That's okay, we're here for you too. So sit back, relax, and enjoy this week's edition of after hours. Hello, Houston and college station and welcome to after hours, queer radio with attitude. This is the October 12 Slash 13th edition. I'm Jimmy Carper. I'll be your producer for the evening. Few things before we we get into it all. First of all the music you heard new music, new music Dennis Hensley from his new CD called the water's fine. That was called the water's fine. Hey, titled cut, that it's kind of like kind of like a nice opening again, coming out song except he doesn't use the pronouns, you know, matter? It does. It does. He just says that you you you think that kind of gender nonspecific that, you know, 15 years ago, I looked for everywhere. And now it's like, oh, yeah, use the same pronoun. Screw it. Anyway, before that, we had Kristie Ray, local woman from her brand new CD called second draft that was called Gulf of Mexico. And she creates interest wherever she goes. She played at the Houston women's festival. Oh, yeah. Oh, yeah. She, you know, first time I heard her was at I've told the story so many times. But you know, first time I ever saw her was that diverse works. And she was opening for somebody. And she took that today. She's little teeny, tiny, little thing short and skinny. And she came out there and she started singing. And to tell you the truth. I don't know what the main act was. But I remember her. Ann Roark was pretty interested in this too. So we may be able to get her on in the afternoons here. Oh, that would be Yeah, that would really be good. I wanted to say hello to all my MBBS out there, especially at the Nubian Prince and somebody new, who has written that green eyed devil who sent me a terrific terrific letter with a couple of really funny jokes in it. And of course, the regulars Jr, which I hope to see soon, right here at the KPFT studios. And Daniel and Paul and a couple of Randy's out there and Wilson and Michael and of course, the team man who is residing right now downtown Houston.

S

Sarah DePalma 04:53

Residing that's a very polite way to put it. Yeah. Politically Correct. Yeah, a

J

Jimmy Carper 05:00

couple of things are one of you, of course, the sound that you're hearing. The other voice you're hearing is Sarah DePalma. This is transgender night

S

Sarah DePalma 05:08

Hello Houston. How the hell are you?

J

Jimmy Carper 05:11

It's also membership drive. And, you know, I like to be able to just open up the show and say, okay, the number is 7135265738526 KPFT. Give us a call, give us your pledge, and then we'll go on with the show. So let me do that and see if it happens. Golf happens then, you know, hey, we don't have to do this anymore.

S

Sarah DePalma 05:35

I got a real easy way to put this. Yeah. Are you on the side of the most dangerous man in the world? John Ashcroft. Where are you on the side of Pacifica? Yeah, and if you're on the side of Pacifica, then prove it put your money where your mouth is you need the bucks. Thank you and tonight

J

Jimmy Carper 05:51

we have or

S

Sarah DePalma 05:52

say anything political. Oh, none of this shall be I'm an equal opportunity offender so stick around. I left

J

Jimmy Carper 06:00

the bag out at the secretarial desk and there's some like DVDs in it. Because we've got special special premiums for not just anyone know what video has given us some some things to give away. We're giving away DVDs for \$50 on plastic. And let me say let me tell you these DVDs

are you know like you buy them for 25 bucks. Plus tax plus postage and all that kind of stuff. But you know you give us a pledge of 50 bucks on plastic and they can be yours one is the perfect Son. And the other one is Claire of the moon.

**S** Sarah DePalma 06:42

Oh Claire the moon is a wonderful that's wonderful and it's

**J** Jimmy Carper 06:45

on DVD and it's plus plus it's got a second DVD with it. Director stuff

**S** Sarah DePalma 06:51

you know cool that's the best part of the DVD is to get us get see all the all these different things right.

