 **Scott Lewis** 00:01

pay for me to see that movie. Okay, I haven't found one yet that'll pay for anything but anyway, um girl Miss Jenny Craig is in the house. Miss Jenny Craig is just the one she's the flawless diva.

 **Speaker 2** 00:16

The Mexican diva.

 **Scott Lewis** 00:17

The Mexican diva. She's the Mexican Miss Lewis and she just left them all have it. We trade clothes back and forth course after [INAUDIBLE] them up. But anyway-

 **Speaker 2** 00:30

Love her!

 **Scott Lewis** 00:30

She's the girl. Miss Jenny Craig is the she's just too flawless. Girl what are we gonna do an after after the show tonight?

 **Speaker 2** 00:36

We're gonna hang out at Energy probably have no idea how long.

S

Scott Lewis 00:41

They'll throw y'all out at two o'clock. What are y'all doing around three o'clock?

S

Speaker 2 00:45

Anything but each other?

S

Scott Lewis 00:50

So I don't want to get you know the the main reason you're here is to talk about a friend of ours. That was much closer to you than then he was to me. He and I would camp around as a matter of fact, we did I guess. I think it was last Wednesday night. That last Wednesday night or it was a Wednesday night before that. That he was down- Lorenzo was down at the club and of course he was just read and Miss Sammy. That old tired old bitch. Which you know if you know Sammy, Lorenzo was right on the mark. And down Barbarella- Hey Miss Barbarella if you're listening. She's probably turned into (INAUDIBLE] for money right now. So

S

Speaker 2 01:36

She's done a big street turn and something is you know.

S

Scott Lewis 01:40

I don't know what it could. I don't know what it could be. But anyway, Miss Barbarella we love her. But So Lorenzo and I were sitting there just camp and carry on and Lorenzo. I have never seen Lorenzo where he was not just had the biggest smile on his face, he was just happy. We just give you the shirt off his back, you know, now nobody would have wanted them to. Keep the damn thing on. But he was just sweet and and just a good man and great sense of humor. And he passed away I guess on Friday, Thursday, Thursday night, Thursday night, Thursday night in a car accident, right? What do you know what happened?

S

Speaker 2 02:22

Well, he was the all we know now as he was driving in Missouri City somewhere, he was dropping a friend off. And all we know is that he just hit a tree and he flipped straight through the front windshield of his vehicle. And he died instantly. And that's all we know, at the moment, we really haven't talked to his mother or relatives or nothing. But we're just all we're trying to do right now is like trying to get everybody together that knew him and, you know, trying to get monies together. So we could like help with the funeral expenses and everything to help the family out.

S

Scott Lewis 02:53

Now y'all are doing something y'all are doing a benefit, right, Monday night.

 **Speaker 2 02:57**

We're doing a benefits show at energy at Club energy. And we're like asking drag queen friends of his and just friends of ours that can help out and just do a show together like try to. We're we have a small door cover. So we could just like try to get as many people there. So they won't just turn away and say want want to pay whatever, because it's usually no cover on Mondays. But we have a small cover that, you know, we hope everybody comes out and just supports us and helps us with this.

 **Scott Lewis 03:25**

Well it's definitely worthwhile. And I'll I'll be there and would encourage anybody whether you knew Lorenzo or not to be down there because Energy is fun on a Monday night. Lorenzo was a good good man. Good man, and just nice and fun to be around. And so you didn't have to know him to, to come and help and do a little something for somebody else.

 **Speaker 2 03:51**

A small bit would help.

