SUMMARY KEYWORDS

call, connie, randall, good, listening, peter, tongue, people, radio, parade, houston, gay, inches, hours, condom, fridge, hear, dates, blues, talking

SPEAKERS

Connie, Jimmy Carper

00:00

I pledge goodness

00:05

by the inch ring

00:12

at \$10 nin you must be hurt to get in the door well since women are calling it's time to play some women music stealing

J Jimmy Carper 00:22

and this is your first time ever played it was on your show Connie oh yeah Jamie Anderson

00:29

oh yeah like that yes

J Jimmy Carper 00:30

her new album it's it's really good because she does fun music and she does serious music so you get a little bit of everything this is one of the fun one all right.

00:41

Disco shoes it's something

Jimmy Carper 00:42

that you know us as guys we could never really fully understand you know we

00:49

got a song about one breast is no

Jimmy Carper 00:52

good just listening to this. Maybe some of the guys out there will get it you know just an inkling of what women go through. All right, Jamie Anderson doing the menstrual Tango That's right. Ah yeah, that was a little tribute to garden party romanovski In Phillips doing my mother's clothes and before that Jamie Anderson with a menstrual Tango to kind of upbeat songs there that you're listening to right here on after hours. Queer radio with attitude. KPFT Houston and KEOS College Station. I'm Jimmy Carper. And Connie is here from the county and Peter and Connie Lincoln's show. That's right with two good looking guys from Project Caesar who were still hanging out, and they will take your calls about safety,

01:50

intent,

Jimmy Carper 01:51

little things like that if you just make things like that, yes. Now we're doing very well with our fun drive. Here. We have a nother planet. Hall for a previous member. nice generous pledge and he says his favorite shows are after hours the jazz and the blues shows right? Yeah, so we'll be coming up at six this morning. The start of our fabulous blues Sunday. Yeah, and it goes till 6pm

Connie 02:21

Woohoo. Where else can you get blues and while they are crazy,

Jimmy Carper 02:25

my favorite shows Joe's Roadhouse. It's from three to six, Sunday afternoons. It's kind of a rock and bluesy kind of show. Yeah, I really like that.

c

Connie 02:35

I like to I'm always doing cleaning the house on Sunday. So that's my house cleaning day. So I'd flip on a blues. Ooh, get down with the Windex. Take that. Exactly.

J

Jimmy Carper 02:48

Ah, that's how she does it.

c

Connie 02:52

So the menstrual Tango Yes. Interesting silence a very apropos actually.

♀

02:59

Oh my god.

c

Connie 03:02

For me, there's not this week okay. That's the interesting thing about being a lesbian is not only do you have to deal with your own but are your part in one else's as well.

J

Jimmy Carper 03:12

Why don't you kind of if you have a partner don't you just kind of after a while you come together? Yeah. How do you do that?

♀

03:19

Yeah, that's one of the highlights of

♀

03:23

at what stage

♀

03:26

three years? I think gay men do that too.

c

Connie 03:31

You don't believe but you share the wine a lot.

J

Jimmy Carper 03:36

Big Roy says I want your money now. Calling now are big Roy will go on the air and saying oh please, please stay with me. You don't want to hear big

o

03:45

words. So make Randall saying

o

03:48

listen. I'll share with you all my songs.

J

Jimmy Carper 03:54

That number being 5265738

c

Connie 03:56

Total now. I was just kind of browsing through the outsmart here and one of my favorite parts of OutSmart is a queer quotes. Oh, I love that poem. Love it. Yeah. Is one by Dennis Rodman. When I die, I want to be stripped naked, frozen in place in a see through freezer. That's interesting. It just kind of brought up to mind. You know, when you're kind of hanging out at the house, there's not a lot going on and you just kind of go to the fridge and open it and stand there and look in your back to the couch and go back to the fridge as if something new was magically appeared in the refrigerator. Can you imagine going to the fridge and finding Dennis Robbins and naked dead bodies?

o

04:35

I don't think there's a fridge large enough to hold his ego.

J

Jimmy Carper 04:39

Seriously. I just said ego.

c

Connie 04:43

I wonder if he dyes his pubic hair to match.

04:45

I bet he probably does. He's such a freak week in a good way. I'm sure he's freaky. His choice.

Connie 04:52

That's right. That's right. Here's another one from Conan O'Brien on Oprah and Ellen. Oprah Winfrey issued this statement saying that even though she appeared on Ellen's coming out episode she's not gay. Meanwhile, Ellen DeGeneres issued a statement saying that even though she appeared on Oprah show she's not black

05:12

I thought that was kind of I tell my Oprah joke.

