnston New York removed his penis with pruning shears in May because later telling the district attorney a man was interested in him romantically and he thought if he removed his Oregon, the man would leave them alone.

09:58

I tried that once. It was incredibly Hard to staple back on.

10:01

That seems a little drastic. Like there might be some other things you could do before cutting the peanut

10:07

like saying no. Practice some negotiation skills.

10:13

Want it later on?

10:14

Maybe he's gonna save it in a bag for later you

10:17

see, look, look Don't come any closer. I don't have a penis.

10:22

Really? And was he gonna like pull down his pants? And that would be

10:25

11 10:29
look, I'm telling you I don't want to go out with you anymore. Look at my stump. How more clear can I be?

10:31
Seriously sometimes like that

10:38
so that that I don't have a penis, but that seemed a little painful and a little drastic.

10:44
I think that sounds painful and drastic to me as well.

10:47
Is this not the kind of advice you guys give in Project season? No, no,

10:51
maybe in the old workshops but no, no, no, not in the new if you don't want to go out with somebody just just say no, say Save to another city. Just to say no.

11:03
That's a lovely campaign. very ineffective.

11:08
Well, that's Nance.

11:10
Lovely and fabulous.

11:17
So those pruning shears the workout. Alright, is it time for another joke?

11:23

I believe so. All right, jokes are in order.

11:26

Oh, is it tasteless?

11:28

Well, it's mine. So if and while

11:30

she's telling this joke, you could be picking up the phone to dial the phone number to give us a call.

11:35

They're just dying to get phone call

11:37

ledges. 5738 We've got several people out there that would like to talk to you. Yeah.

11:42

And if you have any questions for the gay boys is there affectionately called around AIDS Foundation. Houston are gay boys. Yeah.

11:51

Like there's somebody straight that works at AIDS. Oh,

11:55

there's a couple of unfortunate.

11:59

11:55

We suspect they're straight. rumors flying. They haven't come out of the closet yet.

12:06

Did you guys get that gay boy name?

12:09

I haven't No, no, I seen that. We're both boys and we're gay. I don't know what to do with it.
New Website, WWE dot gay boy.org.

12:26

All right, this friend of mine owns a German schnauzer who's been experiencing ballots problems just falling over, as the dogs walk into the food bowl falling right on the floor. So she took the dog to the vet. And the vet explained that this particular breed of dog is extremely hearing and that her dog in particular, had a lot of hair growth in his ears. And this was cat causing the balance problems and causing the dog to fall right over. So he said the problem was pretty simple. And he proved prescribed a depilatory for the woman to apply to the dog's ears. So she takes the prescription to the pharmacy and drops it off and goes back later to pick it up and the pharmacist is given her instructions. And he says if you're using the depilatory on your legs, use it at full strength. If you're using it, using it on your arms, use it at half strength. And if you're using it on your face, use about a quarter strength. And she responds oh this is for my schnauzer.

13:26

And he responds well in that case, use it at about an eighth strength and don't go bicycle riding for a week. You see, I see. All right, Scott at the Briarpatch name for your one breasted woman is cyclop bought it

13:52

what do you say about my mother?

13:56

They doing over the briar patch? They're supposed to be sitting around and singing songs.

14:01

Those guys have fun over at the Brier

14:04

who's telling Randall recently what a fun time that I had there recently

14:08

I went to a fundraiser there that the the court put on and boy what a lot of fun that was there's all kinds of variety of entertainment. Plus they had this kind of raffle thing go and which was kind of fun. Cool. Yeah, some good stuff and some really tacky prizes.

14:29

Well, that's fine. And Thanks, Scott. We're still waiting on somebody to call in and harass these two

14:36

should before we feel so unloved nobody wants to call oh five to six KPFT I'm expressing a pouty face right now. Because I'm sad. I'm sure they're getting that I just want to tell them

14:50

to me that he's got the lips to do it.

14:53

Oh, there they go down trip.

14:59

I'll take that as a car. implement.

15:02

He didn't get that slips from sucking lemons.

15:06

I cannot talk about people's lips.

15:08

Were these things okay, honey. And these

15:14

brownies laughs

15:17

Yeah. ALL RIGHT.

15:19

Jimmy got some music queued up.

15:22

You want to escape? I've got a couple of more pansy division songs out there brand new album. That's not out yet. Not August the 12th. But you're hearing it first right here on after hours. Play a couple of them. Okay, cool. Let's go

15:55

Oh, yeah, Jean. Boy, wonderful group from England with fighting fit. I've kind of been playing that one to death. It's my favorite one on the album. I really should play something else.

