Here at After Hours, we may be diverse, but we have one thing in common. We are all out of the closet and urge everyone to come out of their closets. That means standing up for yourself, taking responsibility for your own life and being proud of who you are. Realistically, we know not everyone can do that because of a job or frame of mind. That's okay. We're here for you too. So sit back, relax, and enjoy this week's edition of After Hours.

[J] Jimmy Carper 02:03

Hello, Houston, it's Jimmy with After Hours and Gigi and-.

[G] Gigi 02:11

It's Jimmy with no hair and those teeth are only his because he paid for them.

[J] Jimmy Carper 02:14

Hey, at least my hair is a color found in nature.

[G] Gigi 02:19

Yeah, so as mine, it might be. It might be a Sasquatch up there in Washington, but it's found in nature. I haven't exactly found him yet. But I've seen pictures in the Enquirer.

J Jimmy Carper 02:29

Oh, brother. Lance getting longer. It is it is.

G Gigi 02:34

And rad. You look like you've been in the sun? Have you been in that nudist beach again?

J Jimmy Carper 02:39

Not lately, but you've got your own Nudist Beach going on? Don't shoot. Yes. In my house in the backyard. Right, right. He's got a new house with lots of yard. Yes, half an acre.

G Gigi 02:52

I like to find a man with lots of yard. I have that baby.

J Jimmy Carper 03:00

So what are we doing tonight gang?

G Gigi 03:02

Oh, it's a wild night. I hate this time chain. I know we only have two hours, two hours and there's too much to cram into two hours. So I've been getting nagged everywhere I can't. I'm going out in public and getting back for the husband hunt.

J Jimmy Carper 03:14

Now what's up with this? No, just just talking to the round thing.

G Gigi 03:18

I know. I'll just I'll eat the damn thing. So I'm getting I'm getting nagged for the husband hunt. So I see eight and a half minutes of my segment are already gone. So I have to race through I can't believe this crap. So anyway, so I brought in Dr. Rob the love doctor. Yeah, Dr. Rob is here. Exactly. So he's going to help me try and get somebody all hooked up. And and then that'll go on to one o'clock then at one o'clock Gigi will take over and all sorts of insanity will ensue.

J

Jimmy Carper 03:48

GG and BiNet. So what's going on with the bisexual folks tonight? Well, tonight we've got a couple of pagans with it. Oh, real pagan. Yes. Wow. Talk to Omer. Yeah. And interview and find out what real pagan. It's all about real paganism from the druid perspective. Oh, that's cool. And And how fitting at this time of year.

G

Gigi 04:13

Right isn't Beltane coming up? Isn't that good?

J

Jimmy Carper 04:16

It certainly is. Hey, okay.

G

Gigi 04:20

That like belt strap.

J

Jimmy Carper 04:22

Belt buckle don't get all excited now. It's ritual celebration.

G

Gigi 04:27

He said coming up, I would say coming off.

J

Jimmy Carper 04:29

Well, around the corner comes to maple and oh, yeah, that's right. Yeah, like tadpole central kind of thing. Yeah, yeah. Oh, cool. Okay, that'll be in the one o'clock hour. And then at two o'clock, it magically becomes three o'clock and Jimmy says that's it.

G

Gigi 04:48

That's when Jimmy will take over that'll be his second. It'll be it's Jimmy has a delightful segment on hair weaving tonight. He put this together. He's put this together because he convinced the guy who does his weave that he would get some promotion out of it and he got his we've tightened free this week. If he would put him on the air/

J

Jimmy Carper 05:12

.....

Get you girl. I got more hair on my head then you've got on your whole body.

G Gigi 05:16

Well and this is true. Thank God for that husband's money or you never would have been able to afford. No it. Oh 10 and a half minutes are gone. Get that get the hell out of here.

Jimmy Carper 05:26

Oh 5257385 years wasn't told me. Hanting boys. Oh, and one thing sometime tonight I want to squeeze in another another thing of Spock sodomy party. You heard it here first? Well, actually, you probably didn't hear it here first. But we've got it Spock sodomy party. We'll be playing that later on in the evening again. Do you know what that is?

G

Gigi 05:51

No, I have no clue.

