 Buddy Johnston 00:35

So that's why you wanted to play that song.

 00:37

And that's for Stanley. Oh, really? Yeah.

 00:40

Is he listening?

 Jimmy Carper 00:41

Oh, no. But anyway here that's a brand new Jimmy Somerville.

 Buddy Johnston 00:47

Will they hear it?

 00:48

He may. He may,

 Buddy Johnston 00:50

but I'm not gonna say anything hateful about

but I'm not gonna say anything material about

J Jimmy Carper 00:53

it. That's a new brand new Jimmy Somerville. Cover of BG song by the Gibbs brothers. However, they were not the first to record it. It was recorded well over 20 years ago by Janis Joplin and theta did a rockin number on it. I've got a song just for you. Since you're talking Christmas. Yeah, this is this is just all about you and Christmas and Stanley. Oh, and his credit card. Oh, okay. Yep.

Ω 01:30

You remember

Ω 01:45

Santa baby, just slip or sable bird the tree for me. been awful good girl, Santa baby. So hurry down the chimney to sorry.

J Jimmy Carper 02:05

I'm not that was Santa baby earlier that Yes. Yeah,

B Buddy Johnston 02:12

they did. Number tonight at the Montrose singers concert.

J Jimmy Carper 02:17

which one they did so many good about shopping.

B Buddy Johnston 02:22

What was it? I looked over at you and you were just way into the beat.

Ω 02:29

I remember that too. And

B Buddy Johnston 02:30

I just can't get into this holiday

∅

02:32

family just looked at me. No, I can't either. I don't know what I can. Yeah, but girl.

B

Buddy Johnston 02:40

Frank, you missed a great show. I'm sorry. I did the Montrose singers.

J

Jimmy Carper 02:45

One of the numbers that they did tonight was an original number. And that I find it very, very, very pretty.

B

Buddy Johnston 02:53

Which one are you talking about?

J

Jimmy Carper 02:54

The one about? Forget about going home spend Christmas with me. Yeah, they did. Denon at the end. Yeah, it's called together.

B

Buddy Johnston 03:04

What was the one they did?

J

Jimmy Carper 03:07

That was the jingle all the way is that one? Yes. That was a take off on Jingle Bells. And they were talking about going out shopping

B

Buddy Johnston 03:16

arranged by Lou Hayward. Yeah, I think it was great. What was the one that the little Hispanic guy did? That was so funny. I God Rest Ye Merry Gentlemen.

J

Jimmy Carper 03:31

Iamie Bella Steris he's not exactly little. The one that it says smartly arranged by Deck the Hall

James Bond seems like not exactly like the one that says similarly arranged by deck the hall deck the halls. It was it was a samba villa. It was a samba. Yeah. And it was just really, really good. They had fun doing it. What are you gonna do for Christmas? What I do every year it's a tradition. And it's a tradition. I We kind of made. Yeah, we have a Christmas Eve party. White Elephant. Oh, yeah. Yeah, I've got my white elephant. Bring out Sadie's gift from 10 years ago that's been in the classic and I'm gonna give somebody else

 Buddy Johnston 04:12

same one I got last year

 Jimmy Carper 04:15

back Oh, come on. You gotta you gotta bring a good one because it's a good we get we get prices fabulous.

 Buddy Johnston 04:23

It's a fabulous horse shoe. Paper Mache bird on it.

 04:28

It's flawless. Sounds great.

 Buddy Johnston 04:30

I specifically laid it aside to make sure that this year I did not forget.

 04:35

I could go back where it

 04:37

came so you can recycle it.

 Buddy Johnston 04:38

Yeah. What are you going to do for the holidays?

 04:40

Well,

04:41

I'll be going to my place and you know Jim's place for

J 04:45

what you see I have a couple of extended family so Christmas Eve is with one and Christmas Day is with another and

B 04:54

one year I remember going to the ballpark bookstore for Christmas. Christmas Day. And they were like 17 Queens all standing around, up against the wall looking at things and in the background they were going, Mum Mum, mum, mum, mum Mum Mum Do you know? Now? And I was like, Oh girl, please at least change the radio station. It was just too depressing. I think I left when they started singing a little drummer boy. I'm gonna forego I don't know, Roger, and I haven't put up a tree yet.

05:35

Do you plan on it?

B 05:38

And no, not really. If we do, it'll be a little baby. When you just sit on the table. I don't want to. I don't want anything huge. And I don't think

J 05:47

I've got one of those if you need one. What I do Christmas decorating.

B 05:52

You mean that sits on the table? Yeah.

05:53

Is it real? No, it's not real.

05:56

It's one that folds up in a suitcase.

