

- SPEAKER 1:** Still remodeling as a matter of fact. I don't believe they're finished yet. They weren't as of Friday when I went by there to pick up applications.
- SPEAKER 2:** Well, I'm just wondering what it will look like. It was always just black to me.
- SPEAKER 1:** Well--
- SPEAKER 2:** It's the remodeling is blocking the door, and there's no light, nowhere.
- SPEAKER 1:** It's still going to be black, but.
- SPEAKER 3:** While we were holding--
- SPEAKER 2:** Decorator black.
- SPEAKER 1:** Yes.
- SPEAKER 3:** Yeah. Hey, black's my favorite color.
- SPEAKER 2:** Me too.
- SPEAKER 3:** There was a couple of questions I want to answer that somebody called for.
- SPEAKER 1:** Yes.
- SPEAKER 3:** One was there was a person who called, didn't want to go on the air, but they had a fetish for hairy pubic areas.
- SPEAKER 1:** Yeah.
- SPEAKER 3:** That's very common actually. A lot of people--
- SPEAKER 1:** I see videos on it all the time.
- SPEAKER 3:** That and they want [INAUDIBLE]
- SPEAKER 2:** All of the ones I see they want to be shaved.
- SPEAKER 3:** Well, some of them like the act of trimming a very hairy bush. Other people just like just being-- that organic dental floss is a really good thing.
- SPEAKER 1:** Yeah. [INAUDIBLE].
- SPEAKER 3:** That is called hyperphilia, which is an arousal by hair. They also ask about a fetish for someone who's menstruating. That I cannot find a name for it.
- SPEAKER 1:** Oh.
- SPEAKER 3:** There is a name for it though. I believe it's like a menstrophillia or something like that with the--
- SPEAKER 1:** Yes, I would think so.

SPEAKER 3: Menstruation. But that's actually pretty common too. There are a lot of people who like the blood sports, and that goes under the blood sport genre of--

SPEAKER 1: Yeah.

SPEAKER 3: The people who play with needles in various forms of blood.

SPEAKER 1: Because that is an exchange of fluids.

SPEAKER 3: It's also highly--

SPEAKER 2: It's never stopped me, but I wouldn't call it a fetish.

SPEAKER 3: Well, but for some people it's religious, very much the uncleanness of-- a lot of religions speak out against that.

SPEAKER 1: Oh, yeah.

SPEAKER 3: And so it has to do with a lot of that. We had another caller who called about fisting, which is one of my faves.

SPEAKER 2: Yummy, yummy, yummy.

SPEAKER 3: I love those hand puppets.

SPEAKER 2: I saw an interesting thing. The other night I can't remember what it was, but somebody said something about lesbians being penetrated and carrying these big old phallic-symbol dildos that look like penises. And they told them that's because that's how they get that's how we get them that we don't pick the models we just pick what's available. But what she said was, that it's not about the penis, not about the model, it's about the penetration.

SPEAKER 3: It's exactly.

SPEAKER 2: And it feels good.

SPEAKER 3: If it feels good do it. And if it hurts, then you're doing it wrong.

SPEAKER 1: Right.

SPEAKER 3: Unless you wanted it to hurt and then it was consensual.

SPEAKER 1: Right.

SPEAKER 3: But as far as how do you get ready for fisting, you just have to find someone who knows that. I taught a class about a month ago on anal play at Eros, and I'm going to be starting teaching some classes with Eros 1207 as well.

SPEAKER 1: Oh, really?

SPEAKER 3: Yeah, I'm hoping to. We're working on negotiating me coming in and doing some classes, because I love penetration. They don't call me the penetration queen for nothing, which I must say, while we were playing, somebody got my little--

[BUZZING]

--toy working.

JOEL: Yes, I hear that, yes.

SPEAKER 3: It's got torque, hey, babe. And then somebody else had called and asked about if there was a foot worship club in Houston. And I have seen some on the net. I'm not sure there's-- I'll start one.

[LAUGHTER]

Just because I-- personally, that that's something that's a major turn on for me. I think that there's something about stepping on a person, having my foot in their mouth, having them lick the bottoms of my feet that is just incredibly empowering to me.

JOEL: You see, that's how I feel about fisting-- is that that's the most intimate you can be--

SPEAKER 1: Boy, no kidding.

JOEL: --connected, you know, as one kind of thing.

SPEAKER 3: Oh, holding somebody's heart in your palm of your hand is what I call it. I mean, just having your hand inside of them and feeling their pulse is just-- and then if they have an orgasm in that position, you [? don't want ?] to break your wrist, but--

SPEAKER 2: Oh, contractions, yes.

