S Stacy Bolding 00:31

That sounded very good, didn't it? Yeah, that sounds good. Well, I'm gonna have to find the phonebook and get a phone number and get tickets. Okay. Yeah.

J Jimmy Carper 00:39

But we are in the middle of a mini dry. Yeah, a fundraiser for the station.

⌚ 00:45

We need money. Give us money. Any amount? Yes. Any amount.

J

Jimmy Carper 00:50

Give us a call at 5265738 or five to 6k P F, T T. Yep. And let me put something in your ear real quick.

o

01:02

slowness syndrome. Those times when you're in a hurry to get to work or to get to the airport when you find yourself behind a slow driver. And after determining the fastest checkout line in the grocery store, it becomes the slowest once you're in it, slowness syndrome, a phenomenon very common among us all. Well, it's affecting us right now. We know that everyone listening right now could fill up a concert hall and then some. But we have received calls from just a few people. As if the phone police were limited the number of people on the phone at any one time. Yes. That slowness syndrome. You can break that syndrome right now. Spring to action and make a pledge. Call 526-573-8526 KPFT. Now more than ever, you can make a difference.

J

Jimmy Carper 02:01

That's right now more than ever, you can make a difference.

s

Stacy Bolding 02:04

Yes. You can always just remember something you pointed out earlier. We are commercial free.

J

Jimmy Carper 02:09

That's exactly right. Or no sponsor. This is this is community radio. Right. Everybody you hear on the air? Well, normally, everybody you hear is is a volunteer. Yes. We get no

o

02:25

money for this. Right? We do it for

J

Jimmy Carper 02:27

my lover. My lover loves for me to work here because it keeps me off the streets on Friday.

s

Stacy Bolding 02:36

That would do it. Yeah, we'll do it. Yeah. We'll take any pledge. We take them on Visa, MasterCard and American Express. No discover as of yet, but I hear it's being worked on. Okay. The whole goal right now is \$45,000 Right after hours needs \$500. So we're working towards

that goal ever vigilantly? Yes. For the immediate gratification, people that can come up with \$35 in one big chunk, we have the premiums. And at this point, we'll take anything you can give us. Sure we always do that. They're just \$5 isn't a minimum of this radio

J Jimmy Carper 03:11

station is run by like five I believe paid staff members. Everyone else is a volunteer. So I mean, we run a bare bones institution here, folks,

S Stacy Bolding 03:21

we do this for giggles. Yes. Scary. If you ever walked

J Jimmy Carper 03:25

into the lobby, you'd realize Yeah, these folks have no money. Give us a call at 5265738. And now for our friends especially in College Station. Bryan. I've got a special treat. The originator of this show was a man by the name of buddy Johnston. And he put together a piece of music he used as a basis the old Pamela Stanley song coming out of hiding. It's a it's a dance song from long ago. And on it. He placed little snippets from people's speeches on the 1987 march on Washington. Wow, Harvey Milk, some of Harvey Milk speeches. And that's sprinkled throughout the song. Oh, great. So

S Stacy Bolding 04:17

for those of you getting just beginning to get out of the bar, we got some more dance songs for you and we'll throw in some culture there we

J Jimmy Carper 04:24

go. So this is this is a little something a little kind of mini Gay Lesbian, Bisexual, Transgender,

S Stacy Bolding 04:33

dance culture, Radio Music type thing.

04:38

A queer month

04:41

Find me the dictionary.

J Jimmy Carper 04:43

She's such a fag.

♀ 04:47

Oh, you ought to see.

♀ 04:50

Okay, so and after that we're going to have to QMZ. Music zone. So calling your requests for queer me Music we've got a couple couple already, you know we're getting in getting ready and until then, Pamela Stanley coming out of hiding.

♀ 05:13

Daughters began with a routine police raid on a homosexual bar the Stonewall on Christopher Street in the heart of the West Village.

H Harvey Milk 05:27

Both Mayor Moscone and supervisor Harvey Milk had been shot and killed getting we're not in Kansas anymore. We must destroy the myth Swinson for our shadow, we must continue to speak out. And most importantly, most importantly, every gay person must come out the other people work for KPFA come on out You must tell your immediate family you must tell your relatives you must tell your friends if indeed they are your friends, you must tell your neighbors you must tell the people your work. You must tell the people in the stories you shopping once they realize that we are indeed their children and we are indeed everywhere. Every myth, every lie every innuendo will be destroyed once and for all. And I ask people to do one thing. Come out. Come out America come out

J Jimmy Carper 08:12

Yes, yes. Coming out of hiding. The special buddy Johnston next. Thank you,

♀ 08:20

buddy. The queer montage. Yes, queer montage.