**J** Jimmy Carper 06:56

50 bucks on plastic. We also have one book left Margaret Cho. And the title of that is on the one that I want. That is the her previous show. And we have one CD left of Margaret show of the the new one notorious CH OH, that's because

**S** Sarah DePalma 07:14

I just saw her on HBO recently for the first time. Yes, she's funny as hell. So

**J** Jimmy Carper 07:18

I'm the one that I want. Yeah. That was the last stop. Yes, she was just here. Yeah. So funny. Oh, my mother, the boy I was seeing at the time and myself when Steven it's always the boy you were seeing at the time. We're gonna have to work on that in a

**S** Sarah DePalma 07:41

little bit in a little bit late but Happy National Coming Out. Dad's right. I got an interesting story to tell about that to happen to within the last few weeks. Okay,

**J** Jimmy Carper 07:49

let me get get finished with this stuff here. And we'll get right into it. Because I want to make sure that I talked about the Unity committee Halloween party, because there's been some

changes, there's actually a change in venue, it is not going to be where it was. It's going to now be at Diamond gyms, which is located at 13,003 31 Kirkland doll that's off Kirkendall and Ella, it's the old booking knights club. I don't know I've never been there. However, that's October the 26th. Saturday night from 830 until and it's this this is a there's a little cover charge of three bucks. And of course the costume party and all of that. And Brenda wants you to know that it's going to be there. And they're going to have it it had you know, they just because they lost the old venue.

S

Sarah DePalma 08:43

This friend is one of the hardest working people I know she

J

Jimmy Carper 08:47

is and and I have a whole page from Jackie Thorne talking about how wonderful diamond gyms is. So you know, I'll just tell

S

Sarah DePalma 08:55

you that and yet and Jackie would be the expert. Yes. Yeah, yes.

J

Jimmy Carper 08:59

Some other things coming up. When's this Wednesday, October the 16th is bingo for cars, the Royal Sovereign Bureau, or periodic or the single star does a bingo thing which is really kind of fun because I did it last month to once a month. Wednesday. Seven o'clock at decade's

S

Sarah DePalma 09:20

old trick to bingo is to get your ducks in a row. Yes. Moving right along. Please. All right, please send money. Send money you can shoot me.

J

Jimmy Carper 09:35

The bingo thing is as a fundraiser. And let's see, Saturday, October. There's a lot of stuff going on on October 26. You know, the witches ball which I'm sure you're going to

S

Sarah DePalma 09:48

probably probably

**J** Jimmy Carper 09:51

the Unity ball at the Unity Halloween party and Royal Sovereign Imperial Court is doing the so fun this pumpkin patch Ah, Grand Duchess Lafonda St. John presents that in search of the Great Pumpkin. And that's how she spells it. Yes. And that will be at the Boulevard Saloon in Galveston, Galveston at eight o'clock. So check that out, especially you folks down in Galveston, but for today, Sunday, Sunday, Sunday, Sunday, the 13th. For me, it's still Saturday night because I haven't been to bed yet. But hey,

**S** Sarah DePalma 10:26

I get up in the middle of the night to be here and yeah, you've had

**J** Jimmy Carper 10:30

you went to bed you've Sunday at the outpost for the Imperial Court of Houston is core winds. What does that Corwin show this Sunday? Yes, core winds comedy camp be a show of comedy and drag beginning at eight o'clock. And yes, it's the same time as the Miss Mary's pageant.

**S** Sarah DePalma 10:56

But you know, Hey, Jamie naturally,

**J** Jimmy Carper 10:59

I know Mary's naturally naturally, Friday October the 18th I want to make sure that you know about the Imperial curfews The Midnight Madness party is happening at the outpost, like ghost outpost. And that's from eight until midnight. Okay, okay, and gingivitis. gingivitis.

**S** Sarah DePalma 11:19

What about gingivitis?

**J** Jimmy Carper 11:21

gingivitis? Yes, she is the reigning Miss Mary's naturally. And she will be hosting the numerous Mary's contest and of course that takes place today Sunday at 6pm at Mary so you can still see that and do the other thing you know at 730. I'm gonna run right down there, buddy. Actually, she's really She's really good. She's been with my mother of Montrose, too.

**S** Sarah DePalma 11:52

I know how to mother. Yeah, boy. Yeah. And don't we? That's right. And that's it. He's gone.