1

Jimmy Carper 05:53

Some guys sat around and pulled little excerpts from Star Trek episodes, and put them all together. So it sounds like Mr. Spock and Captain Kirk are having sex together.

G

Gigi 06:04

You know, I was flipping through the channels this very evening. And I'll make this brief because 11 minutes and 15 seconds of my segment are gone. I was watching Star Trek earlier this evening. Flipping through the channel I don't even really watch us flipping through the channel. And there were these two girls making out. Cool on Star Trek. Have you seen that one they had like little. That's for the straight guy round markings all around like this episode, and they were making out I was flipping through. And here's these two women just going at it. Oh, so we will be back shortly right after we're gonna come back 5265738526 KPFT You can call in and we'll try to find your husband. And if you don't get it, if we don't get you hooked up on a date. I'll go out with you. Speaking of God began going out with me last night. One of our listeners, one of our Facebook followers tracked me down now How could he have ever done that? Knowing that?

Jimmy Carper 07:01

He went to energy, right?

G

Gigi 07:03

Yeah. So he went into energy and he found me. And we had I don't think he was ready for me. But well, because he didn't come home with me got on it. But I tried like he missed the big flight.

J Jimmy Carper 07:16

He kept trying.

G Gigi 07:19

Yeah, security. So anyway, we will be back right after this special dedication going out to my friend Mark who tracked me down to the energy last night a little something for you from Sandra. Oh, so anyway, speaking of editing, oops. I tell you what a wild night. It's gonna be in here tonight. I can already tell. And you know what's funny is I told Rob at the house, I said, Oh, we can't play that track because she says the F word in it. You were talking? What are we talking talking about the old tape. I mean, come on. Let's see. Sandra Bernhard. By the way. I was kind of checked out a little bit for that pride fest. You know, we did that pride fest out there on the streets during Pride Week. And listen to what Senator Bernhard won. First of all, it's not bad enough that she wants to \$15,000 which is okay, that's fine. That's fine. Seven first class air tickets. Hello. Hello. I think I could bring Madonna in for \$15,000.07 First Class air tickets. I'm not quite sure. But I think it could happen. So 5265738526 KPFT. And we will do this little husband hunt thing. So what do I want to talk about while we're waiting on people to call in and and beg for dates? Let's see. fan mail from prison. A lot of my again again, a lot of a lot of my fan mail now is is coming from prison. That's exciting. And did you know that Boy George is DJing now? Yeah, as a matter of fact, she did when he told me. That's right. Read in some London magazine there that he actually was, you know, spent a lot of time studying and some of the stuff that he's doing is getting some critical acclaim. In fact, he just had a compilation this that came out a while back called Pop Tarts which I think we've got in the house tonight. In the background right now as we speak. Yeah. And what is that noise? Jimmy close your legs. Is Jimmy and what is up with that? I think it's because I have my headphones on too loud. Well, you know that's what happens when you're wearing you know name headphones this whole time faster. You know, Jimmy brought these headphones on where he got these at Walgreens they were on special. And speaking of special. Speaking of special, oh, you know what I wanted to talk about before I see where I have a couple lines flash and you can get it on the hunt. 5265738526 KPFT 976 slot it. They'll be given your home number out. Okay? That's gotten me in enough trouble. 15 year olds call him at the house. Can I come over? Will you come get me I'll be climbing out of the second story window. Oh God, no, no. I know 526-573-8526 KPFT special shout out to Sam get more hanging out in the you know, I'm lily white and so I look really stupid. But I'm hanging out a lot in you know, with the Hispanic community and stuff. And I'm learning. I'm Hispanic verbs I might use. Hey, watch it. I'm Hispanic by injection. So yeah, so it's bad but true. So anyway, shout outs is how you like say hello to for our white listeners. Shout outs is like you're saying hey, what's up to your friends? So I have sinned? Shout out to Aang have tu tu tu Marcos to Todd Sims? How's life in prison? Hon. To Alex over at energy long hair, Alex to semi the psychic. The whole group to Monica the money holder. All those people.

J Jimmy Carper 11:21

Speaking of psychics. You had a reading from just with Molina Not.