Connie 05:16

totally inappropriate Philip. Thanks for sharing and here's the most of the

05:23

why is it so inappropriate? I would trust me more she says it's inappropriate It must be

Jimmy Carper 05:30

really tasty.

05:31

I didn't think it was that bad but okay.

Connie 05:35

Well does Jimmy after afterward then here? Here's something for Randall P we

05:42

know

c

Connie 05:43

what do you think Paul Rubin straight or gay?

o

05:46

Okay, does it matter? I don't spend much time thinking about it.

c

Connie 05:53

Oh, you know, actually straight he says he dates lots of girls but not too many because most girls don't want to be known as dating a guy named peewee rather unfortunate What about that? Hot chick on Third Rock from the Sun? Do you guys watch that? I don't really watch this

o

06:17

in Johnson How about rather geeky one Okay, so

c

Connie 06:21

anyways about the girl Oh, she says she was never really a girly girl and never much of a bitch either. She's somewhere in between.

o

06:32

Well, aren't we all and I continue traveling on that's it.

o

06:37

She's a tall girl though.

o

06:39

Yeah, she I believe she recently got married

J

Jimmy Carper 06:42

at all this is man she's an Amazon Oh any

c

Connie 06:46

breasts does she have her picture and she likes dual breasted

o

06:52

just make up you know those Hollywood photography

c

Connie 06:56

those news things they have you can stuff your raw with their amazing. What else is going on in the news? We're running out of stuff. I guess we have to go back to edition Peter. That's always good. That's always fun. Didn't who told me recently they saw me out. Was it Il random not

o

07:13

out. But we ran into each other somewhere.

o

07:15

Did you run into each other? Probably at the

c

Connie 07:18

grocery store. No. And Peter?

o

07:23

By the Gatorade?

o

07:27

Sure. How many of have you guys seen that the new advocate with the top 100 people most influential gay people under the age of 30. I think once from Houston, one is from Houston. I believe his name is Francisco Sanchez.

o

07:42

Somebody you know. It sure is. It's

07:45

somebody who actually used to work for projects. He's or look returning out celebrities. There you go. Good guy.

c Connie 07:52

He's an advocate for isn't

07:54

the advocate because he was appointed to the executive committee of the Texas Democratic Party.

J Jimmy Carper 08:01

Is this the new issue with all the people under 30? Yeah.

08:06

So a Houston boy on there and he deserves to hear Yeah. Good picture of him. They didn't ask me to be on.

08:17

Word. This hasn't got out. Yeah,

08:18

sure. Yeah,

c Connie 08:19

I'm sure you have a few years. Yeah. Get on that list. 30. Randall, you're awfully quiet. Keeps on slippin. Just teasing. Okay. All right. What else is going on in the news? What do we have here? Flipping? I'm flipping through.

J Jimmy Carper 08:42

Net worth it, baby.

c

Connie 08:46

That Oh, Peter will be glad to know that. Rascals is back open. I think it's a new. That was his favorite bar.

J

Jimmy Carper 08:55

Recent. Well, it's rascals slash tracks. Right? Open Thursday, Friday, Saturday, Sunday, I believe. Mostly serving the black community. Right. And we're glad to have him back. Yeah,

o

09:07

that's where the old studio used to be.

J

Jimmy Carper 09:10

1313 I

o

09:11

remember those days. Yes. Young. How

c

Connie 09:13

old were you? Like three? Seriously, but I was there at rascals slash tracks a couple weeks ago with a friend and was so it was fabulous time. Good, really crowded. So I'm glad to see that

o

09:31

we do outreach there.

o

09:32

Yes. I was there two weeks ago where you handed out

o

09:37

the condoms trying to get guys to go to our the extra large one

o

09:41

we had the magnums out

09:44

just a generalization

Connie 09:49

when you're at nevermind I'm not gonna go there. Oh, no, go go buddy. Ever risk what request to snuggle fit.

09:57

Smaller condoms. Oh, you're saying Now I don't get that request very often.

10:02

Just from Phil.

10:06

Talk to Phil he's got a lock and key. And there's no fake condom.

10:12

They're all mine. They're all mine told

Jimmy Carper 10:14

me that it's just that sometimes the snuggle fit keeps him from coming up so, so easily.

Connie 10:20

Timmy, you're getting kind of defensive.