 **Scott Lewis 03:53**

Yeah, a little bit goes a long way. I want to play this song for him. That it's a Meg Christian and it's called The Ones Who Aren't Here. And this is for you, Lorenzo because we know you're you're still out there listening. Look, look energy flayer there love, love, club Energy down. I love club Energy. That's my hot spot. You know, just take a few phone calls here. 5265738526 KPFT. You know, we want to talk to Erin and Eric over on line seven because they're preoccupied out there. And they don't want to put out anyway, so we won't be talking to them. But 566-573-8526 KPFT maybe we'll get a little husband hunt going Jenny Craig Are you single down, down? Go we're gonna hook up. And you know what? We have straight boys in the house. Let's turn it What am I today? What makes I don't know why (INAUDIBLE) straight. (INAUDIBLE) is not a boy either. Straight down. Victor straight down between my legs maybe where's the straight down? Straight down to the table. Where is the table at the theater the boy comes over to my house have a look gathering at the House have a little little cocktail party at the creative Okay. Miss Thing I walked over I didn't even know he was there half the party. And then I'm strolling over there. Victor, right. Yeah. Victor Victor Tolo Victor

 **Speaker 3 05:40**

S

Speaker 3 06:03

Yeah.

S

Scott Lewis 06:04

Okay. Didn't really need an answer. We had already figured that one out. God just the whole posse is in the house. So Victor was it it? You're too quiet? Why are you so quiet? Do you how do you pick up women? If you're so quiet? Yes, a long time to all these three ever do is giggle that's all they ever do. How do you pick up women? What do you say to a girl try to pick her out? You see somebody is attractive. You want some. What do you do?

S

Speaker 3 06:39

Hey what's up baby?

S

Scott Lewis 06:41

Hey, what's up, baby? And I guess that would probably be why you're still a virgin. JR, what do you how do you pick up a woman? And so it's just a room full of virgins.

S

Yeah.

S

E Eric 09:12

We told Robert. Robert wanted to go.

S Scott Lewis 09:15

Why don't you give Robert my phone number. But don't tell Robert and Miguel that I gave him both my phone number because then I look like a whore. And I don't want anybody to think I'm trash or anything. But I sleep with either one of them. So, so. So give him give them both. My phone number?

 S Scott Lewis 10:28

Sandra and Mondo and Jr. and Victor, he's under the table. And let me tell you let me tell you a little story about this next woman coming up here on the turntable. I was a little fool the night that she performed that heaven and I had to go pick her up in the limo. Well, her plane was three hours late and so the limo driver and I kept, went and parked and just drank liquor. And that was the night I introduced him to certain things he had never seen before. But anyway, by the time I got to pick Lonnie Gordon up, we were so full. She came over and she got a little too close to me and I gave her a hickey right on her neck. Oh no. And you know, I was full if I was putting a hickey on someone's neck. She just released Love Eviction. This is Lonnie Gordon. Ain't that just kind of festive Miss Jenny Craig. You see that disco beat going? You just like, feel festive. So I sort of throw that on in the background. I liked that little de-ne-ne-na bam.

 S Speaker 2 11:29

Put a wig on girl.

 S Scott Lewis 11:31

Now Energy does something during their shows. It's kind of unusual in that they take like an intermission. They take a little break. Now Mrs. Jenny Craig girl she was the first one out onto the dance floor to start dancing during the break. And she just she's just throwing down on (INAUDIBLE). Grease was just flying! You could have french fries. And the grease it was everywhere. So Miss Jenny Craig's just throwing down to the number and just you know singing it and feeling it girl? God nobody got anywhere near the stage. They thought the show was still going on girl they started tipping her ass.

Scott Lewis 13:26

S

Speaker 2 13:38

S

Speaker 2 14:10

Feels like I was city under siege girl or something and you think I'm playing. If I'm lying I'm flying and you don't see no wings that but I told my roommate and I was sitting I said, Greg that kind of look like that but he said I was just thinking the same thing. I mean course I haven't gotten him in a room alone that nobody knows he was there. And just me and him in the middle of the night. And we're just chit chatting. Now. If that now see. So-

We're gonna go to club to go in a few minutes because you're on the ride home. Kind of like the pimp crew. You could be on the ride home, and you just need a little club music for your mama. And so to answer your question, yes. I honestly believe they're all straight. Unfortunately, because at that, Junior honey, I give that little Junior honey. I gave him a ride like AstroWorld talk about that Mayan mind bender. So Roy, what's the grease? What's the dirt? What's the 411? What's really going on?

 Roy McCarthy 23:36
