Michelle Meyers 00:01

And I don't know how you have that many. But of them, they've also measured them and said, you know, if something like 4000 of the 60,000 are positive thoughts, all the rest are negative, and this is what drags us down. And they're gonna have a workshop on how to identify these irrational thoughts and ways to change them and feel better about yourself.

00:23

I'd like to know, how did they come up with that kind of, I don't

Michelle Meyers 00:26

know. And they didn't say the 60,000 This is something I learned when I was off having negative thoughts and everything and went to therapy and 60,000. And I'm more than 1000

00:36

of the 60,000. I mean, they have somebody there captain has a brain for you. Okay, this one's negative, this is positive, this positive is negative.

Michelle Meyers 00:45

Like, wow, they have people that sit there and and record what they're thinking about and what's going through their minds. And they're probably saying things like, Well, I'm not moving the pencil fast enough. Oh, this is really stupid. No, thanks. I don't know. Go on.

01:00

Okay, of course, I will do the next side of as Michelle cringes at that one. The Gay Men's Chorus of Houston is going to resume their rehearsals next Thursday, September 10. You weren't surprised.

05:15

Michelle Meyers 05:19

I put I put briar patch down. I didn't put bricks down

05:24

05:27

one of those baby. Okay, let me know. Okay, Sunday September 6, at 8pm There's a Mr and Miss Briar Patch benefit show that it's gonna benefit stone soup.

05:40

And the reason that we're pushing it is because one of the contestants were Miss Briarpatch is fancy paste Lawrence. Oh yeah, who happens to be a member of the House of Nylund, which is a member of the Royal Sovereign and imperial court of the single star fused incorporated the court. The court, the house of Nylund branch of the court has promised to raise \$2,000 this

07:30

Scott Lewis 07:35

Do you know anything about the boys in the band? I saw there's a revival production of that coming up I saw in the voice history.

Michelle Meyers 07:42

Yes, I saw that. I saw that.

R Roy 07:45

And Scott Incidentally you can see the boys of the band Friday and Saturday through October 24 That Jr is barn grill not what they're the new heights theater

S Scott Lewis 07:56

they have the they have the cast over there at Jr's rock

♀ 08:05

well, you can register to win a parent

S Scott Lewis 08:08

knows what right the boys in the band being bitchy

♀ 08:11

Well that'll just fit right in with Randall joke on the boys.

S Scott Lewis 08:15

I'm not touching the boys in the band is on a lot of gay critics worst list a lot of gay critics don't Oh no. I have found that to be one of the most powerful and impressive pieces to me ever because it made me laugh it made me cry. It instilled all the emotions in me brought out all the emotions in me. And so I'm really looking forward to go go and see that free tickets and Scotland I'm really excited and want to go see that free tickets and and hope that this is a great free ticket to production. There morning. I know it's at the new heights free tickets. And I really I want to go see that as soon as free tickets with two of my friends free tickets. But this is if you haven't ever seen the boys in the band. This to me is the most powerful AP I think the most reflective about gay life in the late 50s Yeah, I

♀ 09:23

know that the critics don't like it for what they term. It's very

S Scott Lewis 09:26

it's a hateful very you know, it's very it's a very strong piece. But to me that's what gay life was free ticket

09:37

was yes it was I lived it. It was exactly was that

09:41

it was the

S

Scott Lewis 09:42

60s or the 90 Hey.

09:44

what else have we got? SCOTT I will say this I have learned long ago that whatever the critics naysay that's the one that I go to whatever ones they say the greatest I just don't I love anyway Is Here we go. We got folly ball fest, which is the original backyard party. And that's about a month away in October 4. And folly ball fest is one of Houston's oldest annual parties. Now, long before Stonewall, there was volleyball who knew not me. Come join them on a glorious afternoon for traditional backyard fun and adventure featuring Hockman music, beer bust volleyball, the folly Ed's drill team.

10:33

Now wait a minute, when you talk about traditional backyard fun that has a different meaning for me, honey.

S

Scott Lewis 10:41

In all of your paying customers.

