## SPEAKERS

Jimmy Carper, Speaker 1

---

### J Jimmy Carper 00:03

Joseph Victor Seiger, ought to get some opinions on that name, not something for everyone but that's kind of the way it is here at After Hours. Not all, I don't think anybody's going to enjoy all the music but we want to give a full range and let you know what's out there. Coming up, a woman that we've played before bisexual woman, Sophie B. Hawkins, and she's doing one for Chris from California so. Okay, that was Bronski Beat with "Why ?" the yeah, great great tune and I was so happy to find out that of all the music that that Michael Crawford hates that I have, this is not it. He likes Bronski Beat, Bronski Beat, yeah. Jimmy Somerville. Yeah. You are still listening to the QMZ we've got a couple of more here. Oh, wait a minute now before that, you heard, oh, new music new music. "Just Keep Me Moving." k.d. lang.

### S Speaker 1 01:19

"Just Keep Me Moving" from Even Cowgirls Get the Blues. Have you seen that thumb? Wow, you know what I'm talking about? Yeah, Even Cowgirls Get the Blues.

### J Jimmy Carper 01:29

Not with that thumb, they won't.

### S Speaker 1 01:32

I'm not gonna say anything I'm just gonna keep my little mouth shut

### J Jimmy Carper 01:36

And before that we had the one the only discovered by Diane Williams

S

Speaker 1 01:41

Sophie B. Hawkins. I did discover thank you very much pointed her out. Saw her at soundcheck at Sound Warehouse, picked it up and said it's genderless, read further and it was gender fall. Knew she was lesbian

J

Jimmy Carper 01:56

Anyway that was for Chris from California. And California here I come great version. Great version coming up.

S

Speaker 1 02:05

Some here's one question. Yes. If anybody out there has a number to HATCH, Houston Area Teen Coalition Homosexuals, call us up and give it to us because we're looking for it.

J

Jimmy Carper 02:13

Absolutely. And we are absolutely TWIT-less here.

S

Speaker 1 02:16

TWIT-less, TWIT-less, TWIT-less. Not only have several but we blame this on Lesbian and Gay Voices. I personally Yeah. Because you know, we bring some up and then they're not here anymore. So if you're out there listening to Gay Voices, listening, bring your own please, bring more for us. We can't supply everybody, we'll take turns whenever you want to do but leave a couple please. We didn't bring any this week.

J

Jimmy Carper 02:40

Yeah, I know

S

Speaker 1 02:41

HATCH. Houston Area Teen Coalition Homosexuals. Thanks.

J

Jimmy Carper 02:45

Okay, Charles Ludlum in the Ridiculous Theatre Company. He's now not with us. But he put together almost the first gay theater.

**S** Speaker 1 02:57  
I think so.

**J** Jimmy Carper 02:58  
And all kinds of strange things and strange music and all of this and we're talking about drag queens earlier.

**S** Speaker 1 03:05  
We were.

**J** Jimmy Carper 03:06  
And this is from one of his shows. It's called, it's from one of his shows called The Hunchback of Notre Dame. A little ditty called 'Thank God He Made Me a Drag Queen.' The great Gary Floyd with Sister Double Happiness doing "Lightning Struck," that's on the EP. They do it on their new CD but it's just not the same. You're listening to KPFT Houston. This is QMZ, the queer music zone heard on After Hours and before that before that we heard, we heard something else huh? Whatever we heard you heard it. This is Jimmy for QMZ saying, see you next week.

**S** Speaker 1 04:55  
I just love that.

**J** Jimmy Carper 04:56  
Thank you.

**S** Speaker 1 04:57  
I do. I just love that little mood changes thing. Not only that, I love Sister Double Happiness and "Lightning Struck," that is such a cool tune.

**J** Jimmy Carper 05:06  
Isn't that cool tune?

**S** Speaker 1 05:07  
.....

And I'll say it again like I always say it, it's a rockin' tune, makes me want to sit in on the back of a pickup truck and shake my head. Yes. Just makes me want to go out and buy drumsticks just to pound on something with.