SPEAKER 3: But it's-- it's wonderful. It's just a wonderful-- I can't explain it any other way. It's just so empowering.

JOEL: Right, that's how I feel.

SPEAKER 3: From a dominance point of view, if I can go there, I want to go there. Now I say that, but there's not everybody I want to do that with. It depends a lot on the person's reactions for me. I've fisted some people who it's like, hey, OK. To me, it's got to enhance them.

JOEL: Sure.

SPEAKER 3: And enhance them and make them more submissive. Some people that-- they're more like, oh yeah, oh yeah. Come on, get me off. And I'm like, no. You know, moan a little.

[LAUGHTER]

JOEL: Some foreplay, yes.

SPEAKER 3: Show me that this hurts a little bit, because that's-- that's what I get out of it. But that's one of those--

SPEAKER 1: But I don't want-- I am just in amazement of people who can take very large things in their orifices.

JOEL: Well jeez, when you put-- spit out 18 pounds babies, a little fist is nothing.

SPEAKER 3: Well you know, I fisted a woman a while back and it was so-- she regularly gets fisted, and it was just an easy fit right in. And I was like-- and then I tried it with somebody else, another woman who had never done it before, and my hand just ain't going to get in there. And I think that it's one of those things that, when it comes to fisting, you have to understand that not every hand will fit in every orifice on every person.

SPEAKER 4: I have really small hands.

SPEAKER 1: And you got to start slow.

SPEAKER 3: My gosh, you do have tiny-- look at how tiny your hands are.

SPEAKER 1: Wow, they are.

SPEAKER 4: I have really small hands, so--

SPEAKER 3: Joel, get your tongue in your mouth.

SPEAKER 4: Really, do you have a hand fetish? Look at mine.

JOEL: [INAUDIBLE] the knuckles and the wrist.

SPEAKER: Really?

JOEL: Can you believe that? Between the knuckles and the wrist. The rest of the hand--

SPEAKER 4: What do you like about it?

JOEL: The veins. And I know we were talking-- oh, I'm sorry. We were talking earlier about where we got those. I know I got that from my mother, because I remember as a child looking at my mother's hands. And when I look at women's hands now, that's the one I compare them to.

SPEAKER: Wow.

SPEAKER 3: See, I have a nipple fetish. I can-- male or female. And being that I'm bisexual, it's one of the universals. It doesn't matter, I like nipples. And I mean, it just doesn't matter if it's-- whose they are or what. I just-- I see nipples and it's-- I don't think I was weaned as a child. My mother claims she breastfed me for a year and a half, and obviously I just-- it wasn't long enough, because I just-- that's something that I'm instantly drawn to.

SPEAKER: Is it all nipples, or a certain type, or--

SPEAKER 3: Pretty much all of them. Pretty much all. Ones I can latch onto, that's the key.

SPEAKER 1: Oh, OK. Yeah.

SPEAKER 3: There are some--

SPEAKER 1: Because there's some guys that have--

SPEAKER 3: None.

SPEAKER 1: --nothing, yeah. A mole.

SPEAKER 3: There's this one guy that I was playing--

SPEAKER: A mole.

JOEL: Yeah.

SPEAKER 3: It's like, is this a freckle or is this--

SPEAKER 1: Really.

SPEAKER 3: Yeah, but I just think that I have so many different fetishes, and I learned about fetishes I didn't know I had. I never knew that I had a fetish for the high heels until I started wearing them. And I think that last caller, Jay, raised a really good point, and that's because I associate that with my dominance that it becomes an arousal. I've always known about the water. Since I can remember I've loved to skinny dip, and being naked in water is just-- oh, it's always been-- I remember masturbating in my swimming pool as a kid because it was just-- the water felt good.

SPEAKER: I don't think there's a lesbian alive hasn't played around the jets in a pool.

[LAUGHTER]

SPEAKER 3: But-- I'm so mad because I just moved to a new house, and my old house had a Jacuzzi tub. And I used to always say it had three speeds-- low, medium, and who needs a man?

[LAUGHTER]

But that was-- those jets can be fun. But one more comment about the fisting.

SPEAKER 1: Yes.

SPEAKER 3: Just make sure you find someone that will go slow and work with you, and take their time and be safe and careful. That's very, very important.

SPEAKER: It's not something you can go from not having ever been penetrated to being fully penetrated in a day.

SPEAKER 1: No, no, no.

SPEAKER: Find someone that [INAUDIBLE]--

SPEAKER 3: Not even a weekend.

