I don't think it's been mentioned much today. We had guts enough to love. They tried to cover this with guilt, shame dishonor. They made it as awful for us as they could. But it was wonderful. It is getting more wonderful. Fellow criminals. Never forget your knights in the days of your fighting for their freedom. Remember this experience. It is the tenderest finest moment of our lives and in the clamor for our civil rights. Always remember that they never granted them nor withdrew them. They only stole them and remember most of all, that we have so much more to give them than they have ever taken from us. We have been places We have known things, scenes suffered, feared, felt, experienced ecstasy, hell wonder all through our illegal acts. They have brought us the full richness of the human experience our freedom finally, when they understand it, it last is theirs. So keep loving, keep making love, and soon there will be enough. Thank you