**J** Jimmy Carper 05:26

I have more music I want to, I want to play before the end of the show.

**S** Speaker 1 05:29

I have two things then. I've actually, there's a couple things but we'll get to what's important. Pricey love letters, love letters between a 19th century Irish playwright Oscar Wilde, and another man were sold at a London auction Friday for \$27,580, three times more than expected. The auctioneer said the letters and a photograph which revealed a close but previously unknown relationship between Wilde and a young man by the name of Philip Griffiths were bought by a private British collector. Wilde ultimately made little secret of his homosexuality, but little is known about this relationship with Griffiths. The one year affair began at the same time Wilde married Constance Lloyd, who he later had two sons with so this is, um.

**J** Jimmy Carper 06:16

That's that's what confuses people.

**S** Speaker 1 06:18

Gay boy, Oscar Wilde's first love affair.

**J** Jimmy Carper 06:20

Yeah, I want to talk a little bit about that, because it confuses people sometimes when we talk about folks 100 or more or 50 or more years ago, and their sexuality because it's, well--

**S** Speaker 1 06:34

They were married. Well, you had to be.

**J** Jimmy Carper 06:35

You had to be, you had to be it's more like bisexuality than then a gay lifestyle..

**S** Speaker 1 06:41

 Speaker 1 06:41

It was, it, even if it was strictly gay. I mean, you could get married to someone and never have sex with them at all.

 Jimmy Carper 06:47

That's true.

 Speaker 1 06:47

Especially if you were both gay.

 Jimmy Carper 06:48

Yes. There's a lot of that going on.

 Speaker 1 06:51

Vita Sackville West.

 Jimmy Carper 06:52

Yes. And, and her husband.

 Speaker 1 06:54

Her lover, the female writer, and her husband and the lover's many boyfriends. Yes. So that was really weird, too.

 Jimmy Carper 07:03

So there was a lot of that going on. It's just people sometimes try to think of these folks in terms of today. And you can't because it was totally different and even just wasn't a gay lifestyle.

 Speaker 1 07:19

Not a culture as we know it.

 Jimmy Carper 07:20

There was a couple of groups in there in Paris, a couple of groups in London.

S

Speaker 1 07:26

We know there was gay culture, very far back in history, Greek history, mythology, Christian, even the Christian homosexuality and has a culture but they're so different in terms of years.

J

Jimmy Carper 07:40

Homosexuality in Greek culture.

S

Speaker 1 07:43

Extremely prevalent.

J

Jimmy Carper 07:44

Is looked upon not very well today, because it was predominantly pederasty.

S

Speaker 1 07:51

Yeah, that's true. Well, they, they're, the Greeks' idea of homosexuality is that men should have sex with other young men to teach them how to have sex with women.

J

Jimmy Carper 08:02

I guess.

S

Speaker 1 08:03

I mean, that was the the original excuse, shall we say for homosexuality? So it enabled older men to have sex with young boys?

J

Jimmy Carper 08:10

Yes.

S

Speaker 1 08:11

Yeah, I'm just teaching how to do it.

**J** Jimmy Carper 08:14  
Yeah, right.

**S** Speaker 1 08:15  
You treat it like this, bimbo. I don't know. Speaking of younger people, yes. We have some information for you out there. To many folks. There's a group called Houston Area Teen Coalition of Homosexuals. Otherwise known as HATCH.