16:05

That's a great sign. I really like it. Philip, kick me in that mosh pit we had going on.

16:11

Before that pansy division with two more from their brand new album. The summer you let your hair grow out and he could be the one he could be? Yeah, that was five you heard on their brand new album. That's not going to be available till August 12. So I hope you take them.

16:30

Yeah. Me? No, Jimmy. We really haven't been dishing Peter, appropriately. This is my one shot.

16:37

Okay. Before we got to that, I want to say we got another plant. Right? Yes. The nice generous plant pollinating. Bill O'Rourke, aka Well, actually, Bella rugs his real name. But with the court, the Royal Sovereign imperial court at the single star, excuse me, fancy case, Lawrence. And he is the one who put on that fundraiser that benefit show at the briar patch that I was talking about. Oh, well. Thanks, Bill. And he also wants to tell you, yes, that the ancient Amazons used to cut off one breast so it wouldn't interfere with their bow strings. So maybe this is a real live Amazon woman.

17:23

Uh huh. And she's out shooting bows. Looking for a love. I hope that woman who's in search has a lover who doesn't have a car.

17:35

So sorry, you women who were really into the roleplaying thing.

17:41

Take it to the limit. Hopefully I can just see I was getting calls next show

17:49

Andy and Barry from sharps town area requested something by Morrissey and I didn't bring any Marcy with me, but we found some in the library. I'll be playing that later on in the show. Great. Now let's dish Peter to death. Please,

18:06

please. My only chance and I know he rips me when I'm done here and I deserve it but now it's my turn. He does

18:12

rip you to he is merciless.

18:15

I bet. Tired hack. Oh, it's a love hate relationship

18:23

with heavy on the hate. Yeah, we love best of friends.

18:28

Oh, absolutely. That's why I can talk about him so badly. Such feeling but um, Peter is crossing the streets of Detroit this weekend, causing havoc in the northern portion of our country.

18:45

We can hear them scream all the way down. Seriously.

18:50

And I don't think he's what he said he was going to do a cruise as is often the case when I'm not here. I'm often promoting my cruise line. But

19:01

we will Kathy and we Yeah, right. Kathie Lee and rageous and all of that kind of thing is

19:07

cruises, Connie. That's it. You've heard of him? Yeah, I've been on one they kicked me off though. I didn't have enough hair. Or well you didn't have the body hair

19:19

have the right equipment problem or too much equipment as it were but I think Peters starting his own cruise lines, something similar to the the boats in New Orleans, the gambling, the gambling boats that never actually leave port. He's gonna start at a cruise of buffet ships that don't actually go anywhere. Just kind of come on and eat up all the food. I see which is Peter specialty. So

19:48

it's gonna be a whole ship for that cruising or eating well both.

19:52

19:52

Peter likes to incorporate his two favorite things well rounded Yes, he is. Peter Oh you poor thing where he felt you probably went but we miss him wish she was here night breeze like the corner now, but in his absence we do have our top 10 List ah Return of the top 10

20:22

I have been missing it. You know he forgot it last time that dizzy. And so it's been like two months since we've had to top 10

20:31

20:34

is it about?

20:35

All right, it's the top 10 Best, worst country western song titles. Ooh, and these are actual titles that you could look up and find if you had no life

20:48

and were so inclined to do so who didn't have the life to look them up? Well, you

20:52

know that research department? Ah yes, yes. 1000s

20:55

Which is why we've got this fundraiser going on right pay for the tower and your research department

21:00

21:02

trying to keep them paid 5265738

21:05

Thank you. So the top 10 best of the worst country western song titles. Aha, here we go.

21:24

but at least there was more than one

21:31

their teeth were stained butter. This is a real song.

21:34

Absolutely. And on the beside of that track. I fell in a pile of you and got love all over me.
Number nine stain

21:47

fell in a pile of you.

21:52

stained with love baby stained with love.

21:55

You need to hear about that habit. Number eight I want to whip your cow

22:03

short is like spanking the monkey

22:06

it's one of those Cunanan things it's video

22:13

number seven I would have wrote you a letter but I couldn't spell yet people really think real honest to God. Number What are we on six? I'd rather have a bottle in front of me than a frontal lobotomy. country song titles. The worst actually

22:33

I've heard that line used in a song not a country western song. Yes. Hmm.

22:38

Well, crossing all musical boundaries are we on here? If I can't be number one in your life, then number two on you people get paid money direct.