Michelle Meyers 10:46

backyard fun to me is like, last Saturday, I was walking past and love again. They have

S

Scott Lewis 10:54

I mean, in that pool,

Michelle Meyers 10:56

I have a friend shop. But there's holes in that there's holes in the fence. And there was just gentlemen and her was laying there nude. No. Oh, yeah. And if you want fast enough, you can see through the cracks in the fence. Really great. Backyard

11:17

Nickelodeon film, so

S 11:19

they put that fence up, they put that fence up because of ROI in that pool.

R 11:25

Hey, you know, with all this stuff here, it slipped my mind. I almost forgot to mention this at Nighthawks. If you're wondering where to watch the power of Houston fireworks, then

11:39

that would be a great place. They

R 11:40

say that they have a spectacular view of the light show and the fireworks at Nighthawks. That's the old venture in 2923 Main. And their phone number is 5220000. Okay, and they invite you to join them. September 12. At their parking lot and fireworks starting at what 10 o'clock. 910 o'clock. Yeah, something like that. Of course, I got a great view from my complex anyways.

12:09

Yeah, that's true.

M 12:10

So I think I think we've done it. Okay.

12:13

On a personal note, I want to say thank you to Roger, who sent me a letter and I got it through Ray Hill. I don't have it with me tonight. So I can't comment on that. But thank you, Roger. And I want to say hi to Terry again. Haven't heard from him in forever.

12:33

And I would like to say hello there. Randy out there in Beaumont. Ah Tony up there. Good old Tony reads great poetry.

12:43

Certainly does. And I keep every every bit of it. I have a library of poetry.

12:48

No, that's right. Well,

Michelle Meyers 12:50

it's time to head out. Alright, goodnight, Michelle. Tonight Roy goodnight

13:03

ready

13:20

the sound of Texas KPFT Houston of Pacifica radio network station 90.1 FM 89.1k e os College Station

13:30

and you're listening to after hours queer radio with attitude. I'm Jimmy Carper. And with me now is Miss Scott Lewis.

Scott Lewis 13:38

Terence O'Neill if you're listening you better get down here right now to shut me up about last night. Oh, what

13:43

happened last night?

s

Scott Lewis 13:45

Well, he can't drive that fast.

o

13:47

Oh, certainly do he's been on this show. So hot. You just want to make sure we're all on your knees and like something

s

Scott Lewis 13:56

he does. I've had that opportunity and pass Have

o

14:00

you Yeah, I

s

Scott Lewis 14:01

have. What do you think we passed it up? What you full? Yeah, it was you know, she wasn't in that shouldn't in that mood of of marrying at that point. It was so serious. He wants to get married and stuff but we ran into each other last night and at Pacific Street. And he was telling me that he had heard the show last week and he really enjoyed was glad that I was back and stuff. And you know, how can I put this delicately he you know his erection rubbing on my leg? Why suddenly? Yeah, which is very unternen Wow. And I almost took him home. Why didn't you drop him off? Because I didn't think he was gonna make it safely. DWI. It was no but I love terrorists and he's a sweetheart and stuff and and hot looking. And he's beautiful. And you know, he reminded me several times last night I had had the chance and and didn't blow it and didn't. Yeah, there's still a week left. Okay, and so I may blow it sooner or later or if he gets here sooner but he's a sweetheart and I was asking it because you know he's very involved in nice Parker's campaign for you know, reelection. Yes, of course as he told me in a drunken stupor last night she's going to be elected anyway. So why do I care and not that I'm here to gossip. But but so anyway, Portal Terrence, I just hope you got home safely. And if I was the marrying kind, you would be it. And if it is, he's a sweetheart. Chris. He kept turning the hidden on that guy next to us. But anyway, I'm not wanting to gossip. And he mentioned your name Michelle. He was a you know, Terrence.

o

15:55

Isn't he a sweetheart? He

s

Scott Lewis 15:56

is he's a really neat sweet guy. And anyway. I want to suck it but anyway. um no. I'm teasing. I

had an opportunity and I passed. And Jerry if you get here soon, though, Jerry with United cab he the nellist Queen ever isn't that great guy. He is so neat. He

16:20

also listened to esoteric adventures and is provided us with music to play on the air.

s Scott Lewis 16:25

You know, take your Nelly last record. Yeah, no, no, no, no, not you, Jerry.