**J** Jimmy Carper 12:05

Oh, God. That's right. And the of course the she's she and her lover Chris Bo da are hosting the third annual big knobs on broomsticks benefit show. Naturally, yes, that that will be October the 27th. And you can now go there because that's the Sony seven. That's the day after you've been to there at six o'clock. One more thing several

**S** Sarah DePalma 12:31

years ago, seven years ago. We were getting married was having the Miss Westheimer hooker lookalike contest. And I thought that was really a wonderful contest. So a friend of mine let me dominatrix outfit. Yeah, and me. So I'm in the boots and I had miniskirt and I'm feeling pretty good. And we're over in the potpie this guy comes by and offers me 50 bucks I'll take them home and whip his ass. I'm thinking about this, you know, 50 bucks

**J** Jimmy Carper 13:00

a by 50 bucks is 50 bucks.

**S** Sarah DePalma 13:03

Or I could say another word. One of my drag queen friends looked over my shoulder and said to him, honey, you wouldn't be worth \$50 If you mortgage the house. So he sort of slunk away and I'm watching my \$50 but it was a pretty fresh Halloween in Montrose. You gotta be here to believe it.

**J** Jimmy Carper 13:21

No, no, no more personal level. JD Doyle. Oh, of course. I know that you all out there listened to queer voices Monday night and heard his his musical. Coming out. Show.

**S** Sarah DePalma 13:38

JD Doyle is the best show round. He Yeah, he is incredibly

**J** Jimmy Carper 13:42

incredible. He sent me an email. And he said as you know, I just uploaded the audio file archives. He works with this way out. And does the audio file segment. Yes. But there are two segments missing that neither Chris nor I had. So I asked Greg Gordon, who does it. If he could

take them up and he did with the catch. They are only in his archives on reel to reel tape. And he said that he had no way to convert them to anything else. seems odd to me, but I have no clue how to be choosers. Okay.

S

Sarah DePalma 14:19

When I turn on CD players better work.

J

Jimmy Carper 14:20

I know. Well, the thing of it is we do not have a reel to reel tape working here at the station anymore. You

S

Sarah DePalma 14:27

had one that I used to do editing. Yeah, edit my shows. Yeah, yes, yes. And he was a mess.

J

Jimmy Carper 14:32

I'm asking anyone out there who has a reel to reel, you know, and willing to loan it to us so that JD can convert the reel to reel to whatever he wants to put it on? Probably concert. I'm thinking probably a CD, maybe CD. Yeah. And if that's the case, we'll have to loan it. I mean, have it take it and take it to his house to set it

S

Sarah DePalma 14:54

up to do that. Yeah, but JD is good guy. JD I mean, you can trust it.

J

Jimmy Carper 14:57

Yeah. You know, he's been with This station for a long time, and he's the queer music guru. So give us a call at 713-526-5738. And let us know if you can do that. Or give us a call at 71355265738 with your pledge of support for the show.

S

Sarah DePalma 15:21

And you know what we really, really mean send in the money now.

J

Jimmy Carper 15:25

Yeah, so we know that later, but NASA we don't have to bitch about it. You know,

S

Sarah DePalma 15:29

I my whole approach to this fundraising thing is y'all are adults. Okay. And you know that, you know, that we're under attack everybody, all of us. Yeah, we know that we're under attack. You know, we had a president that doesn't know we have an economy and he's got Iraq on the brain. And so somebody has to have a free speech forum somewhere where it says, If you're unhappy with the way things are going in this country, and God knows I'm unhappy with this and in the money, Sound Support free speech. Hey, that sounds pretty good. Support free speech. Send in your money. Okay. Did I forget, they'll miss anything?

J

Jimmy Carper 16:07

No, I think you've covered okay, you know, for whatever pledge level you want. There are stuff that the station you know, will send you by T shirts and, and

S

Sarah DePalma 16:19

really groovy bumper stickers. Yeah, yeah. Yes. bumper stickers. Yes. I haven't set groovy in about 30 years. I can.