JOEL: --trust to build up a trust.

SPEAKER: You bet.

SPEAKER 3: Exactly.

JOEL: And then the fetishes that have things to do with trust.

[LAUGHTER]

Uh-oh, what are we laughing at? Bring in the water.

[LAUGHTER]

[? Throw ?] the water. Pour it on him.

SPEAKER 1: Chris just walked in--

JOEL: Oh my god, it's getting--

SPEAKER 1: With an entire one of those huge bottles of water that you overturned and put it into the--

SPEAKER 3: It's blue.

JOEL: It's blue.

SPEAKER 4: Put it in front of a light and let's see what happens to Mistress Eden.

JOEL: Mistress Eden just looks real nervous. I thought she was going to take that shirt off.

SPEAKER 3: Honest to god, he could take that bottle, pop the lid off, and just pour it over me and it just-- it would do it for me because I like-- that is a turn on.

JOEL: Wow.

SPEAKER 4: You look a little flushed.

SPEAKER 3: I am. Yeah, we're talking about all my favorite things tonight. It's just wonderful. Jimmy, what fetish do you have?

[LAUGHTER]

JIMMY: You didn't have to go there.

SPEAKER 3: Yes we did.

JIMMY: I've been thinking about it, and it's-- if I have a fetish, it's a male body. I just love men's bodies. And it's--

SPEAKER 3: Any particular type?

JIMMY: No.

SPEAKER 3: Bears?

JIMMY: It doesn't matter, it's just-- I love men's bodies and I have loved men's bodies when they were very young to very, very old.

SPEAKER 3: Any particular part of their body?

JIMMY: Because I just see beauty in a man's body at all ages.

SPEAKER 4: Any particular part of their body that you-- what's the first thing you look at? Are you--

JOEL: Ooh, did that grin come quick.

JIMMY: Their crotch.

SPEAKER 4: The crotch.

SPEAKER: The basket.

JIMMY: Always first, the crotch first. And then--

SPEAKER: The family jewels.

SPEAKER 4: Let's see what they're packing.

SPEAKER 3: There was a--

JIMMY: Yep.

SPEAKER 4: I have a good--

JOEL: Do they wear it right or left?

SPEAKER 4: How's it hanging? Which reminds me of a wonderful little joke I-- I clipped off the net to bring with you. And that is, these two people were on a blind date and they hit it off. And at the end of the evening as they were beginning to undress each other, one guy said to the other-- and he says, tell me, Charles, do you have any special fetishes that I should take into account before we go to bed? And-- as a matter of fact, I do, said Charles. I happen to have a foot fetish, but I suppose I'll settle for maybe seven or eight inches.

[LAUGHTER]

JOEL: Oh, my, my, my.

SPEAKER 4: I couldn't resist.

JOEL: Now that's very good, that is very good.

SPEAKER 4: I couldn't resist. But are we over time tonight? Or are we just going until they get here?

SPEAKER 1: No, you see--

[INTERPOSING VOICES]

SPEAKER 1: --it's a time change so it's really 3-- 3:13. It's not 4:13, it's 3:13.

SPEAKER 4: OK, so we have more time.

SPEAKER 1: So we can go as long as you want to go on.

SPEAKER 4: All right. Let's give out the number again, it's 713-526-5738.

SPEAKER 3: Well there's also a couple of more fetishes I want to mention. What are your fetishes, Miss Indigo?

MISS INDIGO: Oh gosh, what isn't a fetish? Breathing is a fetish.

[LAUGHTER]

SPEAKER: I like her.

SPEAKER 3: Asphyxiation is-- is a fetish.

MISS INDIGO: Yes. Hosiery, encasement. In casement. We have a--

SPEAKER 1: Oh, encasement.

MISS INDIGO: We have a really good friend who likes to be encased in stockings.

SPEAKER 4: Yes, yes. And I--

JOEL: Is that like mummification? Does--

MISS INDIGO: Exactly

JOEL: It go that far?

MISS INDIGO: It can, yes.

JOEL: And different materials, right?

MISS INDIGO: Yes. PVC, rubber, plastic wrap.

JOEL: How do you get PVC?

MISS INDIGO: They even have a PVC tape now.

JOEL: Oh really?

SPEAKER 4: PVC is what she's wearing, this lovely--

JOEL: Oh, I thought it was leather.

MISS INDIGO: No, this is PVC.

JOEL: I'm a dyke, I don't know that shit from I don't know what.

SPEAKER: Well now--

MISS INDIGO: I like it tight and shiny.