**J** Jimmy Carper 08:32  
HATCH. Those HATCH men and women.

**S** Speaker 1 08:34  
HATCH men and women. Yeah. And they are all ages. Mostly. What I think it seemed 15-20.

**J** Jimmy Carper 08:39  
16 through 21, or maybe even 22.

**S** Speaker 1 08:45  
Yeah, I think it's 16 to 21. But there's a couple of people who are who now consider themselves leaders or sponsors because they're over the age, whatever. Anyway, HATCH. There's a couple of different numbers for HATCH, the director's number. His name is Todd, and his numbers 3366778. And that's HATCH. Also, they meet at the First Unitarian Church now, like we've said before, don't let us, don't let that put you off because it's a church. The people at the church are very, very, very familiar with the groups that they have meaning they're in their Unitarian churches are very supportive of HATCH in this program, their number, their main information numbers 526520. So that's the First Unitarian Church and Todd's number once again for HATCH is 3366778. Houston Area Teen Coalition of Homosexuals.

**J** Jimmy Carper 09:43  
Don't call him right now he's probably sleeping.

**S** Speaker 1 09:45  
He's probably asleep. Yeah, call him tomorrow. Also, we heard that the Gay and Lesbian Voices

which is the show that's on Friday from 6pm till about eight. They're running a series of interviews on the attacks on gay people from the Christian religious right.

**J** Jimmy Carper 10:05

I think it's a five part series. We already ran part two of it last week on Michael's show.

**S** Speaker 1 10:13

Uh huh. Yeah, I heard that.

**J** Jimmy Carper 10:16

But they're doing a whole five week series.

**S** Speaker 1 10:19

Well, that's a really important series. The National Gay and Lesbian taskforce has an entire group of people set up calling, calling themselves Fight the Right, and the hatred from the religious, cultural right wing groups. It's terrible. It's really pervasive. And it's, it's spouting hate. And I hate to say that even in the same sentence with the word Christian being one myself, but--

**J** Jimmy Carper 10:49

I know that it must be really tough because you are--

**S** Speaker 1 10:52

I call them pseudo-Christians, because I don't think that, I don't think that the way, I don't think that people spouting hate in any way, shape or form should ever call themselves Christians and believe it. I don't care who you're spouting it against. You know, if you're a Christian, it shouldn't be easy for you to hate Hitler. I mean, you might, but it shouldn't be easy for you to hate it. And you should, you know, you should find ways to think that, you know, that you shouldn't hate him, even though he was terrible person.

**J** Jimmy Carper 11:18

Yes.

**S** Speaker 1 11:19

So they're, they're just things that we as Christians aspired to be like, like, Jesus of Nazareth, if you want to call them that. Anyway, I call them pseudo-Christians, and I don't like them. I think they're mean and hateful and evil, and they should be destroyed.

**J** Jimmy Carper 11:36

There you go. I'm kind of that way about any group that spouts, spouts hate for any other group for any reason.

**S** Speaker 1 11:46

And people, I think anger is good. Gay people have a lot to be angry about.

**J** Jimmy Carper 11:51

That's the difference. You can be angry at a certain group or a bunch of people.

**S** Speaker 1 11:56

Angry the way you're treated, angry the way they're treated.

**J** Jimmy Carper 11:59

But hating them and wanting them to go away.

**S** Speaker 1 12:02

Violence.

**J** Jimmy Carper 12:03

Yeah, yeah, not good. It's not good. NG, baby.

**S** Speaker 1 12:08

NG. Okay, Gay and Lesbian Voices. Friday, six to nine.

**J** Jimmy Carper 12:15

And what a fun show. It's an entirely different one than us.

**S** Speaker 1 12:20  
Oh, way, way different.

**J** Jimmy Carper 12:23  
But you know, we're kind of a diverse culture too. So there's room for all kinds of different kinds of gay and lesbian shows

**S** Speaker 1 12:29  
Gay and lesbian people are so different.

**J** Jimmy Carper 12:35  
Yeah. And brought some of After Hours music. Cool. For the middle of the road stuff I didn't get to get to.

**S** Speaker 1 12:42  
Weld on?

**J** Jimmy Carper 12:43  
I didn't get to weld.

**S** Speaker 1 12:43  
I should have, should have knocked those slacks off. I wanted to do--

**J** Jimmy Carper 12:48  
But I had fun. You know, anytime. Oh, hey, yes, there's something you haven't heard in a long time, folks. Plaid. Regular and plaid.

