Then of course the big day on Sunday, June 28, the prime I'd rally naturally will be from 3pm until 8:30pm in the Mary's parking lot and it's free sponsored by Pride Week.

 10:09

And I'll go ahead for someone to do the parade.

 Bruce Reeves 10:16

Don't Rain on My Parade. Don't Rain on Jackson Carol's parade. The Pride Week parade will kick off at five o'clock at Woodhead will work its way down Westheimer past Mary's naturally and beyond though Montrose. Of course, it's free. It's one of Houston's best parades, free drinks, bands, floats and fun. And I believe Jack said that it's going to be the probably the biggest pride parade we've ever had in the city of Houston. And that's the second largest parade in the city of Houston this year. That sounds very exciting. So be sure and, and come out and watch that. And if you can't get out to watch for it to the radio on from at four o'clock, we're gonna start some coverage from the rally. And they bring that bell and that will be your co anchors for that. It's at 710 Pacific and I've got the usual cover charge for that but it's just going to be a little post parade party.

 Bruce Reeves 11:38

And there's one other event going on today. Actually, today. I don't think it's actually a Pride Week event and actually you've got

 11:48

that look in your eye embers bowling event. bowling event.

 Bruce Reeves 11:54

Love the the Texas Invitational Tournament number seven is going to be the weekend of the Fourth of July. It's third through the fifth I believe it'll be held at the Southway lanes on Gessner freeway. But the bowling legs are out raising money as always they twice a year they held the

and the semi annual be high review view they really believe that

12:24

you can do you have review? Oh God has been in Mississippi again, folks.

B Bruce Reeves 12:28

It's been emceed by Mr. Steve Stapleton.

12:33

Oh, I know him. Do you know what he did?

B Bruce Reeves 12:37

He bought a 300 which nobody out in. radioland knows what is probably but it's called

12:43

Perfect. Or as close as you'll ever use

B Bruce Reeves 12:47

as you can get. But so anyway, they're holding their annual beehive review at seven o'clock at

12:56

one of those places. The ranch. It's at the ranch. Right? It's at the ranch. That's right. That's right, because let's be in those with a ranch. Yes. So and it is at the

B Bruce Reeves 13:05

ranch at seven o'clock. Steve Stapleton again, will be your emcee. It should be marvelous. Simply fabulous, darling. And last I heard they were trying to recruit one of our cast members to be in that but I don't think they were successful. Oh, really? Yeah. He sent them I don't think

13:28

I don't picture it in this lifetime.

B

Bruce Reeves 13:31

But anyway, that that should be a real wonderful event. Since there's not any major majors going on tomorrow afternoon. You might want to drop by the ranch and check that out and help them raise a little money. Basically, they take tips, and it's worth it just for the wheels. Oh, it's a trip it's worth it. No, that's right. But so anyway, that's that's Pride weekend review. Lots of things coming up and going on. Of course we've been sort of talking about coming out and going to the Pride Week parade. But one of our newer pieces of music from Miss Monica grant and her Cosette harbor girl she has a song about coming out which is kind of different. Let's hope it sends

14:22

chills up your spine

B

Bruce Reeves 14:24

folks everyone should should come out when when they're ready and at their own pace but let's hope you don't come out this way

14:40

Miss k.d. lang and I've got a big, big love for you from her absolute torch entwining album.

15:34

I think it was wonderful.

B Bruce Reeves 15:35

It was

15:37

just the way you say it can be questioned. That's why Oh, is that how you say it?

B Bruce Reeves 15:44

And before that we heard from the consolidated friendly fascism album, unity of Oprah Russian.

15:54

Well, you kept them on the edge of their chair. So Bruce, I'm proud of you.

B Bruce Reeves 15:58

So anyway, Diane will be here next week. Is her debut, so to speak, yes.

16:05

As host anchor, anchor anchor,

B Bruce Reeves 16:07

co anchor of the sort of almost post Pride Week. But but it won't really be quite post Pride Week because the parade and stuff will still be nailing on Sunday a parade or a parade show. And I believe she's going to be running a couple of historical type tapes, including one that Jim Clapper did last summer for the joint Pride Week thing, say, interviewing several of the people that were around during the times of the Stonewall riots, and were out and about and what they remember from that.

16:50

That's an interesting paper. So wonderful.

B Bruce Reeves 16:54

And then the week after that, tour will be here. RK one of the two they're still fighting still. They have not decided we're still discussing that weekend. But tonight, our guests were Jack Valinski and Carol Clark, we'd like to thank you for tuning in. And join us every week