JOEL: It is tight and shiny. Oh my god, I--

SPEAKER 4: Well she's also got a corset on--

[INTERPOSING VOICES]

SPEAKER 4: --which is a part of a fetish as well.

JOEL: And a great bottom.

SPEAKER 3: I know, doesn't she? Baby got back, I tell you.

MISS INDIGO: Yes I do. This is not-- that is definitely not an exaggeration. But now I-- I have tried to get into the corsetting thing, and I love the look of it, I love to see them on people. But my god, those are the most uncomfortable things.

JOEL: I think I'll get one.

[INTERPOSING VOICES]

SPEAKER: Uncomfortable things.

SPEAKER 4: And I really enjoy it, I think it also gives me a sense of control. I think, like you were talking about your stilettos, being corseted and having that restraint really makes me feel more powerful.

SPEAKER: We have a call from Mike, let's see what Mike has to say. Mike? Hello?

SPEAKER 1: Oops, here we go.

SPEAKER: Mike? No? Hello, hello? Line two, Jimmy.

MIKE: Hey there.

SPEAKER: Mike?

MIKE: Yes.

SPEAKER: How are you?

MIKE: Fine.

SPEAKER 4: What is your fetish, Mike?

MIKE: I like to use stimulants whenever I have oral sex.

SPEAKER: What type of stimulants do you like to use?

MIKE: Like Orajel, peppermints. Anything that doesn't burn when you put it in your mouth, you could use it.

SPEAKER: So do you like to burn the person you're doing it to, or do you like it done to you?

MIKE: No, that's what I'm saying. Anything that doesn't burn when you put it in your mouth, that's what I use. OK, but--

SPEAKER 1: No burning.

SPEAKER: No burning.

MIKE: No burning.

SPEAKER: But is it being done to you or are you doing it to someone else?

MIKE: Both. Both ways.

SPEAKER: OK. Have you tried those little strips? Those Listerine power strips.

MIKE: Yeah. Yeah, sure have.

SPEAKER: And the little Eclipse cinnamon strips are-- both of those are wild. But you got to be careful, some people react to cinnamon.

MIKE: Orajel works the best though.

SPEAKER: Orajel?

MIKE: Yeah. Orajel numbs it, and whenever they go they don't really feel it until about five minutes later when it wears off. And that's usually when you're supposed to stop, but they just go crazy when it is something.

SPEAKER 4: Oh, that's--

SPEAKER 1: I'll have to keep that in mind.

SPEAKER 4: Note to self. [INAUDIBLE].

JOEL: I've just always been aware of the Alka-seltzer. You know--

MIKE: Oh yeah, the fizz of those-- those.

JOEL: You have to get the right kind. You don't want to get the one with aspirin, because it can tear up--

MIKE: Those pop rock candies work the same, too.

SPEAKER 4: Now I saw a scene one time where this guy poured Pop Rocks into somebody's vagina and let them pop off. And that to me just looked like an infection waiting to happen.

[LAUGHTER]

But she loved it, she--

MIKE: Not if you clean the plate when you're done.

SPEAKER 4: Well if you clean the plate when you're done. OK, that's an-- that's an interesting concept. And so-- so what other fetishes do you have, Mike?

MIKE: Oh, I like doing anal-- little anal lashing too.

SPEAKER 4: Oh. Well, that's a good fetish as well. Now are you dom or sub, Mike?

MIKE: Excuse me?

SPEAKER 4: Are you a dom or a sub?

MIKE: Both.

SPEAKER 4: Both. You're a switch.

MIKE: Oh yeah, switch. I like looking for [? corn. ?]

[LAUGHTER]

SPEAKER 4: That's-- that's a good thing. Well, we thank you for calling. And we're glad to hear about the-- that's a good one. Bye Bye.

JOEL: Bye bye.

SPEAKER 4: Somebody asked about Altoids or BenGay. I've actually used BenGay. I've had lots of people masturbate with Bengay.

MISS INDIGO: I like Icy Hot.

SPEAKER 4: Icy Hot? I haven't tried that stuff.

SPEAKER 3: Yes. Yummy, yummy.

JOEL: I haven't tried any of that, but I'm going to.

SPEAKER 4: I think we have-- I think we have a call.

JOEL: Do we have another call?

SPEAKER 4: Yes we do, can we take it? Can we get line three?

JOEL: I think so, hold on a minute.

SPEAKER 4: This is Scooter. Hello Scooter.

SCOOTER: How are you doing?

SPEAKER 4: I'm fine, how are you?

SCOOTER: OK, let me turn the radio down. I was hoping I had one of those bodies that Jimmy Carper has been lusting over.