G

Gigi 11:26

Yes, I did. Very interesting. He probed me pretty deeply net, which is not unusual for him. Here. I don't remember that. Backup, rewind. Stop, rewind, stop play. How does that stuff turn out? I mean was was it pretty dead on or? Well, he told me that I shouldn't be sleeping with my ex lover, which I haven't I had just before then. And I have as a matter of fact, he called me today and you know I didn't see him or anything so because he said I you know got to hurt by him or something. What else did he say? Oh, he also said a business venture that I was going to be involved in a new business venture and that it would be very profitable. And I have become involved in the new business venture it is yet to become very profitable. But I have my fingers crossed. So 5265738526 KPFT and we're going to do a little husband hunt and let's I want to see him he has I want to do his of course on his of course on his CD he does his own music. Let's play a little bit of Boy George same thing in reverse we'll come right back and we'll get this husband madness started Alright, make fun of me all you want.

J

Jimmy Carper 12:51

Now Scott, block off

G

Gigi 12:55

I want another one of these little coffees. These are good. Rugs made for iced coffee. Have you ever had ice an Iced Cappuccino or whatever? Let you have the coffee that was it prepared by Hispanic boy at the shop? I now want to know what's up with this. People even to the point of coming up to me and clubs. People nag me for the husband hunt and I haven't done it in a while because I thought it was getting lame and tired. People I mean just nagging. And now where the hell are they? Where are they? And Patrick Han? We appreciate you listening. But this guy Patrick he's called four times. God love him. He just is lover. He just he just dumped his lover his lover dumped him.

J

Jimmy Carper 13:39

It's not the chat line sweetie.

G

Gigi 13:41

Right? So these calls will appear on your phone bill. Honey, I'm not cheap. 499 a minute Deonte cheaper. Did I tell you I got a pair of pumps from Dionne Warwick in the mail this week.

J

Jimmy Carper 13:51

You already thinking about Halloween.

G Gigi 13:55

Five to 657385 are bigger than yours five to 657385 to six KPFT. You know it's funny as I showed these poems to people, and they said honey these are the orphans. She borrowed these from somebody. These are not her. I said but look I showed them the box I said look these came from Dionne Warwick. They said grow we're not saying they do more. We didn't send them to you. We're saying that they were never on her feet. George Foreman has smaller feet and Dionne Warwick they told me so, you know I'm doing pumped up on art, which is a big benefit to help pay for pride Fest and all the money goes to from Pride fest goes to the six different charities I think three of them are HIV related a women's charity, Hispanic aids organizations 20. Something was a big factor last year in CCR so and what we do is we take high heel pumps from celebrity women they autograph on one is auctioned off as it is just an autographed high heeled shoe. The other ones turned into a piece of art by local artists to reflect who the person is as a celebrity in a positive fashion. And that's auctioned off as well. And I have shoes from Martha wash and drogyny Michael M that I could be this could be that the Pointer Sisters I understand have agreed to-.

J Jimmy Carper 15:13

I didn't say yet.

G Gigi 15:14

Oh, that's the the pointer. Sisters have agreed to-. That's hateful that's hateful, hateful, hateful. The allegedly, Pointer Sisters have agreed to donate some pubs. Dionne Warwick sent but beautiful silver satin with little be dazzled with rhinestones. I guess she got her little bit dazzle her out. And so that's exciting. 526573852 6k PFT Listen, I know if you're sitting at home on a Saturday night Listen to me honey, you need a man. And if you don't you need me for you. Well faster where's Michael lybarger When you need or God lover? You know and I want to do before we leave Rob Don't let me forget to do a little something for our friend Darren. Definitely. Anyway, none of all these calls holding and none of them are for me. Why don't we do this spots sodomy parties. I think we should. Yeah, that's already queued up and ready to go. Some DJs got together and did all they did a couple of hits. Star Trek they did a couple of hits to x and this is what happened.

J Jimmy Carper 16:33

They come over to my house and just allow me till I can't stand it anymore. I think that that would really show him. I know it would show me anyway. Where was I going with that? What do you read? When you were funny? I'm always a honey. I'm always ready. Am I ready for John? I bet we're gonna do this now. Let's do it. Stick it in 5265738526 KPFT. John, are you there?
