J

Jimmy Carper 04:05

not only does he read everything on hand that but he gets around. That's a whole nother conversation. That's true. Let's not forget the end, like car toy drive. Are you going to talk about that? No, I

R

Roy McCarthy 04:18

talked about it last week. But we sure we talked about that

J

Jimmy Carper 04:21

every week. National leather Association has are having their eighth annual toy drive for children with HIV and AIDS. And you can drop off your toys, new toys r a check. If you don't want to go to Toys B us or you know do that kind of thing. Just that drop off a check at all kinds of different places. Not only your favorite bars, including ripcord and air and Mary's and PS and you name it, but businesses like Lobo like copy.com like basic brothers and basic brothers, you know, always they're doing stuff for us. Because they're always in

B

Bobby 05:09

it somehow.

R

Roy McCarthy 05:10

Yeah. The trunk support of the community. They're encouraged them and logos that love their lingo, the pieces, what can I say?

J

Jimmy Carper 05:18

I know it. I know. I do love Larry lane. Oh, and I also like to go to basic brothers and, you know, hang around, look at posts that don't look good on me. And, you know, every once in a while, you know, you get to, I've been there a couple of times when there was some kind of dancer who was there trying on bathing suits and, you know, giving a critique and yeah, that wouldn't look to you young,

B

Bobby 05:45

you know, on this. Going back to the subject of World AIDS and ever Yeah, one of my there was a guy who used to work basic brothers. His name was Bill. Who I mean, he, you know, he was always during the holidays, he was always in the window, putting up the decorations and everything. I really miss that guy. He and I used to have some great conversations when I would walk in there and say hi, and yeah, anyhow.

J

Jimmy Carper 06:14

Anyway, no late toy drive. Yeah, be a part of it. The National Weather association is really strong about this.

B

Bobby 06:25

Bring some joy into those kids lives. You

J

Jimmy Carper 06:27

got it. You got it. There'll be picking those up and distributed them soon. So get on it, folks. Okay, don't forget lesbian and gay voices every Monday night, eight to 10 with Jack Wolinsky and Joan devinwatson. And the master of the audio board slaves. When Holt does occasionally drop by here and show us a lot of what he's not wearing.

B

Bobby 07:00

It says something about that you really, you know, enjoy.

J

Jimmy Carper 07:05

Single again. That's true. He is signal again,

 **Roy McCarthy 07:08**
who arrived there fishing. Again,

 **Jimmy Carper 07:12**
okay. And don't forget Nancy Ford. Oh, yes, her name is InLight. ladies and germs. Yes, indeed. Germs. Kashi is playing every Thursday night at the in between, which used to be Charlie's. Yeah. Okay, playing every Thursday evening, her name is in lights up there. It's I think, technically, it's through the 18th. But it's probably gonna go beyond that.

 **Roy McCarthy 07:38**
You know? Sure. I mean, she is such a hilarious person.

 **Bobby 07:43**
She is funny. I met her once in Walgreens. And I, and she and I looked at her and said, Are you Nancy Ford? And she said, Yes. And we started talking. And she, and you know, and I told her my name. I you know, my name is Bobby. And you know, every time she sees me, we only met that one time and we occasionally see each other. She remembers my name. She's

 **Jimmy Carper 08:08**
absolutely amazing. She's amazing. Yeah. And it drives me crazy. Because, you know, people come up to me and say, Hi, Julie. How you doing? And they they were here three years ago for 15 minutes and, and somebody that one of my co hosts brought them on and I'm terrible at remembering names.

 **08:27**
I can't remember names for my Oh, I

 **Jimmy Carper 08:29**
know again of my existence. I just hate it. I hate it. I hate it anyway. Anyway, also, on Sunday, Gay Men's Chorus of Houston and yes, they will be doing opening its 21st Season within the spirit as they had one to two performances one already earlier this evening. And the second one, which I'm going to be at Sunday, December 5 at the Kaplan Theatre of the IW marks Theatre Center at the Jewish Community Center. 5601 South Breezewood now that is very competent, a real clock and you just go 5600 Breezewood it's there. It's three o'clock in the afternoon. Tomorrow. Be there? Oh, they'll get tickets.