JOEL: Well I don't think you have to have more requirements than to have testicles.

[LAUGHTER]

SCOOTER: You know, I like to think of myself that way. But anyway, this is great show.

SPEAKER 4: Well, thank you.

SCOOTER: I'm enjoying it as I'm driving down the freeway. I just-- I just dropped off Robert Knight, who has come into town to talk to the folks. He's going to be at the [? Shedd ?] Center tomorrow night.

JOEL: Great.

SPEAKER 4: All right.

SCOOTER: And if you know Robert Knight, he's a [INAUDIBLE] too. I mean, this guy is foxy. I mean, I'd go bi for this guy.

SPEAKER 4: So what is your fetish, Scooter?

SCOOTER: What is my fetish? My fetish is Wendy.

JOEL: Wendy?

SCOOTER: And-- yeah. Yeah, Wendy. I have-- I have this--

SPEAKER 4: Wendy's as in the hamburger joint?

SCOOTER: What's that?

SPEAKER 4: Wendys did you say?

SCOOTER: Yeah. Wendy is this power fetish, you know? [INAUDIBLE] the Wendy. This control fetish, and Wendy whips in-- whips me and beats me and it makes me say Dan Rather. And you know--

[LAUGHTER]

--please don't tell anybody that. Oh I'm sorry, I'm on the radio, oh no.

SPEAKER 4: Dan Rather as a fetish. OK, that's a new one.

MIKE: [INAUDIBLE].

SPEAKER 4: Why not Tom Brokaw?

MIKE: Walter Cronkite, yes.

[LAUGHTER]

Hey, I love you guys, and great show. I'll see you.

SPEAKER 4: Thank you for calling, Scooter.

SCOOTER: OK.

SPEAKER 4: And the number is, if you want to call, 713-526-5738. And we want to hear about your fetishes. And Jimmy, you just had someone call?

SPEAKER 1: I heard Scooter was on the line.

SPEAKER 4: He was.

SPEAKER 1: I heard Scooter was on the line.

SPEAKER 4: He wants to be an object of your fetish.

JOEL: I told him--

SPEAKER 1: He already is.

JOEL: I told him all it takes is testicles.

[LAUGHTER]

SPEAKER 1: Now there's another important factor that has to go along with them.

JOEL: Just above the testicles.

SPEAKER 1: Yes.

SPEAKER: I see.

SPEAKER 4: Well somebody passed me a note and said that the Altoids was endorsed by Monica Lewinsky. Apparently she--

SPEAKER 1: Wow.

SPEAKER 4: So hey if-- if she--

SPEAKER: God.

SPEAKER 4: Then you know it's got to be a good thing, because, you know.

SPEAKER 1: I'm almost a totally oral person.

SPEAKER 4: You are?

SPEAKER 1: Yeah.

SPEAKER 4: I would say that I'm--

JOEL: I'm pretty oral, too.

SPEAKER 4: I knew there was something I liked about you [? guys. ?] Have tongue, will travel.

SPEAKER 1: Whoa, right.

SPEAKER 4: When I was asking the questions tonight at the party, I noticed something really interesting. That people were dating themselves based upon their hose fetish. If they like stockings, they tend to be younger-- I mean older. And the ones that liked the-- the pantyhose were younger.

SPEAKER 1: It's that seam up the back, right?

SPEAKER 4: See, that is a turn on. We have a call on line one from John. Hello, John?

JOHN: Hello.

SPEAKER 4: How are you?

JOHN: I'm doing good, how are you doing?

SPEAKER 4: Just fine. What-- it says here your fetish is piercing?

JOHN: Piercings, yes. Definitely.

SPEAKER 4: Now where are you pierced?

JOHN: Actually, I have no piercings.

SPEAKER 4: Oh, OK.

JOHN: Well I to have my ears pierced, but that's pretty fucking weak, I know.

[LAUGHTER]

[INAUDIBLE]--

SPEAKER 4: Can't say that word.

JOHN: --oh my god, I can't say that. I'm so sorry.

SPEAKER 4: And I want you to know I have not said it, and can you believe that?

JOHN: Well, I've just set a precedent didn't I?

SPEAKER 4: Yeah. Well no, I've actually-- usually that one slips out of me, too. So what is it about piercing that turns you on, John?

JOHN: It's just hot. The whole modern primitive thing, tattoos and piercings. And--

SPEAKER 4: You know who's a wonderful-- there's a wonderful website by Fekir [? Musafar ?]

SPEAKER 1: Oh yes.

JOHN: Oh yeah, I've heard of that.