16:29

No, no, no, no. Jerry Jason is here because hatch music is coming up in well, sooner than

s Scott Lewis 16:37

not that soon, but not as soon as Jason but not as soon as he would like but anyway, you know, we might be able to work out a deal in the bathroom. But anyway, Jerry brought me up here from energy. I was down at energy with a bunch of friends because we just lost a friend of ours. And so we were all kind of celebrating down there celebrating his life down at energy and Jerry Kim fixup journey he came in or picked me up. You know, where I was on the scale today. So it's in us. But anyway. I written with him once before this queen is a mess. Oh, I know. This clears a mess. She sees a prostitute on the corner. She doesn't care that your pay and she pulls over never seen anything? I love. So did I you know it only costs me \$5. So great. But anyway, hi, Jerry. We love you. We do and what a hoot.

17:35

So what about your friend now? This is a friend.

s Scott Lewis 17:38

I don't want to do that. I don't want to do that this soon. Because then you'll cut me off and throw me off the air net? Well see this happening already? Don't you? Valentin Delarosa who was with all this? And was as who is the HIV and AIDS

17:58

group, or we promote them?

 S Scott Lewis 18:01

Often they the organization that targets the Hispanic community about HIV and AIDS

 18:06

because there's a there's a whole different way of life where you know, different value systems and

 S Scott Lewis 18:12

you know, by injection Yeah, certainly tell me, but you know, lol, Valentin Luton, Luton shit on my chest. But anyway, he was not even HIV positive. But he invested so much time, as I've learned in my involvement in the Hispanic community about how family oriented they are, yes, not even in blood family, but just their commitment to each other. And he was not positive, but he dedicated so much of his time and so much of his energy, more so than I could even say that I would to that organization and to the affected community. And he passed away day before yesterday, he had a heart attack. And he he knew that. I guess about eight months ago, he knew that, that his time was limited. And we went and saw him today in the funerals very early in the morning. But he was a neat fun guy. And like stories, stories that I can't tell here. Oh, he

 19:17

Scott has told me some wonderful stories and I wish we could sell them on the air

 S Scott Lewis 19:24

which we can we can Oh no. He Val Val rodella, who's a very dear friend of mine and bartenders down at energy and also is involved with all this. And he was telling me that late that evening, I guess, Valentin had his heart attack just after eight in the morning. But the night before. Val was telling me that he served Valentin his last cocktail at last call. And the last thing he saw him do was stuff \$1 In a dickey dancers G string. And I said he had that little smile on his face, didn't he? And he said girl, it was a great And it was and it was Val always had that little grin on his face. And a neat incredible wonderful guy that busted his ass for people that were HIV positive and that had AIDS. And did you throw some if because yes, I did because you know, cuz you need to save me right now.

 20:19

I know. I do I have something because we're celebrating his life. You know? I'm so tired of mourning the passing but I really like to celebrate the life of people.

 S Scott Lewis 20:29

And certainly a reason to celebrate this man love the nightlife. Yes, he did so many nights. I get off that Mexican, he's mine.

20:42

And so I have a remake of I love the nightlife

s Scott Lewis 20:46

for you, Valentin. We love you and we miss you desperately.

20:53

The sound of Texas KPFT Houston, of Pacifica radio network station 90.1 FM 89.1k e os College Station

J Jason 21:09

All right, we're on now. I don't know what mics they're on in there. Turn them on. That's what I did.

21:15

Hey, that'll work.

J Jason 21:19

My name is Jason or in depending on my mood,

s Scott Lewis 21:22

depending on what you're paying. If you pay \$10 Extra II and only paid 20 Then it's

J Jason 21:33

I'm with hatch. And we've got two other little hatchlings in there. Go ahead and introduce yourselves children.

21:39

...