R

Roy McCarthy 09:26

Okay, now. I got a little something special folks. It's something it's from the gossip. It is. After hours, news and views has gotten a hold of a copy of a letter from Barbie to Santa. Oh yeah. And I got to read this letter. What is that woman well, okay, it goes okay, Bobby, listen up. Here. You're gonna love this. Anyways, it says Dear Sandra, listen, you Metro. I've been saving your ass every year being the perfect Christmas present, wearing skimpy bathing suits in December and dressed in fake Chanel at sappy tea parties. I hate to break it to Santa, but it's payback time. There had better be some changes around here are I'm going to call for a nationwide meltdown. And trust me, you don't want to be around that. Smell it. These are my demands for Christmas 1999 One, sweatpants and an oversized sweatshirt. I'm sick of looking like a hooker and pink bikinis. Do you have any idea what it feels like to have nylon and velcro up your butt? I don't suppose you do. Know second real underwear that can be pulled on and off. The cheapo molded underwear. Some genius at Mattel came up with looks like cellulite. Three. A real man. I don't have I don't care if you have to go to Hasbro to get him. Bring me GI Joe. Hell I'd take Tickle Me Elmo. Over that pathetic bump of a boy Ken has

B

Bobby 11:08

something to say about that.

R

Roy McCarthy 11:09

And what about that earring? Anyway? Hello. It's about time you made us all anatomically correct. Give me arms that actually bend so I can push a forementioned can wimp away once he is anima anatomically correct. breast reduction surgery. Nuff said. Jog bra to wear until I get the surgery. A new career. Pet doctor and school teachers make money. A new more 90s persona maybe PMS Barbie? Complete with a pint of cookie dough, ice cream and a bag of chips. No more McDonald's endorsement. That grease is wrecking my vinyl complexion. Mattel stock options. It's been over 40 years. I think I deserve a piece of the action. Considering my valuable contribution to society. I think these demands are reasonable. If you don't like if you don't like it, you can find yourself a new B for next Christmas. It's that simple as ever, Barbie. Now can he has a response?

J

Jimmy Carper 12:15

Oh really?

R

Roy McCarthy 12:17

Yes. Now his letter says it has come to my attention that one of my Cago colleagues has petitioned for changes in her contract specifically asking for anatomical and career changes. In addition, it is my understanding that disparaging remarks were made about me my sexuality and some of my fashion choices. I would like to take this opportunity to inform you of issues concerning ms Barbie as well as some of my own needs and desires. First, I alone with several

of my colleagues feel Ms. Barbie does not deserve the peripheral tential treatment she has received over the years. That bitch has everything. Neither I nor Joe, Jim. GI Joe, get right. Raggedy Andy your nan have dream houses. Corvettes do buggy evening gowns, and some of us do not have the ability to change our hairstyle. I have a limited wardrobe. Obviously designed to complement but never upstage Ms. Barbie. My decision to accessorize with an earring was immediately quashed, which I protest for it was my decision and reflects my lifestyle choices. I would like a change in my career to further explore my creative nature. Some options which could be considered our decorator can beauty salon can or Broadway can. other avenues which could be considered our gogo can impersonator can with wigs and gowns or West Hollywood can these would more accurately reflect my interests and I believe open up markets that have been underserved. As for MS Barbie needing bendable arms so she can push me away. I need bendable knees so I can kick the bitch to the curb bendable knees would also be helpful in other situation of which you are aware of back in closing in closing further concessions to ms bar blonde bimbo from hell who while the needs of others within my coalition are ignored will result in legal action to be taken care be taken by myself and others and currently that Ms. Barb tell Miss Barbara and she can forget about GI Joe He's mine. At least that's what he said to me last night. All right, so Sarah

J Jimmy Carper 14:43
can okay you know,

B Bobby 14:44
I if they were worried about hearing magic can they should have seen my drag queen can. I had one I made one

R Roy McCarthy 14:54
But folks, I'll tell you one thing. Nether can could not help hold a candle to our very own Carlos or Billy.

J Jimmy Carper 15:03
Oh, that's right. Or couldn't hold anything. Woohoo.

R Roy McCarthy 15:08
And that's it for this week's edition of news and views.