SPEAKER 1: Oh my god, he's like the king.

SPEAKER 4: I have seen several of his demos, and one day I'm going to get to San Francisco and go to his school. He's like a master of body modifications, and piercings, and brandings and scarification. And he does some of the most intricate, beautiful-- you mentioned the tribal ones that are cool.

JOEL: I love the tribal facial markings.

SPEAKER 1: Yeah.

SPEAKER 4: Now what is it that-- does it-- it just sexually turns you on to see somebody with their lips pierced and their nose pierced and--

JOHN: Not so much the lips and the eyebrows. It's definitely the more personal areas that are pierced.

SPEAKER 1: I love Prince Albert, yeah.

SPEAKER 4: I do too, I love

[INTERPOSING VOICES].

JOHN: Because it's something and-- it's not scene, it's hidden. So there's-- it's like, I've got a secret.

SPEAKER 1: And so that's the secret that you're sharing with this person, that you know where it is because you're down there.

JOHN: Exactly. Exactly.

SPEAKER 4: One of my dear friends has a T-shirt that says, if you can guess where I'm pierced you can kiss it. And every I see that shirt I'm like, oh baby.

SPEAKER 1: Right. But thanks for calling, John.

JOHN: Hey, no problem. No problem, I have a great--

SPEAKER 4: Keep listening.

JOHN: --great time listening to you guys.

SPEAKER 1: Thanks.

JOHN: Thank you.

SPEAKER 4: Let's go to line two. We have Steven. Hello Steven.

STEVEN: Hello.

SPEAKER 4: How are you?

STEVEN: Not bad.

SPEAKER 4: Do you have a fetish, Steven?

STEVEN: Yeah, I kind of want to talk about oral sex with-- like, I like that stuff.

SPEAKER 4: That's a good thing.

STEVEN: Yeah, with fat girls.

SPEAKER 1: OK.

JOEL: With fat girls.

STEVEN: Large girls, yes.

SPEAKER 4: That's actually a separate fetish, and there's nothing wrong with that. I think bigger is beautiful, personally.

STEVEN: Exactly. But see, my friends talk a lot of mess about that and I-- like, I don't know what to tell them.

JOEL: Tell them to try it.

SPEAKER 4: Well, I think you have to tell them that you're a little bit more intelligent to see past the outer beauty, that beauty comes within. And if they're going to wrap themselves up in what society says is beautiful, then they're pretty shallow people.

JOEL: I feel sorry for them.

STEVEN: I mean, that's what I tell them all the time. But I mean, see, they're hypocrites because they-- they haven't tried nothing. I mean, I love that stuff.

SPEAKER 4: Your friends give you a hard time about the oral sex, or about the fat girls?

STEVEN: Yeah.

SPEAKER 4: Which one, both? The oral sex or the fat girls?

STEVEN: No, oral sex with fat girls.

SPEAKER 1: Oh.

SPEAKER 4: Now, is it just oral sex with fat girls, or do you enjoy just sex with fat girls? Or do you like fat girls giving you oral sex? Or is it just one thing?

STEVEN: I've never had sex with the fat girl. I just-- I like giving oral sex to fat girls.

SPEAKER 4: Well--

SPEAKER 1: Cool. That is a terrific--

STEVEN: There's a lot of fat girls out there.

SPEAKER 1: Yeah, and there's a lot of-- yes.

SPEAKER 4: If you're enjoying yourself and she's enjoying herself, hey, life is good.

SPEAKER 1: That's right, that's it.

SPEAKER 4: I think there's nothing wrong with that, and I think it's great. And I think that you should be-- personally--

STEVEN: They think it's great, too.

[LAUGHTER]

SPEAKER 1: There you go.

SPEAKER 4: Well, and personally I'm out there proud of you because there's a lot of people who immediately can't look past a person's thighs, and immediately-- and they can't look past--

STEVEN: Hey, I'll look way past that person's thighs.

[LAUGHTER]

SPEAKER 4: Gotcha, babe.

JOEL: He is too cute, isn't he?

SPEAKER 1: Yeah.

SPEAKER 4: Well thanks for calling, Steven.

STEVEN: Yeah.

SPEAKER 4: OK, we got another call on the line, and this is Stephanie. Hi Stephanie.

STEPHANIE: Hello.

SPEAKER 4: How are you? Is this the Stephanie that I think it is?

STEPHANIE: Mm-hmm.

SPEAKER 4: How are you, dear? This is the Stephanie that's going to come on the show next month.

SPEAKER 1: Oh, good.

