O

07:44

Oh, must everybody's favorite clear? Yes.

J

Jimmy Carper 07:47

Okay, so let's do one

S

Stacy Bolding 07:54

it's gonna be a great concert. Yeah, so jealous.

J

Jimmy Carper 07:58

Evelyn will be there. Of course. You're listening to after hours right here on KPFT Houston, and KEOS College Station. Bryan. We want to welcome all our listeners from College Station. And our

S

Stacy Bolding 08:15

new listener. KPFT. Yeah, yeah. Yay. Oh, did you see this? We're doing a membership.

J

Jimmy Carper 08:23

Well, you know, it's, it's this this CPB thing, corporation for public broadcast, right is going to get money cuts, right, we get about, I don't know, 80 \$90,000, a year from the CFPB. And we expect to get that cut by 30% this year. So we've got to come up with a little bit of money. So we're doing a little mini marathon. Oh, yeah. Raise a little bit of money, a little bit of money. Find some fun. That's right. And in fact, we even have premiums. You know, for \$35 You get the program guy that tells you what's going on on KPFT 24 hours a day. Yay. Yep. For \$60 you get a t shirt or a mug. Now

S

Stacy Bolding 09:11

one of those mugs they are quote. Really like that. Oh, yeah.

J

Jimmy Carper 09:15

The very portable silver anniversary. KPFT

S

Stacy Bolding 09:18

Yeah, yeah, the T shirts are pretty to the tee. Well,

J

Jimmy Carper 09:22

they're doing a new one just for them. Yeah, it's it's gonna have 90.1 FM and Spry sprang to action I support KPFT

S

Stacy Bolding 09:30

owe me with springs or kangaroos. Something like that. Me. Yeah. Neat. And then for \$90 You get the t shirt and the mug?

J

Jimmy Carper 09:38

Yeah, both. Oh, yeah. And for \$150 You get the KPFT watch the very elegant, often imitated and never late KPFT watch. It's the 25th anniversary edition. Right that's got 90.1 FM am KPFT hall that kind of it's the very old. It's like the first logo that we ever had.

♂

10:06

Yeah, it's really cool. Yeah,

 Stacy Bolding 10:08

I've seen that neat. They are pretty.

 Jimmy Carper 10:10

Now, if you charge your membership on what

 Stacy Bolding 10:15

Visa, MasterCard and American Express only know discover,

 10:19

well, not yet. We're working on it, you will receive a KPFT pen or KPFT keychain while supplies last. That's just a little something extra because we get that money right away.

 Stacy Bolding 10:31

Yeah, but that's for a pledge of \$35. More than that, that brings you into an instant membership, which is always good to hear. Yeah, those are always great down. Let's see, when you pledge you can pick up your subscriptions between eight and six Monday through Friday, I assume here at the office here at the radio station

 Jimmy Carper 10:50

during regular working hours Monday through Friday eight to whenever we are at 419 Love it. Boulevard in Austin, Texas, Kevin 706, not just the zip code a lifestyle. That's right. And to hear a little bit more about why you need to spring to action. Listen to this.

 11:17

according to Webster, guilt is defined as the fact of having violated law or right, a sense of having committed a wrong pretty strong stuff. Well consider this guilt is why many KPFT contributors made their first ever pledge. They heard previous pledge drives and came to realize that these appeals for support were directed at them. Regular KPFT listeners, but they didn't pledge during the next drive. They almost made it to the phone, but and in the next fun drive. It got them that dreaded word guilt, guilt for listening and not supporting. So they called and they have been given ever since not because they've been listening without giving. But because they want the programming they value to continue guilt. It is why many people make that first ever pledge. And then guess what? It goes away. Spring to action right now and make a pledge. Call 526-573-8526 KPFT. Now more than ever, you can make a difference.

J

Jimmy Carper 12:37

Whoa, that's the guy with a three ball boys.

S

Stacy Bolding 12:45

Well, the one thing we do have to do is we do have to give you the phone number so you can get us those pledges. It's 526573852 6k PFT.

∅

12:53

Yes. Give us a

J

Jimmy Carper 12:58

call. We've got operators standing by actually I think they're sitting sitting Yes. But last time I looked

S

Stacy Bolding 13:06

they were sitting there now.

J

Jimmy Carper 13:09

Brian Roy doing nails are here in the lobby waiting to take your call. Yes.

S

Stacy Bolding 13:16

If it's busy, just wait a minute.

J

Jimmy Carper 13:21

Actually, if you want to call and just chat I think we've got a couple a couple of guys here. He looks like he's in a gossipy mood. I think so. Okay.

