Okay, a little bit of yes we are and we're going to try to have some fun tonight. Series is not fun series isn't fun. No, it's not

01:13

depends on where you're at. I'm gonna ask

01:18

Don't Ask Don't Tell. Terry says

01:21

some things are just better left unsaid.

01:25

Your case, never

01:31

children, children, children. We are going to go ahead and do a station identification real quick. So be quiet.

01:41

The sound of Texas KPFT Houston, of a civic radio network station 90.1 FM 89.1k e o s College Station.

01:52

Whoa. how professional you know I wonder how guys look. You know how they, how professional they sound? Everything. I wonder how most those guys look? Because he hears her voice.

02:01

Well, when I first heard after hours on the radio sitting at home, after my parents were asleep sneaking around, munching out of the fridge. I thought Jimmy was like this woman dressed in a man dressed in a woman's car. They met him and it was like, Whoa, interesting. I mean, because when you hear the people on the radio, you think with the voice Jimmy has nothing against Jimmy I love the man to death. But, you know, you get a misconception about people from their voice.

02:32

Okay, this too serious. We need to like liven things up because this is just like a low doll. It's like

02:39

well, what should we talk about?

02:45

What was the question? We were chopping here?

WHAT WAS THE QUESTIONS WE WERE SHOPPING HERE?

02:48

Sure. We were asking how many we don't want to know what you're talking about.

s Scott Lewis 02:52

When that says you know, they did say some radios back.

03:02

Come on children. So

03:03

how about disasters? Okay,

03:07

sorry. There's nobody that hard

03:08

Maguire said six years. I want to know how I want to know how much he's gonna break the record. But there's no time I want

s Scott Lewis 03:14

to know what those steroids he uses. Your mail order,

03:17

right? Can you get him through mail?

03:20

There's nothing wrong with liking sports. Thank you very much.

- - - - -

 Scott Lewis 03:23

I'm figuring out one thing right now. This one is a whore. What size shoe do you wear? On 11? Oh, 11.

 03:33

So I guess it's not true.

 03:36

How would you know but Ben

 Scott Lewis 03:39

whores. So would you say that on the day that you were born on the day you were born? Would you say that your parents did or did not believe in circumcision on that day?

 03:51

That they did? Would it matter? Would it matter

 Scott Lewis 03:55

what it meant missing? Don't be asking questions.

 Jason 03:58

To understand this. Understand this Miss Scott Lewis isn't Latino boys. So therefore I'm assuming she likes uncircumcised men.

 Scott Lewis 04:05

You don't know what I'm into until I've had my tongue in your ass. So start now

 04:16

not going there.

 Scott Lewis 04:16

But yeah, we did three weeks ago, and that's the worst \$20 I've ever spent on

But yeah, we did three weeks ago, and that's the worst \$20 I've ever spent on

J Jason 04:27

it. So we're size 13 wide.

S Scott Lewis 04:31

It's that wide part that gets you Thank you. It's not a shoe honey. It's his ass. But anyway, so So now you were what you said 11 Yeah, on the day you were born. Don't Don't screw with me here sister says security. On the day you were born. Would you say your parents did or did not believe in circumcision? They did. They did believe in certain Uh, okay, if you were to join the military today and you were the first person into the barracks I think another says going, you know where this is going to be 16 Soon back off just so you're the first person into the barracks, you joined the military, would you pick a top bunk or a bottom bunk? I'd pick whatever they gave me, would you You and I are going home together.

05:25

So, well you know what Mike? Is?

S Scott Lewis 05:29

This 111 Eight and a blank? Where it's 230 in the morning you're listening to 90.1 KPFT Houston and 89.1 ke Oh, yes. College Station. Miss Lewis. Yes. While you were in the restaurant we did a little did you do yes

05:47

we did. Yes, we did. That's one thing they don't have a speaker and so

S Scott Lewis 05:53

it was no because I liked it blonde it was good. We'll see.

J Jason 05:59

Some people say you know

06:03

you'd have been very frustrated

Scott Lewis 06:07

bleach kid on your head.

06:10

I did that one time was told me you got highlights

Scott Lewis 06:13

is natural. Honey, the clothes you're wearing aren't natural, much less your hair.

06:18

I only wear one natural color black.

Scott Lewis 06:22

I know because it's on your teeth I'm older and I have more insurance.

06:34

I'm younger. I've got a bigger car.