SPEAKER 4: And how are you dear? Now I want you to tell us about your fetish. You have a very special one.

STEPHANIE: My fetish? Well my set is really centers around just the sensation and the feel of, like, hosiery and pantyhose and stocking and all that. And--

SPEAKER 4: What does that do for you?

SPEAKER 4: Gosh, it really turns me on.

SPEAKER: Now Stephanie, you want to tell us a little bit about who you are?

STEPHANIE: Uh-huh.

SPEAKER 4: Who are you, Stephanie?

STEPHANIE: I am a transsexual who has been exploring the BDSM for about, oh, a good seven or eight years now. And-- with Indigo explored the-- the transgender side and it's been fantastic. And so now I'm exploring my more dominant side here, so there's plenty of things to learn and experience.

SPEAKER 4: Now when did you discover you had a fetish for hosiery?

STEPHANIE: Goodness, this was probably back when I was in grade school. I remember when my-- I think it was my fourth grade teacher kind of brushed by my arm with her legs while she was wearing hose. And I just remember that just being such a sensation, and ever since then--

SPEAKER 4: When did you first wear hose?

STEPHANIE: Probably-- I would say in sixth grade.

SPEAKER 4: In sixth grade.

STEPHANIE: Yeah.

SPEAKER 4: And where did you get your hose?

STEPHANIE: Oh, I borrowed my mom's.

SPEAKER 4: You borrowed your mom's.

JOEL: You mean you stole your mother's?

STEPHANIE: Yeah, you know.

SPEAKER 4: Mom, I'm just going to borrow these for a little while.

SPEAKER 3: When did you start-- now when did you start cross-dressing?

STEPHANIE: Last year.

SPEAKER 3: Just last year?

STEPHANIE: I've always been into the lingerie and all that, but not fully dressed and everything until last year.

SPEAKER 4: Well, you are absolutely beautiful when you're dressed.

STEPHANIE: Thank you.

SPEAKER 4: I cannot tell you. I mean, oh.

SPEAKER 3: Did you just-- you make me hot in places that just-- mm. Yeah, but--

STEPHANIE: Well, thank you.

SPEAKER 4: So now you make something that I think is really neat, and you showed me pictures today. Do you want to tell me about what that is?

STEPHANIE: Yeah. I am, along with the-- the hosiery fetish, I am into the full body encasement. So that's taking the hosiery and covering every inch of your body with it, and it's essentially taking three different pairs of hose, and with certain cuts to them you can cover everything from your head all the way down to your toe completely. And there's a website that I've put together, and it's called Encasement Fetish. And there's plenty of pictures with not only myself, but also with people from all around the world who've contributed, who share this particular fetish as well.

SPEAKER 4: And it's encasementfetish.com?

SPEAKER 3: Yeah. I'll have to-- is that when you showed me the pictures of today?

STEPHANIE: I showed you some pictures, yeah.

SPEAKER 4: Oh, because I just thought that was wonderful. He takes all these different colored tights and makes them blue and green, and just these bodies that are totally encased in hosiery. To me, I think that would just be so sexy to go up to and rub up against, especially if you get the silk ones.

MISS INDIGO: Feels wonderful. All these different sensations, and you can see them but you really can't all at the same time. It's very nice.

SPEAKER 4: Now, do you have a hard time breathing when you're in?

STEPHANIE: Oh, not at all.

SPEAKER 4: You like that hot breath of your own breath being recycled?

STEPHANIE: Uh-huh, and since it's like-- it's just sheer nylon or Spandex or something, it's really breathable. So it's-- even for the beginner, it's something that's very easy to take.

SPEAKER 4: Unless you're Stephanie, and then you put a plastic bag over it.

[LAUGHTER]

STEPHANIE: That's a different story.

SPEAKER 4: I'm still waiting for my opportunity to play with Stephanie, you know? And I'm just really crushed that I haven't had that opportunity yet. Well actually, I did help with one scene you were in, but I won't talk about that one on the radio. That'll be another night.

STEPHANIE: Yes.

SPEAKER 4: Naughty little girl, you.

STEPHANIE: Yeah.

SPEAKER 4: But we're glad you called. And I have another call I'm going to take on line one, but--

STEPHANIE: All righty.

SPEAKER 4: We'll see you soon, sweetie.

STEPHANIE: Have a good night.

MISS INDIGO: Bye, Stephanie.

SPEAKER 4: Line one, Charlie.

CHARLIE: I want you to know that I am too crushed that you have not had the opportunity to do that.

SPEAKER 4: To do what, darling?

CHARLIE: You were talking about playing something.