S

Stacy Bolding 13:35

Ah, no guilt isn't your only reason for coming by and giving us a pledge? No, it's yeah, if that's the reason you did it great. We're not gonna worry about it. But it's also to keep to support the radio stations to support things like the after hours program and the Afro American program

that is owned right before the African

J Jimmy Carper 13:57

Kaleidoscope right? Yes. And all the other one raffle programming and diverse that that's what we have here diverse programming. After after hours is a show called carbon dating game, which plays a very, very strange music plus at 330. They do the babble THON, where they they open up the phone lines and put like four or five or is how many people call in on the air at one time. Let everybody talk at the same time. Plus they do kind of weird things with different tapes and pieces of music. It's it's a it's an amazing that's amazing. Just listening to it sounds

S Stacy Bolding 14:36

like retail.

14:40

I see

J Jimmy Carper 14:42

you work retail it's sort of like that, but it's probably a bit more entertaining.

S Stacy Bolding 14:49

Yes. Oh yeah. Our goal for after hours is \$500 not a hard goal to do. Easy. Just about three or four of these 100 and 50 to 150 pledges and we'll have it done.

J Jimmy Carper 15:02

There you go. Simple and we're only this. This is a mini drive. It's less than less than a week. It started right now and it's ending Friday night at midnight. Oh, hurry and you don't have that much time. Okay, 52657385 to

15:20

6k P

S Stacy Bolding 15:21

F T. Yay. Okay, the next thing we're gonna do for all of us that are leather or leather SM potential is

J

Jimmy Carper 15:31

now now that's a good word SM potential because I know I've read a lot about leather and I've never actually participated. But it's, I'd like to find out about different aspects of my community. Okay, so I like knowing about this. Okay.

S

Stacy Bolding 15:47

All right. All right. I was just going to do a humor and on all of this, okay, and it's leather as a potential because you don't know it's once you're out being gay. That's almost easy. Yeah, it's tough coming out to your family and friends. But the hard part is coming out into leather, SM I think so. That's another sub minority. So now you have to come out to that. And most people are like, well, what is it? What do you do? I mean, do you beat up on people? Do you let people beat up on you? Ooh, that sounds gross. What is it? And it's it's not abusive. It's safe, sane and consensual.

J

Jimmy Carper 16:25

That's what those are the words I keep hearing from leather people safe, sane and consensual. Which, hey, that should be the basis for any type of sexual play

S

Stacy Bolding 16:36

a song for any type of relationship. Yes, but it doesn't happen that way. Oh, it doesn't. It doesn't always happen that way. That's why one of the things I'm going to do tonight is the difference between SM and abuse.

J

Jimmy Carper 16:47

Okay, and because I've seen a lot of relationships that, you know, on the outside think boy, that's kind of an s&m, but it's really abuse because there's no conceptual going on

S

Stacy Bolding 16:57

here. Right in there is a very fine line. And it takes a lot of work to learn to walk it.

J

Jimmy Carper 17:04

It really does probably takes a lot of communications yes

S

Stacy Bolding 17:07

to Yes. And SEM, from my observation, and SEM partnership is one of the most open I've seen. I've been in one now for just about a year. And as of now there's nothing I can't talk to her about.

J

Jimmy Carper 17:25

Great. Yeah, that's the way every shot every relationship be this

S

Stacy Bolding 17:29

way it should be but it's not. And I think the SEM gives the people a venue for that. So it allows them the ability if they can talk about some of their more intimate moments then maybe they can relax and talk about some of the harder stuff like okay, who cleaned the bathroom last who why is it still

J

Jimmy Carper 17:48

Oh use whether people have those problems too.

♀

17:52

Oh, yeah. And you got home late Why didn't you call? Yeah, all that kind of stuff. Yeah.

S

Stacy Bolding 17:58

So you talked about the more intimate things that leaves you open for some of the little lighter stuff to talk about. But on a light note this is called you may be leather SM potential if it's kind of take off on the Jeff Foxworthy you may be rednecky

♂

18:16

Oh yeah, yeah, that's cool. I like that.

S

Stacy Bolding 18:19

And this was given to me by Carolyn one of my fist sisters. And also the writer for the voice. Oh, choir vote.

♀

18:28

Yea. I know her

YES, I KNOW HER.

