in our time with the gay movements about after I got elected, I got the phone call. I knew I'd eventually get caught a few of them. One was from a 17 year old child in a small town in Minnesota. And the boy is handicapped and the boy's parents found out he's gay and they want to put him in an insane asylum. That boy needs help in the gay mood is about the letter I got from South West Africa when he read about a gay person getting elected here and that person has hope and that 17 year old kid in Minnesota has hope and we have gay meters not understanding that and are more worried about their own personal power they're not Elite is the offensive Hi radio JP come on out and join us bring your friend what do you think about the period is never enough never enough?

Another Saturday nights

B Buddy Johnston 09:19

on the line after hours radio celebrating life from the heart of the Montrose 90.1 FM have we got a lot to tell you just stay tuned they be

09:42

Oh, Marie, tell me this is a

B Buddy Johnston 09:46

hot record. Isn't it great. Can't buy it anywhere. No, we got to think our friends over the energy 96.5% of them said worse it didn't have all that come out. Come out wherever you Oh, it didn't know After Hours radios celebrating life from the heart of Montrose we're here and work. We're certainly our guy. It was busy tonight at the police department really what was going on? I didn't do anything until about 915 and then the proverbial hit the fan. Okay, it was so busy. I was trying to dispatch you know what I said over the radio down there? Why I sounded like this

10:27

Yeah, like the radio. I love it. You got it? Quiet. I'm broadcasting remember

B Buddy Johnston 10:41

it wasn't that bad. It was not Oh, it was bad. But I like working nights. You know why? Why? Cuz I'm sort of creature of the night. Remember this? After hours radio celebrating life from the heart Montrose 90.1. Yeah certainly not the manners. It's the night baby or the bookstore who said that no control. Breaking that sodomy law what sodomy law is there a salary law in this state? Oh, yeah. There is. Again, ever enforced.

J Jimmy Carper 11:39

Oh, please.

B Buddy Johnston 11:48

available at your local drugstore. If not send 2995 to two. Well, hey, Mary, what's been going on?

J Jimmy Carper 11:58

It's been a pretty slow week. Actually

B Buddy Johnston 12:00

the gumbo cook off is up. Yeah. And tomorrow, the Houston International Festival continues downtown. I'm gonna go down there tomorrow with a group of my friends. Oh, really? I'm gonna take a little group and my friends.

J Jimmy Carper 12:13

Well, you know, somebody was I've been kind of I know a lot of people have been saying well, yeah, the international festival but I'm gonna wait for for the West time or arts festival. But you kind of forget that. At the International Festival. There's a lot of groups playing. Yeah, there's a lot of live entertainment. A lot going on. Yeah.

B Buddy Johnston 12:32

Speaking of live entertainment, now you know something that's bugged me all week. What working at the police department in dispatch, I saw this a lot of the dispatchers the police officers come up and see him and visit him and everything yeah comes to see me. Well, I

J Jimmy Carper 12:46

wonder why America why

B Buddy Johnston 12:50

the gate officers are probably scared to death cars

J Jimmy Carper 12:53

and the macho ones. You're scared at the same talking with you that somebody's gonna think they're a faggot. Christ.

B Buddy Johnston 13:00

So you know what that means? That means I sit there all week by myself and nobody ever comes up to say hey, would you like some? You know what I mean? Like some wine dinner they

J Jimmy Carper 13:08

bow stuff up? Yeah, yeah, they are you trying to tell me your friend list at the police station?

B

Buddy Johnston 13:14

Oh, not really. But it's bugging me. Because you're right. The gay officers are scared to death to talk to me in the straight lines. They're afraid that if they do talk to me somebody I think they're gay or sometimes

J

Jimmy Carper 13:24

that's a part of being out. In Christ.

B

Buddy Johnston 13:29

It is. Yes, it is. Oh, it is. I'm just kidding. We've got a request coming up here in just a minute from Ron and Paul. So stay with this. Hello.

⌚

13:37

Do you know me? I have appeared in hundreds of one of other cartoons with that screwy rabbit who always does drag yet whenever I travel homophobic troublemakers are always telling me that there's no wombs and no hotels. No available seats in the West Juan's and no cause to went, it gets downright frustrating. At first, I wanted to cry. What's my sexual orientation got to do with my being a good customer. Then I got a game that can express cod. Now I use it everywhere. From crepes and flats to tropical foods in Honolulu to picking up chicks in Australia. My good American Express card does it all getting out can't express Don't be home I without it. Speaking of

J

Jimmy Carper 14:22

yes

B

Buddy Johnston 14:24

i It's no secret on this show that I've been trying to get a date.