J

Jimmy Carper 16:28

Everything old is new again. Everything. Oh, you know,

S

Sarah DePalma 16:31

I've seen KPFT bumper stickers in the strangest parts of town. You mean on cars

J

Jimmy Carper 16:37

or on cars? Oh, okay. Well, you know,

S

Sarah DePalma 16:43

I've also seen them in the strangest parts period. Yes, sir, what

J

Jimmy Carper 16:48

have you got for us tonight?

---

S

Sarah DePalma 16:49

Well, we're going to have some fun tonight. And I usually come in here and do these real heavy political shows. Yes, you do, but not tonight. Tonight. We're going to have some fun. But we're going to we're going to do a survey 100 question survey done by Kate Borenstein. Oberoi in her book, which is called My gender workbook. And we are going to find out if you are perfectly gendered. What does that mean? Well, the quiz will sort of explain as she's going to pretty much take on every social Moray you've ever thought of, and just slice and dice and chopping. It'll be a lot of fun, you're gonna get to the end of it and discover that the social rules don't mean a hell of a lot. Okay, on a different subject, I got to tell the story about something that happened to me in a place that I hit was working. The this group of women were sitting around talking, and they were talking about their husbands and, you know, their kids, and they were going off and doing this and that and the other. And as part of the conversation, one of them said to me, so Sarah, what are you doing this week? And I said, Well, my partner and I are going to be doing this and this. And they said, Oh, what's his name? Oh, and I said, No, her name is Laurie. And she said, Laurie, that's not a guy's name. And I said, No, it's not

J

Jimmy Carper 18:11

she's She really is not Manning.

S

Sarah DePalma 18:13

It hasn't clicked. Wow, still isn't click, she says to me, Well, I don't know what that means. I said, it means I'm gay. And it finally noticed on this is not willing grace, she's got a real real she's got a real one in front of her now. Okay. And I'm not doing tap dances or show Jones. I just said it in passing. And I kept going.

J

Jimmy Carper 18:36

Several so says something else about you.

S

Sarah DePalma 18:40

But I'm not doing show to know that. You know, I haven't thought about that along there, to be honest. So, afterwards, she says to me, you know, she says, I'll pray for you. Ah, I swear, I swear to her, I said, and why you're praying for me wish me winning lottery ticket. You've never seen a face fall so far so fast in your whole life.

J

Jimmy Carper 19:06

I thought you're gonna hit her with the transgender part.

S

Sarah DePalma 19:08

Oh, listen, are you kidding me? She's still figuring out that there are real gay people. And it's not just unwilling grace. So I'm thinking, you know, like, you know, this is 1956 You know, this woman live in? Well, Jimmy, you know, it's an interesting thing you get outside of Montrose. And there are a lot of really ignorant SOPs out there.

**J** Jimmy Carper 19:31

But you know, there really are. The GOP GLBT community is everywhere. We are heavy in Pasadena. We you know, in places that you would never have thought before.

**S** Sarah DePalma 19:43

Well, obviously she didn't know thinking because it blew her away. It truly did. Not a topless story. When I come into work, she's got Bible quotations that she wants to give me but but I was prepared for her. Yes, because I brought her a copy of a tape that we did. With with Mel, Mel White with Mel White. Yes. And Mel White is talking about Jerry Falwell and all of these people and he has all these wonderful things to say about them. Now I handed that to her and said, you know, before you handed you bible quotes you really I listened to this audio tape. Well, we haven't heard any more from her. I just I just thought it was kind of a funny story. So for National Coming Out Day. I think the moral of the story here is that the coming out process never really ends. It really. You know, it never. It never stopped coming out. It's no, it's not an event. It's a process it is. And sometimes you meet the damnedest people.

**J** Jimmy Carper 20:43

And it's a lifelong process. No matter how queer I think I look and not you know, I am like, Good God, girl. I am the Montrose I'm

**S** Sarah DePalma 20:56

Stuart queen. Okay. Yes.

**J** Jimmy Carper 20:59

Pink Shirt complete with always. Yeah, 50% of the time. I'm wearing a pink shirt. Just to say nothing of anything, you know. I mean, there's normal people look at me and oh, there's a gay guy. You don't even have to say it's just automatic.