22:55

That was a barber mandrill just picture it. Picture it

22:59

mandrill sisters are we on here? I think this is number three. Mama get the hammer. There's a fly on Papa's head. That's a swing and tune. Okay. There are two stepping in that one over the BRB. Yes, they are. Number two. Oh, I've got hair on my ears and my glasses are slipping down but baby I can see through you. That is not a title. I swear it catchy.

23:30

You're the karaoke kings.

23:33

You have it for me. Think that was a made big by the Gatlin brothers. There you go. Now, this is number two. They may put me in prison, but they can't stop my face from breaking out

23:54

one of the adolescent country songs and the number one worst country song title of all time. You were only a splinter in my ass as I slid down the banister of life. Toe Tap in nice tune if I ever and Swing your partner Endo. sido

24:15

Whoa, those were really really bad. Really, really bad.

24:19

Awful. Although, well, I'm not gonna offend any of our country music listeners out there. Well, at least

24:25

you didn't give the performers. Yeah, yeah, they that could have been really embarrassing for. No, I won't say

24:36

one that didn't make it on the list, but it's pretty recent. I don't know if you guys have heard there's a tear in my beard because I'm crying every year.

24:45

That was one of my favorites. Was it

24:47

can you sing a little? I could

24:50

listen to the rest of the show.

24:53

Yeah, I do too.

24:57

And not only listen, but call in

25:00

Yeah Oh 565738 We've got operators sitting by waiting for your call anxiously

25:07

waiting where else can you get this?

25:09

So also I want to announce that should have announced it earlier that you will be enjoying after hours tonight. I'm filling in for Billy Gilbert for the show that comes on from three to six. So we're going to be having three hours of queer music. Wow, it's

25:27

a long night or yeah, when you bring your 91 Should it be comfortable?

25:33

Yeah, well

25:38

speaking of a hair curl

25:42

I'm just you know, just trying to how I can fit that into my my nightly. There nevermind.

25:50

There's a whole Jimmy in the studio by himself hearing rollers, a 90 on cold cream on face. Rocking out to queer.

25:59

Pink Muffy slippers. That's cute. Did

26:02

someone say Ma? Ma?

26:08

Si Randles main function tonight is to do stand up looking cute and providing sound effects. That's quite a task he got there that's in

26:20

his job description. Actually. Sound effects is that prior outreach, cute bass that just everyone smile makes a noise. There's no self esteem problems. Boys.

26:36

So what else is going on the news, Phillip? What were you talking about earlier?

26:41

We were talking once again about our friend Andrew Cunanan.

26:46

Wow, he's not my friend. You have to feel bad for the guy though.

26:50

The self esteem problems?

26:52

Do you have to feel bad? What do you think about the ending of the whole thing I know some people are disappointed that they think they'll never get the why the wherefore

27:00

actually story late breaking news this evening, is that one of his best friends received a letter in the mail. reportedly from him and it's a suicide notes shot. possible explanations it was on the

the man, reportedly from him and it's a suicide note and possible explanations it was on the news this evening. They're not sure if it's a fake or not. So they're going to you know, do whatever the police do to figure out if it's real, but the letter talked about him having HIV slash aids. have various other things and that with that? No, they haven't. law won't allow that to be just closed over ever? I would hope not. Well, I don't know, there was an HIV counselor who was coming down during this whole story who said that he in fact counseled him at his HIV test and that that was one of the issues was that he was HIV positive and was kind of on a final spree whether or not that's true. It shouldn't be there should never be anybody who discussed that kind of information. Yeah, no matter what you do, the law

28:00

is there but that seems like a little bit of breaking of confidentiality, you should get slap

28:08

so maybe, you know, by the end of the weekend, we'll know what some of his motivations are.

28:13

But you know, I heard so many people have different opinions on how it all ended and I was watching a thing with it had the guy from America's Most Wanted and he was just talking about how this was the best ending that could have happened it saved the taxpayers millions of dollars and you know the court costs and then if he was found guilty

28:33

yeah sure saves the taxpayers millions of dollars but what about the families who lost their their loved ones and then having an explanation if that note is indeed false, then we won't ever know the real story. And there should be some closure.

28:46

Yeah. But the bottom line is thank God it ended before there was another that's true victim that's true. And can you imagine the guy who found him in that house boat you just want you know, you're just watching over the house boat. You're just coming to check make sure nothing's going on then that's not in the job description.