**S** Speaker 1 12:56  
This is this is something that I do often. I'm gonna do this tonight, because I know there's people out there listening that might appreciate this. I'm going to do this. And then from this little moment that I'm about to show to the radio. Yeah, we're gonna go and we're going to talk

about romance. It's a little bit, we've got some ads to read. Okay. This is for everyone that likes sound effects. What I'm about to do is I'm going to touch something black. It's leather. And it makes great noises, here we go. Ah, one more time. This is backwards now. Okay, thanks for that. Love sound effects. I am wearing a flannel shirt, a red flannel shirt, brand new Christmas present, but it's a red flannel shirt. And a black T-shirt and black leather boots and I am lesbian.

**J** Jimmy Carper 13:16  
And black jeans.

**S** Speaker 1 13:19  
And yes, black jeans black jeans. That means that I'm a lesbian. I found that out.

**J** Jimmy Carper 14:06  
Oh, you're kidding.

**S** Speaker 1 14:07  
It's true. If you wear black boots, black jeans, a black T-shirt and red flannel on top of all this, it means you're a lesbian. Do I have three earrings? Now I have two matching earrings on, so it doesn't work tonight. But normally I have at least one on kind of earrings. Okay, I got you in the mood with that little zipper thing.

**J** Jimmy Carper 14:27  
Yeah.

**S** Speaker 1 14:27  
Because I've been looking at these ads. I am a spouse at the moment but at the moment, forever, forever. Sorry, honey, forever. But I think these ads are really funny. And some of the ads.

**J** Jimmy Carper 14:42  
What are you talking about these ads?

**S** Speaker 1 14:43  
These ads, these ads are from the Houston press romance section. They're not from a typically

gay or lesbian media source of, they're not from This Week in Texas. They're not from the Voice they're not from, you know, the one.

**J** Jimmy Carper 14:59  
The Triangle.

**S** Speaker 1 15:01  
The triangle. That's what I was looking for? I think they do. Yeah, they do. They do. But it's from just a pretty cool publication. And it's--

**J** Jimmy Carper 15:11  
This is pretty cool.

**S** Speaker 1 15:13  
Pretty cool. Pretty all all aware, all inclusive. They have a section for men seeking men, men seeking women, women seeking men and women seeking women. So that does that cover to the one everything. Just about everything. And I just wanted to read some of them.

**J** Jimmy Carper 15:31  
Do they have anything, transgender?

**S** Speaker 1 15:33  
I think they might have something in the back. I don't know. I didn't get that. Okay. Trans? No. Okay, let's see, I, of course, I'm not going to tell you how to get in touch with these people, because that's not my job. Okay. But I am going to tell you, I'm gonna go down and read three or four from the women seeking women and the men seeking men, because I just think it's fun to read them, just to get a glimpse of some people that are out there. And some of the the words and the verbiage they use. If you were going to look for a mate, and find someone via a personal ad, what would you say about yourself in three or five sentences?

**J** Jimmy Carper 16:08  
Well, yeah.

**S** Speaker 1 16:09

And I know some people that did this. As a matter of fact, when I was writing for publication, I got a free one one time, and I put out an ad and it was really funny. And I got a lot of really funny responses. But I was such a chicken. I didn't answer any of them. And I was single at the time. And I felt really bad. Like I was misleading people. And if you anybody out there answered an ad, and that didn't answer you back. Maybe it was me. Maybe it was, we just don't know. I'm sorry. I still feel guilty to this day about it. But I was a chicken and I didn't do it. However, I know someone that I work with who put an ad in the paper, and is now in a long term monogamous relationship because of it.

J Jimmy Carper 16:47  
Really?

S Speaker 1 16:48  
Three years later. I mean, they dated for a long time before they decided to--

J Jimmy Carper 16:51  
This is from one of those ads and those, and we all have done them and then talk bad about them.