**S** Sarah DePalma 21:15

They get a toaster oven.

**J** Jimmy Carper 21:17  
But yet there are people who you know, I talked to and they have no idea that asked if I'm married.

**S** Sarah DePalma 21:24  
Yeah, yeah, yes, I

**J** Jimmy Carper 21:25  
am. His name is

**S** Sarah DePalma 21:27  
people. But it's but it's funny to me. People have no idea that I'm transgender either. Yeah. And in occasionally, I will just out myself just for the shock value of it really. And kind of watch their faces fall their eyes dilate, you know? And it's, it's really fun to see, because they think we only exist like on television. on Jerry Springer. Yeah. And, you know, I don't look anything at all, like, RuPaul No, you know, more fun doing that. I really do so. So for those of you I know,

**J** Jimmy Carper 21:57  
I've described you on the air before. Look like a middle aged little Italian lady.

**S** Sarah DePalma 22:03  
Well, that's what I am. Yeah. Anyway. So it's really funny to me, because people just they don't think we're real. And then when they get a real one, it's like, oh my God, what do I do with it? It's

**J** Jimmy Carper 22:17  
do nothing. You just go on with life. You know,

**S** Sarah DePalma 22:20  
I'm having I have. I'm having fun. whether other people are shocked. That's really their problem is the way I see it. And of course, if you're at Texas a&m, you realize I am a transgender Texas

**J** Jimmy Carper 22:30  
Aggie Yes

Aggie res.

- S** Sarah DePalma 22:34  
Phyllis is not the only transgender. Rose is transgendered and I could go on and on us there are lots of us transgenders in Texas a&m. It's in the drinking water. Okay, now they're pissed off all the
- J** Jimmy Carper 22:52  
new for me. Big Ra is here finally.
- S** Sarah DePalma 22:58  
We can start the show.
- J** Jimmy Carper 23:01  
Okay, folks, Bryce here, you can call him now. 713-526-5738. He wants to hear from you and take your pledge of support.
- S** Sarah DePalma 23:09  
Let the money roll.
- J** Jimmy Carper 23:11  
Right here. We already have a pledge we do. Yeah. I think that's what Chris indicated to me. Let me go get out during hugs Central.
- S** Sarah DePalma 23:22  
We want the money honey,
- J** Jimmy Carper 23:23  
am I supposed to like go to the pledge central thing or something?
- S** Sarah DePalma 23:27  
Nana wants to play peace music. We'll come back and we'll do our Kate Bornstein stuff.

**J** Jimmy Carper 23:31  
Oh, boy. Just catch me off guard. Why don't you know what,

**S** Sarah DePalma 23:35  
as long as we've been doing this show, I can still surprise them. Yes.

**J** Jimmy Carper 23:41  
Okay, we don't have to go to the you know, this is Freddie Freeman. And I've been wanting to play him. Okay, because I've played one of his other songs, but I think he's a really good artist. And this is from his EP called waiting for an echo. It's called Broken and you're listening to win on after hours queer radio with attitude on KPFT Houston and ke O 's College Station. Yes, Freddie Freeman. From his EP waiting for an echo. And that was broken, broken. And you can check that out. Let's see. Let's see Freddie Freeman. WW Debbie freight Freddie. Oh, Freddie. freeman.com. Yes. Yeah, no

**S** Sarah DePalma 24:38  
Irish. He's pretty yo Freeman. Freddie. Oh,

**J** Jimmy Carper 24:42  
no, I just got a note in front of me that lets me reminds me that we also have four \$50 on plastic, two tickets to the witches ball. Ooh. And the tickets are how much you're paying

**S** Sarah DePalma 25:00  
Swanee well, they'll be \$25 up until today. After today there'll be \$30

**J** Jimmy Carper 25:07  
Whoa. So this is like a bargain. I mean, you're getting them like for free. Almost. I mean, you know, your whatever you pledged to the station is what they cost. And you

**S** Sarah DePalma 25:18  
really do want to go to the witches, the witches ball, that's it. It's where it's at a place called cardies

J Jimmy Carper 25:26

cardies. That's right. 9301 bissonnet I remember the the flyer on it, and they're having spoon fed tribe, which is Jim tells me he's like 20 or 30 Different people who do drumming. And they have very little, very little on except for glow in the dark pink.