J Jimmy Carper 05:59

It's three foot tall. I've got a little three foot tall tree. It's

B Buddy Johnston 06:02

cute. Roger wants one of those like we used to have in the early 70s and late 60s is made out of aluminum foil. Oh, those are great.

J Jimmy Carper 06:10

Those are hard to find. I would love to find one. They're just so horrible.

06:18

I had one too. I had one two years ago and I painted it. spray painted part of it fluorescent yellow.

06:26

Oh, you mean you didn't have the little rotate? And

06:28

no, I had that.

J Jimmy Carper 06:31

The different colors are so bad. That Oh, you couldn't put lights on them?

B Buddy Johnston 06:37

No, it's metal. And you have this huge light that does a disk of four colors.

06:43

Yeah. The deluxe model, the deluxe model the tree rotates. I've seen him where the standard is motorized and the tree rotates.

J Jimmy Carper 06:54

I always put like all one color balls. All blue ones are all green ones.

07:04

Into the 60s. Yeah.

07:07

Actually,

B Buddy Johnston 07:08

I really wish he could find one because I now would do that. I I really don't want a big old tree because the carpets are bad now anyway, because of the dog. You know what I mean? Because like you walk in, and it's like, it's like going to Aunt Sadie's house.

J Jimmy Carper 07:24

Maybe you need a real tree, then you know, fine smell kind of comes in and can Oh, okay. That's what we use about 10 minutes later. It's

B Buddy Johnston 07:33

like there's a dog in the pine. That's part of life. And that for a spur is everywhere. Speaking of everywhere, we're going to listen to Theresa Monae now, saying that the Mary's national anthem and you've never

07:53

heard this or never heard that. Oh,

J Jimmy Carper 07:56

yeah, they're having the tree lighting ceremony to tonight at seven ish at Mary's.

B

Buddy Johnston 08:03

And if you're like the 69th person. No, I'm kidding. That's just one of my favorite numbers. Oh, if you're like the 15th person that can tie call us right now and tell us where they're having the tree lighting ceremony.

♂

08:18

That's a hard one.

B

Buddy Johnston 08:21

See your name? You'll be you'll get copy of this cassette. Yeah, along with Teresa's other music. So all you got to do is call us at 526 4000 or five to six KPFT and tell us where they're having the Christmas lighting and you could win this

♂

08:38

out to California. See what I could see. I said I was

B

Buddy Johnston 09:02

don't worry we're not going to play it. I just wanted to hear it. Oh this secret makes me feel like we're at a real radio station. We are in a real very hostage. This is real. No, I mean if we can just do what we want.

J

Jimmy Carper 09:23

Oh, in fact, this is more real than commercial radio stations because we do do what we want to do. It's not program we don't I mean, all those other stations nothing is spontaneous. It's everything is all planned out. Even what they say. I've

B

Buddy Johnston 09:39

got tons of music that I want to play me to that we

J

Jimmy Carper 09:43

get to what what the audience doesn't see is that in between we're all we're wrestling on the floor here. Now I want to play my no I'm gonna play my you know, but anyway, we do have a winner. We do. Yes. Steve and southwest Houston. When's that tape? It's it's that and the other side of it is another tune penned by Theresa called Best Friends. Steven southwest. He's real,

real pretty song. Teresa Monet. He's been on the show a couple of times local talent. Fun Fun woman. Yep. And she'll be back. Oh, yeah. And Steve, I'll be sending that out to you. Steve in southwest Houston sometime this week. You know how I am. You know, Wednesday,

B

Buddy Johnston 10:29

he'll get it. But the holidays to girl Oh, nails all screwed up. Yeah. You know, earlier we had a call from Keith who straight but listens to the show all the time. And he said that when we were on the rampage about gay and lesbian people not supporting themselves that we shouldn't forget that there are a lot of straight people who support us and we don't mean if it wasn't for the straight support. I had an HPV I certainly wouldn't be there. You bet. Because the gay and lesbian people certainly know. You know what I mean?

J

Jimmy Carper 11:00

I know. I know exactly what right my main extended family is straight

B

Buddy Johnston 11:06

if it weren't for the straight people that supported this program. It wouldn't be here because the gay and lesbian people don't support it like they should. And that

J

Jimmy Carper 11:18

this message that we we give out of standing on your own two feet. Of course we direct it to the gay and lesbian community but it's for everyone

B

Buddy Johnston 11:27

goes to everybody. And so does this he Oh.

J

Jimmy Carper 11:56

Good thing I'm not MTV because they would not play this. It is just so hot.