J

Jimmy Carper 14:27

Yes

B

Buddy Johnston 14:31

yes, I've tried the bars the best bookstores the parks. You name it. I've been there. I've tried hanging out the window going hev. yeah.

J Jimmy Carper 14:39

yeah, I've tried your when you did that. It was it was real sad. Pretty sad. Yeah. Have you tried computer dating service that's what

B Buddy Johnston 14:49

I sent him. I sent a check into a place that I got out of the from the switchboard as a matter of fact, yeah, a computer dating services skit that services the gay and lesbian community how Ah, and you send them the money and they're supposed to send you 10 or 12, whatever it is. And I did that. Yeah.

J Jimmy Carper 15:06

When did you get back?

B Buddy Johnston 15:07

I haven't gotten anything back yet. But it's real funny. When I got ready to send in the order thing I told Roger I said, I can't send this in. Why? Because my I wrote a check. And my check says, Houston police Federal Credit Union on it. What's wrong with that? I said, these queens are gonna think I'm some kind of cop or something that's trying to you know what I mean? Oh,

J Jimmy Carper 15:29

yeah, they're gonna think like, I'm trying to say the check with the Houston Police whenever.

B Buddy Johnston 15:32

And Roger said, Wait a minute, you can be out at HPD and do their show. Why can't you be out in the gay community and send them a check? Well, they don't want you to check, then screw them.

J Jimmy Carper 15:44

What cops the dates to?

B Buddy Johnston 15:47

Did you hear that? No, I'm kidding. I don't know. I'm just on this. This. What's the word? Blatant
~~trip this week because there's a woman in dispatch that I love her to death. She has five kids~~

trip this week, because there's a woman in dispatch that I love her to death. She has five kids. Her husband brought the children up there the other night. It was so wonderful because I haven't seen the twins since I went back to work in January. And they've grown so much but she kissed her husband. Yeah. In the dispatch center. Goodbye. He's a police officer and she's a dispatcher.

J Jimmy Carper 16:16

What's wrong with that? She

B Buddy Johnston 16:17

gave him a kiss button heterosexuality.

J Jimmy Carper 16:20

Oh, yeah, it's all over.

B Buddy Johnston 16:21

I was dating someone or if I had a lover and he came up there. Do you think I could kiss him on the

J Jimmy Carper 16:25

cheek like that? Remember when that everybody freaking out? Remember when you were at a town and came back in and I could pick you up at the airport and I kissed you when he got freaked out people were freaking out. It's because it's just a little pack. You know? How

B Buddy Johnston 16:38

can when we do it, it's blatant. And when they do it, it's okay. I don't know about that. For for straight, folks. What's it called Lin? Pat. It's

♂

16:47

called for the straight folks who don't mind gays. But wish they weren't so blatant.

♂

17:00

You know, some people got a lot of nerve. Sometimes I don't believe that things I see in here. Have you met the woman who shocked by two women kissing and in the same breath tells you

that she's pregnant. But gays shouldn't be blatant. Or the strike couple sits next to you in a movie and he can't hear the dialogue because of the sound effects. But gays shouldn't be blinded. And the woman in your office, spend your whole lunch hour talking about her new bikini drawers and how much her husband likes them. But gays shouldn't be blatant. Are the hip chick in your class? rattling a mile a minute while you're trying to get stoned in the John about the camping trip she took with her musician boyfriend. But gays shouldn't be blatant. You go in a public bathroom and all over the walls. There's John loves Mary Janice digs. Richard Pepe loves the Loris, etc. But gays shouldn't be blatant. Or you go to the amusement park, and there's a tunnel of love and pictures. The streets painted on the front and grinning couples coming in and out. But gays shouldn't be blatant. Fact is blatant Heterosexuals are all over the place. Supermarkets, movies, at work in church in books on television every day and night. Every place even in gay bars and they want gay men and women to go hide in the closets. So to you straight folks, I say Sure. I'll go if you go to but I'm polite so after you

18:42

with so many gay men and so little time

Buddy Johnston 18:56

hoo short and hairy Oh short and hairy yeah I

19:01

have a feeling we're not in Kansas anymore

Buddy Johnston 19:06

after hours radio celebrating live from the heart of Montrose

19:11

yeah

Buddy Johnston 19:19

in the wild how back in the 50s Everybody could like sing two parts. I know.

Jimmy Carper 19:25

I was saying before, boy if you remember this when you're over 40

B Buddy Johnston 19:29

Oh, really? What about this oh, wait a minute, Mary. Be those queens.

J Jimmy Carper 19:38

I'm hoping you're well. This is even older.

