All volunteer but we have people out there that that you know, write these things down. Then probably the high point of the evening. We, James and I, me, me, me. We'll get together and we may we may sing for you tonight live. probably send the airwaves off.

03:51

We have not rehearsed this at all.

03:54

No, we have to be fine. We have we're going to do a rewritten version of the Macarena. It's rewritten to you'll love it. Am I say oh, and we have some Martha Stewart. So bravo. And a few things like that. Some hot music. Yeah. Stuff like that. And we have requests already. Cheerio Castro cowboy. Yeah, wonderful things in San Antonio. As a matter of fact, as a matter of fact, as

04:25

I get that thing in there. As a matter of fact,

04:29

thank you. wasn't as good for us. It was for me. Yeah, sure.

04:34

Fast.

04:36

You're quick. Yeah, well, hey, too quick.

But that's okay. But my calls. He was here a couple of weeks ago and I wanted him on the show but he Yeah, got a hold of something that made his stomach upset.

05:05

Oh. Oh, I see. Damn

05:12

exactly what it was he thinks it was Mexican food but I you know,

05:17

could you spend How I wish? Well,

05:22

I told him I was hoping it wasn't one of our Texas guys who went I got an email right back, right.

05:31

You know what, what? As you will know before when we were listening to the the lead in song just sounded like way too mellow. It sounds like there's young 102 Now that you farts are all asleep. I just told you me. We got to wake your butt.

05:49

05:45

Read your butts up.

05:51

Something really exciting.

05:53

What am I going to tell you what we did? Oh, what do we put that last song you heard is from a man named Ellis Paul who probably is not gay. But the name of the song is? Well, okay. It he did a song called she loves a girl. And he's talking about an ex girlfriend that he still really cares about who is now a lesbian and who is has found the woman of her dreams so well. Isn't that and how he feels about it. I send it you know when he realizes that love is love. Before that we had our group or a man named Kahn it was kind of electronic music there. And the name of the album CD is one 900 Get con K h a n and look at that album cover would you say that this is probably

06:42

a head con yes that turned it over I am now oh if that's like a music I don't know what he got it. Okay, honey Cami. Oh, baby.

06:52

Now the Oh, the woman.

06:55

Oh, oh, no, that's good.

06:59

But yeah, woman singing is Julie Cruz. Okay, yes. Who was probably no need

07:04

we need to do something epi because this is getting like pillow.

07:08

Oh, wow. This is an oldie but goodie, I still get requests for it all the time. We're going to do that

and I've got a couple little things to do you got

07:19

a few things I got a few more chat after this. Yeah, little chatty, we just want to get people woke up. Oh, well, this is a free app, but in case they need to get over it and then have their cigarette while they listen to. Or whatever. I see. This is something that will wait. You want to be as good for them as it is for us.

07:36

This is old eraser

07:38

old ramshaw. We love all the ratio. Okay, go for big boy

07:41

and it's they're doing a cover of an ABA.

07:45

I want to we're gonna shout this out to Brian and

07:49

Hey, Brian, this is for you, honey. Oh, this is for Brian. Yes, this is for Brian. Okay. And you're hearing it on after hours queer radio with attitude. We are the sound of Texas

08:12

ripping off almost did that

08:19

yes, that was wow, we're having people show up. Oh, it's like today's Yeah, it's certainly today show today. Not Yeah, I believe so. And that was no signs yet. What was he coming in or what?

08:36

Nobody know.

08:38

I don't know. JJ is out there. In his wheelchair. She I guess he's coming in I don't know. No. Anyway, that was that was eraser. Gimme gimme gimme a man after midnight and

08:50

thank you Jesus. Minimum Gu and we dedicated that to Brian didn't probably out the pumpkin patch now.

09:01

Anyway, get a nice big fat we're 90. Oh, God. Good to know what what

09:10

I've learned a lot. This week. Yes. From the pet manual. Pet manual. Yes. There are dog property laws. I didn't know that. Yes, there are. Yes. Dogs aren't see I was trying to understand a dog. My dog your dog? I have a dog. i Oh, yeah. Oh, yeah. And we were looking to understand this and so I'm reading this thing to find out why a fixed girl dog humping your leg? And I found out has nothing to do with sex. It's about domination. Is it? Yeah, so I read on people that

09:47

hump you are trying out domino dogs. Oh.