B

Buddy Johnston 12:06

Isn't that a crock too? I mean, MTV won't play the Madonna thing I went out and bought it as a protest. But the the soaps have people make it rolling around. I mean,

o

12:19

yeah, it's like that tape you play the blakney. heterosexuality is okay

B

Buddy Johnston 12:29

CDs and records. We're like, Oh, can we go home yet?

o

12:33

Wrong? Okay.

B

Buddy Johnston 12:37

We're still trying to get in the Christmas spirit. Oh, I'm in it. She's in it. Alright. We did get a call today. I've

J

Jimmy Carper 12:45

got 1800 lights on the outside of my house.

B

Buddy Johnston 12:48

And the and the charge cards are flowing.

J

Jimmy Carper 12:53

Looks like Times Square out there. I really all lit up. Yeah. Yeah. I like doing that. I really enjoy doing that I've created through the years we've just created our own traditions. You have to do that.

B

Buddy Johnston 13:11

What maybe

♂

13:17

100 likes I do 18 Probably why your neighbors probably aren't getting a lot of sleep honey but living next

B

Buddy Johnston 13:27

year cheap hotel.

♂

13:28

It's unbelievable because

B

Buddy Johnston 13:31

the lights in the car doors all night.

J

Jimmy Carper 13:34

I know I love this weather because we have electric heaters up in the bedrooms. And when we have the lights on outside the house for Christmas. We can't turn on the heaters or we blow fuses it's incredible.

B

Buddy Johnston 13:47

Girl It's It's 80 degrees you don't need

J

Jimmy Carper 13:49

I know that's it has to stay that way. Or we freeze because we can't turn on the heaters and the lights at the same time box those heaters up in Santa

B

Buddy Johnston 13:57

Minnesota.

J

Jimmy Carper 14:02

I just I just get into it. I really enjoy it without further religious overtones. But it's we were talking about this earlier what what I enjoy about this season is I do take the time out to think about people that I've known over the year or over the year. Just give a thought to people that have meant something in my life. That's the important part of it for me.

B

Buddy Johnston 14:27

I look at my little black book and all the lovers that I've scratched out over the year. That'll keep you busy for a couple of months. Well, Brian quota you

Ω

14:39

I told him, I told Jim earlier it's Tuesday. And that's yeah, it's just a Tuesday. Oh, I

B

Buddy Johnston 14:47

know what you mean. I'll be at work.

Ω

14:49

I'll be at work.

B

Buddy Johnston 14:50

I have to work Christmas day

Ω

14:52

I'll be spending Christmas dinner Christmas Day with about 200 of my closest friends. Oh At Work well this No, I go to over to lambda center for Christmas. It is nice. It's wonderful before you go to work you mean it'll be at noon I'll do it for lunch.

B

Buddy Johnston 15:12

But we're having a Christmas dinner at work sort of thing. Everybody brings a covered dish that's very nice and I've forced them to draw we're going to draw names Tuesday and exchange gifts I'm gonna give them that horseshoe paper mache bird

J Jimmy Carper 15:31

might not get all that support anymore after that

B Buddy Johnston 15:36

and he have the night

J Jimmy Carper 15:39

yeah blues for you coming up at four o clock. Kathleen and Terry the Barefoot blues broad

B Buddy Johnston 15:46

and they may be oh,

J Jimmy Carper 15:48

what they're going to do this is kind of exciting and I it's something I've not heard. Kathleen says she has a version of Silent Night the most beautiful version she's ever heard done by the temptations. So stay tuned for that

B Buddy Johnston 16:04

girl you've got to change that machine I can't stand

J Jimmy Carper 16:09

my annual Christmas message and it's just to screen it's awful isn't it's singing dogs call it and

B Buddy Johnston 16:25

listen to this

16:54

Merry Christmas from the beep you know what to do?

B Buddy Johnston 17:01

Yeah, hang up yeah, you change the message. Awful Frank.

J Jimmy Carper 17:10

Yeah, you call me three or four times a day and get that and I guess it's kind of well last last. Let's say I think the first time I did that. I had Diana Ross and the Supremes doing something really awful. I don't know. I like to do irritating things like irritating Now Frank, let's call

B Buddy Johnston 17:31

your house and listen to your message Well, here we

17:38

are. Another Saturday night

B Buddy Johnston 17:40

and I got no body. Mind money. I got money. No bada good what? What are we gonna do now?

J Jimmy Carper 17:55

How about what? What do y'all feel about New Years to for me New Year's is just Tuesday. off New Year. It's never been a big event for me New Year's Eve or New Year's Day

B Buddy Johnston 18:08

have enough seniority that I could have been and got off any of the holidays. Yeah, I figure I'll work Christmas and Thanksgiving and all those days because it's because kids should be with their families now really? Well, that's true. Money is nice, too. But I get that either way. But and get nobody to spend it with anyway.