J Jimmy Carper 15:11
We have run over Of course, I mean, we've just kind of taken liberty with the time but because Jason and Chris, we're not here for their segment tonight. We kind of went over what we

wanted to do, and I'm going to

R

Roy McCarthy 15:27

Oh, but I do want to thank Mary in the morning for providing me with this coming off the handset. Oh, good. And talking about Mary in the morning. She she can be heard every morning. Every morning. Yes. Monday through Friday, Monday through Friday. What's your times? Six ish, six.

J

Jimmy Carper 15:45

I'm gonna kind of you know, this is the first Saturday in December and you know how I am I'm the music queen here. You know it and in December I said your dang good job. We love to play Christmas music and so I'm gonna kind of like open it up now and play some some new stuff, some old stuff. But Christmas music until Big Daddy Jay comes on board and by the way, he is here in the house in case you'd like to talk to him. Give them a call. Make some requests. You can do that right now. 7135265738526 KPFT but until then, here's something new this year that I got from my friend JD Doyle it's from Kevin and bean Santas Wang Santas swinging sack. Oh. So good.

R

Roy McCarthy 17:07

Oh my goodness.

J

Jimmy Carper 17:09

Yes. You will get the point when you hear it and you're hearing it on after hours. KPFT Houston and ke O 's College Station. Oh, yes. A perennial favorite around here. Walking around in women's underwear. From the Bob rivers and twisted radio album called I Am The Santa Claus. We've been playing that for years. Absolutely. Yours. came out in 93. Get request every year, every year every year. Yes. Before that. We had the late great Sid Spencer with please come home for Christmas. Not the original openly. Not he was an openly gay cowboy singer, Country and Western singer. He died a couple of years ago from AIDS. He at Yes, very, very cute.

B

Bobby 18:03

Are of this?

J

Jimmy Carper 18:04

Oh, yes. Yes, yes. Yes. Before that, the South Coast Chorale, member of the gay and lesbian association of courses that's gala under the artistic director, Bob Phipps. That was their CD Christmas time and the song was coming out for Christmas. Now that was written by two people Craig Sturges and Dean X Johnson. Now Dean X Johnson. Thanks, John. You might know from a another group he's in called velvet mafia. He Miller, deli boy, you know. Okay. One of the most requested songs here on after hours deli boy. Yes. And so coming out for Christmas. Good song. Good song. And they had a lot of fun with it. Before that, of course, was Butch the gay Santa Claus. But yeah, hey, now we'll be playing more of that too. We've We've got oh about 1213 minutes to go and at the top of the hour Big Daddy j is going to be here with the red eye special bringing you the best of blues and he's been out tonight. Did you see him? He's gotten dressed up. The Man in Black here tonight.

B

Bobby 19:36

Apparently he was going to dinner earlier with somebody Yeah, Linda. Yeah. And before his show, so that I guess that's why he's dressed.

J

Jimmy Carper 19:47

Looking good. Looking good. Stylish. Yeah, yeah. Now we're gonna take a little different bent from the Seattle Men's Chorus. In celebrate Getting a holiday that my lover celebrates? Well actually, he knows about he's he's not strong in his religion anymore, so he doesn't actually celebrate it. But there's this. There's some good good feeling good good words here from a member of the Gay Men's course. Speaking and then they sing about it. You're hearing it all on after hours queer radio with attitude on KPFT Houston and ke o s College Station Yes, that was the Boston Gay Men's Chorus from their freedom merriment and joy CD. And that was the title cut a Yiddish folk song.

B

Bobby 20:50

You don't hear so many Hanukkah song,

J

Jimmy Carper 20:52

you know, you know? Yeah, well, that's pretty Yeah, cuz I'm Christian. And I can't or you know, I'm not Jewish. That's why I don't know where you can get this anymore. The CD actually. I got several years ago, but it's very, very nice. Well, before that we had the Seattle Gay Men's Chorus doing some Yiddish music. So Hanukkah music,

Bobby 21:21

and Hanukkah just started so yes, it

Jimmy Carper 21:23

did. So we're right with it. You've been listening to after hours queer radio with attitude on KPFT Houston and ke O 's College Station. And then yes, that was Christmas music by queer folks. We'll be playing more of it in the next several weeks. Holidays are here. The holidays are here and I've got it for you. Bobby and I have been here throughout the whole show. Jimmy Carper coming up in less than one minute his big daddy j with the Red Eye special and he's ready to go and I'm ready to hand him the reins. Go Big Daddy.