09:51

You may be trying to dominate you. I don't know about that. I'm not sure who's on the other end of your hump. But anyway. But there are fabulous I was and it goes something like, if I like it, it's mine. Yes. That's the one other things if it's in my mouth, it's mine. Which is yes, some of the people that you're humping me. And if I can take it from you, it's mine. Oh, and if I had a little while ago, it's fine. If it's mine, it must never appeared to be yours in any way. Yeah, and if I'm chewing up something, all the pieces are mine. Yes. And if it just looks like it's mine, it's mine. If I saw it first it's mine. And if you're playing with something and you put it down it's automatically becomes mine if it's broken into yours. I read this and now that very little thing, dogs yet that's that's how they think that's how they think. So we're trying to help our readers understand. Well, listeners, readers, listeners, whatever, so they may read us, but they may read me. Yes, I made that video. They'd see you naked right now. But they

11:07

hold this thing up to the mic. Yes. After some

11:09

thought. What? We have the right research staff. Yes. Psychologists, anthropologists. All kinds of people. Wow, you've had Oh, we have Miri rally Yes. Of 1000s. have put together that how dogs are like ex boyfriend. Oh, okay. So if you continue reading on and you really look at this fertile animal and there's a lot of pet lovers out there. Yeah, well, dogs like ex boyfriends. Both take up too much space in bed. You're both have irrational fears about vacuuming and cleaning. Both mark their territory. Neither tells you what's bothering them. The smaller ones tend to be more nervous. Oh, both have an inordinate fascination with men's crotch. It's probably why they're excellent. Yeah, neither do dishes. They're both fart shamelessly. Yeah. Neither of them notice when you get a haircut, both like dominance games. And both are suspicious of the postman. And neither understands what you see in cats. So this is like books you can like glean out these wonderful little things. Little thing yet, as we call them. I like that. Yeah, I think that's that's pretty clever. So anyway, um, oh, let me give you a couple of hot bumper stickers. We've had our group Oh, listen, I've got some all they do is, is do the 610

12:43

Listen, I think we ought to do a piece of music before we do the bumpers. Because that's gonna that's we're gonna be here for a while doing bumper stickers. guy got a bunch to Oh, good.

12:53

Well, and I still have to tell you about Yeah. The top 10 reasons why dogs are better than a lover. Oh, so do you have the cowboy thing I have

13:01

for I have Charlie here. I've got just Yes, I hear what now. Now. This is. This is for Peter. Here. He wrote it.

13:09

I wrote it. I'm probably the only one that can read it. There. It is for Peter. Today when I called you today when I called your heart because

13:19

today when I called your hard good. There was nobody home. There was nobody is crying in your beer music crying.

13:27

Right from the good old cast. Right Charlie?

13:31

Hello. And look at this guy. Isn't he a cutie? Well,

13:35

yeah, he can eat crackers on my bed

13:37

and among other things,

13:41

as well, that's your bed.

13:45

Yes, Charlie Pacheco, he AC Heo on his brand new album. Here come the blues. In fact, this really isn't even out yet. I've got like one of the old Castro. Yeah. Yeah, when the special copy

14:00

was sent to me. Well, we'll hit that button and let's do radio. Right off the bat. You're able to Lullaby and Fran That's right.

14:21

Whoa, whoa, too good. Too good. Yeah, there's like there's two other songs on here. I really, really like to explain it to my heart. And shame. Shame on me.

14:31

We did one of those last week. We did both

14:33

of these times last week. And we're probably going to do them again because

14:38

I like them. We win, like we do on babies

14:42

over and over again. Calling your hotline and we play the music a lot too. And we did.