 Stacy Bolding 18:29

Oh, everybody knows her. Well. You Baby leather as in potential. If you still want to play doctor and you're over 20 You refuse to wear hankies, but you memorized all the colors by heart. Okay, Nuff said Good eye you think that? You think that thing about wearing your keys on one side or the other is pretty bogus. But you know which side you're gonna wear your keys on? Yes. Oh, that's fun. Your honey tails you adamantly know about anything and it gives you charge. Rush. Oh, gives you a little rush. You can think of 101 things to do with leather shoe strings and nothing involves shoes. I see. You and your friend are out for dinner and you're discussing the latest in suspension systems. And neither one of you shopping for a car

 Jimmy Carper 19:37

I got that one. Yeah,

 Stacy Bolding 19:38

yeah. Here's one of my favorites. You ordered roses but then you have to take them back because some idiot removed all the ones I liked that one's fun. You've run in nine and a half weeks so many times the woman at the rental store is giving you that weird low. Let's see you have an electric clothes dry. but you still need those old fashioned springy type? clothes pins.

 Jimmy Carper 20:06

Yep, I got that one too. And you

 Stacy Bolding 20:08

know which store in town has the best eyebolts? And what to do with them? Oh,

 Jimmy Carper 20:14

I think I'm Yeah, I know what that's about suspension systems.

 Stacy Bolding 20:22

And you're considering redoing them garage and early American engine, but you haven't found the right explanation for the stocks yet.

 Jimmy Carper 20:33

## Jimmy Carter 20.00

S Stacy Bolding 20:36

the couple of others that I got from some friends when I was getting ready for this show. And one of my favorites is since most of us are quote unquote, in the over 30s crowd. Oh, yeah. Yeah. Most of us remember shows like Happy Days and things like that. Yeah. And so we were sitting around doing this and somebody goes, Oh, my favorite character was always Fonzie. Yeah, mine was all in. So I'm sitting there thinking about the show notes going you know who I really liked? Who was leather? Tuscadero? Oh, yeah. In the light blue leather. Oh, you like that? Well, I like that one. So we came up with you may be leather SM potential. If your favorite characters on Happy Days were either Fonzie or leather. Tuscadero. Yep. And then we had, then this was just something that spontaneously and you know, truth is better than fiction. Absolutely. Anytime. Yes. One of the girls were sitting around the house and called her dog to me. Her dog to her. And her lover responded as well.

21:45 Just without thinking, yeah.

S Stacy Bolding 21:48

Dog in the leather. Both went over there and went white. So that that's just a humorous look. I like that. Yeah. Leather. Thank you then, okay. Now, since we were talking about some of the more serious stuff, I got some excerpts from my book that is more or less required reading? Oh, yeah. Once you get into it, or even if you're if you're curious about it.

J Jimmy Carper 22:31  
Well, I know on the guy side that the Letterman's handbook right? is kind of a basic thing.

S Stacy Bolding 22:38

Right? That's a good one to read. This one is called sem 101. safe, sane and consensual sex. By I don't have the title. Oh, okay. I don't have the title of

J Jimmy Carper 22:51  
it. Or anything by pack. Olivia.

S Stacy Bolding 22:53

Oh, wonderful fiction. I have her vampire story. I'm going to read some excerpts from that. Okay. But this is required reading and it crosses both gender lines or all gender lines. It's just general safety tips. A little explanation.

 Jimmy Carper 23:10

Yeah, let's start with the whole nation because I hear you say SM and I know a lot of people say s n m is there a difference here?

 Stacy Bolding 23:19

Not that I know of they mean basically the same except the word is sadomasochism. Okay, okay. Let me just get into the definition. Okay. The author here defines SM as knowing the use of psychological dominance and submission and or physical bondage or pain or related practices in a safe, legal consensual manner, in order for the participants to experience erotic arousal.

 Jimmy Carper 23:47

Okay, let's let's go through that again, a little bit slower. Because the there's some key words in here like psychological? Yes.

 Stacy Bolding 23:56

Yeah. It's not always about the beatings, yes. Okay. There's different parts of SEM. Now when I say yes, am I mean, the sadomasochism Part

 Jimmy Carper 24:12

Two when dues paying for endorphin release? Right,

 Stacy Bolding 24:15

right. But I also include in that, and this is my personal definition, bondage and dominance, which would be B and D. Yeah. And then there's some people that use SDS, which is sexual domination and submission. Okay. Okay. And I kind of keep that out. Because it's so closely related to STDs. Oh, yes. Yeah, yes. So I kind of dropped that when I say I say my include everybody, okay. And SM can include anything from just physically holding your lover down to psychologically holding them down, which means you don't restrain them in any way. Except mentally and everybody knows where your biggest sex organ is in the head in your head? Yeah.

 Jimmy Carper 25:01

J Jimmy Carper 25:04

I bet that a lot of people practice some form of SM, but to a lesser degree or they don't acknowledge it as such, because you're we're talking about psychological game.