S Sarah DePalma 25:45

Speaking very little on I want to say hello to bad girls group. Oh, it's a women's only s&m organization. They're having their party tonight, which I'm missing because I'm here. But I assure that they're partying and they are just having a flogging. Good time. So hello, bad girls. And as they would say in Saturday Night Live rock on. Guess they would yes, they would. Over Saturday Night Live and Michael Myers. Let's. Let's have might have hired Michael Myers. They're gonna make a movie of the cat and hat. And Mike Myers is going to play the cat. Oh, it's what I said to Dr. Seuss is rolling in his grave. Yeah,

J Jimmy Carper 26:26

the only the only person worse would be Jim Carrey.

S Sarah DePalma 26:30

Or Eddie Murphy. Oh, yeah. Yeah, already? Yeah. No, I'm over that. Yeah. Okay, so let me tell you what we're gonna do here. I gotta tell you about who did who created this quiz. Because this explains a lot right from the get go. Kate Bornstein is a troublemakers troublemaker. Oh, she is. I can't call things the way they are. Yes. And if you really don't like it, then you can really stop listening. That's pretty much her attitude about stuff. Kay is a transsexual, and author a show and actress a general overall thought you would never want to get into a a pawn war with Kate,

J Jimmy Carper 27:11

because you'll lose activist and performing artists. The only

S Sarah DePalma 27:15

person we've ever had in the show that could shut me up. Yeah, that's true. True. The only one who ever did it. That was pretty and she had to flirt with me to do it again.

J Jimmy Carper 27:22

Yeah, I remember that. I mean, you just on the radio, you're I was looking over there. And she just turned beet red and shut up.

S

Sarah DePalma 27:30

And Kate and Kate, her credit says she I didn't know I could do that. And they can do it. Anyway, that explains a lot about Kate now hate. He wrote a book loves life as she does. She's the author of a book called transgender warriors, which I'm sure many of people in the audience are familiar with, where she had a sort of a follow up book to that called my gender workbook. And it didn't sell nearly as well, because this was kind of dealing with it in a more humorous way, shall we say? Oh, so Kate, apparently got a lot of mail in the mail said, Well, how would one know if one is perfectly gendered? Never asked hate that kind of question. Because she'll come up with a way to tell yes. And she has. So that's what we're going to be doing with this quiz. Okay, so I'm gonna give you a minute or two. If you're out there, get yourself a piece of paper and a pen. Because you're going to want to score along with this quiz. And at the end of the quiz, we're going to total it up and we're going to find out whether your agenda warrior, whether you're just a royal pain in the butt, whether you're right wing, be it all sorts of other all sorts of interesting. I would imagine if you're a right wing bigot you want the station to the right of us. Yeah.

J

Jimmy Carper 28:41

We're right. Yeah, we're in the in between jazz and Jesus.

S

Sarah DePalma 28:45

The Jazz Jesus. Yeah. Jesus. What would what would a jazzy Jesus do? That's right. Yeah, well, you know, that's

J

Jimmy Carper 28:51

right. Remember KPFT keep pledging for transgenders

S

Sarah DePalma 28:56

keep pledging for transgenders because God knows you don't want to keep pledging for Jesus. I'll probably get struck by lightning.

U

29:08

On a perfectly clear night.

S

Sarah DePalma 29:12

I can just see the headline, transgender activists electrified. Really? Oh, all right. All right. Now

we've given you time you got your pen, you got your paper. If you're if you were white, if you were asleep and you are just about asleep and you were listening to your headset, get up get your piece of paper, you're gonna want to participate in this quiz. You can sleep anytime you can sleep after you're dead. Now you want to take the quiz. There you go. Okay. All right. So here we go. Question number one. And this has to do with penises.