10:25

The smaller condom.

 Connie 10:27

There's no shame in that game.

 Jimmy Carper 10:29

I like guys with medium to small endowments.

 Connie 10:32

What is medium to small? Do we need? We need a ruler? What would that's something I don't know a lot about what's an average size? Five inches?

 10:44

What an average size that people will admit to or an average size. That seems to be the party line.

 Jimmy Carper 10:51

The party line is six inches. Yeah, it's really more like four to five inches is average.

 Connie 10:57

So there, there's a less than four inch penis. Oh, yeah, lots

 Jimmy Carper 11:01

of them. Are yeah,

 11:03

I've run across a couple of them

 11:05

personally or professionally personally. That's always a shock. That's all you got. Give me the west of it.

 Jimmy Carper 11:16

We have a semi expert here

11:23

Well, I've heard it from the prostitutes. So you know when they get on TV or something like that. Yeah. Radio, they always say it's four to five,

J Jimmy Carper 11:29

four to six. You know, is that that's the average. That's the average. Hey,

11:34

so all you guys who are on those lines saying 910 inches we know you're lying. I heard 13 The other day. 13 inches

J Jimmy Carper 11:45

you know what do you get the medium to smaller ones? You could put them in so many more places.

11:50

Oh Jimmy occurs to me,

11:52

but it's so true. Yes. x positive here. I'm

C Connie 11:56

gonna start talking about vaginas.

12:00

There was a 13 inch something coming towards me. I think I'd have to turn around. Protest I really moved

J Jimmy Carper 12:14

the fence here. Yes. Tracy call? Tracy. Yes. And she said it's a she all right, Tracy. I really like Connie. She sounds so cool. I hope I get to meet her someday.

12:29

Okay, boys. Listen. I'm getting really

Connie 12:32

awkward voice Oh, my hope nobody's listening. Well, honey, thanks, Tracy for calling. You could a cute I did a rare personal appearance at hats last night.

12:57

Hmm. What were you discussing?

Jimmy Carper 13:01

Older hours? Yeah,

Connie 13:02

they're gonna spot the first Saturday, first, first Saturday, one to 131 to 130.

13:08

I remember when I was a young teenager, and I would listen to the show underneath my pillow with the radio tucked against my ear. Oh, you heard that from somebody? No, really? It really happened. Really? I was a little hatchling to

13:21

your mom. New Year again. I don't know what you were hiding.

13:24

I was Jeff is Wonder Woman for Halloween. It wasn't the fact of it was the fact of being up so late and listening to the radio.

Connie 13:35

That's kind of what we were talking about last night. Just what after hours meant for us personally, and I had a similar story listening. I kind of told him when I first found out about living in a leaf. I thought that that would be an ally. You know, I'd turn on the radio and hear being wild gay people having sex on the radio.

J Jimmy Carper 13:55

At Georgia enough.

13:56

No. That's after this show.

C Connie 14:02

That's not the Connie and Peter Linga show. We're a family show. We're for everybody.

14:08

I bet

C Connie 14:10

anybody that have you? Just because nobody's coming to talk to you guys. Oh, don't get your panties all in a while.

14:17

They are in a while. I'm talking to so

14:19

many people. Yeah, during the day that yeah, probably couldn't handle it.

C Connie 14:23

If they could be here and see how cute the both of you are. I'm sure the lines would be lit

14:27

right up this cute theme running through the show. But anyway

right up this cute theme running through the show. But anyways,

J Jimmy Carper 14:33

five to 6573 Hey, Connie, did you hear about the lesbian who fell in love with her? Her? Adidas. I didn't. Yeah, well, Adidas. Yeah. Because well, you know, has the longest tongue in town then you can get it off with one finger.

C Connie 14:52

I love my Adidas long tongue is important. Speaking of length Oh, Oh,

♀ 15:01

and what is the average of that? Average tongue?

♀ 15:05

Got a ruler out and you got

♀ 15:07

pretty long tongue I was noticing there

♀ 15:12

can't help it's just sticking out. Yeah,

C Connie 15:15

I can't pull your pants down look at your penis Oh yes you can Good thing we're on the radio Oh

J Jimmy Carper 15:24

kidding

C Connie 15:27

I don't know what an average tongue length is is when you started where the tongue actually starts would you have to? I don't know what the

15:33

amounts are yeah

Jimmy Carper 15:35

oh expert how far you can extend it outside of your mouth or exactly because

15:46

well, the tongue so important for guys to hear.