S

Stacy Bolding 25:17

Right? Yeah, that's what it is. And it's an emotional and sexual it's an emotional release for some people. With or without the sexual overtures, which are there. It does not change your erotic play, or your sexual life, it adds to it. It's an enhancement of your sexual life. If you've ever just held your partner down, or you've just tied their wrist together, tie them together to the bed, you know, or just flatly throwing them down on the bed. Okay, that is SM. It's a form of and it's a light form of it. Some of the things I'm involved in are a little heavier, which is beatings and piercings and cuttings and things like that. Those are some of the heavier forms. Okay,

J

Jimmy Carper 26:12

before we get get any further, I wanted to mention Q patrol just went by Did you see that flashing? I did. Yeah, they were in their, their their patrol car and flashing KPFT. If they know we're here, and probably they will be calling in later to give us a report on what's going on in the in the community cute patrol is a group of people who volunteer their time, Fridays and Saturday nights to patrol the Montrose they keep it safe.

S

Stacy Bolding 26:41

Which we need? Yes. It's always great to see them out there.

J

Jimmy Carper 26:45

I don't have I don't have the number with me. But give us a call at 5265738. If you're interested in q patrol, or to pledge your support for KPFT. We've got operators sitting by, do we know now? That's right, they want to gossip and get some information about you and take your pledge. Five to 65738 Let's get back to you. We're getting into a little bit of the heavier stuff.

S

Stacy Bolding 27:15

Yeah. Um, some of the things that I enjoy are piercings, cuttings, and whippings. Okay. For me, it adds to my sex. It's also an emotional release.

J

Jimmy Carper 27:26

Now, let me ask you something. Okay. From an outsider asking the question, Does this mean all all the sex you ever have in your life is like, kind of like,

S

Stacy Bolding 27:35

no, no, there is still.

J

Jimmy Carper 27:39

You ever do it regularly? Like vanilla sex? Yeah, that's it. That's the word analysis analysis? Yes.

S

Stacy Bolding 27:45

They're still making love involved in that.

J

Jimmy Carper 27:49

So there's, well, you know, I wouldn't preclude making love from any of it. Any of it? Yeah.

S

Stacy Bolding 27:57

The biggest thing of SEM is you have to have a partner you trust. In either case, no matter what you have to have a partner you just when you make love. So it's just natural, that you really have to have one unit that you trust when you are engaged in SM but that doesn't like I said, it doesn't change your sex life. It enhances it. It's kind of a variant on the plain old vanilla 69. You do me I do you like to have a cigarette and go to bed?

J

Jimmy Carper 28:27

Yeah, that kind of gets old. And then you find I guess anybody together for any length of time that you want to experiment and other things and do things you might not even normally do because your partner likes this. Right? Right. You're just going another step further.

S

Stacy Bolding 28:46

And I'm going even further by being able to be out and talk about it. The only people I'm not quote unquote, out to right now and leather SM is my family.

♀

28:57

Okay, and

S

Stacy Bolding 28:58

hopefully this program tonight will help that. I'm having it recorded for friends. Yeah, okay. So it is a lot of psychological stuff. You do have to have a little bit upstairs to be able to engage in this safely. You do. The fiction is great. I love the fiction. I was reading all the fiction before I get into it. Yeah, but the fiction has nothing to do with the real life. But it's a fantasy. Right? It is pure fantasy. There are no super tops or no super bottoms.

29:35

Sort of like a little bit in between. Right? Right.

**S Stacy Bolding 29:41**

And there's all kinds of you don't have to spend a lot of money on this. There's different things around the house you can use. Like I said silk scarves, shoe strings, good time people down spatulas, wooden spoons, things like that for the hitting Uh huh, your palm of your hand, things like that. So there's, it's not an expensive habit doesn't have to be. But it's like anything you have

**J Jimmy Carper 30:09**

to have some knowledge to because if you're going to do hitting things, what I've read that I that pops into mind is avoid the kidney area,

**S Stacy Bolding 30:17**

right? You have to know where a hit Yeah, you want to hit areas where there is a lot of fat. Okay, upper thighs, okay. You don't want to get hips, buttocks, between the shoulder blades on the back and you never want to hit on the spine. Watch the lower back. You can hit the chest area. You can hit the nipples.

30:43

Avoiding degrees, I guess. Yes. For

**S Stacy Bolding 30:45**

the for the person. Yep. Avoid the arms. Because you've got major arteries and stuff like that. Any cuttings or piercing should be done away from the heart major veins, things like that. Inner thighs

31:03

erotic area I know. Yeah.