J Jimmy Carper 08:23

I love that. Yes, yes. Yep. Take a take a woman who used to be a fad. That's true. That's true. Um, Roy tells me that the that Rick from keep patrol called in. Hey, come back by and flip the saw. You said that. I stole that from you. They flipped the light

∅ 08:52

for me. But I don't tell people

J Jimmy Carper 08:54

as they go by the flashing lights that they're having a great night out tonight. It's really fine. There's a lot more cops out on the streets and the trouble.

S Stacy Bolding 09:04

Yeah, yeah. Everything's nice and quiet. So let's keep it that way when you leave the club.

J Jimmy Carper 09:09

You bet. Yeah.

∅ 09:11

I sent in my property tax. So I made especially sure that they came out here and patrolled.

S Stacy Bolding 09:16

Well, thank you. We appreciate that. We appreciate that. So the word out on the street is there's nothing going on, which is good rather than makes.

J Jimmy Carper 09:25

Yes. But we're still doing a spring, the spring

S Stacy Bolding 09:30

mini drive. Yeah. Which many membership drive? We haven't told him what the premiums are for the \$35 and up pledge. Okay.

J

Jimmy Carper 09:38

In a while now. Yeah. And we want to reiterate that we're accepting any amount because we realized that there are students and all kinds of people with various income so we appreciate any amount that you can attach.

S

Stacy Bolding 09:56

That's right. So the goal for after hours is \$500 And for those that can pledge in larger quantities \$35 pledge we'll get you a program guide for mid April. For KPFT radio. Yep. \$60 gets you the KPFT beautiful t shirt and wonderful writing mug or a mug. Or a mug. Yeah, then \$90 You get the t shirt. Yeah. Yay. And the 150 gets you the KPFT wha Signia watch. Yeah. Which is really nice. It is. And

J

Jimmy Carper 10:32

with an easy to read dial. Is it really? Yeah, haven't I heard for old folks? Okay. Glasses. Okay, that's right. I am in the old queen. Yes, I am. Watching the sundial Laugh it up. I have a watch. They're flipping us off again. I'd love to be flipped on they do it so we're so good. Yeah,

♂

11:02

♂

11:09

What is what is it? What is that oh phrase you know, beat me slap me. Just don't tell me you love me. True.

♂

11:15

Stacy Bolding 12:56

J

Jimmy Carper 12:59

Whoa, Brian, and play. Thank you, guys. Isn't that cool? That is the route out there patrolling, volunteering your time and giving money to KPFT T. Yeah, that is really

 Stacy Bolding 13:15

cool. That's community support. You bet. Okay.

 13:19

To the QM Z. And we've had two requests. Wow, for this one song. It's by a punk group called CWA. Oh yeah. Oh, yeah. Oh, yeah. And it the name of it is like I need to tell it's only straight girls wear dresses.

It's called legendary children, all of them queer and we are taking your requests for queer music at 526-573-8526 XKPF T Oh yeah, Holly Johnson legendary children, all of them. Quiere Did you No, no, no. Okay. Learn something

15:11

new every day

Jimmy Carper 15:12

you are listening to KPFT Houston 90.1 FM and KEOS College Station. Bryan that 89.1 FM. Yay. Welcome. Welcome College Station, Bryan, and welcome to the lights. Yeah. Like my children, you listen to this show, honey, and you're gonna get informed

S Stacy Bolding 15:35

fast. Yes. illuminated,

15:39

we have two new. Well, we have two additional people here in the studio tonight. We have Scott Lewis, who is the CO producer of after hours High School. And Michael Crawford, former host and Michael is putting on a something come talk to us. I was actually

M Michael Crawford 15:59

trying to figure out a way to barge my way in to actually say that. I remember threatening a couple of weeks ago that I would come here every every Saturday until you know my event occurred and you have except last week you weren't

J Jimmy Carper 16:15

here he was still here.

M Michael Crawford 16:17

Okay, but what I'm doing it's, it's been called boy to boy. And it's a workshop for guys who like guys. You know, we're avoiding that word queer, gay or whatever. Oh, it doesn't matter. Yeah. It's just for guys who are into guys to get together to talk about dating relationships. How not get laid on the first day?

J Jimmy Carper 16:37

How to get laid on the first day.

M Michael Crawford 16:40

Excuse me. Hello. Some of us don't want to be sluts anymore. Okay.

J Jimmy Carper 16:47

Yeah, okay. Some of us don't want to be slept any less.

M Michael Crawford 16:53

Well, yeah, I mean, that's right. So it's really about taking a new approach to safer sex education and AIDS prevention, by tackling some of the other issues that are affecting young guys like, I mean, you would not believe it, but a lot. A lot of us don't know how today. Oh, my. No,

J Jimmy Carper 17:12

we never learned Yeah,

M Michael Crawford 17:13

I mean, because I mean, when you're in high school, you and you're straight, you can ask your older brothers and sisters, your parents go to the movies, read books, or whatever. But when you're queer. I mean, you're afraid to come out and tell anybody? Yeah, there are no like role models. And the gay community to be perfectly honest, does not provide, you know, really good mode, no. relationship, not

J Jimmy Carper 17:34

for relationship stuff. I mean, if you want to learn how to be had to drink a lot and go to bars, I mean, yeah, do

M Michael Crawford 17:40

that. Yeah. And, yeah, I mean, so a lot of a lot of guys come out, and they think that being gay is about having as much sex as possible, whether you want to or not. And that's a problem. I mean, because when when they come out, and they're having all these one nightstands, or one hour stands, as the case may be,

J Jimmy Carper 17:59

how do you make it less than hour?