Scott Lewis 06:36

Deer you will be driving that later. Parking in my garage daddy registered with the state of Texas. All right. And no insurance. David Fuller from PJs. She's good. She's confused. She's on drugs. We'll talk later. I really don't know where this is headed. But you

Jason 07:03

know what I would like to address last night Richard. Okay, I just have to go ahead and get this dish out there in the story. This is this box over

Scott Lewis 07:14

here. There was this little boy do you think I dream about girls.

J Jason 07:19

There was this little boy dancing up on the box and riches pulled down his parents revenues crushing this boy's base then took off his whatever's then really dropped his drawers in the middle of the dance floor up on the box starting to get a blow job on the dance floor for \$1 \$1 But the real kicker was the real kicker was the boy fell off the box and busted is not

S Scott Lewis 07:46

the one giving the one on your face. Those bandages on your face don't look that bad. It's not it's

♂ 07:54

not which which one fell off the box one giving other one was the one receiving

S Scott Lewis 07:58

I think I need a bigger box.

♂ 08:01

Out there. Sounds like a personal problem. That's Lewis.

S Scott Lewis 08:05

Speaking of problems that outfit you're wearing. I love Mr. Jason Well, I paid the extra \$10 again. So, so, club 69

J Jason 08:19

Yeah, I don't remember which songs are on that CD and I don't have the cover with me.

S Scott Lewis 08:22

Yeah, well if you were qualified for this position. So anyway, being a little lighter, so speaking of positions.

♂ 08:32

Notice he looks at Jeremy when he said that, Jim,

S

Scott Lewis 08:34

Jeremy Jeremy. Yeah, whatever. Oh, it's all the same to me when I'm drunk in the morning. So what's your favorite position? Bottom? Bottom really? Okay, moving right along. All

J

Jason 08:44

I've got to say is versatility is the key.

∅

08:46

That essentially I just want to meet one true top. I mean, does not like Jess strikers since her.

∅

J Jason 09:40

Jamie was extremely Jamie was anorexic and at good nine and a half inches. No, you're not bitter about that. I've missed the sex. Okay, I had some damn good

S Scott Lewis 09:52

s Scott Lewis 10:21

yourself and EJ

10:25

I prefer I prefer walking past few T shaking my ass and getting a drink.

s Scott Lewis 10:29

Yeah, well, I know. I don't want my money back. He was very good. But anyway, uh, David Fuller, who's the DJ over there at AJ has just walked in. And David was here with us last week and played a bunch of music for us. And we we talked about the new two by four Reller disco dance floor that they have over there, and a piece of crap, but

10:49

my landlord used to be the DJ. I mean, at the DJ, the bartender at EJ is really calm, grandma. Yeah, grandma

s Scott Lewis 10:56

still there. He makes the best burger. Grandma makes the best burger. Next time you have an amusing anecdote. Wait till we ask.

11:06

You gotta watch out from this little baby. Did

s Scott Lewis 11:08

you bring any exciting music? I've noticed it's in the will get your fat ass back. But your hair looks good. Thank God for a couple of scissors.

11:21

Did I want to get my hair done like that?

Scott Lewis 11:24

Oh, David wears a size 13 shoe. It gets about to the door and we'll talk about his waist. So I have

11:34

it I have an 11 and a half shoe and believe me it means absolutely nothing. Well.

Scott Lewis 11:39

I've already said you're a bottom so well. She was she was the bottom by design. That's right. Because yeah, and like that hair was by design. Well, if I got in the military, I wouldn't care where I slept as long as it was nice and warm. Okay, we've already discussed this. We're going home, so I mean, what's the point? If this you know, doesn't matter? 526-573-8526 KPFT get in on the conversation. 15 I'll get you 20 And we've got a 15 year old here. How old are you? Want to get your 60

12:22

To go to your new club.

Scott Lewis 12:26

Jason 12:30

Do you have some music? I have some music. Some more Gracie. Michael degrees. A little more Michael to his little mix of wicked gamebreaker Sonic.

s

Scott Lewis 12:39

Chris Isaac, could he be sucked immediately if not sooner? Yes. So this thing is a horrible here. That's Miss score to you.

o

12:50

The winner? The Wicked Game?

o

12:53

Which one is the Horde? The one who gives it away? Or is that slept?

o

12:56

That's like, Okay,

o

12:57

I just wanted to make a slot. I'm the whore who

s

Scott Lewis 12:59

cares? As long as it feels good. You're listening to after hours on 90.1 KPFT. Houston, the radio show that refuses to die. Thank you very much.