I I'm older than you. Little. I'm Jeremy.

J Jason 21:43

You're right. You're not little girl.

♀ 21:47

Depends on who you talk to you.

J Jason 21:50

And then the other smart aleck in there.

♀ 21:53

I'm Ben and I'd like to say hi to my boyfriend, Justin. And Rebecca. Okay, I'm done.

J Jason 22:02

Okay, and we came in too early

S Scott Lewis 22:05

for a seven minute low.

J Jason 22:07

Scott Lewis with us. I'm trying to get you to start conversation while I'm looking.

S Scott Lewis 22:15

Girl so y'all are all with hatch? Yep. Yes, we are. Okay, what's your name? I'm Ben. Ben. How old are you? Because you look 12

J Jason 22:24

Thank you. He's not much older than well.

22:26

I'm 15

s Scott Lewis 22:27

Are you 15? Do you have a paper out in the morning or you need headphones. I

22:34

can't it doesn't include his hand things not involved.

s Scott Lewis 22:37

What have I missed?

22:41

You want to talk Jeremy? Let you I really wouldn't be if I were you.

22:45

I'm not scared.

J Jason 22:49

My CD got left in Jeremy city.

s Scott Lewis 22:51

So your what's your name again? Ben. Ben and your 15 1515 goodies are young.

J Jason 23:00

Called the other week.

s Scott Lewis 23:01

Okay. We're not gonna are sick. And it's Jason who's 15. Now who's gonna be here because I can't move over, move over so I can see that's Jeremy.

J

Jason 23:12

Jeremy. He's halfway to midlife.

S

Scott Lewis 23:17

And y'all Arlen hatch. And this is Merlin, whose day had a mini series about you on NBC. I saw that. Michael Myers was in that it was great.

∅

23:25

It was not Michael Myers. It was Sam Neill,

S

Scott Lewis 23:28

get it right, Michael. Sister. Don't start with me, honey, because I've been doing this show for eight years. She will. I'll let you have it. Michael Myers place I'd probably like get Merlin. What do you say? He said he'd probably like it. Well, we'll leave now then. Because

J

Jason 23:45

gosh, oh, please help me.

S

Scott Lewis 23:49

What How's hatch doing because you know, I did. I was involved with hatch a little bit at the very beginning. And actually HBO called me a few years ago. And we did. A few years ago, HBO called I guess about three years ago, four years ago, HBO called and they wanted to do a special on on SR I know, because I'm the one who convinced down they wanted to go to Atlanta but I got them to come here. Anyway. HBO was doing a thing on they wanted to go into homes with this little our special they had every month they wanted to go into a home where some kid was coming out of the closet with the family but they wanted to be there with their cameras and experience the whole situation the whole nine yards. And I convinced him to do it here in Houston and introduced him to hatch and they went I think tape the hatch meetings and stuff. And that was my last encounter with hatch was three or four years ago. What's it like now? It's crazy. It's pretty big. It was kind of a little bit of a meat market back then to tell you the truth.

J

Jason 24:57

Still got some aspects we won't I

∅

25:01

□ [TOPIC](#)

certain people just go there further than me.

25:05

Anyway, no, it doesn't. It's gotten, in my opinion, it's gotten a lot better. It's not it we work towards everyday, you know, when you work with teens working away from the high school, you know, setting with the gossip and stuff. For the most part, I think they I feel like it's a big family with a bunch of big or smaller brothers and sisters now that I'm about to have to leave. But I've enjoyed the last two years I've had churches pretty much saved my life. And by the way, that HBO specials brought a lot of people into hatch.

J

Jason 25:37

Dan, the radio show,

S

Scott Lewis 25:38

The Chronicle did a story. I think they did like a little front page story at the same time, because Wade Lee was a real dear friend of mine, and he actually widely helped start Hatch and then I guess it kind of faded out and died. And then it like, came back in its second incarnation, which is what it still exists as now. And it's been real successful. So now you're saying you use it as a meat market?