J Jimmy Carper 18:30

Well, you know, I remember

B Buddy Johnston 18:34

seven, six Daddy

J Jimmy Carper 18:36

that in like, hospitals or other places that have to be open on holidays, that Jewish employees would work so that that Christian employees could be off to spend that holiday and I always thought that was really nice. That's nice. Yeah.

18:59

Yeah, I'm taking off a week starting January 1, actually six days and going where? Nowhere. I'm staying here. But I need it after this. You know, Christmas holiday. It's just hectic

19:11

and why you're not doing anything. No,

19:13

I mean, it's work. It's Oh, very hectic, a boy.

19:16

I'll bet it is.

19:18

So we'll be finished. And I'll Jelena

19:21

19:23

Jimmy Carper 19:26

1 may go to the moment team.

19:36

Have you seen Dances with Wolves? Not Yeah, you need to go see it. Have you seen it?

Jimmy Carper 19:40

Buddy Johnston 19:44

three about three hours? Doesn't seem like three hours. Pretty mystery. That's my life story. Is that on now?

19:53

Misery, horrible. I mean, it's not a horrible film, but it's a gruesome film. Did you see it? I've heard I've heard Read reviews. It's pretty

Buddy Johnston 20:03

well what are we gonna do now? Girl you gotta kill 20 minutes

Jimmy Carper 20:06

while we're talking about the holiday. Well,

Buddy Johnston 20:09

this is a song called What's it called? Ode to Joy Angels we have heard on high, but it's from an album that I really really do love New England Christmas tide. And I liked it I like it so what the hell it's our show and we're gonna listen to us and we're gonna sit here and talk about what we're gonna do next girl sounds like a banjo it is but listen how the New England listen to this and see if you like it. Okay. Are you listening?

20:36

Okay

Jimmy Carper 20:39

J Jimmy Carper 20:59

B Buddy Johnston 20:46

Okay, 13 minutes to go. Sorry, girl. I'm just not.

∅ 20:52

I can tell you're really over it. Yeah, well,

B Buddy Johnston 20:56

I'd like to take phone calls. But we can't take phone calls because somebody will call up and say something asinine. And then we'll get in trouble with the

J Jimmy Carper 21:03

FCC. They've already done it several times this evening.

B Buddy Johnston 21:06

No, I mean on the air. Put them on the Yeah.

J Jimmy Carper 21:12

Well, that's the end of the two paces coke. Well

∅ 21:25

J Jimmy Carper 21:30

Oh, that was awful. Do you mind if I finish the show from the control room? side here. Whoa. That's terrible. We have a lot of good music. Well, we're not gonna play I can tell. I'm trying to force it on you and you're not you're

B Buddy Johnston 21:49

not biting here. I hate it too. When you're doing you know what and my grabs the back of your head like you don't know what and tries to force it on you. You know what I'm talking about Frank got

∅ 21:59
to do with

B Buddy Johnston 22:03

∅ 22:04
That hateful. That's hateful.

B Buddy Johnston 22:07
Well, are they and they ask you? Are you a practicing homosexual? No girl. I've got it down pat down at the ground after they figured it out. years ago.

J Jimmy Carper 22:17
years and years and years ago. Trust me on this.

B Buddy Johnston 22:21
Well, God there's so much going on today though, for real.

J Jimmy Carper 22:25
I know. I've got to the once the show's over. I've got to really crash because I've got 400 places to be at once.

B Buddy Johnston 22:32
I'm gonna go to the lighting of the Mary's Christmas tree tonight.

J Jimmy Carper 22:37

AT SIX O'CLOCK, actually at seven I think

♂

22:40

J

Jimmy Carper 22:43

I believe it says whatever. Six Seven. Well, six if you want to get a good seat. Come early stay late rule turn a stool over and

B

Buddy Johnston 22:55

girl. It was funny to grow up coming back from the Montreux singers concert tonight. Stanley rode along with this since he's here in town. And we were like, girl she's doing girl she and girl and of course we knew what we were talking about. And Stanley was like, What the hell are y'all?

♂

23:14

He she who?

J

Jimmy Carper 23:17

Sadly really well he's gotten used to when we first met he he he was just over that and now every once in a while he's he uses it. Oh girl

B

Buddy Johnston 23:32

Stanley

J

Jimmy Carper 23:35

for Stanley. Well, he'll be here through Wednesday. Then he goes back up to Seattle. We should bring Stanley down here some time. He'd be a zombie. He goes to bed at 10 o'clock.

B

Buddy Johnston 23:46

Surely he would stay up just once. It's tough being his lover

...