15:48

You bet I enjoy. Love tongues.

Connie 15:51

Okay. You're scaring me now? I'm just alone like being

15:59

me. Yeah. Come on, boys. Let's take over. Somebody call somebody.

Jimmy Carper 16:06

Is it time for more music

16:08

please, please rescue me.

Jimmy Carper 16:09

Okay. That's right. Yeah. Yeah, we got to entertain everybody who's putting together their costumes or garden party got the

16:19

thimbles working or in those bathtub shrinking down those jeans for the denim party. Yeah

that's right. Who are stumbling home after the hurricane party?

 Connie 16:29

The party kind of weekend.

 Jimmy Carper 16:32

While you're listening to after hours career radio with attitude, right here on KPFT Houston and KEOS College Station. Let's let's do something kind of different. Something from Howard crab trees when pigs fly. Are you ready for it? Please? Okay. S Morrissey. Yeah, so you're listening to with our KPFT Houston in ke O. 's College Station. Hey, Esther hours. And be sure to stay tuned for after after hours. from three to 6am. I'll be playing music filling in for Billy Gilbert.

 Connie 17:22

And for those of you who are just on your way home from the bar, you're listening to the Peter and Connie Lingus show minus Peter.

 Jimmy Carper 17:29

We don't have any Peter tonight

 17:31

plus Philip and Randall, we've got plenty of Peter.

 17:34

Oh, goodness, a little bit under average on that.

 Jimmy Carper 17:41

And we've already discussed what average means. Yes, we have 1235 theaters

 Connie 17:48

in one tiny amount numbered. That's the way I like

 Jimmy Carper 17:55

J JIMMY CARPER 17:00

there's only one of you

C Connie 17:56

one of me. But I'm on the woman where you'll ever need.

J Jimmy Carper 18:00

You don't have anybody to live with.

C Connie 18:04

Okay, we're really getting to a low level. But Philip and Randall are here for those of you just tuning in from Project Cesar. Hi. The Gay Men's Initiative from AIDS Foundation, Houston. And they just been filling us in on what kind of stuff they have going on. They have a

18:21

workshop, a forum. Tuesday, Tuesday, the 29th at seven o'clock at AFH 3202 whistlin.

C Connie 18:30

And if they wanted to get in contact with you, they can call 524. Eights a IDs. Exactly. All right. If you're near a phone, now's a good time to reach into your pocket book and support your favorite radio station KPFT.

J Jimmy Carper 18:47

Because we are doing a mini marathon this weekend to help pay for the new tower that is up and running. So people in further areas can hear us now. Yeah, so I've been College Station. Well, they've always been able to hear us but they have us by cable. But we're hope hoping that people in like Galveston can hear us because they've had trouble in the past. So they should be hearing us tonight. They

C Connie 19:12

shouldn't be hearing us tonight. Well, if you're hearing us in Galveston now give me a call in

J Jimmy Carper 19:17

and just tell us that you're hearing us right? Yeah, that's 5265738 and of course we're inside

the loop. So that 713

 Connie 19:27

Thanks, Cass that Hola

 19:29

2817 ones. Oh, I hate that. And

 19:31

they're adding any more. No,

 Connie 19:33

not for a while though. Stop the insanity and leave. Oh, that's crazy. Well, we were kind of talking in the musical break about I don't know if you guys watch the show, but the real world this year, MTV is a little slice of life throwing seven people together and when to see

 19:51

what happens. Yeah. When people stop being polite and start getting real. The real world

 Connie 19:59

well this season they've got quite a young cutie they gotta lesbian.

 20:04

A lesbian. About time. That's what we need more lesbians on TV

 Connie 20:09

Look. She's really cute, but we were talking about some alum of the real world. Oh,

 20:15

Dan Renzi is his last name Renzi you guys might remember him is the not so swore the model from the Miami series of the shoudl slash actor model will now he is an actor. I don't know where that came from, because I don't remember him ever talking about acting.

WHAT THAT CAME FROM, BECAUSE I DON'T REMEMBER THEM EVER TALKING ABOUT ACTING.

 Connie 20:33

In the beginning. He said he was doing opera.

 20:37

And he has some environmental degree from Minnesota wherever he's from anyways, he's pursuing an acting career.