M

Michael Crawford 18:01

I have my way. Okay. And, you know, they don't treat their partners very well, their partners don't treat them very well. And, you know, it's just a total lack of respect. And I think that that's harming you know, a lot of us and it's contributing to the higher rate of HIV infection among young gay men, young gay and bisexual men. So, anyway, my workshop is scheduled for April 11, which is a Tuesday at 7pm. It's going to be at bearing Church, which is located at 1440, Harold, and you guys should all come out because well, well, assuming that you're under 30. Oh, that's not ages. That's not an age just it's just I'm focusing on a certain demographics in terms of, you know, what I'm trying to do. Oh, okay. Because I read a newspaper article a few days ago that the gay men who are becoming infected with HIV right now 50% of them become infected by the time they're 25. So that's scary. Yeah. Which means that what I'm trying to do is particular importance of not being an agent's bitch, okay. Okay. Okay. But again, it's April 11. At 7pm at bearing church, April 11. That's

J

Jimmy Carper 19:17

coming up.

M

Michael Crawford 19:18

Yeah, it's in a couple of weeks. What's the what day is that? It's on a Tuesday. Okay. Yeah. And nothing goes on in our community on Tuesday. That's

J

Jimmy Carper 19:24

pretty much it. Yeah. See,

M

Michael Crawford 19:26

but you can stay tuned next weekend isn't even open. Is it? Now it's not. So instead of going to heaven, come to bearing church. Wow. Anyway, you can stay tuned next week. We're Scott is going to actually have a taped interview with me, where we're gonna get into a little more detail. No kidding. Yeah, in fact, we're gonna do that in a few minutes.

J

Jimmy Carper 19:49

Does that? Why he's here. In addition to the spring marathon that we're having, spring to action, let me drive Yes. Are we giving me away as a premium again? No, God, we want to raise money, Scott. It's really embarrassing when you're a premium and your price keeps getting

⌚

20:11

when you accept coupon,

20:14

triple this year, there's no minimum.

J Jimmy Carper 20:19

I guess you are a premium. We are still getting requests for queer music and I really love that. Yes. And Sandy called and she wants to dedicate this to Jennifer. This is a song that I know she heard on after hours because I found it and not been playing it and lots of women really love it. It's by a Date group called horse. Okay, lead singers name is horse group is named horse they're from. They're from England. Wonderful. I have two albums out. And this is from their first one called the same sky. And this is the one of the most requested songs if not the most requested song on after hours. It sounds familiar by horse and it's called. And she smile

M Michael Crawford 21:15

he was that was pansy division doing which song?

21:19

Kiss already.

M Michael Crawford 21:23

Everybody else is hiding out. So hey, we take it over. Yes, yeah, yeah. Okay. We are raising money this week, aren't we? Yeah, it's many fundraising drives spring into action. Because well, we need money. Let's see. Alrighty, then. The goal is to raise \$45,000 Because as you all know, we're this is a listener supported station, meaning that you pay the bills. And if you don't pay, well, we're not on the air. Anyway, some of the suggested pledge levels, and the accompanying premiums are \$35 for a program guide. 60 bucks for a Cool cool cool t shirt or a cool mug. I guess the mug is cool too. But the t shirt is. Yeah, the t shirt is fabulous though. But if you're if you're having a really difficult time between the t shirt and the mug, you can always play the 90 bucks and get both the cool cool t shirt and the fabulous mug. And if you really want to go all the way, and you're one of those facts that makes \$55,000 a year. You can pledge 150 bucks or lesbian. Well, in that particular survey lesbians weren't included. You can play at 250 bucks and get the KPFT watts so call us at 526-573-8526 KPFT to pledgor bucks. And speaking of lesbians. The advocate is having its lesbian sex survey that's I think in the current issue. So all you lesbians go get it fill it out and tell the world that yes, lesbians have sex?

22:58

Yes, and safe sex. Some do something. All right. Okay. Well, let's play a little promo and then we can dig out some music.

23:06

25 years in Houston. Time does seem to fly when you're having fun, or when you're trying to stay on the air. In 25 years KPFT has presented Houston with enough alternative music, news and public affairs, programming and entertainment information to last a lifetime. Think about it. For 25 years. Houston has depended on KPFT for all of that information and more without any commercial interruption. The main reason KPFT remains on the airwaves today is because of listener support.