.. ^ ^ ^ ^

J Jimmy Carper 23:53

How would you know girl and wait a minute there. He told me he was going to Seattle. He's going to your house. Is that

B Buddy Johnston 24:03

♂ 24:12

J Jimmy Carper 24:22

Oh really? I've already plugged your temptations number Well, I

B Buddy Johnston 24:31

want to say have a big match. When you finish you can play

♂ 24:35

this Hanukkah tape.

J Jimmy Carper 24:36

Hey, that's a new get a good tape. See that?

♂ 24:45

There are only eight songs on Well, yeah, and I've never heard well, there's

♂ 24:49

only eight nights. Oh, that's true

24:51

two nights. And this is one of them is what's Monica

Buddy Johnston 24:55

all about them?

Jimmy Carper 24:56

Stanley told me and it was really strange. It was um Something About people were stranded. And somewhere being besieged by Romans or somebody, and they only had enough oil to light their lamps for one night, but the last one day, but this miracle occurred and it lasted for eight days.

25:22

So this is a feast and celebrate Yeah.

25:25

Yeah. The miracle

25:26

and they celebrate it in the same way Christian Christmas by gift. And it's mostly children. Yeah,

25:33

a gift today. Isn't

25:34

that nice day? Yeah, that's even better.

Buddy Johnston 25:37

Gold cleans chocolate coins?

25:40

Well, I don't know. Well, I'd want the real gold. No, that's right.

25:45

That's maybe a few children sit. Listen up his voice or springs till noon

Buddy Johnston 25:58

in when miracles came through, you can't hear us talking about these were the days back then.
Can they come true Okay, girl,

J Jimmy Carper 26:14

that's nice. Yeah, that's nice. Oh, number eight is what what? On that really? Number eight is what? The Montrose singer sang tonight. Really? Yeah. Because they sang all sorts of it was more like a at end of the year Solstice type thing because it's more Yeah, they did Christian music. They did Hanukkah music. They did pagan music. They did traditional stuff and brand new stuff. It was a great great mix.

26:49

Well this

B Buddy Johnston 26:50

is about the time in the program where we go What the hell are we doing here on a Saturday night again? Gotta

J Jimmy Carper 26:59

tell us tell us in great gory detail

B Buddy Johnston 27:06

tell you and tell you every throbbing moment

27:09

yes.

B

Buddy Johnston 27:10

Yeah the FCC won't let us

J

Jimmy Carper 27:12

well if you if you do then. Like Kathleen will be able to go home because the whole station will be canceled. Play we were just talking about that.

♂

27:27

That's great.

♂

27:29

What is it? Let me see.

B

Buddy Johnston 27:32

Oh, girl.

J

Jimmy Carper 27:34

I'm gonna stay too bad. Doesn't that sound good? Kind of takes your breath away. Yeah.

B

Buddy Johnston 27:49

And we're all adults. Except for you children. We're trying to recruit right? How we queers are just out recruiting kid. Yeah. Oh, my. Although the day your board should go over the day your son showed up in that that army outfit. Oh,

♂

28:11

yeah, boy, howdy.

B

Buddy Johnston 28:17

Who's that? Who's that? I said, That's Kathleen Sunday. We're going to go okay.

28:22

No touchy.

Buddy Johnston 28:23

Funny to talking about. Ooh, okay. We've got all these hostages and President Bush's swishing around like a little Benny Han. And the Russians have got like 3030 300 prisoners and you know, Russia decides to hell with this and he calls over and, hey, we're gonna come get off people if you don't let them go. And you know, Saddam Hussein said, Hey, okay, here they come. You know, he'd been calling threatened and all kinds of stuff. Nothing happened with the Soviet Union caller would say hey, we're coming after our folks. Okay, you're right. And bush. You know, it's

29:03

been interesting about that. What in the last week? No, really in the last week. The price of crude has gone down to \$23 a barrel. But I haven't seen the prices of gasoline at the pump decrease. Oh, they're not you know, as soon as it went up, we had an immediate increase. Now that it's it's down again, guys, where's the decrease? You know, I'm,

29:28

I'm just, this is this is all for oil. All.

Buddy Johnston 29:32

It truly is. Anyway, blues for you coming up in about 10 minutes, and I lied. I'll give you a Christmas present. Oh, how's that? Okay. And we'll also give you something else if you're the 15th caller to call in and tell us who won that album. What was his name again? Steve in southwest Houston. If you can tell us who won that. Yeah. What did he win?

J Jimmy Carper 29:55

He wanted a cassette tape. Oh, I'm on a key one, that cassette

Buddy Johnston 29:59