SPEAKER 4: Oh, playing Stephanie, yes.

CHARLIE: Yes, Stephanie. Couldn't remember her name.

SPEAKER 4: So how are you tonight, Charlie? Or this morning.

CHARLIE: As my daddy used to say, if I was doing better, I'd be on drugs.

SPEAKER 4: So what is your fetish, Charlie?

CHARLIE: Lips. All about the lips.

SPEAKER 4: Lips.

SPEAKER: Lips.

SPEAKER 1: Wait a minute, which lips?

CHARLIE: Well, a friend of mine that is riding around with us this evening said the same thing. And I said, of course, the lips on the face. And he said, which face? And--

[LAUGHTER]

SPEAKER 1: Wow.

CHARLIE: It's the lips that are most visible.

SPEAKER 4: Now do you like them with lipstick on or not?

CHARLIE: No. No, naturale.

SPEAKER 4: Natural? Men's lips or women's lips?

CHARLIE: Women's.

SPEAKER 4: Do you like them full?

SPEAKER: Do you like them wet, do you like them when they lick them? What is it?

SPEAKER 1: Big, thin?

CHARLIE: Well obviously the wet lips are nice, but when they lick them, it just accentuates what's already there. Dresses them up without the lipstick. Can you tell I'm from the country?

SPEAKER 4: There's nothing wrong with that, darling. There's something to be said--

CHARLIE: [INAUDIBLE].

SPEAKER 4: There's something to be said about country boys.

CHARLIE: Well--

SPEAKER 4: Lock up the sheep.

[LAUGHTER]

CHARLIE: Well we are in College Station at Texas A&M, speaking of sheep.

SPEAKER 4: Baa. Sorry, I couldn't resist.

CHARLIE: [INAUDIBLE], we stay away from the sheep pastures over here.

SPEAKER 4: Hey, hey. I live up there now.

CHARLIE: Do you really?

SPEAKER: Yes I do. Why you should come by the television station sometime.

SPEAKER 4: Oh, sure.

CHARLIE: Yeah. No actually, there's a group of us that are listening tonight. We all work in television. [INAUDIBLE].

SPEAKER 4: Sure, don't make any promises.

SPEAKER 3: So let me ask you this, Charlie. Being that you have a fetish for lips, is it anybody's lips? Is there a certain kind? You like the thin lips or do you like the full, pouty lips?

CHARLIE: No, the full pouty ones are really a turnoff.

SPEAKER 4: Really?

CHARLIE: Yeah. The full pouty ones are-- are--

SPEAKER 4: So the women--

CHARLIE: They're just a turnoff. I don't know how to describe it, it's just that they're too big.

SPEAKER 4: So the people who get the collagen injections in their lips and make them big and puffy, that doesn't do anything for you?

CHARLIE: That dos not do a thing. Matter of fact, that takes points away from the game if there is such a term.

SPEAKER 4: Yeah, well, it's up to-- whatever works for you is what works for you. So is that the only fetish you have, or do you have others?

CHARLIE: Well, lips and eyes. I mean, believe-- eyes. I don't know if eyes are a fetish, but obviously the eyes are the first things I notice, and then the lips follow.

SPEAKER 4: Well that's always a good thing.

CHARLIE: Are eyes are fetish? You guys are probably more the experts than I am.

SPEAKER 4: I've heard people like to have their eyeballs licked and all kinds of stuff, so-- [INAUDIBLE].

SPEAKER 3: I think can be at this point.

CHARLIE: I wear contacts, so that's painful.

[LAUGHTER]

JOEL: Given a few minutes thought, I think anything could be.

SPEAKER 3: That's a good thing.

SPEAKER 4: That makes me think. I wonder, have you heard of about a fetish for a glass eye?

SPEAKER 3: You know, it wouldn't--

CHARLIE: Oh no, that's just sick.

JOEL: Beginning it to make him ill.

[LAUGHTER]

SPEAKER 4: Well I mean, just [INAUDIBLE].

CHARLIE: Are we talking Sammy Davis, Jr?

[LAUGHTER]

SPEAKER 4: Oh, that reminds me of a good fetish, though. The smoking fetish. A lot of people have a smoking fetish for either cigar smoke or cigarette smoke. Seeing the smoke blow out somebody's lips and up somebody's nose. And I always think of smoking and Sammy Davis, Jr.

CHARLIE: You know the old saying, if she smokes, she folks. Or he, or-- yeah.

SPEAKER 4: I hadn't heard that one. I've never heard--

CHARLIE: [INAUDIBLE] word like the last guy I did, just one lady.