26:03

Oh, no, no, no, no, no, no,

J

lason 26:05

don't lie. Just like

26:08

you did not just call me Justin. Yes, I

J

lason 26:09

did. I've been doing it all night girl will call you well, how can we can't differentiate you too. You can't get your mouth away from him. We know kids are sick

 Scott Lewis 26:17

and eaten, but it was really disgusting. I don't think you should do that. We'll call you whatever we want to. So now do y'all still just hatch still do the meetings they did back when I was around? carnation way back when they did like a Friday night thing. But then on Sundays, they did like a social with the movie. Actually.

 Jason 26:41

We on the Sunday nights, we do the movie. And then the last

 Scott Lewis 26:45

Sunday night you do anything that's moving?

 Jason 26:49

The last hour of the Sunday night meeting? Didn't we have

 Scott Lewis 26:53

is when they meet you in the bathroom?

 26:57

Later on, be careful.

 Scott Lewis 27:00

Because you charge \$5. So

 Jason 27:02

no, he pays \$5. A lot more than that.

 27:05

Yeah, that's why you're out of work.

 Jason 27:08

has been good dear

has been good, dear,

s

Scott Lewis 27:09

very clever. You're kind of cute for a little white boy. So the Friday nights meet the Friday night meetings are still where somebody, a speaker comes in and talks about something that's kind of important in issue not just

o

27:23

like takes the whole tone of the whole meeting for the night.

o

27:26

And then for about 45 minutes, and then we break into small I mean, we break in to smaller

o

27:30

groups, and then we'll have like topics or whatever the guy was talking about logo and we'll talk about that into more depth. And then there's like, How was your week where you just get to complain about what has ever gone on your life. And they were like,

o

27:40

kind of like they did in high school where the teacher would give you like a little subject in y'all break off into little groups and work on yourself.

o

27:47

Not really, I mean, you get to talk about things that are coming that are in your week, like coming out issues, issues, at school, at work at home with your parents, just anything that's bothering you. And I don't want to make too light of that because I think that's really important to have your peers support you and you get kind of like their advice and what you think that they would do and it just it helps a lot.

J

Jason 28:11

Let's move on to hatch number out there real quick. It's if you want information on hatch or if you want to consider becoming a member of hatch, call area code 713-942-7002. That's a voicemail line. And all calls are returned with the utmost confidentiality

o

28:26

by me Jeremy don't be afraid when for now

28:29

unfortunately, I am too old for something like that. But I wished I had something for people my age they do something. Oh, interesting.

S Scott Lewis 28:39

No on Sundays I'll watch y'all get together. Is it still at the Blue Blue Blue Blue can't

J Jason 28:44

say we can't say where it's it's at

S Scott Lewis 28:46

a church. Church but we can't live live live live church. Exactly. Whatever. No,

J Jason 28:50

it's not it has changed since you were with hatch. I was never with hat so I mean since you like

S Scott Lewis 28:58

by the time had started I was too old. Thanks for reminding me. Thanks. But now on Sundays y'all still do like a like y'all watch a movie.

29:08

And then we also have this small group so small groups of like escalated, they become more and more important for the youth so they can vent and I guess love it. And the reason why we don't give out the location of the church so that we can keep hatch a safe place from gay bashers and news media and people who you don't want to know that you're out of the closet yet?

29:33

Like the original religious right?

J

Jason 29:36

The Religious Right?

S

Scott Lewis 29:39

Just wrong.

∅

29:40

The Religious Right,

∅

29:41

I'm a recovering Catholic myself. So

J

Jason 29:44

I'm wanting to go ahead and go into the song real quick

S

Scott Lewis 29:46

when I say so get over it. You know when we did Bob Smith, or do y'all know who Bob Smith is the gay comedian, Dr. Boss.

J

Jason 29:55

Now Bob Smith, the comedian. He's called openly Bob

S

Scott Lewis 29:59

Yeah. He's second and he anyway

∅

30:07

Dr. Bob,

∅

30:08

Bob Smith.

30:11

You do that motion very well. Okay, now

J Jason 30:17

you have a bunch of young children in that booth.

30:19