S Speaker 1 16:58  
That's right. And they're, they're very happy together. Anyway, some of these are just to give you a little smattering of what you can find. This is, this is just like four out of, I don't know, maybe 20 or 30 evenm there's quite a few in here. There's one that says gay female, professional beauty, 32 years old, feminine, attractive, degreed professionals seeking same, 24 to 38 years old, enjoy movies, travel, fine dining, fun, and has her phone number. Another one that says ,I like this one, it says games are good, express your imagination because you'll need it to get to me. I'm not the type supermodel that the ads call for but the real girl that you will fall for. Like that one, not too bad. Another one. Gay, single white female. I assume that that's GSWF, I guess. 23 brown, brown, green, brown eyes, green hair brown hair, green eyes.

J Jimmy Carper 17:54  
Yeah, that's more likely.

S Speaker 1 17:55  
Brown hair, green eyes.

**J** Jimmy Carper 17:56

I don't know.

**S** Speaker 1 17:59

If you don't know what all these are, gosh.

**J** Jimmy Carper 18:00

I've seen green, green haired people.

**S** Speaker 1 18:01

I have too. Let's see, slim figure, adventurous, sporty, funny, intelligent, sports minded, seeking mature GF, gay female. 21 to 34, friendship and possible commitment. Uh, I can't read. This needs to be honest, insincere. I am one of a kind.

**J** Jimmy Carper 18:20

I like this. See, that's the other thing in these ads. You have to be creative, to get people's attention.

**S** Speaker 1 18:26

And you have to notice what's good about yourself and be able to say it out loud and not be shy, which means you have to be a fairly independent person. You either have to be overly psycho or you have to be self confident and self assured.

**J** Jimmy Carper 18:39

Maybe just writing these ads builds up your confidence.

**S** Speaker 1 18:41

I used to write them all the time and I never did it. But even when I did it, I didn't get a chance to do it. But like I said, that was a long time ago. And I am a changed person since then.

**J** Jimmy Carper 18:49

Oh, I'll bet.

S

Speaker 1 18:50

I like this one. It says jazz and bagels.

J

Jimmy Carper 18:53

Jazz and bagels?

S

Speaker 1 18:54

And I just finished a bagel, didn't I. And it was delicious from the bagel shop on Shepherd. Give a little plug, jazz and bagels. I like fresh bagels in the morning. Frank's, Howard and Meadows in the evening. That's jazz. Oh, are you an attractive winning honest employed single gay female 29 to 42? If so do contact this pretty intelligent heavy 20 something SGBF, single gay black female.

J

Jimmy Carper 18:56

You did. What, 20. What was the age there?

S

Speaker 1 19:27

29 to 42? Yeah, how do you pick that Fernande?

J

Jimmy Carper 19:35

If you're 43, you're too old?

S

Speaker 1 19:39

How about 30 to 45. You know, in some of these on here are let's see, 25 to 45. That's 21 to 34.

J

Jimmy Carper 19:49

Yeah, that's really strange.

S

Speaker 1 19:52

Couple more and then we'll be done. Let's see.

Jimmy Carper 19:56

The ones that the ones that pissed me off are the ones like HIV positive, HIV negative looking for same. Yeah, I hate that. Yeah, that really pisses me off but in this day, in this day and age, if you don't act like everybody you date is HIV positive, then you're really I think the word that I got, that fits is stupid.

Speaker 1 20:23

An idiot? An idiot total? Yeah, I live as though I'm HIV positive helps me remain healthy. A feminine black female. white gay female, gay female seeks friendship. Okay. Closet beauty.

Jimmy Carper 20:38

Wow.

Speaker 1 20:40

Gay white female, 33, feminine, attractive, educated professional in search of honest, sincere gay white female, 30 to 38 with same traits enjoy theater, fine dining, travel, family, no gangs, bars, drugs, or wide circles of gay friends. Now does this mean that this person has slept around a lot and doesn't want to pick any ads?