S

**Stacy Bolding 31:04**

Some guys are into cock and ball torture. Women are into clip piercing clip torture. But you have to be really careful. I mean, these are. These are areas that you need to read up on first before you try. Okay, so yeah, you have to know where to hit. Also, you have to know when to hit. If you're into the hitting. Yeah, there's always there's always the safe word, which will stop the scene by either partner. What's the safe word? It's a word that if the scene goes too far for either person gets into an area where they're not comfortable. They stop it.

J

**Jimmy Carper 31:42**

Okay, because we're talking about an area where somebody may say, oh, no, no, no. When they don't really mean No, right? No. Right. So you have to have a different

S

**Stacy Bolding 31:50**

word. You have to have a different word. Yeah. So that can be anything that will be a color of vegetable. Yeah. You know, peanut butter, you know, whatever, right? Just anything other than no stop. Don't, things like that.

J

**Jimmy Carper 32:02**

So because lots of times no stuff don't is an enhancement.

S

**Stacy Bolding 32:06**

Right? All right. So you have you have something other than that, to stop the scene. And usually, once everybody calms down a little, then you talk about it. Find

♀

**32:18**

out communication, the guy always, always

S

**Stacy Bolding 32:22**

has to be there. If you've ever watched to see, like pep dust parties, people empowering people, which is a straight and bisexual, heterosexual, SM organization here in town. Yeah, they do play parties once every two, three months. If you go to those, you'll see different things happening. But you'll see you'll see people talking a lot, a lot more talking, explaining things like that. Then you do actual scenes. So it's interesting. Yeah, that's where you get into the psychological stuff. Is the talking and things like that. And the humiliation and that you wanted to go back through this definition. One more time. Yeah,

J

let's let's hit that one more time. We've talked about this. But but this isn't this is very important to keep in mind. This is what we're talking about here.

S

Stacy Bolding 33:17

Sem as knowing the use of psychological dominance and submission and or physical bondage and or pain and or related practices in a safe, legal, consensual manner, in order for the participants to experience erotic arousal. There we go. It's easy. It is easy. Let's see an automatic upper limit to SM is that the dominant literally agrees not to do anything to the submissive that would need a physician, psychotherapist or a resource to heal.

J

Jimmy Carper 33:59

Okay, that's where to start. What you're saying there is talk it over first, right?

S

Stacy Bolding 34:03

Right. Don't do anything like slash the person dress. Yes, don't do anything that would cause them major harm, bodily harm to where you get a need a doctor or a physician, or a psychotherapist or a hospital or anything like that.

J

Jimmy Carper 34:21

Now, you're talked about the SN community being a subgroup, the gay and lesbian community, or the GLBT as I like to gay, lesbian, bisexual and transgendered community and that or the queer community, hey, we're we can try it word. So I would imagine if that there are people who are doing non consensual type of sex in the SM community, word gets out about

S

Stacy Bolding 34:55

these folks. Yes. Once the word gets out about those folks It depends on again, it depends on people involved. Some people try and get involved and explain to them the difference and this is abuse. This is not SM. Here's where you can go for help. In some cases, a lot of people just don't get involved and don't play with those people. Yeah. You know,

J

Jimmy Carper 35:20

even on the outside, I've heard guys talking among themselves like, Hey, don't go with him because

S

Stacy Bolding 35:26

he, right. And, again, most of that is personal opinion.

♀

35:32

Yeah, that's true. That's true. Be careful of that.

S

Stacy Bolding 35:37

If you're interested in somebody that has that, again, talk it over. Bar maybe isn't the place to talk about it. Go to Charlie's grab a coffee, coke, sit down and talk about it. Sure. Before you do anything,

J

Jimmy Carper 35:51

or even better exchanged phone numbers and talk to each other, maybe from each of you being in a safe place and a different time. Right. And you know, meeting somebody in a bar, you know, you have this high lust

♀

36:08

and even alcohol con Yes.

J

Jimmy Carper 36:10

And even just going for coffee may not diminish that. Right?

S

Stacy Bolding 36:13

Right. Yeah, that's the one thing that you don't do and we call it play is you don't play without calling drugs. Okay. You don't play without calling drugs. If you do without calling drugs you don't play. Okay. Okay. That is and that's just a plain old rule.

J

Jimmy Carper 36:32

It sounds like a good rule. It

S

Stacy Bolding 36:35

goes along with the same safe and sane and consensual.

J

Jimmy Carper 36:39

Yeah, we could we could use this in the vanilla community, you know?

o

36:43

Yes. Oh, yeah. Yeah, there's