 Jimmy Carper 20:44

I wrote an article on him and he admitted to liking the limelight, which is why he decided to go into acting he you know, he really enjoyed the the exposure, so to speak, and once more of it

 20:56

and he had turned down some movie and this is all in your advocate of this month, some movie with Michelle Pfeiffer and Jack Nicholson, because it was starring a gay character. He didn't want to be typecast. I say if you're gonna be seen gay. Be three. I said slow the bus down. Damn it right now. There's Neiman's it's a sale stop. Do you have any hair curlers? What's that? Dish Girl Good.

 Connie 21:32

Well, it's kind of help his dating life. The whole Limelight thing.

 21:37

I guess I found didn't like it all the phone calls this evening. Well, more than what we've gotten.

 21:49

Oh, we have one honey.

 Jimmy Carper 21:50

I was head Queen for the parade. I didn't get me. I didn't know. Well, you were smashing. In fact, I think people have started avoiding me. You know, I

22:00

had Graham Marsh

22:08

really, I'm disappointed to hear

Jimmy Carper 22:10

that. Yeah, me too.

22:11

I was the only one on the float for AFH. And I didn't get any dates either. Oh, you're

22:16

snagging all the dates when you do an outreach say

22:19

better.

Jimmy Carper 22:23

Well, you should have been wearing one of those body suits like the guys on the richest fight. Oh,

22:27

and we were right across from them when they were setting up and they're putting a little body suits on. Didn't

Jimmy Carper 22:32

that make you nervous? It made me nervous just as they went by now

22:35

because I've aot cell cvsteines

c

Connie 22:39

Hey, it was Brian. That was really neat parade. Yeah. All right.

o

22:44

How about that nighttime they birds continue it next year

J

Jimmy Carper 22:48

have another daytime parade? I betcha they never never never. It was

o

22:53

great with the lights and all the festive music. The bars loved it. I'm sure I'm sure

o

23:01

I missed it. I'm sorry.

J

Jimmy Carper 23:04

He arrived.

o

23:09

Not that we didn't love talking to you again. Yes.

c

Connie 23:11

But we know we're kind of dredging on here. We had to talk about the real world guy.

o

23:18

And length of tongues. Hey, well,

o

23:21

that isn't that isn't newsworthy, better. Some people

23:27

forget that question. I'm doing outreach.

23:29

How long is your tongues? Yeah, I hear them ask you that all the time,

23:32

actually. And you pull out the old ruler. I just lick their face. Yeah, well, look.

Connie 23:40

I see a lot of flesh in there. What's going on?

Jimmy Carper 23:44

John Bennett VTEs has arrived.

Connie 23:45

Nice to have you here. You know, I try. Well, that aren't enough. Dammit. You're like

Jimmy Carper 23:54

into their job.

23:57

Hard. I'm trying to talk to people who I can't see. Oh, God, You're fabulous.

24:03

Well, thanks for saying are you working tonight? Yes.

24:06

He was working it.

24:08

I had a co employee who was on vacation. And it was late. I was late. I'm sorry. I'm sorry. I was late. We forgive you. Okay, do

c Connie 24:19

anybody who walks in here have clothed is instantly forgiven. Actually. John

J Jimmy Carper 24:23

has on more clothing tonight than he normally does. Oh, that's too bad. He's wearing a pair of shorts and boots. And socks. I see socks

24:33

there's some keys in there somewhere

24:36

of course they're always there hanging for this. I have to carry

24:40

hanging from his

J Jimmy Carper 24:41

No no, no, they're not hanging from his nipple ring was a

24:44

good way right? I can know that. I'm late so hey, I can Connie's

24:49

had enough. She can't take any more all this man.

24:55

No. What's the point of those and I can't find them. Somebody's gonna have to take me home.

c Connie 24:59

Now. You've been looking for reasons to call in with the pledge. I think we've given you sufficient evidence.

25:07

Now, you know, I called up here to say I couldn't I was not going to be able to come in and that's, you know, Roy was talking about what y'all were talking about tonight and I had to like tell them I'm sorry, I can't do dishes I have to

J Jimmy Carper 25:20

damage and what was it we were talking about? Wanted to get in on? Well,

25:25

actually, all they had to do was mentioned that all they had to do was mentioned something about Roy or I'm sorry, Andrew Cunanan. And

J Jimmy Carper 25:33

then And yes, we do want to talk about that. We want to get Ryan here to talk about that too. And here he comes.

25:44

I just appeared.

J Jimmy Carper 25:46

And of course, we are still in the middle of a mini fun drive just for this weekend to help pay for the new tower and other things. And Edie called in with a pledge. Heard the show and liked her voice.

26:05

—
All right add. Bye guys.