Jimmy Carper 21:02

Does wide circle of gay friends maybe she slept around a lot?

Speaker 1 21:06

This is closet beauty, maybe she's just not up for being around lots of gay people yet. She just wants one person kind of come out to Okay. And you know do it with.

Jimmy Carper 21:16

Yeah, I know that.

Speaker 1 21:17

Go figure looking for friendship. Hi. 29 years old black female in search of black female friendship, possible relationship. No games, please. Serious replies only.

J Jimmy Carper 21:27  
That's pretty typical.

S Speaker 1 21:28  
Yeah, yeah. Okay. Okay, one more. Help. Gay female, 30, desperately seeking Susan, Nicole, hell, what's the name anyway? In search of NS, what's NS? Non-smoking. Non-smoking. H, height weight proportion. Okay.

J Jimmy Carper 21:47  
HWP. Height and weight.

S Speaker 1 21:48  
Height and weight proportionate.

J Jimmy Carper 21:50  
How does he know all of that?

S Speaker 1 21:52  
She.

J Jimmy Carper 21:52  
Those people out there are, you know, I read them. I read these ads because they're fun and in the press and my favorite. My favorite is the other publication.

S Speaker 1 22:04  
Public?

J Jimmy Carper 22:05  
Public News. Yeah.

S Speaker 1 22:06  
.....

Oh, those are great. Height, weight proportionate feminine to help revive lost heart and soul, too lost too long among BS artists. That means BS.

**J** Jimmy Carper 22:18  
Well, that's what what you think? Yes. That's Yes.

**S** Speaker 1 22:24  
That's because I can't say that on the air.

**J** Jimmy Carper 22:26  
You got it.

**S** Speaker 1 22:26  
And I was hoping to scare you.

**J** Jimmy Carper 22:28  
You did.

**S** Speaker 1 22:29  
Good. I got the finger wagging almost. Honest women only. That's what she says. Okay, now here's some--

**J** Jimmy Carper 22:34  
What does that mean?

**S** Speaker 1 22:38  
That means if you call up and tell her that you're, you know, an aerospace engineer and you're, you know, five foot 10 and 120 pounds you better darn well be five foot 10, 120 pounds.

**J** Jimmy Carper 22:50  
Why wouldn't you?

S

Speaker 1 22:52

I have no idea. Okay. Male seeking male. Here you go guys. This is for you. Do you want to read some of these? Okay, tired of meeting toads? Single gay black male.

J

S

He wants emotion.

J

Jimmy Carper 23:55

Yeah, that's what he says now.

S

Speaker 1 23:58

Looking for new pals every moment. Every moment is adventure with me. blah blah blah. Very

Looking for pen pals every moment. Every moment is adventure with me, blah blah blah. Very good looking, seek same, stable professional gamer

**J** Jimmy Carper 24:08

Very good looking. Seek same, I like that.

**S** Speaker 1 24:11

Stable professional. Doesn't mean he works in a barn.

**J** Jimmy Carper 24:14

It could be.

**S** Speaker 1 24:15

Stable professional gay white male 27. Five foot 11 inches brown eyes gray hair. Brown hair gray eyes, likes quiet walks, evening and home. Six gay white male 30 to 45. Six foot plus, who's sincere, wants monogamous relationship, must be stable and hairy. Let's talk. Let's talk.

**J** Jimmy Carper 24:38

What? Be stable and hairy? And over six foot.

**S** Speaker 1 24:42

Yeah, let's talk and take it from there. In other words, he wants somebody to look up to he's 511 and he's tired of dating shorter people.

**J** Jimmy Carper 24:49

You know a lot of these people are looking for the physical fantasy and not what's on the inside. Just pisses me off.

**S** Speaker 1 24:59

Yeah, About this one pecs any racers.

**J** Jimmy Carper 25:02

What?

S

Speaker 1 25:02

It says pecs any racers? Do you know what they're talking about?

J

Jimmy Carper 25:05