14:48

Yes. So anyway, as I was telling you, the top 10 reasons why a dog is better than your lover. Oh, yes. And since I'm not gonna go there. But anyway, the top 10 reasons why a dog is better than your lover. Dogs parents will never visit you. Your dog loves you when you leave your clothes on the floor. And dog limits it's time in the bathroom to quick drink. Dog never expects you to telephone. A dog when I get mad at you if you forget its birthday. A dog does not care about the previous dogs in your life. Boy, that's important. A dog does not get mad at you if an if you pet another dog who never expects flowers on Valentine's Day. Oh, that's a good one. And the lady you are the happy is to see you.

15:44

Oh, that's that's very important.

15:46

And finally, a dog doesn't shop. Oh, boy, that's one for you just love their

15:56

wax up.

15:59

Well, no, you know. So you had for?

16:03

Let's see, there's a couple other things I wanted to. Oh, well. Some almost serious stuff. Oh,

God.

16:11

Here we go. Yeah, what kind of serious stuff?

16:14

Well, hache is having their prom. Well, that's not.

16:17

I thought you meant like, oh, here we go. Again, another one of these. Whatever. So that's,

16:23

yeah, that's what I got newsy stuff. They're having their prom and it's going to be eight o'clock pm June the 19th. And we're sure that we're saying this early because you know, it takes time to get ready. You know, you got drowned. And all that. So looking.

16:43

Wow.

16:47

Yeah, well, I've seen a lot of drag queens on top. Anyway,

16:52

there's not going there. I'm not going there.

16:55

They're also looking for sponsorships. Oh, they know people to donate money because this is a big fundraiser for them as well as being the prom that a lot of the young folks that hatch probably can't go to, you know, with the same sex sex partner. It's also open for anyone else. Oh, really?

17:19

Yes. Which that could be my date. No. Okay. Well, that's first turned down ever got for a prom.

17:26

Oh, so if you'd like to sponsor it, you know, you can do that too. And the number is 713-942-7002 is the number for Hatch. Cool. Isn't that cool?

17:41

It's good. Oh,

17:42

I gotta say this. Well, I said it last week. And you know, this is I'm gonna say it like every week for a long maybe I'm gonna say it like at the end of the show, because that's a really good time to say this is a quote from Bill Maher.

17:56

But we like politically correct Bill Maher? And he

17:59

says of all of the sexual perversions in the world. Abstinence is the weirdest

18:11

you are doing

18:12

isn't that wonderful?

18:15

That you're gonna give us up from love that love whatever line? Oh, god. Yeah.

18:24

I've got some other goodie things here. Yeah, yeah, there's some. There's some Shall we shall we? There triangles looking for so someone to work there. Oh, really? Yeah. And Donna

we? There triangles looking for so someone to work there. Oh, really? Yeah. And Donna Garrett's got her book of poetry out. Oh, yeah. We'll be talking about that.

18:44

Should we sing our little song? Oh, God.

18:47

It's really just

18:48

we could do this. We have yet this. This is unreal. We have words. Oh, yeah.

18:54

One set? Yeah. Ah, I see. So I have got to move over there to your mic.

18:59

Well, no, we can. Well, we could. We could do this. Okay. Now, one of our great profound research again, artists Yes. And it was also musician. Oh, yeah. And we'll probably be playing them on the show. One of these days God only knows they have taken some of your favorite songs, which we may be hearing throughout the course of the show. And rewritten some of your old time favorites

19:25

and we're going to be singing these

19:26

we may be singing a few of these. Yes, this would be once you are all thank God has fallen away from the My good Aina Yes. Which we overdid till I thought I was gonna die every bar when I heard that thing. I thought I was about to shoot somebody. Yes. But it's been a way now for a while, so maybe this would be good. Okay. Well, one of my friends, right? Well, one of these people, one of these babe wrote rewrote the word rewrote the word and it's better than the first one. Well, I

19:52

... ..

see that. Yeah. Okay, now it's assembling. Now that we really

20:00

So everybody remembers this is like one of these little Mexican songs. Okay, okay, sitting in my house and I know that I'm Alona feeling kinda Hardy jingle in my Bona go into the one with Sharon Stone. Hey pastor beta.