29:10

When they're making such a big deal either the owner of the houseboat to it's like he's on trial

29:15

on but this guy there this guy they're saying you know that he's not gay and that they had no connection. The guy owns a bathhouse and in Las Vegas, right? Well, I don't know your investment. You make the call? I'm not so it's

29:32

just the same way that who was the second victim the older or the third victim, the older gentleman who was married very wealthy philanthropist and his family is just spitting nails because they're saying that he wasn't gay. And come on. Okay, he

29:49

was bisexual, right?

29:51

Look at all look at all the patterns wealthy, older gay men. Look at what Andrew can Anne's life was kind of based around, right and that's Not really the issue. Issue is that he's dead and so are three other people. Yeah. Including, you know, poor Gianni right. And

30:08

I want to stress it's Gianni Yeah, it's

30:10

not Johnny, that Gianni Versace Versace, Versace see.

30:17

Gianni Yes, it's,

30:20

and it's lovely. It's tragic. And it'd be nice if there's an explanation. But the point is that Who cares who was gay or what he did in his life or, you know, who he slept with or who's run scared because they're afraid they're gonna be added there for people who are dead. And they're all equal human beings. The fact that, you know, all this media exposure happened after Versace was murdered, which in itself, you know, is tragic, but there were three other people who were murdered and, you know, in really bloody horrible awful ways. Okay,

30:47

but let's dish here. Okay. Did you see the pictures of Versace? What do you mean?

30:53

I saw him being taken off on a stretcher. His bottom?

30:56

No, no, no, no. When he was alive 50 years old. Look at him. He looked like he was 70 he was

31:03

looking good. It's that whole lifestyle that rough Italian kind of thing. Throw in some circuit party.

31:12

Maybe it's like the old thing about the hair. hairdressers? Never they never take care of their own hair. They're always worried about other maybe he's so worried about other people's appearances. He was so concerned

31:22

with his own I think that there's a lot of truth and shave

31:25

once in a while just shave once yeah, that's all we ask get a haircut super cuts nine bucks now he

31:32

thinks he's covering up wrinkles by you know growing all that gray hair? No.

31:36

That was Randall strokes his

31:38

31:38

little as long as we're dishing. Did anybody see Elton John at the memorial? No. booing and carrying

31:47

on Princess dies older they had all the rules. Okay, I know I know that this is horrible here terrible terrible right but the social event of the season who? I know

32:05

funeral Yeah, that's really tacky. But I mean Elton John's thinking Oh, am I gonna get to design my album cover?

32:13

Seriously,

32:15

no more free clothes. I don't like that Donatella as much as I like Gianni who's gonna give me free clothes.

32:22

Oh, the hard issues. He's racing. For Elton

32:26

for we can be tacky. We really

32:28

can. And as long as we are being taken, maybe he needs to concentrate more on what's above his neck like this awful earpiece. Really, what do you think in with an orange hairpiece and like salt and pepper sideburns sticking out?

32:44

Nobody's gonna know this. It's fabulous. I look 2020.

32:48

Yeah, exactly.

32:49

He needs some Yeah, he needs some hair tips from you know, the people at the court. That you know, really? Let's face it.

32:57

Speaking of courts, isn't there some big event happening tomorrow night?

33:01

Is there an event happening today? Well, Sunday, this is this is garden party

33:06

Sunday, Sunday, Sunday. If

33:08

you have nothing to do, I suggest and you're not going to go to the garden party. I suggest for a fun afternoon starting at two o'clock. You assemble across the street from riches. That's always fun. Hundreds of people are going to be there. And as the people come up to go into riches, people on the other side of the street will be rating them.

33:32

Fabulous. Yes. Great fun. Yeah. So

33:35

it really is almost more fun than going to garden party even if he on both

33:42

stood outside and gone in.

33:43

Yes. Not on the same day. Different years but and this is really a lot of fun. And then of course the denim party after

33:53

Yeah, it's a party filled weekend. The hurricane party tonight and garden and then Denham party right after it tomorrow.

34:01

So everybody's gonna be dragging their side behind the new work on Monday have got

34:04

another pledge. Sandy, brand new member has made a nice pledge. She says listening to y'all a lot. And this is for Connie. I'm a game woman without a car call me get a best pass. But thanks for the donation. So much and if you need a ride call me. Boy. This is really cool. We're getting some money. That's

34:34

nice. It's so it's really nice. Especially to hear from women listeners. Yes, it is.

34:39

But it's just as nice to hear from men. Listen. Oh, Philip.

34:43

He's so sad. Nobody's called to ask them any questions. He was gonna call his mom and get her to

34:50

we haven't even had any dirty oh man calls Hey, how big is it or anything you know?

34:55

Tell you if your call

34:58

might even show you You go for a pledge goodness