B Buddy Johnston 19:51

After hours radio's celebrating live from the heart of Montrose this way out with Greg Gordon and Lucia Chapelle coming up at one o'clock right after lunch. Cool News. So stay with us five to six 4005 to six KPFT. That's the number to call

∅ 20:10

request. You don't have to play it I've been listening to the show radio, and you see like a friend to me

B Buddy Johnston 20:37

sure, that didn't skip. I thought that record skipped. Maybe it did. Maybe it did.

J Jimmy Carper 20:41

That's really pretty alerting.

B Buddy Johnston 20:44

I've tried to find that song on the CD and I can't find it's one of my all time favorites. I mean, worked in radio for almost 20 years. It's one of my favorites. Speaking of request, here's a request to Ray from David, your son, he lives here the Montrose are any call up and said would you play a song for my mother? Yeah. I said yes. So Ray, this is just for you from your son David.

∅ 21:15

You in the

H Harvey Milk 21:21

party? Do you have a few words for KP? Come on out. Join us. Bring your friends. What do you

think about the turnout? Rally? Never No, never. No, never. No. We must destroy the myth swings and draw shatter them. We must continue to speak out. And most importantly, most importantly, every gay person must come out. difficult as it is, you must tell your immediate family, you must tell your relatives, you must tell your friends if indeed they are your friends, you must tell your neighbors, you must tell the people you work with. You must tell the people the story of you shopping once they realize that we are indeed their children, and we are indeed everywhere. Every myth, every lie, every innuendo will be destroyed once you do, you will feel so much better.

 Buddy Johnston 22:39

I love to hear that.

 Jimmy Carper 22:42

You do feel better.

 Buddy Johnston 22:43

You really do. And you know net last week, it was no secret that I didn't want to be here. You know why? Why? Because I'd been seeing somebody and it didn't kind of work out and you feel guilty because or you start feeling not guilty. But you feel bad because on Saturday night, the whole world is out having a good time and we're stuck here. Alright, well, I guess I mean, every Saturday night, we're here every Saturday night, we don't get paid for volunteers. And we've been doing this almost three years. So we're here every Saturday night, rain, you know, come hell or high water. It's true. And it's Saturday night, everybody's out. And I wanted to go to the baths, the bookstores or the bars or anywhere other than here last week, I just didn't want to be here. And on the way home, I heard a song on the radio that I've heard before. But I heard it and it made me realize that I do want to be here. Because why do I have to spend four hours in a bathhouse, or four hours in a bar or four hours in that rut that everybody else is caught up in when I can be doing something for me. And that's trying to get out of this mess. Because I know that life is gonna get better. And the song said it all and I'm gonna play it again. We played it early, because maybe there are too many broken hearts in the world. And I'm not letting the mind be one of them. I hear it from these queens all the time. I can't be out. I can't be open. I can't be myself. I have to hide. I have to stay in the closet. I lose my job. Oh, sure. Mary, I work for the police department, I do a gay radio program. Tell me you can't be yourself and come out of the closet. I don't believe it for one minute. You can stay in the closet and rot and stay dirty and grimy and just like mushrooms because that's what's going to happen. You can live your life and believe all the lies that your life's not going to count. Or you can go out like I've done and try to find help and get people that will support you and make your life count and that's what I'm doing. It may be going to a group it may be joining a therapy group and maybe getting involved in the switchboard or working for the names project or joining the Gay Lesbian Political Caucus or doing something with doing something for yourself where you know you're going to benefit others not just being greedy and stingy and trying to get off and get drunk and get laid or whatever it is y'all are doing sometimes. Y'all beating me because we're all caught up in the same thing. And I'm tired of our people suffering and life is gonna get better So there are too many broken hearts maybe and we will be here for you because we're

going to fight the fight and we're going to win. Right right that's it. The news is coming up we're gonna listen to this one more time. Well maybe we'll play it again I don't know we make this maybe oh we play for the next three hours. We know one thing that we'll be here until four o'clock and we'll be here every Saturday night at midnight because this is after hours radio celebrating life from the heart of Montrose and I just love it when Harvey Milk goes high rate

Do you know how many people say hey I can tell by looking if someone has the AIDS virus or not. Now let's just think about this a minute. These people are saying they can see the AIDS virus that's truly amazing. What's their method the aids at a glance technique. They could make a million just imagine we can tell if you have AIDS come on and let us have a look at you. What a silly world we live in. As if someone with the AIDS virus ours couldn't be the cute guy who caught your glands in the store. The shy girl with their hair drawn back in a satin bow. They don't necessarily look different, you know, they can have the AIDS virus and not show it or know it for years, because aids doesn't develop right away. And if a person with the AIDS virus doesn't know it, how can anyone else they can't share. It puts a big, ugly dent in the aids at a glance technique, doesn't it?