J

Jason 13:13

Okay, we're back on now.

s

Scott Lewis 13:16

You're back on my lap. Could you sit in your own chair?

o

13:20

How much thing you wish her?

s

Scott Lewis 13:24

You wish she she has such a heart? What do you do? What are you?

o

13:28

What's his mic on?

s

Scott Lewis 13:29

Don't play with yourself here. Okay. Sorry. I

o

13:32

just couldn't contain myself. Nude radio

s

Scott Lewis 13:34

was two weeks ago. I missed it. It was it? What do you do? It's 247 in the morning, don't you have a paper out tomorrow? There's you have the Chronicle to deliver.

j

Jason 13:42

Today. My headphones out. These headphones were really working before I went in there. Do you I know you better

s

Scott Lewis 13:54

yet? No, I didn't. But anyway,

o

13:57

go away. And she's

s

Scott Lewis 14:01

looking at me. You know, I y'all can't depend on me to you know, run and keep this whole show going. You know, you have to be a little lively yourself, miss. Oh, but so long since you've been on here. I haven't took a year hiatus. And I'm very happy to be back. I ran into Terence O'Neill last night. And he heard me on the air last week. And he was so sweet to say that he was glad to hear me back on the air and stuff and couldn't quit rubbing his erection against me and so forth. And he's so sweet. You know, he ran for some political office and almost one he ran for

you know, tariffs and I went out a long time ago. We met here. And we went out a couple of times as he reminded me last night. And but you know, he was too serious. He wanted to get married and stuff like that. Miss Lewis, you don't want to get married.

14:49

She just wants to have fun. Oh, I've met

14:51

plenty of those boys who don't want to get married. I don't want to get I don't want to get

Scott Lewis 14:56

it's like kids. You know, it's like I've always wanted children. I've always wanted to have a kid But when I get into that mood where I really want to kid off, you know, get one of my friends to let me borrow their child for the weekend. You know, just

15:08

oh, let's not go there and

15:11

out of you, you should look at my apartment after a child. I took care of my sister for a while my big girl broke back and mowed ran my phone, dollar phone, but you do not want children but no,

Scott Lewis 15:21

how old is she? 17 I'll see the excellent

Jason 15:25

she's like, I'm talking to kid. So that's why I enjoy being an uncle because you can like daimyo have been taking care of him and take him to like Chucky cheeses and stuff. And then once they start getting on your nerves, you just handed back to mama,

Scott Lewis 15:36

but after the week, you know, I'll always get in this mood where I want a kid and I'll have him over the weekend. And you realize really fast you don't want to have children and I've been in

that like married mood or something like like, Excuse me. I've been out all weekend with these two friends of mine who've been together for seven years and I'm just looking at him going. God I wanted to get married. This is sick. It's so good. Do y'all want to get married?

16:04

I know if I ever found a truly top man if you ever found

s 16:08

a hair color found in nature was very, actually very good and Spoken like a true smart ass living right now that was very clever. That was very good security. And you

16:30

thinks he's already found the man of his?

16:32

Technically I'm kind of sort of not eight months. That's pretty good long.

s 16:36

You're eight months pregnant honey maintenance married? No,

16:40

no. What's funny is Ben's boyfriend is about I'd say two feet taller than him He's six feet tall and Ben's a top and I just want to know where it's been FISA stepladders from I mean no actually

J 16:50

been made a very It made it very obvious that they were both versatile. So we now know that Ben no longer has a cherry

16:57

but some of us would already know that better than others.

s 17:01

You know, let's not go there to know that you and Ben have slept together in his weight dreams.

17:06

It's not man enough for me nor does he haven't tall enough stepstool for other people on this panel, you know, he could be like, as Jason just wanted anyway.

17:20

So anyway about the music.

17:23

I'm gonna turn all of them off and they're no Scott Lewis

17:27

that outfit you're wearing has already turned everybody off this outfit is very too tight. No, I love this. That's nice like to school. look okay, I

17:41

17:45

17:48

the gap. He was already the gap poster girl now he's just done coastal is really sad. Katie

17:57

I don't want to look at your sister.

18:00

 Scott Lewis 19:02

 19:14

And it's and having a cover for him and his teeth. And they're still moving. And they're like walking across.

 Jason 20:15

I still love Ben Franklin comment a couple of weeks ago is it which one What? What was the witty remark? You made some witty remark and Jimmy's never made a witty remark? Well she did steal it from Ben Franklin. Anyway, we're gonna go to Martha wash Lee.
